THORNTON ISSUES FIRST ANNUAL REPORT

NEW BRITISH GOVERNMENT GETS SUBSTANTIAL MARGIN FIRST DIVISION

Canadian National President Says No Improvement in Net Earnings to be Expected Yet

OTTAWA, May 29.—Improvement in the net earnings of the Canadian National lines is not to be expected during the current year according to a statement made by Sir Henry Thornton in the annual report of the directors for the year 1922 which was made public yesterday.

The report covers the Canadian Northern system, the Canadian Government Railways and the Grand Trunk Pacific, but does not include the Grand Trunk. Sir Henry states that this is to be the last report made on the three groups of lines by themselves.

YORKE'S MOTHER TO SUE CANADA

Indemnity to be Asked For Death of American Fisherman

SEATTLE, May 29.—Mrs. Mary J. Yorke, 78 year old widow, proposes to file a claim against the Canadian government, through the American State department, for an indemnity for the death of her son and only support, Jacob Yorke, the Seattle fisherman, who was killed when Canadian customs officials fired on the fishing boat Sildom off Vancouver Island. The Sildom was accused of fishing in Canadian fishing grounds. The United States government has asked the Canadian government to give further explanation on the killing of Yorke.

GOLD ARRIVES IN NEW YORK

Longshoremen's Strike on, Volunteers Called to Unload Large German Remittance

NEW YORK, May 29.—Capt. Wilmann, of the steamer Mount, called for volunteers among the seamen to unload 200 bars of gold worth thirty million marks, which was landed at Hamburg today, during the longshoremen's strike, considered the credit of Belgium. This is many's fourth installment on the loan of Belgium's 1922 loans.

CITY CASE FOR RAILWAY HEAD

Committee With Mayor as Chairman to Meet and Confer With Thornton

Mayor Newton, as chairman, and Ald. Stephens, Ald. Collart and Ald. Smith will comprise a committee of the council which will prepare data for presentation of the city's case to Sir Henry Thornton on his forthcoming visit here. This committee will have a committee conference with the council and, on Sir Henry's arrival, will meet him with the city's claims. The council decided to this effect last night after Ald. Perry had withdrawn his motion of last week leaving the matter in the hands of the same committee with Ald. Collart as chairman.

Mayor Newton took the view that the entire council should have a hand in the preparation of the case for Sir Henry. It was a very important matter and the recommendation made by the council would doubtless have an important effect on the future of the city. It was important that a strong case should be presented and that Sir Henry should be entertained as a distinguished visitor.

Talk Business

Ald. Stephens said that the most important matter was the presenting of the city's case. If the council failed in doing so, it would not be doing its duty. They should talk business with Sir Henry for matters of policy affecting the railway were inseparably linked up with the city's future. The condition of the roadway to the wharf was one matter that should be taken up and Sir Henry should be apprised of correspondence that had come from the railway on that matter. The spectacle of the G.T.P. Development Co. making a taxation appeal after it had already been given many concessions should also be impressed upon Sir Henry. He was a man of action and affairs and more could be expected from him by talking business than by wining and dining him.

Ald. Collart felt that a small committee could handle the case better than the council as a whole.

Ald. Macdonald concurred with what Ald. Stephens and Ald. Collart had said. A committee should be appointed to start its work at once, consulting, however, with the council and having the mayor as chairman. He moved accordingly and Ald. Collart seconded the motion which was carried.

Mayor Newton is communicating with Sir Henry Thornton to ascertain the date of his visit here.

The launch Narbethong, skipper Hoopes K. Freeman, left port last night for Surf Inlet with a party of loggers who will work for the J. R. Morgan Logging Co.

Boatmen in Southampton reap a good harvest from the old fittings and woodwork left floating near the dock after the departure of big liners.

Baldwin Ministry Receives Favorable Vote on Question Protecting Home Secretary

LONDON, May 29.—The new ministry under Premier Stanley Baldwin received a favorable vote of 297 to 143 in the House of Commons yesterday on the second reading of the indemnity bill to protect Rt. Hon. W. C. Bridgeman, home secretary, from penalties threatening him as a result of the court decision rendering illegal his deportation of Irish agitators.

The followers of Ex-Premier Lloyd George supported the government, Mr. Lloyd George taking the attitude that Mr. Bridgeman had acted unwisely under bad advice. He suggested that the government's offer to pay deportees travelling expenses was not enough and Britain should pay them like gentlemen.

Lord Robert Cecil, making his first speech as a member of the Baldwin government, said that the government would secure for the deportees such compensation as they would be entitled to under an ordinary court decision.

The Laborites bitterly opposed the bill and moved for its rejection.

PREMIER APPEALS

Rt. Hon. W. L. Mackenzie King, in a recent address, made a plea for the preservation of the Canadian forests from the ravages of fire. He said: "Is it reasonable that, year by year, we should permit 4,000 forest conflagrations, due for the most part to our own carelessness?"

"I appeal to every loyal citizen to play fair with the Forest this year. Let us regard every acre of timber land as a source of natural wealth, in the ownership of which unborn generations stand as equal partners with ourselves."

Two defence witnesses, both government liquor officials, testified that McLeod was going to investigate the Lincoln Club in an attempt to secure evidence that protection money was being paid.

