IRISH ELECTION RETURNS SHOW PRO-TREATY PARTY WINNING

Fishing Prospects For Season Reviewed by Chief Inspector Who is Visiting Prince Rupert

Major J. A. Motherwell, chief inspector of Dominion Fisheries, is in the city today on a brief visit to the local office in connection with the opening of the sockeye salmon season which commenced at midnight last night. Major Motherwell arrived direct from Vancouver on the fisheries protection steamer Givenchy last night and is returning south tonight on the same steamer. He is accompanied by his sister, Miss Motherwell.

Major Motherwell stated today that the appointment of a permanent fisheries inspector for District No. 2 had not yet been made but the matter was now before the civil service commission and announcement should be forthcoming within two weeks. In the meantime A. Mackie was carrying on the duties here.

LAST LIQUOR SHIPMENT IN NORTH LAND

DAWSON, June 20. — A train load of liquor worth \$70,000, and an extra carload for Atlin district, rushed through from Vancouver through Skagway from the steamer Princess Louise last Thursday, crossed the boundary into Yukon territory over the White Pass route a few hours before the United States embargo preventing transportation of liquor through Alaska went into effect. This train load of fourteen cars may be the last shipment for Yukon and Atlin for some time.

REPORT OF RAILWAYS

First Three Years of Operation Full of Difficulties Say Directors

OTTAWA, June 20. — "The three year period during which the present board has operated the Canadian National Railways has been full of operating difficulties and disturbed economic conditions. In this period three separate groups of railways have been worked into one smooth system. The physical property of the road has been greatly improved and proper rolling stock and motive power provided." So reads the annual report to parliament of the directors of the Canadian National Railways covering chiefly the features already touched on by the minister of finance in his budget speech.

The Grand Trunk Pacific so far has received \$82,480,000 in advances from the government, exclusive of interest.

The report stresses the necessity for maintaining the property in first class condition.

STEADY IMPROVEMENT ECONOMIC CONDITIONS

Noted by W. S. Fisher, President of C.M.A., in Opening Annual Meeting

ST. ANDREWS, N.B., June 20. — Generally speaking business is steady although very slowly improving. The international situation seems to be clearing and money is easier. Surplus stocks have been reduced and basis production is recovering. Unemployment is decreasing and prices are stabilizing with demand reviving. These statements were made today by W. S. Fisher, of St. John, S.B., president of the Canadian Manufacturers' Association, in the opening address of the fifty-first annual convention.

PRO-TREATY IS WINNING IN IRELAND

Forty-seven Griffith Candidates Elected So Far

DUBLIN, June 20. — The position of the various parties in the Irish parliamentary election so far as reported up to five o'clock this afternoon was as follows:

Pro-treaty, 47.
Coalition Republicans, 26.
Labor, 10.
Independent, 12.

The outstanding feature of the vote is the preponderance in favor of pro-treaty candidates.

"I am afraid that we cannot expect much from the Naas this year," said Major Motherwell. "This condition is partly due to the American traps although it also appears that the run is generally getting less year by year. This spring the Canadian and American fishing authorities tried to get together with a view to regulating the traps by creating close seasons or limiting the quantities of fish to be taken but the Alaska fish commission was unable to do anything although the Dominion Fisheries were ready."

Skeena Outlook Good.

Speaking of the Skeena River, Major Motherwell stated that a fair average run of sockeye was expected this year and other varieties would also be fished more than ever before. The reserve supply of all brands which had been held by the B. C. canners was pretty well cleared out now and there would be a large demand for this year.

In the Rivers Inlet and coast districts a better run than last year was also being looked for, Major Motherwell stated.

"But the amount of fish caught always depends on the weather. Unfavorable weather might cause a short pack even if the fish were running well. The additional 6-hour close period this year will also tend to lessen the amount of fish caught but there is always the great consolation and the main factor that more fish will be allowed to reach the spawning grounds by means of this close season."

PRINCE RUPERT LED ALL U.S. CONSULATES IN RED CROSS FUNDS

Prince Rupert consulate exceeded all others in the donations to the American Red Cross, according to a letter received by U. S. Consul Wakefield from Charles H. Foster, manager. The letter acknowledged the receipt of \$244 made up of 234 memberships at one dollar each and two contributions of \$5 each.

Last year the amount sent in was \$319 and for the two years Prince Rupert led all other American Consulates.

ESKIMOS BEAT CALGARY AT OPENING OF SERIES

EDMONTON, June 20. — The Eskimos defeated Calgary by a score of two to nothing in an exhibition series of baseball games of teams formerly in the international league.

PIONEER FARMER DEAD

VICTORIA, June 20. — William Kingsote, a pioneer farmer of the Quamichan district died yesterday aged 82 years. He settled at Quamichan 46 years ago.

RAILWAY RATES CUT

Proposal Made For Drop in Freight on Basic Commodities

OTTAWA, June 20. — Definite offers of freight rate reductions contingent on the suspension of the Crow's Nest Pass agreement were made by the C.P.R., the Canadian National and the Grand Trunk railways this morning to a special committee of the House on railway transportation costs to apply to certain basic commodities such as grain, forest products, coal, building material, fertilizers, pig iron, ores, etc.

The suggested reductions are 20 per cent for eastern Canada and 16 1-2 per cent for western Canada.

(Continued on Page Three)

STEEL BRIDGE ACROSS HAYS CREEK DECIDED

Plans of City Engineer Adopted Last Night and Cost Estimate Called For

The city council last night adopted the plans of the city engineer for a steel bridge of two spans with trestle approaches to replace the present condemned wooden bridge over Hays Creek on Sixth Avenue. The favorable report of the Board of Works on these plans was adopted and the engineer was instructed to prepare an estimate of the cost.

The plans as submitted called for two steel spans on three concrete piers. The two spans will total 120 feet in length and will comprise about one-fifth of the entire length of the bridge, the remainder of the structure consisting of two timber approaches from east and west. The proposed bridge will be 24 feet wide exclusive of the sidewalks on either side as compared with the present bridge which is 16 feet. The bridge will commence at the junction of Sixth Avenue and Hays Cove Circle on the west and the junction of Ambrose Avenue and Sixth Avenue on the east and will run practically level between these two points, thus being 7 feet 6 inches higher in the centre than the present bridge which has a considerable sag. I will be of such construction that the two approaches at a later date may be changed from timber construction to steel and the entire structure may also be permanently widened.

