Silly Objection

To Local Director.

The Vancouver Sun is assuming the role of a village newspaper in its criticism of the appointment of Fred Dawson to the position of director of the Canadian National Railways. If there are a quarter of a million people living in that city, the fact should add dignity to its newspaper and not tempt them to displays of childish temper.

We take no exception to the suggestion that our population is smaller than Vancouver but we do take exception to the suggestion that a large population is likelier to develop a man of the proper calibre for a big job. History suggests the opposite. There is no man in Vancouver better fitted for the position than Mr. Dawson and the Sun knows it.

Again the Sun claims that the Vancouver branch of the Canadian National brings in fifty times more revenue than does the main line to Prince Rupert. To this we take exception. While no figures are available just now, it is well known that the travel this way has been greater all summer than the travel to Vancouver, and that in addition to the immense express business done from this port and from places in the interior. As a matter of fact the attempt to stifle this port and to carry all the business to Vancouver was a failure for in spite of the handicaps, the people still came this way.

Vancouver Will Get A Square Deal.

In anything the new board of directors does it will undoubtedly give Vancouver a square deal. What it will not do is try to stifle any other place for the benefit of the big port.

We all like Vancouver and we all visit the city occasionally, and Prince Rupert people spend a lot of money there. The development of Prince Rupert is good for Vancouver, but there are some small minds in the big city that cannot see far enough to visualize the fact. However, it is good to know that they are not all that way.

All that Prince Rupert has ever asked has been that it should get a fair deal and no favors. That it expects in future.

Always Knocking This City.

The Vancouver Sun seeks readers in this city. Only recently it had a canvasser here during the fair week. Yet that paper goes out of its way often to try to injure us. It constantly, in season and out, objected to our getting the new government buildings and misrepresented the cost stating it as \$600,000 instead of \$400,000. Such action as that will be resented. The people of Prince Rupert are long suffering and are not thin skinned, but they will not continue to support any newspaper that is always knocking them and their institutions.

Will Be Given Banquet Tonight.

Fred Dawson will be given an idea of what the local people think of his appointment when he is their guest tonight at a banquet in the St. Regis Cafe. Unfortunately the accommodation of the dining room is not sufficient to allow of a very large crowd being present but what it lacks in numbers will be made up in enthusiasm. Anyone wishing tickets for the event should act quickly. While the event is under the auspices of the board of trade it will, so far as possible, be open to all citizens who wish to attend.

Labor Represented On Railway Board.

Labor organizations will doubtless feel pleased that labor has been represented on the board of directors of the Canadian National Railways. Tom Moore is a well known and trusted leader and one who will exert a good influence at the railway board. His presence there will be welcomed by businessmen as well as labor men for the idea of capital and labor getting together is gaining ground everywhere. Co-operation rather than class conscious enmity is what is desired.

DRUG CENTRE AT VANCOUVER

Janey Canuck Comes Back at Chief Anderson in Interview at Toronto

In connection with an interview given the Daily News on Thursday by W. E. Staneland, police commissioner of Victoria, in which he said the headquarters of the drug ring had shifted from Chicago to Vancouver, it seems that Police Magistrate Emily Murphy of Edmonton, better known as Janey Canuck, had made a similar statement recently which was denied by the Vancouver chief of police. A despatch from Toronto to the Edmonton Journal just arrived here says:

Janey Canuck's Interview
 Magistrate Emily Murphy (Janey Canuck) of Edmonton, Alta., when interviewed here on Saturday concerning the despatch in which Chief of Police James Anderson, of Vancouver, is alleged to have contradicted her statements concerning the operations of the drug ring in Vancouver, and in which he stated that in 20 years the illicit drug traffic was never less, replied that the returns of the federal government for 1921 show the convictions under the Opium and Drug Act to have totalled 858, and that the Vancouver daily papers have stated there will be a marked increase for 1922.

