C.N.R. HEAD TO SPEND WEEK IN DISTRICT DIFFICULTIES OVER PACIFIC HALIBUT TREATY; RECIPROCITY IS DISCUSSED

Sir Henry Thornton Arranges Definite Date for his Visit to Prince Rupert and Neighborhood

Sir Henry Thornton and the other directors of the Canadian National Railways are expected here on June 24 and 25, according to a telegram received last night by F. G. Dawson, director.

Sir Henry informs Mr. Dawson that he will leave Montreal on Monday next and will travel west by way of Detroit and Chicago. He expects to reach Jasper on Monday, June 18, and will spend two days there inspecting the new hotel and park in which he is particularly interested, and which promises to be a centre of tourist attraction, and which is also the consolidated divisional point of the system. Coming on to the coast he will spend the whole of the week in the district and will stop off at such points as time and opportunity permit.

The tentative plan is to arrive here on the afternoon of Sunday, June 24, and to leave for the south Monday, June 25, an hour before midnight.

Sir Henry states that he has invited the other directors of the company to join him in the western trip. Mr. Dawson will come west with them, arranging the details of the tour and making sure that the president and directors miss nothing that it is important they should see or hear.

At last night's council meeting Mayor Newton announced that he had been notified of the forthcoming visit of Sir Henry. A committee comprising Mayor Newton, Aldermen Stephens, Colliart and Smith has already been appointed to present the city's case to the distinguished visitor. The Board of Trade, Canadian Club, Rotary Club and other organizations are likely to take part in the entertainment of the party.

ULSTER FEARS FREE STATERS

Minister For Home Affairs Says
He Has Reports of Under-
ground Movement

BELEFAST, June 6.—Sir Dawson Bates, minister for home affairs in the northern government, justifying the maintenance of the police at war strength said that the reports of an underground movement to overthrow their authority, Ulster was not interfering in the affairs of the Free State but could not close its eyes to what was happening and the affairs on the border states confirmed their worst fears.

MANY BILLS TO BE CONSIDERED

Seventeen Yet to Come Before
Parliament at Ottawa Says
Premier

OTTAWA, June 6.—Premier King in outlining the legislative program for the balance of the session gives a list of seventeen separate pieces of legislation still to be considered including a bill concerning a closed season for halibut fishing on the Pacific, a bill to reduce salmon cannery license fees, two bills concerning returned soldiers, several financial measures including a guarantee of railway bonds already authorized.

PAY FOR JUSTICE TO RETURNED SOLDIERS

It is the Suggestion of Army
and Navy Veterans to
Churches

OTTAWA, June 6.—The Victoria unit of the Army and Navy Veterans has placed before the executive of the Dominion Veterans Alliance a suggestion that "a full measure of justice" to ex-soldiers and their dependents be made the subject of prayers in all Canadian churches, these prayers to continue until answered.

MCLEAN TO REPRESENT PROVINCE IN OTTAWA

VICTORIA, June 6.—Hon. J. D. McLean, provincial secretary, has left for the east to represent British Columbia at the annual meeting of the Canadian council of public health at Ottawa, June 20. He will also represent the province at the Canadian good will convention at Hamilton next week.

PAPYRUS WON DERBY RACE

Was Ridden by Famous Steve
Donoghue Former Twice
Winner

EPSOM DOWNS, England, June 6.—Papyrus, owned by B. Irish and ridden by Steve Donoghue, won the classic Derby stakes here today. Earl of Derby's Pharos came second and M. Gouillard's Parth third. Eighteen horses ran. The betting on Papyrus was 100 to 15 against; Pharos, 16 to 1 against; Parth, 16 to 1 against. Papyrus won by a length while only half a length separated Pharos and Parth at the finish.

This is the third time in succession that Donoghue, the veteran English jockey, won the blue ribbon of the English turf and was entitled to wear golden spurs. Donoghue rode Humorist, winner in 1921, Captain Cuttle, last year's winner, and now Papyrus.

FAIR FINANCES REACH CRISIS

Director Harry Lipsett and
Managing Secretary F. W.
Mackintosh Resigned
Last Night

Financial affairs of the Northern B. C. Agricultural & Industrial Association have reached a crisis and if the activities of the organization are to be carried out successfully this year a larger city grant than has been provided and more substantial donations from the business men will be required. This much was indicated at the meeting of the executive which was held last evening. There were present at the meeting President C. H. Orme, in the chair, Directors R. V. G. Leplue, F. Dibb, Thomas McMeekin, E. A. Mann, R. E. Benson and Managing Director F. W. Mackintosh.

H. P. Lipsett submitted his resignation as director giving pressure of business as his reason. The resignation was accepted with regret.

F. W. Mackintosh, managing secretary, also submitted his resignation on the score of the strained financial condition of the Association. The resignation was accepted with regret and Mr. Mackintosh was offered the vacancy on the directorate caused by the resignation of Harry Lipsett. It was decided to appoint no successor to Mr. Mackintosh and the board will endeavor to carry on with the committee handling the work.

A report was also received at the meeting from the finance committee of the Victoria Day carnival. The net proceeds were \$600 which will be split evenly between the Fair Board and the Elks Lodge.

LIBRARY WILL CLOSE TWO WEEKS IN AUGUST

Many Books Borrowed During
May Shown in Report of
Librarian at Meeting
of Board

At the meeting of the Library Board last night the librarian reported that 2959 books had been loaned during the month of May or an average of 114 daily. There were 16 new borrowers, 5 had cancelled and there were now 1060 active borrowers. During the month 193 books had been donated to the institution.

It was decided that the library would be closed for the first two weeks in August during the time the librarian takes her holidays.

Those present at the meeting were Rev. G. G. Backer, president, G. V. Wilkinson, H. F. Pullen and the librarian.

NAVIGATION IS MUCH DELAYED

Low Water in Lake Lebarge
Causes Trouble; Scheme to
Improve Matters

DAWSON, June 6.—The opening of the legislature which was to have taken place today has been postponed for ten days to await the arrival of Robert Lowe, member for Whitehorse, and John Black, who visited his home in Fredericton.

Low water levels at the head of Lake Lebarge delayed what should have been one of the earliest ship arrivals at Dawson on record. Though the ice has been out of the lake for ten days the first steamers from Whitehorse were not expected to reach Dawson until today, ten days later than was prophesied. Owing to the lack of water the boats were unable to cross the bar at the head of the lake and finally were floated into the Yukon River, light cargoes being transferred across the bar by mail steamers in light relays.