REMOVAL OF CARVELL FROM RAILWAY BOARD

Minister of Railways Tells Progressive This is Question For Parliament to Decide

OTTAWA, May 29.—When G. G. Coote, Progressive member for Macleod, brought up in the House of Commons the question of whether Hon. W. R. Motherwell's pre-election promise to work for the removal of Hon. F. B. Carvell as head of the board of railway commissioners had been acted upon or not, Hon. George P. Graham, minister of railways, said that it was a matter for parliament to decide and not the government.

PERSIAN EARTHQUAKE KILLS ONE THOUSAND

ASTRABAD, Persia, May 29.—Reports from Teheran state that 1,000 persons were killed by an earthquake at Turbat-i-Haidari. Many villages were devastated.

MCLEOD WILL BE COMMITTED

Preliminary Trial of Former Government Official is Completed

VANCOUVER, May 29.—At the conclusion of the police court hearing of charges of extortion and attempting to obtain money by false pretences against George G. McLeod, former supervisor of the Liquor Enforcement Act for British Columbia, Magistrate Shaw remanded the accused until tomorrow for commitment to a higher court.

Two defence witnesses, both government liquor officials, testified that McLeod was going to investigate the Lincoln Club in an attempt to secure evidence that protection money was being paid.

REMOVAL OF CARVELL FROM RAILWAY BOARD

Minister of Railways Tells Progressive This is Question For Parliament to Decide

OTTAWA, May 29.—When G. G. Coote, Progressive member for Macleod, brought up in the House of Commons the question of whether Hon. W. R. Motherwell's pre-election promise to work for the removal of Hon. F. B. Carvell as head of the board of railway commissioners had been acted upon or not, Hon. George P. Graham, minister of railways, said that it was a matter for parliament to decide and not the government.

TIGHTENING UP HOUSING SCHEME

City to Foreclose on Loans Three Months in Arrears—Nanaimo Resolution Endorsed

There is to be a tightening up in the administration of the Soldiers' Housing Act by the city. This was indicated at last night's council meeting when a report from the housing committee recommending that foreclosure proceedings be taken against all those who are three or more months in arrears in their payments and that the persons so affected be notified was adopted.

Ald. Macdonald inquired if it was the intention to give due consideration to deserving cases which, but for unfavorable circumstances, might be unable to pay.

In reply, Ald. Stephens said the Housing committee had gone thoroughly into the question and found that some returned soldiers were paying little or nothing back. Some were not paying their taxes and in one case at least phone and light had not been paid for. Peculiarly, it was not working men who were in arrears but salaried men who should have been in a position to pay. Those who might have been expected to be behind were not behind. It must be remembered that, by means of the scheme, men were paying for their houses at a rate that would not be half what the rent would be for similar houses. He felt that the adopting of the recommendation would work no hardship on deserving cases which would be dealt with on their merits. It was not the idea to get after those who were struggling to pay but rather those who were in a position to pay and did not. In some cases, men holding loans were living beyond their means.

Ald. Macdonald said he was satisfied with the explanation. The report was then adopted.

The Housing committee also recommended the endorsing of the Nanaimo city council resolution asking for a transfer of administration of the Soldiers' Housing Act from the municipality to the federal government. The council adopted the recommendation.

A recommendation that Charles Youngman be allowed to pay \$35 per month on his loan failing which foreclosure action be taken was adopted and a report recommending foreclosure on the Sloan house was also adopted.

The leasing of the Albert Craggs house to J. C. Gavigan for one year was approved and J. W. Gibson was given permission to transfer his contract to another approved returned soldier.

VISCOUNT CHAPLIN DEAD IN ENGLAND

Was Prominent in Sporting and Political Circles—Won Fortune on Long Shot

LONDON, May 29.—Viscount Chaplin, prominent in sporting and political circles for more than fifty years, is dead. His horse, Hermit, won the Derby in 1867 at odds of 11 to 1 bringing a handsome fortune to his owner who backed him heavily. Deceased was a member of the House of Commons for 47 years.

NEXT MONDAY HOLIDAY

VICTORIA, May 29.—Next Monday, June 4, will be proclaimed a public holiday for the celebration of the birthday of King George V. Premier Oliver announced. The King's birthday is on Sunday, June 3.

ALASKAN WRECK IS BROUGHT UP

Member For Comox-Alberni Makes Charges Against Wreck Commissioner

OTTAWA, May 29.—A. W. Neill, member for Comox-Alberni, brought up the question of the wreck of the steamer Alaskan, off Vancouver Island in January last, which resulted in the loss of thirteen lives. He asserted that the wreck commissioner, who investigated, had not visited the scene of the wreck and had failed to call important witnesses. He had been quite careless and incompetent, or both. It was stated that the Alaskan was unseaworthy and that the owners had risked lives for careless greed. He urged closer inspection of seagoing craft and better wireless facilities.

The government put the item over in the marine estimates to permit further discussion of Mr. Neill's point.

MAYO ORE IS ON WAY OUT

Winter Output Awaiting Transportation Valued at \$1,250,000

YUKON WILL HAVE LARGE PRODUCTION

DAWSON, May 29.—The winter output of silver ore from Keno Hill and Mayo will be transported to the coast within six weeks. The first 100 sacks has already reached here on the way out and over 3,000 sacks is at the mouth of the Stewart River. There are six thousand more sacks to come. The ore, which is valued at \$1,250,000, has been awaiting the opening of navigation.

