PRICE: FIVE CENTS

MACKENZIE KING IS VERY CRITICAL CAPTAIN VON GRONAU FORCED DOWN IN INDIAN OCEAN

ACTION IS DISMISSED

Dr. George E. Seldon Cleared in Big Supreme Court Suit in Vancouver

VANCOUVER, Oct. 11.—The action of Mrs. Maria Plowright and her husband, Lawrence Plowright, of Vancouver claiming \$57,000 damages against Dr. George E. Seldon, prominent Vancouver surgeon, for alleged negligence in setting the broken hip of Mrs. Plowright last year was dismissed in Supreme Court by Mr. Justice A. I. Fisher after a jury had found that Dr. Seldon was not guilty of negligence.

A great deal of interest had been taken in the suit locally and, throughout the hearing, the courtroom was crowded with spectators.

EX-SERVICE MEN'S BODY

Working Class League Formed at Meeting Sunday Night

The Prince Rupert branch of the Working Class Ex-Servicemen's League was brought into being at a meeting Sunday evening in the Labor Defence Hall. William Ross occupied the chair and J. M. Dunn acted as secretary.

This league has for its object the special interests and demands of all working class ex-servicemen of the Canadian and Imperial forces. It differs from existing ex-servicemen's organizations in that it cooperates with the militant labor.

Its demands are as follows:

1. Non-contributory state unemployment insurance for all ex-servicemen.
2. No ex-servicemen suffering disability to be forced to work at employment beyond his strength or injurious to his health. Unless suitable occupation is found, such ex-servicemen to receive pension at maximum rate regardless of disability.
3. The abolition of tribunal boards. Any qualified doctor's examination to be final and pensions to be granted accordingly.
4. All ex-servicemen who have sold their pensions to have pensions regranted without investigation and all back pensions to be paid with back interest.
5. All ex-servicemen suffering disability or injuries received during the war to receive the same pensions as officers at present.
6. That burnt-out veterans' allowance be advanced to 10% pension.
7. That pensions of all working class war widows be continued after remarriage.
8. That free medical and hospital treatment be given ex-servicemen and their dependents regardless of whether ailment is a result of war service or not.
9. Pensions of all Imperial ex-servicemen in Canada to be based on same basis as those in effect for Canadian veterans.
10. That all veterans' funds be pooled and used for needy veterans and dependents.
11. That no jail terms shall interfere with the pensions of an ex-serviceman.
12. That no ex-serviceman be discriminated against in regard to pensions for his political opinions or activities.
13. That all unemployed ex-servicemen be provided relief by the D. S. C. R. and that the Dominion Five-Year Clause re Imperial veterans be revoked.

(Continued on page six)

PROTEST AT LOW PRICES OF SALMON

NEW WESTMINSTER, Oct. 11.—As a protest against low prices offered for salmon by the canneries, members of the British Columbia Fishermen's Protective Association propose a general strike covering the entire coast. The proposal was discussed at a meeting of fishermen when it was decided to ask from three to five or six cents each for chums.

Dr. Curtius is In Los Angeles

Former German Foreign Minister Does Not Believe Europe Will Cancel War Debt

LOS ANGELES, October 11.—Dr. Julius Curtius, former German foreign minister, who is on a lecture tour of the United States in the interests of promoting international understanding, spent the week-end in Los Angeles.

Dr. Curtius, in an interview here, stated that he did not believe European nations really intended to repudiate their war debts to the United States.

HELPING FARMERS

United States Government Makes \$3,000,000 Available For Northwest

SPOKANE, Oct. 11.—The sum of \$3,000,000 has been made available for the aid of farmers in Washington, Oregon and Idaho under the operations of the finance reconstruction corporation. It was announced at the week-end. Spokane will be the distribution centre.

Lief Erikson Day Observed

Concert and Social Held Last Night to Honor Anniversary of Famous Norwegian Explorer

Lief Erikson Day was appropriately celebrated last night at the Metropolitan Hall by the local Lief Erikson Society with an enjoyable concert and social, a large number of local Scandinavians being in attendance at the affair.

B. Peterson, president of the society, was in the chair and gave an address descriptive of the life and activities of Lief Erikson, particularly in regard to his work as an explorer of the New World.

B. M. Simpson also spoke during the evening.

The program, in which the Varden Singers, as a body under the leadership of Peter Lien and individually took a prominent part, included choruses and solos, vocal and instrumental numbers, readings and community singing.

Refreshments were served under the direction of the Lief Erikson Ladies' Club.

NEW YORK, Oct. 11.—To pay a visit in the United States, where he has many friends, the dashing Admiral Lord Beatty, commander-in-chief of the British Navy during the latter part of the Great War, arrived in New York at the week-end from England.

