KEMAL EXPECTED TO ATTACK THIS WEEK

FRANCO-BRITISH AGREEMENT REGARDING TURKEY SEEMS TO BE ASSURED

Mustapha Kemal is Preparing to Attack British at Dardanelles Been Made Dictator of Turkey

CONSTANTINOPLE, Sept. 20 (noon).—Information that Mustapha Kemal Pasha is preparing to launch an attack for possession of the Dardanelles in spite of the exhortations of General Pelle, French High Commissioner, is causing undisguised anxiety in all military circles in the capital. It is not improbable that such an attack may be made before the end of the week.

The Turks are taking advantage of the fact that the British have not concentrated all their forces.

The British are determined to hold the straits at all costs.

LONDON, Sept. 20.—Official confirmation has been received here from Constantinople that the French had withdrawn their troops from Chatak and the Italians were apparently doing the same things, the British force remaining alone at that point.

CONSTANTINOPLE, Sept. 20.—The Turkish national assembly at Angora by an overwhelming majority has extended the dictatorship to Mustapha Kemal Pasha and has authorized him to continue the war until all the conditions prescribed in the national pact have been fully achieved.

SMYRNA FIRE IMMENSE LOSS

Sixty Million of the Estimated Hundred and Fifty Millions Covered by Insurance

LONDON, Sept. 20.—British and United States insurance experts place the loss from the Smyrna fire at \$150,000,000, of which \$60,000,000 is covered by insurance. British underwriting companies are the chief losers.

OPTIMISM IS FELT AT OTTAWA

No Cabinet Meeting Today But Members of Government Remain in Town

OTTAWA, Sept. 20.—Optimism prevails here in regard to the far eastern situation. So far no meeting of the cabinet has been called for today and this fact coupled with the more reassuring news from Europe is taken to imply that the tension has been relieved and the crisis passed.

The members of the cabinet who attended the meetings of the last two days are in town, however, and may be summoned together at a moment's notice should word necessitating such a course be received from Great Britain.

BOOTH SCHOOL REPAIRS WILL COST \$21,000

School Board Received Information to This Effect Last Night.

That the cost of reconditioning the Booth Memorial School will reach to at least \$21,000 was indicated in information received by the school board at its regular monthly meeting last night. Secretary Vance estimated that accounts and payments so far had reached \$15,000 and Architect Jeffers stated that about \$6,000 would yet be required. These figures are exclusive of the installing of fire escapes which will cost a little over \$2,500. Mr. Jeffers expects that the school will be ready for occupation about October 15.

Mr. Jeffers explained that it had been found necessary to do more work than had been expected. More brickwork had had to be taken down than was anticipated. Dr. Kerzin expressed his approval of the extra work that had been done.

E. H. Shockley laid a complaint before the board regarding the purchase of some sashings. An order had been placed with another local firm which had sent to Vancouver for the material. He might have been able to supply it but was not given the opportunity. Mr. Jeffers stated that the order had been a small one and that he did not think Mr. Shockley would have been able to fill it. Orders for material were always placed where it was thought they could be handled best. The school board impressed on Mr. Jeffers the desirability of calling for local tenders wherever possible for materials.

Says Turks will Take Constantinople and All Asia Minor: Bold Talk

PARIS, Sept. 20.—Admid Ferid Bey, spokesman for the Turkish Government, said he expects the British troops will shortly retire from the Asiatic side of the Dardanelles and the British will meet the Turks in discussion of the claims to Asia Minor and Constantinople.

Ferid said the Turks will let the Dardanelles be administered by a neutral commission in which Turkey must have an equal say, but the Turks will take Asia Minor and Constantinople and will not be responsible for the results if the British oppose them.

MINING SUIT SECURE TITLE

Litigation in Vancouver Over Cassiar Properties—Option Secured.

VANCOUVER, Sept. 20.—A suit was begun here today by Robert W. Wiley of Portland, Oregon to compel Richard Kennedy of Haines, Alaska; Marlin Conway of Skagway; J. W. Burnham of Gastonbury, Conn.; and J. A. Fraser of Alton, B. C. to deliver to Wiley a title to mining properties in the Cassiar district of British Columbia.

Mr. Wiley claims he paid an option on the claims and invested up to \$110,000 in them. They are gold and silver properties said to be worth \$500,000.

Owing to the death of Patrick Kennedy, one of the original owners, there has been some difficulty in obtaining a clear title pending the administration of the estate. Wiley asks for the title or his money back.

