TRANSFER OF SEAL COVE MILL AND TIMBER ANNUAL CONVENTION ASSOCIATED BOARDS OF TRADE OPENS IN VANCOUVER

Lumber Mill and Timber Limits Here are Sold and Pulp Plant Expected to be Built Before Long

VANCOUVER, Nov. 15.—The Prince Rupert mill, together with 51 square miles of timber on the Kutzermateen River, cruising 600,000,000 feet of lumber, has been sold by the Prince Rupert Holding Company, successors to the late John Emerson, according to a rumor current here. The purchasers are said to have been California and Iowa capitalists who have been negotiating for the property for some time and who propose to operate the mill and erect a pulpmill to handle the grades of timber which are useless for lumber.

TRADE PARLEY AT PORTLAND

Pacific Coast Foreign Trade Council Opens Three Day Session

PORTLAND, Nov. 15.—Various aspects of foreign trade in its relation to the Pacific Coast are to be considered at a three day convention of the Pacific Foreign Trade Council, which opened here this morning. Unity of the entire Pacific Coast district in the expansion of its external trade relations and the development of possibilities presented through co-operation in the various fields will be the keynote of those who will speak during the conference.

DROP CAPITAL LEVY POLICY

Old Country Labor Party Strengthens Cause by Eliminating Radical Plank

LONDON, Nov. 15.—The Daily Express says the Labor Party will abandon its proposal to make a levy on capital on which it fought the last election. This will have a decided effect on the election next month and the paper suggests should have a reaction unfavorable to the Conservatives who are going to the country on a policy of protection with imperial preference.

NO MORE DOLES FROM GERMANY

BERLIN, Nov. 15.—The German Government announces that it will be unable to continue unemployment doles in Ruhr and Rhineland after November 25, after which citizens in both regions must shift for themselves.

NEW MANAGER FOR THE CANADIAN COLLIERIES

VICTORIA, Nov. 15.—Lieut.-Col. Charles Villiers has been appointed manager of the Canadian Collieries (Dunsmuir) Limited in succession to the late J. M. Savage. Mr. Villiers is a South African mining man.

Thomas Graham, who has been acting general manager, remains with the company as general superintendent in charge of operations.

The company has mines at Cumberland in the Comox district and also owns the Extension mines near Ladysmith.

J. F. Duthie Acquires Fiddler Creek Gold Property From Dempster Treadway

The Fiddler Creek gold property near Doreen about 125 miles up the line from here has been acquired by J. F. Duthie, the Seattle capitalist, from Dempster Treadway, W. E. Williams, of Williams, Manson & Gonzales, returned yesterday afternoon from the south where he had been in connection with the deal.

J. R. Turner, Mr. Duthie's engineer, also arrived in the city yesterday and proceeded by train to Doreen where he will make arrangements for the starting of development work at once. Ten or twelve men will be employed to start with.

BRITISH PREFERENCE WOULD BE BENEFICIAL

Exporters See Salvation of Canaries and Fisheries in this Country

MONTREAL, Nov. 15.—Exporters here express the belief that the British preference on canned salmon and other sea fish will mean the salvation of the Canadian fisheries and canneries and will eliminate American competition in the British market.

ALDERMAN COLLART TOLD EXPERIENCES AS AN IMMIGRANT

At the Rotary Club today Alderman Theo. Collart gave some interesting experiences of the early life and difficulties of an immigrant to Canada who knew nothing of the language and customs. He told of farming in the foothills of Alberta and of pioneering in Prince Rupert.

At the close of an intensely interesting speech Mr. Collart urged that more care should be taken to look after immigrants who were strange to the customs and language to see that they got started right on the land.

VANCOUVER, Nov. 15.—With delegates in attendance from all parts of the province, the annual convention of the Provincial Prohibition Association opened here this morning.

Rev. A. E. Cooke, the president, will present his report this afternoon and Rev. T. A. Albert Moore of Toronto will address the members on Dominion Prohibition.

PROPOSAL TO FORM LUTHERAN CHURCH

Field Missionary in the City With a View to Organizing Congregation

Rev. P. E. Baisler, B.D., field missionary for western Canada of the United Lutheran Church, is here for the purpose of looking over the field with a view to organizing an English Lutheran congregation here. He has attained marked success in organizing similar churches both at Winnipeg and Victoria and he expects to do the same here.