Magistrate Murphy says she believed these figures to have been the maximum of the traffic in that city and not the minimum as suggested by Chief Anderson. It was true that the chief's predecessor, Chief McLennan, was brutally murdered while raiding an opium den, but the figures at that time gave the convictions twenty-five per cent less than this year. The magistrate claimed to have on her files in Edmonton, incontrovertible data establishing her statements, these being not only from the chief's own office but from prominent officials in provincial police circles concerning the appalling traffic and its consequent ravages in that city. The Kiwanis Club has written reports to the same effect.

Figures Never Contradicted
 The magistrate also has clippings from the Vancouver daily papers giving the number of addicts to be three thousand, irrespective of the Orientals. These figures, so far as she knows, have never been contradicted and were freely quoted last winter when all the associations in Vancouver—nearly one hundred in number, including the board of trade—took part in a prolonged and persistent campaign to arouse the public to the danger, not only in their own city, but in the whole dominion.

Mrs. Murphy says that this condition of affairs reflects no discredit on Chief Anderson or upon his men, who apparently are faithful and indefatigable officers. The conditions result largely, she said, from Vancouver being a seaport and the headquarters of the drug ring. The same conditions, according to Mrs. Murphy, apply in Montreal.
 "At any rate," said Magistrate Murphy, "in contradicting my statements Chief Anderson is not only taking an absolutely untenable position, but is denigrating a battlement which is not the Lord's."

The Statement
 The statement to which Chief of Police Anderson took exception was according to the Toronto Star, that the headquarters of the drug traffic are in Vancouver, western Canada. Conditions there are worse than in San Francisco, Seattle, Los Angeles, or other large western cities. In 1919 Vancouver had 293 convictions for drug selling or taking; in 1921, 858; and in 1922 over 1,000.

ATTENDANCE AT GAME

Official Receipts at World Series Event Yesterday.

NEW YORK, Oct. 7.—The official attendance receipts at the third game of the world baseball series was as follows:
 Attendance, 37,270.
 Receipts \$122,254.
 Players share \$62,400.54.
 Clubs share, \$20,800.18.
 Commissioner's share, \$18,253.10.

GOOD PROGRESS WITH NEW G.W.V.A. BLOCK

Club Rooms to be Removed to Upstairs Part When Completed

Excellent progress is being made with the permanent steel and concrete three floor addition to the G.W.V.A. headquarters on Third Avenue. The cement and steel work is practically completed on the three floors. The tiling was commenced on the exterior on Monday and the plastering and finishing of the floors will be commenced as soon as weather permits.

The upper floors of the new building will be used as club rooms to accommodate the members of the G.W.V.A. and the ground floor with room for two stores, will be rented. The billiard room, bath and library will be situated on the second floor. The completion of the third floor will be undertaken at a future date.

N.P.I. CLASSES ARE WELL UNDER WAY

Three Classes Opened Last Night with Good Attendance.

The gas engineering class held at the King Edward school last night was well attended. The students took much interest in the lecture on this subject by H. D. Robinson who is in charge of this class for the Polytechnic.

The elementary dressmaking class under Miss Hudson, held last night in the Booth School, proved very successful and quite a number of ladies took advantage of the privilege to learn something of this art in needlework.

Nine students were in attendance last night at the typewriting and shorthand class under Miss E. M. Earl, and all available typewriters were in use. If the number of students in this subject increases it will be necessary to divide the time between the shorthand and typewriting section to enable each student the use of a typewriter.

PRESENTATION MADE TO MRS. ROBERSON BY GIRL GUIDES

Who is Leaving City. Captain of Local Organization

Mrs. H. L. Roberson, captain of the local Girl Guides and Brownies, who is leaving for Victoria on Sunday night to take up permanent residence, was the recipient of a set of steel knives at the regular meeting of the Girl Guides held in the Anglican church on Thursday night. The presentation was made by Miss Margaret Palmer on behalf of the Girl Guides and Brownies.

Mrs. Roberson has been very active in the Girl Guide movement during her residence in the city and took charge of the Girl Guide and Brownie camp on Porcher Island during the past summer, which proved to be one of the most successful girl camping ventures ever held locally.

