Steamer Catala To Be Off Run For Some Time

The popular coastal liner Catala of the Union Steamship Co. fleet, which will be withdrawn from service in Vancouver at the conclusion of her present voyage, will, it is understood, be off the run for at least four months as it has been necessary to send to England for a new boiler to be installed in her. The steamer Cardena will take the Catala's run on the Vancouver-Prince Rupert-Anox-Stewart route while the steamer Venture will replace the Cardena on the Vancouver-Bella Coola-Skeena River-Prince Rupert run.

Running slow on account of her leaky boiler, the Catala called here from 12 to 1:30 noon today southbound from Anox and Stewart to Vancouver, being two days behind schedule. She called at Mill Bay in the Naas River to load a large consignment of canned salmon.

Would Keep Canadian National Independent and Non-Political System—Predicts Stormy Passage of Conference Agreement Through Commons

SEAFORTH, Ont., Sept. 29:—"After two years of hard times this government offers you nothing but agreements of which you know nothing," stated Rt. Hon. William Lyon Mackenzie King, Liberal leader for Canada, in an address here last night in which he condemned the alleged efforts of the government to make the Imperial economic conference the sole issue in the South Huron federal by-election.

"I believe if the government went to the country now, it would be defeated as no government was ever defeated before," declared Mr. King.

In regard to the Canadian National Railways, the Liberal leader said: "The Liberal party takes pride in the Canadian National system and in what was accomplished by Sir Henry Thornton and his board of directors during the time they were in office and given by the government of that day a hand free from all political control. The Liberal party, to the utmost of its ability, intends to see that the Canadian National, which in many respects, is Canada's greatest asset, is maintained in all integrity as an independent publicly-owned system in all particulars equal to those of its great privately-owned competitor."

Mr. Mackenzie King predicted a stormy passage through the House of Commons for Imperial Conference agreements. "Mr. Bennett will likely put the conference reports before the House and demand ratification without discussion and, if we do not agree, he will apply the closure. I propose to have something to say about this high-handed method of doing business. I am going to have something to say, too, about this business of one part of the Empire interfering with the domestic affairs of another."

Mackenzie King Pledges His Party to Continue Lowering Tariff Policy

EXETER, Ont., Sept. 29:—Declaring that the development of Canadian industry and commerce had been "thwarted and to a large extent paralyzed" by "excessively high tariffs enacted by the present administration," Rt. Hon. William Lyon Mackenzie King, Liberal leader for Canada, yesterday pledged his party to continue to seek promotion of trade by lowering of tariff barriers.

Mr. King was speaking on behalf of W. H. Golding, Liberal candidate for the South Huron by-election to be held on October 3.

Premier MacDonald Makes Changes in Administration Following Resignation of Free Traders

LONDON, Sept. 29.—Prime Minister J. Ramsay MacDonald has appointed Sir John Gilmour, Conservative, to succeed Sir Herbert Samuel, Free Trade Liberal leader, who resigned from the cabinet yesterday, as Home Secretary.

Sir Godfrey Collins, Liberal protectionist, succeeds Sir Archibald Sinclair as Secretary for Scotland.

Major Walter Elliott, in turn, succeeds Sir John Gilmour as Minister of Agriculture.

UNEMPLOYED IN SESSION

Various Matters Discussed at Last Night's N. U. W. A. Meeting

The National Unemployed Workers' Association held its weekly meeting in the Labor Defence Hall last night, Charles Chapman presiding. The meeting was well attended.

Reports tendered by the grievance committee were to the effect that no satisfaction had been received regarding medical and dental services for the unemployed and it was decided that a letter expressing the strong disapproval of the meeting be forwarded to Victoria at nothing definite having been done despite promises given.

RAILWAY BOARD TAKING UP WITH C. N. R. MATTER OF TRANSPORTING AUTOS

Ketchikan People Anxious to Come This Way to Interior Highway if Reasonable Rate Can Be Secured

At a meeting of the council of the Chamber of Commerce held yesterday it was announced that the Railway Board of Canada was taking up with the Canadian National Railways the suggestion from the Prince Rupert Chamber that a low rate on transporting motor cars between Prince Rupert and Hazelton be given by the railway. The announcement proved very satisfactory to the council, the members of which pressed the importance of the move.

