Serious Allegations Are Brought Out OFFICIAL REPORT ON MUNICIPAL AFFAIRS FOR 1921 IS MADE

Vets Make Charges Against Committee Pensions at Ottawa

OTTAWA, June 15.—Charging the board of pensions commissioners with issuing secret pensions and insurance in violation of the intention of Parliament and with conspiracy to deprive ex-service men of the rights granted them by Parliament, R. B. Maxwell, G.W.V.A. president, and G. G. McNeill, secretary, have telegraphed all the lodges and lodged protests with the parliamentary committee on re-establishment.

One third of the pensioners are said to have been cut off the lists.

The chairman of the pensions board denies that any such regulations have been issued and Herbert Marler, chairman of the re-establishment parliamentary committee, promises a rigorous investigation.

PROHIBITION RE-AFFIRMED AS PRINCIPLE

General Assembly of Presbyter-
ian Church Goes on Record—
Criticisms.

WINNIPEG, June 15.—Resolutions re-affirming total prohibition as a principle was adopted by the Presbyterian General Assembly.

Rev. Ferguson Miller, representing the British Columbia synod, condemned Government control and ridiculed the permit system. He said that under Government control bootlegging was worse than ever in British Columbia.

Dr. Clay of Victoria also condemned moderation system as encouraging intemperance.

DELORME TRIAL STARTS TODAY

Strong Evidence of Insanity in
Former Priest's Family Is
Adduced.

MONTREAL, June 15.—Adelard Delorme faced trial for the murder of his half brother, the late Raold Delorme, a wealthy college student, in court this morning. The former priest's attitude was one of absolute indifference.

When the sanity of the prisoner was being considered at the opening of the case, it was brought out that his mother had been released from an asylum three days before her death. An aunt of the accused had also been committed to the insane hospital and another now living at home, had been ordered to an asylum. Records showed insanity in the Delorme family both on the mother's and father's sides.

MANY ATTEND THE MAYOR'S FUNERAL

Remains of Late Edward Parnell
Laid to Rest at Victoria

VICTORIA, June 15.—The funeral of the late Edward Parnell, mayor of Winnipeg, who died here last week was held yesterday. It was attended by former residents of Winnipeg, representatives of the Winnipeg city council and Victoria civic officials.

MARKETING AGENCY HANDLE WHEAT CROP

Report of Agricultural Committee
Adopted After All Day
Discussion.

OTTAWA, June 15.—After an all day discussion, the House of Commons approved the report of the agricultural committee recommending the creation of a wheat marketing agency to handle the 1922 wheat crop.

WINNIPEG TO HAVE MAYORALTY ELECTION

WINNIPEG, June 15.—This city is now without a mayor and an election will be necessary to fill the vacancy. F. O. Fowler is acting mayor and he will hold office until his successor is appointed.

PACIFIC MILLS ACQUIRE LIMITS

Made Big Purchase on Skid-
gate Inlet Recently From
Northern Timber
Holdings.

CONTRACT FOR NEW DAM TO START SOON

The Pacific Mills of Ocean Falls, have purchased the North American Timber Holdings Co., approximately 90 square miles of timber on Skidgate Inlet, Queen Charlotte Islands, for \$1,500,000. Logging operations will commence very soon and the timber will be rafted to Ocean Falls.

The contract for the building of the new \$500,000 dam at Ocean Falls will be let next week and work will commence as soon as possible thereafter.

HAGUE CONFERENCE WAS OPENED TODAY

THE HAGUE, June 15.—The conference, adjourned from Genoa, which is to consider Bussian affairs, was called to order in the Peace Palace at 2:30 this afternoon by H. A. Karabek, the Dutch foreign minister. Sixty delegates representing about thirty countries are in attendance.

REVENUE DECREASES; EXPENDITURE RISES

Federal Figures for Months of
April and May Are Given
Out at Ottawa.

OTTAWA, June 15.—The first two months of the fiscal year, April and May, show a slight decrease in federal revenues and an increase in expenditure as compared with last year for the same period. The revenue of the two months was \$81,835,000 as against \$83,420,000 last year and the expenditures totalled \$16,000,000 compared with \$12,767,000.

