Labor Annual Event Is Celebrated CAPACIOUS NEW HOME OPENED AT TERRACE BY THE G.W.V.A.

Terrace War Veterans have the Finest Hall in Northern B.C. Opening Dance Held Last Night

TERRACE, Sept. 5.—The official opening of the new G. W. V. A. Home took place last evening and was celebrated by the holding of a grand ball in their large dance hall. The members of the organization were assisted by the ladies' auxiliary, the members of which had charge of the buffet.

The hall was tastefully decorated and nothing was left undone by the association to make the event one of the most successful ever held in Terrace. Dancing commenced at nine o'clock and was kept up until three.

The committee in charge consisted of C. V. Brewer, president; J. M. McInyre, secretary; C. Croelman, S. J. R. Amshury, E. W. Baker, V. Moore, and C. Mancoor. Mrs. Amshury is president of the Ladies Auxiliary and Mrs. J. McInyre secretary-treasurer.

Excellent dance music was provided by the Terrace orchestra under the leadership of H. P. Paradise, violinist, other members being Mrs. Atwood, piano; E. Roberts, cornet; R. Newton, saxophone; H. Chandler, trombone; G. Sparks, drums. V. Moore was floor manager.

DEATH OF MISS VERNA THOMPSON

Fourteen Year Old Daughter of
Mr. and Mrs. W. E. Thompson
Died in Hospital Today

The death occurred at an early hour in the General Hospital this morning of Miss Verna Thompson, the fourteen year old daughter of Mr. and Mrs. W. E. Thompson. The little girl had been suffering for some weeks and her death was not unexpected, although it will be a terrible blow to the bereaved parents who will have the heartfelt sympathy of the entire community. Little Miss Verna was a very popular girl and had a wide circle of friends and had made her appearance in public on more than one occasion as a clever little dancer and singer.

Funeral arrangements are in the hands of the B.C. Undertakers.

WAS OVERCOME WITH GASOLINE

Schooner Guilford Had to Make a
Hasty Return to Port With
Capt. R. Hobbs

The halibut schooner "Guilford" had to make a hasty return to port this morning with her skipper, Capt. R. Hobbs, who had been overcome with gasoline fumes. Hobbs had been making some repairs to the piping of his gasoline tank inside when he was rendered unconscious. It was an hour or so before it was found he was in difficulty and then it took another hour or so to resuscitate him. The vessel then made back to port for medical assistance. The skipper is about alright again and will be able to put to sea without delay it is understood.

CHAUTAUQUA IS NOT GIVEN GUARANTEE FOR NEXT SEASON

If the Dominion Chautauqua includes Prince Rupert on its itinerary next year it will do so on its own responsibility, no guarantee having been made by local citizens for its engagement here. This was the decision made at the week-end when the local committee for this year concluded its business with the troupe. There was a loss between receipts and expenses this year and the committee had to make up a deficit although the contract was not fully lived up to on either side.

RAGING FIRES DESTRUCTIVE NEAR TERRACE

Number of Buildings and Much
Timber Destroyed—Rain
Saves Situation.

TERRACE, Sept. 5.—The forest fires that have been raging in the Lakelse and Remo districts during the past month or six weeks received a check on Saturday and Sunday by a heavy rainfall.

The high winds from the south on Wednesday had fanned the smoldering fires between the lake and the Skeena river until a roaring sheet of flame was soon sweeping everything before it. Dense clouds of smoke, sparks and ashes were carried for miles by the parched winds. The dry underbrush and slashing furnace added fuel as this roaring fire destroyed the tracts of standing timber lying in its course.

For a time the Lakelse road became impassable as the fire leaped across and re-crossed the highway.

Settlers, loggers and a number of men, employed by the government on road construction, put forth every effort to check the flames which were sweeping towards settlers' homes.

Dr. Grant's Cabin.

