Irish Will Swear Allegiance to King George Fifth and to Commonwealth of Nations

LONDON, June 16.—The new Irish constitution made public last night is a lengthy document of 15,000 words. It stipulates that if any of its provisions or any law made under the constitution is in any respect repugnant to any provisions of the Anglo-Irish treaty it shall to the extent of only such repugnance to that treaty be void and inoperative.

The constitution provides for universal suffrage. The oath of allegiance shall be made and subscribed to by every member of Parliament of the Irish Free State before taking his seat therein, in the following words:

"I do solemnly swear faith and allegiance to the constitution of the Irish Free State by law established and I will be faithful to His Majesty King George Fifth, his heirs, successors by law and in virtue of the common citizenship of Ireland and Great Britain and her adherence to and embracing the group of nations forming the commonwealth of the British nations."

GIRL ABDUCTED BY FISHERMAN

Taken Aboard Boat at Bremerton and Forced to Wear Boys Clothing.

BREMERTON, Wash., June 16.—Grace Ralman, aged 15, who disappeared from her home on December 26, was found today on a fishing boat where she claimed she was taken by a fisherman named Elmer Webber aged 55, who seized her on the beach near Bremerton and forced her to wear boy's clothing aboard his boat and to cut her hair.

Webber was arrested on a statutory charge. He is married and has eight children.

BIG PROFITS ON YEAR'S LIQUOR

Unofficial Estimate Is That This Will Amount to \$3,000,000.

VICTORIA, June 16.—The liquor business of British Columbia under Government control will amount to \$10,000,000 and the profits to about \$3,000,000 for the year, it was stated unofficially here today.

Today is the first anniversary of the inauguration of the sale of liquor by the Control Board. Sixty shops for retailing are established throughout the province.

FISH ARRIVALS

Fifty-two Thousand Pounds of Halibut Marketed at Exchange This Morning.

Fifty-two thousand pounds of halibut was marketed at the Fish Exchange this morning. Seven boats were in and the disposition of the catches was as follows:

- Neptune, 4,000 pounds, sold to the Canadian Fish and Cold Storage Co. at 10.4c and 4c.
- Groth, 8,000 pounds, sold to the Booth Fisheries Canadian Co. at 10.5c and 4c.
- Viking, 6,000 pounds, sold to the Pacific Fisheries at 10.9c and 4c.
- Azores, 11,000 pounds, sold to the Canadian Fish and Cold Storage Co. at 10.6c and 4c.
- Rennell, 5,000 pounds, sold to the Sinclair Fisheries at 10.8c and 4c.
- W. and F., 13,000 pounds, sold to the Booth Fisheries Canadian Co. at 10.4c and 4c.
- Maude, 5,000 pounds, sold to the Pacific Fisheries at 10.6c and 4c.

EXCHANGE RATES

American exchange has practically disappeared and 15-64 per cent, or less than 1-4 per cent, is the rate quoted for buying at local banks today. The selling rate is 4 1/2-64 per cent. Sterling is quoted at \$4.46 3/8 demand and \$4.53 1/8 selling.

MERCHANTS ASKED TO DECORATE SHOPS DURING NEXT WEEK

C. H. Orme, president of the Board of Trade, requests the merchants of the city to decorate their stores next week in honor of the many visitors who will be in the city. Many are already making preparations to do it and others will be getting busy tomorrow and Monday.

NEW PULP CONCERNS ARE INCORPORATED

Both Have Head Offices in City of Vancouver.

VICTORIA, June 16.—Two pulp companies have been incorporated this week, the Wigwam Pulp and Paper Co. with a capital of \$10,000,000 and the Bloods, Stewart & Welch Corporation with a capital stock of \$1,000,000. Each of these companies have their head office in Vancouver.

HIGH SCHOOL PICNIC HELD DIGBY ISLAND

Ten years ago Principal Brady and fifteen pioneer students attended the first annual picnic of the Prince Rupert High School at McNichol Creek. Yesterday Principal Brady and his three assistants and 115 students enjoyed the tenth annual picnic at Digby Island. Although the first students, now long since away from High School and scattered for thousands of miles, enjoyed the occasion to the full, yesterday's proceedings were not one whit less interesting and full of fun.

In spite of the fact that it rained intermittently in the city yesterday, the students report there was not a drop at Digby Island. The day was a unique one and all plans went off well with all kinds of sports and games. Not by any means the least attractive feature were the refreshments and lunches which the provident girl members of the party took across to the delectation of the boys.

The big party went out at 9:30 and returned about the same hour in the evening. Many boats were put to use for the transportation of the picnicers these including George Frizzell's "Laura F." Mitchell & Currie's "Donnie Mac," Principal Brady's "Asolando," Willie Kergin's "Sunbeam Jr.," M. M. Stephens, "Steve," Ald. Montgomery's "Monty," and numerous other smaller private craft.

J. J. O'Reilly, who injured his ankle while playing baseball for the K. C.'s against the S. O. C. last night, was taken to the General Hospital this morning. Dr. Eggert who is attending him thinks that a bone may be broken.