Judge's Home Was Wrecked

Several years ago, Judge Webster Thayer presided at the trial of Sacco and Vanzetti—later executed. The other night a bomb exploded at rear of the judge's home doing much damage, but injuring no one.

Want of Confidence Motion Is Brought Before Parliament By Liberal Leader Following Speech

Premier Bennett Defends Present Conservative Government and Declares in Favor of Sound Monetary System

OTTAWA, Oct. 11.—Visions of foreign nations banding together in a trade sense against the British Empire were conjured up by Rt. Hon. William Lyon Mackenzie King, Liberal leader, in the House of Commons yesterday as he led a multiple attack upon the fiscal record of the Bennett Government. Making only passing references to the Imperial economic conference:

Mr. King climaxed his speech by moving an amendment to the address in reply to the Speech from the Throne expressing regret that "the government has wholly failed to afford a remedy for unemployment and agricultural distress as pledged by the Prime Minister, regret that, except for the dole, the government has no policy with respect to relief of unemployment" and "deploring the government's obvious endeavor by postponing revision of the Bank Act to avoid immediate consideration by Parliament of the all important subjects of banking, credit and currency."

Traversing a wide field, Mr. King advocated such policies as proportional representation, an independent national commission to administer the unemployment relief fund, immediate banking and currency reform including the establishment of a central bank of discount, a national system of unemployment insurance and reversion to the policy of national public works to relieve unemployment.

Mr. King declared that general conditions in Canada were becoming worse.

Premier Is Heard

Following Mr. Mackenzie King, Prime Minister Bennett said that the Liberal leader "could not disguise his spleen that a successful conference was held in this country."

The Prime Minister announced that Canada never would desert a

policy of "sound money." Turning on the printing presses and flooding the country with new money would have a disastrous effect on the Canadian dollar, forcing government securities far below par and placing an unbearable load upon individuals and ministries owing debts in international markets.

NEW SHIP IS AT NEW YORK

Despite Turbine Trouble at Gibraltar, Italian Liner Rex Beats Rival Ships Across

NEW YORK, Oct. 11.—Having completed her maiden voyage across the Atlantic Ocean, the huge new Italian liner Rex arrived here from Gibraltar where she had been delayed on account of turbine trouble.

Despite the delay, the Rex beat all other ships into New York and passengers who had left her at Gibraltar to take other ships in the hope of arriving sooner were disappointed. Among these was Former Mayor James J. Walker who arrived later on the German liner Europa.

BIRTH NOTICE

At Bella Coola Hospital, on September 29, to Constable and Mrs. Malcolm Martin, a son.

German Round World Flyer and Comrades Picked Up By Ship

Came Down With Broken Waterpipe Two Hundred Miles South of Rangoon While on Flight From Manila—Towed Into Burmese Port

RANGOON, Burma, Oct. 11.—With the disabled globe-encircling flying boat Gronland-Wal of Capt. Wolfgang von Gronau and three companions in tow, the British steamer Kasasola arrived here today. The flyers were forced down yesterday on the Indian Ocean two hundred miles south of Rangoon by a broken waterpipe. They were picked up in the rough sea by the Kasasola and brought here. Owing to a lengthy stay at Manila, the flyers are considerably behind schedule now on their home flight to Germany.

GRIEVANCES ARE AIRED

National Unemployed Workers' Association Gives Its Views of Existing Conditions

The following letter has been addressed to the mayor and city council by the National Unemployed Workers' Association:

"The following case is brought to your attention as it is considered to be discrimination against a member of this association. This man—a foreign-born worker—was asked by the City Engineer to work off back relief, refusing on the grounds that the food allowance for himself, wife and three children was insufficient, that, if required to work two or more weeks in a month, he himself would require practically the whole allowance and his family would have to suffer. The City Engineer, thereupon, informed him that no more relief would be forthcoming, sent him to the Chief of Police.

"This is the case that was mentioned to the Mayor a short time ago when he told the committee it would be rectified. This whole matter of discrimination, particularly against the foreign-born worker, was taken up with Olof Janson, M.P. for the Skeena Riding who gave the committee his assurance that any such case would receive his personal attention and would be brought before the proper authorities at Ottawa.

"We also take advantage of this opportunity of presenting the following comments on the situation for the consideration of the city council, as there is undoubtedly something fundamentally wrong with the system now in vogue of men being forced to work off a meagre allowance under the unjust ban of pauperism:

"1. The man in question is not refusing to work in return for his direct relief but demands a more adequate allowance. There is also the factor to consider that his wife was not in good health.

"2. The Federal Prime Minister was elected on the strength of his promise that there would be work for all—no more unemployment. This has not so far materialized in spite of the fact that there is abundance of work, food and wealth in the country. To the best of our knowledge there was no provision made by Mr. Bennett that, in the event of inability to work because of insufficient nourishment, relief would be summarily cut off, there-

McKee Announces He is Not Running For Mayoralty

NEW YORK, October 11.—Joseph McKee, president of the board of aldermen and acting mayor of New York following the recent resignation of Mayor James J. Walker, announces that he will not be a candidate for the mayoralty at the special election to be held this fall but that he will support the candidature of John P. O'Brien, the unanimously nominated Democratic candidate.

