BIG STRIKE IS AVERTED IN ENGLAND

MANCHESTER, England, Oct. 25:—A threatened strike of 160,000 Lancashire cotton spinners was averted in a dramatic midnight climax to wage negotiations when the spinners agreed to accept pay reductions of from five to eight percent.

point to a plan involving assistance from "outside." With the assistance of the Royal Canadian Mounted Police, Brigadier General Ormond is checking up on the movements of a man who was in New York State recently and who visited Kingston. Nothing which has been revealed has shown that any of the eight Communists who are serving sentences in the penitentiary on unlawful assembly charges were especially involved in the riots.

It was revealed definitely yesterday that, during a third disturbance on Saturday, a tea gas bomb was thrown in order to quell the prisoners.

Leave of absence has been granted to Inspector Smith, who was acting warden, and the deputy warden, both of whom are "fagged out" after nine days of continuous duty.

TRADING SLUGGISH

Stock Market Nearly Paralyzed—Slight Gains Recorded

NEW YORK, Oct. 25:—The stock market was in the throes of near-paralysis yesterday when only 600,000 shares changed hands. After an early decline, issues advanced laboriously and closed with slight gains for the day. The industrial average closed at 61.03, up 18-100; rails closed at an average of 27.33, up 7-100, and utilities closed at 27.07, up 13-100. The bond average closed at 79.52, off 17-100.

British House Gives Approval on First Reading to Ottawa Trade Arrangements

LONDON, Oct. 25:—The Ottawa Agreements Bill, based on numerous financial and tariff resolutions which have engaged the House of Commons during the past week, was given its first reading last night.

A move to strike out the wheat preference of two shillings per bushel was defeated on a division of 230 to 68.

HOOVER TO COME WEST

Republican Campaign Headquarters Considering Transcontinental Dash for President

WASHINGTON, D.C., Oct. 25:—In the endeavor to offset the wave of favor for the cause of Governor Franklin D. Roosevelt, Democratic candidate for president, which appears to be sweeping the country, President Herbert Hoover may wind up the campaign with a transcontinental dash terminating in California, the home state of the chief executive, which, even itself, is reported in danger of turning Democratic.

The itinerary which is under consideration for the president would include stops at Chicago, Indianapolis, Minneapolis, St. Louis, Kansas City, Denver, Salt Lake City and San Francisco at each of which cities addresses would be given. Under the plan, Mr. Hoover would be at his home at Palo Alto on election day.

TO TRY OUT SCRIP PLAN

City Council to Give New System of Relief Disbursements One Month's Trial

After being informed by the finance committee that the cost of printing the tokens would be approximately between \$16 and \$20 per month and that it was not believed there would be any extensive additional administrative work involved at the City Hall over the present system of vouchers, the city council last night, on motion of Ald. Casey, seconded by Ald. Macdonald, decided to give the scrip system of issuing remuneration for relief work a month's trial.

The principal expected benefit from the scrip system is that the relief workers will be given the opportunity to purchase their requirements at any stores they wish and thus avail themselves of the lowest prevailing prices. Under the present system, vouchers are issued from the City Hall on certain specified stores.

The only danger that members of the council could foresee in the scrip system was that, because of lack of check, some money might go into wrong directions and abuses might develop. The suggestion was made, however, that, in the event of abuses being discovered, the guilty persons would immediately be put back on the voucher system.

After some discussion, the council unanimously agreed to give the scrip system a trial.

BOMBS ARE EXPLAINED

Tear Gas Used at Kingston to Quell Riot—Are Now Banned

KINGSTON, Ont., Oct. 25:—Authorities of Kingston Penitentiary explained late yesterday that tear gas bombs had been taken into the prison where riots broke out last week and used to quell insubordination among prisoners Saturday. Only one bomb, however, was used.

Brigadier General D. M. Ormond, superintendent of penitentiaries, who was not in the prison when the bomb exploded on Saturday, stated that he had issued orders against their further use.

PERMISSION TO APPEAL

Granted Two Finlanders Sentenced to 15 Years at Prince George For Manslaughter

VANCOUVER, Oct. 25:—Jalmar Rissamen and Eino Komo, Finns, were granted leave by Chief Justice J. A. Macdonald in the British Columbia Court of Appeal yesterday to appeal from a fifteen-year sentence imposed by Mr. Justice D. A. Macdonald for manslaughter at the Supreme Court Assizes in Prince George last spring.

