ONTARIO BANDIT KILLS ANOTHER OFFICER

SAID TO HAVE ADVANTAGE OF POSITION, VICTORIA HAS NO FISH BUSINESS

Provincial Sergeant Shot Dead Allegedly by Hunted Desperado

TORONTO, May 30.—Sergeant John Urquhart, of the Ontario provincial police, was shot dead at North Bay early this morning presumably by Leo Rogers, the hunted desperado who escaped from the North Bay jail two weeks ago. Sergeant Urquhart is the second officer to be slain by Rogers, Town Constable Fred Lefebvre having been the first victim.

The police were watching the house of Rogers' father during the night and saw their man enter. They surrounded the place and Urquhart went to the front door where he was slaying instantly. Rogers escaped, but the police are hot on his trail and it is believed that he is now surrounded in the bush.

The escape of Rogers, emphasized by his desperate actions since, is likely to cause a considerable shaking up in the law enforcement organization of the North Bay district. Provincial Constable Altman has already been dismissed for breach of regulations and the appointment of a new sheriff is also said to be on the state.

RAILROAD IS EARNING MORE

Net Earnings in April 326 Per Cent Better Than One Year Ago

MONTREAL, May 30.—The earnings for the month of April of the Canadian National Railway system, including the Grand Trunk and Central Vermont railways, show an increase.

Receipts for April of this year amount to \$24,056,342, an increase of \$5,577,344 or 37.9 per cent over April 1922. The system paid out in expenses for April \$18,826,000, being \$2,582,167, or 15.9 per cent in excess of the month of April, 1922.

The net earnings for April, 1923, were \$2,230,341, representing an increase of 326.78 per cent over April, 1922, when the national system had an operational deficit of \$974,865.

WOULD REMOVE PENSION BOARD

Victoria Public Meeting Passed Resolution Calling Upon Government to do so

VICTORIA, May 30.—A meeting of citizens passed a resolution, moved by Bishop Schofield, and seconded by Ald. Woodward, calling on the Dominion government to remove the soldiers' pension board.

The action was taken following address by H. Despard Twigg on the actions of the pension board. Mr. Twigg quoted cases of harsh treatment of rejected men by the board.

CULIAR FISH IS LANDED HERE

Like Snake, Head Like Raven, and Teeth Like Saw Blade

A freak fish was landed by the Canadian schooner P. Dorreen this morning and is on display in the window of the Prince Rupert Fish Market. The body is like a snake measuring over four feet in length, and the head resembles that of a raven with a long beak-like mouth. The teeth are about six inch long and resemble a saw blade. The fins on the back are like large silk fans and are colorable.

It is a most remarkable specimen of fish and nothing like it has ever been landed here before. It cannot be named, although a number of fishermen have seen those who catch the gambling fish become sick financially.

FORMER EDMONTON POSTMASTER FREE

EDMONTON, May 30.—George Armstrong, former mayor and postmaster of Edmonton, has been acquitted of the charge of complicity in the theft of registered packages containing \$50,000 in bank bills. The jury was only out for ten minutes yesterday at the end of the trial which lasted for several weeks.

THORNTON ON SHIP BOARD

Matter Was Discussed in House of Commons Yesterday, Mr. Meighen Criticising

OTTAWA, May 30.—Acceptance by Sir Henry Thornton, president of the Canadian National Railways, of a seat on the board of directors of the Canada Steamship Lines was given for reasons obvious to men engaged in transportation. Hon. George P. Graham, minister of railways, stated in the House of Commons yesterday afternoon. There were trade arrangements between the two organizations which made it desirable for Sir Henry to have representation on the steamship company's board, Mr. Graham said. Sir Henry's predecessor, G. B. Hanna, had also occupied a seat on this board.

Hon. Arthur Meighen, leader of the opposition, who questioned the government, remarked that the fact Mr. Hanna had occupied a seat on the board was given as a reason by Premier King why Sir Henry should not sit on the Canada Steamship Board.

TURNBULL IS IN VICTORIA

Former Prince Rupert Man Going to Enter Lumber Business in Montreal

VICTORIA, May 30.—William Turnbull, who has been secretary to Agent General F. C. Wade in London, is in the city but leaves soon to enter business for himself in the lumber line in Montreal.

