### OBSERVES ARMISTICE

Library to Be Closed Friday of Next Week—Regular Meeting Last Night

At the suggestion of the librarian, the library board, at its meeting last night, decided to keep the library open Thursday afternoon prior to Armistice Day next week. Miss Cruickshank said she thought this should be done in the public interest. There was a difference of opinion among members of the board but the majority decided in favor of keeping open. The library will be closed all day Friday of next week, that being Remembrance Day.

Victor Basso-Bert reported that the treatment given the roof of the library building under his direction had been a complete success as no rain now came through. The cost of the work in all was approximately \$10.

The librarian was instructed to order a small list of periodicals from Fraser Stationers and the secretary will communicate with the city reading room committee suggesting that several of the periodicals might be passed on to them when no longer required by the library.

The library was open 21 days during October, according to the report of the librarian, and, during that time, 6,812 books were loaned, an average of 324.3 per day. Of these 4660 were fiction, 160 duplicate pay, 1269 juvenile and 723 non-fiction.

During the month 47 new readers registered and 36 withdrew their cards leaving a list of 3660 readers in all. Books received during the month included 35 by gift and four by purchase while 20 were withdrawn from the shelves. The total number of volumes now is 8,456.

George Wilkinson presided and there were also present Thomas Black, secretary, Alderman Linzey, Frank Dibb, Harry Breen, Victor Basso-Bert, H. F. Pullen and the librarian.

**THE PREMIERS' SPEECHES**

The inadequacy of the Canadian broadcasting stations was well illustrated Monday night when the Premiers of Canada were speaking over a national network and at the same time the United States stations were broadcasting speeches of President Hoover and Governor Roosevelt. The U. S. stations were coming in loud and clear but the Canadian stations were so weak that owners of many of the older receiving sets could not even tell that they were on the air. There is a great deal of work ahead of the new radio commission in improving broadcasting in Canada.

**IMPROVED CONDITIONS**

The terms under which the Dominion Government loan is being floated tells the tale of a change in conditions over a year ago. At that time the Bennett Government paid six percent for money. Today the same government is paying four and a half percent and less for the money it is borrowing. While we think too high a rate was paid for the previous loan it is very clear that the present rate being paid is pretty close to normal. It indicates that the government is considered sound financially and that there is plenty of money available for good securities.