Conservatives In Control of Senate

New Appointments For Quebec Give Tories Majority of Five Over Liberals

OTTAWA, Oct. 11.—With the appointment of two new senators for Quebec as announced, the Conservative party now has a majority of five in the Upper Chamber.

LIBEL CASE MONTREAL

J. J. Harpell Makes Direct Charge Against President Macauley of Sun Life of Diverting Funds

MONTREAL, Oct. 11.—Bail of \$950 was renewed today when J. J. Harpell, president of the Journal of Commerce Publishing Company, appeared in court for preliminary hearing on a charge of criminal libel, voluntary hearing of the case being set for October 18. The charge was laid by T. B. Macauley, president of the Sun Life Assurance Company of Canada.

Mr. Harpell made a statement in court today saying: "The plaintiff in this case has given to Samuel Insull, Martin Insull and Ivar Kreuger twenty-six millions of dollars of the policy holders' funds. These are my funds. He has stolen my funds and I am here to swear out a warrant for his arrest on a charge of conspiracy to defraud."

He further stated that eighteen million dollars of the sum was already lost and gone.

Harpell was without counsel, his counsel, he stated, having resigned only yesterday morning.

New York Firm In Receivership

Courts Grant Order at Instance of Attorney General Bennett

NEW YORK, Oct. 11.—The firm of S. W. Strauss & Co., bond and realty dealers, has been ordered into temporary receivership by the courts at the instance of Attorney General Bennett.

by forcing a man to steal, beg or starve according to his disposition. What authority therefore has the city engineer for his present action, of the Chief of Police for his interference? The man in question is guilty of no criminal offense.

Who Benefits?

"3. Who benefits by this intensive civic work program? Granted that the city is getting very necessary work performed which possibly could not otherwise be performed at this time, that the city engineer is getting credit, and deservedly so, for the good workmanship, the real beneficiaries are the banks, mortgage companies and mortgage holders, seeing that nearly every other house in the city is either mortgaged or very soon will be. Hence we behold the population of our fair city toiling daily, sowing a crop of depression profiteers, who thrive, or hope to thrive, on the misfortunes of their fellowmen. This crop in a few years will bud forth as patterns of enterprize, initiative, and whatever fancy names are accorded. Mr. Bennett's policy of unemployment relief is beneficial to the classes at the expense of exploited masses. The citizens of this city must wake up sooner or later to the fact that their lot will not improve as time rolls on and that their toil is getting them nowhere. It does not even meet the interest on the mortgage. They are unable to consult a doctor for fear of a refusal and it does not provide them with any amenities in the way of amusement and recreation which they are entitled to demand as human beings.

Yet they are the people for whose benefit relief money is supposed to be expended and not the city and financial interests, and we find them resigned to a state of virtual slavery, stunned and bewildered out of reasoning ability to question the why and wherefore.

"4. There is also a question of ethics involved. In view of the fact that only one-third of the expense is borne by the city, the remainder being provided by Federal and Provincial Governments, has the city a right to demand the men to give their time to the improvement of other people's property, many of whom are merely standing by waiting for a chance to unload at a profit.

"5. The policy of direct relief is not administered uniformly either by Dominion, provinces or cities. Vancouver and other cities have long ago discarded the work-relay system on account of expense—superintendence, tools, etc., eating up too great a percentage.

"6. Mr. Bennett's plan, to be of benefit, should be expended in such a manner that not one cent is diverted from the class of people whom it is intended to benefit. These men will have quite enough to do looking after their families, and the winter is approaching. This naturally brings us to the subject of fuel. Fuel, together with light and water, is a recognized free issue in other cities.

"It is not our purpose, Mr. Mayor and Aldermen, to obstruct or embarrass you in your duties, but it is undeniable that here are abuses and shortcomings in the present system, but it is our duty on behalf of the unemployed to urge for immediate remedies or call for a show-down."

NEW TEAM ON FIELD

Borden Street Eleven Makes Good Showing Against High School

With only two of last year's players available, Borden put up a good showing against High School in its opening Junior League football fixture on Saturday afternoon although beaten by seven goals to three.

Borden attacked early and Veitch opened the score only to have Lindsay equalize soon after. Naylor was prominent and then Burns centred well. Postuk saved well from Lindsay but the latter shortly after added a second for High. Annesley saved from Houston and, at the other end, Postuk saved a long shot from Lee well. Murray and Unwin showed up well in defence but, after J. O'Neill had hit the upright, Shruballs added a third for High.

