BELGIUM BACKS FRANCE ON REPARATIONS

PRESIDENT OF IRISH DAIL AND TWO IMPORTANT MINISTERS ARE ELECTED

Belgium Claims Priority in Reparations Payments Stands Pat with France

PARIS, Aug. 28.—The Belgian government in its reply to the last British reparations note stands with France on the principle points of contention, maintaining that the legality of the Ruhr occupation has been established by previous action of the allies including Great Britain and that evacuation of the Ruhr is impossible on the simple promises of Germany.

The reply was given out here by the Belgian embassy. It dwells particularly on the justice of Belgium's claim to priority in reparations payments.

WILL PROTEST GASOLINE TAX

Council Declines to Join Good Roads League on Grounds It is Opposed City's Interests

The city council last night declined to subscribe to membership in the Good Roads League on the grounds that some of the principles adopted by the league were opposed to the city's interests. A report to this effect from the finance committee was adopted.

One of the principles of the Good Roads League to which the city is opposed is the gasoline tax. A recommendation that a protest against this suggested tax be made to Premier Oliver, Attorney General Manson and the member for the district on the grounds that it would be injurious to Prince Rupert was adopted. The city council will seek endorsement of the Board of Trade and other public bodies in its protest.

SITUATION IN CANADA GOOD

Says Sir Vincent Meredith, President of Bank of Montreal, in New York

NEW YORK, Aug. 28.—"Conditions in Canada are much the same as in the United States," said Sir Vincent Meredith, president of the Bank of Montreal, in discussing the financial situation of the Dominion before he sailed from here today for Europe. "The inflation period has passed and the larger banks are in a strong position. I do not look for any trouble and expect an active fall with plenty of business for everybody."

HUMP SALMON VERY BIG RUN

Overett Reports More Fish Than Cannery Can Take Due to Conservation

EVERETT, Wash., Aug. 28.—The present run of humpback salmon in local waters is exceeding all records here since 1913. The canneries are running at capacity and in spite of that are forced to refuse to accept fish offered them.

The present run is believed to be due to conservation measures, and the state and fish commission rule of a ten day shut down of the traps and fishing at the height of the season.

ANOTHER QUAKE FELT AT MASSETT DURING WEEK END

MASSETT, Aug. 28.—At the week end a well defined earthquake shook this district. It was plainly felt by people sitting in their houses. This is one of a series of quakes which have been felt from time to time along this coast. The north end of the island is gradually rising from the sea and it is suggested that the seismic disturbances have something to do with this.