SUMMER TIME IS PERMANENT

Great Britain Adopts It with
Big Majority in Com-
mons.

LONDON, June 15.—In line with other European countries, Great Britain has permanently fixed the adoption of daylight saving for the summer months. The question came to the vote today in the House of Commons and was offered little opposition, the bill calling for adoption of the measure being passed by a margin of 207 to 26.

BUDGET CLEARS THE POLITICAL AIR BUT IS SIGNIFICANT

OTTAWA, June 15.—The discussion on the budget has cleared the political air. The view of observers is that it has dispelled any idea of a general election at any rate until after the redistribution bill is brought down next session. Nevertheless considerable significance is attached to the fact that the government majority of 18 is dependent on nine Progressives who voted against their leader. Had they voted with him, the House would have decided on an even vote and the carrying of the budget would have been dependent on the casting vote of the Speaker.

JAPAN PLEDGED TO PEACE ERA

Premier Kato Makes Announcement as to His International Policies.

TOKIO, June 15.—Admiral Kato, Japan's new premier, today pledged the faith of Japan to co-operate with the other world powers for further reduction of armaments and the maintenance of a new era of peace which he said had been ushered in by the Washington Conference.

HUGE BEAR WAS KILLED AT LAKELSE

Grizzly Attacked Remo Resident
But Was Finally Killed by
Mr. Forceman

TERRACE, June 15.—One of the largest grizzly bears seen in this district was recently shot and killed near Lakeelse Lake by Mr. Forceman. Mr. Kennedy of Remo, who accompanied him, was attacked by the bear, which had just got free from a trap.

Several ineffectual shots were fired before a bullet from Mr. Forceman's rifle laid the big brute low.

The hide was brought in and was found to measure ten feet six inches in length.

DECORATIONS DURING WEEK

Preparations Being Made to Im-
prove Appearance of Win-
dows While Visit Here.

Some of the local merchants are making preparations to put in special window decorations during the week the visitors from the south are in the city. This will have a good effect in brightening up the general appearance of the place.

The suggestion is made that all merchants should do the same and that others should make an effort to improve the general appearance of the city by removing unsightly rubbish and anything which has the appearance of being untidy.

SHIP VICTORIA ARRIVES NOME

First Passenger Vessel of Sea-
son Reached Far North Port
Yesterday.

NOME, June 15.—The steamer Victoria, first passenger vessel of the season to reach Nome from the south, arrived at noon yesterday after having encountered drift ice about 260 miles out of Nome. The roadstead is filling with drift ice from Norton Bay which may delay the vessel's movements.

SHRINERS MEET AT WASHINGTON IN 1923

Shrine Classic Was Won by Joe
Thomas in Very Fast Time

SAN FRANCISCO, June 15.—The Mystic Shriner chose Washington, D.C. as the place of meeting for next year.

Joe Thomas won the Shrine auto classic at San Francisco, driving 150 miles in 1 hour 23 minutes 34-34 seconds. Roscoe Sarles came second, Art Melton third, De Paolo fourth and De Palla fifth.

GOLDEN MYTH WON GOLD CUP ASCOT

ASCOT HEATH, June 15.—Golden Myth won the Gold Cup for the race over a two and one half mile course today. Flamboyant was second and Ballyhooly third. Ten horses ran.

Annual Report of City is Out; Some Changes in Presentation; School Expenditures Are Heavy

The annual report for the city of Prince Rupert for the year 1921 has just been received at the City Hall from the printers and is now available for distribution.

The report contains the usual statistical information, the greater part of it being devoted to the auditor's statements of a general nature as well as the segregated statements for the various departments. The annual financial statements have been presented in a different form from previous years by George Rorie, city auditor, in order to present a lucid statement of the affairs of the city, its utilities and its schools.

