Manitoba Has Prescription Trouble.

Manitoba is afflicted with the same prescription disease that once afflicted the people of British Columbia.

Doctors are privileged people. They have an organization that is supposed to be self-disciplinary.

Archbishop Du Vernet on The Mental Kingdom.

Science has much to teach us about the Inorganic Kingdom which deals with dead things, and also about the Organic Kingdom which deals with living creatures.

As there are laws which regulate the structure of a crystal, the growth of a plant, the development of an animal, so there are laws which regulate the operation of the mind.

Psychic Research.

Philosophers have for centuries past been studying the Human Mind, but it is only within the last fifty years that special attention has been given to this subject with the aid of new scientific methods.

All these mental and psychic experiences have been collected, analyzed, and classified, giving us the Science of the Soul.

All Minds Connected.

If we are accustomed to call the laws of the Organic and the Inorganic Kingdoms the Laws of God, because God is back of all the forces of nature in a far higher sense the laws of the Human Mind are the laws of God.

Application To Religion.

There are those who never concentrate their attention on the Infinite, never open their minds to a Divine suggestion, never yield their hearts to a Higher Fellowship.

### BEWARE OF BRONCHITIS

Bronchitis is generally caused by neglecting a cold, or exposure to wet and inclement weather. It begins with a tightness across the chest, difficulty in breathing, and a wheezing sound comes from the lungs. There is a raising of phlegm, especially the first thing in the morning. This is at first white, but later becomes of a greenish or yellowish color and is occasionally streaked with blood.

On the first sign of bronchitis you should check it immediately by using Dr. Wood's Norway Pine Syrup, thereby prevent it becoming chronic, and perhaps developing into some more serious lung trouble.

Mrs. Brien Goham, St. Catharines, Ontario, writes: "In December, 1919, I was very sick with bronchitis, and had to stay in the house all winter. One day I saw Dr. Wood's Norway Pine Syrup advertised, so I got a small bottle which helped me very much; I then got a 6oz. size, and it completely relieved me. I cannot praise Dr. Wood's enough for what it did. Two of my neighbors are now using it for colds."

Don't accept a substitute for Dr. Wood's Norway Pine Syrup; the genuine is put up in a yellow wrapper, three pine trees the trade mark; price 35c. and 60c.; manufactured only by The T. Midburn Co., Limited, Toronto, Ont. Adv.

## EASTER MUSIC BEING PREPARED

Church Choirs Practising for the  
Coming Festive Season  
Following Lent.

Considerable activity is being  
displayed among the local musi-  
cians in connection with the vari-  
ous churches these days. The  
penitential season is now well on,  
and the advent of Easter will be  
celebrated gaily in a few weeks.  
Choiristers are putting in lots of  
practice and from the enthu-  
siasm being shown in various  
quartets, some very well rendered  
music may be expected. Stainer's  
"Credo" is in course of prepara-  
tion at the Methodist Church for  
Good Friday, the solo parts of  
which will be taken by local sing-  
ers. This oratorio is one of the  
classics and is a source of never-  
fading delight both to the singers  
and the audience. The choruses  
give ample scope for the capabili-  
ties of chorists, soloists and  
conductor. Some other of Hand-  
el's choruses—and no composer  
ever did better work than Handel—  
are also to be rendered.

**Anglicans.**  
At St. Andrew's Anglican Church  
that old favorite cantata "Christ  
and His Soldiers" will again be  
given. It is several years since  
the tonal numbers of this work  
have been heard here and it will  
be appreciated once more by those  
who hear it this Easter.

**Barodoresi's Mass.**  
Barodoresi's Mass will be sung  
at the Catholic Church and there  
will be other special numbers  
suitable for the season as well  
given by the choir on Easter Sun-  
day.

Special music, consisting of  
anthems and solos will be ren-  
dered both at the Presbyterian  
and Baptist Churches and all five  
churches will make this Eastertide  
one musically notable.