Speaking to the Daily News this morning, Mr. Baisler said the United Lutheran churches were usually more successful because there were in the communities people representing various nationalities that adhered to the Lutheran form of worship. Here he understood there were Norwegian, Icelandic and Danish. As English is the language of this country and all are learning it, they would unite in worship better by using the English language than through either of the others.

Mr. Baisler has arranged to hold a service on Sunday in the little Lutheran Church here when he will address the people on the proposal and he is hopeful that all interested will attend on that occasion.

MEMORIAL RECEIVED FOR DEAD SOLDIER

Swedish Consul Has Plaque and Papers for Next of Kin of Late Sapper August Fredin

A bronze memorial plaque accompanied by a service certificate and personal note from King George V. has been received by Olof Hanson, Swedish consul, for delivery to the next of kin of the late Sapper August Fredin who lost his life in the Great War while serving overseas with the Canadian Engineers. V. E. Essen of this city is a brother of deceased and delivery of the medal and papers will be made by the consul when he arrives in the city from the interior where he is located at present.

Goes off to Fly Start by Beating Vancouver and Victoria

SEATTLE, Nov. 15.—Seattle has gone off to a flying start in the Pacific Coast Hockey League winning the first two games of the season, the first on Monday night against Vancouver and the second last night.

In the game played here last evening Victoria was beaten by a score of seven to six in an overtime game.

Leo Sweeney, manager for the Canadian Western Cooperage Ltd., of Victoria, a well known lacrosse player and generally all round good sport, arrived in the city yesterday in the interests of his firm. He is going east this evening. Today he attended the Rotary luncheon. He has been renewing acquaintance with many Victorians whom he formerly knew in the south.

In Accord With Similar Action
in British Columbia, Dominion Assumes Control N. B. Wharves

FREDERICTON, Nov. 15.—Hon. Peter John Veniot, premier of New Brunswick, announces that the Dominion government has taken over more than thirty wharves on the tidal waters of the province.

OTTAWA, Nov. 15.—The transfer of wharves from the government of New Brunswick to that of the Dominion government announced by Premier Veniot is in accord with the policy followed by the Dominion in the case of the province of British Columbia which is the only other province interested. Officials of the Department of Public Works state that under agreement between the Dominion and the Dominion which in turn these provinces, the latter made agreed to maintain them.

Freight Rates, Customs Agent at New York and Highway Route Come up

VANCOUVER, Nov. 15.—The annual convention of the Associated Boards of Trade of British Columbia opened here this morning with more than 100 delegates present representing 40 Boards of Trade in the province. Mayor Charles E. Tisdall extended an official welcome.

Ratification of B.C.'s demands for equalized freight rates and a customs officer at New York City will be sought.

Opposing interests of the interior will seek to have the question of a trans-provincial highway route discussed with a view to giving endorsement either to the Hope-Princeton or Fraser River routes.

GERMANY WILL PAY NO MORE REPARATIONS

Says France Has Broken Treaty and They Will Not Observe It

LONDON, Nov. 15.—Complete cessation of every kind of reparations payments by Germany is announced by the Central News agency, which quotes the Government at Berlin as saying Germany will no longer observe the treaty of Versailles now that France has violated it.

SEATTLE, Nov. 15.—The tug Humaonna yesterday afternoon at 3 o'clock reached the freighter Shinkoku Maru which since November 1 has been drifting towards the coast of the Alaskan Peninsula with a broken tail shaft. A message received here says that there is a heavy sea running and that the tug is having difficulty in getting line aboard the disabled steamer.

SWISS IMMIGRANTS ARRIVE IN CITY

Eleven of Eighteen Men Who Reached Terrace Last Week Are Present In This City

Eleven of the eighteen Swiss immigrants who arrived at Terrace last week are now in this city. As yet they have not decided definitely where they will locate. The question of placing them is being taken up with the C. N. R. colonization department who desire it is to have them ready in the district, preferably along the line of the railway.