According to the report the city's gross surplus of assets over liabilities has increased during 1921 from \$918,172.69 to \$1,032,790.68 which is mainly accounted for by the inclusion

for the year among the city's assets of its school properties amounting to \$95,694.57. In the balance sheet the values put upon the Borden Street school, Booth Memorial School and the Section 2 school are the capital expenditures thereon to date while those of the King Edward and Seal Cove schools are based on their assessment values.

The general revenue account shows a surplus on the transactions of 1921 amounting to \$13,096.70 as compared with last year's surplus of \$16,109.52.

Surplus on Utilities.

The operating account of the electric light department after meeting all charges for interest and redemption shows a surplus for the year of \$11,918.96 and the telephone department a profit on operations of \$3,634.79. The water department shows a deficit of \$1,566.17 leaving a net surplus on utilities of \$13,987.58. The surplus or deficit on each department has not this year been transferred to general account but has been carried to their respective surplus accounts in their own balance sheets.

The taxes levied for general purposes, including schools, in 1921 amounted to \$270,422.82 as compared with \$254,216.98 in 1920. The taxes levied on account of local improvement by-laws amounted to \$59,186.35 making \$329,609.17 in all as compared with \$313,403.33 in 1920. The total assessment of the city in 1921 was reduced to \$8,773,659 and the tax rate was increased to 30.82.

The net debenture debt on December 31, 1921, exclusive of \$38,584.31 held in sinking funds not yet applied, was \$1,883,685.03 as compared with \$1,723,537.73 on December 31, 1920. Debentures sold in 1921 amounted to \$342,200 and during the year installment repayments amounting to \$182,052.70 were made.

Gross Profits.

The total receipts of the light department for the year were \$96,256.25 and the expenditures \$63,225.07 leaving a gross profit on operating expenses of \$33,031.18 which when depreciation, redemption and interest charges are deducted was \$43,890.20 with net profits of \$3,634.79 and water department \$42,797.68 with operating deficit of \$1,566.17.

A table has been prepared in the report showing total general revenue in 1921 of \$305,934.26 and how it was spent with totals and percentages of expenditure for various departments as follows:

Assessor's department, \$1,465.54 or 4.9 percent.
City hall, \$14,267.84 or 4.66 percent.

Legal, \$3,036.46 or .99 percent.
City Engineering, \$8,179.11 or

DRILLING ON COPPER RIVER

Kenneth Robinson, of Vancouver Returns and Says Work Will Commence Tomorrow.

Kenneth Robinson, of Vancouver, who went to Smithers a fortnight ago to make arrangements for the operation of a diamond drill this season on the coal property of the defunct National Finance Co. on Copper River, returned from the interior last night and will go south tonight.

Mr. Robinson reports that all arrangements have been made for the drilling which, it is expected, will commence tomorrow. The Yorkshire Trust Co. of Vancouver is undertaking the work which is to be under the superintendence of Val Crockett, formerly with Boyle Bros. at Ayxo.

LIQUOR PROFIT LARGE QUEBEC

Surplus for First Operating Year Amounts to Five and Half Millions.

MONTREAL, June 15.—The plus of the Quebec liquor commission will amount for the first operating year to more than \$5,500,000 notwithstanding subscriptions to universities, grants to education and the redeeming of a million dollars on the provincial debt.

BUDGET IS MAKING HOMEBREW ILLEGAL

MONTREAL, June 15.—If one of the proposed budget amendments is approved by the House of Commons, home brew will be illegal in Canada, none but licensed brewers being permitted to brew beer and thousands of beer licenses issued to individuals will be voided.

Experts Will Examine School.

Two experts have been appointed to examine the school, one by the city and the other by the Provincial Government. They will go over the work and report to the city and to the Provincial Government with a view to finding the best method of putting the building in shape for the use of the city.

It would be out of place to make any suggestions now, but it is to be hoped the building will be prepared for occupation at the opening of the new term. The pupils have suffered enough already from the disturbed condition and it will be a thousand pities if the work of next year is to be broken into.

Assuming that the trouble is not very serious, there should be no difficulty in having the necessary repairs made and everything ready by September 1.

Analyzing Vote On The Budget.