The cabin occupied by J. Bell, who is logging and taking out timber three miles from Terrace, soon went down. He lost nearly all his tools and outfit. This cabin was owned by Rev. Dr. Grant of Prince Rupert. A mile nearer Terrace Bob Corlette's barn was the next structure to be destroyed. Super-human efforts were put forth to save Mr. Corlette's buildings. His home was badly scorched but saved. His orchard was destroyed by the excessive heat. The apples were baked on the trees. Mr. Corlette is one of the old timers of the district and possessed a valuable property. In his barn was four tons of hay, owned by P. Merkle. This was a total loss.

Kirkaldy & Baker were fortunate in saving a portable sawmill which was located further along the road. The machines were removed with difficulty from the track of the fire and now stand in the roadway covered with tarpaulin.

FISH PRICE IS STILL RISING

Total Arrivals for Yesterday and
today on 23 Schooners
266,500 Pounds.

Fish arrivals have been heavy so far this week and between yesterday's and today's auctions at the Exchange 266,000 pounds of halibut have been marketed. Yesterday eight boats arriving had 84,000 pounds and today 15 had 182,500 pounds.

The price is still on the upgrade, the Atlin having bid the highest figure in months, 15.2c and 7.5c for the Anna J.'s catch.

The government work on the roads has been somewhat delayed by the taking off of the men to aid in fire fighting in the different sections.

PRETTY WEDDING AT ATLIN LAST WEEK

Miss Nora Kenny Becomes Bride
of W. Dudley Tilly—Father
Allard Celebrant.

A charming wedding was solemnized on Tuesday, August 29 at 11 a.m. in the quaint little Catholic Church erected by Father Allard many years ago when he first went into the Yukon district with his mission to the Indians. Miss Nora Kenny a popular young lady of this city became the bride of W. Dudley Tilly of New York. The church was artistically decorated with native flowers and fall leaves of golden hue. Rev. Father Allard performed the wedding ceremony. The bride wore a handsome gown of cream broadcloth taffeta silk and georgette crepe trimmed with gold. The graceful veil was daintily arranged with orange blossoms and a lovely shower bouquet of lavender sweet peas tied with tulle completed her attire.

The bride was attended by Miss Magdalen Link of Los Angeles, Cal., who was gowned in pale green organdie. Her hat was a picture model of pink chiffon, and she carried a bouquet of pink sweet peas.

The groom was attended by Peter Galvino of Atlin, B. C. The wedding breakfast was served at the Atlin Inn.

The young couple retired to the cozy little home which the groom had so ingeniously arranged. In the evening the happy couple were surprised by a serenade by all the tourists from the C. P. R. steamer Princess Alice. The tourists presented the bride with a handsome beaded leather bag.

The groom, Dudley Tilly was chief travelling inspector for the Canadian Government during the war and also served with the U. S. Government as assistant chief inspector. Mr. Tilly's family have been in the fur business in London and New York since the year 1814. Mr. Tilly is permanently located at Atlin, B. C., where he will trade with the outposts on behalf of his firm.

Labor Day Celebration Proves Very Successful Event at which Many Enjoy Sports and Games

The weather was just right for the Trades and Labor Council's Labor Day celebration yesterday and, in spite of the gloomy forecasts made last week there was not a drop of rain all day and the events all came off according to schedule. In the course of the day 862 persons paid admission to the Acropolis Hill recreation grounds and enjoyed a splendid program which lasted from 10 o'clock in the morning until late in the afternoon. The list of events was large and varied and included, besides the usual children's races and field events for adults, baseball, lacrosse and football games. The day was successful all the way through from a financial as well as a strictly celebration standpoint. The refreshment stand did a big business, although the committee in charge might have filled the ice cream cones a little too full to allow for the usual profits. However, it suited the kids and that was the main object. The Northern B.C. Regimental Band was in attendance most of the day and entertained the carrying out of the program considerably.

The first event on the program, the Junior League baseball game between the White Sox and the Tiny Tims at 10 in the morning, was won by the former by a score of 14 to 9. Lundquist and Kelly comprised the Tiny Tims' battery and Frizzell and Nickerson, the White Sox. P. Laporte and James McAleenan were the umpires. The teams divided a \$20 prize.