Bertie O'Neill was playing well for Borden who pressed for a time and Veitch went close. Campbell added a fourth and Lindsay a fifth for High only to have Borden get a second when Houston scored. Shruballs added a sixth and then Burns scored the best goal of the game after a clever run. Postuk brought off a fine one-handed save from Campbell who, however, added a seventh for High later. Irvine centred well but Ritchie cleared.

Borden put up a splendid game and, with a little practice, will do much better. The nine new players did very well with Veitch and Houston, of last year's team, very prominent.

High School—Annesley; J. Currie, A. Ritchie; Forrest, Naylor, Lee; Lindsay, J. O'Neill, Campbell, Shruballs, Fulton.

Borden—Postuk; Unwin, N. Murray; B. O'Neill, Veitch, Gulick; Irvine, Yamanaka, Houston, S. Currie, Burns.

J. Campbell refereed and G. Johns and B. Clarke were linesmen.

SPORT CHAT

Nina Gurvich looked like a champ in his public work-out on Sunday night. He appears to be a decidedly better and harder boxer than on his last appearance in a local ring. He seems to be in perfect physical condition. Benny Wendle worked out Monday night with a good number of fight fans in attendance. Benny is also in great condition. From all indications, the forthcoming fight between the two boys should prove everything that is expected of it. The youngsters in the paperweight class gave the fans an amusing four rounds during the work-outs and it almost looks like they may steal the show.

Priscilla Smith was remanded for eight days on appearing in city police court before Magistrate McClymont this morning on a charge of vagrancy.

CRIBBAGE SCHEDULE

Why stay RUN-DOWN?

Fruit-a-tives gives new life

"The only thing that makes me miserable now is the thought that for years I struggled along in a run-down condition, when, if I had known about 'Fruit-a-tives' I would have been well. I was constipated, bilious and suffered greatly from severe headaches. 'Fruit-a-tives' found me up generally. They really have done me the world of good."

Fruit-a-tives . . . all drug stores

Meeting of the N.U.W.A. tonight at 8 p.m. in C.L.D.L. Hall, 2nd Avenue. Hear W. Mahoney's report on the Workers' Economic Conference.

Mrs. Wood left on yesterday morning's train for New York where she will pay a visit with her son and daughter-in-law, Mr. and Mrs. William Wood.

At 8:30 Saturday night the fire department had a call to the vicinity of McClymont Park where a clearing fire had got out of control. No damage was done.

Leo Contoli left on yesterday morning's train for New York where he will embark aboard the Italian Line steamer Augustus on October 22 for a visit to his native home in Lugano, Switzerland.

Col. George S. Pragnell of Kamloops, inspector of Indian Agencies for British Columbia arrived in the city on the Cardena Sunday night from the south. He will visit this city and district on official duties.

Man's Heart Stopped By Bad Stomach Gas

W. L. Adams bloated so with gas after meals that his heart missed beats. Adlerika brought out all gas and now he eats anything and feels fine. Orme's, Ltd., Drugs.

"Cup Cakes are delicious when made with Magic Baking Powder,"

says Miss Helen Campbell, Director of The Chatelaine Institute

"Good baking goes hand in hand with good materials," Miss Campbell will tell you. That's why Magic Baking Powder is used and recommended by The Chatelaine Institute. Magic meets all the Institute's rigid requirements of fine quality—repeated tests have proved it absolutely pure, uniform and dependable.