The press despatch published today on the budget vote seems to indicate that somebody has found something new in the relative strength of the parties. If the Liberals have a majority over all, it is even better than we thought. Instead of indicating weakness in the Government it indicates strength. The probability is that before next year there will have been by-elections which will have gone with the Government and the strength of the Government increased. At any rate as long as there are a number of Progressives in sympathy with the views of the Government there is little danger of a defeat in the House.

Some of the Progressives were elected to Parliament by the Liberals of their constituencies. Take Comox-Alberni as an example. Mayor Marchant of Victoria was first nominated at a Liberal convention. Then the Liberals and Progressives united and Mr. Marchant was withdrawn, a local man in the person of Mr. Neill was chosen to represent both. This he is doing in the House. He was elected by Liberals to oppose Mr. Clements, the Conservative, and he is now voting accordingly.

Longer Terms For Municipal Councils.

Hon. A. M. Manson suggested the possibility of longer terms for members of municipal councils, the idea being to always have in the council some men who are familiar with the work and who would tend to make the policy continuous. The difficulty today is that the official life of the members is short and the policy is apt to be disjointed and carried out without that intimate knowledge which is necessary for the best government. The school boards have a two year term and it is quite possible a two year term would be beneficial in the city councils.

Life a Labor For The Editor.

Those who believe in the influence of mind on mind, thought transference and psychological influences will be interested to know of a dream the editor had last night. The lights had gone dim and the book had fallen from his hand when he thought he saw a multitude of men and women flocking down Third Avenue in the direction of the Daily News office. From every direction they came and there were boys and girls among them. They bore in their hands scraps of paper and all stopped at the Daily News office and presented their petition.

The editor went forth and received the petitions and gathered them into a huge basket and as the crowd remained and refused to leave until he had read the petitions he opened one of the slips of paper and on it was the usual form of request asking that in future, from now on henceforth and notwithstanding he refuse absolutely, firmly, plainly and unequivocally to publish any more letters from Captain Hoomes K. Freeman on the subject of liberty, taxes and related subjects.

The crowd remained and demanded an answer to their request and, being sleep and anxious to renew his slumbers, the editor promised faithfully and well that their request should be granted.

It was a dream, but, being of a superstitious nature, the editor has renewed the pledge in his waking hours.

CAPTAIN GRIFFITHS
ON YACHT SUEJA IS
RETURNING SOUTH

Captain Griffiths, of Seattle, head of the Coastwise Shipping Co. and also commodore of the Seattle yacht club, was in port yesterday morning on his yacht, Sueja, returning south after having spent a month cruising in northern waters. The captain spent a week in the Portland Canal and visited Stewart and Anwoy and then skirted around the southeastern Alaska coast going as far north as Juneau. The Sueja cleared from here southbound yesterday afternoon at 2 o'clock.

Captain Griffiths, whose company operates several steamers carrying ore for the Granby Co., stated that negotiations were under way for the changing of the steamer Griffco to Canadian registry in order that she may enter Canadian business.

FIRES AT TERRACE DID MUCH DAMAGE

T. TURNER OF LAKELSE LOST HIS HOUSE AND OTHERS LOST BUILDINGS

TERRACE, June 15.—For some time fires have been raging on all sides of Terrace. A number of bridges, and several buildings have been burned. Mr. Parker, of Lakelse, lost his barn in which were stored numerous curios collected during extensive travelling. Mr. T. Turner of Lakelse lost his house, and Mr. Van Meter lost several buildings, among them his tool house, on the hill north of town.

BIG OPERATIONS ON Q.C. ISLANDS

F. H. Buckley Says Will Employ
From 700 to 1000 Men on Islands.

Anything from 700 to 1000 men will be employed at the Queen Charlotte Islands, according to F. H. Buckley, organizer of the new corporation that has taken over the Bulkley mill and adjoining timber limits. In an interview given the Vancouver Province Mr. Buckley says British Columbia will benefit greatly from the \$10,000,000 amalgamation of the Massett Timber Company Limited with the Puget Sound Box Company and the Western Marine Supply Company, a subsidiary of the Los Angeles Drydock and Shipbuilding Company.