Mr. Turnbull says that too much cannot be said for the work Agent General Wade is doing for British Columbia, in fact for the whole of Canada, in Great Britain.

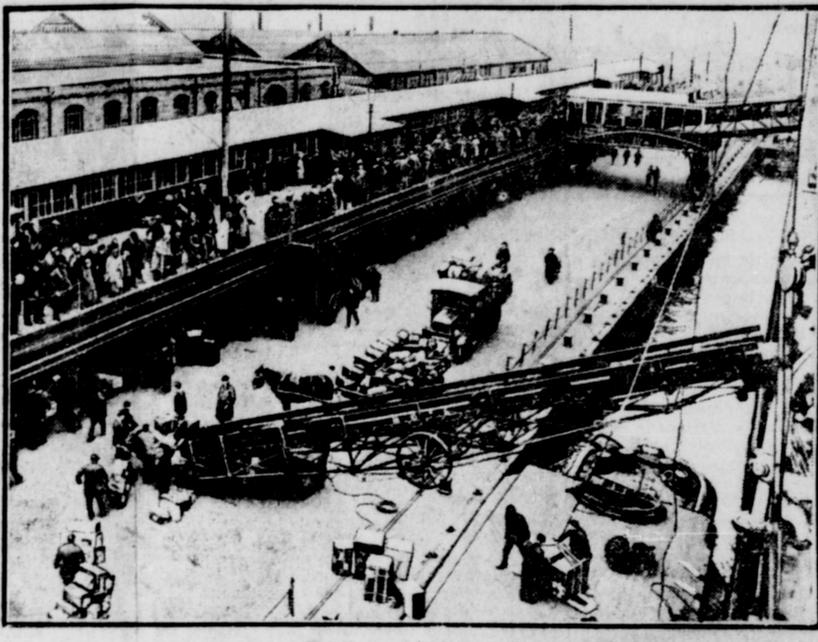

He states that there is plenty of London money seeking investment but London investors are always timid and have to be shown.

BELLINGHAM IN WITH HALIBUT

Ketchikan Motorship Brings Carload of Fish For C.N.R. Delivery to Pittsburg

The motorship Bellingham, Capt. Williams, arrived in port this morning from Ketchikan with a carload of fresh halibut consigned in bond to Pittsburg. The shipment was unloaded from the Bellingham and packed in the refrigerator car by the Royal Fish Co.

New Canadians Start For Canada

A Busy Scene at the Liverpool Dock.

THE facilities for handling outward bound passengers at the Canadian Pacific dock at Liverpool, England, are as perfect and speedy as any in the world. As will be seen from the picture above of future Canadian citizens boarding the "Montcalm", the travellers pass from the street and railway station levels to waiting rooms on the dock side, and crossing the bridged wharf, board the ship by the saloon deck where they are received and assigned to quarters. Their baggage is handled from below and with despatch. A travelling belt carrier operated by an electric dynamo eliminates the necessity of many noisy and slow moving winch hoists which, when used and not too carefully operated, are the cause of many trunks and boxes being damaged, so that the baggage is carefully loaded and distributed almost as quickly as the passengers are received. It is usually planned to have all the passengers aboard at least half an hour before sailing time, and the gangway is down for their reception about three hours before that time unless special trains are scheduled to arrive earlier.

As for other dock-side facilities, the Montcalm commenced to take on coal and discharge cargo, mostly package freight, at six o'clock of the morning of a recent arrival. By 2.45 in the afternoon she had taken 1,000 tons of coal into her side bunkers, and at the same time she was unloading 1,700 tons of freight, this being discharged by 7.15 the same evening.

THORNTON LEAVES FOR WEST JUNE 11

Sir Henry Thornton will leave Montreal on June 11 on his western tour, according to advices received by F. G. Dawson, C.N.R. director. Pending his decision as to what points he will visit on his way West, the exact date of Sir Henry's arrival here is not yet known. It is expected, however, that he will reach the city some time between June 20 and 23.