The two men were charged with slaying a countryman in a quarrel over a girl following a dance in the Prince George district, being convicted on the manslaughter charge by a jury after which they were each sentenced to fifteen years' imprisonment by the presiding judge.

Lively Time About Civic Block Last Night—Windows of Main Entrance of Building Smashed—Thirteen Hundred Workless Participate

EDMONTON, Oct. 25:—Thirteen hundred unemployed single men milled about the civic block last night, smashed windows in the main door of the building and shattered the window of an automobile, the driver of which attempted to pass through their lines, and finally won an award giving them meals "until such time as the federal government takes action on their behalf." This decision was reached at a regular meeting of the city council during the course of which the demonstration was staged.

TOOK HIS OWN LIFE

Carl Lebec, Alias Charles Lee, Formerly of Prince Rupert, Dead at Atlin

Word has been received at district headquarters of the provincial police here that Carl Lebec, alias Charles Lee, 45-year old Norwegian and a former resident of Prince Rupert, committed suicide recently in a cabin at Atlin by shooting himself with a 38-calibre automatic revolver. Lebec's funeral took place at Atlin after a coroner's jury had returned a verdict that deceased had taken his own life while temporarily insane following a drinking bout in which a number of men are reported to have participated. Further investigation is proceeding.

HITS REEF GREEN ID.

United States Patrol Boat Frees Herself and is Undamaged

The United States fisheries patrol boat Elder grounded on Green Island in Chatham Sound during dense fog last night but was able to float herself from the reef without assistance and is now proceeding under her own power to Ketchikan without taking any water. The vessel reported to this effect to the United States Bureau of Fisheries at Seattle this morning after steps had been taken here to institute salvage operations.

Following the report that the Elder was ashore, Capt. Len Williams, master of the Northland Transportation Co.'s liner Northland, which was in port this morning from Ketchikan, brought word that the vessel had, apparently, refloated herself for she was afloat and hove to off Green Island when the Northland passed there following the lifting of the fog. The tide was at low slack and the Elder did not request assistance of the Northland which passed close by. The Elder was formerly the fishing vessel Idaho, being purchased by the United States government some years ago and converted into a patrol vessel. She is 70 feet long and is diesel powered.

ROOSEVELT ACCLAIMED

Democratic Candidate Gets Great Reception in "Solid South"—Speaks at Atlanta

ATLANTA, Georgia, Oct. 25.—Governor Franklin D. Roosevelt, Democratic candidate for president of the United States, is being accorded a great reception during his tour of the "Solid South." That there is no danger of defection from the Democratic cause in this part of the country is conceded.

Last night Governor Roosevelt addressed a wildly enthusiastic audience in this city's largest assembly place. Declaring that, even during hard times, it was possible to have a balanced budget, Governor Roosevelt assailed the fiscal policies of the Hoover administration. The duty of the government at such a time as this, Roosevelt declared, was, as far as possible, to cut down expenditures rather than increase taxation. This was something that the administration should have done long ere this instead of waiting until a political campaign to promise to do it.

FEAR HELD FOR SAFETY

Three Hunters Believed to Have Lost Lives in Snowstorm in Wyoming Mountains

GREEN RIVER, Wyoming, Oct. 25.—Three are believed to have perished in the Big Horn Mountains as a result of a sudden snowstorm which came up while they were hunting in the hills at the week-end. Many other hunters were lost but only the three are now unreported.

So severe was the storm that all forms of transportation and communication have been disrupted. Search operations for the three missing men are being carried out with much difficulty.

Asks Completion Of Road Leading To Fishing Floats

Ald. Casey urged at last night's meeting that steps be taken, if possible, to have the road which has been constructed along the east side of Hays Creek from Sixth Avenue to the dry dock opened out as soon as possible to the fishermen's floats, the original objective. The road, as it stood now partially completed, was quite unsatisfactory so far as reaching the floats was concerned. Ald. Casey stated, that, if it was merely a matter of having the dry dock fence moved in order to get past, he thought this should be done at once.

In addition to having to move the fence, permission to do which had been granted, Mayor Orme informed Ald. Casey that certain additional grading would also be necessary. The matter was referred to the board of works with the request that a report be brought in at the next meeting of the council.

Len Williams, arrived in port at 10 o'clock this morning from Ketefikan and, after discharging two carloads of canned salmon for transshipment East over the Canadian National Railways, sailed at 12 noon for Vancouver and Seattle. The vessel had on board some twenty-five passengers, two of whom disembarked here.

