Injunction Against the Government POLITICAL HOUSE CLEANING GOING ON AT OTTAWA BY PREMIER

Meighan Is Left with Only Three Members of Cabinet Drayton, Tolmie and Kemp

(Canadian National Telegraphs.)
OTTAWA, Sept. 9.—(1:45 p.m.)—All but four members of the cabinet have handed in their resignations to give Meighan a free hand in cabinet reconstruction in view of the coming election. Those remaining in office are Sir Henry Drayton, minister of finance; Dr. Simon Fraser Tolmie, minister of agriculture; Sir Edward Kemp, without portfolio, and the premier himself.

Members of the cabinet—Foster, Reid and Calder—have declined to offer for re-election but are slated for the Senate, while Doherty is booked as permanent representative at the election. Meighan is also anxious to return to the front. Guthrie and Ballantyne hold the view that the premier will advise in bringing on the elections. Material is hard to find, and the Premier is in a quandary as to the new cabinet.

Let Walt Do It Is Good Motto.

The motto "Let Walt do it" is a good one sometimes. There are times when we have wanted to exhort readers of this paper to put on a bold front, to face the difficulties of life without flinching, and to keep on fighting, and to tell them that the man who is a quitter is a dead one.

"A man's no older than he feels," I cry, in cheerful tones, as I limp by on aching heels, with stiff and creaking bones. And I imply, my friends, by this, that I am feeling young, that in my form no sparkplugs miss, no bolts are bent or sprung.

Get Together Make Fair Success.

The annual fall fair is one of the occasions when the citizens of Prince Rupert can get together and make a great success. They can display that spirit of unity which is necessary in any thriving community.

There is coming a political fight. Undoubtedly there will be a contest in this city. Citizens will take different sides and will vote as they feel is right.

Get Out What We Put In.

This is an age when it is difficult to get something for nothing. We usually get out of anything what we put in. When the Chautauqua opened here the young lady in charge told the people that the Chautauqua would be just what they made it, nothing more and nothing less.

The heads of the various departments of the city schools were in attendance at the meeting of the School Board last night, and made reports on the work of becoming established in the new locations.

NEW TEACHER FOR SCHOOLS

Three Are Necessary for Receiving Classes—96 Beginners at Two Schools.

The School Board at its meeting last night authorized the appointment of an additional teacher to the local teaching staff to relieve congestion in the receiving classes.

Policy of Principal. Mr. Campbell outlined several of his policies at the meeting and the board went on record as standing behind him on these policies.

Mr. Campbell is finding considerable work defining boundaries for the various schools. Representatives of the electrical firms of Parkin & Ward and Pattinson & Ling had a tilt at the school board meeting last night over the granting of additional wiring to be done at the Sergeant William Booth School.

DISPUTE REGARDING ELECTRICAL WORK

Pattinson & Ling Object to Another Firm Being Called to Tender on New School Work.

Since the completion of the main contract by Pattinson & Ling another job which will amount to about \$150 has been found necessary.

Captain Formby, representing Pattinson & Ling, felt that his firm was entitled to give an estimate on this work, it being an extra on the main job.

JUNIOR SEASON IS NOW ENDED

All further games of the season in the Juvenile and Junior basketball leagues have been called off and the Falcons and Tiny Tims are officially declared winners of the championship in the former league and the Tiny Time in the latter. This action has been taken on account of the short evenings which have set in and the fact that the members of the teams have gone back to school. Preparations are now being made for the basketball season, and both leagues will again be active in the winter.

Sport Chat

Present indications point to the fact that the baseball championship of Northern B. C. claimed by Prince Rupert, Prince George, Anxox and Ocean Falls, may yet be decided this season. The three first mentioned teams are to meet here next week at the Fair and two of the towns will be eliminated. If Prince Rupert goes through and wins the series, the city team will journey south to meet the Pape-makers. That much is assured but if either Prince George or Anxox win its remains to be seen if Ocean Falls will get her crack at the Northern B. C. title this season.

In the exhibition football series, the first game of which will be played tonight between the Great War Veterans and the Sons of Canada, the closing soccer fixtures for the season will be pulled off. The three honors of the year, the Mobley Cup, significant of city championship, the Dominion Day Cup and the Gihuly Cup have been won by the Sons of Canada. Now the Canucks only have two more games to win and their record of no defeats for the season will be secure. These two games will likely be the hardest of the season, and even with their glory so far, the Sons will have no cinches in either winning tonight's game and entering the finals or winning the Exhibition sweaters if they are successful tonight. The last few games have seen some mighty narrow escapes for the Canadians—the next two might possibly bring defeat.