Britain and France are Near Reaching an Agreement Regarding Problems of the Near East

PARIS, Sept. 20.—An agreement between Great Britain and France on the near eastern problem seems assured after a two and a half hour conversation between Premier Poincaré and Lord Curzon, the British foreign secretary today. Considerable progress was made toward an understanding.

Lord Curzon informed President Poincaré that Britain would insist upon absolute freedom of the Dardanelles and would insure its freedom with a large fleet. The British foreign secretary, however, was said to have intimated that the British military effort in the near east would be confined to the navy which gave rise to the impression that British troops would soon be withdrawn from Chatak.

RUSSIA SUPPORTS TURKS BUT WILL NOT SEND TROOPS

Munitions Will Be Supplied if it is Found Necessary

MOSCOW, Sept. 20.—Russia intends to support the Turks morally and perhaps will send munitions if munitions are needed, but no troops will be sent to assist the Turks officially it is stated.

NO MORE BUYING OF BEER FROM AGENCIES

Provincial Government Doing Business Direct With Breweries Says Manson.

VANCOUVER, Sept. 20.—Brewery agencies throughout British Columbia are to be abolished and the Government liquor vendors will get their beer supplies direct from the breweries. This was announced by Hon. A. M. Manson, attorney general, who is in Vancouver today. "I am not sure that brewery agencies are not illegal," said the attorney general, "anyway we are not doing business with them any more."

STEAMER WRECK CLOSE TO NOME

Victoria Has to Lie Seven Miles Off Awaiting Moderation of Storm

NOME, Alaska, Sept. 20.—The coastwise steamer Olga is a total wreck on the beach at Port Safety, two miles east of Nome, driven ashore by the southerly gale which swept Norton Sound and Behring Sea for several days.

So heavy was the weather that the passenger steamer Victoria which left Seattle for Nome on September 1 was unable to load and was lying seven miles off shore awaiting moderation of the storm.

JAMES ANDERSON A MINER IS DROWNED

NOME, Alaska, Sept. 20.—James Anderson, a prominent miner operating gold mines between Cripple and Rodney Creeks was drowned while attempting to ford Penny River.

VETERANS WILL GO TO WAR AGAIN IF NECESSITY ARISES

OTTAWA, Sept. 20.—The G. W. V. A. official organ, "The Veteran," editorially says the Veterans with a full realization of what war means, stand prepared to go again into action if the defense of the Empire renders it necessary.

HAS NO KNOWLEDGE OF ATLANTIC FLEET

HAMILTON, Bermuda, Sept. 20.—The headquarters of the British Atlantic fleet located here has no knowledge of the reported concentration of the fleet with the British Mediterranean squadron in Turkish waters. Most of the fleet is at present cruising and only one light cruiser and a sloop are here.

FORESTERS ARE TOLD TO STAY

Department Urged Them to Stick to Their Jobs Until Sure of War.

VICTORIA, Sept. 20.—Foresters working in remote districts of British Columbia have been deserting their posts in the last few days to reach telegraph communication for war news.

Many of the provincial foresters are returned soldiers and they wanted to get back to the mobilizing centres when they heard rumors of another war.

The forestry department is wiring in every direction telling their foresters to stick to their jobs until they are sure there will be war.

REMOVING DEAD FROM THE ARGONAUT MINE

JACKSON, Cal., Sept. 20.—All the dead who were found in the Argonaut mine are expected to be taken out today or tonight. Nine bodies were brought out yesterday.

Mrs. J. P. Cade returned home today from North Vancouver where a few days ago the wedding of her sister Miss Lilian Bull was solemnized.

LIBERALS CONVENE NELSON NEXT WEEK

Many Important Matters to be Discussed by Party at Big Meeting

VANCOUVER, Sept. 20.—The Liberal convention at Nelson next week is likely to prove of great interest to British Columbia people generally as it will indicate somewhat the line of policy the provincial government is likely to take during the next year or two on several important matters.

The question of serving light wines and beer at bars or in dining rooms is likely to be discussed and as an alternative the establishment of government drinking parlors.

The P.G.E. will be discussed and possibly a policy in regard to that railway will be resolved.

The Province suggests that G. G. McGeer will possibly be taken into the cabinet as minister of railways.