The amalgamation calls for the cutting of huge quantities of timber in the Queen Charlotte Islands and its shipment to Los Angeles in a semi-rough state to be manufactured into boxes and dressed lumber.

EMPLOY MOST HERE.

While the timbers will receive their dressing in the south, the bulk of the work will be done in this province by British Columbia labor. Mr. Buckley points out, between 700 and 1000 men will be engaged in lumbering operations, while the Los Angeles plant will employ only about 150 men. The men for the Massett Company's plant will be engaged in Vancouver shortly.

It was at one time thought that it would be possible to locate the box-making plant here, but experiments proved that it is impossible to do away entirely with the absorption of moisture during the haul to the south, where they are to be used. It was found that even when the boxes were kiln-dried they took up moisture to such an extent during the trip south that they split badly when the dry California climate was reached. It was decided therefore, to manufacture the boxes in the climate in which they will eventually be used.

LEAVES FOR EAST.

Mr. Buckley shortly leaves for the East to purchase additional machinery for the enlargements which will be made to the Los Angeles plant of the Western Marine Supply Company to handle the forest products of this province under the new scheme.

BETTER MAIL SERVICE FOR PEACE RIVER HAS BEEN INAUGURATED

EDMONTON, June 15.—An open mail car for the Edmonton, Dunvegan and British Columbia Railway commences operation today. For the past eight years if a letter was sent from any of the northern towns for transmission to the next locality it had to come to Edmonton before it could be redirected to its destination. Should the train run in ten hours or more late, as was often the case in the winter, as much as ten days would elapse between the mailing of a letter and its delivery.

The facility has been authorized since November, 1921, but owing to lack of rolling stock the G. P. R. were not able to place it in service prior to this. It will operate as far as Spirit River for the present, but the citizens of Grande Prairie are agitating for an extension of the service to that town. At present Grande Prairie, Clairmount and Peace River take the bulk of the mail matter conveyed over the road.

POLITICAL CAMPAIGN
MANITOBA FULL SWING

Government Still Conducting Affairs of Country Until Election is Held.

WINNIPEG, June 15.—While the Manitoba Government has not yet resigned office and is holding on at the special request of the Lieutenant-Governor supported by the opposition leaders, preparations are being made for a big contest and candidates are being nominated by all parties.

The general wish seems to be that whatever may be the outcome of the contest, the party that gets a majority shall have it clear of all other parties so that they may feel themselves free to go ahead with necessary legislation without being held up at every turn.

AERIAL MAIL TO THE YUKON

That is the proposal of the Post Office Department but Not immediately.

OTTAWA, June 15.—The post master general has under consideration a proposal to establish an aerial service to the Yukon, but he did not hold out much hope of it being put into effect immediately. He made this statement in reply to a plea by Dr. Black who represents that district for a better winter mail service. Hon. Charles Murphy promised also to take Dr. Black's request into consideration.

Preference for C. N. R.

This statement was made by Mr. Murphy during the discussion of a vote of \$28,830,000 for the post office department. At the outset of the discussion, Hon. H. H. Stevens urged the postmaster general to investigate the handling of the mails with a view to giving the national railways a preference.

Mr. Murphy said that an inspector of the department was going to make a tour of the country during the coming summer with the object of seeing what improvements could be made. The Canadian National be given a preference wherever possible with a due regard for economy.

LOST INCORPORATION OF LOCAL BOAT CLUB

Manager McRae is Surprised to Receive Notice of Proposed Cancellation.

For some time past the incorporation of the local boat club has been discussed and Manager Alex. McRae has been investigating with a view to putting the concern on a more legal footing. What was his surprise then recently to receive a notice from Victoria telling him an dthe club that if they did not make their regular annual report the incorporation of the club would be cancelled.

No one seems to have known the club was incorporated. The present officers knew nothing about it and, so far as could be ascertained, the members were equally ignorant.