MUST HAVE PERMITS BEFORE SHIPPING GRAIN TO VANCOUVER

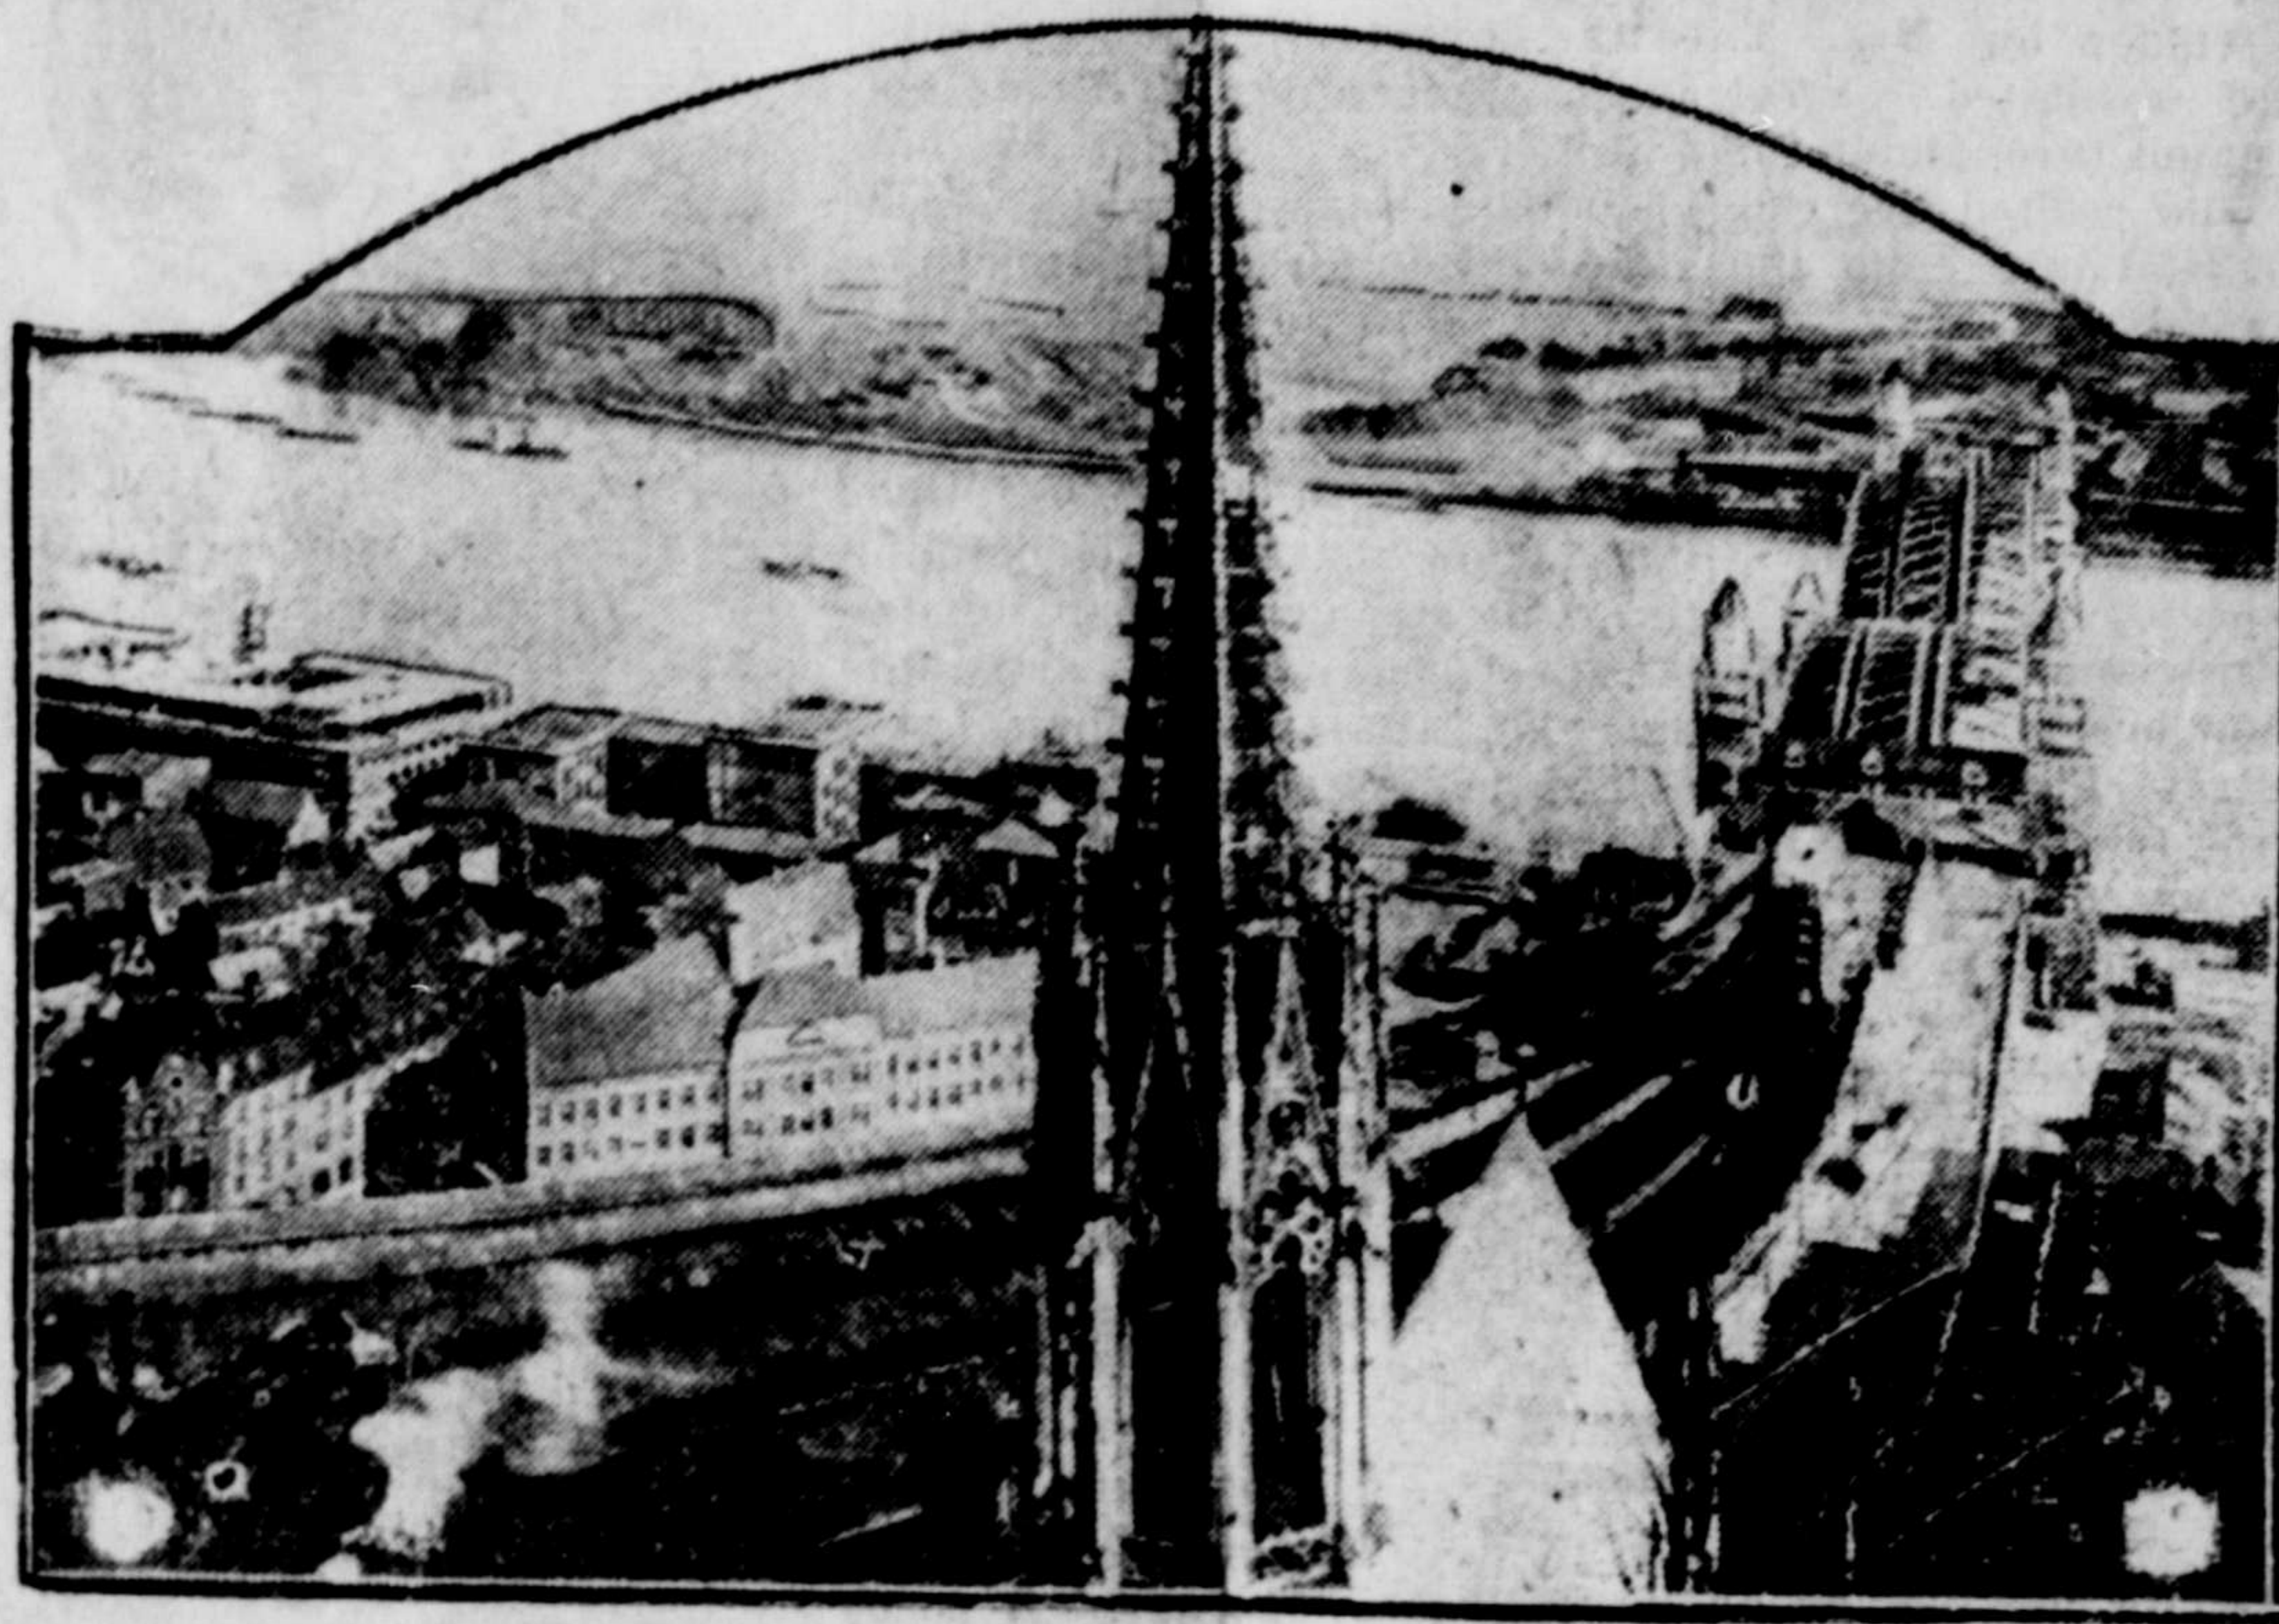

WINNIPEG, Aug. 28.—No grain either for domestic use or for export will be accepted for Vancouver on and after Sept. 1 unless covered by permits issued by the railway at point of origin, it was announced this morning at Canadian Pacific offices. The step has been determined upon to control the movement of grain to the port of Vancouver to avoid possibility of congestion at the seaboard and has been agreed upon by all railways. Permits covering grain for export will be issued only to cover bona fide export contracts where steamer space is actually booked, it having been agreed that under no other condition will such permits be issued. Permits must be in possession of shippers before cars are unloaded. Requests for domestic permits must contain the names of shippers and consignees.

BOOK CAMPAIGN

Cavanners Being Arranged for Four Day Effort Behalf of Library

Plans for the campaign for new books, which the library is holding at the Exhibition Hall, Sept. 11-14, are making good progress. Of all those who have been approached to assist in carrying across the slogan "Every dollar buys a new book," not one has refused support, and all have shown great interest and enthusiasm. Cavanners who so far have promised to assist are: Mrs. Blance, Miss Du Vernet, Mrs. Gonzales, Mrs. Hume, Mrs. McClymont, Miss McDonald, Mrs. McLennan, Mrs. Nichols, Mrs. Rorie, Mrs. Tremayne.

The library will be closed during the four days of the fair, so that every effort may be made to reach the objective of a thousand dollars.

Although the French watch on the Rhine continues, there seems to be no radical change in the occupied area. A recent photograph shows the famous Cologne Bridge.

President and Two Ministers in Free State Government are Elected: Delay in Counting

DUBLIN, Aug. 28.—President Cosgrave of the Irish Free State has been elected for Kilkenny and his brother Philip is elected for South Dublin. Both General Richard Mulcahy, minister of defense, and Kevin O'Higgins, minister for home affairs have been returned for Dublin. C. N. Byrne, a government supporter, is elected for Wicklow.

Owing to the fact that the election is held under the proportional representation plan with its rather complicated method of counting and recounting, few of the results of the Irish Free State elections have yet been completed.

MORE BANKS WILL UNITE

So Says Manager of Bank of Commerce: Merger on Equal Basis

TORONTO, Aug. 28.—Amalgamation of more Canadian banks was predicted this morning by Sir John Aird, general manager of the Canadian Bank of Commerce, which has absorbed the Bank of Hamilton. According to the Telegram of this city the merger of the two banks mentioned is on a share for share basis, so far as the Bank of Hamilton shareholders are concerned.

TELINI VICTIM OF AN ASSASSIN

Was President of Commission to Demilitarize Greco-Albanian Frontier

LONDON, Aug. 28.—General Telini, president of the commission for the demilitarization of the Greco-Albanian frontier, Surgeon Major Soort, the general's chauffeur and his aide have been assassinated, says an Athens despatch to the Central News.

