PLAN HUNGER MARCH ON CAPITAL

ANOTHER INDIAN ROUND TABLE PARLEY NOW IN SESSION

American Unemployed Are Warned Not to Visit Washington This Winter

Such a Trip Could Only End in Suffering and Misery, Police Superintendent Declares—Delegation of Unemployed Confers With Governor Roosevelt

WASHINGTON, D.C., Nov. 19.—A new "hunger march" on Washington is reported to be planned. Advice received that battalions of "hunger marchers" were gathering at various points in the country to commence a trek upon the national capital brought the warning from General Glassford, superintendent of Washington police, yesterday that such a mission "could only end in suffering and misery" for the marchers.

ALBANY, N.Y., Nov. 19.—A delegation of unemployed was in conference here yesterday with President-Elect Franklin D. Roosevelt. The Governor of New York stated that, from a national standpoint, he could not accept any responsibility as yet. However, he welcomed suggestions that might lead to relieving the situation as far as the state of New York was concerned.

PILOTAGE DISCUSSED

Deputy Minister of Marine Does Not Answer Request That Port Warden Act as Pilot

If necessary, during the grain shipping season, the question of stationing a pilot at Prince Rupert will be considered, the Prince Rupert Chamber of Commerce was advised last night in a communication from E. Hawken, deputy minister of marine.

Mr. Hawken's letter was in reply to a communication which was sent to the Department by the chamber protesting at grain vessels loading at Prince Rupert being charged with the expenses of bringing a pilot from Vancouver and maintaining him here and urging that the port warden, who was a competent pilot, be allowed to serve in this capacity for grain vessels loading at Prince Rupert.

Mr. Hawken did not reply to this specific point.

It was decided to request Olof Hanson, M. P. for Skeena, to take up the whole matter personally with the department.

SHRINE CLUB HOLDS BALL

Highly Enjoyable Affair Last Night in Masonic Temple With Jolly Crowd in Attendance

The annual ball of the Prince Rupert Shrine Club, held last night in the banquet hall of the Masonic Temple, was a highly enjoyable affair. There was a jolly crowd in attendance which nicely filled the spacious hall which was decorated for the occasion with Shrine colors and emblems.

The proceedings started at 9:30 p.m. when T. H. Johnson, president of the club, and Mrs. Johnson led the Grand March during which "O Canada" was sung. Mr. Johnson, in a neat speech, had welcomed the guests. Splendid music for dancing was furnished by Mrs. J. S. Black's Orchestra, the affair coming to a close at 1:15 a.m.

SMELTER ON THIS COAST

Resolution From Stewart Board of Trade on Copper Refinery

A motion which is under consideration by the Stewart Board of Trade protesting against any action on the part of the provincial government to aid large copper producers of this coast to get their product into the Empire markets free of tariff after being smelted and refined in the United States and urging that investigations and arrangements be proceeded with at once looking to the establishment of a copper smelter and refinery on the British Columbia coast was presented to the Prince Rupert Chamber of Commerce last evening for its consideration.

The resolution from Stewart expresses the opinion that sufficient copper ore is proven in the existing and producing mines on the coast to support both a smelter and refinery of considerable magnitude, providing the three major corporations get together, also that the natural facilities, abundant waterpower, transportation, etc., tend for an economical operation as could be attained anywhere. The result of the establishment of this industry, the resolution declares, would be to double the value of these mines to the province and would stimulate mining throughout the coast region. An investigation by independent experts of the project is recommended in the Stewart motion. The matter was referred to the mining committee.

British Pound and Canadian Dollar on New York Exchange

NEW YORK, Nov. 19.—The British pound sterling closed at \$3.29 1/2 on the local foreign exchange yesterday. The Canadian dollar closed at 86 11-16c.

Mrs. G. W. Laidler will sail on the Princess Norah tomorrow afternoon for a holiday visit with relatives in Vancouver.

After Gale Had Swept Jamaica Bay

Twenty bungalows bungled into Jamaica Bay when a gale swept Long Island, N.Y., the other day. The wind, accompanied by a torrent of rain, succeeded in toppling over 60 others. The floating debris in the foreground was from a home.

