Coalition Attack on Lloyd George Failed To Develop in House

LONDON, June 24.—The so-called coalition revolt against Premier Lloyd George and his administration did not materialize in the House of Commons yesterday when the question of the salaries of cabinet ministers was discussed.

No attack was made when Mr. Lloyd George defended the selection of Dr. Addison as minister without portfolio. The house finally approved of his appointment at a salary of £2,500 per annum.

Discussing business conditions, the prime minister stated that from signs observed and information received there would shortly be a substantial trade boom in Great Britain.

BELFAST, June 24.—Three soldiers and a train guard were injured when a troop train carrying soldiers from Belfast to Dublin was wrecked by an explosion of Sinn Fein land mines near Dundalk. Two unidentified civilians seen running from the wreck were shot to death.

CORK, June 24.—Police barracks were bombed here this morning and general street fighting ensued. One woman was killed and three girls and three men were wounded.

MAY NOT BE BIG STRIKE

Labor Conference at Brighton Offers Nothing Tangible in Support of It.

LONDON, June 24.—As the labor conference at Brighton has offered nothing tangible in the way of support of striking coal miners, doubt is now expressed as to the calling of a conference of all unions to discuss the advisability of declaring a general strike.

CHINAMAN CHARGED SUPPLYING LIQUOR HAS BEEN DISMISSED

Wong T. Fong, a Chinaman of the West End Rooming House, was charged this morning in the police court before Magistrate McMorris with supplying liquor to a man named James McGinn, who was arrested by the city authorities for being drunk. This is the first case of the kind to be tried in Prince Rupert under the new government Liquor Control Act.

The punishment in the event of conviction is six months' imprisonment for a first offense without the option of a fine. Fong was defended by W. H. Johnson, who objected the act becomes a contemptible witness, to a severe cross examination. McGinn gave vague and indefinite answers under the cross examination.

The magistrate dismissed the case.

ALBERTA WILL HAVE ELECTION

Stewart Administration Will Go to People on July 18.

EDMONTON, June 24.—The date of the general provincial election in the province of Alberta has been fixed for July 18 with nominations one week earlier.

It is expected that the Liberal administration under Premier Glen Stewart will be sustained. The government, at present, holds 33 out of the 55 seats in the legislative assembly.

No organized farmer movement is expected but it is understood that there will be a number of individual farmer candidates nominated by local organizations in many of the sixty-one seats that will be contested at this election. Similar to Saskatchewan there may be a larger number of independent members returned in this province.

TALK OF ELECTION IN GREAT BRITAIN

Salisbury Advises Unionists to Stand Free.

LONDON, June 24.—(Canadian Associated Press.)—As the result of the defeat of Lloyd George Coalition Government candidates in recent by-elections by independent Anti-Waste candidates there is just now a great deal of speculation in political circles as to the prospects of a general election in the early autumn. A great deal of significance is attached to a letter from the Marquis of Salisbury, who, commenting on the result in East Hertfordshire, where the Coalition Unionist whom he supported was beaten, says:

"The fact is that the Government no longer possesses the full confidence of the Unionist Party."

The Marquis therefore advises every Unionist association to request Unionist members and candidates henceforth to consider themselves free from any binding obligation to support the Coalition Government.

LOCAL VETERANS MAY SELL BEER AGAIN TOMORROW

Executive of Local Association Will Have Meeting This Evening.

Beer selling to members will likely be resumed at the Great War Veterans' canteen in this city tomorrow morning. There will be an executive meeting of the Association tonight when final details will be arranged.

General commendation has been expressed about the city for the manner in which the local Association has acted in awaiting definite word from Victoria in regard to the Liquor Board's attitude on beer selling before resuming the business here. They have taken a sensible course in the question in not deciding to challenge the law by opening before.

Band of Naked Men and Women Attack Mounted Policeman on Attempting Arrest Doukhobors

GRAND FORKS, June 24.—Several members of the Royal Canadian Mounted Police were yesterday attacked by a band of naked Doukhobors of both sexes when an attempt was made to arrest the ringleaders in a revolt against complying with the census requirements. Eight of the Doukhobors were finally overpowered and sent to the Nelson jail for thirty days. They will also be recommended for deportation. On arrival at Nelson the Doukhobors marched singing to the provincial jail.

