LLOYD GEORGE ON CONFERENCE

Puts Issue Squarely Before House of Commons in Address Today.

LONDON, May 25.—Lloyd George was greeted with loud cheers today when he addressed the Commons regarding the Geneva conference. The premier said that, after reviewing the objects of the conference and stating the simple facts, he would leave it to the members to judge fairly for themselves whether or not it had been a success. Although peace had been established in Europe it was quite clear that an atmosphere of hostility in certain quarters still remained, he said. As for Russia it was hopeless for her to extricate herself from the pit while she was squalid with misery and without assistance. There were two alternatives to deal with the Russian situation: First, force might be used but that had already failed and had not been suggested at Geneva. The second was to leave Russia to her fate but how, he asked, could Europe be ensured against the risks that policy would involve? The Russo-German agreement was an example of the peril such a course would mean.

ANYOX MAN DIES IN HOTEL ROOM

Moans Only Prelude to Sudden Death of Peter Allison Gibson

Peter Allison Gibson, formerly of Anyox, died suddenly in his room at the Invermay Lodge, Vancouver, Saturday night. Guests of the hotel heard moans from Gibson's room and hurriedly summoned medical aid, but before the arrival of a doctor, the man was dead. According to the police, death was caused by a ruptured artery.

Little is yet known regarding Gibson, other than he registered at the hotel on April 6, and gave his address at Anyox. About two weeks ago he is said to have told an employee of the hotel he had injured himself by falling in an excavation at Victory Square, and was taking treatment.

From letters found among his effects it was discovered that he had a sister, Isobel, living at 3481 Lincoln Avenue, Detroit, Michigan. On the order of Coroner T. W. Jeffs, the body was removed to the city morgue, where a post mortem examination was made.

J. F. Strang, manager of Sunnyside Cannery, returned yesterday on the Prince George from a brief business trip south.

Elks' Victoria Day Celebration Is Crowned With Great Success: Splendid Day's Program of Fun

Empire Day was celebrated in a royal manner yesterday by the men, women and children of Prince Rupert, and Elks reign supreme. It was a day of enjoyment which will long be remembered by all. While the weather man was not over indulgent with the sunshine, and passing showers were the order of the day, the morning broke fine and clear and, but for a heavy shower of rain during the afternoon, which necessitated the calling off of the senior baseball game between the Sons of Canada and the Elks, the day was unmarred.

The Acropolis Hill ground and the exhibition building were alive with a record throng of holiday makers from early morning until midnight and the arrangement went off with the usual regularity and success for which the Elks have earned an enviable reputation. Everybody had been thought of in the entertainment line. During the showers the exhibition building where the carnival was in progress was a very popular rendezvous and at times it was a difficult matter to get around for the throng of happy people gathered.

Opening Parade.

Those of the citizens who were abroad early witnessed a very picturesque and befitting parade for the opening of the celebration. Promptly at 9 o'clock the boys of the Prince Rupert Naval Brigade, Bay it up he was arrested. Upon further examination, the envelope was found to contain two small packets of prepared opium. Ellis was consequently charged in the police court this morning, before Magistrate McClymont, with having drugs in possession. The accused made a strong plea for leniency but the magistrate thought a six months stay at the Okalla Prison Farm would be in the best interests of society generally.

ELKS' VICTORIA DAY CELEBRATION IS CROWNED WITH GREAT SUCCESS; SPLENDID DAY'S PROGRAM OF FUN.

(Continued from Page 1).

Chenoski.

Brownies' race—Chrissie McLeod, Mary Meuse, Evelyn Vickery.

First, second and third prizes were awarded in each race.

The officials in the children's races were Police Chief W. Vickery, official starter, Jack Keefe, Andy Akerburg, Bert Glassay and L. Dewhurst, committee; E. A. Donohoe, announcer.

Intermediate Baseball.

By the time the Intermediate baseball game between the S. O. G.S. and Gil's commenced a large crowd had assembled and, but for an odd light shower, the game was played in fine weather.

It was a splendidly contested match, Gil's having the edge on their opponents to the tune of 9-8 score. D. Robinson as pitcher and Don Graham as catcher composed the battery for the Sons of Canada, while W. Montgomery and "Red" Davidson performed like honors for Gil's. E. A. Donohoe umpired the game and F. V. Delcourt was base adjuster.

Foot Ball Game.

The football game, England and Scotland vs. Ireland and Canada, created a great deal of interest and a bumper crowd was on hand soon after 1 o'clock to witness the well contested struggle, in which Ireland and Canada nosed out visitors by 1-0 score over their opponents.

The teams lined up as follows: Ireland and Canada—Martin, goal; H. Menzies and Bob Mercer, full backs; W. Anderson, V. Menzies and Davis, half backs; D. Robinson, J. Kirby, Marks, Warren and J. Farquhar, forwards.