OPPOSED TO REDUCTION

Railway Asks Railway Board to Dismiss Appeal For Lower Freight Rate on Autos to Hazelton

The Prince Rupert Chamber of Commerce, at its meeting last night heard read a copy of a communication which has been sent by Alistair Fraser, assistant general counsel for the Canadian National Railways, to the Board of Railway Commissioners opposing the proposal to reduce the flat rate of \$40 on shipment of automobiles between Prince Rupert and New Hazelton. A reduction of this rate had been sought by the chamber in the hope that it might tend to encourage automobile tourist traffic to Prince Rupert.

In his communication to the railway board, the railway counsel declared that the rate of \$40 is already 21% below the regular tariff rate and is in line with similar rates that were charged on the Canadian Pacific Railway for transportation of cars during the construction of the trans-Canada highway. The rate of \$40, the railway counsel thought, could not be considered excessive for a distance of 131 miles. Furthermore, the railway board had no power to reduce rates in the interests of encouraging tourist traffic and the railway company asked that the complaint be dismissed.

The communication was filed.

The regular monthly meeting of the board of directors of the Prince Rupert General Hospital was held last evening in the hospital, business being largely of a routine nature. Those present were W. M. Brown, chairman, Ald. S. D. MacDonald, Ald. G. W. Rudderham, G. V. P. Tinker, Robert Gordon, G. V. Wilkinson and Dr. L. W. Kergin, directors; Miss Jean Harrison R.N., lady superintendent, and H. W. Birch, managing secretary.

OFFICIAL CHECK-UP OF AMY JOHNSON'S RECORD

CAPETOWN, South Africa, Nov. 19.—An official check-up shows the time of Amy Johnson, British aviatrix, who landed here yesterday afternoon, to have been four days, six hours and 55 minutes for the flight from England to Cape-town. She beat the former record, held by her husband, Capt. James A. Mollison, by 10 hours and 44 minutes.

CONFERENCE IS OPENED

Another Indian Round Table Parley Starts With Premier MacDonald Officiating

LONDON, Nov. 19.—The third Indian Round Table Conference was opened here by Prime Minister J. Ramsay MacDonald. Forty delegates in attendance include one woman but Mahatma Gandhi and his All India Nationalist Congress party are not represented. This week the conference will devote itself to preliminary organization and will get down to actual business next week.

The Weather

Prince Rupert—Raining, strong southeast wind; barometer, 29.90; temperature, 40; sea smooth.
Dead Tree Point—Part cloudy, light southeast wind; barometer, 29.82; temperature, 42; sea choppy.
Triple Island—Clear, strong southerly wind; sea moderate.
Langara Island—Overcast, strong southwest wind; sea rough.

RAILWAY SERVICE

Change in Schedule to Be Made Next Spring to Suit Convenience of Fish Business

In view of representations that have been made and, in the effort to better facilitate speedy shipments of fresh halibut from Prince Rupert to the eastern markets, A. E. Warren, vice-president of the Canadian National Railways in charge of western lines, advised the Prince Rupert Chamber of Commerce, in a letter read at last night's meeting, that, early next spring, an endeavor will be made to arrange for trains to depart from Prince Rupert for the east in the evenings rather than in the mornings, connecting with No. 2 train at Jasper Park for the east.

Mr. Warren and G. E. Bellerose, general manager of the Canadian National Express Co., who also had a letter before the chamber, both contended that the falling off in fish shipments from Prince Rupert this year could not be altogether attributed to the train service. Mr. Bellerose felt that the fish traffic from Prince Rupert, on the whole had been afforded an excellent movement. However, the matter would be dealt with further with a view to giving as good a service as possible.

Olof Hanson, M. P. for Skeena, informed the chamber that he had made a trip to Montreal to take the matter of train service up with the railway authorities. He had conferred with S. J. Hungerford, acting president of the Canadian National Railways, and Mr. Bellerose on the matter. They had given assurance that everything possible would be done to suit the convenience of the fish business of Prince Rupert.

Col. J. W. Nicholls, comptroller of the Canadian Fish & Cold Storage Co., informed the chamber that the matter of train service was being satisfactorily adjusted and moved that the various communications be acknowledged with thanks.