FIFTY CENTS ON DOLLAR SUGGESTED

VANCOUVER, Sept. 20.—Alex. Johnson, dougton deputy minister of marine, will leave for Prince Rupert this week accompanied by W. E. Hodges, receiver for the drydock company to negotiate for a settlement of affairs on a basis of 50c on the dollar. The claims total \$100,000 chiefly to Prince Rupert and Vancouver business houses for supplies.

HIGHER PRICE FOR HALIBUT

Bidding at Exchange This Morning Hit 16c and 8c Mark—77,000 Pounds in

The halibut price at the Fish Exchange this morning climbed to 16c and 8c, the highest mark since May 9 last. Arrivals have been comparatively light during the past few days and this is the reason for the increasing price.

Six boats marketed 77,000 pounds this morning as follows: Adeline, 7,000 pounds, at 14.8c and 7.5c; Augusta, 11,000 pounds, at 15.3c and 7.5c; to the Booth Fisheries Canadian Co.

Uranus, 21,000 pounds, at 16c and 8c; W. T., 24,000 pounds, at 16c and 8c; Joe Baker, 3,500 pounds, at 14.7c and 7.5c; and Caygeon, 4,500 pounds, at 14.7c and 7.5c; to the Canadian Fish and Cold Storage Co.

LOCAL MILL TO BE SOLD OCTOBER 13

Judgment in Default Entered in Supreme Court Yesterday

VANCOUVER, Sept. 20.—Mr. Justice Macdonald yesterday entered judgment in default in the unopposed action by the Emerson estate as first mortgage bond holders against the Prince Rupert Pulp and Paper Co. The sale of the assets has been ordered to take place on October 13.

The remuneration of the receiver G. C. Hyatt was set by the court at \$1,000.

The assets of the company include a large sawmill at Prince Rupert and a number of valuable pulp limits, some of the largest holdings of this class of property in the province.

RUSSIA AND JAPAN CONFER

Deadlock Occurs Over Evacuation of Territory and Payment of Indemnity.

CHANG CHUN, Manchuria, Sept. 20.—A conference between representatives of Japan and Soviet Russia and the Chita Government reached a deadlock when Russia demanded that Japan evacuate the northern half of Saghalien Island immediately as well as Manchuria.

Japan retorted that she would not go until the Japanese indemnity claim for Japanese massacred at Mikolievski in 1920 had been settled.

Both sides are standing pat.

CONFIRM ACTION TWO PREMIERS

New Zealand Parliament Endorses Step and Australian Cabinet Backs Hughes

WELLINGTON, Sept. 20.—Parliament unanimously confirmed the action of Premier Massey in announcing that New Zealand will send a contingent of men to defend the Dardanelles against the Turks if necessary.

MELBOURNE, Sept. 20.—The federal cabinet endorsed the action of Premier Hughes of the Australian Commonwealth in offering to send troops to Gallipoli peninsula.

**City Assessments
And Taxation.**

A new assessor has been appointed to set the values on local real estate this year and it is very generally reported that he will set the values at somewhere about the selling prices. If he does that, the assessed value of the city will be cut in half and the rate of taxation doubled. Added to that will be the cost of work done this year and the cost of repairing the school, amounting to over \$20,000 which must be paid out of current taxes following the turning down of the bylaw recently. This will bring the total taxation far above that allowed under the municipal law, and will necessitate the cutting down of expenses to half of what they are today.

The municipal law sets the bounds of the amount that may be levied by the city for general revenue. If the values of property are set at their rightful place, then the cost of administration will have to come down to where it belongs. Other cities are doing it and are not suffering. There is no reason why Prince Rupert cannot do it.

**Might Cultivate
Public Speaking.**

Last year about this time this paper suggested that efforts be made to establish a debating class in the city. While the suggestion was not followed, there were debates in several of the fraternal organizations and much interest was taken in the arguments set forth.

Every young man should learn to speak in public so that if necessary he may be able to come to the defense of any cause or to urge some change which may seem desirable. Many a worthy cause has been lost owing to the inability of those behind it to speak forcibly and clearly and set forth its merits.

This coming winter seems likely to be a rather quiet one and it would be a good opportunity for some of the younger people to organize a society to train the members in public speaking.

**Of Course Canada
Will Take Part.**

There is absolutely no doubt where Canada will stand in case of war. She will be at the right hand of the parent if she finds that the cause is just. She has always been there before and will do the same again. It needs but the thrill of the battle cry to sound through the land to see her rise almost to a man and respond nobly as she responded before.

