FRENCH ARREST 5 MINE MANAGERS IN RUHR

DIRECTORS OF REICHSBANK DEFY THE FRENCH GENERAL: COAL NOT MOVING

Directors of Dusseldorf Bank Refuse to Open Doors at French Orders: Mine Managers Arrested

DUSSELDORF, Jan. 20.—A pointblank refusal from the directors of the Reichsbank branch here to reopen the bank's doors was delivered today to General Degoutte, the French Commander in Chief in the Ruhr district.

"The bank will remain closed so long as there is a single French soldier in or around the premises," the directors declared.

Degoutte in replying held the directors personally responsible and informed them that the military guard would be removed only after the bank reopened.

ESSEN, Jan. 20.—Fritz Thyssen and five other leading mine operators were arrested today and taken to Dusseldorf by French troops.

DUSSELDORF, Jan. 20.—The Reichsbank failed to open its doors for business today, thereupon General Degoutte, commander of the occupational forces, ordered it to resume its activities immediately. All private banks were also closed.

LANGRENER, Jan. 20.—The French patrol fired six shots into a party of miners coming from the Robert Mine, but it is not known whether there were any casualties.

ESSEN, Jan. 20.—Railway officials and workers have voted to adhere strictly to the orders of Berlin and not to assist the movement of coal trains to France or Belgium. None of the six trains totalling 21,000 tons of coal seized by the French have left the Ruhr yet.

ELEVEN MORE EXECUTIONS IN IRELAND

Total Put to Death Since November 17 Stands at 45

DUBLIN, Jan. 20.—Eleven executions were carried out in Ireland today. Four persons were put to death at Tralee, five at Athlone and two at Limerick by the Free State. These bring the total number of executions since last November 17 to 45.

Two International Rugby Matches Played Today in Old Country

LONDON, Jan. 20.—England defeated Wales in an international rugby match at Twickenham today, seven to three.

INVERNESS, Jan. 20.—In an international rugby match Ireland defeated France by sixteen to three.

WILD GEESE FREQUENT QUEEN CHARLOTTE

There in Large Numbers Owing to Mild Climate and Plenty of Food

MASSETT, Jan. 20.—The mild climate of the Queen Charlottes is attracting large numbers of wild geese and other birds, which usually go south. The cranberry marshes with their wealth of fodder and the lowlands devoid of snow make the islands an ideal conservatory for wild game. The geese remain here the year round.

Black bears are plentiful this year, while there are also moose, land otter and weasel here. The few imported deer are increasing in numbers.

COWPER SENTENCED TWO YEARS IN JAIL

VICTORIA, Jan. 20.—Hector S. Cowper, clerk of the municipality of Saanich, pleaded guilty to a charge of theft of \$6,000 and was sentenced to two years' imprisonment.

ST. PAUL I. WIRELESS STATION DEMOLISHED

ANCHORAGE, Jan. 20.—The steamer Starr reported here by wireless that wind had demolished the naval wireless station on St. Paul Island, Behring Sea.

STORK'S VISIT TO INTERIOR

Found People There Busy Cutting Ties — Weather Cold and Lots of Snow

FUR BUSINESS POOR

Citizens of Burns Lake Passed Vote of Thanks For Work Provided This Winter

Fred Stork, M.P. for Skeena, returned to the city last night after having spent five days in the interior. In the course of his trip he visited his constituents at Hazelton, Smithers, Telkwa, Houston, Pelling and Burns Lake.

Mr. Stork reports cold weather and lots of snow in the interior. Everybody is busy getting out ties for the railway and 1,600,000 are being cut in Prince Rupert district providing work for a great number of men. The letting of increased contracts this winter is proving of great advantage to the people in the interior.

"Things are generally very good up country," said Mr. Stork. "Burns Lake and Smithers are both growing steadily and showing signs of activity."

Affects Fur Catch

"The bush fires of last year were very disastrous and destroyed a vast amount of timber. It is not generally appreciated that the fires also had a very disastrous effect on the fur business. According to the fur dealers, the catch this winter is very poor because the animals in the burned over area had their habitations destroyed and were either burned up themselves or have moved to other parts."