POLICEMEN NOT TAX COLLECTORS

Commission Does Not Look with Favor on Mayor's Suggestion to Make Officers Collectors.

The question of having an officer of the police force act as poll and road tax collector was brought up at last night's police commission meeting by Mayor Rochester but the idea failed to find favor with Commissioners Macdonald and Shockley and no action was taken towards this end.

The mayor stated that the suggestion was to have an officer make the rounds of pool rooms and other public places with a view to making these collections especially from the fishermen who enjoyed all the privileges of the city including light, roads and police protection but who did not pay for them. They spent a lot of money in the city but, perhaps, not along the right lines. There were a great many of such persons who were escaping the tax. If an officer was detailed for the purpose of making them more results might be forthcoming.

City Clerk Woods explained that the road tax was collected from any person who has been resident in the city for a month. A fisherman was considered a resident if he lived on a boat within the city limits.

Commissioner Macdonald declared he was opposed to the principle of having a police officer making these collections for it amounted to nothing less than intimidation. There were a good many fishermen from United States bottoms calling here who could not be assessed, anyway. It was a good thing for the town they were coming here.

The mayor pointed out that the police collected dog taxes. He could see no difference between that and the collection of poll and road taxes.

Commissioner Shockley also expressed his aversity to the police being used for such a purpose. It was not a pleasant thing for an officer to come along to a man in a public place and demand a collection.

After some discussion the matter was dropped.

Dog Tax Collection. The mayor inquired as to the collection of dog taxes and was told by the chief that the collections were being made in the office but no officer was detailed to go out for the purpose. Last year the taxes collected amounted to something over \$300 and there would likely be more this year.

The chief also drew attention to the fact that Constable Poustie was away on leave on account of the illness of his wife and might not return. Constable Macdonald was also away on holidays and L. Dewhurst had been acting as special. No action was taken.

ODDFELLOWS GRAND LODGE NEXT YEAR AT WESTMINSTER

VICTORIA, June 16.—New Westminster was selected by the Grand Lodge of the Independent Order of Oddfellows for the 1923 proceedings, winning over Prince Rupert whose invitation was the only other one laid before the convention.

Dr. J. F. Maguire sailed last night on the Prince George enroute to Portland, where he will attend the Rose Carnival.

B.C. MEMBERS ASK INQUIRY

Special Sub-Committee Will Recommend Investigation of Fisheries Question on Ground.

OTTAWA, June 16.—Sending to British Columbia of a sub-committee to investigate the fisheries problem on the ground will be recommended to Parliament by a special committee of the House on marine and fisheries. The decision was reached at a meeting of the committee yesterday on the suggestion of W. G. McQuarrie of New Westminster supported by other B. C. members. Mr. McQuarrie urged the special importance of hearing the evidence of fishermen as well as of canners.

SKIRMISHER LEAVES PORT

C. G. M. M. Freighter will Clear at 5 o'clock After Loading 300 Cases of Salmon.

The Canadian Government Merchant Marine freighter Canadian Skirmisher, Captain Hilton, which has been here for the past five days for docking at the local shipyard, will sail for Vancouver at 5 o'clock this afternoon piloted south by Captain Duncan McKenzie, company pilot. The ship will go off the pontoons about 3 o'clock and will tie up at the oil dock for a couple of hours to take on, from alongside, 300 cases of Canadian Fish and Cold Storage Co.'s salmon for the Antipodes. Captain Hilton's orders are to go from here to Vancouver but he does not know what the next move of the vessel will be although it is understood a cargo is to be taken on for Australia.

GOVERNMENT SELL SHIPS

Merchant Marine Wants Loan of Over Four Million Pay Deficit.

OTTAWA, June 16.—Hon. W. C. Kennedy, minister of Railways, announced in the House of Commons that 27 vessels of the Canadian Government Merchant Marine will be laid up this year and disposed of when possible.

The House considered a loan to the Merchant Marine of \$4,360,720 to pay deficits in operating for a fifteen months period. The item had not been adopted when the House rose.

CHANGES ON STAFF OF LOCAL TEACHERS

Five Resignations Received and Several Applications for Positions.

Resignations were received last night by the school board from Miss Greta Maloney, Miss Alice Perry, Miss Alice M. Mercer, Miss E. L. Thornley, and E. S. Sims, vice-principal of the Booth School.

The school board will invite applications from teachers to fill the vacancies. Applications are already on hand from James Mitchell, Miss Caroline Mitchell, and Miss Marsh of Terrace and others. Miss Tingley, formerly on the staff and now at Ocean Falls, had written inquiring what vacancies there would be. Misses Morrison and Rix had applied for positions but had withdrawn their applications.

It was decided to appoint Miss McPherson to the permanent staff and to ask the principal to make recommendations in regard to filling five other positions and report at a meeting to be held in ten days time.

PREPARE FOR THE EXPERTS

Full Report on Booth School is Asked by Trustees from Architects.