A good deal of trouble has been experienced in the big colony here by census enumerators in obtaining the information made necessary by census requirements. The Doukhobors stoutly refuse to answer certain questions asked.

Efforts on the part of the government to force them to comply with any regulations are generally met with demonstrations in the form of nude parades in which men and women freely mingle. These parades are not unusual in this district.

Resumption Clubs

Selling Beer Seems Likely.

It is apparent from the Victoria despatches received yesterday that the Liquor Control Board is going to allow the sale of beer, at least in returned soldiers' clubs. The proviso seems to be that the sale will be confined exclusively to bona fide members of the clubs. After a conference with the attorney-general, all the veterans' clubs in the province, it has been decided, will resume the sale of beer to their members. This would lead one to believe that all alike are to be free of prosecution in taking this course. The next thing then will be a demand from all other clubs, and there are now many of them in the province to be accorded the same privilege and it is difficult to conceive of how the liquor board is going to prosecute them either. It seems reasonable to expect that within a few days there will be a general resumption of beer selling in all the clubs in the province.

Will Club Charters Be Abused?

If this is allowed and all the clubs are permitted to sell beer to members, it remains to be seen where the line is to be drawn. Many owners of places who were formerly carrying on an open bar business in near beer will, doubtless, make application for incorporation of their premises as clubs. In some of these clubs the matter of membership is so simple that the condition that only bona fide members be served will be overcome quite easily. In any case it will be a difficult matter to police such places to see that the law is being lived up to in this respect. It is to be hoped that the club charter will not develop into a purely commercial proposition for the benefit of persons who formerly operated near beer bars and wish to continue in that business. If such is to be the case the "beer clauses" of the Moderation Act might just as well be dropped altogether. Since many of the clubs under prohibition were little better than gambling dens and saloons the condition will be no better than it was before with near beer bars on every corner.

Action by Legislature Will Be Necessary.

It is evident that there will be changes in the beer clauses of the Moderation Act when it comes up at the next session of the legislature in the fall. The Liquor Control Board can make these clauses inoperative at the present time but they cannot be left in that status. It must be remembered that doing this only means the countenancing of open breaking of the law. All clubs which are now selling beer, even with the understanding that they are not to be prosecuted, are acting illegally as far as the Moderation Act is concerned. The selling of beer, except by the government vendor, is forbidden and the liquor board cannot change that provision. The legislature will either have to instruct the liquor board to carry out the law, change the law to fit the case, or wipe it off the statute books altogether.

Drunkness and Bootlegging More Dangerous.

Even though the Liquor Control Act may already be developing some impracticable and unsatisfactory features, there is one clause in it that is going to be a good one. That is the section in regard to drunkenness which provides for a fifty dollar fine for those guilty of being drunk and the demand that they divulge the source of supply of their liquor. It is safe to predict that with such a punishment there is not going to be so much drunkenness as there was before. If a man does become intoxicated it is likely that precautions will be taken for keeping him away from the eye of the law and the nuisance will, at least, be removed from the public sight. It is satisfactory to know that the prevalence of open drunkenness will be reduced. The fact that drunks are to be made enforced witnesses in bootlegging cases may also have the effect of discouraging this illicit business especially since the punishment for this offence is also much more severe than it was before.

PLEASED WITH PROGRESS ON COURT HOUSE

A. C. McDougall returned to Calgary Last Night After Inspecting Local Work.

Constellation work on the new provincial government court house at Market Place is proceeding with expedition. A. C. McDougall of the contracting firm of McDougall & McNeill, of Calgary, which has the work in hand, left last night on his return to Calgary after a visit of inspection. He expressed much satisfaction before he left the city on the manner in which things were proceeding on the job and was pleased with the progress so far.

Mr. McDougall stated that, in the neighborhood of two months, the concrete work would be finished. The present woodwork that is being put up at Market Square is the framing which will receive the concrete. By the time this concrete work is finished the building will begin to take shape and its size will be fully evident. Around the concrete will put on the cut stone and brick, with which the exterior is finished.