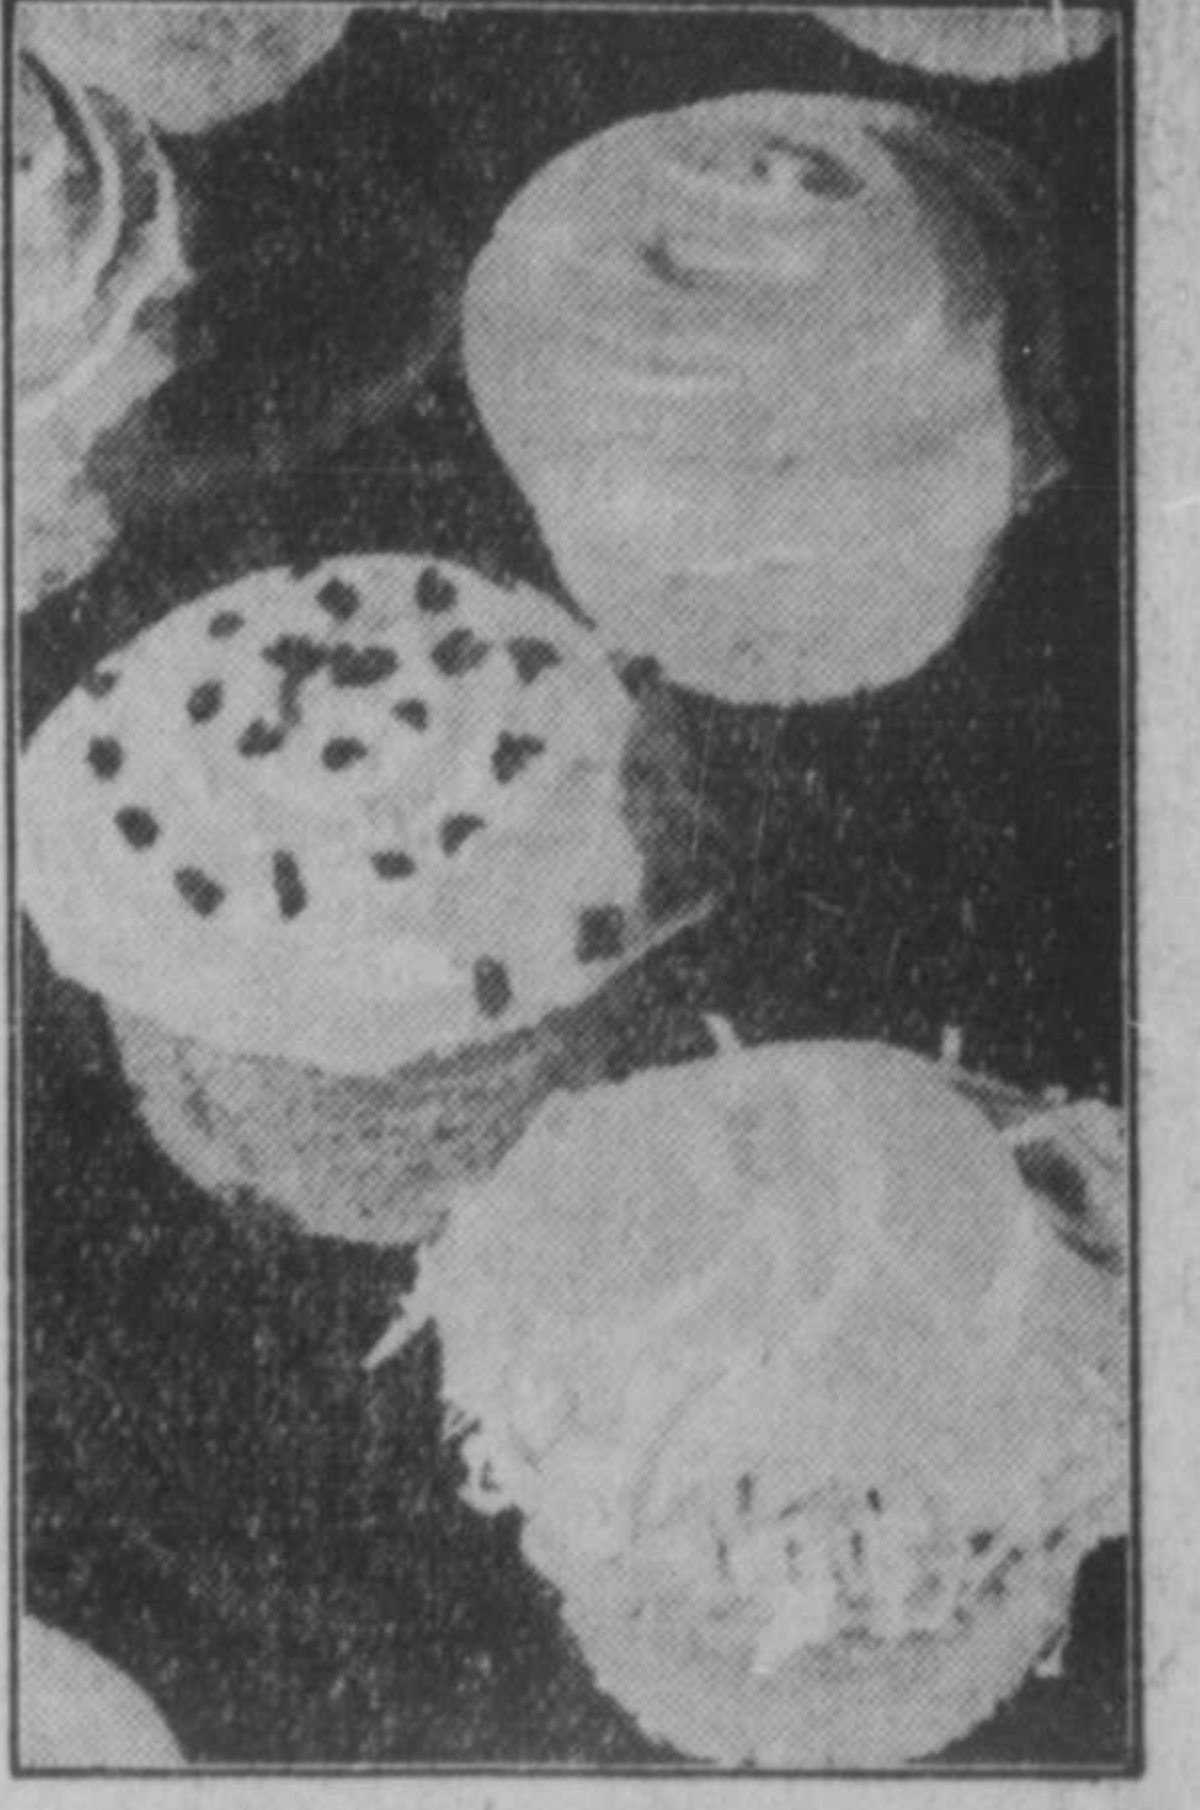

The majority of dietitians and teachers of cookery throughout Canada plan their recipes for Magic. They use it exclusively because they know it gives consistently better results. And 3 out of 4 Canadian housewives say Magic is their favorite. It outsells all other baking powders combined.

MAGIC BAKING POWDER

Contains no alum.

This statement on every tin is our guarantee that Magic Baking Powder is free from alum or any harmful ingredient.

Miss Campbell's Recipe for Cup Cakes

3/4 cup butter 2 cups pastry flour
1 cup sugar (or 1 1/2 cups bread flour)
2 eggs
3/4 teaspoon vanilla 3 teaspoons Magic extract
3/4 teaspoon salt 1 cup milk

Cream butter thoroughly; add sugar a little at a time, beating well. Add yolks of eggs and vanilla; beat well. Sift flour with baking powder and salt, and add, alternately with milk, to first mixture. Fold in stiffly beaten egg whites. Bake if greased cup cake tins, or in paper baking cups, in moderate oven at 375° F. about 25 minutes. Serve warm from the oven, sprinkled with powdered sugar. Or cool, and frost the tops. You will find many delicious frosting recipes in the Magic Cook Book.

Free Cook Book—When you bake at home, the new Magic Cook Book will give you dozens of recipes for delicious baked foods. Write to Standard Brands Limited, Fraser Avenue and Liberty Street, Toronto, Ontario.

TAKE KLIM ALONG AND YOU'LL ALWAYS HAVE FRESH MILK!

No matter how far from the beaten track your journey takes you—how far into the bush—along untrodden trails—you can always have a supply of pure, fresh milk, if you include Klim in your dunnage.

For Klim is milk—milk in convenient powder form, from which only the water has been removed. The replacing of that water gives you pure, fresh, full cream milk again whenever you require it. Klim is compact and easily carried—a 5-lb. tin makes 16 quarts of rich milk. Klim does not sour in the dry form, even after the tin is opened.

TO ALL MERCHANTS MANUFACTURERS AND BANKERS

This is the way to BETTER BUSINESS

"Before there is any great upturn in volume of sales for manufacturers of trade-marked merchandise, there must inevitably be a great upturn in advertising volume.