ARRIVE SATURDAY

To Examine Building from Foundation to Roof, Former Reports Withheld.

The visit of the two experts to examine the school building in this city was discussed at some length at the meeting of the school board last night. Both are expected to arrive on Saturday and Dr. W. T. Kergin, chairman of the board was delegated to meet them and to explain that the board wanted a thorough examination of the whole building inside and out from foundation to roof. They are to be given the use of such a man or men as may be necessary to remove part of the masonry or otherwise facilitate the work.

The architects are not to be given any of the previous expert reports and will be expected to act independently of each other, although they will probably visit the school together. Mr. Jeffers, who is employed by the board, will report to them, whereas Mr. Whittaker, who is employed by the Provincial Government, will report to the Government. However the government is to be asked that the board be given copies of the report at once so that there may be no unnecessary delay in going ahead with the necessary work.

Examine Everything. Dr. Kergin favored placing all existing documents in the hands of the experts so as to be sure that every point mentioned in them would be covered in the reports. They wanted a report on the foundation as well as the walls and roof. Nothing should be omitted.

The other trustees decided it would be better not to give out any information except such as was available from other sources.

It was pointed out that Mr. Whittaker was employed by the Provincial government. Mr. McMeekin suggested we were the most vitally interested but the chairman explained that the government was interested to the extent of \$60,000.

Mr. McMeekin: "If both are working together they will both find the same things. If separately their reports may be different. We want to know whether the tile construction is all right."

Dr. Kergin: "These are reputable men."

Mr. McMeekin: "Yes, the other man was supposed to be that, but he did not get far."

SHOW CHANGES.

On motion of Mrs. Ling it was decided to ask Mr. Potter to prepare a report showing the changes which had been made in the specifications. These specifications and changes will be given the experts.

Dr. Kergin again suggested that all documents be shown Mr. Jeffers. Cox's report was damning. They would lose nothing and would save time if he was allowed to see everything. They would like a report on every point referred to in the Cox report. On motion of Mr. McMeekin it was then decided that no reports be shown the architect, but the heating and ventilation will be examined by them.

CANADIAN TRADE IS ON UP-GRADE

Figures for May, 1922 Show Healthy Increase Over Same Month Last Year.

OTTAWA, June 16.—Canadian trade maintains an upward movement. For May the total was \$136,580,039 as compared with \$120,366,032 in May, 1921.

Irish Elections Proceed in Orderly Manner With Steady Stream of Voters

DUBLIN, June 16.—Polling in the Parliamentary election in southern Ireland began at eight o'clock this morning and in all the metropolitan districts the average election activity is reported. There is little excitement but a steady stream of voters of all classes and both sexes are passing through the booths.

The publication last night of the draft of the Irish constitution which the new Parliament must pass before it becomes law of the land is not expected to influence voters. Comment in the Dublin morning papers today are more or less favorable to the constitution.

PLAYER DROPS DEAD TRYING CATCH FLY

BRANDON, June 16.—Alexander Falconer, a member of the Brandon Gresy amateur baseball team, dropped dead last night while attempting to catch a fly in the right field while playing in a game with Leeds, North Dakota, team.

LADIES' ORANGE LODGE STARTED

Great Enthusiasm Attended Inaugural Ceremonies of L. O. B. A Last Evening.

Great enthusiasm attended the inaugural ceremonies of "Star of the North Lodge, No. 452" Loyal Orange Benevolent Association, which took place last night in the Metropolitan Hall. Mrs. J. J. Tulk, Past Grand Mistress of British America, took charge of the organization and installation of officers and presented the charter to the local lodge which, on its inception, has 35 members. Following the closing of the lodge business, there was a banquet. Frank Haugh presided and toasts were proposed by Rev. W. H. Redman and Mrs. Tulk and responded to by Miles Lemon and R. Cameron. J. Day Bell also proposed a toast to the Past Grand Mistress which was responded to by Mrs. Tulk.

Mrs. Tulk was given a hearty send-off before returning to Vancouver on the midnight steamer.

The following is the list of office bearers who were installed last night:

- Worshipful Mistress, Mrs. Eva Maude Lemon.
- Deputy Mistress, Mrs. Martha Leek.
- Recording Secretary, Miss Nellie Smith.
- Financial Secretary, Miss Ruth Lemon.
- Treasurer, Mrs. Grace Howe.
- Director of Ceremonies, Mrs. Nellie Haugh.
- First Lecturer, Mrs. Nellie Warrior.
- Second Lecturer, Mrs. Rebecca Keith.
- First Committee, Mrs. Flora Ambrose.
- Guardian, R. Cameron.
- Chaplain, Mrs. Mary Smoke.
- Inside Guard, Mrs. Charlotte Smith.
- Outside Guard, Charles Lemon.
- Flower Committee, Mrs. Agnes Strong, Mrs. Margaret Munro, Mrs. Winnifred McKinnon, Mrs. Margaret McRobbie.
- Standard Bearers, Miss Lillian Warrior and Miss Grace Leek.
- Mr. and Mrs. William McTear were elected honorary members.