UNITED STATES RULE AGAINST CARRIAGE LIQUOR AFFECTS B.C.

VICTORIA, June 20. — Hon. A. M. Manson, attorney general, is communicating with Ottawa regarding the United States regulation against the carriage of liquor through American territory. This ruling, which recently went into effect, bars out the supply for government vendors' liquor stores in the northern section of Atlin constituency as well as the Yukon government vendors.

BOTH STEAMERS TO ARRIVE 10 O'CLOCK AT G. T. P. DOCKS

Both the Princess Charlotte, bearing 300 Grand Lodge Masonic delegates from the south for the convention here, and the Prince George, with 190 New York Rotarians on their way East from the Los Angeles convention, are due to arrive here at the G. T. P. docks at 10 o'clock tomorrow morning, city time. The Princess Charlotte will tie up at No. 1 shed and the Prince George, as usual, at No. 2.

TRAGEDY ON KHYEX RIVER

Bodies of Man and Woman Are Found 15 Miles up Stream—Details Are Lacking

Fifteen miles up Khyex river, the mouth of which is crossed by the railway about 32 miles from here, has been found by an Indian the bodies of a dead man and woman. A report to this effect giving only the most meagre details was received yesterday afternoon at 3 o'clock by the local provincial police office and last night Chief Minty dispatched Constables Martin and Gibson to the scene to make a thorough investigation. They will have commenced their trip up the river with the Indian informant by this time and more details may be forthcoming by this afternoon.

The report reached the provincial office yesterday afternoon in an indirect manner. It appears that an excited Indian had reached Skeena city from up the Khyex river and had informed the section man there of his gruesome discovery. The section foreman in turn advised Hugh McLeod, of a railway bridge gang, who telegraphed into the local dispatchers' office from which notification was given the provincial police.

The identity of the dead people is not yet disclosed and it is not even definitely known whether they are white or Indians, although it is believed they are the latter. Whether or not foul play is involved is also yet to be learned.

PRESIDENT HARDING'S VISIT THIS YEAR TO PACIFIC MAY BE OFF

VICTORIA, June 20. — President Harding's visit to the Pacific Coast and Alaska this summer may have to be cancelled owing to the prolonged session of Congress according to private advice which have reached the British-American League here.

ASK PARLIAMENT SANCTION BIG LOAN

OTTAWA, June 20. — Hon. W. S. Fielding intends to ask parliament for authority to raise a loan of \$350,000 to be used in repayment of all maturing loans and obligations inclusive, it is understood, of \$182,000,000 of five year victory bonds issued in 1917 and falling due in December. Part of the loan it is expected will be raised in Canada.

ADMIRAL DIES

LONDON, June 20. — Admiral Sir Lewis Beaumont, retired, 75 years of age, is dead.

RATIFY TREATY OF WASHINGTON

Canadian Parliament Unanimous in Regard to it; Appreciation of Borden

OTTAWA, June 20. — The House of Commons at Ottawa unanimously ratified the treaties passed at the Washington Armaments Conference, the leaders of the three parties expressing confidence in the treaties and thanks to President Harding for calling the conference.

Fl. Hon. Mackenzie and Hon. Arthur Meighen also paid tribute to Sir Robert Borden as Canada's delegate to the Washington conference.

THIRTY PERCENT CENT CUT IN MINERS WAGES ADVOCATED BY CONCILIATION BOARD

OTTAWA, June 20. — The Knowles board of conciliation, which investigated the wage dispute in district 18 United Mine Workers of America have issued a majority report recommending a wage cut of an average of 30 per cent.

W. E. Knowles of Moosejaw, chairman, and E. Ostlund, miners' representative, concurred in the finding while G. Drinnan, representing the operators issued a minority report recommending wage cuts of from 37 to 40 per cent.

The coal mines in this district which comprises Eastern British Columbia and all southern Alberta, have been closed down since March 31, when the operators announced wage cuts of 50 per cent.

The majority report of the board found that in the Drumheller district the miners received a miserable income and they condemned the part time employment as a curse to the coal mining industry.

WAGE QUESTION UP ONCE MORE

Ald. Collart Wants to Know What Right Finance Committee Has to Raise Salaries.

Ald. Collart has appealed to the council in regard to the actions of his own Finance Committee. An employee in the City Hall had been given a \$15 a month raise in salary by the Finance Committee. Did the committee have the right to take this action? Personally, he was opposed to any increases of salary at this time. Any man who had a job now should be glad to hold it to say nothing of getting an increase in pay.

Ald. Perry remarked that it seemed strange that Ald. Collart would have such a question to ask the council about his own committee. Who was the person who had had his salary raised. "His name is Vickers and he was increased \$15 a month. Other applications for raises, I understand, are pending," replied Ald. Collart.

Mayor Explains.

The Mayor explained that the case referred to was that of Frank Vickers in the treasurer's office. Last year he had received \$135 a month and the man in the box had received \$150. Mr. Vickers had been put in the box and the Finance Committee, at the end of last year, had recommended that he be given \$150.

As a general rule, the mayor said that he did not favor increasing salaries but in this case he maintained it was warranted.

Ald. Montgomery wanted to know who had been in the box before, the mayor replying that W. C. Reith had formerly held this position. The only reason that he had not been reduced to \$135 had been that he had been getting \$150 before he went in the box. Therefore it had been deemed by the finance committee that he should not be cut.

Opposed to Policy.

Ald. Collart wanted to know if each committee was to be allowed to increase salaries in its own department. He had understood it was a matter for the council to decide. Ald. Perry said he was opposed to the policy of the committees setting salaries.

Ald. Montgomery declared that he concurred in the view that committees should not set salaries. Such a policy would lead to serious results. By the particular transaction in question, the city had gained nothing. If one man had fallen down on the job he should get out altogether and allow another man to fill his place. That would perhaps be better than having his salary reduced.

WAGE QUESTION UP ONCE MORE

Ald. Collart Wants to Know What Right Finance Committee Has to Raise Salaries.

Ald. Collart has appealed to the council in regard to the actions of his own Finance Committee. An employee in the City Hall had been given a \$15 a month raise in salary by the Finance Committee. Did the committee have the right to take this action? Personally, he was opposed to any increases of salary at this time. Any man who had a job now should be glad to hold it to say nothing of getting an increase in pay.

