WORK ON COURT HOUSE COMMENCES TOMORROW

NATION COULD TOLERATE REPARATIONS TERMS, SAYS VON SIMONS

Court House Construction is to Commence Tomorrow when First Ground Will Be Broken

Work on the new Government buildings will commence tomorrow. A. C. McDougall and J. H. McNeil of the firm of McNeil and McNeil, contractors with registered offices in Alberta, Saskatchewan and British Columbia, will do the actual construction, being associated with Albert & McCaffery in the contract. McDougall in an interview this morning said his firm will undertake the work of construction and Albert & McCaffery will assemble the material for the building. The two firms are associated in the contract. The work is to commence tomorrow morning and a number of laborers will be put on getting the trenches for the foundations. Discussing the work further, Mr. McDougall said it would be completed by the end of this year. Architect Whittaker who arrived this morning is gone up the river to look at some gravel, which the miners wish approved, and there will be no delays pushing the work ahead. The superintendent of construction is already on the ground.

PRINCE GEORGE IS CHARTERED FOR EXCURSION

VANCOUVER, April 27.—The Board of Trade has chartered the steamer Prince George for the trip to Prince Rupert, Stewart and Anyox, leaving here on June 7. It is understood she will carry a considerable contingent of Victoria Chamber of Commerce members as well as Vancouver.

TAYLOR RETURNING FROM OLD COUNTRY

Expected He Will Make Some Announcement in Regard to Operating Dolly Varden.

A. J. T. Taylor, president of the Taylor Mining Co., which operates the Dolly Varden mine at Alice Arm, is expected to return to Vancouver next Wednesday from an extended trip to the Old Country where he was in connection with the future operations of the silver property. It is expected that with Mr. Taylor's arrival in Vancouver some announcement as to the activities of the company at Alice Arm this season will be made.

B.C. TEACHERS ARE TO STUDY IN FRANCE

Three Chosen from Vancouver and Victoria for Next Year.

VICTORIA, April 27.—Henr. Ghodet, M.A., specialist in French at King Edward High School, Vancouver; Miss Mary Hamilton, teacher of French at Victoria High School, and Miss Pauline Ginzburgher, M.A., of the University of B. C., have been selected to represent British Columbia at the universities of France next year. Scholarships worth \$1,200 for the purpose were voted by the Legislature at the recent session.

RUSSIA IS TRYING TO CONCLUDE TREATIES

Taking Advantage of Reparations Difference to Sign up with Germany

RIGA, April 27.—Soviet emissaries have been sent to conclude trade relations with Norway and Sweden and also Germany. They will endeavor to conclude a German treaty before May 1, seeking to take advantage of the Reparations dilemma to obtain an advantageous treaty.

TYPICAL MINER'S COTTAGE NEAR NEWCASTLE.

The crisis in Great Britain is at its highest peak. The outlook for a let-up is poor. Thousands of miners have gone out on strike and the railroads will follow suit unless the miners' terms are met. The picture shows typical miners' cottages in the Newcastle coal mining area.

DISAPPEARANCE CASE IS BEING INVESTIGATED

Partner of Haldens at Quesnel Gives Reasonable Account of Himself.

QUESNEL, April 27.—In connection with the disappearance of the Halden family from a farm here last October, the story told by David Clark, Halden's partner, who is in custody, is that Halden returned two days after he and his family left in an automobile on October 29. This is borne out by the discovery that the outgoing man registered at a hotel in Kamloops on November 3 alone. After Clark advertised for Halden and he failed to appear, Clark said he considered he had a right to dispose of the stock and provisions. The jewelry, he claims, was given him in lieu of wages and everything belonging to Halden was taken over under foreclosure.

FACES CHARGE OF KIDNAPPING

Michelson Has Additional Charge Preferred Against Him in Police Court.