DRUG PEDDLERS TO GET LASH

New Law Provides For that if Selling to Minors—Alien Deportation.

OTTAWA, June 16.—A peddler of drugs to minors will be made subject to the lash and imprisonment without the option of a fine under the new amendments to the Drug Act brought up in the House of Commons yesterday. The new law will also make alien peddling drugs subject to deportation.

BENNY LEONARD IS NOW IN TRAINING

Will Set Up World's Record in Meeting Three Tough Customers Within Thirty Days.

NEW YORK, June 16.—A new fighting record is about to be hung up by Benny Leonard, world's champion lightweight boxer, who today commences training for battles with three of the toughest opponents within the short space of thirty days. Jack Britton, world's welterweight champion, Lew Tendler and Rocky Kansas are the trio with whom Leonard is to mix at short notice.

GENERAL RILEY TO TRY AGAIN

Will Lead a Second Army of Unemployed Veterans to Government at Ottawa

TORONTO, June 16.—General Riley is planning another "trek" to Ottawa at the head of unemployed veterans and a start is to be made as soon as a sufficient number can be enrolled for the trip. Riley declares that they are going in sufficient numbers this time to demand their rights. He also says that the government has fallen down on its promises.

General Riley and his first army were recently returned home from the capital, their fares paid, after having reached Ottawa on a similar mission.

RUPERT HARBOR EASY TO REACH

Capt. Milton of Skirmisher Says He Will Not Need Pilot in Future.

The entrance to Prince Rupert harbor is very easy to navigate, according to Captain Milton, skipper of the Canadian Skirmisher, who is expecting to get away with his ship today southbound. He says when he comes again it will not be necessary to have a pilot as he can come in without difficulty. When he arrived the other day he had no charts of this part of the coast but now the defect has been remedied navigation into port will be easy.

The Captain was much interested in the report that a number of Merchant Marine vessels are being laid up. He says that on the lakes there are a number of smaller vessels laid up. These might be suitable for the business on this coast.

MRS. MOLLA MALLORY BEATEN AT TENNIS

Victor is Miss McKane the British Star Player

LONDON, June 16.—Mrs. Molla Bjurstedt Mallory, the American lawn tennis woman champion, was defeated in the semi-finals of the Kent championship in the women's singles by Miss McKane, British star.

DAILY EDITION

Friday, June 16, 1922.

Britain Makes Summer Permanent.

Great Britain has passed a law making the change in time each spring and autumn a permanent institution so that it will not be necessary to pass legislation each year in connection therewith. The majority in favor was very large, showing that in that country, at any rate, the people enjoy the light evenings rather than wasting the daylight in sleep.

It is a pity that the Canadian Parliament cannot see their way clear to do the same. If the enactment were general it would be much more convenient. The difficulty is in the farming communities where the dews make it impossible to commence work at an early hour.

Of course daylight saving is foolishness. It might be possible for everyone to get up an hour earlier if all could agree together, but we are all so set in our ways that only by the expedient of legislative enactment is it possible to have the change made.

Much Interest In City Report.

Much interest was taken last evening in the extracts from the annual city report published in this paper. Many were the comments heard on the expenditures in some of the departments. While it is rather late to be discussing what was done last year, the tax increases and the stress of dull times is making everyone interested in expenditures made by the city. Possibly something could be done to lay the civic finances before the people at an earlier date so that we may benefit from the work of the previous year.

Interest Taken In District Affairs.

Recognizing the interest which is being taken locally in the affairs of the district, the Daily News is making an effort to give Prince Rupert readers as much news as possible of the towns and villages and camps of the Prince Rupert district. We have special correspondents at several of the places who keep us informed of the happenings. This paper has a wide circulation in these districts and people are looking to us to provide them with that news which they cannot secure through any other source. In doing this we ask the co-operation of the residents of the districts as well as of the city people.

Is Government A Democracy.

Is the United States Government a democracy when it costs nearly two hundred thousand dollars to secure the choice of a candidate at the primary elections? To secure the position for Gifford Pinchot the sum of \$93,000 was spent officially by the candidate and the "Pinchot for Governor Committee" stated that it spent \$117,000 and there were unpaid bills for \$4,000 more. His opponent reported that he spent approximately \$1,000.

These immense sums do not speak well for Pinchot's personal popularity. Neither do they speak well for the future of the state. The men who put up those huge sums will be looking for compensation in the future.

BASE PROMOTIONS ON PUPILS' ABILITY

Before pupils are promoted this year there will be a thorough investigation into their ability to undertake the work of the next grade. Principal Campbell will be guided by the results of several examinations, the teachers' recommendation and the age of the pupil. It was pointed out to the trustees at the meeting last night that some pupils were unable to do the work of their grade owing to being promoted beyond their depth. This had often been necessary through lack of accommodation.