Including the Klondike's prospective gold yield, it is estimated that the output of precious metals from the Yukon this year will be \$3,500,000.

PORTION OF LIQUOR PROFITS WILL MAKE NEW SERVICE FUND

VICTORIA, May 29.—Of \$1,201,950 the total liquor profits made by the provincial government during the last fiscal period of six months ending March 31, \$62,509 is to be put into a service fund before the division of fifty per cent is made among the municipalities. Premier Oliver announced yesterday.

FALLS INTO OIL TANK; IS KILLED

North Vancouver Ship Repairer Meets Death on Steamer Niagara

VANCOUVER, May 29.—Arthur Timmoth, of North Vancouver, while engaged on repair work to the steamer Niagara, in some unaccountable manner fell into one of the oil tanks and was killed. He was missing for several hours before the body was located.

DAILY EDITION

Tuesday, May 29, 1923.

Greater Prosperity For Province.

In a speech he delivered last week before the Northwest Mining Association at Spokane, Hon. William Sloan, minister of mines, gave several concrete reasons for his belief that greater prosperity is in store for British Columbia. He said that capital was looking towards the province for investment and that the mines of British Columbia were receiving consideration, particularly those in the Northwestern district.

Urging a straightforward policy of advertising the possibilities of the province, the minister aptly summed the situation up as follows:

"The people with funds are looking West. We have the resources requiring development; they have the means to assist in that vitally important work. What we have to do is to be good and reliable sales agents, displaying our wares without misrepresentation and securing for their exploitation what their worth seems to merit. If we adopt this as a principle in the prosperous days I see ahead, there is no doubt that the Northwest will be opened up in the next decade on a scale unprecedented in any previous similar period and to lasting benefit to ourselves and those who will follow us."

Copper Important B.C. Mineral.

That the copper market means a great deal to the mining industry of British Columbia and that, if the present healthy condition of it continues, production will go forward by leaps and bounds is indicated by the expansion of activities now being put into effect by the Granby Consolidated Mining, Smelting & Power Co. When a large concern like this takes steps such as it has done this year and pays out much cash in acquiring and operating new properties it denotes its confidence and augurs well for the future.

The Granby Co. now has a production of 30,000,000 pounds yearly at Anyox which, with the new Copper Mountain property, will be increased to 50,000,000 pounds, making it the greatest copper producer in the British Empire.

Liquor Amendment Likely To Pass.

The Canadian Senate is again in the limelight today with the consideration and possible vote on the British Columbia and Quebec exclusive liquor importation amendment coming up. Thrown out by the Senate last year, the amendment is in a different position today and the passing of the measure is confidently expected.

Besides being supported by the governments of British Columbia and Quebec, where it emanated, the measure now has the backing of Ontario and the prairie provinces, since it will also prevent importation to them, and the last to fall in line is New Brunswick, the government of that province having announced to that effect yesterday.

While the fate of the amendment lies in the hands of the senators, having already been passed by the House of Commons, it is not expected it will be rejected on this occasion, for in doing so the members of the Red Chamber would be acting directly against the feeling and approval of the governments of the provinces which they represent.

Mother and Her Baby Are Relieved of Eczema

Mrs. Peter A. Palmer, Salt Burn, Sask., writes:
"Dr. Chase's Ointment has completely relieved me of eczema and piles. I also used this Ointment for my baby, who broke out in eczema. A few applications were all that was necessary in her case. Dr. Chase's Ointment has been worth a hundred dollars to me—before using it I had spent a great deal more than that in unsuccessful treatment from doctors. We have also used Dr. Chase's other medicines, the Nerve Food having restored my health after suffering from severe nerve trouble when a girl."

NO REDUCTION LIGHT RATES

Chairman of Utilities Committee
Withdrew Bylaw Last Night

PROFITS NEEDED

Ald. Stephens Says Measure Ill-
advised at This Time

The electric light department of the city received plenty of praise at last night's council meeting for the manner in which it was being conducted in showing a saving in operation and a consequent increase in profits but after a lengthy discussion the proposed bylaw providing for a reduction in rates was withdrawn on motion of Ald. Macdonald, seconded by Ald. Collart. This action followed an able exposition of the city's financial condition by Ald. Stephens who felt that, with finances such as they were now and the mill rate at a point where it could not be much further strained, curtailing of any revenues was an ill-advised proposal.

The discussion opened with the presentation by the superintendent of utilities of figures for electric light rates in Revelstoke, Nanaimo, Kamloops, New Westminster, South Vancouver, North Vancouver and Edmonton. The Revelstoke rate was from 10c to 12c; Kamloops, 11c to 8c; Nanaimo, 8c to 3c and 12c to 10c; Vancouver suburban, 7c to 5c; Edmonton, 7c to 5½c. The present Prince Rupert rate was 10½c and 6c; the proposed rate, 8c to 5c.

Ald. Collart opposed cheap rates at the expense of the taxpayer.

Ald. Macdonald pointed out that one of the main objects of the proposed bylaw was to overcome discrimination.

Wanted to Attack

Ald. Stephens failed to see where discrimination would be removed by the proposed bylaw. Users were now charged 10½c for light and 6c for power. A flat rate of 8c would be discrimination for the users of power appliances who now paid 6c. He would like to know who fathered this bylaw. When its introduction was moved and seconded he wanted to attack it.