"Because, merchandising embraces every marketing process involved in getting a commodity from the factory to the consumer. Not merely from the factory to the salesman. Not from the salesman to the wholesaler. Nor from the wholesaler to the retailer. But all the way from the factory to the consumer. Including all the in-between stopping-places.

"Merchandising is *complete* trade. Goods fully sold. Commodities taken to their cash-yielding terminal. When this *last* step rounds out the procedure... when the *ultimate user's* cash flows back through the channels of trade...and the way is opened for repeat sales...then we have Business."★

HERE WE HAVE THE ECONOMIC BASIS OF ADVERTISING

For if we agree that merchandising requires this completion of selling, so that goods go into use and are used up, then we establish the place of advertising as a business essential. Advertising holds its position because it simplifies dealing with the public—as to effort, time and cost. It is an intrinsic part of selling *at that last step* which actually moves the goods into consumers' hands.

Advertising in the Daily Newspapers—if it is geared by intelligent and trained men to do its necessary share in the job of selling—is an unchanging dominant power—the most rapid, direct, simple and economic contact with Canadian consumers.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

MANY LINES OFF MARKET

Preserving and Pickling Season About Over—Turkeys Here at Reasonable Price

A number of lines of seasonal fresh fruits and vegetables have made their disappearance from the local retail market and the season for preserving and pickling is now about over. Concord grapes, pears and crab apples are, however, still in and housewives are being advised to purchase their supplies of Concord grapes without further delay while the quality is still good and the supply plentiful. The season for this fruit is not a long one. The first cranberries of the season are now in.

First turkeys of the season are now here in readiness for Thanksgiving next Monday. The price is 35c per pound which is lower than usual for the opening.

Retail prices current here at present are as follows:

Secure Cash During Hard Times

The Classified Ads.