A scheme to improve navigation to insure deeper water and possibly protect the open season on the Upper Yukon by several weeks is being considered by Federal Government engineers from Victoria who are at Whitehorse now to examine the lakes and streams in the light of a proposal that water be impounded at the narrow neck of the Yukon River above Whitehorse and released later in the season to flood the shoals and wash out the sandbars. It is understood the engineers view the plan favorably as far as they have gone.

RAILWAYS ADD TO TRAIN EQUIPMENT

Boat Day Trains East and West
Will Carry Two Sleepers
After Today

Commencing today the Canadian National Railway is adding to its passenger train equipment east and west of here to provide for the increased tourist traffic in connection with the coast steamers. On Mondays, Wednesdays and Fridays to Edmonton and on Mondays, Wednesdays and Saturdays from Edmonton to Prince Rupert and Jasper-Prince Rupert, besides a full diner and a standard compartment observation car. On other days, the same equipment as now carried will be used.

NEWSPAPERMEN ON WAY TO JASPER PARK FOR BIG CONVENTION

EDMONTON, June 6.—Thirty-five members of the Alberta and B.C. Press Association are here en route to Jasper Park where a big convention is to be held Thursday and Friday. The majority of the British Columbia members are going to Jasper direct.

TARIFF AND RECIPROCITY

Resolution Discussed in Com-
mons and Some Changes
Made in Proposals

OTTAWA, June 6.—The pro-
posed increased tariff on raisins
which was intended as an inducement to Australia to enter a reciprocal arrangement was postponed by the House of Commons on motion of Hon. W. S. Fielding, who said Australia might be some time in coming to a trade agreement and this item could be made effective by proclamation when Australia did come in.

A motion giving tariff preference on goods entering Canada by way of Canadian ports was adopted.

A motion embodying an offer of reciprocity with the United States was postponed for further discussion, Mr. Fielding saying that if the United States decided to reduce the tariff on certain items, Canada might do likewise.

In the original resolution offered to reduce the Canadian tariff on a certain item by fifty per cent an amendment cutting out the words "fifty per cent" was adopted and the resolution stands over.

Hon. Arthur Meighen asked Mr. Fielding why he did not take the reciprocity issue to the United States government by meeting them on their offer of free trade in bituminous coal. Mr. Fielding said he thought reciprocity on a single item was not a reasonable way to meet the issue.

Halibut Treaty may be Abandoned by Canada Favor Other Legislation

(Special to Daily News).

OTTAWA, June 6.—The Dominion Government proposes to abandon the Pacific Halibut Treaty and in its place to bring in legislation empowering it to close Canadian Pacific ports to halibut fishermen for a close season when the United States does the same. This will accomplish the same ends as the treaty sought to do without the delays which ratification of the treaty would entail.

The action of the Canadian Government is made necessary by the amendment to the Pacific Halibut Treaty by the American Senate specifying the applicability of the treaty to all British subjects, which would necessitate its ratification by all the Dominions.

LEGAL ACTION TO BE TAKEN AGAINST THOSE IN DEFAULT

The city solicitor was empowered and instructed by the city council last night to take legal action against W. J. Sloan or any others who may be in default under the Better Housing Scheme to recover rent, taxes, interest and utility rates. Last week the council decided to foreclose on such houses but legal action is now being taken. Ald. Stephens explained, to get quicker action.

There was some discussion as to whether the city had first claim on such houses and it was shown to the satisfaction of those enquiring that it had.

MANY ESSAYS RECEIVED ON FORESTRY FROM ALL PARTS OF THE PROVINCE

VICTORIA, June 6.—Between six thousand and eight thousand essays on the British Columbia forests and emergency fire protection have been submitted to the forest branch of the Department of Lands in the competition for prizes and medals.

J. E. Ormheim was a passenger for Kitwanga on last night's train.

FOUND COCAINE IN MATTRESS

Tin Valued at \$2,000 Was Seized
by Customs Officials

VICTORIA, June 6.—A tin of cocaine valued at \$2,000 weighing more than two pounds was seized by customs officials at the outer wharf when inspecting Chinese steamer baggage from the Empress of Asia. It was concealed inside an unclaimed mattress.

DAMAGES CLAIMED FOR LITTLE GIRL

Eight-Year Old Alice Strachan
Fell off Sidewalk and Broke
Leg—\$143.50 is Asked

Williams, Manson & Gonzales applied last night to the city council for damages in the sum of \$143.50, covering hospital and medical fees, on account of an accident sustained by Alice Strachan, 8-year old daughter of Mr. and Mrs. Charles Strachan, Eleventh Avenue, who last month fell off a high point on Eleventh Avenue on a stump and broke her leg. The matter was referred to the Finance Committee.

EARNINGS OF RAILWAY UP

Canadian National Increase in
Twelve Months in Five
Months

MONTREAL, June 6.—Gross earnings of the Canadian National Railways for the week which ended May 31 last were \$6,741,619, being an increase of \$1,207,902 over the corresponding period of 1922, or 22 per cent.

Gross earnings of the Canadian National from January 1, 1923, to May 31, 1923, have been \$93,566,526, being an increase of \$12,843,797 as compared with the corresponding period of 1922.

HIGH TEMPERATURE REACHED YESTERDAY

The highest temperature reading of the year was recorded yesterday afternoon at 4 o'clock when the thermometer reached 78 in the shade.

H. O. Grewe, Dominion meteorologist, reports. Mr. Grewe also says that the barometer is steady indicating a continuation of the warm spell. The highest temperature reading last year was 82 in May.

SPEED BYLAW IS TO BE ENFORCED

City Council Gives Instructions
to Chief of Police

A report from the Finance Committee recommending that the chief of police be instructed to enforce the city's automobile speed regulations and prosecute regardless of who the offenders may be, that the council reconsider the license bylaw and that adequate fees be charged on cars to take care of damage through speeding if it continues was adopted last night by the city council.

Ald. Collart said that speeding was prevalent on bridges and suggested that notices setting out the speed limits be posted.

Ald. Macdonald thought the force was not large enough to successfully enforce the speed laws. Ald. Stephens suggested that they did not need to go past the front door of the station to find speeders.

BUSINESS OF POLICE COURT MUCH LIGHTER

Report Showing This Will be
Sent to Victoria in Further-
ance Request Reduction
Magistrate's Pay

In furtherance of the city's request that the salary of the police magistrate be reduced, a report of the chief of police on cases handled in the police court for the past six months as compared with a similar period one year ago is being sent to Attorney General Manson. The council decided on this last night on recommendation of the finance committee.