E. Michelson, of the boat Valorous, charged with robbery with violence from Jack Miller of 10 cases of liquor, was further charged in the police court this morning with kidnapping. On account of the inability of the crown to obtain two material witnesses as yet both cases have been further adjourned until tomorrow morning. In the meantime the police are searching for these witnesses and already several expeditions have been made in the vicinity of the city but without success up to the present.

EPAULINE ARRIVED IN TOW OF FISH BOAT

Was Surveyed this Morning in Drydock Following Striking Rock in Millbank Sound.

The fine launch Epauline, the property of F. L. Buckley of Point Gray and Buckley Bay, ran on a rock in Millbank Sound when coming north in charge of two Japanese. She struck near Low Point and the keel and planking were badly injured and the shaft, rudder and propeller bent. Fortunately she was able to get a tow northward and arrived in Prince Rupert yesterday morning. In the afternoon she was docked at Wallace's and a survey made by Capt. McGoskrie on behalf of the Insurance Company of North America which carries the risk. An estimate is being prepared today and it is probable the launch will be repaired here. The Epauline is 68 feet long with 17 ft. beam and is 8 feet deep. Her gross tonnage is 57, net 41. She is one of the finest yachts on the coast, splendidly appointed and well suited to coasting in these waters. She was used a good deal here during the aeroplane spruce production days. The owner of the boat was expected to leave Vancouver for the east last night.

LABORATORY FIUME AGAIN IS GOING IN IS CUT OFF

Auxiliary of General Hospital to Underlie Whole Arrangements

FUME, April 27.—The people's party occupied the city hall, ejecting the administration. Fascist and D'Annunzio adherents then occupied other buildings and declared martial law. The Italian Government has closed the frontier with a brigade of infantry and sent a torpedo boat destroyer to stop the rioting.

MINISTER OF LANDS ARRIVED HERE TODAY, ADDRESS ROTARIANS

Hon. T. D. Pattullo, minister of lands, arrived today on the Prince George from Victoria and will spend some time in his district. Among the places he will visit are Terrace and Prince George. He will address the Rotary Club tomorrow.

CUP CHALLENGER TO BE LAUNCHED TONIGHT

VANCOUVER, April 27.—The Royal Vancouver Yacht Club challenger for the Pacific Lipton Cup, the Patricia, designed by G. H. Nicholson, the famous British designer, will be launched here tonight. The cup is now held by the owners of Sir Tom of the Seattle Club.

Miners Strike Outlook Is Rather Blue Today

LONDON, April 27.—The miners, following their meeting with the mine owners, declared the proposals of the latter were no advance toward agreement on the fundamentals of a strike. What they were asking for was a national pool of money and a wage board. The conference between the owners and miners and Sir Home was without result. Today Sir Robert meets the miners and after that the miners. He declared he did not know how money could be found to meet the demands of the miners.

German Delegate Makes Big Talk in Reichstag Regarding Reparations

LONDON, April 27.—The British Government is inquiring informally into the new German offer.

BERLIN, April 27.—Explaining the reparations proposals, Von Simons declared in the Reichstag there was a limit to the allied policy of force which no nation could tolerate.

Simmons charged that the French were smashing German trade and declared Germany would enter into the land of promise and freedom, even if France occupied Ruhr to enslave the workers for years.

Oriental Immigration Is Discussed at Ottawa by H. H. Stevens, Vancouver

OTTAWA, April 27.—The question of immigration was debated in the House of Commons yesterday and there was an intensely interesting discussion.

H. H. Stevens of Vancouver urged exclusion of all Chinese except businessmen. Evasion of the regulations, he said, had the effect of flooding British Columbia with Orientals. The choicest lands were taken up by them, making competition impossible for white people.

Mr. Stevens asked that Orientals be forbidden to own or lease lands. He blamed them for the drug traffic in British Columbia and expressed the opinion that the province would be better without them.

TORNADO DEVASTATES A MISSOURI TOWN

BRAXTON, Missouri, April 27.—A tornado demolished every business building in town and many homes. Twelve people were killed and many badly injured. Braxton has 600 inhabitants.