Ald. Collart and Ald. Perry moved introduction of the bylaw. Mayor Newton questioned if Prince Rupert was wise in keeping rates higher than other places. Ald. Collart took the view that it was a question of finance here and should not be governed by what other places were doing.

Ald. Macdonald confessed the responsibility of fathering the bylaw. There had been reductions in operating costs and he felt the consumers should get some of the benefit of this unless it jeopardized the finances of the city.

Ald. Munro suggested that the bylaw stand over until there was further proof of the actual cost of production. Ald. Macdonald said this was already known.

Reduction of Revenue

"How much will these proposed reductions in rates reduce the revenue of the city annually?" asked Ald. Stephens.

Ald. Macdonald replied that it would mean a reduction of revenue of \$16,000, including the dropping of meter rent charges amounting to \$1,800.

"If we take that amount out of the city's revenues, the taxpayer will have to pay it," stated Ald. Stephens.

Mayor Newton pointed out that they should allow for the savings effected in operating the department.

"As the estimates stand at present the city is going to have a deficit of \$22,000 at the end of this year," declared Ald. Stephens. "When you take \$16,000 out of the revenue it means an increase in the rate of a little over 3½ mills. Already the rate is within a small fraction of the limit. Next year, then, the city will be confronted with the choice of going into the hands of a receiver or taxing improvements."

"I am sorry that the utilities committee did not see fit to consult with other members of the council before introducing this bylaw. It is an ill-advised and premature measure and should never have come in. In view of the circumstances, I believe that we should forget it until we are able to afford it. If it means an increase in the mill rate then the resident owners are getting no benefit and it would only benefit the person who is here today

and gone tomorrow."

Not Jeopardize Finances

Ald. Macdonald said he would not be a party to any measure that would put the city in the hands of a receiver but, if reductions in cost were obtained, there was a certain obligation to the residents of the city.

Mayor Newton thought that the discussion had at least shown a feather in the cap of the utilities department.

Ald. Stephens said he had no criticism to make of the administration of the department but he did criticize such a bylaw being brought in at this time. The city had to have all the revenue it could get and certainly he felt that the taxpayers were entitled to the profits of the electric light department since they had financed it.

Ald. Macdonald said the utilities committee had been responsible for the bringing in of the bylaw but, if it would have such a serious effect on the city's financial condition as Ald. Stephens predicted, he could see the advisability of withdrawing it at this time.

Congratulatory Remarks

The discussion wound up with a general round of complimentary remarks for the administration of the utilities and Ald. Stephens congratulated Ald. Macdonald on the stand he had taken after the facts had been brought out.

Ald. Macdonald then moved the withdrawal of the bylaw. This was seconded by Ald. Collart and carried unanimously.

Ten Years Ago in Prince Rupert

May 29, 1913.

The weather report at 5 o'clock this morning read: Barometer, 29.87; maximum temperature 19; minimum temperature 47; precipitation, 1.19 inches.

The Dominion Government has decided to establish a big first order light at Cape St. James following an examination which has proved that it is the only logical point to mark the southern entrance to the Beale Straits.

Notwithstanding all the difficulties of getting out all the men of the Earl Grey Rifles at every drill and thus ensuring their military efficiency, Capt. Fred Stork won some well deserved compliments from Colonel Roy, the officer commanding this military district, at the official inspection last night.

STEWART

R. L. Clothier, superintendent of the Indian and Mobile mines was kicked on the shin by a horse last week and will probably be in the hospital for a week.

Wm. Bunting has left for Alice Arm where he has mining interests with Elmer Ness. He intends to be there about twenty days and will then go to Vancouver on a business trip.

John Conway, stipendiary magistrate from Anyox, and W. O. Fulton, attorney from Prince Rupert, were here on court business last week.

Jack Fitzgerald and Bill Williams left on Tuesday last for the Independence and intend continuing the cross cut at the face of the 150 foot tunnel until the opposite wall is reached. This cut has already crossed 15 feet of ore.

Jack Peterson, one of the real old timers of the camp and locator of the Red Cliff which was responsible for the building of the Bear River railroad, has returned from the south and figures on putting in a large part of the summer here. Jack first landed at Stewart in 1904.

John J. Shehan, of Hyder, and

The cost of food folly

The cost of your food mistakes is not in dollars and cents alone, but in years of suffering from indigestion—and that means low vitality with little strength to resist disease. Cut down the high protein foods, avoid potatoes and sweets for awhile, and get down to a simple diet of Shredded Wheat Biscuit with green vegetables and fruits, and see how much better you feel. Shredded Wheat is *all* food. It is the whole wheat in a digestible form. Two Biscuits with milk or cream make a complete, nourishing meal, that costs but a few cents.

TRISCUIT

is the Shredded Wheat cracker—a real whole wheat toast—eaten with butter, soft cheese or marmalades.

BOILS

Made Him Sick and Miserable

Mr. Richard Zelenoski, McLean, Sask., writes:—"I had been suffering continuously, with boils, for three years, and during that time I tried many different remedies without any success whatever. In spite of all my efforts I was compelled to go to the hospital. This was in the fall of the year, and right in the busiest time of the season. Upon my return home it just took about two weeks until my neck and arms were again occupied by the boils which made me feel very sick and miserable."

One day one of my friends advised me to try Burdock Blood Bitters, and after I had used less than two bottles I was very much surprised at the result.