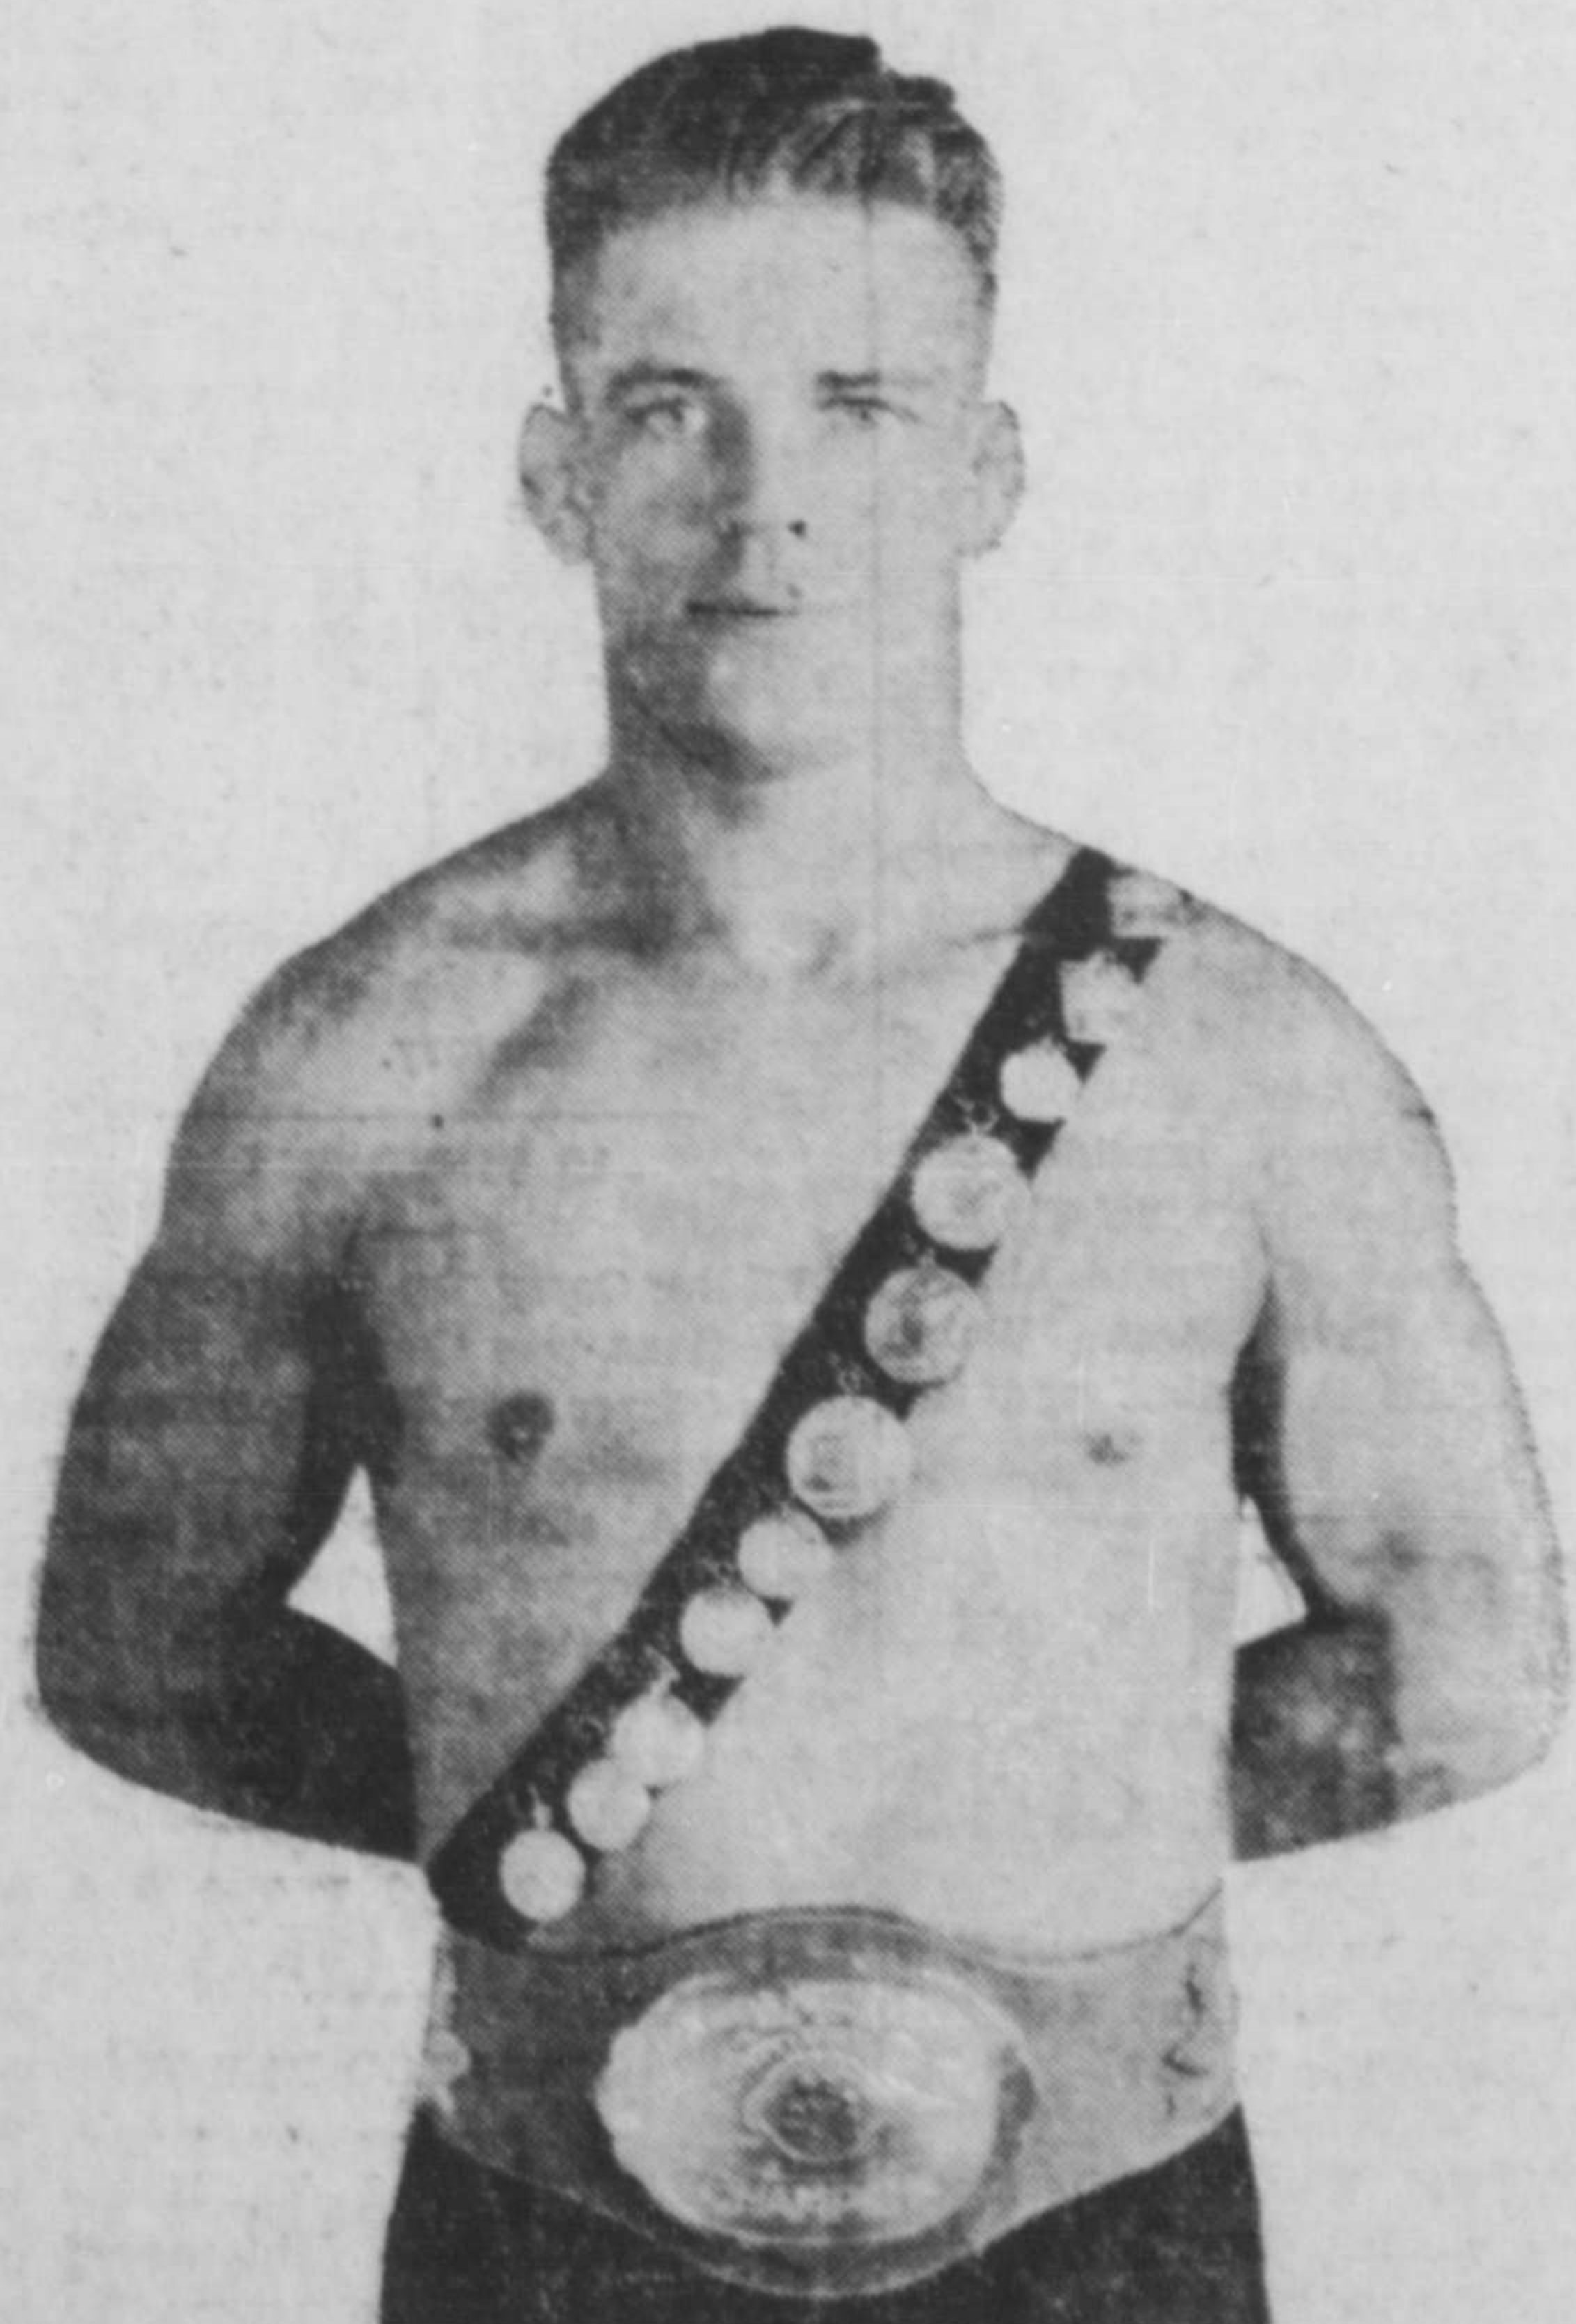

**1917 - 1932**

Death by misadventure—or so the jury said,  
For the nickel in his pocket would have bought a loaf of bread,  
A hurried word at the graveside, for the day was bleak and cold,  
Then a wraith of dust on the roadway, and a veteran's end is told,  
If he had died at Vimy, on that ridge of belching fire,