Colonel Nicholls stated that, when in Ketchikan recently, he had been asked what rate was given on cars wishing to go through to the highway and he had to admit that the price was the prohibitive one of \$40. He was told that if they could get a rate of \$40 return, at least half a dozen cars there would make a party out that way in the spring. He felt sure a good business could be worked up in the transportation of cars if a reasonable rate were given. The Ketchikan people were very keen on it as well as local car owners.

The matter will be followed up by the Chamber of Commerce.

Mining Engineer Visiting District

John Brunton, a mining engineer from San Francisco, is in the city today following a visit to some of the mining properties on Queen Charlotte Islands. He is sufficiently interested to announce that he expects to return in two or three weeks when he will again visit the Islands. He arrived yesterday afternoon on the Prince John from the Islands and will sail for the south on the Prince Rupert tonight.

ARE NOT GOING OVER TO OPPOSITION

LONDON, Sept. 29:—The resigning Free Trade ministers, it is stated, have no intention of crossing the floor of the House to the Labor Opposition. It is their intention to continue to give general support to the national government where matters of tariff are not concerned.

Crowd of Fifty Thousand Witnessed Game—Scene Now Shifting to Windy City—Lou Gehrig Main Reason For American Leaguers' Victory

NEW YORK, Sept. 29:—The New York Yankees gained a commanding lead today when they turned back Chicago Cubs by a score of 5 to 2 to win their second straight victory in the World Series. The scene will now shift to Chicago where the third game will be played on Saturday. The fourth and fifth games, if a fifth is necessary, will also be played at Chicago.

Before a crowd estimated at 50,000 persons, Lefty Gomez, Yankee southpaw twirler, held the Cub batsmen safe, permitting nine scattered hits and fanning seven while allowing but one man to reach first on balls.

Babe Ruth had to be satisfied with but one single off the delivery of Lonnie Warneke, the Cubs' 20-year old pitching ace. Warneke, who, like Gomez, lasted the full game, was touched up for ten hits which came at opportune times.

As in the first game, Chicago drew first blood, scoring a run in the first inning, mainly due to an error by Crosetti. They got their second counter in the third but, from then on, Gomez was master of the situation, pitching himself out of several tight holes.

Lou Gehrig was again the main reason for the Yankees' victory, smashing out timely blows after Warneke had faltered in the first and Earl Combs and Joey Sewell walked. Gehrig's hot single scoring both runners.

Again in the third stanza, two hits and two passes netted the Yanks another pair of tallies. Ruth was walked and Gehrig singled, both reaching home on Ben Chapman's hard blow.

The Cubs played a fine game in the field, chalking up three fast double plays. Their defence was again splendid but their lack of concerted attack once more lost them the day.

GRAIN SHIP HERE TODAY

Dutch Steamer Flensburg Arrives From Antwerp To Load Wheat For U.K. Continent

Probably the first ocean-going mercantile vessel of her nationality to visit this port, the big Dutch steamer Flensburg arrived here at 9 o'clock this morning from Antwerp to load a full cargo of grain from the Alberta Wheat Pool's local elevator for delivery to the United Kingdom or Continent.

The Flensburg is already lined and, immediately on arrival, moored at the elevator where she will soon commence loading. The vessel was piloted in from Triple Island by Capt. C. W. Wearmouth of Vancouver.

The Flensburg left Antwerp on August 17 and had an uneventful voyage here. She is a vessel of 3515 registered tons and carries a crew of thirty-two men. The master is Capt. Charles Van Der Molen.

Fate of Freighter Nevada on North Pacific Ocean Revealed After Mystery Following S.O.S.

PORTLAND, Ore., Sept. 29:—The entire crew of the steamer Nevada, which was wrecked Tuesday night on Amatignak Island of the Aleutian group, is safe ashore and awaiting rescue, offices of the States Steamship Co., owners of the vessel, announced today. The steamers Oregon Maru and President Madison are at the scene but heavy seas are preventing the immediate taking off the men from the derelict ship.

SEATTLE, Sept. 29:—Mystery last night still shrouded the fate of a steamship believed to be the freighter Nevada of the States Steamship Co. of Portland which flashed distress calls at 11 o'clock Tuesday night from a position 150 miles east of Attu Island of the Aleutian group and then became silent.

The vessel was at first identified as the freighter Casey by her signal letters but later was figured to be the Nevada which sailed from Portland on September 16 for Japan. The Japanese steamer Oregon Maru arrived at the position given but reported that she found no ship.