England and Scotland—Stockdale, goal; Ross and Jack, full backs, Mansell, Kelsey and

Craggs, half backs; Kilday, Roy, Tinker, Lamb and Butters, forwards.

D. McGulloch handled the game well as referee.

The toss was won by the Canadians and Irish who elected to kick down grade and got away to a good start. Within two minutes of play being commenced Marks got to within dangerous distance of Stockdale and beat him with a swift ball. There was nothing really to choose between the teams which were splendidly matched and the game throughout was a good exhibition of football. Although in the second half, the English and Scotch, with the grade in their favor, tried valiantly to equal the score up, they found it impossible and the game ended with the Canadians and Irishmen victorious by a score of 1-0.

A. Clapperton and Davey Wiggin were linesmen.

Scouts' Exhibitions.

The exhibition by the Boy Scouts and Cubs at 2:30 p.m. brought forth much applause.

The manner in which the Scouts performed their Swedish drill evolutions and signalling drill, under Scoutmaster Teng, was highly commendable and reflected great credit on their drill director.

The ambulance section of the Boy Scouts, under Scoutmaster Alex Rix, gave a fine and businesslike display of first aid work and were much admired by the audience.

The Wolf Cubs, under Scoutmaster W. Gibb, gave a splendid exhibition of jiu-jitsu wrestling which was highly instructive and amusing. The little fellows certainly went into the display with much vigor, and proved themselves a credit to their tutor.

The Scouts and Cubs repeated their displays inside the exhibition building afterwards for the benefit of the crowd who were immensely enjoying the fun of the fair and met with a great reception.

Senior Baseball.

"I suffered for three years with terrible eczema. I consulted several doctors and they did not do me any good.

Then I used one box of "Sootha Salva" and two boxes of "Fruit-a-tives" and my hands are now clear. The pain is gone and there has been no return.

I think it is marvelous because no other medicine did me any good until I used "Sootha Salva" and "Fruit-a-tives", the wonderful medicine made from fruit".

between the Sons of Canada and the Elks would undoubtedly have proved to be the tilt bit of the sports program but unfortunately a heavy rainstorm, which started soon after four o'clock, forced the record crowd of spectators and the players to take cover in the middle of the fourth innings. The rain continued with such persistency that the game was eventually called off, the score at the breakup standing 8-3 in favor of the Elks. Geo. Hill, as catcher, and V. Menzies, as pitcher, formed the battery for the S.O.G.S. and Fred Hale, Pitcher, and Geo. Shaw, catcher for the Elks.

P. Laport was balls and strikes umpire and S. J. Evans, bases. In the Building.

In the evening the sun shone brilliantly, and all roads led to the exhibition building where, from 7:30 to 9 p.m., the carnival was in full swing. Everything was at hand from the famous "hot dog" to the nigger babies and the raffle for a sack of flour. The building was soon packed to capacity and the gallery did yeoman service for the accommodation of the record crowd present.

At 8 o'clock the Girl Guides, under the leadership of Mrs. H. L. Roberson gave a very graceful demonstration of flag signaling. Their gracefulness and exactness in executing the drill movement was highly appreciated by all present.

The band concert by the Greenville native band was all that could be desired in the musical line and their operatic selections were beautifully rendered. Serpentine Dance.

Soon after 9 o'clock the floor was cleared and the Greenville band was relieved by the Elks' orchestra, under the leadership of C. Balagno. To the merry tune of one step the floor took on a very animated and brilliant appearance, being soon covered with gentlemen and their fair partners gaily bedecked in colored caps, the majority carrying the Union Jack. Dancing continued until early morning when the playing of the National Anthem brought a wonderful day's enjoyment to a successful close. Empire Day, 1922 will be long remembered by young and old as the greatest Empire Day Prince Rupert has ever celebrated and the victors' laurels will crown the local Elks organization abilities.

The tea room operated by the Ladies of the Royal Purple in the building was very popular. From early morning till late at night their cosy and prettily decorated corner was visited by large crowds. The afternoon tea proved particularly popular and the difficulty was to get a table. Tea and coffee was poured by Mrs. H. L. Roberson, Mrs. T. M. Spence and Mrs. Hemming during the afternoon.