Oriental Control in Victoria Prevents Port's Participation in Fishing Industry of Coast

VICTORIA, May 30.—An investigation of Victoria's fresh fish supply and its manipulation by Chinese dealers is needed, Dr. Arthur G. Price, medical health officer, declares.

Dr. Price says that the fresh fish business of the city is entirely dominated by Chinese and that, so long as this condition prevails, the white people cannot attempt to compete in operating the fishing fleet out of Victoria with any prospect of success.

"Although Victoria has a natural location such as to make her one of the largest fishing centres on the Pacific coast, we find that during the greater part of the year there are no white men engaged in the fishing industry," states Dr. Price. "There is hardly a single vessel plying regularly out of Victoria in the fish trade and nearly all those operating on the west coast of Vancouver Island pass up the Victoria market altogether and go to Vancouver or Seattle before opening their hatches. Thus, instead of being headquarters for the fish trade Victoria is not even a way port for the fishing fleet."

"The reason for this situation, in my opinion, is that the fresh fish business of Victoria is almost entirely in the hands of Orientals who are able to operate at such low cost owing to their lower standard of living preventing successful competition by white men."

VILLAGE OF VERNER, ONTARIO, BURNED OUT

Disasterous Fire Destroys Business Section But No Lives Were Lost

Information Reaches New York That Captain of Wrecked Liquor Lugger is Alive

RESPONSIBILITY FOR DEATHS IS CHARGED

NEW YORK, May 30.—With the news that Capt. Malcolm Carmichael, master of the rum lugger John Dwight, believed drowned when his craft sunk off the Massachusetts coast in April, has been seen in Havana recently and certain other information brought to the notice of the authorities, a search will now be made for Carmichael and his associates charging them with responsibility for the death of eight members of the Dwight's crew whose bodies were washed ashore and also for the death of James Craven, a liquor dealer, who was aboard the Dwight with \$100,000 in his money belt which was missing when his mutilated body was washed ashore.

PARIS BLOCK NOT APPROVED

Minister of Railways Answers Meighen's Question Regarding Reported Purchase

OTTAWA, May 30.—Approval of the government has not yet been given for the purchase of a large block in Paris at a cost in the neighborhood of \$2,000,000 for the Canadian National Railways. Hon. George P. Graham, minister of railways, stated in the House of Commons yesterday afternoon when his attention was drawn by Rt. Hon. Arthur Meighen, leader of the opposition, to a press report saying that Sir Henry Thornton, president of the C.N.R. had purchased the block.

Mr. Graham said, however, the Canadian National board had been doing something toward the obtaining of suitable quarters in Paris which could be used by the branches of the government as well as the railway.

DAILY EDITION

**Sir Henry Thornton
And Canada.**

In presenting his first general report on the activities and prospects of the Canadian National Railways, Sir Henry Thornton certainly does not give rise to any false hopes as to an early solution of Canada's railway problems or an immediate removal of all deficits caused by operation. He admits that time will be needed to bring about successful administration which is usually measured in financial returns.

Sir Henry looks for no immediate increase in the system's net earnings although the company is now after business in such a manner as it never was before. Following the spirit of the times in Canada, Sir Henry and the new directorate are, however, taking another tack with a view to decreasing the responsibility of railway operation to the nation. That is by reducing costs as far as possible. The first step in this direction, the elimination of double costs by amalgamation of paralleled expenses, is now well advanced. Unnecessaries are being cut out and no new capital expenditure is being undertaken unless it shows undisputed promise of paying back.

By refusing to burst into any vein of optimism, Sir Henry will perhaps gain further confidence at the hands of the people than he would if he filled the air with joyous hopes. A man of affairs and vision, he has not shown the faculty of making promises. Already, as Prince Rupert knows, he has instilled the cultivation of that attitude in certain of his lieutenants. And it is right. Prince Rupert people—indeed people of Western Canada generally—have too long been ready to accept an ambitious line of talk and promises that never amounted to anything. With a new method of doing business adopted by those who more or less control our destinies, we will at least know where we stand and when something is told us, we may be better able to build on it.