The lacrosse game in the afternoon was won by the Elks 4 to 1, and the Callies beat the Sons of (Continued on Page Five)

TWO LADIES ARE DROWNED

Thrown Into Water Near Revelstoke
When Car Left Road.
Brother Lives Here.

REVELSTOKE, Sept. 5.—Mrs. Thomas Steeg of Revelstoke and Miss Anna Lister, matron of the local hospital, were drowned on Saturday when the auto in which they were riding went over the embankment into 10 feet of water. The accident occurred at Summit Lake, nine miles from here when the auto left the road while passing another car on the new Revelstoke Road.

There were four other people in the car but these escaped while the car was slipping down the embankment.

Miss Lister, who is 26 years of age, is a sister of Fred Lister of the Bank of Commerce staff in this city. The family home is at Nanaimo.

POLICE AND FIREMEN BEAT FISHERMEN IN TUG-OF-WAR FINALS

The tug-of-war events in connection with the Labor Day celebration yesterday were among the most interesting features of the entire day's program.

The firemen's and policemen's combined team won the honors of the day when they defeated the fishermen's team, the winners of the event at the Acropolis Hill grounds, last evening. The pull was staged on Second Avenue in front of the provincial government buildings on cleats. The city team was successful by 12 1/2 feet in fifteen minutes straight pull. For the fishermen it was the fourth pull of the day and they also were at a disadvantage on the cleats.

In the afternoon events the fishermen's team beat two other teams captained by W. H. Waldorf and Harry Smith respectively, pulling the former twice.

The members of the two winning teams of the day were:

Firemen and policemen—G. B. Casey, James Parks, Red Morrison, Len Dewhurst, A. Poustie, Alex. Macdonald (police), Alex. McDonald (fire hall), C. Sunberg, H. McGlinchey, Captain Chief D. H. McDonald.

Fishermen—J. McGregor, V. G. James Neville, P. Thompson, Ed. Winther, Andrew Hanson, Hans Underdahl, Earl Lockwood, Modin Jensen, and John Iverson. Captain, J. R. Meagher.

WOMAN MURDERED HER TWO YOUNG CHILDREN

WOODSTOCK, N.B., Sept. 5.—A coroner's jury found Mrs. Allan Poyd responsible for the death of her two children who were discovered in their bed with their heads crushed to a jelly.

LADY IS HONORED AT FAREWELL PARTY ON DEPARTURE FROM CITY

Before she left for the south on the Prince Rupert Sunday night, Mrs. J. Russell, of Vancouver, who has been visiting here with her sister, Mrs. Harry Baskell, Fifth Avenue West, was honored at a surprise farewell party at her sister's home. The evening was delightfully spent until the time of the departure of the steamer drew near when all the guests adjourned to the boatside. Those present were Mrs. Jack Morrison, Miss A. Morrison, Miss K. Morrison, Mrs. James Byrne, Miss B. Byrne, Mrs. George Fritz, Mrs. Joe Prince, Mrs. R. Marsh, Mr. and Mrs. H. Arney, A. King, J. Nickerson, G. Brown, J. Robins and Master B. Russell.

CINDERELLA DANCE CONCLUSION OF DAY

The Cinderella dance in the auditorium last night was a fitting conclusion to the successful Labor Day celebration. About 75 couples were present and a splendid evening was enjoyed dancing to the tuneful strains of Arthur's Orchestra.

Celebration of Labor Day.
 In choosing a number of days as general holidays for the people of Canada it was very fitting that one should be dedicated to labor. On that day the labor organizations unite in carrying out such sports and amusements as appeal to them and the whole community joins them.
 Prince Rupert is essentially a labor community. Very few people live here who do not work. The idlers go south. Because of that it is fitting that Labor Day should be celebrated with a great deal of enthusiasm in this city.