The police chief's report shows that 97 cases were dealt with in the police court from December 1, 1922, to May 31, 1923, as against 167 cases from December 1, 1921, to May 31, 1922.

Iron and Steel Works Guarantee.

During the past year or so announcements have been made from time to time of activities in regard to the formation of a company to engage in the iron and steel industry in this province. A bonus offered by the Provincial Government to encourage the establishment of this industry was not considered sufficient inducement but instead the promoters are asking for a guarantee of bonds to the extent of \$12,000,000, one third from the Imperial Government, one third from the Dominion and another third from the Province.

In this case a guarantee of bonds is the same thing as a loan of the money. The governments concerned would have to do the borrowing and hand the proceeds over to the company.

Neither the Imperial Government nor the Dominion have expressed willingness to do anything on terms which could possibly be acceptable to the Province, but the promoters of the company are trying to force the hands of the Provincial Government to induce them to take the lead in backing the company in the hope that the other governments would then fall in line.

It is to be expected that Premier Oliver and his cabinet will move very warily in connection with such an important undertaking. The Province of British Columbia has already unwisely thrown millions into a railway or two that is now proving a burden to the taxpayers. To add four millions more to the debt is a very serious matter, and should not be done unless the company can show that it has the very best financial backing, that its management is in the hands of thoroughly capable men, and that the province has such security as will give a reasonable hope that it will get its money back and interest on it during the operation of the undertaking.

Deserve To Win, But What Of Taxpayer?

The promoters of this concern are to be admired for their tenacity but we, the provincial taxpayers, are the owners of the four millions they are asking of the province and also we, the taxpayers of the Dominion, are the owners of the other four millions asked of the Federal Government. If our governments do not properly safeguard our interests we shall be justified in condemning them and in refusing to return them to office again when the time for appeal to the country comes.

No place is more interested in the establishment of a steel works than is Prince Rupert because we believe we have an extensive deposit of ore nearby which would be worked if the industry were established. Yet we should be foolish to ask that steps be taken to start an industry doomed to failure from the beginning. To do that would set back the iron and steel business many years and would saddle us with a debt that would prove a serious encumbrance for the next generation or two.

Glad To Know Of Smithers' Progress.

Reports are constantly coming in of the busy time they are having at Smithers where the mining operations in the neighborhood are creating a stir, not only there but throughout the country. Already the Dulhieu mines are shipping in a small way and very soon it is expected they will be rolling their ore to the seaboard and sending it away to the smelter.

We are particularly glad to know of the progress being made at Smithers. The people there are of the progressive kind. They have done wonders already in their little town and great things may be expected of them. Prince Rupert will be glad to hear of their progress and will be glad to co-operate in any movement for the good of both places.

Just Beginning To Sell Our Scenery.

Northern and central British Columbia are just beginning to capitalize the scenic attractions. Hitherto scenery has not been looked on as a commercial commodity. Now it is being realized that the scenery of the Skeena, Bulkley and other valleys is among the finest in the world and some of the side trips will be among even more picturesque surroundings. The day will come when boats will ply up the Estab, the Khyex, the north arm of Wark Canal and to numerous other beauty spots seldom seen by the average person.

"I Can Now Do My Work Without Feeling Tired"

Mrs. A. Moffatt, Roxton Falls, Que., writes:

"I suffered from a run-down system and nervous debility. I could not sleep or rest at night, and felt so weak I could not walk any distance. I took several tonics, but they only helped me while I was taking them. Mother advised me to take Dr. Chase's Nerve Food, and I felt great benefit from the first box, and continued taking several boxes. Today I feel like a new woman, and am able to do my work without that dreadful tired feeling."

DR. CHASE'S NERVE FOOD

50 Cents a box, all dealers, or Edmondson, Bates & Co., Ltd., Toronto

REPAIRING OF PACIFIC PLACE

Railway Company Offers to Pay
City \$2,400 For Doing Work

N. B. Walton, C.N.R. general superintendent, wrote the city council last night asking if it would be willing to take \$2,400 to put the Pacific Place roadway leading from First Avenue to the G.T.P. wharf in fit shape for traffic by scarifying, grading, surfacing with granite and rolling it. After some discussion the offer was referred to the board of works for report.

Ald. Munro explained how the estimate had been arrived at on the basis of cost. The city engineer, he understood, was willing to do the work for \$2,400. That being the case, he would be in favor of accepting the offer and proceeding with the much needed work at once.

Ald. Stephens did not want to see the Smith Island quarry reopened on account of the work. He understood that the granite supply now on hand would be needed for completing the surfacing of Third Avenue.

Ald. Munro replied that there would not be enough granite for Third Avenue anyway and it would be necessary to reopen the quarry in any case.

Ald. Stephens thought that the Babington contract was to have supplied enough granite for the down town street surfacing. If it had not, he would like to know why the contract had been terminated.

Ald. Collart suggested that the railway might be able to get granite up the line for the Pacific Place work.

Ald. Stephens and Ald. Collart took the view that the railway company was bound by agreement to take care of this roadway and the city should not take the risk of losing money in doing the work.

Finally, the matter was referred to the board of works for further report.

TRAMP PIPE HOME AGAIN

Souvenir Returns After Making
Round Trip to Halifax via
C.N.R.

A hobo pipe, sent from Prince Rupert on March 18, has completed a round trip with stop-overs to Halifax and back again over the Canadian National Railways and returned to Prince Rupert early this week. It has been tagged at some 100 places and has thus collected some interesting souvenirs on its two and a half month's trip.

This was its send-off:

"One day while I was at repose
A h— of a smell came to my nose.
I knew that smell so strong and
ripe
Came from the bowl of a corn cob
pipe.
I found that pipe with noxious
breath
And with one good look, he was
condemned to death.
Said I 'Young Fellow, you'll end
your life
For out of my ear you're going
to dive.'
But the baggageman said: 'What
a dandy blend.
He shall not come to an untimely
end.
We'll just give him a tag with a
message gay
And ship him all over the Na-
tional Way.'
So he starts from Rupert by the
sea
Just going to see what he can see.
He'll pass through the Rockies up
on high
Down to the plains that are hot
and dry,
On o'er the prairies till he reaches
the coast.
And back to Rupert, that'll be his
boast."