RUN TRAINS ON MONDAY

Traffic Expected to Be Restored on Canadian National Railways By That Time

Traffic on the division of the Canadian National Railways between here and Smithers is expected to be restored by Monday following the tie-up on account of slides and wash-outs between Exstew and Pitman stations, it was announced this afternoon by W. H. Tobey, divisional superintendent. The train which was to have left for the east yesterday morning has been cancelled and will be consolidated with the regular train leaving for the east at 9:30 Monday morning. The westbound train, ordinarily due here at 8 o'clock this evening, is being held at Smithers until the line is cleared and is expected to arrive Sunday night or Monday morning.

There are three major slides and wash-outs on the line between Pitman and Exstew, Mr. Tobey stated. One of the slides is 200 feet long and 25 feet deep and the other two about 100 feet long and 15 feet deep. The wash-outs are only on the grade and all bridges are intact. The obstructions are being cleared as rapidly as equipment can get to them.

Water in the Shames River is higher than has been known for years and the situation in the other rivers emptying into the lower Skeena River is much the same.

WILL VISIT WEST SOON

Commerce Chamber Advised That Radio Commission Will Be in B. C. Before Long

A communication from Hector Charlesworth, chairman of the newly created Canadian Radio Commission, informed the Prince Rupert Chamber of Commerce last evening that the commission would be paying a visit to British Columbia before long when the opportunity would be available of Prince Rupert's views regarding a British Columbia broadcasting station before formally presented.

The letter from Mr. Charlesworth was in reply to a communication sent by the chamber suggesting that a central location in the province be chosen for any new broadcasting station that might be established under the commission.

Another communication in the matter was received from Olof Hanson, M. P. for Skeena, who stated that he would be pleased to take up with the radio commission any specific suggestions the chamber might have to offer.

PREMIER IS HEARD FROM

Supports Stand of Attorney-General Against Brewery Here—To Seek Vancouver Support

After hearing a letter from Premier S. F. Tolmie which stated that the position of the provincial government in regard to the granting of a licence for the establishment of a brewery at Prince Rupert had been fully set out by Hon. R. H. Pooley, attorney-general, in his letter of July 7, the Prince Rupert Chamber of Commerce, at its meeting last night, decided to solicit the assistance of the Vancouver Board of Trade against the present policy of the government in the matter of issuing brewery licences.

Recently, after receiving an unsatisfactory communication from Mr. Pooley, the Chamber decided to take the matter up direct with Premier Tolmie with a view to receiving a clear-cut statement of policy from him on the matter. Premier Tolmie's reply was read at last night's meeting.

President J. H. Pillsbury felt that the policy of the government was "ridiculous and absurd." As long as such a policy was adhered to, there could be no hope of a brewery licence being available for Prince Rupert.

W. O. Fulton suggested that the matter be now taken up with the Leader of the Opposition, Col. J. W. Nicholls pointed out that a similar application for a brewery licence in Vancouver was meeting with the same difficulty. It was finally decided to seek to enlist the support of the Vancouver Board of Trade against the present policy of the government.

SMALL SURPLUS FOR OCTOBER IS SHOWN BY LOCAL HOSPITAL

Receipts of the Prince Rupert General Hospital for the month of October exceeded expenditures by \$244.79, it was reported to the board at its meeting last night by the finance committee. Receipts for the month amounted to \$4566.76 while expenditures totalled \$4321.97. There were 1660 hospital days at a cost per hospital day of \$2.61.

Headaches and Dizzy Spells Nerves In Bad Condition

Mr. Neil Crawford, Hamilton, Ont., writes:—
"My nerves were in such bad condition I found it almost impossible to get a good night's sleep. I was also bothered with headaches and dizzy spells.
I tried many different remedies, but they did not seem to give me much relief, but after I had taken Milburn's Heart and Nerve Pills, I could hardly believe the change they had made in my condition."

For sale at all drug and general stores; put up only by The T. Milburn Co., Ltd., Toronto, Ont.

WORK IN HOSPITAL

Extensive Program of Renovation Is Now in Progress at Institution

The house committee, at last night's meeting of the hospital board, reported considerable work in progress at the institution under the recently decided upon program of new installations and renovation. The work includes carpentry, painting, plumbing, kalsomining, wiring, laying of new floor coverings, etc.

The nursery is being extended and G. J. Dawes has been given an order for new linoleum therein.