The citizens of Burns Lake had a public meeting while Mr. Stork was there and the general situation was discussed. They passed a vote of thanks to the member for his activities resulting in the letting of the increased tie contracts this winter.

TERRACE MAN DIES AT LOCAL HOSPITAL

William Mawdsley Passed Away After Being Two Weeks Here

The death occurred at the General Hospital this morning of William Mawdsley, a rancher of Terrace, who came to the hospital on January 8. He was 54 years of age and was well known and highly respected in the Terrace district. He was born in England and has a sister at Winnipeg.

TO DEVELOP GOOD MINES

Hetu Mining Contractors Ltd., Capitalized at \$25,000, and With Head Office Here, is Formed

A company known as the Hetu Mining Contractors Ltd., with headquarters at Prince Rupert has been formed to go into the mining development business. The object of the company is to provide machinery for the development of good properties and the first contract to be undertaken is the driving of a tunnel on the Indian mine at Stewart, machinery having left Anyox for the purpose last week. Other outfits will be put on various properties later, it is expected.

The company is capitalized at \$25,000 and its head office is in the office of T. B. Hooper, of this city, who is a director. Fred Hetu, of Stewart, is president of the company and George Shelton, of Anyox, is secretary treasurer.

WESTMINSTER BREWERY CASE WAS DISMISSED

Local Magistrate Has No Jurisdiction Over Charge of Having Unsealed Liquor in Possession

The charge against the Westminster Breweries of having unsealed liquor unlawfully in possession was dismissed in the police court this morning by Magistrate McClymont. This decision was made following the receipt of a judgment in a similar case at Penticton where the magistrate's conviction was quashed on the grounds of lack of jurisdiction. It was decided by the judge in the south that such an action should arise and be tried at the place of manufacture. The case which involved a shipment of liquor here has been pending for several weeks.

MR. CARRUTHERS BEATRICE WAS IN COLLISION WITH CAMOSUN

District Engineer Goes to Victoria as Inspector of Bridges LEAVES NEXT MONTH

Had Largest Territory of Any Engineer in Province While Here

VICTORIA, Jan. 20.—The appointment of A. L. Carruthers of Prince Rupert to succeed Thomas Kilpatrick as provincial inspector of bridges is announced by Hon. Dr. Sutherland, minister of public works.

Mr. Carruthers will move to Victoria early next month to take over the work here.

Mr. Kilpatrick has been appointed general superintendent and chief executive head of the P.C.E. Railway.

The Prince Rupert office will be filled by promotion, Dr. Sutherland said.

Mrs. Carruthers has received word from Mr. Carruthers of the appointment, Mr. Carruthers was in Victoria and has gone to Revelstoke with chief engineer P. Phillip on a trip of inspection.

He is expected to return here on January 26 to arrange for moving.

Mr. Carruthers came here in the spring of 1917 from the Canadian Northern Pacific Railway and has done excellent work since his appointment. His district is the largest in the province and comprises the electoral districts of Prince Rupert, Omineca and Athin. In order to lessen the amount of territory to cover, plans were being made for the appointment of an assistant for Athin district.

P. Anderson, road superintendent, on hearing the news of the appointment this morning, said he regretted Mr. Carruthers' leaving because he was a capable engineer and executive and one with whom it was a pleasure to work.

Vessel Slightly Injured at Stern Proceeded to This Port

SEATTLE, Jan. 20.—The C. P. R. steamer Princess Beatrice and the Union steamer Camosun collided off Point McKay, B.C., early today, according to advices received here. The Beatrice was damaged somewhat about the stern but is proceeding under reduced speed. The Camosun was struck amidships on the starboard side but is taking no water and is proceeding.

VANCOUVER, Jan. 20. (noon).—The Princess Beatrice carried 40 passengers when she left here Wednesday, all for Prince Rupert. The Camosun is due here Monday morning.

A report to Capt. Troup, manager of the C.P.R. coast steamship service, at Victoria says the vessels came together at midnight at Kingcombe Port in McKay reach. Both proceeding. The Beatrice is expected to arrive at Prince Rupert tonight.

Later advices indicate that the collision occurred at Kingcombe Point about twenty miles this side of Swanson Bay. The Camosun was southbound. The Beatrice will be here some time this afternoon.