WILL CUT WORK DAY

City to Reduce Hours on Relief During Winter—More Requests Considered

It was disclosed by the board of works at last night's meeting of the city council during discussion of a list of four requests made by the central committee of the employed and unemployed labor unions in regard to conduct of relief work that the city engineer now has under consideration a scheme for shortening of the hours of work per day during the coming short winter days. The work has been carried out on the basis of eight hours per day which it is now proposed to reduce to six.

The requests of the central committee of employed and unemployed labor unions were as follows:

1. That a system of scrip in paying for relief work be instituted instead of the present voucher system.
2. That there be a six-hour working day with eight-hour pay on relief work.
3. That relief workers be no longer required to work out back relief.
4. That an adequate relief allowance be made on the basis of cost of living here as shown in the Labor Gazette.

The central committee also invited the city council to have a representative at the next meeting of the committee.

After some discussion, the communication was ordered filed on motion of Ald. Collart and Ald. Pillsbury.

Would Give More Work

While the communication had not referred to the fact, Ald. Casey felt that the present remuneration on relief work was not adequate to supply the requirements in food for a person doing heavy manual labor. He suggested, if possible, that there be a greater allowance of working time so that those working on relief might be able to purchase more food.

As for the matter of working out back time, Ald. Casey pointed out that it had been agreed last spring between the city and the unemployed that this policy would be followed. Now that many men had worked out their back time or had nearly done so, there were some who wanted to evade doing so. The request being made along these lines he considered a very unfair one. The men had agreed to work out the back time and he felt that it was an obligation which should be met.

Ald. Macdonald declared that he for one, was desirous of doing as much as he could for those working on relief. However, the resources of the city were limited according to the assistance accorded by the governments. He believed that the men should work out their back relief as they had undertaken to do. At the same time, in case of sickness in a relief worker's family or under such circumstances, he believed the city was making due allowances.

Ald. Pillsbury pointed out that not more than twelve days' work per month was being required from any relief worker. It was evident that some men had started out with the idea of beating the back relief work scheme. This was not fair to those who were willing to do their share.

Ald. Black thought that, if a six-hour working day were resorted to, possibly the men would be better able to carry on under the present scale of allowances.

It was at this point that the mayor intimated that a scheme of shortening the relief working day for the winter was under consideration.

BANQUET OF RAILWAYMEN

Athletic Association Members Meet at Festive Board, Hear Reports and Present Trophies

Happy Gathering

Speeches and Music Enjoyed—Large Turn-Out at Annual Affair

At one of the most enjoyable banquets in its history, the Canadian National Recreation Association members and guests to the number of 100, gathered at the Boston Cafe last evening to do justice to a sumptuous dinner that could not be excelled. The tables were beautifully decorated with flowers from the gardens of the members which lent an added attraction, particularly at this time of the year. All were in happy mood, and the evening was without a dull moment.

Immediately after the dinner the president, W. H. Tobey, intimated that he was calling upon His Worship Mayor C. H. Orme to present the C. H. Orme small bore rifle cup and he regretted that a city council meeting necessitated Mr. Orme's leaving at that time. Mayor Orme, in reply, expressed his regret at having to leave so soon, as it was a pleasure to be present with the C. N. R. A. family at this gathering. He complimented the association on its success during the past season and assured that its efforts were not only beneficial to themselves and their association, but that their activities had added a filip to recreational associations in the city which had endeavored to follow the lead given. Matters recreational in the city had thus received an impetus that led to friendly rivalry that was admirable. In a town of this size sport had to be created by the people themselves. H. Lincoln, in receiving the cup from the hands of the mayor, said that he hoped that the coming year would see more competition for the cup among the town associations, and that it would be in good keeping meanwhile.

The president, Mr. Tobey, in welcoming the members and guests present, expressed the pleasure it had afforded him to see such a large and representative gathering. It conveyed to him another indication, if such were necessary, that the organization was indeed in a very healthy condition. This fact, he reminded the members, was entirely due to their own efforts, as last year, being his first year as president, he had attempted to take a hand in the working of the organization in its activities, but this year he had decided to sit further back and give those in charge of the various branches of its activities an opportunity to use their initiative that was so obvious. The result tonight, he said, showed the wisdom of that decision. "We do not want an organization that is a one-man affair and, to perform at our best, each must participate. Primarily on that account I suggested that each take a part and I am glad to say that not one of those asked had refused. It is the fact that each one is willing to do what he can that makes the C. N. R. A. the success it is."