W. R. Love is doing a small wiring job.

Orders for paints were recently given by the house committee to a number of firms.

Silver Wedding Is Celebrated

Mr. and Mrs. H. Johansen Honored by Friends at St. Paul's Lutheran Church

The occasion being their silver wedding anniversary, Mr. and Mrs. H. Johansen were honored by a large gathering of their friends. Following a surprise visit at their home on Eighth Avenue East Wednesday night the whole party proceeded to St. Paul's Lutheran Church where the occasion was duly celebrated.

As Inge Ingabritsen played the Wedding March, the bride entered the church wearing her original wedding dress.

The evening's program included vocal solos by Mrs. Karl Dybhavn, speech and song by Rev. P. M. Fosse, vocal solos by Mrs. J. Murvold and Mrs. Ole Wick, selections by the Varden Singers, organ solo by Peter Lien, selections by a male sextet with Bert Cherstad as soloist.

After the program, wedding gifts from the organization and friends were presented by Mrs. R. Peterson, these including silver casserole, pyrex pie plate, cake plate, butter dish, silver flower vase, cream and sugar set, etc. A beautiful wedding cake, the gift of the Sunshine Mission Society, was presented by Karl Dybhavn.

Following the serving of refreshments, there was congregational singing and the benediction was pronounced.

Sergeant H. H. Pegler, mechanical officer for the provincial police who arrived in the city by train Thursday evening from the interior, sailed last night on the Princess Adelaide for Alert Bay whence he will proceed later to his headquarters in Victoria.

Innocent Looking

No pipe of peace this, but a deadly lethal weapon. If you have a mind to you can carry it in the mouth like an ordinary briar. It fires a .25 through the stem and the bowl holds five "smokeless" shells.

SCHEDULE OF BASKETBALL

November 22—Grotto vs. C. N. R. A.; Comets vs. Amazons; Tuxis vs. Merchants; Scouts vs. Japanese.

November 25—Panthers vs. Grotto; Cardinals vs. Comets; Warriors vs. Merchants; Meteors vs. Rovers.

November 29—Panthers vs. C. N. R. A.; Amazons vs. Cardinals; Tuxis vs. Warriors; Scouts vs. Meteors.

December 2—Grotto vs. C. N. R. A.; Comets vs. Amazons; Tuxis vs. Merchants; Rovers vs. Japanese.

December 6—Panthers vs. Grotto; Cardinals vs. Comets; Warriors vs. Merchants; Rovers vs. Scouts.

At last night's meeting of the hospital board a check of \$42.52 was received from the British Columbia Hospitals Association, being a refund on delegate's expenses to the annual convention of the Association which was held in September in Vancouver. Although his actual expenses amounted to \$62, the net cost to the board of sending the delegate, due to expense pooling arrangement, was but \$19.48.

BASKETBALL LAST NIGHT

C. N. R. A. Defeated Kaiens 33-26 In Senior League

The Canadian National Recreation Association won the Senior League basketball game last evening by defeating the Kaiens with a score of 33 to 26.

In the Ladies' League, the Amazons defeated the Cardinals 6-2 in a hard fought and exciting game.

The Tuxis defeated the Warriors 23-19 in the Intermediate League and the Meteors defeated the Japanese Association 23-13 in the Junior contest.

Senior Game

The Senior League game started with a fast pace, the C. N. R. taking the lead in the first five minutes. The Kaiens, strengthened by Wingham in their forward line, found their pace and soon overtook the Railwaymen. The Hardware outfit were checking hard and the long shots were very effective. The first half ended with the Hardware boys leading 15-13.

In the second half, the Kaiens tried to increase their lead but the Railwaymen scored six successive baskets. The Kaiens could not overcome the lead and the C. N. R. A. came out on top with a 33-26 score.

C. N. R. A.—Stiles (20), Johnson (6), Kelsey (6), Stalker (1), Smith, Nelson.

Kaiens—Mitchell (7), Cross (4), Unger (4), Tobey, Irvine, Wingham (9), Scott (2).

Ladies' League

In the Ladies' League the Amazons started the first half by scoring. They had the best of the play for the half but were unable to add to the score.