There are in Canada many who do not believe in war of any kind. They would like to be able to bury their heads in the sand as does the ostrich and say there is no war. Many people in Smyrna did not believe in war, but that did not prevent the massacre.

There are in Canada many who do not think Canadians should go to Europe to fight. They do not see that people on this side of the Atlantic should be drawn into the quarrels of those on the other side. They have forgotten that the world is one and that very soon there will be no east and west. A new internationalism is arising that will make the business of any country our business and our business theirs.

In spite of the people who do not believe in war and of those who would fight only if the war was brought home to them in their own country, there is not the slightest doubt where Canada would stand if the pibroch sounded and the call went forth to battle. It is in our blood. The response today would be no less complete than it was in 1914. We should regret the necessity but we should go. It would not be a matter to reason about. The impulse to act would be as strong as ever it was.

**ORGANIZATION
POLYTECHNIC**

**J. Pinder-Moss, Director, Re-
ported on Preliminary Work
to School Board.**

Organization of the Northern Polytechnic Institute is now well under way according to a report submitted to the school board last night by J. Pinder-Moss, director. The report which contained several recommendations with regard to organization, methods of conducting the work and general working plans was received and adopted.

Mr. Pinder-Moss reported that a contract for \$245.90 for printing had been let to Rose, Cowan & Latta, their tender being the lowest. Offices had been taken in the Wallace Block at \$15 per month and Miss May Burgess had been engaged as stenographer. Teachers had been appointed and the syllabuses would be issued later. Letters expressing pleasure at the organization of the institute had been received from Charles Wing, secretary of the Anyox School Board, and John Kyle, director of technical training for the province. The valuable assistance of Principals Brady and Campbell in organization was acknowledged.

Several applications for the various classes had been received and it was proposed to start on October 2. Quarters in the Booth Memorial and the King Edward schools would be used as well as places for practical training such as Akerberg & Thomson's machine shop and Rose, Cowan & Latta's print shop.

There would be three terms per year and pupils would be charged \$5 per term per subject with \$4 per term for additional subjects. The terms would open October 1, January 1 and March 26.

The scale of salaries for instructors recommended was as follows: 4 to 7 pupils, \$3 per lesson; 8 to 11 pupils, \$4; 12-15 pupils, \$5; 16-19 pupils, \$6; 20 to 24 pupils, \$7. The class limits would be \$15 for academic subjects and 24 for ordinary subjects.

An amending report prepared by Howard White, accountant, setting out details as to accounting and methods of distribution of cost, revenue, etc., was also presented. This was on the basis of a flat monthly payment of \$280 by the school board to the institute to cover its share of overhead expenses such as director's salary, stenographer's salary, office expenses, etc. Cost of classes would be covered by the government grant and the revenue from the pupils themselves.

Both the main report and the amending report were adopted after they had been fully discussed. Mr. Pinder-Moss also reported that the Anyox Community League had ordered medals for the most proficient students in first aid, dressmaking and chemistry also the Imperial Order Daughters of the Empire of Prince Rupert for elementary English by foreigners. These awards would be open to competition in both the Anyox and Prince Rupert branches.

**FEWER PUPILS

**Superintendent Campbell Sur-
paises Board in Reporting
Shrinkage of 78.**

HIGH SCHOOL INCREASE

**Change of Public School Hours
Is Decided Upon by Board.**

Members of the school board were surprised to hear from H. L. Campbell, superintendent of public schools, last night that there had been a shrinkage of 78 in public school attendance comparing September 1922 records with those of September 1921. The total number of students attending the public schools now was 679 as against 757 last September. Last year there had been 100 beginners as against 48 or 50 this year. During the last week or so, however, the attendance had been rising slightly.

On recommendation of Mr. Campbell, the school board decided to change the school hours to a uniform basis for the year around falling in line with the schedules of hours adopted by Vancouver and other large centres in the south. In future the schools of this city will open at 9 o'clock in the morning and close at 3:30 in the afternoon. There will be a 15 minute recess in the morning from 10:45 to 11, the noon recess will be from 12 to 1:30 as at present and there will be no break in the two hour afternoon session. The past arrangement, as set out in the school Act, has been from 9 in the morning to 4 o'clock in the afternoon in the summer and 9:30 to 3:30 in the afternoon in the winter. The change will eliminate the hardship worked by losing an hour in the winter time as against the summer schedule. It works out that a slightly longer time is spent in school on the whole. Primary classes are not affected in the change. Approval of the new hours will be sought by the school board from the department of Education.