Assembling Materials.
At the present time Albert & McCaffery, the local partners in the big job, are busy assembling materials for the building. A great part of the materials for the masonry is already on hand. Mr. Albert also returned south last night with Mr. McDougall. The latter expects to pay regular monthly visits to Prince Rupert until the work is completed.

J. H. McNeill, a partner in the firm of McDougall and McNeill, and the engineer superintendent of the work here, is being kept busy laying out the various parts as a contract of this magnitude needs a great deal of supervision and planning out.

Mr. McDougall, speaking of conditions on the prairies this year, stated that conditions looked excellent. There was a prospect of a bumper crop which would have its great effect on this province in the transportation of grain by way of the Pacific ports. There would be also the indirect result of added prosperity throughout the west.

SEED 5,000 YEARS OLD IS PLANTED

BALTIMORE, June 24.—A Morning Glory seed, reputed to be 5,000 years old, has been brought to Baltimore and planted in the garden of Mrs. W. Champlin Robinson, in Green Spring Valley. The seed is one of 12 found in the hand of a mummy of a young Egyptian girl which was recently removed to the United States. Ten of the seeds have already been planted, and all of them germinated.

Ten Years Ago in Prince Rupert

June 24, 1911.

A newly organized orchestra of which Prince Rupert can now boast, held a musical recital at the Salvation Army Citadel on Sunday night. Eight members of the orchestra took part and rendered sacred music to the evident appreciation of the large audience. Ensign Johnstone was particularly appreciative of the kindness of the members and organizers for their assistance in making his services bright and attractive.

"If you want to stay away from church do so when I am here not only when Ensign Johnstone occupies the pulpit. If you do so, then I wish you would stay away altogether. It is not fair for us as a Christian body to leave the Salvation Army to do all the dirty work."

When there is anybody to be helped, the Salvation Army is rung up, and then when Ensign Johnstone comes here to conduct the service in my absence half the congregation stay away." This is what Rev. F. W. Kerr of the Presbyterian Church said last night in the heat of righteous indignation. He scored the followers of the church for their apathy and unfairness.

Many people read newspapers as much for their advertising columns as they do for news.

FLORIDA BECOMES A SOUTH SEA ISLAND

George Fitzmaurice Transforms Sections of Beach for "Idols of Clay."

George Fitzmaurice transferred a bit of the South Sea islands to the coast of Florida for his latest Paramount production, "Idols of Clay," which local screen admirers will have the pleasure of viewing at the Westholme Theatre tonight and tomorrow.

Mr. Fitzmaurice and his company, which included Mae Murray and David Powell as the featured players, made their headquarters at Fort Lauderdale, some thirty miles north of Miami, where they used a wide stretch of beach. Here they erected a number of huts in the true fashion of South Sea Islanders. The fisheries, coconut groves, and tropical atmosphere were all ideally located.

"Idols of Clay" casts Mae Murray as the unsophisticated daughter of a South Sea recluse and pearl smuggler, who in time reaches the heights of London society and in the end is rescued just in time from a horrible existence in a Chinese den in the Limehouse slums. David Powell has the role of a young English sculptor who has lost all faith in women and his art, but regains both through the devotion of the girl from the South Seas.

LOUISE HUFF PLAYS IDEAL PART IN "THE DANGEROUS PARADISE"

Star Interprets Role of Young Society Girl in Latest Selznick Picture.

A new Selznick Picture "The Dangerous Paradise," with lovely Louise Huff in the starring role, is announced as the feature attraction of the new bill which begins at the Empress theatre tonight.

"In 'The Dangerous Paradise,' which was made under the direction of William P. S. Earle, Miss Huff is given a splendid opportunity to interpret the role of a young society girl in a story that is interesting throughout. The story is from the pen of Edmund Goulding, a photo dramatist of note, who has acted, directed and appeared in several Selznick productions.