The Mayor explained that the case referred to was that of Frank Vickers in the treasurer's office. Last year he had received \$135 a month and the man in the box had received \$150. Mr. Vickers had been put in the box and the Finance Committee, at the end of last year, had recommended that he be given \$150.

As a general rule, the mayor said that he did not favor increasing salaries but in this case he maintained it was warranted.

Ald. Montgomery wanted to know who had been in the box before, the mayor replying that W. C. Reith had formerly held this position. The only reason that he had not been reduced to \$135 had been that he had been getting \$150 before he went in the box. Therefore it had been deemed by the finance committee that he should not be cut.

Opposed to Policy.

Ald. Collart wanted to know if each committee was to be allowed to increase salaries in its own department. He had understood it was a matter for the council to decide. Ald. Perry said he was opposed to the policy of the committees setting salaries.

Ald. Montgomery declared that he concurred in the view that committees should not set salaries. Such a policy would lead to serious results. By the particular transaction in question, the city had gained nothing. If one man had fallen down on the job he should get out altogether and allow another man to fill his place. That would perhaps be better than having his salary reduced.

\$200 LICENSE FOR ALL CLUBS

New Municipal License Fee is Provided for in Civic Bylaw Introduced Last Night.

All clubs in this city will have to pay a \$200 annual license fee and will have to have regularly appointed managers with \$10 license fee if a bylaw which received its first reading at last night's council meeting is finally adopted. This bylaw was not discussed after its introduction last night in view of the fact that Ald. Dybbhavn, who was to have brought it in, was not on hand. As it was Ald. Collart acted as its father last night. It will provide for a new license as far as the city is concerned and all clubs will come under its ruling.

PRISON SHIP AT BELFAST

Former U.S. Shipping Board Vessel Used to Confine Sinn Feiners

BELFAST, June 20. — Former United States Shipping Board vessel Argente has been refitted as a prison ship in which to confine Sinn Feiners captured by the Ulster government in the recent roundup. She will be stationed in Belfast Lough.

Shots were fired early today in the vicinity of Stomont Castle which was purchased by the Ulster government as the official residence of Sir James Craig, premier, who with his wife took up residence there last night.

The attack on the Premier's home is more serious than was at first reported. Several bullets struck the building where Sir James and his wife were sleeping. It is believed an attack on the castle was contemplated but frustrated by the police.

ATTACK PREMIER'S HOME

Shots Fired at Stomont Castle Occupied by Sir James Craig

BELFAST, June 20. — Former United States Shipping Board vessel Argente has been refitted as a prison ship in which to confine Sinn Feiners captured by the Ulster government in the recent roundup. She will be stationed in Belfast Lough.

Shots were fired early today in the vicinity of Stomont Castle which was purchased by the Ulster government as the official residence of Sir James Craig, premier, who with his wife took up residence there last night.

The attack on the Premier's home is more serious than was at first reported. Several bullets struck the building where Sir James and his wife were sleeping. It is believed an attack on the castle was contemplated but frustrated by the police.

A reception will be held at the Prince Rupert Club on Thursday afternoon from 3.30 to 5.30 for the visiting ladies. All local Masons' wives are invited. Also boats will be at the Prince Rupert Boatouse for those who prefer a water trip.

Tricky Resolutions In House of Commons.

Now and then tricky resolutions are introduced into the House of Commons and it is extremely difficult to know how to vote in such a case.

Of course a great many people were in sympathy with the dairy industry and voted for the resolution, among them being the member for Skeena and also the minister of agriculture.

To put a duty on oleomargarine would have been perfectly correct, as long as duties were placed on other food products.

Doubtless dairymen are suffering an injustice in that they are prosecuted if they put oleo in their butter, whereas the oleo manufacturers may use milk to disguise the character of their product.

Doubtless many of those who opposed the drastic measure of the member for Comox-Alberni would support a more reasonable measure.

Not Closely In Touch With China.

Canadians are not closely in touch with China. Although there is a considerable Chinese population in this country, Canadians do not learn to speak Chinese nor, as a rule, are they on such terms with the Chinese residents as to discuss with them the politics of their country.

There is very great difficulty in getting exact information in regard to China. Local Chinese are biased, according to their political leanings and they are not always well informed.

Outbreak Of Fires In the Interior.

The outbreak of fires in the interior warrants the attention of the public. The number of fires is over eighty and over two thousand dollars has been spent in fighting them in the Prince Rupert district alone.

Most of the fires are the result of carelessness. Bridges, settlers' homes and outbuildings have been destroyed and last but not least, valuable timber and young growth have also been made of no value.

During last winter five hundred people between Terrace and Endako received employment in the tie and pole camps. Others earned money at trapping and yet others through the attractions of the fine scenery of the district all of which are destroyed or nearly so when a fire goes through the country.

Many of the fires are the result of leaving the camp fire burning or carelessly throwing down the end of a lighted cigarette or match.

From May 1 to October 1 is a closed season for burning the forests. No clearing fire may be set out without a permit from the local forest officer.

TARIFF DEBATE U.S. CONGRESS

Wanton Discrimination Against Canada Declares Democratic Leader.

WASHINGTON, June 20.—(By Canadian Press)—As the tariff debate in the Senate proceeds and the details of the tariff bill unfolded, it becomes more and more clear that the finance committee has, fixed many of its rates in such a way as to aim them at Canada.

Democratic View.

Senator Simmons, democratic leader on the finance committee, made this interesting statement of the case:

"The present proposition of the committee is that we are to have absolutely free trade in cement unless the cement happens to come from Canada, unless it is produced across this artificial border which separates the United States from Canada.

Why Discrimination?

"What have we against Canada? Why should we single her out for discrimination? We recently passed here an emergency tariff bill by which we practically embargoed most of the things which Canada sold to us, and that in the face of the fact that Canada was, next to Europe, our best customer in all the world.

Wanton and Foolish.

"Now after having dealt her this body blow, it is proposed to establish free trade with all nations in cement except with Canada, and to impose in the case of Canada a rate twice as high as the committee attempted to impose against the world, but from which they have receded, thereby admitting and confessing that it was an unjust and unwarranted duty.

"I remind the country that in the Senate debate on the so-called emergency tariff bill I predicted just what has since happened with respect to the disastrous effects of the bill, when enacted, would have upon our commerce with Canada.