PREPARATIONS FOR FALL FAIR

Plans are Well Under Way and Promise Given of More Successful Exhibition.

There was an enthusiastic meeting of the board of directors of the Northern B.C. Agricultural and Industrial Association last night and besides a full attendance of the directors there were also a few present outside the board. Plans for the September exhibition are well under way and everything points to a fair that will eclipse the success of any previous ones. Last night President G. H. Munro submitted his committee list and the members now allocated will take up the work assigned to each. On account of his proposed departure from the city the resignation of W. Harper, a director, was received with regret and Harry Lipsitt has been chosen to take his place on the board of directors.

Membership Drive.

A committee was appointed comprising F. G. Dawson, W. E. Thompson and G. H. Munro, to start a membership drive. Membership and season tickets will be issued. The former will cost \$1 and will merely entitle the purchasers to membership in the association and the privilege of exhibiting in all classes free of charge. The season tickets will entitle the holders to free admission to the exhibition and will cost \$2.

Country Dance.

Some time about the middle of May it is proposed to put on a country dance to raise funds for the improvement of the grounds about the building.

It was also decided last night to add to the prize list sections for the exhibit of thoroughbred dairy cattle, sheep and pigs. For the past two years these classes have been deleted from the prize list.

SPEAKER ELECTED

LONDON, April 27.—John Henry Whitley has been unanimously elected Speaker of the House of Commons to succeed James Lowther, who resigned recently.

DAILY EDITION. Wednesday, April 27, 1921.

Hospital Day To Be Celebrated.

A National Hospital Day has been set for the 101st anniversary of Florence Nightingale, which falls on May 12. The day is being celebrated everywhere with the object of drawing special attention to the work done by the hospitals with a view to closer co-operation between the public and the institutions.

In Prince Rupert there is a very worthy institution excellently conducted and the people of Prince Rupert will be asked to consider the splendid work it is doing, especially in connection with the day set aside as hospital day.

The day is intended to be one of widespread hospital propaganda, which will establish greater interest, greater co-operation and stimulation for better service. The program for the day is left to each individual hospital to arrange as it sees fit, but several suggestions have been put forth by the committee, many of which will be carried out in Vancouver," says the Daily Province.

Some of these are—that the various hospitals have "open day" to the public so that they can see through the institution in this day various functions for the hospital, as, nurses' graduation exercises, balls, dances, teas, etc.; that the various clubs and organizations during the week of May 12 celebrate the day of devoting time at their meetings to addresses on hospital affairs; that the ministers refer to the work of the hospitals from the pulpits the Sunday previous; that the theatres assist in the propaganda by slides and movies; that the hospitals distribute descriptive pamphlets of their work and service; that the merchants decorate their windows accordingly, and many other features to make it a real day.

Britain Reduces Her War Debt.

In spite of her domestic difficulties Great Britain is paying off her war debt. Press despatches announce that she is already clear with Japan, Argentina, Holland and Spain and that large sums have been paid to United States and Canada. This is a most encouraging condition and one that gives hope for the future. If Britain can do that, surely it should be an easy matter for Canada to grapple with her financial situation and deal with it intelligently and effectually. National credit is most important to a nation and British credit has almost always been good. It is time Canada was restoring the condition of her currency and establishing her credit once more so that she may be able to deal with the United States on equal terms.

Debased Currency Has Its Value.

While those of us who buy have to suffer from the poor condition of Canadian currency and the adverse balance of trade, there are compensations. Take the position of Anyox as an example. It is the discrepancy in the matter of currency that makes it possible for the smelter and mine there to operate, at the present price of copper. There is a margin in favor of the producer on this side to the extent of from twelve to fifteen per cent. This enables the smelters on this side of the line to make a profit while the smelters on the other side are shut down. It militates against the employees but it is better for them to have work, even at the low rate of wages, than for the smelter to be closed and those who have homes there to be obliged to leave.