Accordingly the following are among the places that have set their marks on the hobo pipe, many humorous verses and sayings and interesting souvenirs being in the collection:

Smithers, Endako, Prince George, Sydney, N.S.; St. John, N.B.; Winnipeg, Edmonton, Halifax, Blue River, B.C.; Kamloops, Moncton, Quebec, Trois, Pictou, Jasper, Wainwright, Biggar, Sask.; Montreal, Toronto, Bridge-water, N.S.; Saskatoon and St. Lawrence, N.S.

When you buy advertising you buy CIRCULATION, and see that you get it.

The Man in the Moon SAYS—

THERE is no need of easier divorce laws for "A Fool and his money are soon parted."

ALL that some people know about the Bible seems to be "Take a little wine for thy stomach's sake," and they add whiskey to the menu.

NOW, man to man and woman to woman, would you put four million dollars of your good money into a proposition just because some people who wanted part of it were howling at you. Yes, you wouldn't.

IT is rumored that the farmers and gardeners around Prince Rupert are already grumbling at the lack of rain. Thank heaven we can grumble even if we can't do anything else.

WHAT is there about a diamond that makes it the right thing to give an engaged girl? Perhaps it is because, like engaged couples, you can tell them at once.

THERE is a man in town who does not bath himself because the tub is too awkward, the water at the Salt Lakes is too much discolored and the salt chunk is too cold.

THIS is the month of brides yet we have not heard of a wedding here so far.

SPEAKING of brides it is said that they are like chickens. They have their eyes open in about nine days.

AND just now and then there is a bride that goes into the noose with her spectacles and experience to interpret.

TALKING of spectacles, why not just rub the blue shade off the glass now and then?

TALKING of being blue, that is what smoke is when it goes curling up and disappears in the ether.

TALKING about curling up, that is what a girl does to her hair before she does the same on the sofa when with soft languorous eyes she settles herself to read the latest novel about the problems of the love lorn.

AND speaking of settling on the sofa, a settle was the thing they used in the old days as a species of furniture instead of the present ornament they call a sofa. Settle is also a term used to indicate the payment of overdue accounts. Each is equally uncomfortable.

THERE are no stiffs in Halifax for the old corn cob sent by the National Express has returned safely although it was addressed to "any old stiff at Halifax."

SASKATOON wrote:
From herring to cod
I've been all the way
So now I'm recovering
Mid the fumes of the hay.
But when I am discarded
And puff my last fume
I'll remember the burg
That they call Saskatoon.

IT was a wag at Biggar that gave the home thrust closing with the following verse:

SO good bye boys, I can't com-
plain
I've had a good trip on the Na-
tional train
I'm homesick now for the sight
of rain
So hurry me back home again.

TIMBER SALE X 5081.
Sealed Tenders will be received by the Minister of Lands at Victoria, not later than noon on the 22nd day of June, 1923, for the purchase of Licence X 5081, to cut 5,101,000 feet of spruce and hemlock, and 1,300,000 feet of felled and bucked spruce and hemlock, on an area situated on Limestone Bay, Louise Island, Queen Charlotte Islands Land District.

Two (2) years will be allowed for removal of timber.

Dead!

"Dead" oil is damaging thousands of cars every day. Maybe it's damaging yours. You think not, of course. You wouldn't have it if you knew. But most oils do become dead before you know it.

SUNOCO

THE DISTILLED OIL

is different. It isn't compounded of light oil and "cylinder stock." It's such oils that quickly break down and go dead.

Sunoco has a longer lubricating life. It's the only oil of six types, each of which is wholly distilled. It's pure lubrication. It lasts longer and makes your car last longer.

Ask your dealer or write us for booklet, "What's Happening Inside Your Motor?"

RAT SCOURGE IS ON AGAIN

City Council Last Night Decided to Start a Virus Campaign Against Rodents

The medical health officer is to institute another rat extermination campaign in the city.

Ald. Collart brought up the subject at last night's council meeting. He said that rats were breeding at the Park Avenue dump and were becoming prevalent in Section 2. On Seventh Avenue he had seen three rats playing. There were many complaints. He would suggest the spreading of virus. Such a campaign should be undertaken generally throughout the city and the warm weather was the best time. He moved that the medical health officer be instructed to start such a campaign.

Ald. Macdonald seconded the motion saying that such a campaign had been successful before.

Ald. Perry objected saying that rats so poisoned would die in the houses with unpleasant results.

"The rats take to water on being poisoned," said Ald. Collart.

"Yes, and there is water under the houses," replied Ald. Perry.

"Dr. Cade assures us that it will be all right," said Ald. Collart.

The discussion closed with the carrying of the motion.

G. T. P. coast steamer Prince Rupert, Capt. D. Donald, is due from Vancouver and waypoints on time at 3 o'clock this afternoon.

Miss Irene Stewart, teacher of Copper City, returned to the interior by last night's train after spending the week-end in the city.

The auditor's report for the year 1922 was adopted by the city council last night on motion of Ald. Collart and Ald. Macdonald.

Spend your evening at the Westholme. Modern ventilation has made it the coolest place in town. Good pictures, good music, and comfort. 133

On recommendation of the fire chief, the city council last night decided to call for tenders for the supplying of seven uniforms for members of the fire department.

The Prince Rupert Boat House motorboat Pachena sails at 6 this evening for Stewart with Capt. Gammon in command. R. E. Moore will be among the passengers.

Then tender of John Myhill Jones of \$3.45 per trip for the taking of city officials to Shawatlans Lake was accepted last night by the council on recommendation of the finance committee.

The temporary borrowing by-law providing for \$30,000 to meet current city expenses pending the commencement of taxation collections was given its third reading by the city council last night.

The tender of Rose, Cowan & Latta of \$5.85 per page for the printing of the auditor's report for the year 1922 was accepted by the city council last night providing that the report does not exceed 15 pages.

The city council last night decided to call for applications for the position of pound-keeper and dog tax collector. This was done on recommendation of the Finance Committee. The suggested system of remuneration is 50 per cent of tax collections.

The finance committee recommended to the city council last night that the current hospital account for per capita payment be checked over by the treasurer's department and if found correct to be paid provided that payment is made only for patients domiciled in the province. The report was adopted.

An application from A. D. Holloy, approved by the chief of police and medical officer, for a license to operate the Empress Loggers' Club was received at last night's council meeting and referred to the Finance Committee. The matter of the application of Austin Henderson for the Dominion Club also came up and was again laid over pending a special meeting of the council this week which will go into the whole question of licenses.