NINE HALIBUT BOATS SELL 121,500 POUNDS

Five American Boats Have 100,500 Pounds and Four Canadians, 21,000 Pounds

Five American boats sold halibut catches totalling 100,500 pounds at the Fish Exchange this morning and four Canadian boats 21,000 pounds—a total for the day of 121,500 pounds. Prices were a trifle under those paid yesterday. Arrivals and sales:

American
Pioneer, 60,000 pounds, at 12.6c and 10c, and Star, 12,000 pounds at 13.8c and 11c, to the Canadian Fish & Cold Storage Co.

Unimak, 8,000 pounds, at 13.8c and 11c, to the Allin Fisheries.
Success, 7,500 pounds, at 14.2c and 11c, and Venus, 13,000 pounds, at 14c and 11c, to the Booth Fisheries Canadian Co.

Canadian
Azores, 5,000 pounds, at 12c and 10c, and Cape Spear, 11,000 pounds, at 12c and 11c, to the Canadian Fish & Cold Storage Co.
Westerner, 2,000 pounds, at 12c and 10c, to the Royal Fish Co.

Margalice, 3,000 pounds, at 12.1c and 10c, to the Allin Fisheries.

DAWSON SAYS SHIP GRAIN FROM RUPERT BEFORE VERY LONG

In an interview given the Toronto Globe when in the Ontario capital lately F. G. Dawson told of the wheat shipping prospects in Vancouver and added: "It should not be long either before we are shipping wheat from Prince Rupert."

Mr. Dawson's photograph appears in the Globe and the interview is given good prominence.

GRAIN COMMISSION TO SIT IN RUPERT ON SEPTEMBER 18

CALGARY, Aug. 28.—R. J. Deachman, secretary to the Royal Grain Inquiry Commission announces that the commission will sit in Prince Rupert on September 18 and 19, following hearings at Vancouver, New Westminster and Victoria.

ANOTHER BANK DISAPPEARING

Bank of Hamilton to Merge in Bank of Commerce if Permission Given

OTTAWA, Aug. 28.—The minister of finance announces that he has granted permission for the making of an agreement of sale of the assets of the Bank of Hamilton to the Bank of Commerce. This is a preliminary step under the Bank Act and the agreement will have to be approved eventually by the Governor in council.

The joint assets of the banks of Hamilton and Commerce combined are \$455,643,890, while the liabilities put together total \$412,519,182.

JOCKEY KILLED AT VANCOUVER

Horse Fell and Rolled Over Rider Breaking His Neck

VANCOUVER, Aug. 28.—The jockey, Willie Gargan, was killed when his mount "Dinna Fash" fell in the sixth race at Hastings Park yesterday, rolled over the jockey and broke his neck. The accident marred the opening day of the last week of the meet.

Gargan was well known and highly popular. He is survived by a wife and a three year old child. His father owns a string of racing horses.

Work on Woodward Elevator at Vancouver Is Stopped When Owner Disagrees with Board

VANCOUVER, Aug. 28.—Construction of the Woodward grain elevator, the only privately owned elevator in British Columbia, stopped today on orders from the promoter of the enterprise, E. A. Woodward. Work had been carried to an advanced stage but today's developments probably will prevent completion of the elevator in time to handle this season's grain from the prairies.

In a statement issued today, Mr. Woodward says that the erection of the elevator by private interests in Vancouver was launched "upon certain definite written proposals to the Vancouver Harbor Board in December last, which included the purchase of the site by the Board and design and construction of the dock by the board. They accepted the proposal in writing and undertook to recommend their arrangement to the department at Ottawa for approval."

FINAL FIGURES SALMON PACK

Very Little Change in Returns Since Last Report: Most Canneries Closed

The sockeye fishing season on the Skeena River closed last Friday evening with the total pack estimated at 119,503 cases. This is not the boxed up pack and the final figures will be somewhat higher. It indicates, however, that the pack this year will exceed last year's by some 30,000 cases. Coincidentally with the close of the sockeye season, the pink season is also over now with the total pack estimated at 123,917 cases as against 175,700 cases last year.

The figures for the Skeena River pack up to last Friday evening are as follows:

	Cases
Sockeyes	119,503
Springs	10,762
Steelheads	489
Cohoese	15,291
Pinks	123,917
Chums	3,109

Naas River
The Naas River sockeye pack, as had been expected from the outset, is far below last year. The total being 16,486 cases.

	Cases
Sockeyes	16,486
Springs	890
Steelheads	220
Cohoese	3,220
Pinks	40,372
Chums	19,907

With the sockeye season over, most of the canneries on the Naas and Skeena Rivers have closed down for the year. Somerville cannery on the Naas is the only plant that is carrying on for the pack of fall brands. On the Skeena River two or three plants are still open. Of course, all the rest are still busy cleaning up the pack and preparing it for shipment.

Lockport and Lagoon Bay canneries on the Queen Charlotte Islands are about to open up to pack fall brands.

BODY FOUND IN FALSE CREEK IS THAT OF LOGGER

VANCOUVER, Aug. 28.—A body believed to be that of A. Pearson of Dewdney, said to have been missing for a week, was found last night in False Creek. Pearson was a logger. The body found had been in the water for several days.

DR. R. E. WALKER DIES AT NEW WESTMINSTER

NEW WESTMINSTER, Aug. 28.—Dr. R. E. Walker, who had been practising as a physician in this city for 33 years died suddenly yesterday. He was born in Orilla, Ontario, 58 years ago.

GAEKWAR OF BARODA DIES

Was Staunch Supporter of British Rule in India and Aided During War

FLUSHING, Holland, Aug. 28.—The Gaekwar of Baroda died suddenly aboard a train while travelling to Belgium. He was the most famous of the Indian princes, ruled 8,812 square miles and 2,126,000 souls. He raised several million pounds sterling during the war to aid the British in their fight against German autocracy and was a staunch supporter of British rule in India. He was 60 years old.

LADY INVENTOR DIED IN SUSSEX

Miss Ayrton, Electrical Engineer, Invented Anti-Gas Fan Used in Great War

LONDON, Aug. 28.—The death is announced at Lancing, Sussex, of Miss Ayrton, the only woman member of the Institution of electrical engineers. She invented in 1915 and presented to the War Office the anti-gas fan of which more than 100,000 were used at the front.

PLANING MILL AND SHIPYARD ASTORIA DESTROYED BY FIRE

ASTORIA, Aug. 28.—The Columbia planing mill and the Wilson shipyard were completely destroyed by fire last night with a loss of \$50,000.

Supply South With Seed Potatoes.
Because the farmers in the south have not been careful in the selection of seed potatoes and in keeping out disease, they are now looking to the newer districts to provide the article. The valleys along the line of the Grand Trunk Pacific are well suited to growing this seed and it can be properly certified by an expert. As he suggests, the best thing to do is to discover exactly what is the best potato for the district and grow it, almost to the exclusion of all others.

Transportation and marketing are important matters in connection with potato growing and Mr. Tice, the provincial government expert, urges that they receive attention. The Ashcroft potato became famous without any apparent effort of the growers but it will need co-operation and careful handling to make the Bulkley Valley or the Terrace potatoes famous.

Mails Used For Improper Purposes.
Through the mail yesterday came an advertisement of "art studies, bathing girls, and beauties in sepia and stereos, half naked and naked, photos from nature (female models) in finest coloring, Paris Salon, Dresden nude pictures, etc." To get these, people are supposed to join a club by filling out a form and sending two dollars to a city in Germany.

The attention of the Post Office authorities is drawn to this, as it does not seem fitting that the Canadian mails should be used for advertisements of this kind. There are already enough influences tending toward lewdness in our own country without allowing foreigners to send out material of the kind mentioned. This is an age when we are getting away from the prudery of the last generation with good results but at the same time we should be foolish to allow advertising of this class to come in and the only way it can be stopped is through action on the part of the Post Office department.

Ratepayers Are Irresponsible.
The municipal inspector says that ratepayers are not the responsible body to pass on expenditures. The city councils should do that. While bylaws have to be referred to the ratepayers, most of those who vote know little or nothing about the merits of the question and most of the ratepayers do not even trouble to vote. They cannot have a full knowledge of the conditions connected with the passing of bylaws. That is why it is so necessary that men who have a knowledge of business affairs should be placed on the city councils and especially in the mayor's chair.

In some cities they have ratepayers or property owners associations formed for the purpose of studying bylaws and their effects on the city. Usually their efforts are used to defeat bylaws rather than to forward them. Such has been the case in Vancouver during the past few years. Almost every bylaw passed during the last few years has been voted down by the ratepayers. Those opposed have been well organized while those in favor have not bothered themselves.