**Sir Henry And
Prince Rupert.**

In carrying out a business-like policy of administration, sectionalism, as Sir Henry has already stated, must be forgotten and local claims or grievances must be submerged, for the meantime at least, in the effort towards the common good of Canada. This does not mean, however, that nothing in the way of further investment may be expected. If it is justified, Sir Henry and his colleagues will doubtless come to see it and everything along this line should be persistently pressed to the utmost.

As far as Prince Rupert and the local district is concerned, we look expectantly to Sir Henry's visit, for nothing definite in the nature of new developments can very well be looked for until he has been here and studied the situation. He will soon be here and it is time that the local organizations who intend to lay the city's case before him were finally preparing. The city council has its business in hand and the board of trade has been working for some time. No effort should be spared in submitting every claim that the city has, for it has many good ones. Treat Sir Henry in a business-like manner and he will do the same in return. There should, however, be no wasted effort and his time should not be taken up in petty talk and chatter.

If he makes any promises in Prince Rupert, Sir Henry will be breaking his precedent of the past. He will, doubtless, however, be impressed with what he sees and hears here, and his actions in regard to the place will be governed by what he honestly deems necessary and expedient. Circumstances and conditions at the present time are not satisfactory to us here and it is to be expected that Sir Henry will not be any more satisfied than we are. Therefore, good and beneficial results to the city and district, through a more progressive policy of railway operation, may be expected as a result of the first visit of the president to the northerly Pacific terminus of the Canadian National Railways.

**"I Was Terribly Weak

Mrs. H. McClure, Norwood, Ont., writes:

"After my baby was born, I was terribly weak and run down, with pains across my back. I had heard so much of Dr. Chase's Nerve Food that I decided to try it. Three boxes proved enough to make me quite strong and well again. I also used Dr. Chase's Ointment for a rash which broke out on the baby, and the rash disappeared completely in a short time."

**AT TELKWA ON
VICTORIA DAY**

Hub of Bulkley Valley Was Dressed in Best—Horse Races a Feature

TELKWA, May 30. — Victoria Day was celebrated in Telkwa with the Jockey Club sports. It was a lovely day and Telkwa—pretty at all times—looked more so in nature's garb of fresh green. Visitors from many points up and down the line arrived on the morning trains to enjoy the day with Telkwa friends.

At 2 o'clock Smithers and Telkwa played baseball. The game was a good one and kept everyone on the alert. The visiting team carried off the honors, the score being 9-3.

Horse Races

Next came the horse races, the winners being as follows:
Green Race—Roy Wakefield.
Indian Race—Batisse.
Pony Race—Roy Wakefield.
Gentlemen's Race—Roy Wakefield.
Telkwa Cup Derby—Tom Owens.

The races were all interesting ones and excitement was general. The Telkwa Cup race was very close between Wakefield's "Queen" and Owens on Faulkenor's "Warrior." Queen was ahead until half of the second lap, when Warrior overtook him and finished first.

A grand dance in the evening concluded the day's enjoyment.

In the Letter Box

BRITISH RAILWAYS

Editor Daily News:

Dear Sir,—In your issue of May 18, I notice the remarks made by Lt.-Col. R. N. Stewart, O.B.E., respecting the lack of courtesy of British railway officials and employees compared with those of this country. I wish to refute the remarks made by that gentleman as being inconsistent and ridiculous in the extreme.

The general consensus of opinion of persons visiting Great Britain from the various parts of the world is that railway officials and employees generally are very courteous and attentive to all passengers travelling on the various railways and steamship lines, etc. There is no discrimination as exists in Canada, and it makes no difference there whether a person be rich or poor. They all receive polite attention which some of our railwaymen could well afford to emulate.

I have heard many comments made by those who have visited Great Britain and have read many opinions that have been expressed in the most important papers circulated throughout the civilized world. They all practically express themselves as being highly pleased with the manner in which they are treated and the general courtesy shown them when visiting the Old Country.

Probably the Colonel did not think the people of Great Britain made "fuss" enough of him, but you know Colonels are very common now-a-days and they are not taken seriously in such a democratic country as that. They have no time to discriminate, but show courtesy to everyone. That is the experience of most people at any rate.