PREMIERS BANQUETED IN HOUSE OF LORDS FAREWELL SPEECHES

LONDON, Nov. 15.—The Dominion premiers, who have been attending the Imperial Conference here for several weeks past, were given a banquet last night in the Royal Gallery of the House of Lords. Farewell speeches were the feature of the evening.

BORDEN ST. SCHOOL RE-OPENS ON MONDAY

It was reported at the school board meeting last night H. S. Hurn, supervising principal, asked permission from the board to institute a series of monthly addresses to the pupils dealing with various industries.

Dr. Kerigan said he approved the idea and would like to see it extended to take in visits to the dry dock and cold storage plant. It was stated that as the boys were at an age where they would be choosing a trade or profession soon it was well for them to know something about these. The permission was granted.

HAYWARD FOR MAYOR

VICTORIA, Nov. 15.—Mayor Hayward, who was here to attend the convention of the Union of B.C. Municipalities, announces his intention to stand for a second term. So far there is no opposition either announced or rumored.

Dissatisfaction Over British Elections.

It is quite easy to understand why there should be dissatisfaction over the calling of a general election in Great Britain just now. There was an election there only a short time ago and doubtless it taxed the resources of the Labor, Socialist and Liberal members much as it does in this country. Now they are called upon to fight another election and face possible if not probable defeat without having enjoyed the honors of parliamentary membership and consequent leadership more than a few months. They are indignant. Of course they are!

Many of the present members of parliament were elected by means of funds collected by passing around the hat. It will be extremely difficult to pass around the hat again, at any rate to the same people. The result will be that some of the present members may not even secure nomination at the forthcoming election. "Anger" is too simple a word to express the feelings of those who are called upon to give up what they thought were secure positions in order to again face the electors on a new political question.

Baldwin's Position Rather Creditable.

Forgetting these trivialities and personalities, and looking at the matter from Premier Baldwin's point of view, it must be acknowledged that it is rather a courageous thing for him to throw up a secure position in order to fight out a cause on which precedent would indicate he was pretty sure to be beaten. Had he been an office seeker, he would not have dared to face the people. He would rather have compromised with the free traders of his own party and held on to his job. Instead of that he did the courageous thing. He looked beyond the bounds of party politics to the great field of empire and decided to trust his case to the people who first elected him. One cannot but admire him.

Can Protection Win In Britain?

So many people are interested in the election being held across the seas that we make no apology for giving a lot of space to it, especially in view of the fact that Canada will be affected directly by the outcome. What people are asking themselves is whether Baldwin can possibly win. Most Liberals or labor supporters who have lived in Britain or who have kept closely in touch with the political situation there are inclined to ridicule the idea. They say the British workingman will never allow protection there. Cheap food and clothes appeal to him too strongly.