ROCK DELIVERY COSTS DISCUSSED

Board of Works Shows That Crusher Should Remain at Fifth Street

A report from the city engineer submitting comparative costs for the delivering of crushed rock for street surfacing on Fourth and Fifth Avenues was presented at last night's council meeting and was referred to the board of works for further report, provision also being made that a start should be made on moving the rock crusher from its present unsightly and inconvenient position on Second Avenue.

The following were the figures for delivery of rock as submitted by the engineer:

With crusher at Fifth Ave. and Tatlow St. delivery by cars and track, \$4.45; by truck, \$4.26.

With crusher remaining at Fifth Street, \$3.95.

The engineer also reported that to move the crusher from its present location to the Fifth Street lane would cost \$240, to move it to Fifth and Tatlow, \$539.

Mayor Newton said the board of works had decided it would be more economical to leave the crusher at Fifth Street.

Ald. Stephens questioned the estimate of the city engineer in delivering the rock by truck. He thought it could not be done for the figure estimated and moved that the report be sent back to the board of works for actual figures. Ald. Collart seconded this.

Ald. Munro said that all the figures available had been secured and moved that the crusher be moved to the Fifth Street lane and the rock delivered from there. There was no seconder and the motion carried.

A bylaw for the changing of dates for the supplying of percentage additions to local improvement taxes was given its first readings at last night's council meeting. The date of the first penalty of 10 per cent. is advanced, from July 1 to October 1, and the second penalty of five per cent from October 1 to December 15.

BRINGING UP FATHER

BOY SCOUTS REQUEST CITY TO GRANT LAND

Would Establish Headquarters on Unused Property in McClymont Park

A delegation consisting of Geo. Rorie and J. A. Teng, representing the Boy Scouts' Association, and Rev. Dr. H. B. Grant and T. H. Johnson, representing the Rotary Club, appeared before the city council last night asking that permission be given for the Boy Scouts to erect a cabin for headquarters on unused city property in McClymont Park near the corner of McBride Street and Eleventh Avenue. A letter laying the request formally before the council was read, the delegation was heard, and the matter was referred to the board of works for report.

Mr. Rorie explained the work of the association and urged that the council support it in granting the request which did not ask for any financial assistance. The Boy Scouts needed headquarters and he thought the erection of the cabin in McClymont Park would enhance the value of the property.

Dr. Grant dealt on the importance of leading boys in the right direction towards forming good characters. The Boy Scouts' Association was doing a valuable work in this respect. Victoria and Smithers had given land to the Boy Scouts for the erection of headquarters. All the local association was asking for was a temporary granting of the land which it was agreed should be available for the city on its demand.

T. H. Johnson also spoke briefly urging the council to give the permission asked. The cause was a worthy one.

The council did not discuss the matter.

COUNCIL TO PAY COLLISION BILL

Account of \$10, Stood Over For Some Time, Disposed of Favorably

The account for \$10 from Mrs. J. M. Collison to cover the cost of new lumber in repairing Brian Street, Section 8, will be paid by the council if was decided last night on recommendation of the board of works.

Ald. Stephens said that he would vote against the paying of the account as a matter of consistency. Ald. Macdonald said he would favor paying it as the work in question was used by citizens generally.

The council divided as follows on the matter:

For paying—Ald. Munro, Ald. Perry, Ald. Mackenzie and Ald. Macdonald.

Against—Ald. Stephens, Ald. Collart and Ald. Smith.

Ald. Currie was absent.

CITY GIVES LUMBER TO SWIMMING CLUB

Old Plank From Hays Creek Bridge to be Used in Making Repairs at Salt Lakes

A request from the Prince Rupert Swimming Club that the city give old lumber from the Hays Creek bridge for use at the Salt Lakes in making repairs to the floats, etc., was granted by the council last night. Contractor E. H. Shockley, who made the request, was empowered to dispose of 2,000 feet of the old lumber accordingly. Appearing as a delegation with Mr. Shockley were David Thomson and A. T. Parkin.

Mr. Shockley said the lumber would be dropped into Hays Creek from the bridge and floated into the harbor through the dry dock culvert.

BROTHER OF LOCAL MAN IS AN ARTIST

Peter Balagno Designed First Prize Float at Victoria Maytime Frolic Pageant

The float of the Order of United Commercial Travellers, one of the most striking and artistic which was entered in the Maytime Frolic Pageant at Victoria recently, was designed and executed by Peter J. Balagno, artist brother of Charles Balagno, of this city. It took first prize in the competition for business floats. Representing many Victoria wholesale firms, the float was the first that was ever entered by the Order of United Commercial Travellers in Victoria.

"I consider it a great honor to walk away with first prize but I will put out a word-beater for the Order next year," stated Mr. Balagno.

The float was Egyptian in character. Four massive square pillars supported four arches with abutting projections. Immediately below was the large crescent emblem of the Order and inside was a throne all set off with a wealth of color and decoration, including palms and other tropical foliage.

Miss Josephine P. Balagno, sister of Mr. Balagno, assisted in the designing.

In the Letter Box

FREEMAN COMPLAINS

Editor Daily News.

For your information I will call your attention to our shipping laws. Under the act all vessels are classed on this coast as one, two, three, four, Class 1 is

coastwise for ocean passenger traffic and takes in most of the two American continental-Pacific coastline. Class 2, is for passenger vessels plying between points not more than 100 miles between harbors. Class 3, is for sheltered waters passenger traffic. Class 4 is freight and tow boat service. The Narbethong is equipped for Class 2 according to the inspectors' written statement. I have applied for a license under Class 2, 3 and 4, to operate my boat to Stewart. I have been granted a license under Class 3 for four months, but while the law is definite in defining the duties of the inspector as well as mine, I have not been able to secure such license for the other eight months. The law says, I must have such license before I can legally operate my boat in trade or service. The law says further, the inspector must grant such license or give me a written statement showing upon what grounds license is refused. The inspector has failed to do his duty. We have now the Joy Bird, 33 foot long, under five tons; and the Dixie Rupert the same length over five tons; the "23" is a larger vessel than the Narbethong licensed under five tons, while the Narbethong is 13 tons. I have had Williams & Manson, attorneys at law, and Fisher & Oughlin, try every means within their power and knowledge to force the inspector to show just cause why the Narbethong should not be granted a license under one of the three classes. Although the waters from Skagway to Queen Charlotte Sound are properly Class 3 waters, the inspectors require vessels crossing Queen Charlotte Sound to come under the Class 2. The steamship companies have prevailed upon the inspectors to grant our licenses under the handicap of the vessels plying to Vancouver and Victoria. It was not permissible to have a local service.