Her presence will be sadly missed not only by her girl charges but by a wide circle of friends in the city.

Ten Years Ago in Prince Rupert

L. C. Machen, manager of the Prince Rupert Hardware Co. Ltd., was a passenger on the Prince Rupert this morning on a visit to the lower coast cities. Mr. Machen who will only be away about two weeks, is going on business connected with his company.

The weather report at 5 a.m. this morning read: Barometer 29.869; maximum temperature, 54; minimum temperature, 50; precipitation 1.07 inches.

Mr. and Mrs. A. J. Morris left on the boat this morning for California where they will make an extended visit. Mr. Morris has not been feeling very well lately and the trip to the south is for his health.

Bishop Stringer, of the Yukon territory, with headquarters at Dawson City, passed through Prince Rupert yesterday on the Princess Sophia on his way to Victoria.

Costs Less Per Winter of Wear

COLD weather we have. Coal we may not have. Conserve coal by keeping the body warm.

The knitted wool and tailored garments of Stanfield's Unshrinkable Underwear are your best protection against the cold.

These unshrinkable wool garments are delightfully soft, and so strong and durable that Stanfield's actually costs less per year of wear than the cheaper, less comfortable kinds.

Made in combinations and two-piece suits, in full length, knee and elbow length, and sleeveless, for Men and Women. Stanfield's Adjustable Combinations and sleepers for growing children (Patented). Sample Book, showing weights and textures, mailed free. Write for it.

TEAS AT TERRACE

Mrs. Sundal Was Hostess on Consecutive Days This Week

TERRACE, Oct. 7.—Mrs. Sundal was hostess at a couple of delightful teas on Thursday and Friday.

On Thursday Mrs. Geo. Little presided at the tea table which was prettily decorated with autumn flowers. She was assisted by Mrs. Ed. Kenney and Mrs. H. Chandler. Among those present were the Mesdames Aldous, Bishop, Cole, Dover, Chandler, Warren, Little, Kenney, Marsh, White, F. Hatt and M. Hall, Ross, McKinnon, Olson, Von Hees, Moore, H. Kenney and Miss Cousin.

On Friday Mrs. Geo. Keith was in charge of the tea table and was assisted by Mrs. McKinnon and Miss Kerr.

Among those present were the Mesdames Keith, Gilbert, Munro, Brewer, Brooks, Bleaker, Grieg, Fowler, Kirkpatrick, Donaghy, Parsons, H. Little, Barker, Gordon and Smith, and the Misses Donald, Kerr and Fowler.

ACTIVITIES OF ANYOX LEAGUE

Entertainments for Smelter Town Form Chief Subjects for Discussion

ANYOX, Oct. 7. — A council meeting of the Anyox Community League was held in the recreation hall on Wednesday night last.

The business embodied the questions of a smoking concert, humorous talks, a raise in salaries for employees of the league, the erection of a skating rink at the beach, and the formation of a program of coming events in Anyox.

Secretary Kelly announced that the new gymnasium for the beach had been commenced. The new building is to be erected in the space occupied by the second cottage from No. 2 power house.

Chairman Seideman, of the recreation department, intimated that a smoking concert would be held in the Recreation Hall on Oct. 13, but did not expect that the medals for the 1922 sports would be ready for presentation on that date although he expected to receive them in the near future.

Councillor Murdoch asked if the League employees were to receive an increase in wages, now that the workmen throughout the camp were receiving an increase.

Councillor Murdoch reminded the council that there was a clause in the agreement between the Granby Co. and the league to the effect that when wages changed in the camp the salaries of the league employees were to conform to these changes.

Councillor Armour again brought up the question of a program of events, which could be printed and distributed along with the Granby News.

BRINGING UP FATHER

JUST A FEW DAYS TO CLOSE COMPETITION

Verses Still Come in But Must Come Quick to Be Admitted.