## MOLTEN METAL IS WATERFRONT SIGHT

Recently Installed Foundry Proves  
Useful to Fisherfolk of  
This Port.

One of the interesting develop-  
ments in the business of the  
water front is the recent installa-  
tion of a foundry at Akerberg,  
Thomson & Co.'s shop. Although  
the foundry was intended for  
brass, other metals can be run as  
well. Hitherto this work was done  
at the dry dock plant or sent be-  
low, which in the latter case was  
troublesome and tedious. There  
are innumerable castings of brass  
required in the gas engine repair  
business and when they can be  
made on the spot, business is  
much facilitated. The alloy can  
be made as required in the cruci-  
ble, whether bright brass or  
bronze. A sand specially suitable  
for moulding has been secured at  
Telkwa, where it is shipped here.

Economy is the chief feature  
which interests local engine own-  
ers. In a recent instance a boat  
came to port with one of her pro-  
peller blades stripped. Not long  
ago this would have meant a new  
propeller. Nowadays, a mould is  
taken of the blade with the exact  
pitch, a new one cast and then  
welded on to the wheel by an oxy-  
acetylene flame.

Seeing the molten metal being  
run into the moulds is becoming  
one of the popular sights on the  
waterfront.

## STATEMENT MADE BY MR. H. V. GOLDING, R. N.

How He Obtained First Real Relief  
From Asthma in Six Years.

A wonderful testimony of the  
merit of Wonder Health Restorer,  
the great herb remedy sold by the  
Prince Rupert Drug Co., has just  
been received.

On the advice of a Vancouver  
physician Mr. Golding, now re-  
siding in Calgary, took Wonder  
Health Restorer for a case of  
Asthma from which he had been  
suffering for years and for which  
the best physicians on two con-  
tinent could give him nothing  
that would give permanent relief.  
He writes that after brief treat-  
ment he is free from the trouble  
and has gained 18 lbs. "This," he  
says, "is the only time I have been  
absolutely free from this distress-  
ing disease since June, 1915.

Wonder Health Restorer is a  
herb remedy, acting on the blood.  
It does work just as in the case of  
Mr. Golding on any case of Asthma,  
rheumatism, Stomach trouble,  
Nervous disease, Kidney com-  
plaint, Piles, Skin disease, etc. It  
comes in liquid or capsule form.  
Call at the Prince Rupert Drug  
Co. and learn all about the record  
of this wonderful remedy which  
has brought relief to thousands.

## HOSPITAL TO BENEFIT FROM VAUDEVILLE

Fine Variety Program Being Pre-  
pared for Concert Next Week

Preparations are being made  
for the big vaudeville entertain-  
ment next week, one of the last  
affairs in which Will Edmunds  
will take part before leaving for  
the south. It is to be a "hum-  
mer" according to all accounts.  
An array of talent is being mar-  
shalled and trained that will do  
credit to any place.

Black face artists are to be a  
feature. Humor galore and now  
and then an old folk song with  
heart appeal. That is what the  
people like. According to those  
who profess to be in the know,  
every turn has a character all its  
own and promises great things for  
those happy enough to have  
tickets.

## The Man in the Moon SAYS:

AMONG the things that don't  
get you anywhere is asking new  
fish ears from the Government.

WHAT will be the use of a  
drylock when the new wet law  
comes into force?

SEEKING the quantity of liquor  
sold under the present partly hard  
dry regulations, what amount  
might be expected to be sold under  
a partly wet system?

THE difficulty about liquor is  
that everybody wants more than  
is good for him and then some.

A WOMAN devotes half a life-  
time to making a man of her son  
and then along comes another  
woman and makes a monkey of  
him in less than no time.

SHE frowned on him and called  
him Mr.  
Because that night for fun he Kr.  
So just for spite  
That very night  
The naughty Mr. Kr. Sr.

OUR old friend Will Shake-  
speare apparently knew some-  
thing about prohibition for he  
mentioned, "I have thee on the  
hip."

EXERCISE is all right as long  
as it is not labelled work.