It is probable the old charter will be revived and the club placed in good legal standing. Mr. McRae is taking the matter up with the Attorney-General's department.

BOLSHEVIST SENT BACK TO RUSSIA

Alaska Does Not Want Man Who Will Not Work For Living

JUNEAU, June 14.—Fred Korenwas, self-confessed Bolshevik, was taken south on the Jefferson by Immigration Inspector C. M. Lutze for deportation to Russia. He will be placed on the Victoria on its first sailing from Seattle for Nome, where he will be turned over to the United States Marshal, who has instructions to deport him to Siberia.

Korenwas was arrested here several weeks ago on the complaint of local restaurant proprietors for refusing to pay for his meals. He would enter a restaurant, order and obtain food and then tell the owner that he had no money but that the government had lots of it and would pay the bill. He admitted in N. H. Castle, of the Bureau of Investigation, who in-

vestigated Korenwas' record and history in this country, that he was an I. W. W. and a Bolshevik, and flatly declined to work when it was offered him.

Korenwas is a native of Russia. He was exiled to Siberia by the Romanoff government and succeeded in escaping to the United States. He has been in confinement in the local Federal jail since his examination several weeks ago and is being deported as an undesirable.

PREPARING TO START LADIES' BRANCH OF LOYAL ORANGE LODGE

Star of the North Lodge No. 452
Loyal Orange Benevolent Association, to Be Instituted Tonight.

Mrs. Lemon, 657 Fifth Avenue East, entertained informally last evening in honor of Mrs. J. J. Tulk, of Vancouver, who is in the city to institute the new ladies' lodge of the Loyal Orange Benevolent Association, Star of the North Lodge No. 452. Officers were proposed and the work of the order was explained by Mrs. Tulk and given discussion by the prospective members. Mrs. Tulk said that she was very proud to have the honor of instituting this lodge which was the furthest north in Canada. She had also instituted the first lodge in Newfoundland and many between the Atlantic and Pacific coasts.

Refreshments were served and Mrs. Lemon was assisted by other members generally. Seven ladies and nine gentlemen attended.

Tonight the formal instituting ceremonies of the local lodge will take place in the Metropole Hall. Mrs. Tulk will return to Vancouver on the Prince George at midnight.

HORSE RACING AND BETTING

Matters Discussed by Victoria Aldermen Before Deciding to Refuse It.

VICTORIA, June 15.—The people of Victoria do not object to horse racing but they do object to the pari-mutuel system of betting, the only system legalized by the Government of Canada. In turning down a proposal for horse racing at the Willows track the matter was argued at length. The mayor was away but in spite of that the proposal to allow it was refused.

Ald. Todd moved a resolution that they should allow racing only if they were guaranteed \$10,000 and five per cent of the proceeds. It was pointed out that at the meet last year \$1,400,000 passed through the machine but the men who wanted the race declared that 90 per cent of the money came from outside the city.

The advocates of the race expressed disgust at what they considered the puritanical attitude of the others and the anti-said they might as well have gambling on every street corner if they were to allow it at the race track.

Alderman Sangster said it was just as much right to allow betting at the races as to sell the people "rotgut" from which the city benefited. Neither side gave way and the vote at the close stood five to five so the motion was declared lost, it having failed to secure a majority.

The increase is accounted for in the larger volume and value of copper ore exported last month.

Shipments of 7,969,538 pounds valued at \$1,040,854 being made as compared to 4,216,920 pounds valued at \$534,790 during May last year. The only other item showing increase was furs, last month's shipments being valued at \$28,455, as compared to \$10,800 for the same month in 1921. Salmon shipments showed a marked decrease, falling off from \$215,056 to \$139,239 in valuation.

It is understood that arrangements have been closed whereby the Ketchikan baseball club will visit Anyox on July 4 with a return match at Ketchikan on July 4. Ketchikan was invited to visit Anyox for the series some time ago but the former club withheld its reply until it was ascertained if they were wanted for the usual July series with Prince Rupert. When it was definitely learned that the Alaskans could not be received here this year, the Anyox invitation was accepted. Difficulty of financing and the fact that Prince Rupert has not as good a team as usual this year are the principal reasons for not having the Ketchikan series.