The Man in the Moon SAYS:-

ITS only an unkind person who would say British Columbia is a quite suitable place for a Shriner to visit.

FRANCE says the Hague conference must be like a social club—politics is barred.

A MAN who was bitten on the neck by flies remarked: Flies rush in where angels some day may tread.

WOMEN dress these days to show that they have just as much backbone as men.

SOME of the girls say they

don't like the radiophone as well as the radio telegraph. There seems to be an absence of sparking.

JINKS says he can understand a roaring clothing sale, but why "rip" roarin'.

THE rip comes later when you catch your pants in a nail.

SOME of the people in the effete east are much relieved. They may continue to brew their own beer.

YES, there is another reason for abolishing cigarettes. Someone started a fire when he threw away part of one.

ANOTHER good reason why cigarettes should be abolished is

because most people like smoking them.

THERE is a rumor that a lot of Prince Rupert people are about to move to Fiji. They say it would be a treat to go somewhere where the rainfall was over twenty inches a month.

ONE of the things that will not get us far is wishing for the right kind of weather on Wednesday and Thursday.

ONE of the things that does not get me very rich is wishing I had a million dollars.

ONE of the things that does not mean much is remarking "Its devilish hot."

THE most scathing remark

you can make about a person is to say that his word is worth as much as a Soviet ruble.

IF you wish to be a millionaire send over a ten dollar bill and buy a million rubles.

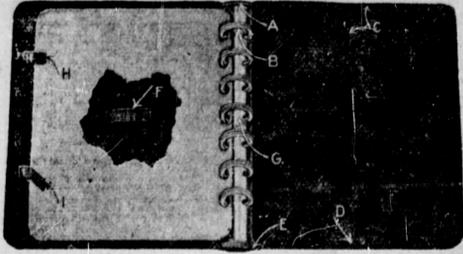

MERCILESS.

"You say that this man has a grudge against you?" demanded the Judge.

"Yes, your Honor," replied Bill the Beggar. "When I was blind he used to steal the pennies from my cup, and when I was a cripple he'd run down the street with my box of pencils."

"Anything else?" "Yes, your Honor. Once when I was deaf and dumb he shot of a firecracker underneath me."

Charles Stewart was found guilty of intoxication by Magistrate McClymont in the police court this morning and was fined \$50.

Charles Wall, of the Houston Rooms, was fined \$10 in the police court this morning for failing to report as required under the rooming house by-law.

Alfred Allan, charged with indecency, appeared in the police court this morning and was remanded until tomorrow morning. Information was laid by Mrs. Ytreberg.

The city is to call for tenders for the labor of painting the city hall, the council to provide the materials. A report from the Board of Works to this effect was adopted by the city council last night.

Yesterday about 125 of the Shriners who visited the city called at the U. S. Consulate and were entertained briefly by Consul Wakefield. At the dock they gave Mr. Wakefield three cheers as the steamer pulled out.

C. K. Howard, general tourist agent of the Canadian National Railways, arrived on last night's train from Montreal to meet the Rotary excursionists tomorrow and accompany them East as far as Montreal as representative of the railway company.

A letter from the Union of Canadian Municipalities asking this city to be represented at the annual convention of the Union to be held in Winnipeg on August 8, 9 and 10 was received by the council last night and ordered acknowledged and filed.

Tenders for one 18-inch reflux valve were received by the city council last night and referred to the Board of Works for action. The tenders were as follows: Smith & Mallett, \$324 and \$344.75; Roberts & Godson, \$376.45; Crane Ltd., \$327.55.

Tenders for 10,000 feet of No. 16 and 2,000 feet of No. 19 telephone wire were received by the city council last night and referred to the Utilities Committee with power to act. Tenders were as follows: Parkin & Ward, \$207.68; W. R. Love, \$207; Prince Rupert Supply Co., \$210.90 Canadian General Electric \$207.68; Northern Electric, \$207.68.

The class recital given by the students of St. Joseph's Academy last night was a delightful affair much appreciated by the many persons, the most of whom were parents, who attended. The children acquitted themselves in splendid manner reflecting much credit on their training. Father McGrath presided and, at the end of the program, made a few suitable remarks of encouragement to the students and teachers. Mother General Victoria, of Toronto, head of the Sisters of St. Joseph of Canada, and her companions were also present.

The program was announced by Miss Virginia Riel and the following pupils took part: Miss Rose Moran, Edgar Couture, Miss Lottie La Voie, Miss Irene La Voie, Miss Helen Mae Hall, Miss Evelyn Vickers, Miss Ruth Gillies, Miss Doris Gandow, Miss Aletta McKinley, Miss Shirley McEwen, Miss Irene Gavigan, Walter Smith, Miss Florence Smith, Miss Mary McCaffery, Miss Margaret McCaffery, Miss Helen McCaffery, Miss Jean Grievie, Miss Lucy O'Brien, Miss Muriel Adams, Miss Marjorie Wagner, Miss Verna Thompson, Miss Elaine Roberge, Miss Agnes Roberge, Miss Laura Frizzell, Miss Vera Shockley, Miss Mary Evans, Miss Jean Wilson, Miss Mary McRae, Miss Doris Shockley, Miss Agnes Gratton, Miss Loraine Grant, Miss Kathleen Morrison, Miss Norma Rogers, Miss Alice Spencer, Miss Alice Nelson, Miss Lorna Tite and Miss Dorothy Thompson.

SPLENDID RECITAL HELD AT CONVENT

Students of St. Joseph's Academy Acquired Themselves Very Creditably Last Night.

The class recital given by the students of St. Joseph's Academy last night was a delightful affair much appreciated by the many persons, the most of whom were parents, who attended. The children acquitted themselves in splendid manner reflecting much credit on their training. Father McGrath presided and, at the end of the program, made a few suitable remarks of encouragement to the students and teachers. Mother General Victoria, of Toronto, head of the Sisters of St. Joseph of Canada, and her companions were also present.