Commence Permanent Road Building.

The Board of Works recommends to the City Council that two streets of the city be graded instead of replanked. This looks like a sensible policy. We cannot always live here with planked streets and the sooner we get down to permanent work the better it will be for the place. Eventually all the streets will have to be graded and it is time the work was begun.

BAND SMOKER AND CONCERT

Great Success Scored by Great War Veterans' Association Last Night.

Unqualified success attended the smoker held in the Empress Theatre last night by the Great War Veterans' Association in aid of the newly-formed band. The hall was filled with an audience that was highly satisfied with the entertainment that had been afforded. There was a long program of music, recitations, dancing and boxing but the feature of it all was the presence of the band which did itself credit. Refreshments and smokes were kept flowing in generous style during the whole of the evening.

J. H. Kelly, president of the association, was the chairman of the concert. After making a few introductory remarks he called upon the band under Bandmaster Greenfield, which played in excellent manner the old favorite, "Colonel Bogey" march. Through out the evening the selections of the band were greeted with great applause and encores demanded on every occasion.

First Half.
The first half of the program included several splendid songs and recitations. R. Robertson sang "My Old Woman," and in response to the demands of the audience encoered with "I'll Never Forget the Day," Principal J. G. Brady recited "Gungah Din" and "The Old Groggman" and Bandmaster Greenfield, accompanied by the band, rendered "I'll We Meet Again" as a cornet solo. A step dance by J. Stewart proved a popular number and Ed. Ross was, as usual, well received, his songs being "The Bonnie, Bonnie Heather" and "The Bells of Eeefeechan." A punch ball exhibition by Chris. Stapleton was, as well carried out as it was clever.

Estaminet Scene.
This section of the program was concluded with the staging of an estaminet scene recalling to mind the way many of the boys celebrated when on leave for a day or so in some French village. Although only rehearsed once this number was splendidly carried off and was characterized by the natural manner in which the various men taking part conducted themselves. There were many ludicrous incidents and the antics of the carefree soldiers kept the audience in continual laughter. Among the prominent characters were Ed. Ross, J. Westwood, Sid Thompson, S. L. Warrior, W. H. Waldorf and Algie Hunter.

The second half of the program was opened with a solo by William Murray, "The Shamrock, Thistle and Rose," encoered with "Memories." G. S. Fitzmaurice was well received in his reading of Robert W. Service's "Souful Sam," from the Rhymes of a Red Cross Man. Bert McEvoy gave a step dance which was followed with a quartette by members of the band.

Boxing Bout.
The boxing event was the staging of a four-round no-decision bout between Red Davidson and Tommy Sherman. There was little action in this except in the last round when the boys expended a little. Davidson did the most of the leading out and kept open all the time, while Sherman showed a tendency to close up, keeping his head down and protected all the way. Roi Barnes was the referee.

Peggy Wright, charged with allowing drunkenness on her premises, was fined \$50 in the police court this morning.

High, 5:6 a.m., 17.8 feet.
8:24 p.m., 16.7 feet.
Low, 11:13 a.m., 6.5 feet.

The time used is Pacific Standard, for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight.

The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same. The range of the tide may be computed as 5 per cent greater at Prince Rupert than at Port Simpson both at springs and neaps. Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson.

The height is in feet and tenths of feet above the average level of lower low water.

Take Care of That Cough

Some people get a nasty cough and don't pay much attention to it. At first, it will wear away in a short time, but while it may wear off, serious injury may have been done to the lungs and respiratory organs by the prolonged, harsh, racking coughing.

On the first sign of a cough or cold get a bottle of Dr. Wood's Norway Pine Syrup. It will stop that nasty, troublesome cough, ease the tightness across the chest, and loosen the phlegm.

Mrs. Wm. Earnshaw, Apsley, Ontario, writes:—"Last winter I caught a bad cold, had a sore throat and a terrible hacking cough that I could not get rid of. I could not sleep at night. I tried quite a few remedies, but they did not do me much good until I got Dr. Wood's Norway Pine Syrup. By the time I had taken two bottles, my cough was all gone. I feel that "Dr. Wood's" has no equal."