PRESIDENT KELLEY IS NOT PESSIMISTIC ON RAILROAD PROSPECTS

WHITBY, Ont., June 24.—Sir Joseph Flavelle, President Howland and D. B. Hanna, president of the Canadian National Railways, held a conference for co-ordination of plans affecting the two systems which Sir Joseph said were "largely of a detailed and technical nature."

President Kelley is not pessimistic as to the future of Canadian Railways, he said, after certain needed readjustments are made.

SHIPYARD MEN GAVE CONCERT

Good List of Boxing Bout Interspersed with Music Made Evening Most Enjoyable.

The Wallace Shipyard Athletic and Social Club held another entertainment at the Commissary on Wednesday evening. It was well attended and highly successful.

The following program was presented to the pleasure of all in attendance:

Three round boxing bout between Battling Crossley, 95 pounds and Flash Galbraith, 100 pounds. It was hotly contested and resulted in a draw.

B. Lundquist, 95 pounds, and B. Bell, 100 pounds. This was a fair exhibition but Lundquist showed signs of his recent illness.

Digger Woods, 133 pounds, and "Knockout" Fraser, 125 pounds. This was an interesting bout but Fraser was handicapped by the lighter weight.

Sluggo McKay, 115 pounds, vs. Lefty Warren, 120 pounds. Both boys were in the pink of condition and were very fast. Their footwork was particularly good.

The main bout was between Muggins Roy, 130 pounds, and Kipper Chisholm, 140 pounds. The contest went six rounds and was a test of endurance but at the end both men were still going strong. Roy showed his cleverness both in attack and defence and his footwork was fast.

J. McGready president and L. Eldred refereed the bouts.

Between the boxing contests there were splendid musical numbers.

A. Ward played a steel guitar solo. W. Wisby sang "Mammy O' Mine," and "That's the Reason Why I Wear a Kilt." G. Kenyon provided much amusement with his comic songs, "McCarthy" and "Ya Ya Vanderson." The mandolin duet by Messrs. Brown and O'Gonner was especially entertaining, their selections being "Let the Rest of the World Go By," and "Till We Meet Again."

The evening closed with a hearty vote of thanks to the entertainers.

DELAYED TRAIN CAME IN THIS MORNING

Tourists Will be Given Opportunity of Going to Stewart Tomorrow.

Last night's overdue westbound train, fifteen hours late, arrived this morning at 9:45. The cause of the delay was a mud slide at Sheer, a station east of Smithers. Between 25 and 30 passengers, mostly tourists on the way to the lower coast cities, will be detained here until Sunday night when they will continue their journey on the Prince George. Practically no inconvenience or annoyance will be caused them by not making the connection with the boat last night as the railroad company are doing everything possible for their convenience and they will now have the advantage of seeing more of this northern part of the province. They will be able to sleep on the Pullman car tonight and tomorrow transfer to the Prince George and make the trip to Stewart, for which no extra charge will be made. This morning the visitors are busy taking in the sights of the city and rather enjoying their enforced delay by the experience of a stay in a real pioneer city of the west.

HOW WILLARD BEAT JOHNSON

Story Told of Memorable Battle At Havana in 1915.

Some people think Jess Willard defeated Jack Johnson because he was the better fighter. Others feel sure that Johnson was beaten by his own method of living and by the irresistible slowing-up process that time imposes on every man after he passes the crest of physical perfection. And there are those who believe L'il Artha was not so anxious to beat Willard, anyhow.

Whatever the cause, the star of Jack Johnson's ring career flicked out at Havana on April 5, 1915. That day, for the second time in his life, Jack Johnson was knocked out. The first enforced nap had mattered not. It was taken at Galveston, in 1901 at the hands of Joe Gwynski and Johnson was almost unknown beyond the island where he lived. But when the big negro arose from this second slumber, he was a has been.

Could Not Last Out.

Willard was 27 years old, ten years the junior of the champion and both his height and reach exceeded those of Johnson. The dusky title holder apparently put forth his best effort in the early rounds but he could not topple the giant to the canvas. Willard was slow in his movement, fighting on the defense with great care, manifestly biding his time.