The program was announced by Miss Virginia Riel and the following pupils took part: Miss Rose Moran, Edgar Couture, Miss Lottie La Voie, Miss Irene La Voie, Miss Helen Mae Hall, Miss Evelyn Vickers, Miss Ruth Gillies, Miss Doris Gandow, Miss Aletta McKinley, Miss Shirley McEwen, Miss Irene Gavigan, Walter Smith, Miss Florence Smith, Miss Mary McCaffery, Miss Margaret McCaffery, Miss Helen McCaffery, Miss Jean Grievie, Miss Lucy O'Brien, Miss Muriel Adams, Miss Marjorie Wagner, Miss Verna Thompson, Miss Elaine Roberge, Miss Agnes Roberge, Miss Laura Frizzell, Miss Vera Shockley, Miss Mary Evans, Miss Jean Wilson, Miss Mary McRae, Miss Doris Shockley, Miss Agnes Gratton, Miss Loraine Grant, Miss Kathleen Morrison, Miss Norma Rogers, Miss Alice Spencer, Miss Alice Nelson, Miss Lorna Tite and Miss Dorothy Thompson.

FISHING PROSPECTS FOR SEASON REVIEWED BY CHIEF INSPECTOR WHO IS VISITING PRINCE RUPERT.

(Continued from Page One.)

cannot products an advantage over those of all other countries including United States and Japan. This preferential tariff amounted to some 75c difference on Canadian pinks over American. This the United States was very anxious to overcome for they were keen to get the French trade. In order to meet the desired end they were going to come here this year and buy pinks at an increased price thus establishing a higher price than Canadian canners would otherwise have to pay. They would only buy a small proportion of their fish here, just sufficient to set the high price here, and then they would go back to Alaska and buy the most of their own fish caught there at much lower prices than were paid here. Thus they intended to wipe out the 75c per case advantage given by tariff to Canadian fish in France.

"It is quite a cute trick and it looks as if it will work," observed Major Motherwell.

Spring Run Not Good.

Speaking of fishing conditions to date Major Motherwell stated the run of springs on the Skeena had not been very good although the Naas had been fair until quite recently.

The sockeye season opened last night and the canners would be putting up fish from now on right to the close of the season. All fifteen canneries on the Skeena were operating this season fishing for them all having started today. The boats of North Pacific cannery were the only one that had reported up to this morning. Only one or two fish had been taken to a boat but these boats had been close

in. Better information from the boats going further out would probably be available by tomorrow.

Major Motherwell stated that he would be back in the district again next month to make his annual inspection with the local inspector. At that time the entire district would be covered.

Many Official Visits.

"We expect to be busy this summer around Prince Rupert for many official visits are to be paid," said Major Motherwell. "Hon. Ernest Lapointe, minister of fisheries, and his deputy minister, Alex. Johnstone, or the assistant deputy, W. A. Found, are expected.

"The sub-committee of Marine and Fisheries will also be investigating here, it is understood. William Duff, member for Lunenburg, the chairman, is expected to conduct an examination of conditions on this coast together with the B. C. members of the committee, Fred Stork, A. W. Neill and W. G. McQuarrie.

"J. A. Todd, superintendent of fish culture for the Dominion, is also expected from Ottawa in the course of the season."

Prosperous advertising means regular continuous advertising.

GIFTS THAT LAST

You Needn't Be Afraid of Hurting the Enamel

HOT water and soap will keep SMP Diamond and Pearl Ware perfectly clean. But take a steel knife to scrape the pot if you want to. It's quicker, sometimes, than leaving it to soak. You can't scratch SMP Diamond or Pearl Ware with a knife any more than you can scratch a plate.

SMP Diamond or Pearl WARE

"A Face of Porcelain and a Heart of Steel"

Scratch-proof, rust-proof, acid-proof. Coated with the wonderful SMP enamel over pressed sheet steel.

You'll recognize them on sight. Diamond is blue and white outside and milk-white inside, with three coats of enamel. Pearl is grey and white, with two coats. Be sure of the trade mark, "SMP" and the word "Quality," in the pointed shield.

Do you know that a Diamond or Pearl Ware pot that sold for \$1.50 last year, can be bought now for 90 cents?

MASONIC PARTY DUE TOMORROW AT 10 O'CLOCK

The C. P. R. Steamer Princess Charlotte, Captain W. J. Boyce, is due here tomorrow morning at 10 o'clock (city time) with the 200 or more Masons coming from Vancouver, Victoria and other southern points for the fifty-first annual communication of the Grand Lodge of Masons of British Columbia. The vessel left Vancouver at 11 o'clock last evening with all accommodations filled. A stop will be made this evening from 7 to 8 o'clock at Ocean Falls where further visitors from that point as well as C. H. Orme, district deputy grand master, who went south on Sunday night to meet the excursionists, will be picked up.

The Charlotte will arrive with her passengers in time to allow the members of the Grand Chapter to take part in the annual communication of the Grand Chapter which will commence first thing tomorrow morning. The Grand Chapter fish banquet, tendered to the visiting Chapter members by the local chapter, will also be a part of tomorrow's proceedings. The day will be wound up with the Grand Masonic Ball at the Auditorium in the evening given by Tyee and Tsimpean Lodges.

Thursday's Proceedings. The Grand Lodge communication will start on Thursday morning and will continue into Friday. On Thursday night will be the Masonic banquet in the Auditorium where Tyee and Tsimpean lodges will again be hosts to the visitors.

At midnight on Friday night the Princess Charlotte will leave for the south on the return voyage. The steamer will again call at Ocean Falls at noon on Saturday when two hours will be allowed for the excursionists to inspect the plant of the Pacific Mills. The vessel is due back in Vancouver on Sunday at noon.

Matthew Alexander Haslett, of Ocean Falls, has been appointed a justice of the peace, according to an announcement made in the B. C. Gazette this week.

COULDN'T DO HOUSEWORK HEART WAS SO BAD

Many women get weak and run down and unable to look after their household duties owing to the heart action becoming impaired or the nervous system unstrung. Nature intended women to be strong, healthy and happy instead of sick and wretched. But how can a woman be strong and healthy when day in and day out she has to go through the same routine of work, sweeping, dusting, cooking, washing, etc. Is it any wonder that the heart becomes affected and she gets irritable and nervous, has hot flashes, faint and dizzy spells, smothering and sinking spells and can't sleep at night?

To all women whose heart is weak and whose nerves are unstrung we would recommend MILBURN'S HEART AND NERVE PILLS as the best remedy to tone up the system and strengthen the weakened organs. Mrs. Daniel Beaton, Loganville, N. S., writes:—'I was troubled with a weak heart for nearly two years I am writing to tell you what your great remedy, Milburn's Heart and Nerve Pills, has done for me. My heart was so bad at night I could not sleep, I would take smothering spells, and was so weak I could not do my household work. I tried two doctors, but got no results. A friend advised me to try your pills. I used six boxes and am completely relieved. I think they are the best remedy for heart trouble there is.' Price, 50c a box at all dealers, or mailed direct on receipt of price by The T. M. Burn Co., Limited, Toronto, Ont.