Value Of Polytechnic To Any City.
The time has almost arrived for the reopening of the Polytechnic classes. Young people who are thinking of improving their positions are planning their courses and considering how much time they can give to evening study. With the smallest possible cost to the city, the classes are to be continued this year, and the experience of last winter will be extremely valuable to the director in organizing and carrying on the work. If he can make it succeed, as he doubtless will, it will prove of great value to the young people who use the classes and indirectly to the city as a whole. Any institution which induces young people to become more efficient and to do better work is worthy of all the support citizens can give it.

SHOOTING CASE AT BURNS LAKE

Jack Stanyer Fined on One Count and Committed For Trial on Another

BURNS LAKE, Aug. 28. — For pointing a loaded revolver at W. S. Jeffrey, Jack Stanyer, farmer and contractor, of Francis Lake, was fined \$50.00 or 30 days with hard labor in Smithers lock-up. The case was heard at Burns Lake on Friday afternoon before Magistrate Stephen H. Hoskins of Smithers, and with L. S. McGill, of Smithers, appearing for the defence. Mr. and Mrs. T. Jeffrey and W. S. Jeffrey gave evidence as to the accused using abusive language and threats. In the fight to prevent the use of a revolver by the accused it fell on the floor and was thrown out through the window by Mrs. T. Jeffrey, who exhibited great presence of mind throughout the ordeal, and who recited her evidence at the trial in a calm and impartial manner. Jack Stanyer was further charged "in that he did unlawfully, and with intent to resist his lawful apprehension, shoot a rifle at Inspector Aeland, R.C., M.P., and Provincial Constable Carr." Upon hearing the evidence Magistrate Hoskins committed Stanyer for trial and remanded him for custody in the Smithers lock-up. Bail was applied for, but was refused.

PROTESTING TO SCHOOL BOARD

City Council Describes Wage Scale as Unfair and Outrage to Taxpayers

The city council last night protested against the action of the school board in paying 65c an hour for common labor and other excessive wages on the grounds that doing so was unfair to the city council in its efforts to make ends meet. There was not revenue to do necessary work and the paying of such rates was an outrage to the tax payers. Ald. Macdonald expressed his opinion to such a motion along the principles that he had maintained since the first of the year. He felt that 65c an hour was but a fair wage and, moreover, the city council had no right to interfere with the school board which was also an elected body. Ald. Stephens said he had no apology to make for interfering with the spending of the ratepayers' money when he felt that it was being wasted and especially when the council had to dig it up. If the school board spent money unduly it just meant that much less for other public works which were already suffering through lack of funds. The report of protest, which came from the finance committee, was adopted, Ald. Macdonald and Ald. Mackenzie voting against it.

CITY DECIDES TO RENT SLOAN HOUSE

Offers For Purchase Deemed Not Satisfactory and are Rejected

The city council last night adopted a recommendation from the Housing Committee that all tenders for the purchase of the Sloan house, built under the Soldiers' Housing Scheme, be rejected and that the house be put in shape to rent. Explaining the reason for the report, Acting Mayor Collart stated that none of the offers received for purchase would compensate the city for what it stood to lose. The house should be easily rent for a good figure. Ald. Mackenzie was opposed to renting the house and thought that it should be sold to a returned man on long term payments. Ald. Stephens was opposed to selling the house on "a basis" where the payments would be less than rent, especially if back payments were not made. Ald. Macdonald felt that to sell the house without demanding the back payments would not be fair to other returned men who had met their payments. The report of the committee was adopted with Ald. Mackenzie voting against it.

In the Letter Box

INDIVIDUALISM

Editor, Daily News.
A recently elected U.S. Senator has struck a note of warning which should resound across the whole civilized world. He was a former New York Health Officer, and is a friend of temperance in all things. Although a church worker, he is not a prohibitionist, and considers that our race is engrossed in a few ideas and ideals, overlooking principles that are of paramount importance, such as health and moral habits. In his judgment we specialize instead of facing large and broad problems. In his opinion our race is doomed unless we take up, in the home, the training of the young, by example and Christian teaching, instead of leaving the work to the churches, Sunday schools, and the government. He is not a believer in restraint by law and quotes many statutes which are not enforced, although appearing for the betterment of mankind. Where we make the greatest of mistakes, is in forgetting that individuals make up communities. Our conduct, as individuals, is reflected in our votes and conduct of affairs, at home and abroad. We find the "note" in the eye of our neighbor; we fail to extract the "beam" from our neighbor's eye. Many of us value "gold" in preference to character, little caring for the divine precept, which places our neighbor on the same plane with ourselves in worldly matters. It is useless to blame others for our shortcomings. We all have a duty to perform to our neighbors and to ourselves. Prosperity and adversity follow closely in the wake of good and bad deeds and words. We are all on a journey—with eternity as the goal. There is no turning back. In this world all must go onward. We are harvesters, and the world is our field of labor. As we sow so shall we reap. Make the home safe from the inroads of sin and sorrow, and all will be well with the nation. ISLANDER.

FORGOT THIS PORT

Editor Daily News.
If anything were needed to make the poor unfortunate man in the street remark: "to Jericho with politics for me," "what's the use of anything, nothing," it is to read the announcement the Hon. Dr. J. H. King, minister of public works in the Federal government, made recently in Toronto, and which was displayed prominently in a front page story in the Vancouver "Daily Province" of last Saturday's issue.

There one reads in glaring headlines: "Vancouver is the logical wheat outlet." Smaller type: "Dr. King tells East of Vancouver's growing importance as a grain port." Do we see even a mention of Prince Rupert? I trow not. One would have thought that ordinary political expediency, not to mention common courtesy, would have caused the Hon. gentleman to have desired to be quoted as saying for instance, "that the Pacific coast ports, Vancouver, and in the near future Prince Rupert, were the natural outlet, etc. for a large share of the vast prairie grain crop."