The Beatrice arrived at 2:30 with her bow badly bashed. She seemed to have all her bow timbers shattered and must have been in a head on collision.

THORNTON NOT COMING HERE

Board of Trade Has a Telegram From President of Canadian National Railways

In reply to the invitation sent to Sir Henry Thornton, president of the Canadian Railways, to visit Prince Rupert at this time, the following telegram was received by C. V. Eviit, secretary of the Board of Trade, this morning:

"I much appreciate the invitation contained in your telegram and am sorry because the necessity of myself and party returning directly East, will make it impossible to visit Prince Rupert during the present trip. I shall take the first opportunity of doing so in order to meet members of your board and other citizens."

THORNTON NOT FAVOR ELEVATOR

Sir Henry Thornton People Should be Plenty of Private Capital For Enterprise

VICTORIA, Jan. 20.—Sir Henry Thornton heard Victoria's proposal for the building of a grain elevator at Victoria and other suggestions for facilities in this city and promised to give the representations consideration. He said no decision had been arrived at but he was not in favor of the government railway spending money on elevators when there should be abundance of private capital to launch the enterprise.

Sir Henry said the National Railway would do everything possible to foster development of the port.

AGRICULTURAL ASSOCIATION GEN. MEETING

Financial Condition is Good One: Retiring Board Thanked For Services

The annual meeting of the Northern British Columbia Agricultural and Industrial Association was held last night, W. E. Thompson, vice-president, in the chair in the absence of F. G. Dawson, president.

The annual financial report audited by R. H. Shockley, was presented and showed a good financial position with a balance of \$193 in the bank.

Mr. Thompson spoke of the permanency of much of the work done at the building this year and suggested that the incoming board work along the same lines. He would take very little money now to complete the rest rooms. A complete resume of the work had been prepared by Manager Venables which would be a great help to next year's board. There were also complete files that could be referred to for comparison.

Mr. Shockley made a number of comparisons between the expenditures and income of last year and that immediately preceding. The donations last year had fallen off about \$900. He complimented the board on the good showing made.

Uniform System

Mr. Venables suggested that a uniform system of bookkeeping be adopted each year under the supervision of the auditor and also a method of segregating the receipts with a view to saving work. He would like the new board to go over the building with him and have an office conference in order that they may be helped in the work of the coming year.

A vote of thanks to the retiring board was carried with enthusiasm and acknowledged by Mr. Thompson, who spoke of the large amount of work entailed and the necessity of new members of the board making up their minds that they would have to give a good deal of time to it if they were to make it a success.

ALICE ARM

E. J. Conway, the Granby mining engineer, paid a visit to the Esperanza mine last week.

Thirty tons of high grade ore from the Esperanza mine is now at the government wharf here

awaiting shipment to the Anyox smelter. One hundred tons of low grade will be shipped as soon as it can be hauled from the mine.

The interior of the historic Kilsault House is being remodelled and finished by Steve Dumas.

W. H. Gray, B.A., a graduate of the University of B.C., has arrived here to teach school for the coming term. B. Woodward, the former teacher, has taken a position at Lynn Valley, near Vancouver.

ANYOX

The officers of the Intermediate Basketball League, which was formed during the week are: President, B. Whitteker; Vice-President, H. Seidelman; Secretary, Rev. J. Herdman.

The big entertainment for next week in Anyox amusement circles is the Burns' Concert, billed for January 21, which Rev. J. Herdman, of the Union Church, is going to make an outstanding success.

In the Letter Box

RIDLEY HOME

Editor, Daily News: May we, through your paper, draw attention of the citizens as a whole, and especially the merchants of this city, to the fact that the Ridley Home is now permanently established in our midst, the new buildings being situated on 8th Avenue East and Conrad Street.

The Ridley Home was established in Metlakatla over thirty years ago, by the first Bishop of the diocese, the late Bishop Ridley. It was established for the express purpose, of helping the isolated settlers to procure an education for their children, by providing them a home to which they might send them, by paying a very small fee for their maintenance.