NEW GRADING PLAN ADOPTED

Streets in Northwest Portion of Section 5 to Be Graded at Cost of \$36,000.

The city council last night adopted a report of the Board of Works recommending that Fourth Avenue West between Agnew Place and Dunsmuir Street, Fifth Avenue West between Agnew Place and McBride Street, Agnew Place from Fourth to Fifth Avenues and Dunsmuir Street from Fourth to Fifth Avenue be graded and surfaced with local crushed rock at a total cost of \$36,000. The graded streets will also have 6 foot sidewalks on one side, and the entire work is to be done under local improvement. Endorsement of the plan was moved by Ald. Perry and seconded by Ald. McLeod. The city engineer was instructed to take the necessary steps to get the work started and the matter of financing was referred to the finance committee.

The lifetime of the grading will be 30 years and the cost will be \$6,166.20 per front foot abutting, to be paid for in 30 annual instalments. The sidewalks will have a lifetime of 5 years, will cost \$5,000 and will be paid for in five years.

Ald. Collart insisted that lots on Fourth Avenue east of Dunsmuir Street should be given access also and it was decided, after some discussion, to have the city engineer bring in an estimate for the cost of a 16 foot plank roadway to connect Dunsmuir Street with the blind lane east of it. The city engineer reported that grading here would not be an economical measure for there was a grade of 11 per cent.

EXPECT TO FIND OIL IN KISPIOX VALLEY

Editor of Omineca Herald Says Matter is Being Taken Up By Outside Interests.

C. H. Sawle, proprietor of the Omineca Herald, who was in the city yesterday was enthusiastic over the oil prospects in the Kispiox valley. He says that J. J. Lynch, Dominion geologist, who went through the valley just before the war on his way to the Ground Hog country, made a rough report which was very favorable to the country from the oil producers' point of view.

Mr. Sawle says cretaceous fossils are found throughout the valley and that is one of the best oil indications. The formation indicates the existence of oil and as a result of recent explorations and movements eastern and southern people are being interested in the field. A Dominion geologist is expected this summer to make a further surface examination.

Mr. Sawle says there will be more land available for small holdings there this year. Part of the townships which have been held out of use will be marketed and this will make for better conditions in New Hazelton. The difficulty in the past has been that practically all the land was either surveyed into city lots or held out of use awaiting developments.

CITY SOLICITOR TO PREPARE FOR SCHOOL INQUIRY

On request of the school board, the city council last night instructed the city solicitor to advise the board as to the procedure to be taken with a view to having a public inquiry into the Booth Memorial school affair so that the public might be satisfied and the blame placed where it belongs. The action was taken after a letter from the School Board with this end in view had been read.

Ten Years Ago in Prince Rupert

June 20, 1912. L. W. Patmore, acting on behalf of certain property holders, has written to the city council announcing that application will be made to have the money by-laws, which were recently passed by narrow margins at a plebiscite, quashed.

The Ketchikan baseball club has written to Prince Rupert asking for a series of games to be played here on July 1 and there on July 4. The offer will have to be turned down since Prince Rupert has not a suitable ball park. The offer of Hazelton to guarantee expenses for a trip there with games on June 30 and July 4 has been accepted.

O. B. Salmon, managing director of the Salmon River Bear Mining Co., returned yesterday from Stewart. He says the future of the Portland Canal district from a mining standpoint is assured.

THREE BOATLOADS OF LIQUOR SEIZED LAST WEEK AT KETCHIKAN

Men in Jail and Booze in Bank—Prohibition Officers Active in Northern Town

KETCHIKAN, June 20. — Five men, Peter Newman, Mike Halvorson, Peter Olson, Alfred Nelson and Charles Pratt were arrested and three boats were seized by prohibition officers last week. The three boats were loaded and were manned by the five men, four of whom are now in the federal jail awaiting trial under the Alaskan prohibition laws. Newman was discharged at his preliminary trial due to lack of evidence. The liquor is at present stored in the safety deposit vaults of the Miners' and Merchants' Bank.

NURSES ADVISE

Zam-Buk, because they have proved that it does what is claimed for it. Miss E. L. Dorey, graduate nurse, of 2220 Michigan Ave., Chicago, says: 'I have a patient who suffered terribly with piles. Zam-Buk is the only remedy that gave her relief. I have used Zam-Buk myself for the same ailment, also for sores and burns, and have the greatest confidence in it.'

BUILDING COMMISSION IS RECOMMENDED BY CIVIC BOARD OF WORRS

In compliance with the requirements of the Building By-law, the city council last night received a report from the Board of Works recommending the appointment of a commission to supervise the observing of the bylaws both as regards present buildings and new ones which may be built. The report, which is an outcome of the recent visit here of the provincial fire marshal and the subsequent reports of the fire chief and the building inspector, recommends changes in present building and closer observance in future of the requirements of the bylaws. It was tabled for a week.

CALLIES WIN FIRST GAME

Successful Over Sons of England
in Dominion Day Preliminary
Last Night—1 to 0.

The Callies, in defeating the Sons of England last night by a score of 1-0 in the preliminary round for the Dominion Day cup, have at last smashed the "jinx" which it is said has been riding them to defeat. From the manner in which they played it looks as though the Scotchmen are going to stage a "come back" in the second half of the season which will put even more zest into the local football world than has already been displayed. The final for the Dominion Day cup on July 1 between the Sons of Canada and the Callies promises to be the tit bit of the season's sporting events. The play throughout last night was very spirited and clean and no one begrudged the Callies their well merited victory.

The teams lined up as follows: Callies—Martin, goal; Kinghorn and Currie, full backs; Abbott, Murray and Anderson, half backs; Smith, W. W. Mitchell, Kilday, Gay and Sellers, forwards.

Sons of England—Stockdale, goal; Lambie and Farquhar, full backs; Mansell, Kelsay and Shaw, half backs; Hodgson, Wiggins, Tinker, Hamellon and Craggs, forwards.

Bob Mercer handled the game as referee very efficiently.

First Half.