HOOMES K. FREEMAN.

PORT SIMPSON HAS FINE CELEBRATION

PORT SIMPSON, June 6.—Port Simpson celebrated Victoria Day in fine style. Two big games were played, baseball and football, and this was followed by a grand masquerade ball in the evening, music being provided by Provost's orchestra of Metlakatla.

The ball game was a good exhibition between teams picked for the occasion and representing the Y.P.E.A. and the Port Simpson Athletic Club. Robert Matheson pitched for the Y.P.E.A. and Joshua McKay, catcher. For the Athletic Club Chas.

ANYOX ELKS WON IN FINAL BASEBALL GAME

Beat the Mine Team by Score of Six to Nothing in Good Bat Fest

ANYOX, June 6.—In the last game of the Anyox Baseball League, the Elks came from behind and took second place in the league, being now only one game behind the Smelter, the leading team. They won over the Mine in a bat fest, knocking the offering of the Mine pitcher to all points of the compass, getting seven real hits and a bunch of near ones. The game was won and lost on the play, the Elks playing air-tight ball behind their battery, while the Mine attack lacked generalship and the brand of ball was ragged.

At the close the score stood, Elks 6; Mine 0.

The feature of the evening's play was a pick-up by Stewart, Mine center fielder, who picked the ball almost from the dust after a hard run. While all the Elks' side played splendid baseball, Greenwell deserves special mention as he made good use of the bat and accepted a number of chances without error. Fitzpatrick pitched a splendid game, and had his team playing behind him all the way. Batteries: Elks, Fitzgerald and Cody; Mine, J. Ferguson and Greenwell. Umpires: Halls, W. Olson; bases, A. Sinclair.

The teams were:
Elks—Downs, Campbell, Cody, Greenwell, Fitzpatrick, McIntyre, McKenna, Hittaker, Thorley.
Mine—Mealey, Greenwell, C. Ferguson, Anderson, J. Ferguson, Olson, Corkle, Stewart, Allen.

TIMBER SALE X 5162.

Sealed Tenders will be received by the Minister of Lands, Victoria, not later than noon on the 14th day of June, 1923, for the purchase of Licence X 5162, to cut 420,000 feet of Hemlock, Balsam, Spruce and Cedar, on an area situated on the West Arm of Brayney Inlet, Range 2, Coast Land District.

Two (2) years will be allowed for removal of timber.
Further particulars of the Chief Forester, Victoria, B.C., or District Forester, Prince Rupert, B.C.

EXCITING MOMENTS IN FOOTBALL MATCH

Elks of Anyox Win 8 Goals to 2 Over the Mine Team in Season's Best Game

ANYOX, June 6.—By far the best game, at least from a spectator's standpoint, this season, was the game played between the Elks and the Mine teams, when the antlered herd got a victory, the result being three goals to two. The game was replete with exciting moments and considerable sensational playing on the part of members of both teams. The first goal was scored by Scott, of the Elks, on a free kick, the other two by "Baker" Robertson, who was in fine form for the event. The Mine goals were annexed by Barnes, who put in a shot which the Elks goal keeper found too fast, and the second by Currie on a penalty.

The Mine came pretty near equalizing in the last few minutes of play when they were awarded a free kick from directly in front of the goal, but Lacey made a desperate attempt to keep it out and succeeded by throwing himself at the ball as it was about to pass him a few feet distant. Evans was the referee.

The line-ups:
Elks—Lacey; Ballion and Robertson; Crawford, Scott and Greer; McKenzie, Sellars, O'Connell, Robertson and Hogben.
Mine—goal, Lange; backs, Ingraham and Pynne; half backs, Summers, Currie and Stillie; forwards, McKenzie, Valpy, Stewart, Gane and Barnes.

A letter from the Atlas Boiler Works resubmitting an old account for repairs to the street roller was received by the city council last night and referred to the Board of Works for report.

DEPARTMENT OF PUBLIC WORKS.

Notice to Contractors.

Atlin Electoral District—Stewart-Hyder Road.

SEALED TENDERS, endorsed "Tender for Stewart-Hyder Road," will be received by the Honourable the Minister of Public Works up to noon of Thursday, the 31st day of May, 1923, for the construction of approximately 1.02 miles of the Stewart-Hyder road.

Plans, specifications, contract and forms of tender may be seen on and after the 14th day of May, 1923, at the Department of Public Works, Victoria; Public Works Office, Court House, Vancouver; District Engineer's Office, Prince Rupert; Assistant District Engineer's Office, Stewart.

Copies of plans, specifications, etc., can be obtained from the Department on payment of a deposit of \$10.00, which will be refunded on return of the plans, etc., in good condition.

Each tender must be accompanied by an accepted bank cheque on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for the sum of \$3,500, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so. The cheque of the successful tenderer will be retained as security for the due and faithful performance of the work till the satisfactory completion of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in envelopes furnished. The lowest, or any tender, not necessarily accepted.

P. PHILIP, Public Works Engineer, Department of Public Works, Parliament Buildings, Victoria, B.C., May 9th, 1923.

NOTE—The time for receiving tenders for the above has been extended till Noon of Thursday, June 7th, 1923.

P. PHILIP.

TIMBER SALE X 5190.

Sealed Tenders will be received by the Minister of Lands, at Victoria, not later than noon on the 29th day of June, 1923, for the purchase of Licence X 5190, to cut 1,000,000 feet of Spruce and Hemlock and 27,500 in. ft. of Spruce and Hemlock piling on an area situated on the northeast shore of Salt Lake, Porecher Island, Range 5, Coast Land District.

Two (2) years will be allowed for removal of timber.
Further particulars of the Chief Forester, Victoria, B.C., or District Forester, Prince Rupert, B.C.

EVERYBODY ENJOYED RAINBOW CARD PARTY CHRIST CHURCH, ANYOX

ANYOX, June 6.—The Rainbow card party and dance, under the auspices of the Ladies' Aid of Christ Church, was a jolly affair, and all enjoyed themselves to the utmost, both in the competitions for the prizes, which were appropriate and smart and the dancing which concluded the evening's fun. The refreshments were particularly appreciated, being home made. The hall was tastefully decorated, the ladies devoting considerable time to this feature.