Had No Illusions

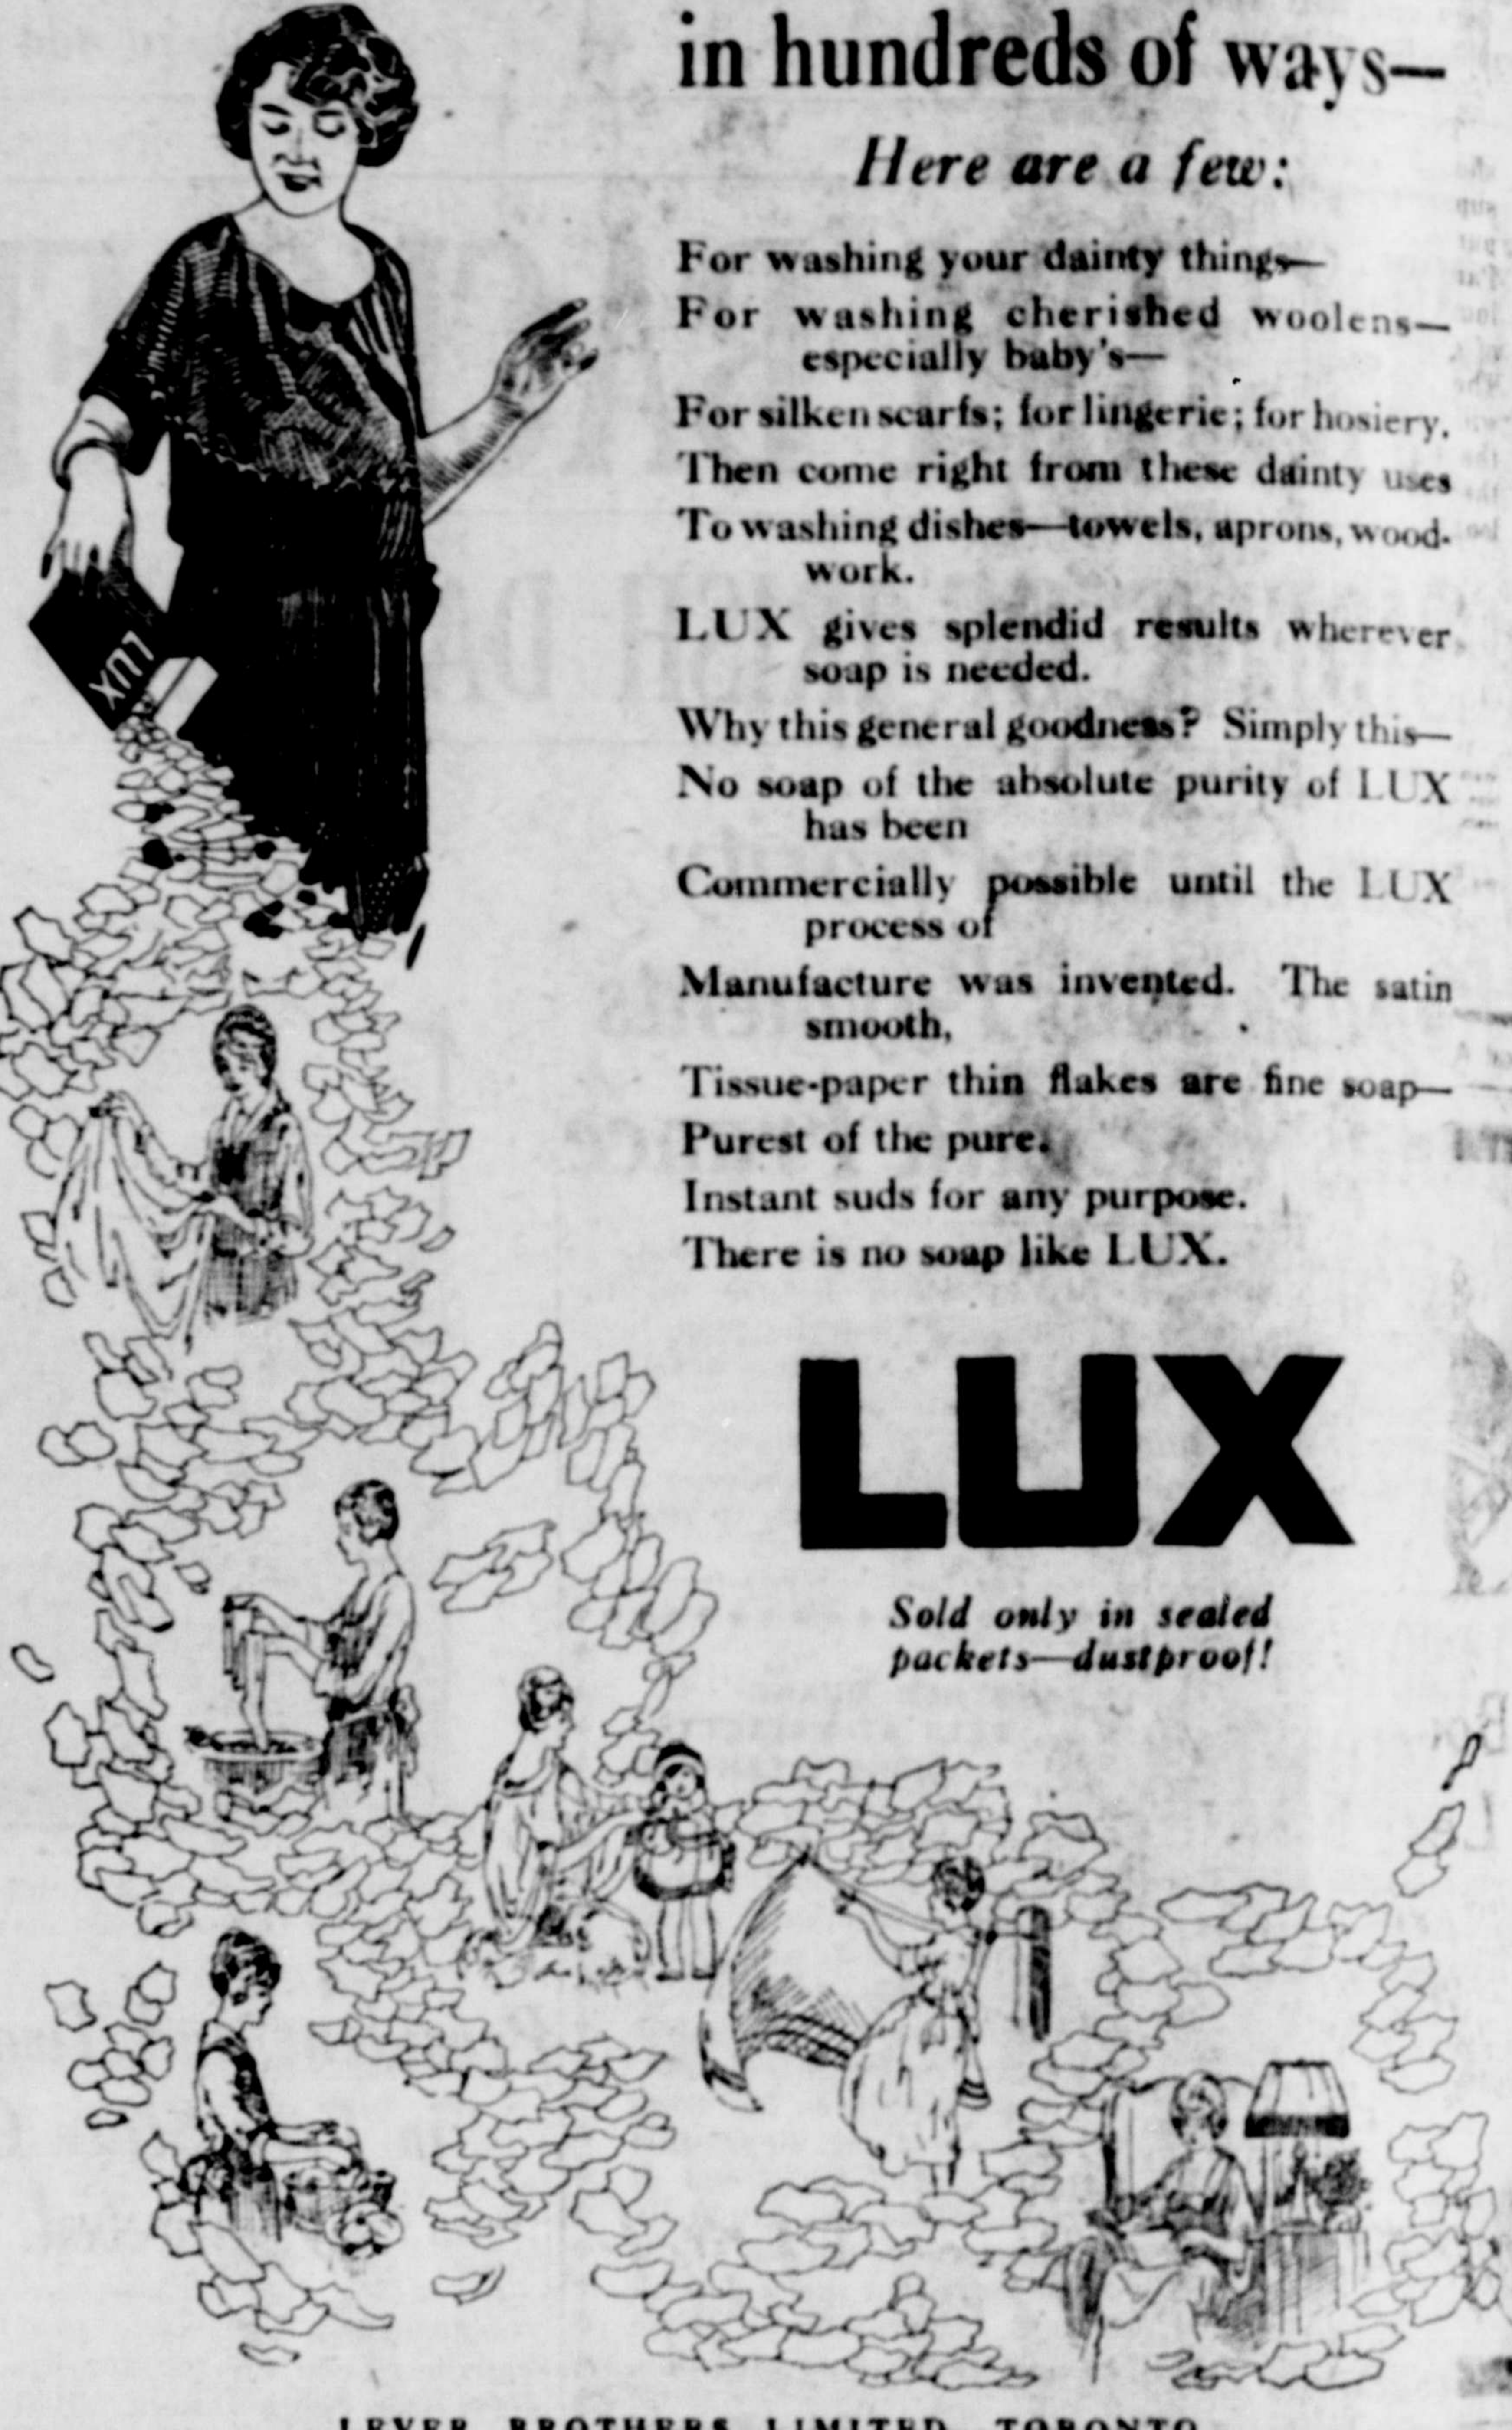

This would be of course in the light of the Hon. gentleman's remarks made in the course of his recent visit to this city, some three weeks or so ago. True, none of us who were honored by having the felicity of listening to the august gentleman at the complimentary luncheon tendered him by the Prince Rupert Board of Trade, upon that occasion, had the very shadow of an illusion, that his remarks were anything more than perfunctory. Your paper reported his speech most excellently, but boiled down. Everyone realized he had said absolutely nothing, that is, of any vital interest.