The second half was much like the first, both sides checking closely. In the third quarter the Cardinals sank an equalizer. Both sides fought hard but the Amazons seemed to have better control of the ball. In the last few minutes of play, the Amazons sank two successive baskets. The Cardinals were unable to overcome the lead and the game ended giving them the poor end of a 6-2 score.

Amazons—Boddie (2), Morris, Harvey, Ritchie (4), McLeod, Davis, Cardinals—Lowe (2), Stone, Gilchrist, Rivett, Brochu, Webster.

Intermediate League

In the Intermediate League, the Tuxis started by getting the best of the play. The Warriors seemed unable to get the usual pace and they fumbled a great deal. The first half ended with the Tuxis leading 8-4.

The second half started with the Tuxis taking the lead. The Warriors were still playing raggedly. In the last few minutes the Warriors rallied and tried to overcome the lead of the Tuxis but they were unfortunate in their shooting. The Tuxis were leading 23-19 when the final whistle blew.

Tuxis—Morrison (8), Nakamoto (9), Smith (6), Moxley, Hanson, Kanaya.

Warriors—Hickey, Comadina, Gillis (2), Forbes (2), Steffansrud (4), Wingham (11).

Junior League

In the Junior League the Meteors had the best of the play. The Japs flashed in spots but lacked the steadiness of the Meteors. Both teams checked hard but the Meteors, with the more accurate passing, were able to come out on top.

Meteors—Santurbane (7), Christison (10), Allen (6), Tobey, Arney, Japanese—Obata (4), Kishimoto (5), Suehiro (4), Nakamoto, Kanaya, Condo.

TRUE LOVE

Let your greatness educate the crude and cold companion. The great will see that true love cannot be unrequited. True love transcends the unworthy object, and dwells and broods on the Eternal.—Emerson.

WHEN 'RUN-DOWN'

The sensible way—the doctor's way—of treating that sluggish, "run-down" condition is to use Phillips' Milk of Magnesia. Try it instead of something just to "move the bowels." See how much better you feel—and continue to feel for days after! The anti-acid action clears the system of all those poisons that cause headaches, fatigue, loss of appetite. Get the genuine; look for Phillips on the wrapper.

ALSO IN TABLET FORM, Phillips' Milk of Magnesia Tablets are now on sale at drug stores everywhere. Each tiny tablet is the equivalent of a teaspoonful of genuine Phillips' Milk of Magnesia.

Found guilty on charges of drunkenness, Charles Anderson and Frank Jenkins were each fined \$25, with option of fourteen days' imprisonment, by Magistrate McClymont in city police court yesterday afternoon. They are both serving the time.

November Babies Need Especial Skin Care

The harsh chill air of November is especially trying to the tender skin of the new baby. If you would avoid the risk of chapping and chafing use the soothing and healing "Baby's Own Soap"—Canada's choice of a toilet and nursery soap for over five generations.

Because of the pure oils used in Baby's Own, and its absolute freedom from harsh cleansers, the skin is kept satiny and smooth, the lavish creamy lather cleanses gently but perfectly—the delicate flower fragrance seems just the right suggestion of a scent for baby.

On sale everywhere. 2-10-32
"Best for you and Baby too"

Another communication from Lloyds regarding insurance rates on wheat cargoes shipped from Prince Rupert was read at last night's meeting of the Prince Rupert Chamber of Commerce. It was in reply to representations made by the local Chamber which, it was intimated, are being taken up with British Columbia agents at Lloyds.

Citizens Take Notice

Here's an Announcement of Great Interest

We are offering you our entire stock of high grade merchandise at greatly reduced prices, some of the values are without precedent, prices that in previous years would have seemed impossible and at the most opportune time that has presented itself to you in years to save money on your Xmas shopping. No misrepresentation of merchandise, no fictitious sale prices but our regular values reduced, some below actual cost. Many lines are limited and cannot be duplicated.

Our reputation for honest value and truthful representation has given us the business success we have enjoyed for the past twenty years. We invite you to visit our two stores. China, Glassware, Baggage and Novelties in downstairs store.

A deposit will hold any article until December 15th.