Quit Slinging Mud

I think it is high time for Canadians and others to quit making such odious remarks and to cut out mud slinging at the people of Great Britain. This seems to be the slogan of many Canadians.

Americans are far more appreciative of Great Britain than Canadians. There is nothing to be gained by such tactics. I was not aware that Canadians were infallible, but they can well afford to copy the well trained methods and courtesy of the people of Great Britain.

There is a saying that "a man hath no honor in his own country," perhaps this is what galls the gallant colonel.

CALL TO NORTH

Editor Daily News.

The object of this letter is to draw the attention of any enter-

prising young men and earnest capitalists to the possibilities of this part of the north.

The climate is good and the resources are immense in mineral timber and agricultural land. Nearly every stream can be utilized for power. I have been over this continent a good deal and, in these two valleys, Kitsumkaium and Lakelse, is some of the best pulp and paper propositions I have seen. These valleys are timbered with spruce, hemlock, cottonwood and the finest cedar poles in the world.

Therefore, young men, make this part of British Columbia your home, make the vision and undertaking of the great statesman, Sir Wilfrid Laurier, come true.

We pioneers are getting fed up with the present speculators who have held undeveloped a large part of the resources. Surely those quitters have waited long enough for the days of manna to come. So come you native sons and others to this great part of the north where much wealth lies hidden for the ones who are willing to toil.

S. K. HEPPELL,
Terrace.

Had Constipation for 6 Months Was Relieved by Milburn's Laxa-Liver Pills

A free motion of the bowels daily should be the rule of everyone, then there will be no constipation, sick or bilious spells, heartburn, foul breath, sour stomach, etc.

Milburn's Laxa-Liver Pills will regulate the flow of bile to act properly on the bowels, thus making them active and regular, removing the constipation and all its allied troubles.

Mrs. R. C. Hunt, Port George, N. S., writes: "I have been troubled by being constipated for the last six months."

"My tongue has been terribly coated, so much so that it made my breath bad. I was talking to a friend about it, and she advised me to use Milburn's Laxa-Liver Pills, which I did, and now I am perfectly well. My tongue is as smooth as it was before I got that way, and I owe it all to your Pills, of which, I only used two vials."

Price 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

It contains no "cylinder stock." Because it's pure it reduces carbon troubles, and after hundreds of miles it retains its lubricating qualities. If you could test Sunoco that's been used 800 miles, comparing it with ordinary oil used for the same distance, you'd see the difference. Many mechanics can feel the difference. COLTS WINNERS OPENING GAME

Intermediate Baseball League Started Last Night—Score 20-13.

On the Acropolis Hill grounds last night the Colts defeated the High School by a score of 20-13 in the opening game of the Intermediate Baseball League. The number of runs scored was accounted for by heavy hitting but the fielding was of high order. Spectacular catches were made by T. Fraser in the second innings and by H. Hibbard in the eighth innings. The game was called in the eighth owing to darkness.

The teams lined-up as follows: Colts—C. Budenich, c; D. Frizell, p; J. Kelly, 1b; H. Gawthorn, 2b; S. Anderson, ss; G. Bulger, 3b; H. Hibbard, lf; T. Fraser, cf; J. Simms, rf.

High School—J. Kask, c; N. Stevens, p; W. Kergin, p; Lee Gordon, 1b; S. Suga, 2b; A. Mitchell, ss; W. Cavalier, 3b; P. Black, lf; T. Teddy, cf; H. Ward, rf.

P. Laporte was umpire of balls and strikes and J. Batchford umpired the bases.

The Colts scored three runs in the first inning, 1 in the second, 5 in the third, 4 in the fourth, none in the fifth, 3 in the sixth, 2 in the seventh and 2 in the eighth.

The High School scored 2 runs in the first innings, 3 in the second, the next two innings were shut-outs, 2 in the fifth, 3 in the sixth, 3 in the seventh and 4 in the eighth.

CAPTURE BARES RING OF DOPE SMUGGLERS

Police Claim Gasoline Launches Used to Transport Drugs Across U.S. Border

KENORA, May 29.—Arrest of Denny Baker, alleged drug peddler, at International Falls, bares what Canadian and United States police describe as one of the most gigantic dope-smuggling schemes in history between Canada and the United States.