Those responsible for the affair and its success were: Cards, Mesdames Jenkinson and Selfe; Messrs. Rice and Foxley; Decorations, Miss Owens and Mesdames Kelley and Eve and P. Ryan; Refreshments, Mesdames McKnight, Kribbs, Foxley, Henderson, Watson, Booth, Jenkinson, Rice, Selfe, Miss McClelland and Mr. J. Thompson.

The committee wish to particularly thank Mr. C. Gray, secretary of the B.P.O.E. for the assistance given the various workers, the hall being donated to the ladies of the lodge for the occasion. The card winners were as follows: Whist, ladies, Miss Mary McKnight; gents, Walter Olson; Bridge, ladies, Mrs. C. McLachlan; gents, Mr. S. Armstrong.

Among those present were: Mr. and Mrs. C. Gray, Mr. and Mrs. T. Wilkinson, Mr. and Mrs. R. C. McKnight, Mr. and Mrs. J. Hart, Mr. and Mrs. Gross, Mr. and Mrs. Bert Scott, Mr. and Mrs. R. Armour, Mr. and Mrs. F. C. Rice, Mr. and Mrs. J. Foxley, Capt. and Mrs. Cameron, Mr. and Mrs. P. Barr, Mesdames, Cloke, Carey, F. Morrow, Fraser, Kerr, Nesbitt, McDonald, Eld, Morton, Davis, Willisroff, McLachlan, Rowlands, Morning, Weir, Dodd, Harrington, Selfe, Kelley, Patrick, Hollinrake, Jenkinson, Salmon, McKay, Roy, Bardwell, Clark, Deane, Shelton, Moffatt, McIntyre, Spragg; Messrs. Dransdon, Niekerson, McKewen, Moore, Humphries, Ryan, Ritchie, McKenzie, Bright, McCartney, Dodd, Brown, Wishart, Father Fleck, Green, Teabo, Wilkinson, Parmiler, Kergin, Armstrong, Murray, the Misses Laith, McKay, Rashleigh, McClelland, Russ, Harrington, Dodd, Owens, Stevens and many others.

ANYOX

The output for the Hidden Creek Mine for the period May 22 to May 28 inclusive, was 12,879 wet tons. Total output for month to May 28, 56,862 wet tons.

The Smelter returns from May 21 to May 27 inclusive, 14,336 wet tons of ore were treated at the Anyox Smelter. This was made up as follows: Anyox ore, 13,033 tons; outside ore, 1,303 tons. Average price of copper for the week, 14.75c.

The Coke Plant production, May 22 to May 28 inclusive, 1,360 short tons of coal were charged at the Coke Plant, and 960 short tons of coke were produced; 3,349 imperial gallons of light oil were recovered and 22,425 lbs. of sulphate ammonium were manufactured.

TIMBER SALE X 4620.

Sealed Tenders will be received by the Minister of Lands, at Victoria, not later than noon on the 6th day of June, 1923, for the purchase of Licence X 4620, to cut 2,165,000 feet of Spruce, Balsam, Hemlock and Cedar, on an area situated on the north shore of Long Lake, Range 2, Coast Land District.

Two (2) years will be allowed for removal of timber.
Further particulars of the Chief Forester, Victoria, B.C., or District Forester, Prince Rupert, B.C.

TIMBER SALE X 5005

Sealed Tenders will be received by the District Forester, Prince Rupert, B.C., not later than noon on the 6th day of June, 1923, for the purchase of Licence X 5005, near Burke Channel, to cut 255M. feet of sawlogs.

One (1) year will be allowed for removal of timber.
Further particulars of the Chief Forester, Victoria, B.C., or District Forester, Prince Rupert, B.C.

DYBHAVN TO VISIT VICTORIA FOR CITY

Will Interview Inspector of Municipalities and if Necessary Others Regarding Local Improvement Bylaws

While in the south, Ex-Ald. Dybhavn, who sailed last night for Vancouver and Spokane, will cross to Victoria and interview the inspector of municipalities and, if necessary, other provincial government officials in regard to Section 1 and 5 street surfacing local improvement, the passage of which, and consequently the sale of bonds, has been blocked by the inspector of municipalities on the claim that they are irregular. Ald. Stephens and Ald. Colbart last night submitted a motion to this effect providing for Mr. Dybhavn's expenses to Victoria and it was passed by the council.

The matter of the position of the bylaws was discussed. Mayor Newton said that the inspector of municipalities had again refused to pass the bylaws and had stated that special legislation would have to be effected for their ratification. Ald. Stephens thought that the lieutenant governor to council could ratify them and, if necessary, Mr. Dybhavn would meet the government.

WILSON MURRAY GETS CITY HALL POSITION

Chosen Last Night by Vote of 6 to 2 to Succeed Harry W. Birch, Resigned

On the first ballot last night by a vote of 6 to 2, William H.

Wilson-Murray was selected by the city council to fill the position in the treasurer's department recently resigned by Harry W. Birch, the new hospital secretary. There were applications from W. H. Wilson-Murray, David Wilton, W. E. Willisroff, and A. M. McRae. The first ballot resulted as follows: Murray, 6; Wilton, 1; McRae, 1.

VANDERHOOF

Miss Hilda Norcen Ellis, of Nootki Lake, and Thomas George Steele, of Vanderhoof, were married here last Saturday by Rev. William Graham. Cecil Steele was best man and Miss Ray O'Connor bridesmaid.

The home of Mr. and Mrs. I. R. Knight was completely destroyed last week by fire as a result of a kerosene lamp explosion.

Mrs. Rawson, mother of Lewis Rawson and Mrs. C. Hartley, has arrived from England.

W. J. Rimes, editor of the Neechako Chronicle, is attending the convention of the British Columbia and Yukon Press Association at Jasper Park this week.

Harry Goodwin has gone to Prince George where he will remain for the next couple of months.

Accounts for the month of May totalling \$19,876.59 were read at last night's council meeting and, on recommendation of the finance committee, were ordered paid.

GROTTO BEAT ENGLISHMEN

Senior League Football Game Resulted in Score of 3 to 2 Last Night

In a fairly good game, which was fast enough in the first half but which slackened off in the second when the heat appeared to work against the play, the Grotto won last night's Senior League football fixture over the Sons of England by a score of 3 to 2.

Playing down hill with the light and wind in their favor, the Grotto beat the edge of the play in the first although met with a good measure of defence at the hands of the Englishmen. The first score came for the Grotto through Erskine and the second when Lambie backed the leather into his own goal.

In the second half the Grotto again scored first through Joyce. The two for the Englishmen then came from Farquhar and Tinker. Play in the second half was listless but even.