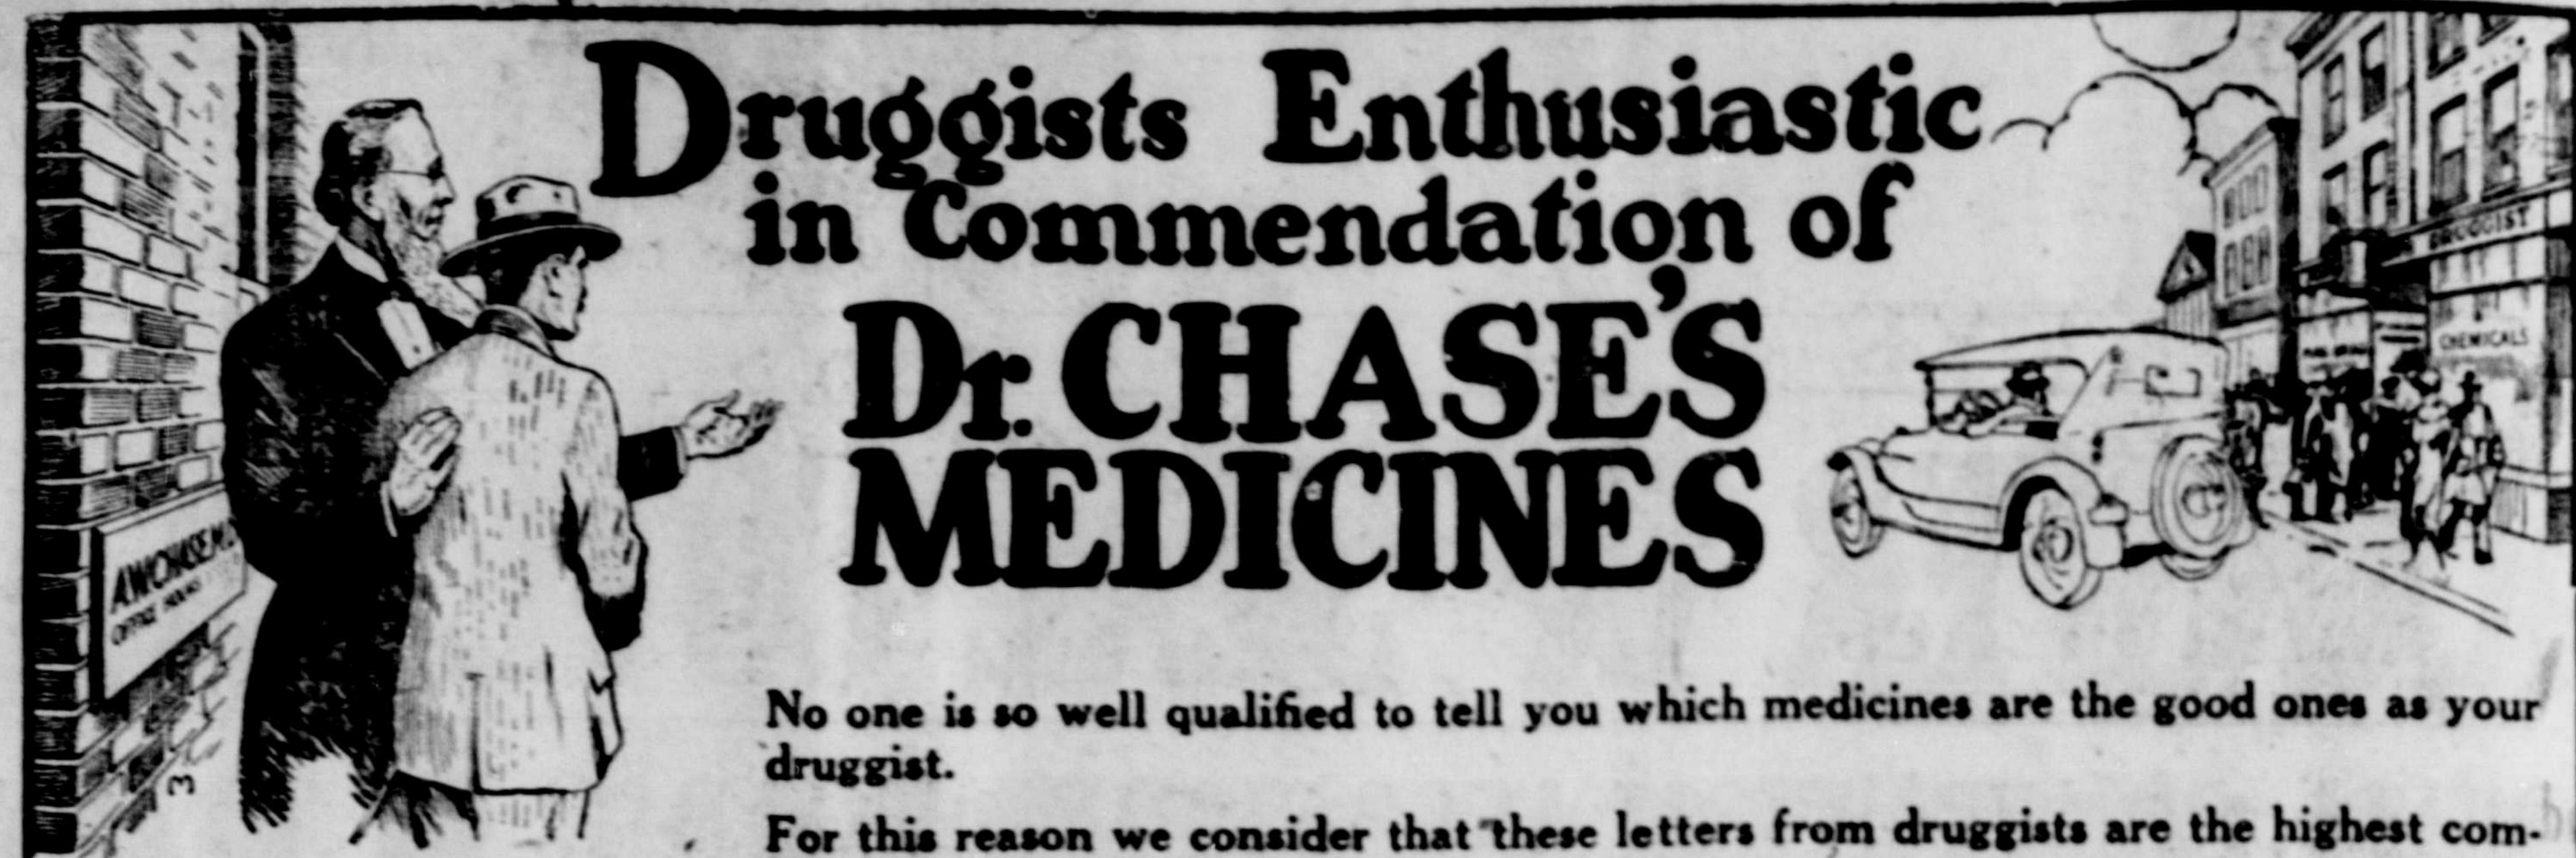

They may be right but also they may be wrong. No one can ever say they are sure which way an election will go. People change rapidly and the conditions of unemployment in that country will have made many of them ready to try anything which offers a possible solution of the present economic problem. "Let us give it a trial" will be the suggestion of many and once the idea gets going nothing will stop it. Baldwin may win and protection may very soon be the endorsed fiscal policy of the British government.

GIFTS THAT LAST

Yes!—Hurlbut Shoes are easily repaired

Hurlbut Shoes are now obtainable for bigger boys and girls. This cut shows misses—made in all leather, Boots or low cuts sizes 1 to 2. With spring heel sizes 11 to 13 1/2.

Occasionally some one of the mothers who have learned that Hurlbut Cushion Sole Welts are ideal for children, inquires whether these shoes can be repaired. Yes, indeed they can. Any modernly equipped repair shop can do the work. Some of the foremost repair men in Canada are making a specialty of Hurlbut Shoes.

But that service whereby Hurlbut shoes are actually rebuilt and made one size larger is obtainable only at the Hurlbut factory in Preston. Infants' and children's sizes up to 10 1/2 that have been outgrown can be enlarged to give longer wear. For such service the shoes should be sent direct to us. This rebuilt service does not apply to the larger sizes of misses', youths' and boys'.

If Hurlbut shoes are to be enlarged or rebuilt write us for information and prices. But for ordinary repairs, take the shoes to the repair man in your town in whose work you have confidence.