Mr. and Mrs. R. Likely, of Vancouver, returned south on the Prince George last night. Mr. Likely has been visiting Terrace in connection with some timber limits he has in that district.

SOCIAL DOINGS OF CONVENTION

Visiting Masons to Be Entertained at Grand Ball and Banquet.

The three big social events in connection with the Grand Lodge Masonic convention to be held here next week will be the fish banquet and grand ball on Wednesday and the general banquet on Thursday evening.

The fish banquet to be held at noon on Wednesday in the St. Regis Cafe will be under the auspices of the Royal Arch chapter. The grand ball will be held on Thursday evening in the Auditorium, the hosts being the Tsimsean and Tye lodges of this city and the guests of honor the visitors. Tsimsean and Tye lodges will entertain the visitors at a big banquet to be held on Thursday evening in the Auditorium.

Besides these three social events there will be the regular annual business of the Grand Lodge including the election of officers. Sessions of the lodge will be held on three days of the visit here.

Reception of Guests.
The great preparations of the local lodges for the reception of the guests which have been under way for weeks are now nearly perfected and success for all of the doings is assured. Tickets for the banquet and dance are being sold by the secretaries of Tsimsean and Tye lodges.

The Princess Charlotte, which is specially chartered to bear the main body of the delegates, will arrive here at 8 o'clock on Wednesday and the Prince George, arriving at 10:30 on her regular voyage will have another quota if accommodation is available for them. This steamer is bringing in the New York Rotary excursion and will likely have no space to spare. The Princess Charlotte will clear for the south after the convention some time on Friday evening. Between 300 and 400 Masons will be here from the south for the occasion.

STEAM TRAWLER BRINGS GOOD CARGO FLATFISH

Steam trawler G. E. Foster, Captain Sanderson, arrived in port yesterday morning with a cargo of about 70,000 pounds of scrap fish including 37,000 pounds of brill, 12,000 pounds of grey cod, 7,000 pounds of white, 6,000 pounds of lemon soles and 4,000 pounds of halibut.

The vessel had been out since Sunday when she put Capt. McCoskie aboard the Canadian Skirmisher.

EXCHANGE GREETING WITH NEW YORK CLUB

The members of the New York Rotary Club will be entertained for a half an hour here on Thursday morning by the local club on their arrival from the south. They will meet the local men in the upstairs part of the station, which has been kindly lent for the purpose by the rail-

CLEANLINESS IS HEALTH

GILLET'S IYE G is one of the most useful and economical articles on the market.

"Let Gillett's Iye do it" is a common expression among those that are familiar with its many uses.

Read the directions under the wrapper.

GILLET'S IYE EATS DIRT

MADE IN CANADA.

Ten Years Ago in Prince Rupert

A committee of citizens, dissatisfied with the returns proclaiming the three money by-laws passed as a result of the recent plebiscite, have taken legal advice and will protest the election. A committee consisting of W. P. Lynch, J. H. Hill-ditch and S. P. McMorris met the city council yesterday and arranged for a recount which confirmed the original figures by City Clerk E. A. Woods.

Dr. J. O. Reddie, medical health officer has ordered the public school to be closed until after the summer vacation on account of the outbreak of measles.

The Prince Rupert baseball club has received a challenge for a game to be played with Hazelton at the interior town on Dominion Day.

The Man in the Moon SAYS:

FINANCING a corporation is always a big job as the stout man declared. To do it satisfactorily there will have to be less wast.

OTTAWA is complaining of grape fruit costing twenty cents each in that town. But who wants to live in Ottawa anyway?

THE beauty of a grape fruit is that it is a food and bath all at one time.

THE French chorus girls are said to have adopted the feather as the very latest in dress. It is one feather, just as Eve is said to have used a fig leaf. The result is that with the introduction of the new dress has also come the introduction of the American expression "chicken" or its French substitute.

POSSIBLY you have heard of the person who painted, powdered, dyed and rouged and yet in spite of it all resembled a woman.

IT was not a bit nice of the auditor of the finance committee or whoever is responsible to throw a financial report at us to again remind us of the amount of money we pay to finance the city.

RUNNING a city was at one time a necessity; now it has become a luxury.

LIKE grape fruit, conducting a city is rather expensive.

IF the finance committee would take off our hands a bargain lot of bad smells, they would be doing the city a service, especially during the hot weather.

PUBLIC INQUIRY BOOTH SCHOOL

Board of Trustees Decide in Favor of Co-operating With Council in Matter

Following the reading of a letter from the city solicitor in regard to the holding of a public inquiry into the Booth School difficulty there was some discussion and it was decided to advise the city council that the board was desirous of holding such an inquiry and suggesting that they take the matter up with the city solicitor and advise them how to go about it.

Trustee McLennan said there was a feeling that a public inquiry should be held. The mayor had suggested one way would be to use Mr. Potter and have the matter tried before a judge, when all kinds of witnesses could be called. He was rather of opinion that an order in council should be asked and that the provincial government should appoint a judge of the supreme court.