However, we hope he enjoyed his luncheon, and his visit generally. But really Prince Rupert.

Save Fuel in Cooking

Boils in 5 minutes **Boils in 8 minutes**

The illustration shows an interesting test you should try in your own kitchen. It proves the superiority of good enameled ware for cooking purposes. Take an SMP Enamelled Ware Sauce Pan, and a sauce pan of equal size made of aluminum, tin or other metal. Into each pour a quart of cold water. Set both sauce pans over the fire. The water in the SMP Enamelled Ware Sauce Pan will be boiling merrily in about five minutes, while the water in the all-metal sauce pan will come to the boil in about eight minutes—three minutes longer. Save fuel in cooking. Use

SMP Enamelled WARE

"A Face of Porcelain and a Heart of Steel"

Three finishes: Pearl Ware, two coats of pearly-grey enamel inside and out. Diamond Ware, three coats, light blue and white outside, white lining. Crystal Ware, three coats, pure white inside and out, with Royal Blue edging.

Baby cutting Teeth was very Sick With Diarrhoea

When the baby starts to cut its teeth, especially during the hot weather, then is the time that the poor mother is under the stress and strain of great anxiety.

There is no remedy so safe and effective, for the teething complaints of infants, as is Dr. Fowler's Extract of Wild Strawberry, no remedy that has had the endorsement of so many Canadian mothers during the past 78 years it has been on the market.

Mrs. C. W. Myers, Glenwilliam, Man., writes:—"My baby girl was very sick with diarrhoea when she was cutting her teeth. I tried several different remedies, but nothing did her any good. She was getting worse when my mother sent me out a bottle of Dr. Fowler's Extract of Wild Strawberry. I gave her a few doses and the next day she was much better, and in a couple more days she was as well as ever.

"Now, I always keep 'Dr. Fowler's' in the house and recommend it to all those troubled with diarrhoea."

Price 50c a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.

Mr. and Mrs. M. P. McCaffery sailed by the Prince George last night for Vancouver and Victoria.

E. A. Shepherd, A. Butler and H. Tee are booked to sail for Vancouver by the Gardena this evening.

Rev. T. J. Marsh and son arrived in the city last night from Terrace and are registered at the Hotel Prince Rupert.

Charlie Wing, Chinese, charged with supplying liquor to Indians, was dismissed in the police court this morning. L. W. Patmore appeared for him.

Mrs. G. Couture and two children left on last night's train for Sherbrooke, Quebec. One of the children will be placed in school in the East and will remain there.

Col. J. H. McMullin, superintendent of provincial police, returned to Victoria on the Prince George last night. Inspector T. W. S. Parsons is accompanying him as far as Ocean Falls.

Hester Ryan, Indian, was further remanded for eight days this morning on a charge of intoxication. She is the principal witness in a liquor-supplying charge against Tommy Atkins.

Thomas Atkins, charged with supplying liquor to Hester Ryan, Indian, was further remanded for eight days in the police court this morning. A charge of stealing a banjo from Charles Prevost is also to be preferred against Atkins.

Mr. and Mrs. J. A. P. Gibb of Johannesburg, South Africa, who have been in the district for the past few days, are leaving on tonight's train for Toronto. Mr. Gibb has been visiting Stewart and will be back on the Gardena this afternoon.

R. F. Armstrong, an official of the Ceylon Government Railways, arrived in the city from the south on the Prince George yesterday afternoon. He will spend a couple of days here and then proceed to Jasper before returning to Vancouver to sail for Australia.

Mr. and Mrs. Reginald Beaumont and family and Mrs. Leys, Mrs. Beaumont's mother, returned on the Prince George yesterday afternoon. Mrs. Beaumont has been visiting several weeks in Vancouver and Mr. Beaumont went to Ocean Falls to meet her.

Miss Mary Gladwell wrote to the city council last night asking that survey stakes removed in the course of grading Fifth Ave. West be replaced so that she may start improvements to her premises. The matter was referred to the Board of Works.

Only one tender was received by the city council last night for the purchase of the old gasoline launch on Shawatlans. It was from W. Smith who offered \$87. The bid was referred to the utilities committee. Ald. Perry thought the launch should bring at least \$200.

A report from the finance committee recommending that the city do not subscribe to the Municipal Officers' Association and that it be pointed out that the Association had held its last convention at Vancouver thus depriving municipal officers of Northern and Central B.C. of the opportunity of attending was adopted by the city council last night.

On motion of Ald. Stephens seconded by Ald. Macdonald, the city council last night expressed its deep appreciation to all citizens who had assisted in making the reception and entertainment of the Union of B.C. Municipalities delegates last week so successful. The names of Mrs. J. C. McLennan and Dr. J. P. Cade were specially mentioned. A card of thanks will be inserted in the press by the council.

You, Too, Can have better shaves

If millions of men have found the way to quicker shaves, easier on the skin, you'd want to share their knowledge.

Now you can. We extend to you the same invitation they accepted—by which they discovered the shaving cream that is 5 ways better.

Soap experts for 30 years, it took us 18 months—making 130 experiments—to perfect Palmolive Shaving Cream for you. We ask you to do no more than give it a trial—at our expense. Discover for yourself the 5 advantages that speed up shaving time, and do away with skin irritation.

First, it multiplies itself 250 times in luxurious lather.

This lather softens the toughest, wiriest beard in one minute, without any rubbing.

It lasts, creamy and rich, for 10 minutes on your face.

Each bubble is extra strong-walled—holding hairs erect for easier cutting.

Skin is left soothed, cool, by the blended palm and olive oils.

Millions of men today know how important these things are—how they help. We feel sure you will appreciate them, too, after a trial. So sure that we are staking our reputation with you, on the results.

Ten shaves free—just as soon as you mail this coupon.

BRINGING UP FATHER

SHAWATLANS PIPE LINE IS LEAKING

City to Take Further Meter Readings and If Necessary Make Diver's Inspection and Repairs

One of the 14 inch water mains crossing under Shawatlans Passage is leaking considerably it was reported to the city council last night by the board of works. The committee recommended that an inspection of line be made with a view to making repairs but it was decided to delay such an inspection until further meter reading of the leakage are taken. City Engineer Pearson reported that he had made a test of the leaks. The original pipe across the passage was leaking at the rate of one cubic foot in 1 minute and 36 seconds or 5,000 gallons a day. The second pipe was in good condition. It would be necessary to have the services of a diver to make the inspection. Some supports to the joints under water might be needed.

Ald. Munro explained how the pipe had been put down and expressed the opinion that it might have been leaking for a long time. Ald. Stephens suggested that the inspection be delayed for a while to ascertain if the leak was getting worse. If it was not getting worse it was not alarming. Acting Mayor Collart thought the inspection and repairs if necessary might be made at the same time. The city engineer stated that from what he had gathered, the pipe had always leaked. It was agreed to lay the report over for a fortnight pending further meter readings.

ALD. MACKENZIE'S MOTION REJECTED

City Council Stands by Decision to Complete Grading on Second Avenue in West-view

Ald. Mackenzie's motion calling for rescinding of the motion passed last week by the city council authorizing the completion of the grading on Second Avenue between Fourteenth and Seventeenth Street failed to receive support at the council meeting last evening and was rejected, the mover only voting for it.

Ald. Macdonald seconded the motion so that the matter be discussed. Ald. Mackenzie said that the repairing of the piece of street in question was a waste of money in view of the fact that more important streets in the city were crying for attention. Ald. Macdonald said that from information he had gained since last week, he had reason to believe that some means would soon be forthcoming to look after other streets. Acting Mayor Collart concurred in this statement. Ald. Munro approved of the work being done on Second Avenue. Ald. Macdonald suggested that Ald. Mackenzie withdraw his motion but he declined to do so and it went to the vote with the result mentioned.

BENEFIT DANCE WAS SUCCESSFUL AFFAIR

Many Attended Event in Metropole Hall Last Evening and Financial Result Was Satisfactory

The benefit dance for Bobbie Macdonald in the Metropole Hall last night was well attended and the financial result was very satisfactory. Music was donated by an orchestra comprising H. Aubrey Pryce, George Horie Jr. and Mrs. Gawthorn and others were very generous in providing refreshments and giving assistance generally. A. R. Phillips was master of ceremonies and the committee in charge comprised Mrs. James Irvine, Mrs. Thomas Priest, Mrs. J. McIntosh, Mrs. G. V. Wilkinson, Mrs. S. V. Cox and Mrs. Phil McDonald.