Mr. Tobey called on J. Frew, vice-president, to present the tennis trophies and awards. Mr. Frew congratulated each of the successful contestants with the cups on which their names had been engraved as well as a smaller cup similarly engraved which would be perpetual

Softball Trophies

Softball trophies were presented by J. W. McAuley. The Haines Trophy, being won by the Round House team, was accepted by Captain J. Horton and the C.N.R.A. trophy won by the Station team, received by Capt. A. Styles. Mr. McAuley complimented both captains on the high standard of the play during the season and thereby making their achievements all the more meritorious.

Horseshoe trophies were presented by A. R. Nicholls in happy vein, to the doubles to Messrs. Brass and Davis, and the singles to P. Peterson. On behalf of the C.N.R.A.

reminders of their successes. Tennis trophies were as follows:

Ladies' singles, Mrs. J. H. Horton.

Men's singles, W. B. Tobey.

Ladies' doubles, Mrs. Currie and Mrs. F. A. Rogers.

Men's doubles, J. H. Horton and W. P. McIntosh.

Mixed doubles, Mrs. F. A. Rogers and F. M. Davis.

American tournament, Mrs. Teng and F. M. Davis.

Mrs. A. Webber sang an appropriately chosen solo, "In the Garden of My Heart" and as an encore, "When Honey Sings an Old Time Song," each of which was beautifully rendered. J. A. Teng sang "The Open Road" and, as an encore, "Rose in the Bud," in a most commendable manner, followed by "The Boarding House" and "The Milk Pail" by R. E. James in his own inimitable way. Three delightful banjo solos were rendered by J. Arseneau, and several selections by C. P. Balagno and his Venetian Orchestra were played during the evening and greatly enjoyed by all present.

This was one of the most interesting addresses heard here, and it proved especially interesting to the younger members present. Although Mr. Walton expressed himself at the outset as being of the opinion that an address of this kind was scarcely appropriate to a gathering of this kind, nothing could have been more fitting as it was the highest example of a good sport, one for all and all for one.

At the conclusion, on the call of Mr. McAuley a very hearty vote of thanks was accorded the entertainers also the entertainment committee, under the chairmanship of J. Simpson, for very able manner in which they had planned and provided for the evening's enjoyment.

The president then introduced F. S. Walton, chairman of the Bowling Committee to give an address. "Some Experiences of a Prisoner in Germany," which proved to be the "piece de resistance" of the evening as the president intimated.

Mr. Walton having spent over three years in Germany as a prisoner held his audience to high pitch as he related his experiences which were both pathetic and amusing. Even in the direst circumstances and hardship he and his pals, to whom he paid glowing tribute, saw humor that saved them always from dejection. He recalled the efforts

The BEST way to stop CONSTIPATION

Nothing like Fruit-a-lives

"I was a very bad way with constipation. My stomach was off-color and I kept having headaches after breakfast. Quite frequently I had severe pains in my joints and muscles. The general effect was very depressing. Indeed, I felt so wretched that I was about to give up work. Today my health is excellent and I certainly feel that 'Fruit-a-lives' played a large part in bringing this about. They toned up my entire system."

WHAT'S NEWS TO YOU?

THRIFTINESS is a state of mind that is nearly as valuable an asset as a bank account. . . For thriftiness can always get a bank account of its own.

And it's easy to tell thrifty people from the way in which they read the newspapers — just as you can usually spot the other kind.

The great majority of men and women never put a newspaper down until they have read the important news which is directed to them through advertisements.