ROYAL MILLS A BUSY PLACE

One Hundred People Located at Hanall East of Terrace

MILL IS UP TO DATE

Japanese Market Being Supplied With Hemlock Squares; Looking to California

Though one of the latest established in Prince Rupert district, the sawmill of the Royal Lumber Co., at Hanall, 110½ miles east of Prince Rupert on the Canadian National Railway, is one of the most steadily operated. It is owned by Olof Hanson, the prominent timber operator of the central interior, and R. E. Allen, formerly district forester, is the manager. Its daily capacity at single shift is about 20,000 feet. At the present time it is cutting principally for export to Japan, 200,000 feet going forward monthly in the form of "baby squares" and boards of hemlock and spruce. A similar quantity of dimension and finished lumber is being piled in the yards for other markets.

The Royal Lumber Co. was formed in 1919 when Mr. Allen left the service of the forest branch to assume the management. Clearing of the mill site commenced in October of that year and the first lumber was cut in December. The mill has been close at hand to draw from, running pretty well continuously ever since and there has been no or 20,000,000 feet of timber and cessation of cutting since last November.

Spruce Market

Until June of this year, the fore long, however, the railway United States spruce market was good and this lumber was shipped steadily by rail to New York, company holds at Pitman and Chicago and other Eastern points, Pacific.