TOWN PLANNING ACT OPPOSED BY COUNCIL

Mrs. Mary Ellen Smith's Measure is Not Popular One With Municipalities

A report from the finance committee stating that the Town Planning Act would only lead to chaos and that the city council was opposed to it in its entirety was adopted by the city council last night.

The Act was submitted to the council some time ago by Premier Oliver for further suggestion. It was introduced last session of the legislature by Mrs. Smith, M.L.A., but was not disposed of. Ald. Stephens stated that the Act was regarded in the south as a joke and all the municipalities were opposed to it. It would further dig into municipal affairs which already were too much interfered with.

HARVESTING DE LUXE

Englishmen for Grain Fields Stop at Best Hotel in Winnipeg En route

WINNIPEG, Aug. 28. — "Harvesting de Luxe" is the title of a chapter in a serial which took place in Winnipeg. The main story concerns four Englishmen, Lt.-Col. Williams, Major S. D. Amery, B. Hyde and V. Simmonds, who left the Old Country by the Pittsburg with the idea of coming west to help harvest the crop. Earlier chapters of the tale dwell on the monotony of the trip from Halifax to the prairie west, and feature largely the tendency of the average harvester to gamble away what money he has left after his fare is paid and then complain loudly that he is "broke."

Arriving in Winnipeg with 433 immigrants at 10.25 o'clock, the four heroes soon separated themselves from the crowd and made for the Royal Alexandra hotel where they will remain until evening and were then subjected to the process of re-ticketing and left for points in Manitoba

Sport Chat

Bulkley Valley people will foregather in Telkwa next Monday for the annual barbeque. There will be baseball and football games between Smothers and Telkwa and field sports, but the main interest will, of course, centre in the horse races and equestrian contests. There will be eight races including the Bulkley Valley Derby, the classic of the interior turf season. Substantial prizes are being offered with first and second for the Derby \$100 and \$50 respectively. The best riding in the bucking contest will receive \$35. A grand dance in the Community Hall in the evening will bring the day to a fitting close.

Tennis players of Prince George and South Fort George met last week and played twelve events while the temperature stood at 90 in the shade. The meeting was in answer to a challenge from the South Fort George players. The result was an even division of honors, each side winning six events.

The feature sporting event in connection with the Fall Fair at Prince George next week will be the final football game next Monday between the Caledonians and Veterans of that city for the Perry Cup. There were three teams in the running for the trophy but the third, McBride, was eliminated by the Prince-George Veterans.

The Sons of England took the decision of the executive of the football association, that the remaining 22 1/2 minutes of the Sons of England-Grotto Gihuly Cup game should be played to decide the result, to the Board of Control and that tribunal last night decided that the full game should be replayed. The match will take place this evening. The Sons of England will draw their players from the following: Frizzell, Lambie, Farquhar, Tinker, Kelsey, Hodgkinson, Craggs, Johnson, Lord, Cameron and Hamilton.

Sidney Bazett-Jones, secretary of the Prince Rupert Baseball Association, announced last night that the first game of the Married vs. Single men series will take place on Thursday evening of this week at Aeropolis Hill grounds. The game was to have been played last Sunday but it was postponed on account of rain.

G. W. Nickerson sailed last night on the Prince George for Vancouver, Victoria and Seattle on business. He will return by way of Jasper.

Inspector A. E. Acland, R.C.M.P. returned to the city on last night's train after a three weeks' patrol of the interior districts.

W. G. McMORRIS. Dated July 22, 1923.

BRITISHERS ALL CAN GET WORK

So Says Superintendent of Immigration in Regard to Reports to Contrary

WINNIPEG, Aug. 28.—I consider the reports that British harvest workers have been lured to Canada under false pretenses and left jobless, to be mischievous, misleading, inaccurate, and liable to do incalculable harm, as such stories will not be reproduced in Old Country papers and will be a black eye for Canada.

The same newspaper reports charged that the plans for bringing the harvesters had been made with the aid of the government. Respecting this phase of the matter, Major Howard said: "I do not know who was responsible for the scheme to bring these workers to Canada; certain it is that the matter was not decided as alleged at a representative meeting in Winnipeg early this summer of representatives of the government, other transportation concerns and employment officials."

Denies Surplus Created The employment superintendent unqualifiedly denied the statement that the importation of Britishers had created a surplus of men in the wheat regions. "If it had not been for the British harvest workers," he said, "we should have been 10,000 men short this season. In the middle of the summer, the estimate on the men who would be needed was 62,000. Ten thousand of these were procurable from local sources and British Columbia. The rest had to be imported. To date, approximately 42,000 of these imported workers—some ten thousand of them from Great Britain—have passed through Winnipeg. We have definite orders right now for 9,000 more men—orders which, thanks to the British workers, can be filled.

Some of the Britishers, it is reported, have been unable to obtain jobs. Statements have been made that the farmers are hiring only experienced men. This is nonsense. The farmers hire thousands of inexperienced workers every year.

Explains Cases The facts of the matter are this. In a few isolated cases, men have been sent to wheat centres where cutting has not yet begun. Neither the employment bureau nor the railroads are able to control the weather. The men had to wait around for a day or two, and have become dependent. Or, groups of ten or twelve men have wanted to get a job with one farmer. The average farmer can use one inexperienced man for every experienced one, but he cannot take on an entire crew which is unfamiliar with harvest work. The men have refused to separate, and, consequently, are out of jobs.

Notice is hereby given that an application will be made by the City of Prince Rupert to the Legislative Assembly of the Province of British Columbia, at its next session, for an Act to be entitled "Prince Rupert Local Improvement Validation Act, 1923," authorizing inter alia the rate of interest payable on the debentures to be issued under Local Improvement By-law No. 493, from seven per cent. The Man in the Moon SAYS-

THE editor says he has been expecting a letter from Capt. Freeman protesting against the arrest of the man who is alleged to have stabbed a Japanese countryman at Buckley Bay, ending "The least governed country is the best governed."

ALL last evening and this morning a lot of people were busy criticizing the newly formed Gyro Club and prophesying just how long it would last and what sort of failure it would make. The same was done of the Rotary Club over two years ago, and yet they say the R.C. is carrying on.

WHY not Prince Rupert invent a new order to be known as the Tigers, with the advertised object to prey on everybody. They could do without a chaplain.

ACCORDING to the interview in one of the Vancouver papers, the minister of railways was not quite sure whether he had been negotiating with the C.P.R. or not.

A GIRL went up the street yesterday dressed so loud that she wakened all the people who were dozing behind the counter.

Ten Years Ago in Prince Rupert August 28, 1913.

The Dominion Government is calling for tenders for the erection of the new drill hall on Borden Street.

More mystery attaches itself to the Japanese whaling schooner which is at present tied up at the Digby Island wharf. The customs officers have given the vessel clearance but she is now held up by Dr. Neil McNeil, immigration officer.

The accommodation at King Edward School being overtaxed, the school board has found it necessary to open a classroom in the Rand Block on Fullon St.

BURNS LAKE AND LAKES DISTRICT

Miss Daniels, formerly teacher at Tehesinkut Lake, left on Monday morning for Smithers, where she has accepted a position on the teaching staff.

The Stayner Bros., of Francois Lake, are making preparation for the purchase and operation of a shingle mill.

J. P. Wheeler, representative of the Soldiers' Settlement Board, stationed at Telkwa, is an official visitor at Burns Lake. Mrs. Wheeler is accompanying him.

Blind Man's Buff EVEN in this age of enlightenment some folks spend their money blindly. They buy with their eyes shut. They grope in the dark as truly as if their eyes were bandaged. And all the time a powerful light is being thrown on the very things they need and want! Advertising is a beacon to guide you in buying. It shows you what to buy--- where to buy--- and when to buy. At the same time, it protects you against fraud and inferiority. Merchants and manufacturers who advertise deliberately focus thousands of eyes upon their wares. Their values must be honest and their prices right, or they could not advertise successfully. Don't play blind man's buff with the elusive dollar. Spend a few minutes each day running through the advertisements in this paper. Then buy the products that have proved up in the light of advertising. Read the Advertisements.

ded attraction for tourists and visitors to the Ootsa Lake district.

Mrs. Frank Carroll of Burns Lake is the guest of Mr. and Mrs. Fred Saranovich of Sheraton.