The board, on suggestion of Mr. Campbell, also ordered the placing of 24 foot one foot wide cedar strips in all class rooms to be used in exhibiting meritorious work and for general bulletin purposes.

High School Report.

The report of J. C. Brady, principal of the High School, in regard to attendance, showed an increase over last year. There were now 167 in attendance in the various classes as follows: First year, 33; second year, 25; third year, 22; commercial, 19; senior matriculation, 9. Seven rooms in the King Edward School were being occupied. The great majority of the pupils, namely 66, were girls, the balance being boys.

Referring to the commercial classes, Mr. Brady stated that he wished to make it clear that the course being given at the High School was not competitive with that being given at the convent. The High School course was a three year one and the convent course, ten months. The work covered in each was altogether different. The course given at the High School was more complete and took up work other than that of straight business and was in reality a finishing course. After a pupil had taken it he would be fully qualified to enter the business world not only as a stenographer but as an accountant or he would be well based for starting law study. The High School commercial school offered no ten-month finishing course.

Invited to Visit.

Mr. Brady reported that the High School staff had been much strengthened through the addition of Mr. Woodworth to the staff. He was an extremely promising teacher. Mr. Brady invited members of the board to

Two persons, J. H. Meagher and Mrs. A. Iverson each guessed the same number of beans in the jar in the guessing contest at the Robin Hood flour booth at the exhibition last week, and as that number was the nearest to the correct number they share between them the five sacks of flour which was given for a prize. The correct number was 3414 and the nearest guess was 3370.

SCHOOL BOARD TO OFFER COX \$500 INSTEAD \$2,250

Total Payment Authorized to Vancouver Architect for Examination, Advice and Plans, \$1413.20.

The account of A. A. Cox, the Vancouver architect, for \$2250 in connection with his plans for the reconstruction of Booth Memorial School was dealt with by the school board last night and it was decided to offer Mr. Cox \$500. In addition to this Mr. Cox has already received \$400 and \$513.20 more has been authorized for payment to cover the cost and expenses of making his examinations. The account of \$2,250 was based on five per cent of the estimated cost of \$45,000 for reconstruction. The school board considered that the plans which Mr. Cox had submitted had not actually been ordered by the board and he is to be informed that working plans were not asked for and that in the sum of \$500 he was being more than generously remunerated. The total payment to Mr. Cox with this \$500 will be \$4143.20.

CLERGYMAN MADE A BET

Was Victim of Bunco Artist Who Claimed to Be Horse Trainer

LONDON, Sept. 26.—How a clergyman who said he had never in his life made a bet on a horse race was inveigled into giving an unknown turf agent a cheque for £100 without receiving anything in return and how Scotland Yard was shown to have been a poor prophet in the case came out in a story told by Rev. Ralph Doyle, of Bayswater, at the trial before the Magistrate at the Marybone Police Court recently of John Hawtin, 61 years of age on a charge of theft of £100 from Mr. Doyle. When the clergyman realized he had been victimized he reported the matter to Scotland Yard, and was told that his chance of seeing the man again was "a million to one."

Introduced Himself. This looked like a pretty good guess. Rev. Mr. Doyle, however, had occasion to pay a visit to Southampton a few days later, and there by chance he came across the accused and had him arrested.

At the police court Mr. Doyle stated that Hawtin introduced himself to him in a Pullman car on the way from Brighton to London as the trainer of the Prince of Wales' stud of horses in Alberta, Canada, and obtained the clergyman's address. Later Hawtin called on him and said he had backed four horses for Mr. Doyle and had won over £400. Mr. Doyle was to receive the £100, less £100, representing the amount Hawtin had staked. He gave his new-found friend a cheque for £100.

Together the two went to a club in Covent Garden, where Hawtin was to collect the winnings. Not being a member of the club the clergyman was left outside and Hawtin went in alone. He came out in a few minutes and said the secretary of the club was not in, and Mr. Doyle would have to return the next day. Mr. Doyle did so. Then he made the rueful discovery that his cheque had been

BRINGING UP FATHER

cashied and his betting acquaintance was nowhere to be found.