When you get Dr. Wood's Norway Pine Syrup, you are not experimenting with new and untried remedies, but one that has a reputation extending over thirty years.

Put up in a yellow wrapper; three pine trees the trade mark; price 35c and 60c, a bottle, manufactured only by The T. S. Wilson Co., Limited, Toronto, Ont.

DANCES and parties in this town are rather late, but how late would they be if women had to shave like men.

WHEN a man loses his pep, the world looks blue to him and he begins to see everything askew.

THE worst bore in the world is the man who tells his troubles before they happen. Then there are the women who have so much foresight they always scent trouble in the offing.

THE other day I read this in the Winnipeg Free Press: "Something will have to be done to get dancing back to a safe and sane basis. For instance, what is to be done about the girl who hangs her chin over her partner's shoulder and allows her face to register the expression of a dying tuna fish wig-wagging signals of distress to its mate?"

ONCE upon a time there was a man went to a banquet to get something to eat and got it. It was a fairy tale.

ONE of the sure signs of spring being here is that the evening train is sometimes ten minutes late.

PENALTIES OF FATE FOR WIFE DESERTER

The ease with which a scoundrel can abandon his wife and seek to establish illegal romance with other women and the inevitable retribution which follows such procedure is revealed in the Vitagraph picture, "The Winchester Woman," which will be shown at the Empress Theatre tonight.

Miss Joyce is cast in the role of Agatha Winchester, who has just been tried and acquitted of murder in Nashville, Tenn. She changes her name to Anna Wharton and goes to Northville, Long Island, to start a new life free from disgrace. Here she is pursued by a scoundrel in the form of Alan Woodward, a reporter who possesses the secret of her past.

Woodward has deserted his wife and now attempts in turn to force his attentions on Anne and Julia Bennett, the young daughter of the man Anne has come to love. The love intrigues of the scoundrel cast a reflection upon present betrayals in real life by men of that type.

In the end the scoundrel is defeated, and the innocent characters emerge to a life of happiness and love. "The Winchester Woman" is a picture pretty much laden with suspense and surprise.

ESKIMO MURDERER ESCAPES POLICE

Killed Two Men to Secure Wife; Is Now a Fugitive

LE PAS, Manitoba, April 27.—Quanzwak, the Eskimo murderer, escaped from the mounted police at Chesterfield Inlet and is now at large in the Arctic.

Quanzwak killed two men to secure a wife. He had been taken to Ottawa and was returning to the scene of the crime for trial when he escaped.

NEW ELKS BUILDING GOING UP AT ANYOX

Work Proceeding Rapidly and will Be Completed in Near Future.

ANYOX, April 27.—The new Elks Club building, which was commenced last year, is now being completed. Work is proceeding rapidly and the local Elks are looking forward to having a splendid clubhouse in the near future.

The building is to occupy a site not far from the Bank of Commerce. Upstairs will be a fine lodge room and dance hall and the ground floor will be used exclusively for club rooms. J. F. Hageman, exalted ruler of the local lodge, is keenly interested in the progress of the work.

At present the Elks meet in the Catholic hall.

OIL GUSHER

Argentina Enters Area of Production With Finding of Well.

BUENOS AIRES, April 25.—The first big gusher among the oil wells in the government field at Comodoro Rivadavia has just been brought in with an estimated product of 25,000 barrels a day. The previous wells in that district had been small. As this new one is in a new part of the field it is thought that this may mean Argentina is entering on an era of large production. The oil is heavy, as is the other oil so far produced at Comodoro Rivadavia, and is of little use except for fuel.

GIANT AIRSHIP IS COMING FROM ITALY

ROME, April 27.—It is expected that the Roma, the giant airship purchased in Italy for the United States, will be delivered in America about the first fortnight in June.