The Sons won the toss and took the field on the up grade. The game opened hard and fast with the Scots a trifle slower on movement than the Englishmen who were always dangerous in the breakaway. The first real opening came to the Callies, Murray letting Smith away on the right who crossed nicely and Mitchell got possession of the leather, which however was put over the ar from a good position. After some midfield play the Sons had a chance but Tinker put the ball past as also did Kilday at the other end. Numerous good openings were lost by the Scots, there shooting being mostly responsible for the blank score sheet.

Craggs, for the Sons, had a great run on the left forcing Martin to come out but he shot wildly over the bar.

Tinker looked like getting away but Kinghorn relieved. A dangerous looking movement by the Scots was spoiled by Mitchell handling.

At half time the score stood Callies 0, Sons, 0.

Second Half.

From the commencement of the half the Sons forced the play but Murray cleared and the Scots forced the game on the right. However, Gay missed a good chance, and a raid on Martin by the Sons almost gave them the first point, but Tinker missed a golden opportunity. Currie let Sellers away on the left who, making good progress, crossed nicely.

Mitchell got possession and drove hard at Stockdale who just palmed out for Mitchell to find the net.

From the centre the Sons forced the game, and both Tinker and Wiggins tried. The Sons had two dangerous raids and all odds were on them scoring but the ball was ultimately cleared. The Sons rallied back to the attack and Martin had to be on his toes to clear from Tinker.

32

A slight stoppage in play was made on account of Smith being wounded.

On the bounce the Scots made progress but Mitchell put past. Midfield play followed. The Sons forced corner but Kinghorn relieved with a hard clearance. The game came to an end with the Scots leading by the only goal scored.

Dick Howe and A. Clapperton acted as linesmen.

Sport Chat

After a backward spring, trout fishing is at last proving very successful and during the past fortnight or so many good catches have been recorded. Especially were anglers in good luck over the past week-end and Cloyah, Shawatlans and Mile 21 all gave good results. Water and weather conditions seem to be suitable now and the most of the experienced anglers have had no difficulty in filling their creels. With so many good catches made at the end of last week, there will, doubtless, be many other parties hieing forth to the deep and shady pools this week.

Bill Williscroft, who won't look at anything under 2 feet in the trout line now, doesn't need to read the first of these two rules governing angling in the province:

Size limit—No trout of any kind under 8 inches in length shall be taken from the waters of British Columbia and if taken shall be immediately returned to the water alive and uninjured.

Limit per day—No one shall take in one day by angling or trolling more than 25 cut-throat, rainbow or Dolly Varden trout, salmon-trout or Rocky Mountain whitefish or of the different species named than will in the aggregate amount to more than 25 fish.

In the second baseball game of the season between Hyder and Stewart last week, the former team doubled its victory of a week ago by again winning 11 to 2. So far this season, the Alaskan team has been showing its superiority over the Stewart aggregation but the latter team is preparing to turn the tide. The Ketchikan half team was in Hyder last Sunday and a series of two games were played. The Ketchikan team came around in a zashoot and returned the same way.

INDIAN WINS TENNIS AGAINST ROUMANIA

BECKENHAM, June 20.—In the elimination Davis Cup tennis tournament between India and Roumania here, the team of A. A. Fyze of India defeated that of Nicholas Mishu of Roumania. Fyze defeated M. Stern, the Roumanian.

A homely young English chap, having his view obstructed by the headgear of the girl in front of him ventured to protest. "See here, miss," he said, leaning over, "I want to look as well as you."
"Oh, do you?" she replied in a rich Cockney accent. "Then you'd better run 'ome and change yer face."

ECONOMY LAUNDRY SERVICE

Our new process, "washing by the pound," is becoming decidedly popular with those who are quick to recognize good value for their money.

- The main features of this service briefly are:
1. Economy, a decided saving, particularly on the smaller articles of the family wash.
2. Each bundle handled individually.
3. All flat pieces ironed and folded in the usual manner.
4. Most pieces ready to wear or use when returned.
5. No marking of any kind.
6. Two day service.
We solicit a trial order.

CITY'S POPULATION RECOGNIZED 6,000 ON LIQUOR PROFITS

This Figure to be Used by Provincial Government—Balance on Last Division to be Paid

The city clerk reported to the city council last night that on his recent visit to Victoria he had learned from the provincial government that it was the intention to remit to this city its share of liquor profits as at the end of March of this year based on a population of 6,000 people. There will also be an additional remittance for balance due from the October share when the division was made at a figure of 4,000.

CORKSCREWS ARE ALL GONE; DEARTH IS THREATENED

As a result of the visit to the city yesterday of passengers from the C.P.R. steamer there is not a corkscrew left in the local hardware establishments, it is reported this morning. Even can openers with corkscrews attached have been pressed into service and unless immediate steps are taken to relieve the situation there is likely to be a terrible dearth this week.

It is possible that one of the teamers arriving tomorrow may have on board a supply of the necessary little articles.

SEVENTH HOME RUN

CLEVELAND, June 20.—Babe Ruth hit his seventh home run of the season in the game against New York yesterday.

ALDERMAN COLLART SUGGESTS A LITTLE CLEAN-UP THIS WEEK

The old Phoenix Theatre on Second Avenue should not be allowed to remain standing and cows should not be allowed to wander along the main street on their way to pastures green while Masons, Rotarians and Shriners are visiting Prince Rupert this week. That is what Ald. Collart told the city council last night. His remarks were politely listened to but nothing was done. In regard to the cows His Worship and the city's legal adviser were of the opinion that they had every right to use the main street as long as they were in care of some one. The solicitor remarked that the streets were made to be used and he seemed to be of the opinion that if the lowing herd could successfully wind o'er the civic sea without becoming entangled in the maze of vehicular traffic there was nothing to prevent them from doing so.

The artistic alderman referred to the Phoenix Theatre as a monument and a fire risk. As he had innocently passed by last winter the vibration thereby occasioned had caused a little piece of plaster to precipitate on to his unoffending head. What might be the disastrous effect to one less hardy than he? A child? Or a Mason, a Shriner or a Rotarian? Either the eyesore had better be torn down by the city or a municipal issue of helmets made. As an alternative, Ald. Montgomery said that "the monument" might be preserved and a fence put around it to keep sight-seers at a safe distance.