Wheat Crop Is Large This Year.
 The Manitoba Free Press report estimates the wheat crop this year at about 372,000,000 bushels from the three prairie provinces. If this is marketed at anything like a dollar a bushel it will bring an immense sum.
 The Bank of Montreal estimate is rather less optimistic but it is not quite so recent. Their estimate is 350,000,000 bushels. In any case it will be anywhere from seventy to one hundred million bushels greater than last year's crop.
 While we are glad to know that the farmers on the prairie are doing well this year, there is an element of selfishness in our interest in the wheat crop. When there is a good crop there is a greater demand for lumber and fish on the prairies and during the winter and following summer more of the farmers come to the coast. All this means business for the railroads and improved conditions here. The success of one part of the country has a good effect on all others.

Need Of Post Box At The Station.
 It is customary in most places to have a letterbox at the station, this box being cleared by the mail staff just before the departure of the train. There is not such a box at Prince Rupert and we have been asked to call attention to the fact with a view to having it remedied. There is a post office box on the wharf but the letters mailed there have to be taken to the post office to be sorted. This is rather misleading to many people not acquainted with our methods, and letters intended for the boats are often dropped in that box.
 As the aim of the post office department is to give the best possible service to the community and the defects mentioned could easily be remedied with very little extra cost, doubtless they will be attended to before very long.

School Opening Important Event.
 The most important thing in Prince Rupert is the success of the Prince Rupert children. Most parents live for their children. The greatest thing they do is to bring up a family. Today the schools reopened and parents will be particularly interested in the success of the work of the term.
 In order to get the best possible results there has to be co-operation between the parent and teacher. The teacher should be the best possible person for the work and the parent should be the one who will at all times stand by the teacher and help her to achieve success.

Care Not To Crush Individuality.
 Class teaching has many advantages in addition to economy. It gives inspiration but it also tends to crush individuality. To prevent this each pupil has to be treated as a separate entity. The recognition of individuality is one of the most difficult problems in the teaching profession. The pupil with an unusual amount of individuality becomes a nuisance to the teacher and to the rest of the class and interferes with all rote work. To carry on successfully without checking the attempts at self-expression is work that requires great cleverness and tact. The teacher that is able to accomplish it is worthy of a place among the best of the world's workers.

MANAGEMENT OF UNIVERSE

Chautauqua Lecturer Delivers Interesting Address on "The Nearness of God"

Just as the creation and operation of a great railway system essentially has a backing of intelligent management so does the infinite Universe have its management and control in the entity known as God. That is an argument put forward by Dr. Arthur D. Carpenter, the Chautauqua astronomer lecturer, in his address, "The Nearness of God," which was delivered on Saturday afternoon. The lecture was a highly interesting one and the reasoning advanced for the existence of the Omnipotent Power as accepted by Christian belief was largely based on scientific fact and thought.
Three Entities
 Dr. Carpenter declared that there were three entities in the Universe—space, time and the divine power of God. Each were infinite with no beginning and no ending. The conception of God as a great King seated on a throne as popularly interpreted was not to be literally accepted. He was instead an Omnipresent power whose being permeated the Universe.
 The lecturer maintained that a sixth sense was required in the understanding and conception of God. Space and time could be conceived by the individual with the five ordinary senses but to perceive God the sixth must be developed. The ideal person was the one in whom the material and physical senses were combined. Spiritual development as well as material was desirable but one should not be wholly material or spiritual.

Evolution
 In the course of his lecture, Dr. Carpenter gave some theories as to the evolution of man. He did not believe in the Darwinian theory that man was descended from the monkey but he did believe in the evolution of man through the ages and that as time went on, the human race developed and became more perfected. Just as the man of today was a more cultured and civilized being than the man of centuries ago so would the future man progress further along similar lines until he stood out in Creation.

Ten Years Ago in Prince Rupert

James Cullins, a pioneer newspaper man of the province and until lately on the staff of Vancouver Sun, is in the city today enroute to Massett where he is to start a new paper, the Massett Leader. He has the machinery and equipment with him.
 J. R. Cogger, travelling editor of "Canada Illustrated" is paying a special visit to Prince Rupert for the purpose of recording fresh impressions in the light of far spread comment. He says that this is the most talked of city in the Dominion of Canada and is known and spoken of by leading business in every centre of importance in the world.
 Albert Dollenmayer, head of the Dollenmayer Advertising Syndicate of Minneapolis, is in the city enroute to Massett where he has extensive holdings. He is accompanied by his son, Stanley Dollenmayer.