Many people have something in the house they would like to sell which could be turned into money if they knew of a customer. Try a classified advertisement. Most people read the classifieds. For about fifty cents you can let them know about it and it may prove a profitable transaction.

Daily News Want Ads.

Renting the House

There are a number of houses in the city not rented yet and many people make little effort to secure a tenant. Others who are wise to their opportunities try a classified advertisement in the "For Rent" column and often get results. As one satisfied customer said recently: "Those little ads certainly do bring results."

Some Like Reader Ads.

Some people after trying other kinds of advertising decide to try a reader among the locals and personals. Then they have got results. The cost is a little higher but they have been well satisfied. When conditions are like they are today the newspapers can often help. The price is not very high. Do not lie down and bemoan your hard fate. Try a different kind of advertisement and if that is not successful try again.

AROUND PRINCE RUPERT

Georgia River Gold Commanding Interest—Premier Takes Over Property Near Juneau—Activity In Telegraph Creek District

Recent strong interest in Georgia River Gold on the stock markets has directed attention to the east side of Portland Canal in which Georgia River is situated about eight miles south of Stewart. Georgia River Gold consists of thirty-four crown-granted claims with an area of about 1235.81 acres. Gold values are definitely established by assays of \$33 to the ton in No. 1 tunnel

on the Bullion vein which is typical of the mine workings. Ore bodies are in close proximity to vein intersections and near the surface the Summit, Southwest and Camp veins have been found to contain free gold. Like the Bullion vein, they are quartz-filled and easily traceable for several thousand feet on the property. Development work on the Georgia River Gold, which has been proceeding steadily, consists of tunnels, drifts, cross-cuts, raises and open cuts. There are five tunnels in addition to considerable other development. New mine equipment and splendid accommodation for the crew, together with office and laboratory facilities, are features of the property. Since news was received about a fortnight ago of progress of development at the property, the price of Georgia River stock has been advancing steadily in Vancouver, the bids gradually ascending to 4 1/4c.

A large gold property near Juneau, Alaska, has been acquired under bond by the Premier Gold Mining Co. Ltd. and extensive exploration of the property has commenced. It is a group carrying wide, low-grade veins of commercial ore. Bert F. Smith, for many years assistant manager of the Premier mine in the Portland Canal district, has been placed in charge of operations on the Alaska property. The Premier Co. recently had engineers in the Bridge River district but no information is available as to whether or not the company may become interested in that area.

There has been considerable prospecting activity during the past season in the Peace River Block. William Braden of North Rolla has re-

turned from the upper Peace where he spent the summer prospecting and is anxious to return to that district again next spring. Game, he reports, is plentiful but gun shy.

Telegraph Creek mining district has not revealed anything of a very spectacular nature during the 1932 season but operations by several interests have warranted further work, according to H. W. Dodds, for years gold commissioner and government agent at Telegraph Creek, who was recently moved to Stewart. Principal development has been on Palmer Creek, situated about eight miles east of Dease Lake. Last season encouraging results were obtained and this year hydraulic pipe and drill were packed in. About fifteen men are employed on ten leases. Difficulty was experienced by the Barrington interests on the Clearwater getting a dredge into the property. In the Dease Lake section slides interfered with the operations of the Cassiar Hydraulic Co., resulting in a lesser gold production than had been anticipated. Gibson interests on Mosquito Creek report fair production. Several outfits are working on McDames Creek. In addition to these operations, individual prospectors have been working. Gold production is expected to be better next season when the outfits which have been doing preparatory work will probably go into production.

Placer prospects on the Bell-Triving watershed, north of Stewart, are to be the scene of a permanent camp during the approaching winter according to Paul Morrison and Paul Merger who recently returned to Stewart to renew their supplies. The party will be increased, one of the men to join it being David Guna-Noot, son of the late Simon Guna-Noot, well known Indian.

Important developments this summer in the Omineca Mining Division were reported recently in Vancouver by L. S. McGill, well known Smithers barrister and mining man. In the placer regions at Nation River, Manson River and Germanson Creek, north of Vanderhoof, there has been more activity this year than during past seasons though it was chiefly development work with a view to future operations. McConnell Creek and the northerly portions received a good deal of exploration the result of which was to discount exaggerated rumors which were circulated some months ago but at the same time proving that there are many opportunities awaiting capital in sufficient quantity to do something on a large scale. In the Bulkley Valley section the Babine Gold Mines Ltd., a private company owned by W. R. Wilson & Sons of Vancouver, developed by surface prospecting some gold quartz showings on a property between 25 and 30 miles east of Telkwa on Dome Mountain, some high values having been obtained. The same interests also carried out further preliminary work on the Silver Lake group on Hudson Bay Mountain, the results having been favorable and a large program of tunnel work being planned for next season. This will involve the running of not less than 2000 feet of tunnel to cross-cut high grade galena veins already opened up. Development of the Jessie Gold Mines Ltd. has continued steadily during the past four months and will go on throughout the winter.