Mr. McKeekin said people who were asking for the inquiry did not figure the cost of such an investigation. They would have to pay the witnesses and many of them had left the city.

Dr. Kergin explained that this matter had been up before and they had been advised that it was too soon to sue the architect and Colonel McMorris was not liable.

LADIES PREPARE TO ENTERTAIN VISITORS

Wives and Daughters of Masons Will be Given Picnic or Tea at Prince Rupert Club

According to present plans the wives and daughters of the members of the Masonic craft who are expected next week will be entertained by the local ladies at a picnic on Thursday afternoon.

Should the weather be such that a picnic would not be pleasant, they will be entertained at tea at the Prince Rupert club. The directors of the club last night gave permission for the building to be used for that purpose on Thursday up to six o'clock.

On Buying Curtains

Remember LUX is at your service—its pure, bubbly suds make colours bright and clear, and the daintiest fabrics clean and fresh as when new. The thin, satin-like flakes of Lux, manufactured by our own exclusive process, dissolve instantly into a rich lather as harmless to fine fabrics as pure water itself.

LUX

For Silk and coloured curtains—

Whisk a tablespoonful of LUX to a lather in half a bowlful of very hot water; then add cold water till lukewarm. Swirl the curtains about—work quickly—press the rich suds through and through the curtains but never rub. Rinse in three lukewarm waters. If you can, roll in a towel to dry. Or, dry in the shade.

For white curtains—not silk—soak for an hour in cold water. Then wash in the same way, using hot suds. Rinse in three hot waters and dry in the sun.

Lux stands supreme. It is sold only in sealed packets—dust-proof!

At the school board meeting last night Principal Campbell explained that an epidemic of window breaking seemed to be at an end. Vigorous measures were being taken to suppress it.

A large Rotary wheel has been prepared and will be erected at a suitable public place where visitors to the city will see it and will be formed therefrom of the meeting place and date and time of luncheons.

At the school board meeting last night permission was given Miss Stevens to leave a few days before the end of the term, any time after June 21 and to hold an exhibition of Domestic Science work Saturday afternoon and evening of this week.

The report of Dr. Tremayne read to the school board last night showed the health of the school pupils had been good. There had been no contagious diseases except such matters as chicken pox. The teeth of the pupils showed improvement.

Principal Campbell explained to the board at the meeting last night owing to the difficulties at the Booth school there was no exhibition of school work in connection with the closing but it was proposed to make a good display of work of the pupils at the annual fall fair.

At the meeting of the school board last night, appreciation was expressed at the action of Miss Helen Hibbard in deciding to take a summer course this year in the south. Dr. Kerzin expressed personal appreciation and Mrs. Ling said she thought teachers who did this should be recognized for promotion. On motion of Trustee McMeekin the appreciation of the board is to be sent to Miss Hibbard.

At the Rotary lunch yesterday George Bryant gave an interesting two-minute talk on the growth of Rotary and the chairmen of several committees reported. M. P. McCaffery for the social committee; Fred Dawson for the public affairs committee and Mayor Rochester for the international relations committee. Guests of the day were Capt. Mackenzie, formerly skipper of the Prince Rupert, who was given a rousing reception and Kenneth Robinson and W. Mainwaring of the Vancouver Rotary Club.

The opening game of the Dominion Day Cup football series is scheduled to take place at the Acropolis Hill Grounds this evening between the Grotto and the Sons of Canada. George Russell refereeing. All four teams have been fostering their strength of late for the series and, regardless of the looks of things in the league contest, the supporters of each aggregation consider that their favorite's chances are good. The second game of the series will take place on Monday night between the Sons of England and the Gullies and the victors of the two matches will meet on Dominion Day to decide the winners of the cup. The series gives promise of being just as interesting as ever this year.

The program of the thirty-fourth annual Canadian open track and field championships is held at Victoria Park, Calgary, under the auspices of the Calgary Caledonian Games Society, opening on August 12, includes 100 yard run, 220 yard run, 440 yard run, 880 yard run, 1 mile run, 5 mile run, 120 yard hurdles, 1 mile walk, running high jump, standing broad jump, hop step and jump, pole vault, throwing the hammer, throwing the weight, throwing the discus, putting the shot, tossing the caber and relay race. A gold medal, emblematic of the championship of Canada, will be given to the winner in each event, silver medal, second, and bronze medal third. The events are open to all registered athletes and entries will close on August 7.

New York Yankees and Giants are still leading in the American and National League pennant races although the margin of safety for the latter has been considerably diminished in the past fortnight. At the first of the week the Yankees had a very safe margin of nine games over the runners-up, St. Louis, and the Giants had a four game lead over the Pittsburgh Pirates. Boston has dropped into the American League cellar and Philadelphia is still at the bottom of the National nearly 150 points below Boston. All teams in the National are pretty well bunched together with the exception of Boston. The Yankees prospects for the 1922 pennant look good but the Giants seem to lack pitching strength to outdistance the other contenders and assure their continued leadership.