The object of the Home is the same today. Settlers are still struggling with pioneer conditions in this Northern British Columbia, scattered widely from one another, and often not sufficient children for the government to provide a school, thus the Ridley Home comes to their aid, giving them the opportunity to have their children in a good home, and with all the educational facilities of the city children for them to participate in.

Needs are Great

A small charge is made per capita, but not sufficient to meet the running expenses of the Home, because if that were done

it would not fulfil its mission, viz., the helping of those who are really in need of such a home to which they can send their children.

The needs of the Home are very great, and the board of trustees are under heavy expenses, in establishing in Prince Rupert a series of cottage homes from the materials used in the home at Metlakatla. One of these homes is now completed and ready for occupation, accommodating eight children. The matron has arrived and the children are ready to take up their residence in the home. We are therefore asking the citizens to give their heartiest cooperation in this work. We need money and provisions. Anything in the way of provisions from a bar of soap to a ton of coal will be most acceptable, and can be delivered at the home at any time, and such gifts will be duly acknowledged.

Subscription Lists

Through the courtesy of the Canadian Bank of Commerce, and Ormes' Limited, we are able to place subscription lists with them, to whom all donations of money should be sent.

We all wish to see the interior of Northern British Columbia developed. Here is an opportunity for us to do our bit. By helping the children to make good settlers, we are helping the business of our city, first of all by establishing the home here, secondly by sending back to the interior better trained boys and girls to make the future settlers of our great hinterland.

Trustees Ridley Home.

TERRACE WELFARE LEAGUE MEETING

Spelling Match Concluded Interesting Gathering in Anglican Church

TERRACE, Jan. 20.—The Terrace Welfare League held its weekly meeting in the Anglican Church this week. The half hour Bible study was conducted by Rev. I. J. Marsh. Following this several community songs were sung, in one of which Miss Onale Griez took the solo part, the audience joining in the chorus. A recitation was given by Mrs. Sundal and this was followed by an exciting spelling match.

The suggestion that the League should put on a play was fully discussed. The next meeting will be held in the Presbyterian Church.

BURNS LAKE

Ira G. Short has sold out the Burns Lake Auto Transfer Co. to Messrs. Beckstead & Kerr, proprietors of the Burns Lake Garage. Mr. Short will be leaving shortly to visit in Southern British Columbia and Washington.

Capt. H. M. Seaton was taken to the Smithers Hospital on Thursday. It is feared that his leg may have to be amputated.

Mrs. J. M. Appelt and family left last week for Kendrick, Wash. where they will make their future residence.

Miss M. Williams, of Prince George, is the guest of Mrs. V. Schelderap.

Constable P. Carr returned this week from an official visit to Ootsa.

BOILS Made Him Sick and Miserable

Mr. Richard Zalenzoski, McLean, Sask., writes: "I had been suffering continuously, with boils, for three years, and during that time I tried many different remedies without any success whatever. In spite of all my efforts I was compelled to go to the hospital. This was in the fall of the year, and right in the busiest time of the season. Upon my return home it just took about two weeks until my neck and arms were again occupied by the boils which made me feel very sick and miserable.

One day one of my friends advised me to try Burdock Blood Bitters, and after I had used less than two bottles I was very much surprised at the result.

It is now over two years since I got in touch with B. B. B., and I have had no bother with boils since. I will recommend it to all persons suffering from any defect in the blood."

BAND CONCERT ANYOX SUNDAY

Fine Program Given at Free Entertainment at Smelter Town

ANYOX, Jan. 20.—The second band concert of the winter season by the Anyox brass band was given in Recreation Hall, Sunday evening, and was largely attended and greatly enjoyed. Under Bandmaster Varnes' leadership, this aggregation has accomplished wonders in the short time it has been in existence.
These Sunday evening concerts are to be a fixture, and will be given once a month. No charges are made, the bandmen and assisting artists giving their services for nothing, the Community League supplying the hall. Assisting the band were G. Liddell, who rendered "Dreamy Moments," a violin solo, accompanied by A. E. Haeslar on the piano, in a very pleasing manner; Mrs. O. M. Watson, a lady with a pleasing voice, sang a lullaby to the music of "Humoresque," and was accompanied by Miss Leitch; while W. E. Eves, an evergreen favorite with Anyox audiences, gave "One Fleeting Hour" to the accompaniment of the band, and was loudly cheered.
The program comprised the following well-known band selections: "2nd Regiment March," "Baccaratle Waltz" from "Tales of Hoffman," "The Darkies Jubilee," "Intermezzo" from "Cavalleria Rusticana," "In Melody Land," airs from Italian operas, "Why Should I Cry Over You," "Three O'clock in the Morning," "Norembega March," "God Save the King."