When this market fell off, with Mr. Allen as manager, the plant started Jack Edwards, formerly of Prince producing for export to Japan Rupert, who is storekeeper and through the H. R. McMillan Ex-assistant postmaster, and E. Fosport Co. In spite of substantial loss, accountant, are associated shipments made, the mil' yard in the management of Royal now contains 1,250,000 feet of Mills.

ainment may be staged in the course of the winter.

Committees were delegated as follows to make preliminary investigations in connection with the two projects decided upon:

Salt Lake — W. W. Wright (chairman), Dr. L. W. Kerin, Howard Pringle, W. J. Nelson, J. Lorne McLaren and Douglas Stork.

Playground—Joe Greer (chairman), Lionel Holby, C. C. Mills, S. W. Taylor and E. N. Valentine.

The committee having in hand the plans for a skating rink this winter reported and was instructed to proceed with actual work involving some expense but principally work by the club members. The permission of the railway company has been obtained to use its property. The rink will be located on the flat beside F. G. Dawson's warehouse and will be 125 feet by 75 feet in dimensions.

Sidney Bazett-Jones, of Rose & Small; Clarence Woodruff of Bryant & Greer, and Frank Dibb of Rose, Cowan & Latta, have been admitted to membership in the club.

R. F. McNaughton was elected club greeter, his duties being particularly in connection with the reception and entertainment of Gyro members visiting the city.

tion is about 100 people. The mill and camp is situated within a few feet of the railway track and all trains stop there. A short spur has been built into the loading platforms of the mill.

Logging to date has been conducted very close to the mill and the company has extensive limits of what it was this time last year. While it had one win and four losses this time last season it now has four wins and only one loss. The Moose team which shared the cellar for most of last season with the Elks, is also making a good showing this season and is second in the standing with St. Andrew's whose play this year has so far not been quite as effective as last for at this time then they were leading the league with five victories and no defeats as against four victories and one defeat now.

In tonight's games the Moose, driving hard for first place, will meet the Oddfellows who are in the cellar. The Knights of Columbus who are sharing the humble position with the Oddfellows will meet the Sons of England who are tied in second place with the Moose.

The Elks will defend their top position by playing with the Knights of Pythias who have a chance of jumping into second place. The fourth game will be between the St. Andrew's Society and the Great War Veterans.

The Parent-Teachers' Association recently formed in Prince George has as its first objective the securing of a gymnasium with proper equipment and instructors for the use of school pupils of that town. The Association will endeavor to arouse the interest of

POLICY OF GYRO CLUB

Cause of Boys and Girls is Espoused and Definite Projects are Decided Upon

RINK TO BE STARTED

Discussing the matter of general policy, the Prince Rupert Gyro Club at its business session in the St. Regis Cafeteria last evening decided to confine its efforts in the immediate future to the betterment of conditions for the boys and girls of Prince Rupert.

Two definite projects to be taken in hand will be the improvement and equipment of the civic playground at the corner of Sixth Avenue and McBride Street and a like program at the Salt Lakes. To raise funds it is likely that some form of a concert or enter-

tainment may be staged in the course of the winter.

Committees were delegated as follows to make preliminary investigations in connection with the two projects decided upon:

Salt Lake — W. W. Wright (chairman), Dr. L. W. Kerin, Howard Pringle, W. J. Nelson, J. Lorne McLaren and Douglas Stork.

Playground—Joe Greer (chairman), Lionel Holby, C. C. Mills, S. W. Taylor and E. N. Valentine.

The committee having in hand the plans for a skating rink this winter reported and was instructed to proceed with actual work involving some expense but principally work by the club members. The permission of the railway company has been obtained to use its property. The rink will be located on the flat beside F. G. Dawson's warehouse and will be 125 feet by 75 feet in dimensions.

Sidney Bazett-Jones, of Rose & Small; Clarence Woodruff of Bryant & Greer, and Frank Dibb of Rose, Cowan & Latta, have been admitted to membership in the club.

R. F. McNaughton was elected club greeter, his duties being particularly in connection with the reception and entertainment of Gyro members visiting the city.

tion is about 100 people. The mill and camp is situated within a few feet of the railway track and all trains stop there. A short spur has been built into the loading platforms of the mill.