It is now over two years since I got in touch with B. B. B., and I have had no bother with boils since. I will recommend it to all persons suffering from any defect in the blood."

B. B. B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

MISS NAN BIRNIE WAS FAREWELLED

Presentation Made to Popular Member Telephone Exchange at Party Last Night

The staff of the telephone exchange gave a delightful surprise party last night at the home of Mr. and Mrs. D. McLeod, Seventh Avenue West, in honor of Miss Nan Birnie. During the festivities Miss Birnie was presented with a beautiful umbrella by the "hello girls" as a token of their esteem. Dancing, music, games and cards were enjoyed to the utmost during the evening. A delightful lunch was spread at midnight after which dancing continued until the early hours. Miss Birnie, who has been a member of the telephone exchange staff for some time, is leaving on the train tomorrow night for Smithers.

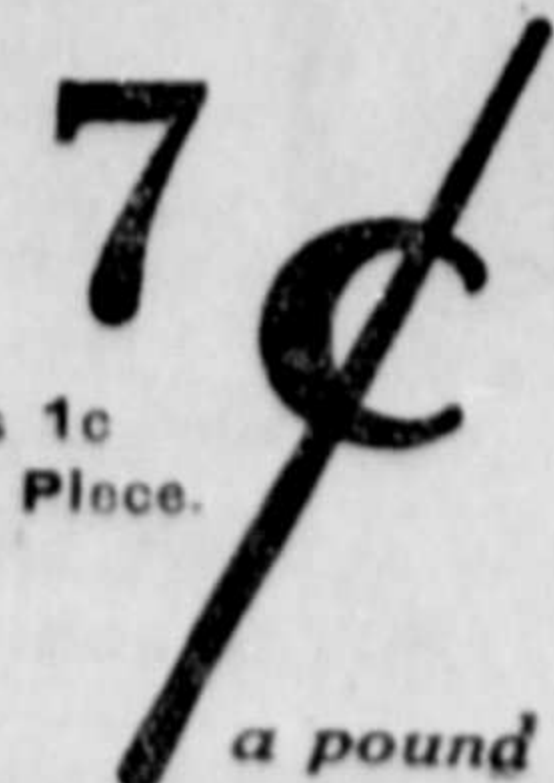

WONDERS WHY MANY MORE TOURISTS DO NOT COME THIS WAY

Mr. and Mrs. Thorpe, of Lamar, Mo., who returned from Stewart on Sunday night thereby completing a tour of the Pacific coast, left for the east on the train last night. Mr. and Mrs. Thorpe were delighted with the service they had received both on the Canadian National railways and steamships. This was their first trip north of Vancouver and Mr. Thorpe expressed himself as being particularly struck with the wonderful scenery of the northern Pacific coast. He wondered why tourists did not take the triangle trip in the hundreds of thousands. He expressed the opinion that the trip was one of the most beautiful he had ever taken.

YUKON PIONEER BURIED

DAWSON, May 29. — The funeral of Paul S. Hogan was held in Mayo. He was formerly a member of the Yukon legislature and was one of the most picturesque pioneers of the north.

Chas. Evitt, secretary of the Board of Trade, is confined to his home, suffering from a severe cold.

Have you tried our Nanaimo-Wellington nut coal for kitchen range at \$13.50 a ton? Albert-McCaffery, Ltd. tf

Geo. McAfee, manager of the Georgetown sawmill, arrived in the city last night on a business visit and returned this morning by launch.

Jarvis McLeod, collector of customs, who has been to Alaska on departmental business, is expected back on the Princess Mary today.

Dr. Carson, of Stewart, left on the eastbound train last night for Winnipeg to be married. He will return to Stewart with his bride in a few weeks time.

The application of the Dominion Club for a license is being held by the city council for further consideration. A report from the finance committee to this effect was adopted at last night's council meeting.

The city treasurer was authorized by the city council last night to write to various bond-holders offering them Hays Creek bridge and Booth School reconstruction debentures, bids to close on June 23. The matter of advertising was suggested but it was deemed better results would be obtained by communicating direct.

V. Basso-Bert, of this city, who is visiting with his family in Italy, has sent a postcard to the editor of the Daily News from Rome in which he tells of the visit paid to the Eternal City recently by King George V. and Queen. "Their Majesties were given a magnificent reception and it was a glorious day," Mr. Basso-Bert says.

A change in the Canadian National coastwise steamship schedule to the Queen Charlotte Island will go into effect tomorrow. The Prince Albert, leaving at 8 p.m., and will take over the regular run of the Prince John this trip. The Prince John will leave here in the future every second Wednesday instead of every second Saturday.

A by-law providing five years' exemption for the Great War Veterans' Association from taxation on its property will be presented to the ratepayers at the first opportunity. Such action was decided upon by the city council last night on recommendation of the Finance committee in dealing with the request of the Association to this end.

Malcolm McLeod, who has the contract for the repairing of city plank roads, has also undertaken to deliver lumber for the work at \$1.50 and \$1.75 per thousand. This will eliminate the necessity of using the city's Day-Elder truck for the purpose. It was decided at last night's council meeting to have Mr. McLeod start his own deliveries at once. The statement was made that it cost the city \$4 or \$5 a thousand to make deliveries itself.