G. S. Russell was referee. A. Clapperton and D. Jack acted as linesmen and the teams took the field as follows:

Sons of England—Hemmons, Darton and Lambie; Shaw, Kelsey and E. Craggy; Hill, Hodgkinson, Tinker, P. Cameron and Farquhar.

Grotto—Gawthorn; Hamilton and Waugh; Jackson, Roy and J. M. Campbell; Joyce, McGowan, Erskine, Campbell and Andrews.

Team standing to date:

W. D. L. Pts.

Grotto 2 0 1 4

FALCONS BEAT WHITE SOX IN BATTING BEE

Junior League Game Last Night Resulted in Score of 25 to 11

The Junior Leaguers staged a slugging bee at McBride Street last night and the Falcons emerged winners of the league fixture by a score of 25 to 11, thus taking first place in the league standing and relegating their opponents to the cellar.

P. Laporte was umpire and the teams lined up as follows: Falcons—G. Edgar, c., V. Meagher, p., L. McKinnon, lb., Jack McNulty, 2b., B. Kelly, ss., C. McKinnon, 3b., A. Johnson, lf., E. Vager, rf., Jim McNulty, cf.

White Sox—S. Gurvich, c., D. Gurvich, p., W. Wrathall, lb., J. Martin, 2b., N. Chenowski, ss., M. Vogel, 3b., E. Katsuyama, rf., Y. Katsuyama, cf., G. Brochu, lf.

There will be another Junior League game tonight between the Falcons and Boy Scouts.

League standing:

W. L. Pct.

Falcons 3 2 600

Boy Scouts 2 2 500

White Sox 2 3 400

White spring, 22 cwt.

Cohoos, 2 cwt.

FOUND WONDERFUL RELIEF FROM CONSTIPATION BY USING Milburn's Laxa-Liver Pills

Constipation is one of the most prevalent troubles the human race is subject to, and is the greatest cause of many of our ailments, for if the bowels cease to perform their proper functions all the other organs will become deranged.

Keep your bowels working gently and naturally by the use of Milburn's Laxa-Liver Pills, and thus do away with constipation and all other troubles caused by it.

Mrs. A. B. Spence, Springhill, N. S., writes:—"I have suffered for some time from constipation, and was advised by a friend to try Milburn's Laxa-Liver Pills. After taking a box of them I have found wonderful relief, and would advise all those who are constipated to give them a trial, for I feel sure they will also receive the same benefit I did."

Classics. Two of these, the Two Thousand Guineas and One Thousand Guineas, were run at Newmarket a month ago while the Oaks, run on the Derby course on Friday this week and the St. Ledger, run at Doncaster in September, complete the series. This is the 110th renewal of the Derby and 87 horses were entered including King George's Swindery and Lord Lascelles' Patras. Lord Wollington's Town Guard, B. Irish's Papyrus and Lord Roseberry's Ellangowan were the last minute favorites.

There will be no more boxing in the New York Yankee stadium. This decision follows the assumption of full ownership of the club by Jacob Ruppert. Col. Ruppert, at the last meeting of the American League, expressed his opposition to boxing in ball parks and said he would not have consented to the Milk Fund show being held in the Yank Stadium had he not been inveigled into it under the guise of charity. The ban on bouts at the Yankees' park strikes a blow at the plans of promoters for outdoor shows this summer. The Giants' park where the Kilbane-Crigui fight was staged last week, is still available but there is a possibility that Stoneham will follow the lead of Ruppert and close the Polo grounds to boxing. The two sports do not mix well, according to baseball authorities who are seeking to divorce the ring game from any further connection with the ball parks.

SWIMMING POND FOR CHILDREN IN CITY

Board of Works to Look Into Possibilities at Acropolis and Morse Creek

Ald. Macdonald brought up the question of a swimming pond in the city for children at last night's council meeting. He said that he had been told that the providing of such was possible by using the overflow from the Acropolis reservoir. He would like to have the city engineer investigate. Local citizens were prepared to do the work and it would cost the city nothing.

Mayor Newton ordered that the board of works look into the matter. Morse Creek was another possible site that might be used for the purpose.

FISH ARRIVALS

Halibut arrivals were light this morning only 15,000 pounds being offered.

Arrivals and sales:

American

Rennell, 3,000 pounds, at 13.25 and 10c, to the Canadian Fish & Cold Storage Co.

MUCH TALENT AT PAGEANT

Baptist Church Missionary Affairs Last Night Proved Great Success

The anniversary services of the Baptist Church were continued last night when a pageant depicting phases of mission work in several different countries were given. The building was filled to capacity and all present were delighted with the entertainment submitted. The program was:

Prologue by Ladies' Aid.

Episode 1. A Scene in Alaska. Mrs. Hibbard's class.

Episode 2. Mission work in Japan. Mrs. Newell's class.

Episode 3. Missionary recalled. Mr. Box's class.

Episode 4. A school-room in India. Mrs. Hamlin's class.

Episode 5. Hospital work in China. Miss Dawson's class.

Episode 6. The call to higher life in Porto Rico. Miss Dawson's class.

During the evening songs were sung in Japanese by a class from the local mission and were enjoyed. Recitations by little Miss B. Berner and Mrs. Hibbard were ably given and well received.

Mrs. G. P. McMillan ably rendered the solo "Into a Tent," W. Vaughan Davies suitably accompanying. Another pleasing item was a short address and a Pauline Johnson reading by Mrs. Tomlinson, missionary to Kispix Indians. Misses Vera Shockley and Jean Grieve, acceptably rendered a vocal duet "Keep Busy."

An epilogue by Ladies' Aid concluded the program, the benediction being pronounced by the pastor, Jas. J. Smithson, who presided and had charge of arrangements. The evenings offering was liberal, totalling over \$33.00.

Mrs. Lemon accompanied the songs by the children, who richly earned the special vote of thanks accorded them.

To the Ladies' Aid much praise is due for help given in making evening the unqualified success it was.

SWIMMING POND FOR CHILDREN IN CITY

Board of Works to Look Into Possibilities at Acropolis and Morse Creek

Ald. Macdonald brought up the question of a swimming pond in the city for children at last night's council meeting. He said that he had been told that the providing of such was possible by using the overflow from the Acropolis reservoir. He would like to have the city engineer investigate. Local citizens were prepared to do the work and it would cost the city nothing.

Mayor Newton ordered that the board of works look into the matter. Morse Creek was another possible site that might be used for the purpose.