His time kept him waiting quite a while. Johnson was a little faster, a little slower and some of the old wallop was gone from his arms but his ring generalship, his mastery of tactics had not forsaken him. He was still the most clever boxer of them all.

The early rounds showed him to be the same teasing scrapper he had always been. "Why don't you come ahead and fight?" he frequently blurted at the cautious Willard.

Became Exhausted.

Later, the signs of leg weariness were apparent in the champion's movements. In the 18th round he suddenly seemed to become exhausted, while the Kansan was still fresh and glowing.

Mainly tired and worn out, Johnson kept up the fight for seven more rounds. Leaving his corner at the going for the 26th round, he glanced at his wife with a look of distress and despair that warned those near the ring of his impending fall.

As soon as he met Willard, almost the cowboy's right arm shot out and struck Johnson flush on the chin. He sank down and a new champion was proclaimed.

Sport Chat

That collection of soccer players from Auld Scotland who have been riding rough shod over the best talent that Canada can produce in the soccer line are scheduled to arrive in Prince Rupert at 10:30 tomorrow morning on the Prince George. Their stay in the city will be but brief as they are to go out on their special car, which arrived here some nights ago, on the 11:15 train bound for Prince Albert where their next game will be played, on June 28. Even though there will be no formal reception it is likely that there will be a great turnout of local footballers, and especially Scotchmen, to greet this distinguished group of athletes.

The party which arrives tomorrow will contain the most prominent sporting celebrities who ever came to Prince Rupert. They are professionals and rank in Old Country Sport in the same class as Big League baseball players in their sphere as Ty Cobb, Babe Ruth, Aris Speaker, Eddie Collins and other baseball celebrities too numerous to mention. Besides the players there are also managers who are as much in the limelight in Scotland as are John McGraw, and Connie Mack in America. Even though we cannot see them in action it will be at least worth while to go down to the dock and take a look at them as they pass through from boat to train.

The following are among the members of the Scottish All Star football party which will arrive here tomorrow: Col. J. B. Wilson, founder of the Third Lanark Club, whom the players call "Daddy"; R. M. Connell, famous football critic and organizer; Andrew Mitchell, director of Third Lanark; Thomas Sloan, another director; Jimmie Gordon, captain of the team; Jimmie McMeuney, Bulloch, Jimmie Brownlie, Andrew Wilson, Lowe, A. Maxwell, McBain, Willie Rankin, John McCormack, Robert Orr, Craig Brown, James Scott, Doug las Thompson, Willie M. Andrew, Alick Bennett, trainer. Mrs. Mitchell, wife of Director Mitchell, is the only lady in the party.

The following players will represent the Callies Football Club in the replay of the Dominion Day cup tie game against the Sons of Canada tonight: Hutton; Stewart and Martin; Hay, Kinghorn, Abbott; J. M. Campbell, J. Campbell, Mark, Sellars and Black. Reserves—Wiggins, Gay and Boote.

DEMPSEY EASES OFF-FRENCHMAN WORKS HARDER

How Two Heavyweights Are Looking With Fight Eight Days Off.

Manhasset, June 24.—There will be little rest on the training program for Georges Carpentier in the next week. The camp sparring staff, which now numbers six, will be increased by three men of over 200 pounds who are due to report within a few days. A recent order to protect the camp from visitors has resulted in the posting of police who now entirely surround it.

ATLANTIC CITY, June 24.—Jack Dempsey is today celebrating his twenty-sixth birthday by taking a 24-hour layoff training activities. With the big battle but eight days off, the champion is in such splendid condition that the services of several well known fighters who were expected to have taken part in the last week's training will not be required.

NOT LIKELY SCOTCH FOOTBALLERS WILL BE ABLE TO PLAY HERE

E. A. Woods, president of the Prince Rupert Football Association, has been making strenuous efforts to have the famous Scottish football team, which is due to arrive here tomorrow morning on the Prince George, to remain long enough to play a game with the local boys in the afternoon. In reply to a letter sent by Mr. Woods to the manager of the team in Vancouver it was stated that there was practically no chance of such a possibility.