The Elks' committee, the city police, and the fire department are to be congratulated upon the manner in which the large crowd was handled yesterday and for the way in which the safety of the public was cared for. In view of the amount of paper used in the decoration scheme and the danger that may have resulted

STORK VISITS LOCAL TRAIN

Two-Day Old Son of Mr. and Mrs. Charles Lindstrom, Remo, Has Odd Distinction

The stork has, doubtless, ere this time been known to visit trains and boats but to the two-day old son of Mr. and Mrs. Charles Lindstrom, of Remo, belongs the distinction of being the first child to be born on a passenger train on the western division of the Canadian National Railway between Edmonton and Prince Rupert. This young gentleman, on Tuesday afternoon, first saw the light of day in the compartment of Carlisle sleeping car as the westbound passenger train was making its way along the banks of Skeena River. There were no physicians or nurses aboard the train, but the child was successfully ushered into the world, Mrs. C. M. Bushy, of Montreal, who was a passenger on the train coming here to join her husband, taking charge and being given every assistance and courtesy by the train crew in their novel experience. At Tyee a message was sent to Dr. W. T. Kergerin, of this city, and on arrival of the train at 7:15, he and his nurse were on hand and Mrs. Lindstrom and baby were taken to the General Hospital in E. J. Large's ambulance car. Mother and child, a fine bouncing baby boy, are doing splendidly according to report received from the institution today.

Officers of the train, who are vying with each other for the honor of godfathership, suggest that Carlisle would be the appropriate name for Mr. Lindstrom, Jr., when the parents get around to the business of christening.

DEMONSTRATION ON EMPIRE DAY

Annual Event of I. O. D. E. Was Keenly Enjoyed by Hundreds of Children.

The Westholme Theatre was crowded to the doors on Tuesday afternoon with a sea of smiling, happy children, who were entertained by the Municipal Chapter, Imperial Order Daughters of the Empire, at their annual Empire Day demonstration. Suitable talks, songs, musical selections, and movie films of both an educational and humorous character were enjoyed to the fullest extent by some 800 kiddies. Mrs. S. P. McMorie, regent of the Municipal Chapter was in the chair, and accompanying here on the platform were Archdeacon G. A. Rix, Dr. W. T. Kergin, Mrs. E. V. Ling, members of the school board, Principal J. G. Brady, and officers and standard bearers of the various I.O.D.E. chapters.

Mrs. E. V. Ling addressed the children in a brief, but very excellent talk urging upon them the vital importance of good living and good citizenship, citing as her ideal the late beloved Queen Victoria.

The children standing sang "The Men of Harlech," accompanied by the full Westholme orchestra who very generously donated their services to the entertainment.

Archdeacon Rix.

Archdeacon Rix gave an excellent few minutes' chat. He cited the instance of the finding of a tree with the initials "J. L." roughly embedded on the outside bark, which when cut down and boys and girls that our heroes

sawn in half by the woodsmen proved, by the count of the rings in the tree, that the initials were 36 years old and were plainly discernible on the inside of the tree. This occurrence went to show that one could not do any harm without the harm remaining in after years and that if we did wrong the mark would be left with us. The Archdeacon said that on Empire Day the children should make it a day to say: "I love my country, I honor my King, and the first thing I must do and the best thing I can do is to keep my life clean that I may grow up a worthy citizen."

Mrs. Jarvis McLeod sang "Dear Little Boy of Mine," which was greatly appreciated by the youngsters who demanded an encore.

"Rule Britannia" was sung by the children with much spirit, everyone standing.

Principal Brady.

Principal J. G. Brady made a very appealing talk to the children and spoke of the great inspiration which had been accorded to the present generation by the heroism and example set by young Jackie Cornwall, a sailor boy of only 15 years of age, who during the battle of Jutland, aboard one of the British cruisers, though mortally wounded, died at his post of duty still carrying the message of duty upward and onward to us all. The inspiration of this young lad had been the means of establishing special wards in hospitals in England being dedicated to him for the benefit of sailors and soldiers, aims houses for the infant and colleges for boys. Jack Cornwall, the speaker said, was just an ordinary boy at school and it was from the ordinary bark, which when cut down and boys and girls that our heroes

MONEY INVESTED IN VICTORY BONDS can be made to earn larger interest by selling the bonds and investing in first mortgage on improved City property. And the mortgages are just as safe, although not so readily convertible into cash. Money invested in mortgages is, generally speaking, fixed for the term of the loans which run from 6 months to 5 years. Hence the larger rate of interest. Drop in and talk it over.

NADEN HARBOR WHALE STATION OPENING UP

Gray and Grant on Way North and White Following Soon

The whaling tender Gray, Captain Billington, sailed from Victoria last Saturday night for Ladysmith where she will pick up a cargo of coal for Naden Harbor, Graham Island, where is located one of the big stations of the Consolidated Whaling Co. which is resuming operations this season. In her wake on Monday morning the Grant, first of the whalers, left for Naden and at the end of this week the White also sails from Victoria to join forces with the Grant.

"These vessels are being commissioned at once," said Capt. George Le Marquand, manager of the Consolidated Whaling Company at Victoria. "The rest of the fleet may be sent to sea later, as conditions warrant. According to our present plans, we will also have only two of our stations in operation, Naden Harbor and Kyuquot. Rose Harbor, on the southern end of the Queen Charlottes, may be opened up later in the season, if it is needed. This station, and the idle whalers, are in shape to get going again at