A MAN will climb a mountain,  
tear his hands with devil's club,  
catch rheumatics and freeze to  
death dangling a fool pole over an  
uninhabited stream, and call it  
sport. The same man asked to  
expand one quarter of the energy  
on some productive labor will  
peltily inquire: "Whatinell do  
you think I am, a mule?"

### HEARTBURN LIVER TROUBLE

When the liver becomes torpid and inflamed, it cannot furnish sufficient bile to the bowels, thus causing them to become constipated.

The stomach is also affected. In the case of heartburn there is a gnawing and burning pain in the stomach, attended by disturbed appetite, caused by great acidity. Whenever too much food is taken, it is liable to ferment, and become extremely sour, vomiting often occurs; and what is thrown up, is sour and sometimes bitter.

Other liver trouble symptoms are pain under the right shoulder, yellowness of the skin and eyes, floating specks before the eyes, coated tongue, bad taste in the morning, foul breath, water brash, jaundice, constipation, etc.

Keep your liver active by using Milburn's Laxa-Liver Pills and you will have no heartburn or other liver troubles, being purely vegetable they do not grip, weaken or sicken like the old-fashioned purgatives generally sold.

Mrs. Mary Strone, Glasnevin, Sask., writes: "I have used Milburn's Laxa-Liver Pills, and they have cleared me of heartburn and liver trouble. I don't think they can be beaten by any other medicine, and I can highly recommend them."

Price 25c a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. Advl.

### PRINCE GEORGE

About fifty men have arrived at McBride to take the place of Oriental section hands on the railway in that district.

On Saturday night all the clubs in Prince George were raided and the inmates arrested charged with running common houses and being on the premises. The cases have been remanded to allow for counsel to take them up.

Hon. T. D. Pattullo, minister of lands and member for Prince Rupert, and Harry G. Perry, member for Prince George, are reported here to be rivals for the honor of being the best dressed members in the legislative assembly.

Captain D. H. Foster, who has purchased the river boat Quesnel from the Vancouver Quesnel Navigation Co. and is at present here supervising repairs on the boat, predicts that the Fraser River will be navigated for many years longer in spite of the fact that the B.C. Express Co.'s boats are being dismantled and being taken to the McKenzie River. Captain Foster will operate the Quesnel on the river from Prince George.

Charles Millikan, a brother of Mrs. Robert Tyrlhurst, is visiting in the city.

A letter received by Mayor Wilson from Frank Garvell, chairman of the railway commission, gives no satisfaction as to the question of selecting a station site and building a station here.

### TERRACE

The Kleanza Mining and Lumber Co. at Usk are looking forward to a busy season this year both in lumbering and mining. As soon as snow conditions will permit, the machinery for large sawmill will be installed and an aerial tram for handling the lumber will be installed. It is intended to diamond drill the Valhalla mining property this summer.

D. A. Buchanan, who represents capital from the East, expects to return to Copper City this season to direct development work on some claims on Copper River bonded last summer. There appears to be a probability of considerable mine development in this section during the coming summer.

D. A. McKinnon has moved into the residence of Mr. and Mrs. D. D. Munro who have gone to Victoria to spend several months.

Mrs. Ayres and family and her sister, Miss Pearl Wager, left on Wednesday for Wetaskiwin, Alberta.

### FIRE DEPARTMENT IS ALWAYS READY

Its Motto of Preparedness Should Be Applied to Protection of Public Health.

"There hasn't been a fire in the city for weeks," said a citizen the other day. "It seems a waste of money to keep up a fire department that does nothing."

"We don't dishband the fire department because we have a run of luck," replied a ratepayer. "It pays to have those firemen ready, whether they are doing anything or not." And the ratepayer spoke wisely.

Just as the fire department stands ready to protect your property, so does Grip-Fix stand ready to protect your health, being an unequalled remedy for colds. This preparation of drugs such as your physician would use is supplied in capsule form; it gives relief to a cold in a night and works quickly in the case of grippe. Get a box of Grip-Fix today.