The application of Mrs. J. M. Collison for remuneration in the sum of \$10 for materials supplied in making repairs to Brian Street, Section 8, was further considered by the city council last night. The Board of Works recommend that the \$10 be paid but an amendment was put forward by Ald. Stephens and Ald. Collart to lay the matter over for a week pending a report from the city engineer. The amendment carried, Ald. Perry, Ald. Munro and Ald. Macdonald voting against it.

FOOTBALL GAME RESULTED DRAW

Sons of Canada and Sons of England Played to 1-1 Score Last Evening

In a toe to toe struggle at the Acropolis Hill grounds last night the Sons of Canada and Sons of England football teams finished up with a tie, the final score standing at 1-1. The final score was representative of the play. Both sides missed good scoring opportunities and both teams had a pretty equal share of the play. Farquhar scored for the Sons of England in the first half and Marks for the Canadians in the second.

The teams lined up as follows: Sons of Canada—H. Scott, goal; V. Menzies and W. Murray, full backs; G. Mitchell, J. Mitchell and H. Astoria, half backs; W. Mitchell, E. Smith, J. Marks, W. Hamilton and D. Jack, forwards. Sons of England—H. Hemmonds, goal; S. Dalton and B. Lamb, full backs; P. Cameron, G. Kelsey and E. Craggs, half backs; Geo. Hill, W. Hamilton, J. Hodgkinson, P. Tinker and J. Farquhar, forwards.

George Russell performed the duties of referee in a creditable manner. A. Clapperton and C. I. Baker acted as linesmen.

First Half
The teams took the field with the Canadians kicking on the up-grade. From the kick-off the Englishmen pressed and Farquhar tried Scott, but the leather went over. The Canadians then got on the run and Hemmonds, in goal, had an exciting moment. The Englishmen made a dash for Scott who was called upon to rush out twice in quick succession to clear. Murray for the Canadians got it away with his head. The play was spirited and both sides were getting their share of the sphere. Farquhar, for the Englishmen, was a little over-zealous and a foul against him resulted. The Canuck forwards got busy but could not make the grade successfully. The defence of the Englishmen proving very sound, a dash for the Canucks, made a try at Hemmonds which hit the outside of the net.

The Canadians continued to press and Hemmonds was forced to run out to clear. The ball was being kept pretty well in the Englishmen's half. Eddie Smith for the Canadians tried a shot, as also did W. Mitchell, but nothing matured. A corner against the Englishmen taken by W. Mitchell was not utilised. The S.O.E.'s then took a fancy to the ball and some ding-dong play resulted opposite Scott, but the latter was at home all the time. Kelsey, for the Englishmen, took the ball but kicked it wide. Hamilton tried a shot which caught under the bar of Scott's stronghold, and it took a little exciting play before it was cleared. The Englishmen were pressing and Hodgkinson tried line and it went outside. A foul the Englishmen took the ball but the Canadians pressed hard, causing Hemmonds to kick out. The Englishmen then made a bee line for Scott but Murray proved Hemmonds in goal was sure and equal. The S.O.E. continued to pulled off some fine play. Dar-

monopolise the play and Tinker tried one but it was easily handled by Scott.

A good combined run by the S.O.E.'s resulted in Farquhar getting the leather and, with a fine turn of speed, he put a beauty above Scott into the far corner of the net. From the centre the Canadians got dangerous and Hemmonds was forced to run out to clear. Marks, for the Canucks, made a determined try but Kelsey conceded a corner from which nothing resulted. The Canadians continued to press, forcing another corner which, taken by W. Mitchell and being well placed, gave E. Smith the opportunity to head it over the bar. The S.O.E.'s then pressed and Tinker put a shot at Scott which he punched out. The Canadians were pressing at half time, the score standing 1-0 in favor of the Englishmen.

Second Half
From the centre the Canadians got away and Jack tried Hemmonds without result. The Englishmen then forced a corner which was well placed by Hill, but nothing resulted. The Canucks then came down the field and got a corner award which, well centered by Mitchell, resulted in Marks heading the ball beyond the reach of Hemmonds and thus evening up the score. From the centre Marks got the ball and put it out to Jack who shot wide. Farquhar, for the Englishmen, forced a corner off Astoria, but nothing came of it. The Canuck forwards continued to press hard but the defence of the Englishmen was playing up to form. The English forwards got away on the run and Farquhar tried a shot at Scott but was too far away to get a true aim.

The Canadians then took the leather and Marks tried a shot which went wide. The Canucks rush out twice in quick succession to clear. Murray for the Canadians got it away with his head. The play was spirited and both sides were getting their share of the sphere. Farquhar, for the Englishmen, was a little over-zealous and a foul against him resulted. The Canuck forwards got busy but could not make the grade successfully. The defence of the Englishmen proving very sound, a dash for the Canucks, made a try at Hemmonds which hit the outside of the net.