Gasoline launches plying across Lake Superior and Rainy Lake carry narcotics from Fort Frances and Port Arthur to the border and thence into Minnesota, where they are peddled through the northwestern states, according to police.

Orders were sent through the mail to Baker, it is charged, and these are coded to decoy police. "Five dollars' worth of Mabel" was one order, which, it is revealed, meant morphine. "Clarence" was used to refer to cocaine.

Quantities of morphine and other drugs were received at the general delivery wicket of the post office. They were packed in neatly-folded plain paper wrappers. Eighty dollars an ounce was the average price charged by Baker, according to the police.

That the Rainy River district was the base of drug supply for the northwestern states is alleged by American police, although they have not tracked the source. Baker's arrest resulted from information laid with police by a former pal, who aided sleuths in their tracing of him.

FAIR WARNING

A feminine voice was heard from the steps of a crowded car: "Oh, get in, dear, someone will give you a seat." The next moment two young women entered.

The men were on their mettle. They read papers sternly.

After Every Meal WRIGLEYS

Chew your food well, then use WRIGLEYS to aid digestion. It also keeps the teeth clean, breath sweet, appetite keen.

The Great Canadian Sweetmeat

Those who had no papers closed their eyes and pretended to slumber.

The too-certain women glanced down the car in vain. The car went on for half a mile and then a man alighted.

"There's a seat for one," said the conductor.

"Don't take it, dear," said one of the young women, "some man will want it."

In the moment of defeat she triumphed.—Pittsburg Sun.

GERMAN GOLD IN BANK OF ENGLAND

Reichsbank Raises Deposit From 65,000,000 to 200,000,000 Marks

LONDON, May 29.—The Reichsbank has raised its deposit of gold in the Bank of England from 65,000,000 to 200,000,000 gold marks, meantime keeping 100,000,000 in Switzerland. Thus far these deposits are not pledged against loans. If, however, the bear pressure on the mark which developed recently should be renewed the Reichsbank will undoubtedly borrow foreign exchange bills on the security of these gold balances.

Meantime the currency situation in general is unchanged. At Hamburg, a new "gold mark bank" has been founded, under the title, "The Deutsche Standard Bank." Max Warburg of Hamburg makes the suggestion that an official market for discounting in futures for the new gold Treasury bills should be established.

Alfred Lansburgh, whose discussions of the currency situation have attracted wide attention has taken somewhat new ground regarding the prospects of restoring gold currencies in Europe generally. He declares that when the United States through its own deflation led to the fall in prices during 1921, it materially increased the difficulty for paper-currency countries to return to the gold standard.

His further conclusion is that light west wind; barometer 29.92; temperature 51; light swell; 8 p.m. spoke steamer Anyox cross-

Here and There

48,000,000 bushels of grain awaited the opening of navigation at Fort William and Port Arthur this spring.

Flood conditions in New Brunswick and Maine this spring were the worst since 1887.

Damage to Canadian Pacific property in Western Canada by floods this spring amounted to approximately \$200,000.

Calgary is the leading telephone city on the continent with one instrument to every 4.10 persons. The phones in this city are automatic.

The per capita debt of Canada is approximately \$165, as compared with \$230 for the United States, \$750 for Great Britain, \$850 for France and \$250 for Australia.

Canadian Pacific steamers "Marlech" and "Metagama" docked at St. John with over 600 Hebridean immigrants to Red Deer, Alberta, and various parts of Ontario.

The 1923 camp of the Alpine Club of Canada will be pitched in Larch Valley, near Moraine Lake, nine miles from Lake Louise in the Canadian Pacific Rockies.

Travelling 572 knots in twenty-four hours, an average of from 23 to 24 knots per hour, the Canadian Pacific liner "Empress of Canada" recently established a record for commercial vessels on the Pacific.

The last link in the great 6,500 mile scenic tour through Western Canada and the United States will be thrown open to traffic on June 30th when the Banff-Windermere Motor Highway will be officially opened.

A car of timothy and grass seed arrived in Vancouver via Canada Pacific Railway from Toronto ten days after an order had been wired to the Ontario Capital. This constitutes a record in service.

