REPORT ON MANCHURIA

Chinese Sovereignty Recommended in Document Made Public Yesterday

JAPAN OBJECTS

Removal of Invading Troops Advised—Tokyo Threatens to Leave League

GENEVA, Oct. 3.—The report of the Lytton commission on Manchuria was published yesterday by the League of Nations secretariat.

Finding inferentially that the Japanese had been unwarranted in placing troops in Manchuria and other Chinese territory, the report recommends the complete withdrawal of Japanese troops from all Chinese territory. China is, at the same time, blamed for failing to police her own country and protecting the interests of foreign nations. Both Japan and China are blamed for the present state of affairs. The report does not recognize the new state of Manchukuo, which is described as a Japanese organization, and recommends that Manchuria have its own government under China. Drawing up of altogether new treaties between China and Japan in regard to Manchuria is recommended by the commission. An advisory Sino-Japanese conference to agree upon a special administrative regime for Manchuria is urged.

The League of Nations will take action on the report on November 14. It was claimed in American quarters yesterday that the United States thesis in regard to the Manchurian situation would be approved by Great Britain and France.

Not Acceptable TOKYO, Oct. 3.—Japan cannot for a moment consider the recommendation of the Lytton commission for continuation of Chinese sovereignty in Manchuria, the Foreign Office announced yesterday.

The War Office today issued a statement declaring that, if the League of Nations assembly acts in the spirit of the Lytton report, Japan has no alternative but to withdraw from the League and to oppose its action with the firmest determination.

JAPANESE IS MISSING

Search Made Around Dominion Cannery for Yasuhiro Kawata But Without Success

Provincial Constables Harrison and Bond, assisted by some fifty or so Japanese from various Skeena River points, conducted an unsuccessful search all day yesterday in the vicinity of Dominion Cannery on Smith Island for Yasuhiro Kawata, 60-year-old Japanese of Sunnyside, who has been missing since August 23 when he was last seen at Dominion.

Anxiety as to Kawata's safety did not crystallize until a meeting at the end of last week of the Japanese Association when it was definitely learned that he was missing. The assistance of the police was then sought and the search instituted. There is no definite clue as to what may have befallen Kawata.

Charged with driving to the common danger, W. D. McIntosh is appearing before Magistrate McClymont in city police court this afternoon.

Fourth Straight Rout Inflicted On Chicago Cubs By 13-6 Score

Heavy Artillery of American Leaguers Was Working Strong Again With Two Homers by Lazzeri—Combs and Demaree One Each

CHICAGO, Oct. 3.—The great slugging proclivities of the American Leaguers and the pitching weakness of the National League pennant winners, deciding factors in the first three games, again settled the issue in the fourth game of the World Series at Wrigley Field here yesterday when the New York Yankees defeated Chicago by a score of 13 to 6 to capture the world's baseball championship in the four straight games. The New Yorkers set up a new record in winning three World Series in straight games having won in 1927 and 1928 in four straight. Wilcey More, relieving Johnny Allen during the first inning, although replaced by Herb Pennock on the Yankee mound in the seventh inning, was credited with the victory. The Cubs used no less than five pitchers—Guy Bush, Lon Warnecke, Jackie May, Bud Tinning and Burleigh Grimes—in the desperate eleventh hour endeavor to recoup their fading chances but it was all to no avail in the face of the great Yankee batsmen.

Tony Lazzeri came out of his season's slump which had extended even into the first three games of the series and smashed out two home runs to match the performance of Babe Ruth and Lou Gehrig in the third game on Saturday. Gehrig was on bases in front of Lazzeri on both occasions in the third and ninth innings. Earl Combs made the third circuit clout for the Yankees when coming up as first man to bat in the ninth. Frank Demaree made a homer for the Cubs in the first, scoring Woody English and Riggs Stephenson besides himself and Chicago was in the lead 4 to 1 at the end of the inning. The National Leaguers were able to retain the lead until the sixth inning when New York went one up. Even at that, the Cubs managed to offset this by scoring a run in their half on a hit and two Yankee errors, the inning ending with the score standing five all.

The seventh was to prove fatal for the gasping Chicagoans as May, after having pitched a nice game since replacing Warnecke in the fourth, completely blew up and was rushed to the showers under a barrage of five Yankee hits which yielded four runs. There was serious question of the judgment or lack of it, shown by the Cubs in this seventh inning when Charlie Ruffing, batting for W. More with two men on bases and one down, was purposely allowed a walk filling the bases. The wisdom of such a move with Earl Combs, Joe Sewell, Babe Ruth and Lou Gehrig following up was hard to perceive. Anyway, it proved disastrous for any World Series hopes the Chicago fans still had been cherishing.

From this on the issue was never in doubt although the veteran Burleigh Grimes, who went in to pitch for the Cubs in the ninth, was swamped by another avalanche of Yankee hitting when four hits, including Earl Combs' and Tony Lazzeri's homers, Ben Chapman's double and Bill Dickey's single, with a walk and an error, gave the Yanks another four runs. As if to comfort the luckless National Leaguers, the Yankees virtually donated the Cubs their final

TWENTY MEN WANTED

Major Harold Brown is calling for twenty men to go into the Legislature on a program of retrenchment. Doubtless the major means well. A reasonable policy of retrenchment is advisable but a policy of cutting six million dollars from the provincial expenditures at a time like this would be fatal to progress. The Tolmie Government has whittled at the Kidd proposals until it is said it would cut down one million dollars instead of six. That is more reasonable than the other proposal. The difficulty in political life is to keep each department functioning in such a manner as to spend no more money than is really necessary in each. Every man should earn the salary he receives. There should be no stalling in order to keep a job. There is nothing to indicate that the businessmen in the Tolmie administration have been any more useful in keeping down expenditures than were men taken from the professions or from agriculture. They did not prevent the present government wasting a good deal of money at a time when they should have been saving. What is really needed at a time like this is not men bound to a blind policy of retrenchment but men with vision and ability who will see that a dollar's worth of service is secured for every dollar expended. To get that it is necessary to have a strong man at the head of the government who knows the business of administering public affairs and who is willing to give his whole time to the service of the province. Such a man has already been chosen for the position. He is well known and has the confidence of a large section of the electorate. He has been studying governmental problems for years and knows the outside districts of the province as well as Vancouver. He is the only man in sight so far who is endowed with that vision and ability necessary for so big a job. One real man is worth twenty transient volunteers.