THE UNTOUCHABLES

India is permeated with caste. People of various stations in life belong to different castes. People of a high caste must not associate with those of a lower caste. People who through some infraction of the caste law have lost their caste become outcasts or untouchables. Also their children grow up without caste. Today there are so many of these people without caste that they have become a power in the land and the recent effort of Gandhi to increase their power and influence has been a great step toward the breaking up of the caste system.

B. C. UNIVERSITY

The British Columbia University never has been in serious danger. The Kidd report undoubtedly has some important features and it draws attention to a serious financial condition which must be met but only a few fanatics really thought an attempt would be made to slough off the highest seat of learning in the province or to revert to a condition under which public school education would be anything but free. Even as it is, the efforts of parents to purchase books and keep their children in the higher grades means a great deal of self-denial on their part. The fight for free education was a long one and there is no turning back. The University may at any time be reformed or improved but the people will not allow it to be destroyed.

CAN'T DO WITHOUT IT

A month ago a lady told the Daily News she was planning to do without this paper. The depression made it difficult to pay even the modest ten cents a week demanded for it. At the end of the month she came in and paid for the remainder of the year, saying she found she could not do without it. She found it necessary to have the News in order to keep in touch with the week-end bargains advertised there.

The Daily News provides a daily Canadian telegraphic news service that costs a good deal but anyone wishing to keep up to date cannot be without it. That alone is worth all the money.

SOFTBALL AT HIGH SCHOOL

Pirates Take Giants 10-7 to Move Into First Place With Cubs

It took an extra inning in yesterday's softball fixture before the Morgan Pirates were able to beat the Smith Giants 10 to 7. Morgan collected eight of his 10 runs in the last two innings by heavy hitting aided by loose fielding of the Giants. The Giants led all the way until the last inning when the Pirates secured four runs to tie the score and have two over. The Giants in their half, got two runs and made the score 6-11. In the extra inning the Morgan Pirates brought in four runs which the Smith Giants found impossible to overcome.

Until the fifth inning it looked as though the Smith Giants had the game cinched. Smith pitched a steady game for the Giants but his support in the field was not very encouraging. Kanaya and Morgan did mound duty for the Pirates and were given a little better support. Most of the errors on both teams were overthrows at first and home.

For the Giants Smith, Gill's Murray and Kishimoto were best. For the Pirates, Morgan and Welle. Pirates—Welle 1b., Lindsay ss., Kanaya p. c., Morgan c. p., Campbell r. s., Palmer 2b., Emmerson cf., Annesley 3b., Fisher lf., Orme rf. Giants—Gillis ss., Kishimoto c., Smith p., Nakamoto 1b., Johnson 2b., Naylor r. s., Obachima 3b., McCaffery cf., Murray lf., Turgeon and B. Cross rf.

Umpires—Allen and Moxley. Scorekeeper, E. Santurbane.

ANNIVERSARY IS OBSERVED

The Rebekah branch of the Odd-fellows' Lodge of this city observed the eighty-second anniversary of the founding of the order with an anniversary service last night in the new Oddfellows' Hall. There was a large attendance of Rebekahs, Odd-fellows and their friends.

The service, which showed the aims and purposes of the order, was conducted by Miss Rita Johnston, noble grand, assisted by Mrs. J. L. McIntosh, Mrs. Bert West, Mrs. W. S. Hammond, Mrs. William McLeod and Mrs. J. W. McKinley, the last-mentioned presiding at the piano. Mrs. Bert Morgan gave an interesting address on "Friendship," this being followed by an acceptable musical program to which Mrs. H. N. Brocklesby, Mrs. J. C. Gilker, Mrs. J. S. Black and Bert Cameron were among those contributing.

Following the service and program, a social hour was enjoyed with cards, dancing and serving of delicious refreshments.

Four Hoop Leagues Expected to To Be in Operation With Three Or Four Teams Playing in Each

Prospects for an active hoop season in Prince Rupert during the coming winter were revealed at the annual meeting of the Prince Rupert Basketball Association which was held last evening in the City Hall. It is expected that senior, intermediate, junior and ladies' leagues will again be in operation and that there will be at least three teams competing in each.

WOULD ABOLISH SHIN-GUARDS

Umpires in the National League have proposed that the massive shin-guards of catchers be greatly reduced in size to discourage blocking off the plate, pointing out that foul tips rarely strike a catcher's legs and that the heavy armor now worn has been developed chiefly for the illegal purpose of defending the plate against a runner.