Never Made a Bet. In cross-examination the clergyman said he had never made a bet in his life, and when told the money was staked for him and he had won he was greatly surprised. He had many good causes to use the money for, he said. The prisoner had a had record according to police evidence. He was ordered to hand back the £100 found on him when he was arrested, and was sentenced to six months imprisonment with hard labor.

BOXING IS POPULAR MEXICO CITY TODAY

Bouts Held Every Friday Night Attracts Crowds.

MEXICO CITY, Sep. 26.—As recently as three years ago a former heavyweight boxing champion attempted to make boxing popular in Mexico City and failed. Today the sport is intensely popular and the bouts which are held regularly every Friday night in Mexico City attract crowds that fill the Fronton, a huge structure in which the Spanish game of pelota is played. The promoters are so enthused over the prospects of the fight game here, that they are planning a combination gymnasium and arena, and they have already set up a school for boxers in which Mexican youths are given free instruction in fistieuffs. These students, in return for this instruction, furnish all the preliminaries to the main bouts and that they do well is attested by the fact that the popular verdict so far has always been that the youngsters are better than the older principals.

Invitations Sent. Invitations have been sent to several well-known boxers in the United States inquiring as to terms for a fight here, and the word has evidently been passed around that the game is looking up in Mexico, because during the past few weeks there has been a great invasion of "ham and egg" fighters who are perfectly willing to be mauled around for a few rounds in return for a few regular meals. Persons who have watched boxing rise and fall in popularity here say there is more interest now than ever before. For the first time Mexican boys are being taught to box and their

cleverness is undisputed. The Mexican spectators are also commencing to learn the game, and the job of a referee is not the hazardous task it was a few years ago when an unpopular decision usually meant gunplay.

Sport Chat

In view of the lateness of the season which finds the schedules of neither the Junior or Juvenile Baseball Leagues completed, Manager W. J. Cash is making plans to finish off the activities of the two organizations at an early date. In the Junior League the White Sox are but one game ahead of the Midgets and the Boy Scouts out of the running. It is proposed to eliminate the latter team and run a six-game series for the championship between the two head ones. As far as the Juvenile League is concerned the Falcons have a safe lead over the Midgets and the series will likely be called off with the declaring of the Falcons the season's champions.

The annual meeting of the Prince Rupert Fraternal Whist League will take place on Friday night. Reports will be received and election of officers for the 1922-1923 season will take place. Notices have been sent out to the various organizations inviting delegates. It is expected that the teams that took part last year will again be in the field and other organizations have signified their intention of competing for the Dybhavn Cup which is now held by the Valhalla Lodge. Last year there were eight men's teams and six ladies' this season there will probably be as many if not more.

The football season will have to be cleaned up before planning for the basketball season to commence in real earnest. It will likely be some weeks before the annual meeting of the Basketball Association is called. In the meantime the various organizations which intend competing will be starting to look out for players. Some of last winter's good material among the seniors is away from the city now and there is a possibility that there may not be so many teams in the running. There is every indication that the Intermediates and Juniors will have an interesting season as last winter, however.

TINY TIMS DEFEATED BY WHITE SOX CLOSE GAME LAST EVENING

In the first game of the second half of the Junior Baseball League series, the White Sox last night defeated the Tiny Tims by a score of 6 to 5. The match was closely contested as the score would indicate and play was snappy throughout in spite of the fact that it was cold and there was quite a wind making weather conditions generally unfavorable. The game was called at the end of the fifth inning on account of darkness. Future games will be played on Wednesday or Sunday afternoons. P. Laporte umpired the game last night and the players lined up as follows: White Sox—J. Nickerson, catcher; D. Frizzell, pitcher; W. Stewart, first base; T. Tite, second base; B. Wendell, short stop; A. Shockley, third base; T. Fraser, left field; B. Jacobsen, centre field; W. Sims, right field. Tiny Tims—M. Budenich, c; B. Lundquist, p; J. Kelly, lb; P. Black, 2b; S. Anderson, ss; G. Bulgor, 3b; H. Hibbard, lf; W. Kergin, cf; F. Kergin, rf.

FOOTBALL SCHEDULE

Dates for Final Games of Season Were Set at Meeting of Association Last Evening.