COMMUNITY LEAGUE AT ANYOX ACTIVE

ANYOX, Jan. 20.—The regular weekly meeting of the Anyox Community League Council was held at the usual time and place, on Wednesday evening, January 17. In the absence of the president, Sec.-Treas. C. J. Lowry occupied the chair. Matters dealt with were alterations to present arrangements in connection with stage lighting in Recreation Hall, the acceptance of Mr. Greshire as instructor and caretaker of the new gymnasium, which the league will shortly open; a change in moving picture operators at Recreation Hall, R. McMillan relieving J. Parker; the appointment of Miss Zeigler to the position of pianist at the new Mine Hall, which the Community League recently completed, and is now occupied on nights other than show nights by the Mine Social and Athletic Club.

SUFFERED SO from Heart and Nerves LIFE WAS A BURDEN

Mr. A. H. Lee, Beamsville, Ont., writes: "I am delighted to let you know what I have to say regarding the good Milburn's Heart and Nerve Pills did me."

A short time ago I suffered with heart and nerve trouble, and was so bad I could not sleep, only about two hours each night. My heart was so bad I had spells when driving on the road and would faint away, and neighbors would carry me in from my wagon. I also took these pills in the night and during my daily work on the farm. My nerves were so bad I would jump out of bed, and was then compelled to walk the floor before I could settle down again, but after taking a few boxes of

Milburn's Heart and Nerve Pills

I can honestly say I am a relieved man. I now feel in the best of health, in fact, the best I've been in for three years, and can do any class of work with pleasure where before life was a burden to me."

ANYOX WILL OPEN NEW ATHLETIC HALL

Basketball Leagues Formed to Play Regular Games in Building

ANYOX, Jan. 20.—The new gymnasium, built by the Community League with the assistance of the Granby Company, is going to prove a very popular acquisition to the athletic facilities enjoyed by the folk of Anyox. This building will be informally opened at the beginning of next week, when the basketball leagues will commence their several schedules. A senior league, consisting of three teams, comprising Smelter, Catholic Club and Mine Club, is already organized, while an intermediate league, consisting of teams representing the coke plant, general stores, smelter, general offices, Tuxis and High School, was formed this week, and expect to have their games take place on the same nights as the senior league. The Ladies have also organized two teams and are looking for the Mine Club to enter a team in a Ladies' basketball league.
The new building would be a credit to any town. It is 40x90, fitted with dressing rooms and shower baths, and will have the full equipment of a modern gymnasium. The actual floor space for playing is 38x70 feet, and is laid out for basketball, tennis and badminton. At the front end of the building is a balcony for spectators, behind which lockers are being built for the convenience of all who wish to store their gymnasium bags in the hall. Later on it is proposed to install bowling alleys in the basement, and there is a possibility of roller skating being indulged in. Equipment

GOLF COURSE FOR PALLING

Burns Lake Paper Tells of Proposal to Lay Out Eighteen Hole Course

The Burns Lake Observer says: Golfing enthusiasts in Northern British Columbia will, this coming summer, have an opportunity of following their particular pastime at Palling, where, with the contour of the land eminently suited to this sport, many hundreds of dollars will be invested in putting up the necessary adjuncts for a first class course. A Club House will also be erected.
Twelve prominent Burns Lake citizens have signified their intention of becoming members. W. D. Lukens, of Palling, is behind the proposal and he is to be congratulated upon the progressive spirit with which he has undertaken to lay out the only golf course of any note nearer than Vancouver or Edmonton.
With the present train service it will be possible to leave Prince Rupert and Prince George, or points en route, and spend the week end at Palling. This will appeal to many weary business men who wish to seek the relaxation to be found in a game of golf among fellow votaries of the sport.
Eighteen holes will be laid out and the grounds provide excellent

Caygeon Is All Set

The halibut chaser Caygeon, Capt. Jim Morrison, is all O.K. for the deep sea grounds and is expected to leave port on Monday. This well known boat is looking particularly smart and comfy. According to well informed mariners the Caygeon is one of the best fitted three men boats in the port of Prince Rupert and you would surely think so if you went aboard. The cabin is the acme of comfort and cleanliness, and is smartly decorated in white enamel with red facings. Every available bit of space has been put to some useful purpose and even the ceiling is adorned with cute little shelves which contain a considerable part of the culinary utensils not forgetting the clothes brush.