The Roma is being dismantled at the Ciampino hangar with all possible speed and will be shipped to the United States soon after this work is completed the middle of May.

Jack Gody is away on a trip to Vancouver. He left last week.

There were only two accidents at the smelter and beach for the month of March. This was so gratifying to the management that they issued a circular showing comparisons with last year when there were 18. The total for January, February and March this year is only 13, whereas for the same months this year it was 16.

W. B. Harper returned this morning from a trip south.

CONSTABLE SHARPE IS CHALLENGED BY LOCAL HEAVYWEIGHT

Announcement Was Made Last Night by Roi Barnes at the Great War Veterans' Smoker.

A challenger has already appeared in the city for the provincial amateur heavyweight championship title which is held by Constable G. C. Sharpe, of Swanson Bay. Roi Barnes announced at the Great War Veterans' smoker last evening that Harry Hale, the local taxi man, was ready to take Sharpe on in a contest to be staged in behalf of the lad who had his fingers blown off in the Dominion Day celebration last year.

Constable Sharpe left last evening for Vancouver so no answer to this challenge can be expected for at least a week and then his duties with the provincial police force may delay the immediate holding of the match if he is willing to defend the title against the local man.

GANDIL ARRESTED CHARGED THROWING WORLD'S SERIES 1919

LOS ANGELES, April 27.—Chick Gandil, former first base for the White Sox, was arrested while working in a lumber yard under a warrant from Chicago to answer charges of throwing the 1919 World's Series.

Gandil was preparing to travel to Chicago when arrested. He denies the charges and declares he is anxious to meet them.

PRINCE RUPERT ELECTORAL DISTRICT

Notice is hereby given that on Monday the 29th day of June, 1924, at 10 o'clock in the forenoon, at the Court House, Prince Rupert, B. C., there shall be a court of revision for the purpose of revising the Voters Lists of the above named electoral district and of hearing and determining any and all objections to the revision of any name or names on the register of voters for the said district.

Dated at Prince Rupert, B. C., this 25th day of April, 1924.

J. H. McMILLAN,
 Registrar of Voters for the Prince Rupert Electoral District. 93

LAND ACT.

Notice of Intention to apply to Lease Land.
 In Range 5, Coast Land District, recording district of Prince Rupert, and situate in Middle Passage off the North West shore of Graham Island.

Take notice that I, Alfred E. Wright, of Prince Rupert, B. C., occupation land surveyor, intend to apply for permission to lease the following described lands:

Commencing at a post planted on the east end of the sand bar known as "Hole Sand," 40 chains west of the North East corner of Lot 528, Range 5, Coast District; thence around the entire sand bar, taking in all that part above Low Water Mark, and containing 200 acres, more or less.

ALFRED E. WRIGHT,
 Dated this 1st day of April A. D. 1924.

LAND ACT.

NOTICE OF INTENTION TO APPLY TO PURCHASE LAND.
 In Prince Rupert Land District, recording District of Coast, Range 5, and situate on an island lying off the north coast of Graham Island.

Take notice that I, Julius Hadland, of Prince Rupert, B. C., occupation carpenter, intend to apply for permission to purchase the following described lands:

Commencing at a post planted on an island about 2,500 feet northwesterly from S.W. corner of Lot 1227, Range 5, Coast District; thence around the island to the point of commencement and containing 15 acres, more or less.

A REAL FIND FOR THE BOSTON BRAVES.

Archdeacon, a new recruit on the Boston Braves team, is one of the greatest finds of the year in baseball. He is an outfielder, and was bought from Charleston, of the South Atlantic League. He is a good hitter and an exceptionally good base runner and stealer.

Sport Chat

Chet Neff, the little boxer who was backed by several local sportsmen, has written to Roi Barnes that he is boxing at Mexicalo, New Mexico. There is nothing new in regard to his proposed return to Prince Rupert.