The continued wet weather is seriously handicapping harvesting operations, and a dry spell is looked forward to.

R. H. Leighton, of Smithers, representative of the Forestry Dept., was in the Lakes District on official business last week.

At the dance held in Burns Lake on Friday evening Mrs. H. J. Jewell, H. L. Mann, R. Prosser and C. Codriss supplied some very excellent dance music. The evening was thoroughly enjoyed by all present. Decker Lake, Francois Lake, Southbank, Tehesinkut Lake, Ueha Valley, and Colleymount being represented.

John Nicholson, of Ootsa Lake was transacting business at Burns Lake on Saturday.

and Mrs. W. D. Booker, Miss N. Meisner, R. J. Armstrong, Mrs. George Bushby, J. D. McLeod, Mrs. C. A. Kirkendale and family, Mr. and Mrs. W. A. Kitchen, Mr. and Mrs. C. G. Hobson, S. C. Frost, Dr. Jean Carson, H. C. Bires, Miss M. L. Baxter, Miss G. Shampier, Mr. and Mrs. G. J. Vandevear, E. Nevison, Misses McLeod, Mrs. D. C. McTae and child, D. C. Brown, P. W. Baldwin, Mrs. Leys and Mr. and Mrs. Reginald Beaumont.

uses Japanese tobacco TOKIO, Aug. 27.—Japanese tobacco of inferior quality is being sent from Japan to Egypt in increasing quantities, blended there, brought back as "Egyptian" cigarettes and sold by the Japanese tobacco monopoly at high prices.

In 1922, according to the Japan Economist, approximately 1,168,000 bales of this tobacco were thus treated and the amount will be exceeded this year.

ALCOHOL WELL PROTECTED BY UNITED STATES. Extraordinary Precautions to Prevent Pilgrage at Various Government Departments. WASHINGTON, Aug. 23.—Extraordinary precautions for the safeguarding of their supplies of alcohol are taken by the various departments of the government which use this commodity, now so much in demand for the making of what in the parlance of the bootlegger is styled "sympathetic" intoxicants. Officials of the departments and bureaus declare the systems they have installed have operated so successfully that the losses have been negligible, confined to the theft of a pint here and a quart there. And so close is the check they assert, that frequently even these small pilgurations are traced and the offenders dismissed.

FIVE YEARS' AGONY ENDED. When He Took "Fruit-a-tives" For Rheumatism. The Medicine Made From Fruit. There can be no doubt that "Fruit-a-tives" is the long sought remedy for Rheumatism and Lumbago. From all over Canada come letters testifying to this fact. Mr. John E. Guilderson of Parrsboro, N.S. writes: "I suffered badly with Rheumatism for five years—tried different medicines—was treated by doctors in Amherst—and here at home—but the Rheumatism came back. In 1916, I saw an advertisement for "Fruit-a-tives" and took a box and got relief, so I took them for about six months and the Rheumatism was all gone and I have never felt it since". 50c. a box, 6 for \$2.50, trial size 25c. At dealers or from Fruit-a-tives Limited, Ottawa, Ont.

DISCOVERER OF RICH ORE ON TEXAS CREEK NEAR HYDER IN TOWN. Joe Jackson, who recently made a discovery of rich galena ore on Texas Creek on the American side of the Salmon River valley, is in the city from Hyder on business in connection with the registration of his claims. He has brought some samples of the ore which is rich looking stuff. Its discovery has recently caused quite a lot of attention to be directed towards Texas Creek. Mr. Jackson and his partner staked two veins which they say are seven and eleven feet in width and from which surface samples assayed up to 870 per ton. Some years ago a number of locations were made up Texas Creek but, up to the time of Mr. Jackson's discovery, nothing of particular interest was uncovered.

CANCELLATION OF RESERVE. NOTICE IS HEREBY GIVEN, that a portion of the Kalien Island Reserve surveyed as Lot 6535, Range 5, Coast District, is cancelled. G. R. NADEN, Deputy Minister of Lands, Lands Department, Victoria, B.C., 28th July, 1923. CANCELLATION OF RESERVE. NOTICE IS HEREBY GIVEN that a portion of the Kalien Island Reserve surveyed as Lot 6535, Range 5, Coast District, is cancelled. G. R. NADEN, Deputy Minister of Lands, Lands Department, Victoria, B.C., 28th July, 1923. LAND ACT. Notice of Intention to Apply to Purchase Land. In Skeena Land District, Recording District of Prince Rupert, and situate about 2 1/2 miles southwest of salvia on C.N. Railway and containing all of Devils Island, Take notice that Frank F. Burdett, of Vancouver, B.C., occupation lumberman, intends to apply for permission to purchase the following described lands: Commencing at a post planted on west side of Devils Island at foot of C.N.R. embankment, thence following the shore line of said Island to point of commencement, and including all of said Devils Island save and except the Right of Way of said C.N. Railway, and containing 259 acres, more or less.

National Museum. At the National Museum which, in the preservation of specimens sent to it from all parts of the world, uses only the highest grade of alcohol, the liquid is kept in a steel vault to which only one employe other than the staff officers has access. The key of the vault is kept under a separate lock. Supplies are drawn on requisitions and the uses made of the alcohol are carefully traced and checked. The museum officers say that there are losses from evaporation and spillage, but that in their system these are carefully estimated and due allowance made. The Navy department, which probably is the largest user of alcohol in the government, also has worked out an elaborate system for the safe-guarding of its supply. The total used is about 1,000,000 gallons annually, half of which goes into the manufacture of smokeless powder. At those stations and depots where the volume of alcohol on hand warrants, the liquor is kept in special steel tanks in rooms under lock, with the keys in the possession of commissioned officers or trusted civilian employes. Officers on Ships. On ship board and at the smaller stations the supplies are also in the custody of commissioned officers. In all cases the liquid is furnished on requisition and a check up of its uses made to see that none is diverted. Similar systems are in operation in the Department of Agriculture, the Bureau of Standards, the Bureau of Fisheries and other federal agencies using alcohol in their daily operations.

CO-OPERATIVE DRUG SYNDICATE FORMED. Local Pharmacist is Director of Recently Established Firm in Vancouver. A syndicate of pharmacists from all parts of the province have taken over the business of J. A. Teпоorten & Co., wholesale drug firm of Vancouver, and will operate it on a co-operative basis distributing supplies to themselves. About 160 of the 200 druggists in British Columbia have joined the syndicate subscribing from \$500 to \$1,000 each. The new firm will be known as the United Retail Druggists and E. J. Teпоorten will be the manager. The board of directors is as follows: A. E. Marrett chairman, George Cunningham and R. H. McDuffee, Vancouver; Walter Bews, New Westminster; W. J. McCutcheon, Prince Rupert; J. Buckham, M.L.A., Golden; Archie Galloway, Kamloops.

SYNOPSIS OF LAND ACT AMENDMENTS. Minimum price of first-class land reduced to \$5 an acre; second-class to \$2.50 an acre. Pre-emption now confined to surveyed lands only. Records will be granted covering only land suitable for agricultural purposes and which is non-timber land. Partnership pre-emption abolished, but parties of not more than four may arrange for adjacent pre-emption with recent records, but each making necessary improvements on respective claims. Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5% area before receiving Crown Grant. Where pre-emption is in occupation for less than 3 years, and has made proportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim. Records without permanent residence may be issued, provided applicant makes improvements to extent of \$30 per annum and records same each year. Failure to make improvements made and residence maintained on Crown granted land. Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads, title to be obtained after fulfilling residential and improvement conditions. For grazing and industrial purposes areas exceeding 40 acres may be leased by one person or company. Mill, factory or industrial sites on timber land not exceeding 40 acres may be purchased, conditions include payment of stumpage. Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made. PRE-EMPTORS' FREE GRANTS ACT. The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor apply for title under the Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the great war. This privilege is also made retroactive. No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after June 26, 1918. Taxes are remitted for five years. Provision for return of moneys accrued, due and been paid since August 4, 1914, on account of payments, fees and taxes on soldiers' pre-emptions. Interest on agreements to purchase town or city lots held by members of Allied Forces, or descendants, acquired direct or indirect, remitted from enactment to March 31, 1920. SUB-PURCHASERS OF CROWN LANDS. Provision made for issuance of Crown grants to sub-purchasers of Crown lands, acquiring rights from purchasers who failed to complete purchase, involving forfeiture, on fulfillment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1920. GRAZING. Grazing Act, 1919, for systematic development of livestock industry provides for grazing districts and range administration under Commissioner. Annual grazing permits issued based on numbers ranged; priority for established owners. Stock-owners may form associations for range management. Fees, or partially fee, permits for settlers, campers or travellers, up to ten head.