There IS Relief from RHEUMATISM

In this day, no man or woman need suffer with rheumatic pain. It's as easy to get rid of as a headache. Aspirin disposes of such pain like magic. Two tablets with a swallow of water relieves any mild attack. If any pain is left, repeat every two hours until the last twinge is driven from the system. Never hesitate to take Aspirin. It is not a narcotic. It won't upset the stomach. It can't depress the heart. It may be taken days at a time, without the slightest harm. So, don't dread the winter because of rheumatism, neuritis, lumbago or constant colds. Aspirin will give you complete relief.

WATERFRONT WHIFFS

Fisheries Conference Here on Monday—Individual Records For American Fleet—Billy Hanson Retires

A number of matters of interest to this district will be brought up at the conference to be held on Monday next by W. A. Found, deputy minister of fisheries, with local fishing interests. Suggested amendments to the regulations which are to be discussed will include the following:

That the minimum size of razor clams taken for commercial purposes be raised from one and a half inches to three and a half inches.

That halibut fishermen be permitted to procure herring or pilchards by means of their own small seines or gillnets without having to take out a licence for which a fee has to be paid. The bait obtained could not be sold or bartered but would have to be used by the vessel holding the permit to operate for bait.

That the mesh of shrimp nets be no smaller than one and one half inches, which provides a suitable size for all commercial purposes.

That the captain of a seine boat should be made responsible for the qualifications of all those employed on the boat with him.

That net fishing for chum salmon be prohibited in Ah-cla-ker-ho Channel in Smith's Inlet for a period of four years.

That salmon gillnet fishing operations be abolished in Prince Rupert harbor, Morse Lake, Dennis Arm and Cloyah Bay.

Japanese fishermen.—That the cut in Japanese fishermen, not licences thereof, be renewed in 1933, at the ratio of 10%, and that this cut be continued yearly on the 10% basis until the Japanese are entirely eliminated from the fishing industry in British Columbia.

Sockeye embargo.—We demand that the embargo on export of raw sockeye be permanently lifted to date from July 1, 1933. It is logically contended that, if Canadian canners can import fresh sockeye from the American side, as they did this year, then Canadian fishermen should have the right to sell their fish where they can get the highest price.

That the minimum mesh of smelt purse and drag seines be reduced to three-quarters of an inch instead of one inch as at present.

That during the spring and coho salmon season the existing commercial fishery boundaries be moved up the Skeena River to their old location, namely, at a point from the Khyex River to a point in a straight line across to the other bank of the river.

That canners advise fishermen early in the year, by April at least, as to the prices they have decided to pay for the different varieties of salmon during the current season.

Suggest department abolish area system in turn revert to district system.

That it be suggested to the Fisheries Department that a seine boat or boats be chartered by the Department to catch salmon and distribute same to Indians for food, thereby eliminating the necessity of issuing permits to Indians to fish creeks.

That a dead area for nets be established in Portland Inlet, Naas River, in the following locality: A line drawn from Gordon Point on Finlayson Island, northerly to Perkin Island. Thence northerly to a point of Kate Island.

That the snag scow be operated on the Skeena and Naas Rivers next and each season. The non-operation of this vessel means considerable loss to the fishermen, both in loss of gear and loss of time, and expense repairing gear.

That all gillnet fishing licences for the Skeena and Naas area, especially those affecting other than whites or Indians, be issued at the Fisheries Office in Prince Rupert.

Following are statistics of 1932 landings by the American fleet at Prince Rupert:

Bill Hansen, captain of the Thelma H, but, since the brave day when he fought in Cuba, better known as The Gunner, has moved ashore, taking up residence in the new home he has built at Jap. He let. Some years ago he purchased acreage from Messrs. Murray and Wauchop, large property holder in that district. During the winter season and between fishing trips after clearing and draining the land, he erected a comfortable and handsome dwelling. While the home may not compare with the splendid residence he left behind in Norway many years ago, still it is a distinct credit to his unending industry and genius. Here the war worn veteran will enjoy comfortable haven after many long and eventful voyages. At high tide his old mistress, the sea, will murmur twice a day at the bottom of his garden path. While he enjoys finishing touches on his new abode, the years slip lightly on his shoulders. What more agreeable could befall as the reward for years of toil and adventure!

The hospital board, at its regular monthly meeting last night, made the usual grant of \$50 to Miss Harrison R.N., lady superintendent, to provide comforts and cheer for patients in the institution during the forthcoming Christmas season.