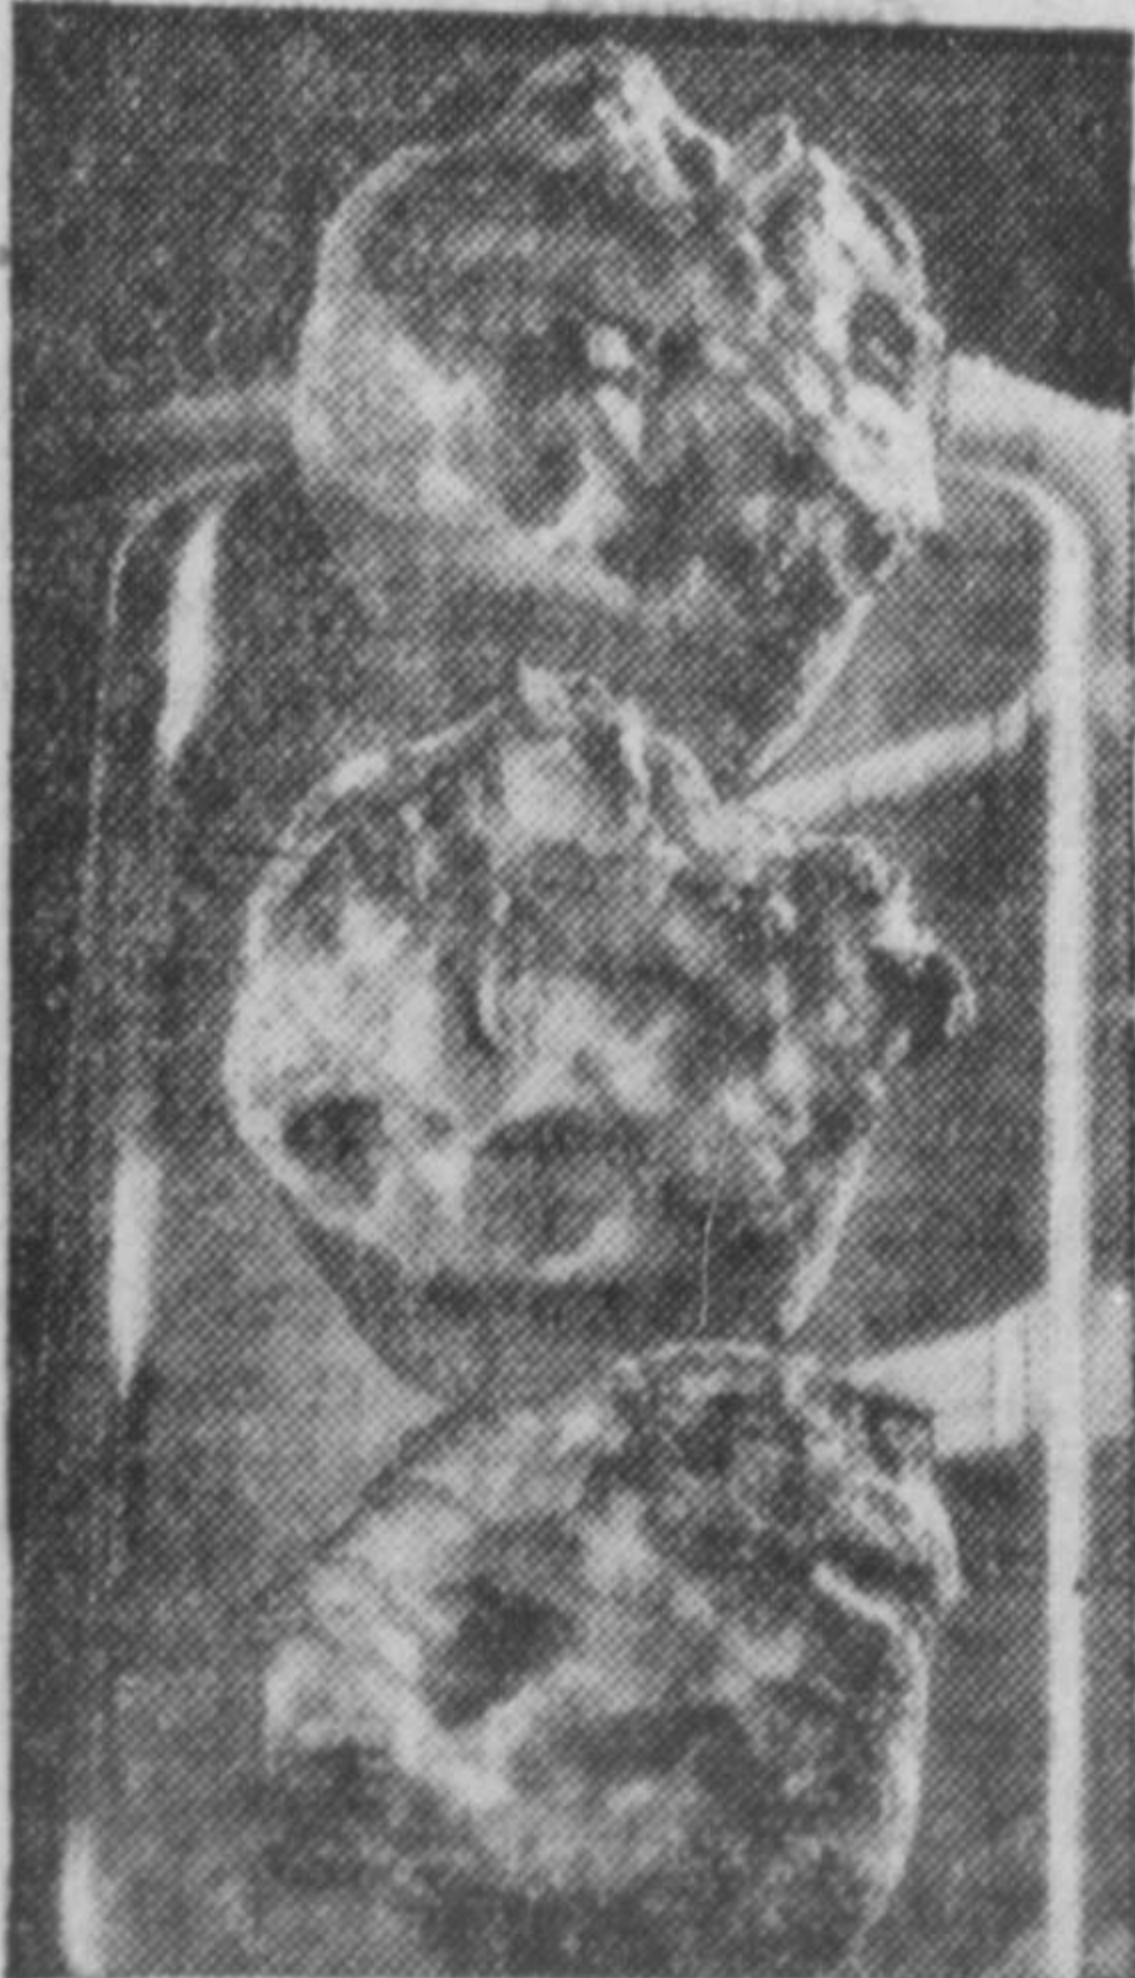

The modern woman, especially, finds the advertisements indispensable. She spends more than five-sixths of the family income. And the prosperity, happiness and health of her household frequently depend on her reading of the advertisements and on the wisdom with which she chooses everything she buys.

The advertisements bring you complete information about accepted products and new ones. Through them you can compare values . . . discover ways and means for greater household efficiency and enjoyment . . . and make sure that every dollar spent will bring its full return.

The city council last night accepted an invitation from the Canadian Legion that the mayor and aldermen join in the Armistice Day ceremonies to be conducted on November 11. No details of the day's program were given.

A recommendation from the finance committee that an application from Mrs. Fanny Leaper to purchase tax sale certificate rights in lots 3 and 4, block 30, section 6, at the upset price of \$223.39 be accepted was adopted by the city council at its meeting last night.

Garnet C. Watt, well known Yukon insurance man and brother of Government Agent Norman A. Watt of this city, arrived in town from the north on the Princess Norah yesterday afternoon and, after a visit here, will proceed to Victoria where he will spend the winter.

Norman L. Freeman, local representative of the International Fisheries Commission, gave an interesting vocational talk at the regular weekly luncheon of the Prince Rupert Gyro Club in the Boston Cafe today. President William Cruickshank was in the chair and there was a good attendance of members.

There were 125 passengers on board the steamer Princess Norah which called in port yesterday afternoon southbound from Skagway to Vancouver. This list included a large number of members of crews of Yukon River boats going south for the winter now that navigation has closed on the Yukon. Nineteen passengers disembarked from the vessel here while two went south aboard her from this port.

Ald. Casey asked the utilities committee at last night's meeting of the city council on whose authority a street light on Ninth Avenue West near Thompson Street had been recently removed from its former location near a group of houses to a less advantageous point where there were no dwellings. Ald. Macdonald, chairman of the utilities committee in reply, stated that the committee had already taken the matter up with the manager of the Northern B.C. Power Co. and it was expected it would be possible to make a report to the council at its next meeting.

Throw OFF That COLD!

Some men and women fight colds all winter long. Others enjoy the protection of Aspirin. A tablet in time, and the first symptoms of a cold get no further. If a cold has caught you unaware, keep on with Aspirin until the cold is gone. Aspirin can't harm you. It does not depress the heart. If your throat is sore, dissolve several tablets in water and gargle. You will get instant relief. There's danger in a cold that hangs on for days. To say nothing of the pain and discomfort Aspirin might have spared you! All druggists; with proven directions for colds, headaches, neuralgia, neuritis, rheumatism.