At a special meeting of the Prince Rupert Football Association, President D. C. Stuart in the chair, last night the following arrangement was made for the completion of the season's schedule of games: Exhibition Final. Sept. 26.—Sons of England vs. Grotto, G. S. Russell, referee. Stuart Shield. Sept. 21.—Grotto vs. Sons of Canada, W. McCulloch, referee. Sept. 22.—Sons of England vs. Callies, W. Davis, referee. Sept. 27.—Callies vs. Sons of Canada, A. Holmberg, referee. Sept. 29.—Sons of England vs. Grotto, G. S. Russell, referee. The Shield games will commence at 6:15 and only 35 minutes each way will be played. The Exhibition final will start at 6 o'clock and the regulation time will be in force.

INDIAN BAND ORDERS CUPS

Greenville Concert Organization Will Replace Three Trophies Lost in Village Fire.

While in the city last week, the Greenville concert band placed orders with R. W. Cameron, the local jeweler for three large silver cups to replace those that had been awarded them in Exhibition band contests of the past and which were destroyed in the fire that wiped out their village last spring. Instructions were given to have similar decorations and engravings worked on the new cups to those on the old ones which were as follows: 1911—Best March, 1920—Best Selection, 1921—First prize March, Northern B. C. Championship.

Members of the band while here also announced that new uniforms had been ordered and that when they came down for the 1923 Exhibition they would have a spick-and-span appearance with new instruments as well as uniforms.

The action of the band in replacing the destroyed cups at its own expense furnishes proof of the interest that the natives attach to the band competition and also their appreciation of the awards.

There was no contest at the Fair this year on account of the fact that the bargain of the Fair Board stipulated that there would be three bands entered before a contest would be staged.

BOSTONIAN "JOY BABES" AT WESTHOLME TONIGHT

Arrived From South This Afternoon and will be Here Until End of Week.

Mrs. Lang, with the Juvenile Bostonian "Joy Babes" arrived in town this afternoon from the south by the Prince George to fulfill a four night engagement at the Westholme Theatre. The "Joy Babes" number five and they are really wonderful kids. Their turn comes on between the pictures at the Theatre, starting at 8:30. For those to whom vaudeville appeals, and it appeals to most every one, there will be something worthwhile at the show until the end of this week.

FIRST OF MONTREAL TRADE BOARD PARTY REACHED CITY TODAY

Mr. and Mrs. T. J. Coulter to Visit Here With Mr. and Mrs. H. St. G. Lee

The first of the Montreal Board of Trade Western excursion party, the main body of which will reach the city next Saturday on the Prince Rupert, arrived here today on the Prince George in the persons of Mr. and Mrs. T. J. Coulter, of Montreal. Mrs. Coulter is a sister of H. St. G. Lee, the local manager of the Bank of Montreal, and Mr. Coulter is senior member of the prominent Montreal firm of chartered accountants, Coulter & Jones. They came on ahead of the main party to spend a few days here with Mr. and Mrs. Lee and will rejoin the excursion next Saturday when it proceeds East from here.

VANDERHOOF

Fred Fraser, the Fort Fraser government agent, is making an extended inspection trip through the Omineca mining district.

The waters of Tatchi River are now very low and the Dominion government has a crew there to clear the stream of obstructions.

G. F. Wilks, of Victoria, has joined the local staff of the Canadian Bank of Commerce.

Mr. and Mrs. Wm. McGeachy, of Clitham, Ont., have been spending a few days visiting with their relatives, Mr. and Mrs. E. C. McGeachy, of this town.

Frederick McLaren and Harry Maynard are spending a fortnight on a prospecting trip to the Nation Lake district.

A. A. McKenzie, who has been in charge of the Presbyterian work here during the summer, will be leaving shortly. Last week there was a surprise party in his honor at the home of Mrs. Lewis Johnson and next Friday a social evening will be held in the church as a farewell.

G. B. Pick, of the Mapes district, went to Prince George last week to meet his bride, Miss Rose Raymond of Kelowna. They were married in Prince George and arrived in Vanderhoof last Saturday evening.

W. M. Blackstock, manager of the Bank of Commerce, is in Vancouver on holidays. During his absence Walter L. Eggert is in charge of the local branch.

GETS RADIO CONTRACT.

GOTHENBURG, Sweden, Sept. 20.—Sweden awarded the contract for equipping her new powerful radio station, to be erected 40 miles south of Gothenburg, to the Radio Corporation of America in spite of a lower bid from the German Telefunken Company.
The reason was that the American company offered better terms of payment. The amount of the equipment contract is \$432,500, one-third cash and the balance from future receipts, without interest charges. The total cost of the station will be about \$1,300,000.