Calgary has increased its lead in the Western International League and is now four games ahead of Edmonton, Vancouver and Tacoma have further slumped recently with the result that the two prairie teams are above the 500 level while the coast

ZAM-BUK
is the best remedy known for sunburn, heat rashes, eczema, sore feet, stings and blisters. A skin food!
All Druggists and Stores—50c.

owns are now both below, Tacoma being some seven games further down than Vancouver. The contest for the Western pennant seems to be resolving itself between Calgary and Edmonton, each team seeming to strive to beat the coasters as badly as possible to gain advantage over each other.

WIN CERTIFICATES FOR GOOD WRITING

Number of Local Pupils Make Fine Showing in Penmanship

At the school board meeting last night some samples of writing with certificates attached were shown to the members of the school board by Principal Campbell the results of the McLean free arm system of writing which is now taught throughout the schools of the province. The results were excellent. The certificates were granted by H. B. McLean, author of the system. The pupils securing the certificates are: Borden Street, taught by Miss Mills; Netta Clark, Hazel Richardson, Iver Cameron, Dorothy Edgar and Lillian Cross. Booth School, taught by D. H. Harkness; Winnie Bury, Julia Calderone, May Davies, Lorraine Grant, Evelyn Johnson, Margaret Kergin, Irene Morris, Kathleen Phillipson, Margie Ratchford, Rosie Rosang, Kathleen Ryan, Florence Smith, Rosario Soriano and Marguerite Casey.

Miss Muriel Bowen sailed last night on the Prince George for the south.

SONS OF CANADA DEFEAT K.C.'S

Last Night's Senior League Fixture resulted in 9 to 5 Victory for Canucks.

JIMMY FARQUHAR MAKES HOME RUN

Mustering their full strength on the baseball field last evening the Sons of Canada were successful in winning their first game of the season when they defeated the Knights of Columbus by a score of 9 to 5. The game was possibly the best so far in the Senior League series this year, and there were no serious blow-ups on either side to mar the proceedings. The Canadians outplayed their opponents and the score was a fair indication of the qualities displayed by the two teams.

The Sons had their best battery in for the occasion, the Eadie - Curtis combination, which allowed Vic Menzies and Wallace Anderson to take their regular and most effective positions in the infield. To Anderson, at short, goes much credit for the Canadian victory for he played in his old time form and held everything that came his way in his usual neat and tight manner. C. W. Eadie, pitcher, held his end well throughout and was in good control all the time. Vic Menzies at second, Curtis, behind the bat, and H. B. Scott, centre field, made good showings but Jimmie Farquhar, third, made a hero of himself and to him goes the honor of making the first home run of the season. The circuit bagger was produced by this player in the third inning when the score stood 3 to 1 in favor of the Knights. With Eadie on the sacks, Farquhar came through with a hefty one which went over the rock pile and evened up the score. One more run made in this frame gave the Sons the lead which they successfully maintained a nd increased before the end of the game.

Knights' Playing.
The Knights were also in good form and put up a good game although they were not successful in scoring as many as the Sons; their hitting was, on occasion, effective but the Sons' infield was able to hold the game when Eadie allowed runners on the sacks. Harry Astori was steady in the Knights' box with the exception of one inning and E. A. Donohue, catcher, displayed his usual coolheadedness and good management. O'Reilly, the Knights' left fielder, went on the casualty list in the second inning when he twisted his ankle, and had to leave the field. He was replaced by Dick Moore who clubbed out a two-bagger and followed up in the field by catching a nice fly. Tom Moloney played his usual effective game at first for the Knights and missed little that came his way.

Three errors were chalked down against the Sons and four against the Knights. S. J. Evans was umpire of balls and strikes and J. Ratchford, bases.

Players and Scoring.
The teams lined up as follows: Sons of Canada—J. Farquhar,

ACTIVE PROGRAM OF DEVELOPMENT WORK AT INDIAN GROUP

Local Company Has 12 Men at Work on Property North of Stewart Near Premier.

Twelve men are being employed by the Indian Mines, Ltd., of this city on development work at the Indian Mines in the Salmon River valley north of Stewart. The property is one of the older ones in the Portland Canal district and the company has been incorporated ever since the boom days of 1910. G. D. B. Turner, of Victoria, is in charge of operations now going on. Among the members of the company are J. F. Ritchie, L. W. Patmore, George Aylard, James Gronin and George Clothier. The Indian group is located across Cascade Creek from the Premier Mine, about one mile distant from it.

CORPORATIONS

J. W. Nicholls Speaks to Rotary Club on Financial Matters.

Explaining that incorporation was sometimes a benefit and sometimes a distinct disadvantage, J. W. Nicholls, comptroller of the Canadian Fish & Gold Storage Company, gave an interesting talk at the Rotary Club luncheon yesterday on corporations. He explained that in Lon-

QUEEN CHARLOTTE LAND DIVISION.