Logging to date has been conducted very close to the mill and the company has extensive limits of what it was this time last year. While it had one win and four losses this time last season it now has four wins and only one loss. The Moose team which shared the cellar for most of last season with the Elks, is also making a good

ANGLICAN BAZAAR WAS FINE SUCCESS

Ladies' Auxiliary Realizes \$516
as Result of its Annual
Effort

The efforts of the Ladies' Auxiliary of St. Andrew's Anglican Church at the annual bazaar held yesterday afternoon in the church met with very gratifying success, something in the neighborhood of \$516 being realized. The various stalls and the tea room were artistically decorated with flowers, fall foliage, and candles and the effect was very pleasing.

Mrs. R. L. McIntosh was convener of the tea room committee, Mrs. F. H. Du Vernet and Mrs. J. H. Pillsbury poured and those assisting were Mrs. J. C. McLennan, Mrs. H. St. G. Lee, Mrs. J. P. Cade, Mrs. G. V. Evert, Mrs. George E. Gibson and Mrs. Bert Greer.

Other departments were presided over as follows:

Needlework — Mrs. A. E. Wright (convener), Mrs. C. H. Orme, Mrs. M. M. Stephen, Mrs. H. T. Willett and Mrs. E. Mceskrie.

Home Cooking — Mrs. A. E. Bazzett-Jones (convener), Mrs. Adam Mackie, Mrs. C. F. Kemp and Mrs. Jack Barnsley.

Gandy — Mrs. D. W. Bone assisted by the Girls' Auxiliary.

White Elephant — Mrs. H. E. Tregayne (convener) and Mrs. Reginald Beaumont.

Handkerchiefs — Mrs. C. C. Mills (convener), Mrs. G. A. Woodland and Mrs. A. R. Nicholls.

Men's Stall — Alex. Rix (convener), Miss Pete Tremayne and W. H. Hamilton.

The bazaar was formally opened at 3 o'clock by Archdeacon G. A. Rix. Mrs. H. T. Willett is president of the Auxiliary.

NO PRESENT CHANGE IN TIME OF OPENING SCHOOL IN MORNING

Recommendation from Inspector
is Not Acted Upon but Mater-
ter Left Over for Present

A recommendation from Inspector Fraser that the schools should open at 9:30 during the winter months and that the time should be made up in the summer was presented to the Board last night by the supervising principal. The objection to the present system was that it was early for the little folks to get out on dark mornings.

Trustee Montgomery agreed with this proposal as he said he had five children of his own and he knew it was difficult to get them away to school in time on the dark mornings.

Dr. Kergin opposed as did also the principals of the public and high schools, the chief objection being that pupils would have to stay in and work during the summer when they should be out in the sunshine.

S. E. Parker said he had heard no complaints and until there was a demand for a change he did not think they should take any action.

Principal Brady said he had at one time thought the present scheme would prove a hardship but since seeing it in action he approved.

The matter was left over for the present.

BOAT ARRIVALS

HAD A WEAK HEART WAS VERY NERVOUS FOR THREE YEARS

Miss Jessie Peterson, Zealandia, Sask., writes: "I wish to let you know how much good Milburn's Heart and Nerve Pills have done for me."

For nearly three years I was very badly run down, had a weak heart, and was so nervous that sometimes I would almost faint away.

I heard of many people who had recommended your Heart and Nerve Pills, so I decided to give them a trial. After I had used two boxes I found they had done me good, and after having taken five boxes I was completely relieved.

I cannot recommend your Pills enough, and I would advise anyone having a weak heart or troubled with nervousness to use them."

Milburn's H. & N. Pills are 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Bain, G. W. Nelson, Mr. Williams, C. W. S. Tremain, Mrs. J. Stewart, F. Bagwill, G. Rowbotham, M. Macleod, W. Myusko, Miss V. Brown and Mrs. G. T. Brown and child.

NEED OF PLAY SHEDS AT ALL LOCAL SCHOOLS

The need for more playsheds at the schools was mentioned at the school board meeting last night, but as the board had no funds on hand the matter was dropped for the present. Dr. Kergin asked the board to keep the matter in mind as he thought there should be a covered playshed at each school.