The attendance at last night's meeting was very satisfactory, there being a particularly gratifying number of young players. Considerable interest and enthusiasm was displayed. In the absence of last year's president, J. W. Plommer, who has left the city, Jock Campbell, vice-president, was in the chair.

Officers, with the exception of the president, for which office nominations were made but election deferred until next Tuesday's meeting were chosen as follows:

- Honorary President, Mayor Cyril H. Orme.
- Honorary Vice-President, Ald. S. D. Macdonald.
- Vice-President, Jock Campbell.
- Secretary-Treasurer, Miss Susie Boddie.

The executive consisting of representatives of each league, will be named later.

Venue For Play

The venue for games this winter will also be decided at the meeting next week when propositions from the Auditorium and the Exhibition Hall will be considered.

The financial statement for the 1931-32 season was presented and showed the association to be in good standing.

Tentative entries of teams so far as now known are as follows:

- Senior League—Grotto, Panthers and Canadian National Recreation Association.
- Intermediate—High School, Merchants and Tuxis Boys.
- Junior League—Japanese Students, Boy Scouts, League of Nations and Rovers.
- Ladies' League—Three teams yet to be named.

The captains of the teams for last year are being requested to send in a list of players to the executive meeting on Tuesday next.

proceedings consisted of Mrs. J. W. McKinley, Mrs. J. S. Irvine, Mrs. J. L. McIntosh and Miss Chrissie Wood.

BULKLEY VALLEY COAL

IS A HIGH CARBON, NON-COKING, BITUMINOUS COAL

That can be used to economical advantage in all styles of fire boxes. In your kitchen range try the nut-egg size and simply shake the bottom grate when a hot fire is desired. For heaters use single screened lump. In furnaces use single screened lump with a generous portion of fines added to hold a slow fire or banking over night. You will use no other fuel after becoming accustomed to—

Eastern Star Tea And Sale Success

Delightful Affair Yesterday Afternoon at Home of Mrs. F. S. Walton, McBride Street

A very successful tea and sale of home cooking was held yesterday afternoon by Belist Chapter, No. 18, Order of the Eastern Star, at the home of Mrs. F. S. Walton, McBride Street. There was a particularly large attendance at the affair which was most delightful.

The rooms were attractively decorated with autumn flowers, fall tones also predominating on the tea tables with matching tapers and silver sconces.

Mrs. Walton was assisted in receiving the many guests by Mrs. Samuel Massey, worthy matron of Belist Chapter.

Presiding at the urns were Mrs. E. N. Valentine, Mrs. W. D. Vance, Mrs. L. W. Kergin and Mrs. T. M. Spencer. Serveurs were Mrs. C. H. Elkins, Mrs. Robert Blance, Mrs. E. Valde and Mrs. A. H. Waddington. In charge in the kitchen were Mrs. J. Watt and Mrs. Ben Dalgarno while Mrs. W. W. C. O'Neill acted as cashier.

The home cooking table was in charge of Mrs. L. B. Lambly and Mrs. James Simpson. The winner of a bean guessing contest, of which Mrs. Shelford Darton was in charge, was Mrs. J. J. Little.

During the afternoon there were acceptable vocal solos by Mrs. A. J. Webber and Mrs. F. W. Allen with Mrs. C. E. Cullin accompanying.

Silver Wedding Anniversary Is Celebrated Here

Mr. and Mrs. A. C. Clark, 428 Fifth Avenue West, celebrated their silver wedding anniversary Tuesday night by entertaining a party of friends with four tables of bridge. Prize winners were: ladies' first, Mrs. H. M. Foote; second, Mrs. D. C. Stuart; men's first, J. W. Eastwood, second, D. C. Stuart.

On behalf of the guests, the presentation of a handsome silver cake basket was made to the bride and groom of 25 years ago by D. C. Stuart who proposed a suitable toast in so doing. Mr. Clark replied appropriately.

Delicious refreshments were served. There was a beautiful three-tier wedding cake.

Terry Orme and Orme Stewart will sail tonight on the Prince Rupert for Esquimalt where they will take courses of training at the naval barracks. They are members of the local unit of the Royal Canadian Naval Volunteer Reserve.

The oldest known material for resisting chemicals is stoneware.