Take notice that W. G. McMorris, of Vancouver, B.C., miner, intends to apply to the Minister of Lands for a licence to prospect for coal, petroleum and natural gas over and under the following described lands, situate on Skidegate Inlet, Graham Island, B.C.: Commencing at a post planted at the southeast corner of Section 23, Township 2; thence north 80 chains; thence east 80 chains; thence south 80 chains; thence west 80 chains to point of commencement.

SANTAL MIDY
Easy to Take—Quick to Relieve
CATARRH of the BLADDER
Safe, Successful
Each Capsule bears name MIDY
Be aware of counterfeits

don he had been secretary of ten or fifteen companies, many of them South African, and this had given him an insight into their workings. While a business conducted by an individual practically ceased at the death of the owner, the corporation was continuous and there was no break in operations through the death of any of the members. Money could be raised easily through the selling of shares to small investors who were protected from liability in case of failure. There was also a centralized control that was not always found in a partnership.

The objection to incorporation was found in the difficulty a small company often found in obtaining credit. Firms that would give credit to an individual often refused to give it to a company. Speaking of the duties of a comptroller, Mr. Nicholls said he had to examine and check up all financing during the operation of the concern. Financing was not always an easy matter. If engaged in foreign business, the matter of exchange had to be looked after so as to get the most favorable results. Credits had to be watched and other similar work undertaken.

OBJECTION TAKEN TO CLOSING SCHOOLROOMS

Inspector Will be Asked to Try to Arrange for all Rooms to Carry on

The school board at its meeting last night decided to ask Inspector Fraser not to close any of the city school rooms in connection with the conducting of the entrance examinations as the pupils had already lost five weeks of the term work. This action was taken on the initiative of Mrs. Ling who said parents had complained that some of the rooms were to be closed. Principal Campbell stated that Mr. Fraser had ordered the rooms in the King Edward school closed and had also asked Miss Rothwell to help with the examinations, thus closing her room. Miss Rothwell had done that work last year. The matter will be taken up with the inspector with a view to keeping the work going.

ALICE ARM-STEWART TRAIL POSSIBILITY WILL BE INSPECTED

George Clothier and George Young Contemplating Trip into That Country This Summer.

George Clothier, provincial government resident mining engineer, is leaving tomorrow night on the Prince Rupert to make the round trip to Stewart on departmental business. Later in the summer, Mr. Clothier will make a reconnaissance of the mineral belt between the headwaters of the Bear and Kitsault Rivers. He will be accompanied by George Young, road superintendent for Athin district, who will inspect the possibilities of building a trail through that country linking up the towns of Alice Arm and Stewart. The provincial government has already intimated that such an examination is to be made.

HUNDRED EXPECTED

Next Week's Rotary Luncheon Will Be Big Event Owing to Presence of Masonic Visitors.

Plans are being laid for the entertainment of a large number of visitors at the Rotary luncheon on Thursday next in the St. Regis cafe, when it is expected there will be one hundred visitors and local members sit down together. A committee has all the arrangements in hand. Prominent among the visitors will be Grand Master Terry of the masonic craft, who is also a member of the Victoria Rotary Club. Another guests will be Past Grand Master Burde, general manager of the Province newspaper, a member of the Vancouver Rotary Club.

CITY IN ORDERLY CONDITION FROM POLICE STANDPOINT

Fines for Month of May Totalled \$412.35—26 Cases in Police Court and 18 Convictions.

The report of the chief of police at last night's meeting of the police commission showed that fines collected during the month of May had totalled \$412.35 and there had been 26 cases in the police court with 18 convictions. Under the Opium and Narcotic Act there had been three cases of possession, all resulting in convictions. The city was reported as being in a most orderly condition. Bread and coal weights had been examined and found correct. The payroll for the month totalling \$1178.28 and the usual budget of accounts, including \$59 for keep of prisoners at Okalla and \$14 for relief were approved for payment.

The matter of buying new uniforms for the police force was brought up by Chief Vickers at last night's meeting of the commission but was left over for a month, the chief to make an inspection of the present equipment in the meantime.

HEARTBURN

A SEVERE CASE

Many people are troubled with heartburn who really do not realize just what it is. In cases of this trouble there is a gnawing and burning pain in the stomach attended by disturbed appetite. It is generally caused by great acidity of the stomach, and whenever too much food is taken, is liable to ferment, and becomes extremely sour, causing heartburn. In such cases vomiting often occurs, and what is thrown up is sour and sometimes bitter.

The one way to get rid of heartburn is to keep your liver active by using

MILBURN'S LAXA-LIVER PILLS

and you will have no heartburn or other liver troubles such as constipation, jaundice, water brash, floating specks before the eyes, coated tongue, foul breath, etc. Miss Edith Cutting, Shallow Lake, Ont., writes:—I have had heartburn for a long time. There were gnawing and burning pains in my stomach, and then when I vomited there was a sour and bitter taste. I used two vials of Milburn's Laxa-Liver Pills, and they have cleared me of my heartburn. I don't think they can be beaten by any other medicine." Price, 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