Only a few days longer and the limerick competition will close. Then will come the difficult matter of judging which will likely take a few days.

Sport Chat

"Get the young boys to play" was one of the notes sounded at the banquet of the Sons of Canada Thursday night. Most of the pupils attending the schools are Sons of Canada and the teachers are all Canadians, hence the interest taken in them by this organization.

Much interest is being taken in the Grossett cup put up by Reg Grossett for the consolation award in the Lacrosse League. It is understood it is to be a perpetual trophy and is at present in the hands of the Elks, having been won by them during the past season. Harry Lipsell is sponsor.

It is customary to put a new trophy on exhibition in the window of some merchant. The Grossett Cup has not yet been shown to the public. As Harry says, "It's a great mug" and for that reason should be exhibited.

"Good, clean sport" is a common expression and most players profess to admire it. That is what everybody wants to see always.

Grass hockey for girls would be all right but the Acropolis Hill is just a little rough for the sport. The danger would be from landing a small rock instead of a ball.

Just one game remains to be played if grass hockey is adopted. What is needed next is a nine hole golf course for Hughie Scott and Major Gibson.

TERRACE NOTES

G. V. Evitt of Prince Rupert spent the week end in town.

Fred Nash has returned from the Islands where he has been for the past few weeks.

The Women's Auxiliary of the Anglican church met in the dining room of the Terrace Hotel on Wednesday. Mrs. Gordon and Mrs. Smith were hostesses.

RULES OF CHESS ARE BOLSHEVIST NEGATION

Dr. Graham Little, Vice-President, Imperial Chess Club, laments the relative decay of chess playing among cultured Englishmen. All patriotically-minded persons, he says, must deplore this. Chess is more than a pastime; it is a discipline. Dr. Graham Little insists. He asserts, in *The Times*:

The rules of chess offer the very negation of Bolshevism, the fullest assertion of sound democratic principles. It is futile for a pawn to pretend to be a queen. Let the pawn become a queen by honest toil. And the player who follows Moscow methods and upsets the board loses the game outright and the esteem of all on-lookers as well. The weak player can sit down contentedly with the stronger and remain unchagrined by defeat, while he incidentally learns that precious lesson, so difficult to learn, the ability to recognize one's own limitation. The stubborn Briton who refuses to know when he is beaten can encourage that useful stubbornness. In the face of odds he can play for a draw—the consolation prize which chess offers to the stout-hearted in difficulties—and not infrequently achieve it. And how restful is the silence of the chess room after the prattling babble of the bridge table!

LOCAL NEWS NOTES

BUILDING PERMITS

Alterations and Improvements to be Made to Several Premises

At the weekly meeting of the city building commission held in the council chamber last night the following permits were granted:

To G. J. Moody for alterations to staircase at back of the Empress Theatre, provided the fire regulations and the city sanitary regulations are complied with. The contract has not yet been placed.

A permit was granted to A. Bianco and F. Laza for alterations to restaurant on Third Ave. at a cost of \$645.00. J. L. Blain has the contract for the work.

A. Prudholme and Mrs. Fisher were granted a permit for the shingling of the Savoy Hotel at a cost of \$350. The contract has been let to J. L. Blain.

Mrs. B. Curtin was granted a permit for alterations to her residence on Borden Street at a cost of \$600. The contract has been let to H. McEachern.

A permit to install a tank under the side walk and a gas pump opposite a garage on Fraser Street was granted to D. Ross, subject to a proper agreement being entered into with the city.

BOYS FOOTBALL TO BE PLAYED ON NEW GROUND

Corner of McBride and Sixth to be Utilized and Goal Posts Erected

It is understood that there is a move on hand to have goal posts erected on the small recreation ground at the corner of McBride and Sixth Avenue so that the youngsters may play football during the winter without having to go all the way to Acropolis Hill. If the ground is big enough for the purpose this should prove a good suggestion. Coach James Mitchell is getting the little lads in trim and there should be many a well contested football game between school teams at the new ground.