The floor is covered with jig saw pattern linoleum. Two bunks are arranged permanently for the captain and first mate, both being fitted with electric light inside to enable the occupants to read at night, while the third bunk is arranged on the opposite side for the cook. The stove is of a very useful nature trimmed with polished nickel fittings which shine so brightly that a looking glass is not required, while at the side a coal bunker is rigged up at a convenient angle. The table is of a collapsible make, which can be raised and lowered at will and serves the purpose of either a mug-up stand or a billiard table. The forward part of the cabin is rigged up with nifty little cupboards in which reside the willow pattern cups and dishes.

Jack Lockwood, as chief cook and Arthur Nickerson, alias The Midget, as first-mate, will accompany Cap on his dash for freedom.

Tramp Leaving

The halibut boat Tramp, Capt. Sam Hogan, has completed her overhaul and everything is in readiness for her early participation in the halibut game. Everything has been gone over thoroughly. The engine has

TEA

As it should be

You will never know the delicious refreshing taste of TEA as it should be — until you've tried

NABOB TEA

One teaspoonful to a cup, and steeped six minutes, and the second cup is as good as the first.

KELLY, DOUGLAS & CO. LTD.

TERRACE NOTES

Mr. Thoms of Usk has been in town for a few days.

Joe Spitzel who has a saw and shingle mill at Carnaby was in town for a few days on business, returning home Monday night.

Albert White who has been working at Swanson Bay has taken charge of the woods camp of the Lakelse Lumber Co. at Ansbury. He went down on Monday to assume his new duties.

Tom Ross, who formerly occupied this position is joining Dan Clacher in getting out telephone poles from near Deep Creek on the Kalum road.

"Fighting Mike" Waferman and G. Kelly who have been working at Ansbury for the past month are in town for a few days.

Mrs. Marsh made a short visit to Mrs. A. Y. Wilson, of Reno, this week.

Some of Pat Philipson's friends had an opportunity of seeing him on Sunday as he passed through here on his way to Prince Rupert. He reports that the numerous forest fires last summer have had a very bad effect on the fur trade here.

The new books for the circulating library have arrived and the exchange of books will soon take place.

News has just reached Terrace of the death of Miss Remillard who became well-known to many in Terrace during her summers at the Lakelse Hot Springs.

Mrs. Harrison and little boy returned from Rupert on Monday.

Those registered at the Terrace Hotel on the fifteenth were J. A. Bowles, Prince George; A. C. Knight, Prince Rupert; G. R. Hutchinson, Prince Rupert.

The suggestion that the game put on a play came up and was fully discussed. The next meeting will be held in the Presbyterian Church.

When you buy advertising you buy CIRCULATION, and see that you get it.

SERIOUS DISEASES SPRING FROM COLDS

Prompt Attention Necessary to
Avoid Lung Trouble

Just as "fall colds" from "little acorns grow," so is a common cold often the seed from which spring serious diseases, such as pleurisy, pneumonia and other lung troubles. Taken at its start, a cold yields to proper treatment. Neglect it and it not only causes serious inconvenience, but is very liable to develop into diseases which are rightly dreaded by all.

That cold can be relieved in a single night by starting to take Grip-Fix as soon as the trouble appears. This remedy strikes right at the root of the complaint. It keeps the system open. It relieves the muscular pains. It relieves the feverish conditions. It comes in capsule form and acts promptly. Two capsules taken three hours apart give wonderful results, and one capsule at two-hour intervals thereafter finishes the work.

Have a box of Grip-Fix in the house. Never be without it these days. On sale at Ornes Drug Store Ltd., 55c per box.