In architectural style the new Basilica at St. Anne de Beaupre will be a combination of the Roman and the Gothic. The steeples in front will be 225 feet high and including those in the chapels the new Basilica will contain twenty-six altars.

The honor of running the first ship into Montreal harbor from the ocean fell this year to Captain Edmund Aikman, commander of the Canadian Pacific steamer "Hollingsbroke," a freighter. The "Montrose" of the same line was the first vessel to carry trans-Atlantic passengers into the port in 1923.

The number of strikes and lock-outs in Canada during 1922 was 85. The number of working men involved in the strikes was 41,050 and the number of working days lost 1,975,276. Approximately fifty per cent of the time lost was in connection with the strikes of the coal miners in Alberta and British Columbia which lasted from April till the end of August.

Topping the grain shipments from St. John of the 1921-22 winter season by almost four million bushels and establishing a record for the port for volume in a single shipment for one vessel, the 1922-23 grain business through the Canadian Pacific elevators up to May 1st totalled 15,249,261 bushels. The single shipment record was made on an all-wheat cargo of 359,793 bushels.

SPECTACULAR ANYOX DANCE

Oriental Night Staged by Elks Outstanding Feature of Season

ANYOX, May 30.—The Elks' recent Oriental Night here was an outstanding feature of a season plentifully supplied with social functions of a high order. Initiative and courage was necessary to undertake and carry to a successful conclusion an entertainment of such an ambitious nature as this one proved to be. One might easily have imagined that Aladdin, who was represented among the dancers, had rubbed his magic lamp to good purpose and conjured up the animated picture which was presented. From 9 until 3 the hall was brilliant with an ever-changing riot of color as the rich costumes of the dancers moved about.

All the fanciful garbs worn by men and womenkind from the wastes of the North African deserts to the lands washed by the waves of the Gulf of Tartary were in evidence, and the decorations were in keeping with the costumes while, to add an intensely realistic touch to the entertainment, a real band of Oriental musicians was brought together and discoursed sounds dear to the eastern heart. This was only by the way, however, for a much-augmented orchestra under Geo. Liddell left nothing to be desired in the matter of occidental dance music.

Alice Arm Novelty
During the course of the evening, a novelty was introduced by the Misses Bruggy, of Alice Arm, daughters of Mr. and Mrs. Geo. Bruggy. These two little girls rendered an Irish jig and the Highland Fling in such a manner as to win a great deal of applause.

To select the winners the judges had no easy task. Those obtaining the prizes were:
Best costumed lady—Miss Margery McDonald, Empress of China.
Best costumed gentleman—G. Parnitter, Aladdin.
Best sustained lady character—Miss Stewart.
Best sustained gentleman character—Charles Grey, Xerxes.
Best home-made costume, lady—Miss E. Russ, Egyptian Lady.
Best home-made costume, gentleman—P. Barr, Punjabi Officer.

The judges were Dr. and Mrs. Whelan, Dr. and Mrs. Learoyd, Mr. and Mrs. Geo. Bruggy, and Mr. and Mrs. F. M. Kelley.
Costumes worthy of special mention were those worn by Mrs. Loseke, Miss Thompson, Mr. Gibb and Mr. Boiek.
The committee responsible for the affair consisted of Harry Thorley, A. S. Nickerson, A. Lafortune, Art. Pound, F. Whittaker, P. Draudson, and S. Downs.

Those in Costume
Among those in costume were the following—Mrs. H. Chapman, lady of the harem; Mrs. J. Green, Caled Nile dancer; Mrs. C. Gray, queen of the harem; Mrs. W. B. Henderson, Turkish lady; Mrs. J. McDonald, Amazon; Mrs. Stanley, Chinese bride; Mrs. C. Salmon, Hindu princess; Mrs. C. Davis, Egyptian lady; Mrs. C. McLaughlin, Eastern lady; Mrs. D. Deane, Turkish lady; Mrs. P. Barr, Hindu lady; Mrs. G. Thompson, Turkish lady; Mrs. Loseke, Eastern princess; Miss Ted Hazlett, Chinese lady; Miss M. McDonald, Empress of China;