If his police duties would spare him the time, Prince Rupert boxing enthusiasts might have the opportunity of seeing an exhibition of heavyweight boxing if Constable Sharpe of Swanson Bay, the amateur heavyweight champion of B. C., could be induced to enter a contest and a match could be found for him. There have been few heavyweights seen in action here and such a match under proper auspices would be a pleasant diversion from the usual line of lightweights goes that have been put on here.

While Jack Dempsey is regarded as the most likely winner in the battle which is to be staged on July 2 between himself and Carpenter, the latter seems to be steadily gaining popularity and supporters of Dempsey seem to be finding little difficulty in getting Carpenter money. As far as personal favor is concerned Carpenter seems to have it all his own way but the balance of opinion is that he is going to have a hard time to defeat the American. Dempsey is the heavier of the two and the hardest hitter but on the other hand Carpenter is the speedier and a marvel with defensive tactics, and he will not miss any openings.

SALT LAKES WALK BEING COMPLETED
 Work Well Under Way and Will Be Finished in Time for the Opening of Swimming Season.
 J. A. Murray and three other men are working on the extension of the new walk connecting the landing with the Salt Lake swimming pool. Last year part of this was built by the Provincial Government but when about half completed the money was found to have been all expended. Now the work is again well under way and the walk will be ready by the time the swimming season opens.

The new route follows the water and is much more picturesque than the former one.

ANYOX SPORT NOTES

Some nice salmon are being caught in the bay but none very large just now.

At the shoot of the Gun Club on Sunday, O. Rollag was high man with a score of 21 out of 25.

The tennis courts are popular just now. A club for boys and girls has been organized and this is going to be a big boost for the game.

The football boys are out practicing and expect to have their first league game on May 3.

BASEBALL LEAGUE FORMED AT ANYOX

Schedule of Intermediate Games Drawn Up Between Mine And Beach.

ANYOX, April 27.—Harry Down, one of the stars of the Anyox baseball team last year, returned last week and will take his old place. This will strengthen the team materially.

An intermediate baseball league has been formed and the boys are to play for a cup and set of medals donated by the Granby store. This is the first league of the kind ever held here and while there are only the two teams, the Beach and the Mine, an interesting series is expected. The dates set for games are May 7, 12, 14, 19, 21, 26 and 28, and June 2, 4, 9, 14 and 16, the arrangements being under the auspices of the Community League.

While it has been a little cold for practice, the game will soon be under way.

QUOITS CLUB

ANYOX, April 27.—The Quoits Club held a meeting recently and elected officers to carry on for the coming season. They are: Hon. Pres., Charles Wing, President, Bob Armour, Vice-president, Jack Ritchie, Sec.-treas., A. Hilbert.

The quoits team is looking to Prince Rupert for some competitions in the near future.

COMMEMORATES YPRES BATTLE

Special Service Held at Christ Church, Anyox, on Sunday

ANYOX, April 27.—A goodly number turned out to the commemorative service of the Second Battle of Ypres on Sunday evening last, the preacher for the occasion being the incumbent, Rev. J. B. Gibson. There were special psalms and lessons suitable to the occasion, a reminder of the dark days of the war. In his address the speaker said: "We commemorate a feat of arms performed by our own kith and kin which will live in history for ever. The wave of battle that fell on our soldiers at Ypres has baptized the Dominion into nationhood, Canada, through the sacrifice of her sons, glows with a new meaning before all the civilized world."

He referred to the outbreak of war and Britain's response to the distress calls of gallant little Belgium.

Synopsis of Land Act Amendments

Minimum price of first-class land reduced to \$1 an acre; second-class to \$1.50 an acre.

Pre-emption now confined to surveyed lands only. Records will be granted covering only land suitable for agricultural purposes and which is non-timber land. Partnership pre-emptions abolished, but parties of not more than four may arrange for adjustment of pre-emptions with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where pre-emptor in occupation not less than 3 years, and has made pre-emptive improvements, same may be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued, provided applicant makes improvements to extent of \$100 per annum and occupies same year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvement of \$10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.