HIGH WINS IN SOCCER

Booth School Defeated 4 to 1 In Junior League Opener

The opening season's game of the Junior Football League on Saturday last was productive of keenly contested play with High School winning from Booth by three goals to one. Booth attacked from the start and Nelson missed a good chance. Nelson got away to cross a dangerous centre but it just missed. Nelson was through and forced a corner which he took well but it was cleared though not until Eby had a hard drive blocked. Colussi was clever but Bob Ritchie cleared and then Nelson had an easy opening following a miskick by Alf Ritchie but missed his shot. High was away again and Colussi gave Gay no chance with his finishing shot. Booth returned to the attack and Annesley did well to catch and clear a header from McMeekin. Gay saved splendidly from Shrub-sall and again from Lindsay at point blank range. MacDonald showed up well for Booth. In the second half Fulton was nearly through from the kick-off but Gay was safe. High had a lucky escape and then, after a nice passing bout by Colussi, Lindsay and Shrub-sall, the last-named added a second for High. High forwards were very dangerous and Shrub-sall added a third. Booth was having as much of the game but the forwards lacked finishing power. Nelson and MacDonald combined well but the ball went behind. Booth later forced a corner but Hale shot over. Gay saved splendidly from Shrub-sall and then touched a fine drive over the cross-bar. At last, from Nelson's cross, McMeekin scored for Booth and the game ended with High winning three goals to one.

Teams: High—Annesley; Currie, A. Ritchie; O'Neill, Naylor, Lee; Lindsay, Campbell, Colussi, Shrub-sall, Fulton. Booth—Gay; R. Ritchie, Dennis, Matsumoto, Eby, McGreish; Nelson, Cameron, MacDonald, Hale, McMeekin. J. Campbell refereed with Doug Christison and Aubrey Iverson linesmen.

PLANS FOR FIGHT CARD

Manager Bill Stone Reports Preliminaries Are Shaping Up Well

Preliminaries on the Windle-Gurvich fight card which takes place on Thursday, the thirteenth of this month are shaping up exceptionally well. Promoter Bill Stone announces that he has matched Tony Firpo of South America with the local hard-hitting flyweight, Pete Chenoski. This is one time Chenoski will be extended by a man his own weight as the 115-pound Mexican flash has an enviable record from the Argentine to Alaska, winning 24 of his last 26 bouts. Any one of these fine mornings one may see either Windle or Gurvich pounding the pavements as both these boys are taking their training seriously and road work is an important part of this. Both these boys know that the winner of the forthcoming fight will be matched with the hard-hitting Billy Bagshaw who is at present conditioning himself in anticipation of a fight next month. Bagshaw is a greatly improved boxer since his return from the south and will give either of the main-eventers a real fight. Other preliminaries of the forthcoming card are Chuck Hickey, Tommy Byrne, Rupert Fong, M. Postuck, Darrow Gomez, P. Postuck, Billy Roma. Most of these boys are well known to local fight fans and they excel in what the fight fans love—action.

Canon Tells Ministerial Association of Trip East—To Observe Week of Prayer Here

The Prince Rupert Ministerial Association, at its regular monthly meeting this morning, heard an interesting talk by Canon W. F. Rushbrook of St. Peter's Anglican Church who gave some of his impressions on a recent vacation trip in the east.

The association agreed to observe in Prince Rupert a world's week of prayer during the first week in January.

Rev. Dr. F. W. Dafoe, president of the association, was in the chair. Arrangements were, as usual, made for Sunday services in the hospital and weekly sermons in the press.

Support Farmers of Central B. C.

The farmers and gardeners of Central British Columbia are making an effort to supply the Prince Rupert market with vegetables, fruit, potatoes, poultry and eggs and other products of the district.

Prince Rupert people are asked to encourage this movement by asking for Central British Columbia products whenever practicable. Co-operation in this matter encourages merchants who buy from farmers and if the farmers are prosperous it will be an encouragement for others to take up land and thus add to the buying power of the whole northern and central part of the province.

WELL KNOWN STORY HERE

"Rebecca of Sunnybrook Farm" Is Adapted Into Modern Drama With Nixon and Bellamy Starring

Closely following the well known original story in theme but made completely present-day in tempo and treatment, "Rebecca of Sunnybrook Farm," coming to the Capitol Theatre at the first of this week, has been adapted into a modern romance with Marian Nixon and Ralph Bellamy in the principal roles.

Despite the modern adaptation, faithfulness to Kate Douglas Wiggin's immortalized story is retained. Briefly, the film story recounts the main adventures of Rebecca revolving around her intense desire to win the regard of her spinster aunts, her interest in obtaining a wedding ring for the unmarried mother of Jack-o-Lantern and her romance with Dr. Adam Ladd.

Miss Nixon is dainty, wistful and appealing in the title role while the tall and handsome Bellamy is admirably cast as the youthful Dr. Ladd. Their meeting, courtship and final happiness constitute the highlights in the entertaining drama.