EX-SERVICE MEN'S BODY

(Continued from Page 1)

14. The abolition of all vagrancy laws against ex-servicemen.

15. That every ex-serviceman who has served with the Canadian forces be recognized as a Canadian citizen.

16. That no more monuments be built for "dead heroes" until "living heroes" are provided for.

Depression Discussed

The principal business was the discussion of matters pertaining to the depression. It was disclosed that this country guarantees annual payments of over \$100,000,000 to holders of war bonds. While everything else has depreciated interest has not followed suit and this money must be met. The figures for Canada are not available but, for an idea and as an indication of the trend of modern life, in the United States after the war there were 20,000,000 holders of war bonds, which number in 12 years is reduced to 200,000. This means that 99% of the original buyers have had to relinquish their holdings, and that the major part of the issues are now in the hands of the half dozen banking corporations. It is in times of economic distress that high finance reaps its harvest and will emerge from the depression stronger than ever while the mass of the people, having been forced to see their possessions gradually diminish and disappear, have to start all over again. The following resolution was passed as the outcome of the discussion and is being forwarded to Premier Bennett at Ottawa for his consideration.

"That the Dominion Parliament, now in session, enact the required legislation to the end that the present high interest rate of Canadian war bonds and post-war bonds be drastically reduced and that a sufficient portion of the money thus saved be allotted to the purpose of providing all unemployed war veterans and their dependents with a standard of living based upon justice and equity."

The meeting declared itself as strictly against internment in "prison camps" for unemployed single men.

The next meeting will be held on Friday next.

Pleased With The Convention

Dr. H. C. Wrinch of Hazelton Says Big Event Was Earnest Effort to Benefit Country

The recent Liberal convention in Vancouver was a great event, according to Dr. H. C. Wrinch, of Hazelton, member for Skeena in the Legislature, who has been in the city over the holiday. While only about 250 delegates were expected, over 600 appeared and all took a keen interest in the affair. The convention was characterized by its earnestness and helpfulness. Narrow partyism was conspicuous by its absence. All seemed bent on doing something for their country rather than for their party.

Dr. and Mrs. Wrinch will be leaving for home tomorrow.

LACROSSE BENEFIT

Large Crowd at Affair Staged Last Night to Raise Funds For Injured Players

There were about one hundred persons present at the dance held last night in the Eagles' Hall for the relief of local lacrosse players who sustained injuries during the recent playing season. The affair opened at 9 p.m. and closed at 2 a.m., being very enjoyable throughout.

The Eagles' Lodge donated the hall as did Charles P. Balagno the services of his orchestra.

Mothers and wives of lacrosse players and friends donated the refreshments, these including Mrs. W. J. McCutcheon, Mrs. J. H. Macey, Mrs. Harry Menzie, Mrs. G. M. Hunt, Mrs. Lance Styles, Mrs. J. J. Gillis, Mrs. R. B. Skinner, Mrs. George Frizzell, Mrs. R. Bury, Mrs. Stalker, Mrs. William Gosnell, Mrs. William Grey, Mrs. E. Unger and the Misses Zarelli. Cakes were donated by the Rupert Bakery and the Chriss Mill Bakery. Catering was in the capable hands of Mrs. R. S. Woods and Mrs. C. J. Gustafson.

The winner in the raffle of a stool donated by G. M. Hunt was Charles Graham.

Special Hard-Time Bargain Offer

To Subscribers to the Daily News or Any Wishing to Become Subscribers

All our advertisers have been offering special bargains to the customers. Here is our contribution. Any person sending in a full year subscription now will get the rest of the year 1932 free. This applies either to new subscriptions or renewals.

THE DAILY NEWS Delivered in the city, one year from January 1, \$5.00

Rest of this year to January 1, 1933 **FREE**

THE DAILY NEWS Delivered by mail out of town one year from January 1, \$3.00

Rest of this year to January 1, 1933 **FREE**

This is a very attractive offer and is made for a limited period to induce subscribers to pay a year in advance during the difficult financial period. Payment may be made by check, money order or currency. The sooner it is sent the more you get for the money.

DAILY NEWS

Prince Rupert, B.C.

There IS Relief from RHEUMATISM

In this day, no man or woman need suffer with rheumatic pain. It's as easy to get rid of as a headache. Aspirin disposes of such pain like magic. Two tablets with a swallow of water relieves any mild attack. If any pain is left, repeat every two hours until the last twinge is driven from the system. Never hesitate to take Aspirin. It is not a narcotic. It won't upset the stomach. It can't depress the heart. It may be taken days at a time, without the slightest harm. So, don't dread the winter because of rheumatism, neuritis, lumbago or constant colds. Aspirin will give you complete relief.