Pre-emptor holding Crown grant may record another pre-emption, if he requires land in conjunction with his farm, without action of section, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes areas exceeding 640 acres may be leased to one person or company. Mill, factory or industrial sites on timber land not exceeding 40 acres may be purchased; conditions include payment of stumpage.

Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of purchase price, not exceeding half of purchase price, is made.

PRE-EMPTORS' FREE GRANTS ACT.
The scope of this Act is enlarged to include all persons jointly or severally with His Majesty's Forces. The time within which the heirs or devisees of deceased pre-emptors may apply for title under this Act is extended from one year from the death of such person, and formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after June 26, 1918. Taxes are remitted for five years.

Provision for return of moneys accrued, due and been paid since August 4, 1914, on account of payments, fees or taxes on soldiers' pre-emptions. Interest on agreements to purchase town or city lots held by members of Allied Forces, or dependents, acquired direct or indirect, remitted from settlement to March 31, 1920.

SUB-PURCHASERS OF CROWN LANDS.
Provision made for issuance of Crown grants to sub-purchasers of Crown lands, acquiring rights from purchasers who failed to complete purchase, involving forfeiture, on fulfilment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1920.

GRAZING.
Grazing Act, 1913, for systematic development of livestock industry provided for grazing districts and range administration under Commissioner. Annual grazing permits issued based on numbers ranged; priority for established owners. Stock owners may form Associations for range management. Free, or partially free, permits for certain classes of campers or travellers, up to ten head.

TORPID LIVER For over 4 Months

The duty of the liver is to prepare and secrete bile and serve as a filter to the blood, cleansing it of all impurities and poisons.

When the liver becomes lax, slow or torpid it is not working properly, and does not supply sufficient bile to thoroughly act on the bowels and carry off the waste products of the system, hence the bowels become clogged up, the bile gets into the blood, constipation sets in and liver troubles follow.

Milburn's Laxa-Liver Pills quickly remove the secretions, clear away the waste and effete matter by acting directly on the liver, and making the bile pass through the bowels instead of allowing it to get into the blood, and cause so many troubles.

Mrs. Alice Nichol, Nanaimo, Ont., writes: "I was very badly run down, and had a torpid liver for four months. I tried several remedies, but got no relief. One day my husband brought me home a vial of Milburn's Laxa-Liver Pills, and before I had used half of it I was much better. I only used two vials, and am a different person today. I can safely recommend Laxa-Liver Pills to any one troubled with liver trouble."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers or mailed direct on receipt of price by The E. Milburn Co., Limited, Toronto, Ont.

manhood of Canada hurried to arms, with the result that within two months an army of 33,000 men fully organized and equipped, was sent to the aid of the Motherland.

These were the men who were called upon to measure their valor and prowess with the German hordes in what is known as the Second Battle of Ypres—one of the bloodiest battles in the records of the British Army.

Poisoned by Gas

The speaker briefly recounted the incidents of the battle where poisonous gas was first used by the Germans, compelling the French, who occupied the trenches on the left of the Canadian Division, to retreat. The Canadians had to extend their line and were faced by at least four divisions of the enemy, supported by immensely heavy artillery. But the line never wavered. For five days and nights the battle raged on; at the end, Canada, with exactly half her troops killed and wounded, still stood a daunted facing the foe.

Conan Doyle's Account

"Strong forces of the Germans had only five miles to go in order to cut the great nerve ganglion of Ypres out of the British system. They were provided with new and deadly devices of war. They were confronted by no one save a single division of what they looked upon as raw colonial militia. Yet of the five miles they could only accomplish two. It needs no vision of over-wrought men to see the doom of God in such episodes as that."

Three Lessons

Three great lessons were learned from this battle. First of all the great lesson of self-denial. The soldiers have re-learned for us the Christian principle of the Cross—that is the forsaking of everything for the sake of serving humanity, the laying down of life for the com-