HALLOWE'EN CELEBRATED

Usk Baseball Club Staged Delightful Masquerade Dance Last Friday Night

USK, Oct. 25.—The Hallowe'en masquerade held last Friday evening by the Usk Baseball Club was well attended by enthusiastic supporters from Terrace, Copper City and other points.

The hall, artistically decorated in the proverbial black and yellow colors, with owls, black cats, witches, ghosts and goblins peering at one from any and every corner effected a genuine Hallowe'en atmosphere.

During the masked parade the following were selected as the prize winners:

Miss Betty Anderson as a young Victorian Lady.

Mrs. Roberts as an old fashioned spinster.

M. Anderson as a Scotch soldier.

J. Tennant, representing a stork with its infantile bundle, was unanimously acclaimed the most novel and original character of the evening.

At midnight a bountiful supper was served by members of the club.

The five-piece orchestra poured forth its jazz till the early hours of the morning.

Much credit for the success of the evening was due Mrs. Carl Bracken and Mr. Bracken, captain of the Baseball Team.

CITADEL IS DEDICATED

Staff Captain Acton Officiates at Opening of Kitzgucla Hall—Many Visitors

KITZGUCLA, Oct. 25.—The dedication of a fine new Salvation Army Citadel here was conducted recently by Staff Captain Joseph Acton of Wrangell, divisional commander of the Army for Northern British Columbia and the Yukon, assisted by prominent natives of the village and district. It marks a very important improvement in the community.

The proceedings commenced with a parade from the United Church to the new citadel at the door of which the dedication was conducted. After speeches by Staff Captain Acton, Chief Thomas Campbell of Hazelton, Chief Spokque of Hazelton and D. L. Wells of Kitwanga, Chief Stephen Morgan handed over the key of the new building to Sergeant Major Arthur McDames who, in turn, tendered it to Staff Captain Acton.

Before opening the door, the divisional commander dedicated the building to the worship of God. Then the congregation marched into the building, singing "Forward, Forward, Soldiers."

The service inside the building included another address by Staff Captain Acton, hymns, songs by the Kitzgucla brigade, speech by Alfred McDames, solo by James Woods, speech by Chief Giddimgald of Hazelton, solo by William Wale, speech by Capt. R. Tomlinson, speech by Ensign Parkson of Glen Vowell and speech by Capt. Mendum of Hazelton. Sergeant Major D. Williams welcomed the visitors from Kispiox, Glen Vowell, Meanskinisht, Kitwanga, Hazelton and Kitselas.

Refreshments were served by ladies of the Army Home League.

Sam Jambour, who has been on a week's trip to Anyox on insurance business, returned to the city from the smelter town on the Cardena this morning.

Enjoyable Cinderella Dance on Saturday By Sons of Norway Lodge

About forty persons were present at an enjoyable Cinderella Dance held Saturday night in the Odd-fellows' Hall by the Sons of Norway Lodge. Accordion music was furnished by Julius Welle and John Fredehim was master of ceremonies. Harry Hanson presided at the door. Dancing was in progress from 9:30 p.m. until midnight.

Staff Captain Joseph Acton, divisional commander of the Salvation Army for Northern British Columbia and the Yukon with headquarters at Wrangell, returned to the city on the Cardena this morning after paying a visit to the corps at Port Simpson. He was accompanied by Captain Ruby Steele, local commandant.

RESOLUTION IS ADOPTED

City Requests Prime Minister to Bring Silver Question Before Conference

Having been redrafted since last meeting by Mayor Orme and City Solicitor Jones and certain undesirable features of the original draft eliminated, Ald. Casey's resolution requesting Prime Minister R. B. Bennett to bring the gold and silver question before the forthcoming world economic conference was unanimously adopted by the city council last night.

The resolution expresses the belief that some fundamental reason exists for the present depression and cessation of production and employment and requests the Prime Minister to impress upon the economic conference the advisability of carefully inquiring into the relation of silver and gold in regard to monetary system and, if possible, establish a fair ratio between the two metals.

Mrs. Haakon Selfjord and child will leave on tomorrow morning's train for Halifax where they will embark November 5 aboard the steamer Gripsholm for a visit to their native home in Norway.