APPRECIATION OF OSLAND

Editor Daily News:—
 May I ask your kindness in allowing me a little space in the columns of your paper.
 I was deeply grieved on reading in the Vancouver Sun an article about the people of Osland. This was supposed to have been written from statements which I had made, but it was almost impossible to believe that my conversation with the reporter could have developed into this veritable fairy tale.
 My thought was to give the people in the south some idea of the great work done by these pioneers of our country. The Islanders are people of grit and courage and their magnificent hopefulness and cheerful endurance are an inspiration. The Empire may well be proud of such citizens. I am the more distressed about this report because it has wounded my friends.
 For a whole year I lived among the Islanders and I always found them kind and straightforward, ready to do anything, no matter how hard. I cannot speak too highly of them, they live in contentment and harmony, they are indefatigable in their work and undaunted in their endeavors, and I firmly believe there is a great future in store for this little settlement.

To Holders of Five Year 5½ per cent Canada's Victory Bonds
 Issued in 1917 and Maturing 1st December, 1922.

CONVERSION PROPOSALS

THE MINISTER OF FINANCE offers to holders of these bonds who desire to continue their investment in Dominion of Canada securities the privilege of exchanging the maturing bonds for new bonds bearing 5½ per cent interest, payable half yearly, of either of the following classes:—

(a) Five year bonds, dated 1st November, 1922, to mature 1st November, 1927.
 (b) Ten year bonds, dated 1st November, 1922, to mature 1st November, 1932.

While the maturing bonds will carry interest to 1st December, 1922, the new bonds will commence to earn interest from 1st November, 1922, GIVING A BONUS OF A FULL MONTH'S INTEREST TO THOSE AVAILING THEMSELVES OF THE CONVERSION PRIVILEGE.

This offer is made to holders of the maturing bonds and is not open to other investors. The bonds to be issued under this proposal will be substantially of the same character as those which are maturing, except that the exemption from taxation does not apply to the new issue.

Holders of the maturing bonds who wish to avail themselves of this conversion privilege should take their bonds AS EARLY AS POSSIBLE, BUT NOT LATER THAN SEPTEMBER 30th, to a Branch of any Chartered Bank in Canada and receive in exchange an official receipt for the bonds surrendered, containing an undertaking to deliver the corresponding bonds of the new issue.

Holders of maturing fully registered bonds, interest payable by cheque from Ottawa, will receive their December 1 interest cheque as usual. Holders of coupon bonds will detach and retain the last unmaturing coupon before surrendering the bond itself for conversion purposes.

The surrendered bonds will be forwarded by banks to the Minister of Finance at Ottawa, where they will be exchanged for bonds of the new issue, in fully registered, or coupon registered or coupon bearer form carrying interest payable 1st May and 1st November of each year of the duration of the loan, the first interest payment accruing and payable 1st May, 1923. Bonds of the new issue will be sent to the banks for delivery immediately after the receipt of the surrendered bonds.

The bonds of the maturing issue which are not converted under this proposal will be paid off in cash on the 1st December, 1922.

W. S. FIELDING,
 Minister of Finance.

Dated at Ottawa, 8th August, 1922.

"FRUIT-A-TIVES" SAVED HER LIFE

This Fruit Medicine Always Gives Relief
917 DORION ST., MONTREAL.
I suffered terribly with *Dyspepsia*. I had it for years and all the medicines I took did not do me any good. I read something about "Fruit-a-tives" being good for all Stomach Trouble and Disorders of Digestion, so I tried them.
After finishing a few boxes, I was entirely relieved of the *Dyspepsia* and my general health was restored; and I am writing to tell you that I owe my life to "Fruit-a-tives".