Where the wealth of a hundred homesteads was given in that desire,  
His dust would now be hallowed, as of the gloried dead,  
The shame of a nation's betrayal would not have bowed his head,  
Let a voice cry through the silence, in this moment, of muted pause,

Ring with the challenge to they who make men's laws:  
Why a soldier's despairing gesture, that vibrates all sentient souls,  
Is measured as wages of sin by those with the vision of moles?  
J. M. D., Prince Rupert.

Grotto Displaced From First Place  
In Senior Basketball League

**Amazons Win**

New Players in Comets' Hoop Team  
Are Not Yet Acclimatized

In the Senior League basketball game last night, the Grotto, league leaders, were put back a step when Canadian National Recreation Association defeated them in a hard fought game, 29-21.

In the Ladies' League fixture, although the Comets were strengthened by two players from other teams, the Amazons took them into camp 12-8.

In the Intermediate tussle, the Tuxis seemed to hit their stride for the first time this year and handed the Merchants a good beating, 34-19.

In the Junior fixture Scouts emerged on the top end of 15-12 score against Japanese.

**Senior Game**

C.N.R. stepped out right from

the whistle with a determination to win. With fast quick passes they went down the floor time after time only to bump up against the stone-wall defense of the Grotto. But, with careful maneuvering, they managed to break through a couple of times and, when they did, it meant points. The Grotto depended entirely on long-range shooting and rebounds in the first half which ended 16-10 for railway boys.

In the second half the fans were treated to some action. Both teams started to play a short passing game and the score became a tie in the middle of the second half. At this point play became a little rough but was kept well in check by Referee Skinner. Finally, the Grotto couldn't stand the pace and had to knuckle under to the railway boys to the tune of 29-21.

C. N. R.—Morrison 2, Styles 5, Johnson 10, Smith 6, Kelsey 6, Patmore.  
Grotto—Menziez 2, Stalker 2, Ratchford 6, Morrison 6, Gurchich 5, Wingham.

**Girls' Game**

The Amazons were decisive victors over the Comets at all times. The Amazons just seemed to rush through the Comets who seemed

disorganized and lost many points on this account. However, when their two new players get into the ways of the rest of the team they should be able to turn the tables.

Amazons—Morris 2, Boddie 2, McLeod, Ritchie 6, Harvey 2, Gurchich.  
Comets—Steen, Irvine 7, Tite, Smith 1, Johnson, Morgan.

**Intermediate League**

The Tuxis got going last night and displayed a few neat plays that pleased the basketball fans and showed good teamwork. Strengthened by Santurbane from the Junior League, who is undoubtedly a good shot, they worked around the Merchants who seemed to be working hard but getting nowhere. It was decidedly Tuxis game all the way through as the 34-19 score indicates.

Tuxis—Morrison 8, Nakamoto 9, Santurbane 13, Smith 4, Moxley, Merchants—Dingwell 10, Wendie, McNulty, Pierce 8, Ross, Hunt 3.

**Junior League**

The Scouts had a hard tussle to beat the Japanese who, as far as floor work was concerned, had the ball most of the time but couldn't put it in the basket. But it is bas-  
ketball that count so they had to

take another grubbing, 15-12.  
Scouts—Miller, Davies 7, Nelson 3, Smith, Viereck 6, Gillis.  
Japanese—Obata 12, Suehiro, Kishimoto, Nakamoto, Condo.

### SPORT CHAT

After watching Nina Gurvich, the rangy hard-hitting welterweight, fight eight torrid rounds with sparring partners, ranging from bantamweights to heavyweights, fight fans are reminded that Nina, with that dangerous right, can dish out plenty of punishment. The way he outboxed the lighter men proves that he means business in the coming fight. He is said to be in far better condition than when he last fought and at present he is a formidable opponent for any welterweight.

In watching Billy Bagshaw, Nina's opponent, train, the blonde welter can be described by one word, dangerous. With Billy carrying a pair of shoulders that would be the envy of any heavyweight and, incidentally, packing a wallop in either hand that has all the earmarks of KO, the reason for Gurvich's serious training can be easily understood.

As Billy and Nina are fighting on a winner-take-all basis, they both are going in there to win next Wednesday night. To lose is unthinkable as Nina knows that if he can't take Billy, he is through locally and Billy realizes that, if he fails to beat Nina, he will not get a chance to meet Winkle. This is an ideal fight situation as either boy has everything to gain if he wins and everything to lose if he is beaten.