Regarding the cows, Ald. Collart announced that he would call upon the mayor, as chief magistrate, to see that they were routed otherwise than on the main

CINDER WALK WILL BE BUILT ALFRED STREET FOR \$300

The residents of Alfred Street, whose petition for a 16-foot plank roadway has been before the council for some months, are to be notified that owing to the cost of \$7,600 being involved in the building of such a road, the proposition cannot be proceeded with at the present time. Instead the city is to put in on Alfred Street connecting Tenth Avenue with the present sidewalk on that street a cinder walk at a cost of \$300.

CITY TO RESERVE SHAWATLANS LAKE AS WATER SUPPLY

Application to the controller of water rights of the province is to be made by the city for a reserve on Shawatlangs Lake for domestic water purposes in order to provide against the possibility of a breakdown of the Woodworth supply. A report from the city clerk recommending that this be done was adopted by the council last night. Mr. Woods also reported that, on his recent visit in Victoria, he had been successful in having the provincial government waive an account of \$726.50 for fees due for several years past on the city's reserve on Shawatlangs Lake for power purposes which had not been used and for which there seemed to be no necessity. A vote of thanks was passed by the council to Mr. Woods for his successful efforts in having this account written off.

FISH ARRIVALS.

Alliance, 10,500 pounds, sold

FIFTEEN BOILS ON NECK AT ONE TIME

Anyone who has suffered from boils can sympathize with poor old Job.

There was no Burdock Blood Bitters in those days, so Job had to suffer in silence. Nowadays no one need endure the misery of boils.

Boils are simply evidences of the bad blood within coming to the surface and just when you get rid of one, another seems ready to take its place and prolong your misery.

All the poultices and lancing you may do will not stop more coming.

What you have to do is take **BURDOCK BLOOD BITTERS** and the blood will be cleaned of all its impurities, and then every boil will disappear.

Mr. Roy McSwain, High Bank, P. E. I., writes: "I was troubled with boils for some time, and had as many as fifteen on my neck at once. After taking one bottle of Burdock Blood Bitters I commenced to get better, and after I had taken two bottles I was relieved of them and felt much better. I think B. B. B. is a grand blood medicine, and can recommend it highly."

For the past 45 years B. B. B. has been manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

HEALTH MESSAGE TO THE WORLD

Take "Fruit-a-lives" And Make Yourself Well

"Fruit-a-lives", the marvellous medicine made from fruit juices and tonics, is the most beneficial medicinal agent that has ever been given to mankind. Just as oranges, apples, figs and prunes are nature's own medicine, so "Fruit-a-lives"—made from these fruit juices—but concentrated and intensified—is the greatest Stomach and Liver Medicine, the greatest Kidney and Bladder Medicine—the greatest Blood Purifier—the greatest remedy for Head-aches, Constipation, Indigestion, Nervousness and Bad Complexion—in the world. To be well, take "Fruit-a-lives" 50c a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

to Booth Fisheries Canadian Co. at 11.1c and 1c.

Hippo, 12,000 pounds, sold to Pacific Fisheries at 11.3c and 1c.

Tudie, 8,000 pounds, sold to Pacific Fisheries at 10.6c and 1c.

Vivian, 1000 pounds, sold to Atlin Fisheries at 10.6c and 1c.

St. Eloi, 4000 pounds, sold to Atlin Fisheries at 10.7c and 1c.

Grant, sold 5000 pounds of red salmon to Canadian Fish and Gold Storage Co. at 10.7c.

K-377 sold 12000 pounds red salmon to Sinclair Fisheries at 11c.

JAPANESE BOY DIED YESTERDAY

Tada Sakamoto, a Japanese boy, died at the General Hospital yesterday afternoon from internal complications. He had been admitted to the hospital several days ago.

TENNIS DOUBLES.

ROCHAMPTON, June 20.—The British Isles team won the doubles in the Davis Cup tennis play with the Italian team. Britain thus has won three out of five events and enters the second round in the Davis Cup competition.

YUKON LEGISLATURE.

OTTAWA, June 20.—The Yukon legislature prorogued after a three weeks' session.

BIRTH.

There was born on June 18 to Mr. and Mrs. J. P. Morin, of the Pioneer Laundry, a son.

The building inspector reported to the council last night that building permits had been issued during the month of May totalling \$21,000 in value. The city's fees from these had been \$38.35. Three plumbing permits issued in the same period brought \$6.25 in fees.

STEWART

The following Stewart children will try the Entrance examination next week: Staveley Mellor, Joan Mellor, Daphne Workman, Roy Workman, Ida Watson, Jean Ward and Kingsley McLeod. Mable Mellor and Ha Young will write the preliminary course high school test.

Mrs. J. W. Tibbits has arrived from Vancouver to join her husband at the Premier Mine.

George Tolin, who is attending college at Lacey, Washington, arrived from the south on Sunday to spend the holidays with his parents, Mr. and Mrs. W. H. Tolin.

G. E. Duke has returned to Stewart from the Cedar Creek country. He found the leases in that district held to a great extent by speculators thus excluding the real prospectors. Far pastures are not as green as they look, he says, and has returned to the Portland Canal district.

The Premier Gold Mining Co. is to start at an early date the construction of a number of bungalows at the mine for the married employees.

Construction of the Hyder dock is to commence shortly, the pile driver and material having already arrived from Ketchikan. Work will be rushed to completion.

J. P. Wheeler, of the Land Settlement Board, arrived on last night's train from Telkwa.

Mr. and Mrs. W. G. Mennie, of Hazelton, were among the arrivals on last night's train from the interior.

Miss Gwendolyn Young, of Pacific arrived in the city on last night's train and is registered at the Hotel Prince Rupert.

The fire department had a call at 12 o'clock today to Chief Vickers' residence on First Avenue where a broom had caught fire from the stove. There was between \$25 and \$50 damage, the floor and wall in the kitchen having been scorched.

Leonard Waide, the contractor on the Stewart dock addition, is in the city today on his way south. He reports that the work is complete. The prospects in Stewart he says, are better than anywhere else this year. Many of the mines are being developed and everybody there is hopeful.

A party of 50 persons comprising members of the municipal electric light and telephone departments enjoyed a picnic to Shawatlangs Lake on Sunday. The trip was under the auspices of the Electrical Workers' Union and the "Oh Baby" was chartered to take the picnickers out and back again.

BABY'S woollen coat lost on Sunday June 18, between McBride and Hays Creek on Eighth Avenue. Finder please phone Blue 432.