The Canadians continued to press and Hemmonds was forced to run out to clear. The ball was being kept pretty well in the Englishmen's half. Eddie Smith for the Canadians tried a shot, as also did W. Mitchell, but nothing matured. A corner against the Englishmen taken by W. Mitchell was not utilised. The S.O.E.'s then took a fancy to the ball and some ding-dong play resulted opposite Scott, but the latter was at home all the time. Kelsey, for the Englishmen, took the ball but kicked it wide. Hamilton tried a shot which caught under the bar of Scott's stronghold, and it took a little exciting play before it was cleared. The Englishmen were pressing and Hodgkinson tried line and it went outside. A foul the Englishmen took the ball but the Canadians pressed hard, causing Hemmonds to kick out. The Englishmen then made a bee line for Scott but Murray proved Hemmonds in goal was sure and equal. The S.O.E. continued to pulled off some fine play. Dar-

Comments on Game
Taking the game generally it was a good one and there was plenty of excitement. Both forward lines missed good scoring opportunities although the combination on both sides improved considerably as the play progressed. For the Canadians, Scott in goal played a fine game, as also did Menzies and Murray as full backs. H. Astoria in the half back line did good work and passed the ball to advantage repeatedly. In the forward line W. Mitchell, sphere into their half and the Englishmen pressed hard, causing Hemmonds to kick out. The Englishmen then made a bee line for Scott but Murray proved Hemmonds in goal was sure and equal. The S.O.E. continued to pulled off some fine play. Dar-

Grow Bigger Better Sweet Peas

Most gardeners can grow an abundance of sweet peas, but they can't all get the beautiful large strong looking blooms that everybody likes. The only reliable method is to nourish the plants to grow strong and healthy by using FERTABS.

FERTABS
PILES FOR PLANTS

They are easy to use and clean to handle. You can carry them around in your pocket and use when and where necessary. FERTABS feed the plant only. No waste and less weeding than when you use a bulky fertilizer. Use them for all your plants—flowers, fruits and vegetables. You'll get a bigger and better growth, and if you market your crop it will mean bigger profits.

Buy them where you buy your seeds.

In 25c, 75c and \$1.50 Packages

THE ANDREWS-SCOTT CO.

BOY SCOUTS WON GAME FROM FALCONS

The Boy Scouts won a two run victory over the Falcons in the Juvenile Baseball League game on the McBride Street grounds last night. The game was a tight one throughout and the youngsters treated a good crowd to some snappy play. The Falcons took the lead for several innings but the Scouts rallied well towards the end of the game and put it over their adversaries to the tune of 9-7.

The teams lined up as follows: Scouts—A. Phillipson, p; E. Dingwall, c; P. Johnson, 1b; Alex. Duncan, 2b; J. Hamilton, 3b; E. McLean, rf; B. Wakefield, ss; L. Bond, lf; H. Dalby, cf.

Falcons—V. Meagher, p; Geo. Edgar, c; L. McKinnon, 1b; R. Kelly, 2b; C. McKinnon, 3b; H. Essen, rf; A. Johnson, cf; E. Yager, lf; J. McNulty, ss; Sydney Bazzett-Jones and S. Joy umpired the game.

Sport Chat

The Intermediate Baseball League season officially opens tonight at the Acropolis Hill grounds with the match between the Colts and High School. There will be weekly games until the first of September. The third team in the league, the White Sox, will make its initial appearance next Monday night playing against the Colts.

Big Canadian stables will be well represented in the Spring race meeting of the Gonaugh Park Jockey Club which opens at Ottawa today and which will be in progress for the next week. Commander J. K. L. Ross has entered his entire string of 15 horses and Edward Seagram has 25 stalls.

The development of Howard Freigan as the St. Louis Nationals' regular shortstop is one of the chief discussion in fandom. Freigan, who served as bat boy part of last season, is regarded as one of the most promising recruits to come to the majors in years. He is but 20 years of age and was signed by the Cardinals while attending college. His hitting has been timely and his defensive play has been described as spectacular.

Throughout the length and breadth of United States tennis has now become the sport of sports. Its devotees are in the hundreds of thousands and

THE DAILY NEWS

crowds at championship tournaments grow each season. At Forest Hill, New York, a new stadium is being built on the grounds of the West Side Tennis Club. It will have a seating capacity for 13,000 permitting of enlargement to 21,000. The stadium at Wimbledon, England, which has already been found inadequate, accommodates 11,000. The Davis Cup Challenge round in the United States this year will be played in the new stadium at New York.

The Anyox football and baseball teams visited Stewart last week for the Victoria Day celebration. The Stewart soccerists won over the smaller town visitors by 2 to 1, but the Anyox ball team woff 11 to 2. Former Prince Rupert players on the Stewart baseball line-up were Herb Charlton, second base and centre field; Bob Frizzell, catcher, and Alex Roy, short stop. Roy went into the box in the seventh for Sam McNeill, the Stewart pitcher, but didn't help matters much for he threw the ball past first twice and allowed Anyox to get five runs in the last frame. Bob Mercer played goal for Stewart in the football game.

FISH ARRIVALS

Four American boats marketed 86,000 pounds, and five Canadian boats marketed 27,400 pounds, a total of 113,400 pounds of halibut at the Fish Exchange this morning. Three trollers brought in a total of 14,769 pounds of red and 300 pounds of white salmon. Prices offered today were the same as yesterday

for both American and Canadian catches.

The arrivals and sales were:

American
Helgeland, 60,000 pounds, at 15.3c and 9.5c, to the Canadian Fish & Cold Storage Co.

CANADA DOCKS AT MONTREAL

Many Prominent Passengers
Reach Canada on White
Star-Dominion Boat

MONTREAL, Que., May 29. — Concluding a quick voyage from Liverpool and having experienced pleasant weather during the entire trip with the exception of a few hours fog in the lower gulf, the White Star-Dominion liner "Canada" docked at Montreal at 7:30 this morning.