The Sons of Canada are out to give the Knights of Columbus a trimming in tonight's Senior Baseball League and tie the standing up somewhat. There is going to be some tightening down in the ranks of the Canucks it is reported, and they are determined to put themselves on the percentage list even if it is with a humble .333. That the Sons are capable of better performance than they have put up so far in the Senior League contests is generally believed.

The Scotchmen, it is said, are preparing to put their best talent in the field for the preliminary Dominion Day Cup meeting with the Sons of England next week and hopes are being entertained for a Scottish victory. Their chances for the league are

acquired at a cost of \$310,000 so that the price for the 35 acres would be relatively much smaller.

The scheme is favored by city officials.

EDMONTON IS TAKING STEPS TO EXTEND ITS MUNICIPAL GOLF LINKS

EDMONTON, June 15.—Council is to be asked to approve of the city taking an option of purchase upon the .35 acres of the brickfield and market garden west of the municipal golf links at Victoria Park.

This would provide for the extension of the golf course that has been asked for so often.

The price set is \$27,500, and a portion of this would go as a set-off to some \$9,000 arrears of taxes. The option, however, is for five years and during this time the city is asked to pay the interest on the tax arrears, also the current taxes but there is a revenue of \$600 from the market garden that the city would collect.

and fans are awaiting expectantly for the tide to turn tonight giving an extra quota of interest and enthusiasm to the race for the Nickerson Shield. If the Knights go ahead with their winning streak, they will have a pretty safe lead in the series and the Sons will be that much more established in the basement. With all due respect to last year's Red Sox, some of whom are holding down places in the Sons of Canada team this year, the Canucks do not fancy being treated as was the third team last year.

Some of the Scots may bemoan their luck and their casualty list in the Senior League football league but it is the general opinion that bad luck may not be entirely to blame for the fact that the Calfies are now occupying the cellar position in the league standing. Their team is in need of some rejuvenation. That much is clear from events that have transpired this season and to a lesser degree in the past few years.

The Scotchmen, it is said, are preparing to put their best talent in the field for the preliminary Dominion Day Cup meeting with the Sons of England next week and hopes are being entertained for a Scottish victory. Their chances for the league are

out of the question now so concentration is apparently to be made on the cup tie series.

grounds and there was a fair crowd in attendance to see it. Jack Kelly and Sid Anderson pitched for the Tims and Barney Lundquist caught while Harold Davidson and George Edgar made up the Scouts' battery. Sidney Bazzet-Jones was umpire of balls and strikes and Ralph Smith, bases.

ECONOMY LAUNDRY SERVICE

Our new process, "washing by the pound," is becoming decidedly popular with those who are quick to recognize good value for their money.

The main features of this service briefly are:

1. Economy, a decided saving, particularly on the smaller articles of the family wash.

2. Each bundle handled individually.

3. All flat pieces ironed and folded in the usual manner.

4. Most pieces ready to wear or use when returned.

5. No marking of any kind.

6. Two day service.

We solicit a trial order.

BIG SCHOOL EXHIBIT AT THIS YEAR'S FAIR

H. L. Campbell, in General Charge, Has His Arrangements all Under Way

There is going to be a bigger and better school exhibit at this year's exhibition than ever reports J. F. Venables, fair manager. H. L. Campbell, superintendent of schools, has been appointed to supervise the work of preparing it and he is already lining up displays which will be representative of all the schools in the city—including public schools, convent and high school. The prize list is being revised and the method of display is also to be improved upon.

During the holidays Mr. Campbell will give special attention to the arranging and classification of the exhibits, many of which will be assembled before the present term closes.

ACTIVE PROGRAM OF DEVELOPMENT TO BE PURSUED THIS YEAR

SIMIERS, June 15.—It is announced that an active program of development work is to be carried out this year on the Aldrich mine on Hudson's Bay Mountain which was recently bonded by Seattle interests, represented here by J. R. Turner. A compressor is being put on the property.