Mr. Woods communicated with G. A. McNichol, general freight and passenger agent, as to the possibility of having the train held over for a few hours tomorrow. The latter said that this might be done, if the team would take a chance of missing their connection at Edmonton. No reply has been received so far to a second letter sent to the manager of the team and it is feared that the chances are slight of Prince Rupertites getting an opportunity of seeing the famous players juggle the pizkas on the local ground on Acropolis Hill.

Many offers of subscriptions by enthusiastic local citizens, in some cases amounting to sums as high as \$50, have been made to Mr. Woods to defray any expenses in the event of the team being prevailed upon to stay over for a match.

PROGRAM FOR ANYOX CELEBRATION IS OUT

Prince Rupert Will be Represented in Baseball, Boxing, Billiards and Tennis.

A program of events for the Dominion Day celebration at Anyox has reached the Daily News office. It includes marathon races, football games, water sports, speed boat racing, trap shooting, band concert and grand ball. Among the events in which Prince Rupert will be represented are the tennis tournament, baseball game, boxing and billiards. A special select team from the City League will be sent north for the baseball game. The names of the players comprising this team have not yet been announced. The first select team from this city is to remain in town on Dominion Day to play with Kelchikan here.

MRS. T. A. ALLEN HOSTESS AT BRIDGE

Delightful Affair at Sixth Avenue Home Yesterday Afternoon.

There was a large gathering of Prince Rupert ladies at the home of Mrs. T. A. Allen, Sixth Avenue East, yesterday afternoon, at a very enjoyable bridge party. Twenty-four ladies played at the six tables, while a number of others called in later for tea. The first prize was won by Mrs. P. I. Palmer, the second by Mrs. J. P. Cade, and the consolation by Mrs. A. M. McDonald. The ladies at the bridge tables were: Mesdames P. I. Palmer, J. P. Cade, A. M. McDonald, J. M. Carmichael, W. Miller, G. E. Starr, G. A. Bryant, J. Greer, L. W. Patmore, J. O. Reddie, G. D. Tite, H. E. Tremayne, A. M. Manson, J. G. Steen, T. E. Pringle, D. W. Morrissey, D. H. Morrison, D. McD. Hunter, T. McClymont, J. Maitland, A. H. Hooper, R. H. Grant and T. A. Allen. Among those calling for tea were: Mesdames A. L. Carruthers, H. A. Butt, Hartnell, G. A. McNicholl, W. T. Kergin and A. R. Holtby. Mrs. R. C. Macdonald of Burns Lake and Mrs. H. G. Spence of Victoria, are visiting with Mrs. Allen.

TELKWA

The McNeil Timber & Tie Company (J. McNeil) have sold a valuable team of horses to M. P. McCaffery, Prince Rupert. Mr. Falconer made delivery of them in Rupert.

The picnic to Lake Kailyn last Sunday was a splendid affair. The many willing workers are to be thanked for the success, especially J. McNeil, for use of his grounds at the lake side.

The only marring feature of Sunday's picnic was the fire which occurred in the premises of Sealy & Doodson, Smithers. Everybody rushed from the lake and assisted in the good work of salvaging. J. P. Wheeler rendered noble work on the roof with an axe.

Charles Roiston, manager of the Imperial Oil Ltd., Vancouver, is making a journey through this territory looking over the prospects. He was considerably impressed with Telkwa.

The construction of the Telkwa water works system is now under way and should be completed very shortly. Smithers plans to follow the lead of this place and install a similar system.

Miss Sangster of Smithers spent last week end in Telkwa.

Mrs. Neil McInnes and daughter of North Bulkley, are in town on a holiday.

Now that the school vacation is on, Miss Morrow is busy preparing to leave for her new home.

The Smithers Football team paid Telkwa a visit Wednesday night. Although the score was 4 to 2 in favor of Telkwa, Smithers put up a good game, and should with more practice, do something worth while.

Our old friend Tommy Heslop has been hitting the high spots since he pulled out of the drug business. He now intends going to Dome Mountain.

The new truckage warehouse of Broughton & McNeil is nearing completion.

Carl Wakefield bought a good team of horses from Jack McNeil this week.