Capt. R. J. Smith, the ship's commander, reported smooth seas all the way across the Atlantic in direct contrast with the stormy trip the ship made last month when she was directed to Halifax on account of unfavorable weather in the gulf.

The Canada disembarked a number of well-known Canadians including a number from Prince Rupert and vicinity.

Hospital Man Aboard

Among those arriving on the Canada was A. G. Fotheringham-Lyson, who for the past three years has been appeal secretary to Lord Lansdale, treasurer of Charing-Cross Hospital, London. Mr. Fotheringham-Lyson has been prominently connected with the hospital for many years and, on the occasion of Miss Sarah Bernhardt's farewell performance at the London Coliseum in 1913, when she gave her services for the benefit of the hospital, he was presented to their Majesties the King and Queen who were attending the performance. Mr. Fotheringham-Lyson is secretary of the Practical Physiological Club, of London, founded by Anne Maude Hallam, the well-known psychologist who has founded many psychology clubs in America and is now continuing her work in England.

Commenting on the recent political changes in England, Mr. Fotheringham-Lyson stated that Premier Stanley Baldwin was undoubtedly a strong man and what was more "Was a favorite with the crowd." He had gathered a good cabinet around him, stated Mr. Fotheringham-Lyson, and those at home were looking for a steady improvement all around.

Veteran Captain

Also arriving by the Canada was Capt. Thomas, veteran commander of the White Star and Leyland line steamers. Capt. Thomas paid high tribute to the Canada and, although he has spent fifty-two years of his life continuously at sea, stated that the Canada was the best disciplined ship he had yet travelled on.

Capt. Thomas was the skipper on the Leyland line passenger steamer Gestrin for 19 years until she was torpedoed in 1917, with one thousand imperial troops on board, off the Isle of Skye, in the Aegean Sea, en route to Palestine, when not a single life was lost. Capt. Thomas entered the transport service in August, 1914, with the Gestrin, and was continually at sea until the armistice. During the war he was on several occasions at Montreal and Quebec, both on the Parisian and Bohemian conveying troops to and from Europe. Although he transported more than 95,000 soldiers, he has the record of never having lost a single life. Capt. Thomas is on his way to Peace River, Alberta, to join his daughter who came out on the Canada last year and was recently married.

Waifs and Strays

Among the 267 third class passengers which the Canada landed at Quebec was a party of 47 boys between the ages of 13 and 16 years from the London Waifs and Strays' Home who are en route to Sherbrooke, Quebec, under the personal direction of Jos. Frost.

The new purser of the Canada is Eugene Grahl. Mr. Grahl is one of the old White Star Dominion line pursers and while this is his first trip to Montreal he saw considerable service in transport service to Halifax during the war.

Other passengers arriving by the Canada were L. Balogh, of Budapest, who is on his way to Toronto Cathedral and Dr. W. G. Powell and family of Toronto. Dr. Powell, for the last three years, has filled the position of chief surgeon at Manchester hospital.

ENGINEER MINE IS AGAIN IN LAWSUIT

Nephews of Late Mrs. Alexander
Claim They Are Entitled to
Share in Property

VANCOUVER, May 29. — Once again the famous Engineer Gold Mine of Atlin is the subject of litigation.

Robert E. Williams, of Milwaukee, and Horace K. Williams, of Los Angeles, nephews of the late Mrs. James Alexander, who with her husband was drowned in the Princess Sophia disaster in October, 1918, are the plaintiffs in a suit begun against J. A. Fraser, administrator of the late Captain Alexander's estate.

They claim that as heirs at law as next of kin of Mrs. Alexander they are entitled to share in the distribution of the estate, including the Engineer Mine which has been estimated to be worth millions of dollars.

MAN GOT AWAY FROM HOSPITAL

Provincial Police Prisoner Escaped Last Night But Rounded Up Today

A. Roseng, who was brought from Stewart on Sunday night by Provincial Constable Martin to do a six month's term of imprisonment at the Okalla prison farm on a charge of vagrancy and who had been taken to the hospital here for medical attention to his arm, escaped from the hospital at 11:30 last night in his night attire. He was captured shortly after noon today by city constable Alex. McDonald on Ninth Avenue West.

The prisoner went into the lavatory at the hospital and, locking the door inside, made his escape through the window dropping some fifteen feet to the ground. The provincial and city police, upon receiving notification of the escape, made a hunt for the prisoner all night and up to the time of his capture today. The prisoner had been hiding in the bush all night in his hospital garments with only a pair of slippers on his feet. This morning he was chased out of a basement on Ninth Ave. West, and it was from this information that Constable McDonald got on his track.

W. J. Crawford, the Stewart transfer man, left on the train last night for Edmonton on a business trip. He arrived from Stewart on the Prince George Sunday night.

CITY COUNCIL IS
READY TO ASSIST

Flour Mill Communication from
Eburne, However, Is Too
Vague and More Details
Wanted

Dealing with the letter from James Innes, of Eburne, asking if the city was prepared to offer a bonus for the establishment of a flour mill here, the city council last night expressed its readiness to assist all enterprises and discuss concessions. The communication in point, however, was of such a vague nature that nothing could be done in regard to it. Therefore it was returned to the Board of Trade, from whence it emanated, for further information.

One (1) year will be allowed for removal of timber.