The winter so far had been a mild one but usually the sheds were needed badly.

The frequent change of text books by the education department was objected to last night at the school board meeting by W. H. Montgomery. It was explained that it was largely due to the scheme for standardizing the text books throughout the Dominion in order that pupils might not have difficulty in moving from one province to another. The Trustees Association had already passed a resolution objecting to frequent changes.

TUXIS BOYS HEAR DR. WEST SPEAK

Address on "Ideal Athlete" Last Night Proved Practical and Interesting

Taking as his subject, "The Ideal Athlete," Dr. John A. West delivered a practical and interesting address before the Tuxis Boys, who were out in force at their monthly supper in the Methodist Church club rooms last night.

The doctor declared that superiority among athletes was largely a matter of health, and health was largely a matter of proper eating. The speaker outlined what, when and how to eat. He said that the mind was a great factor in athletics and it must be active and educated. Many would-be athletes with splendid bodies would never be successful because their minds were lazy and untrained.

Following the address, the boys put on an exhibition basketball game in the gymnasium. It was the first game Dr. West had ever seen and he evinced much interest in it.

SCHOOLBOARD NOT ANYTHING TO DO WITH POLYTECHNIC

The school board at its meeting last evening refused to have anything to do with the affairs of the Northern Polytechnic Institute against which there are a number of claims.

Secretary Vance reported that he had written J. Pinder Moss asking him to meet the board in connection with certain matters but this had not been done. Mr. Pinder Moss explaining that all documents were in the hands of the official receiver.

The secretary explained that no official receiver had been appointed but the documents were in the hands of W. E. Fisher, solicitor.

INDIGESTION GAS ON STOMACH PAINS AFTER MEALS

Many people suffer terribly from gas and pains in the stomach after every meal, and are kept in constant misery.

For the past 44 years Burdock Blood Bitters has been bringing hope and joy to thousands suffering from various forms of stomach trouble, helping them to eat three square meals a day; helping them to eat anything they wish, without having to suffer for it after.

Mr. Fred Nielsen, Moose Jaw, Sask., writes:—"All last summer I was troubled with stomach trouble and indigestion, and also gas on the stomach. I could not eat anything except some light food, and even then I would be bothered with pains after each meal. I could not work a whole day without being done out. I had tried everything: doctors, medicines, and pills, until I read about Burdock Blood Bitters. I have taken four bottles and it has nearly, if not completely, restored me to health again."

Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Kester; secretary, G. H. Hughes and John Duncan.

The gas-boat "Rounder," operated on the Fraser River between Prince George and Quesnel, has been taken off for the winter. Ice in the river has made navigation hazardous.

J. F. Duthie, Seattle capitalist, and John B. Turner, his engineer, passed through here last week enroute from Smithers to the Cariboo country where they will look over mining properties.

Hunting about five miles up the Fraser river from the city, Dick Corless and John Duncan got a moose last week which dressed over 800 lbs.

George McCullagh, sr., who has been engaged in the watchmaking business for several years, left on Sunday for Winnipeg.

STEWART

A full face of iron sulphide ore has been encountered during the past few days on the Titan group which is being developed by S. P. Fitzgerald for the Titan-Salmon River syndicate, a local company. The ore averages \$36 in value of which \$28 is gold.

News of the death in Vancouver of Bob Cameron, pioneer prospector of this district, has been received here. He was the first man to bring native silver down the Salmon River and was the original staker of the Silver Tip.

Jack Ellis and George McDowell have taken over the Silver Grill from Mr. and Mrs. J. S. Stickney who are going out for the winter.

The International Service Club held an Armistice Day entertainment and dance in the Hotel Stewart on Tuesday evening. Contributing to the program which preceded the dance were Miss Fraser, Mrs. Dayton, Frank Bowler and W. Orr. Music was furnished by the Ridley's three piece orchestra.

Frank Bowler will run a stage between Stewart and Hyder this winter. He returned recently from the south with a team of horses.

Frank Johnson, head teamster for the Premier mine, dropped dead on his wagon at Fish Creek last week. His horses came to a stop in front of the Chicken Inn and George Traut, caretaker of that establishment, found that he was dead in the seat.