BIG TIME FOR ANYOX KIDDIES

Victoria Day Celebration Entire Success—Many Roles and Novelties

ANYOX, May 30.—Under the happiest of conditions, the kiddies of Anyox celebrated Empire Day. The weather man provided an ideal afternoon and, long before the time set for the commencement of the sports program and the dispensing of the good things that were so plentifully arranged for, the smiling-faced and eager youngsters began to gather at the ball grounds where the fun was staged.
The afternoon opened with a distribution of flags to everyone present, followed by the raising of the Red Ensign by little Miss Cloke, while the children all gathered around and joined in the singing of "O Canada." The sports program then followed, the Anyox brass band discoursing appropriate music throughout the afternoon.

The celebration was organized at short notice by the secretary of the league, who was ably assisted by the following ladies: Mesdames Dwyer, Cloke, Grogan, Esplin Kelley, Selfe, Henderson, and Miss D. Bowes.

Handing the sports were the following gentlemen: Starters, Principal Manzer, of the High School, and J. Esplin; stewards, R. Armour, W. Robertson, H. J. Southam and S. Spragg; girls' baseball umpires, F. Harrington and T. Swanson; boys' football referee, J. Lange.

Winners of Races
The complete program and list of winners follows:
Girls under four—J. Daisy Foxley; 2, Lily Barclay; 3, Dinty Salmon.
Boys under four—Albert Cantalini, Sid Shelton, Bobby Sanico.
Girls under six—May, Barclay, Agnes Scott, Emma Salmon.
Boys under six—Hughie Johnson, Billie Wilson, Ludie Zitko.
Girls under eight—Dora Grigg, Phyllis Sloan, Katie Morrison.
Boys under eight—Sidney Brown, Danny McDonald, James Patrick.
Girls under ten—M. Grimaldi, Edna Herrin, Agnes Kreuzick.
Boys under ten—Angus Morrison, Harold Brown, John Gillies.
Girls under twelve—Bonnie Chapman, Jean Moffatt, Olive Selfe.
Boys under twelve—Jack Barclay, Willie Cloke, Ronald Herrin.
Girls under 14—Annie Humphries, Olive Selfe, Grace Stevens.
Boys under 14—Eddie Clay, Theo Azimus, Jack Barclay.
Girls over 14—Annie Humphries, Janet Morley, Katie Zucco.
Boys over 14—Jack Cloke, Eddie Clay, Eddie Dupuis.
Egg and spoon race—Margaret Barr, Vera Eyo, Patricia O'Neil.
Sack race for boys—Eddie Dupuis, Bobbie Moffatt, T. Azimus.
Thread and needle race for girls—Annie Humphries, Jean Moffatt, Kathleen Eve.
Wheelbarrow race for boys—Taylor and Moffatt, Barclay and McLaughlin, Watson and Armstrong.
Girls' barrel race—Annie Humphries, Edna Herrin, Hazel Dwyer.
Boys' barrel race—Bobbie Moffatt, Theo Azimus, Gunner Anderson.

Girls Beat Boys
In the tug-o-war, a team of sixteen girls was on one end of the rope and a team of a dozen boys on the other end. With two straight pulls, the boys were pulled off their feet. The girls were Dorothy Hansen, Lulu McAllister, Olive Selfe, Vera Eyo, Bonnie Chapman, Margaret Barr, Katie Zucco, Katherine Harrington, Janet Morley, Annie Scott, Nancy Rowlands, Mary McKnight, Annie Humphries, Rita McDonald, Annie McLaughlin, Mary Harrington and Dorothy Davis.
The feature of the afternoon was a baseball game between two teams of girls, six to a side, one team representing the Entrance Class and the other the High School. The winning team comprised Katie Zucco, pitcher; Katherine Harrington, catcher; Janet Morley, 1st base; Rita McDonald 2nd base; Annie McLaughlin, 3rd base; and Lulu McAllister, fielder. The score was 12 to 6.

Abraham Martin Honored

Monument to First Scottish Settler, First King's Pilot On the St. Lawrence, and First Farmer On the Plains of Abraham Unveiled.

At Quebec recently the Hon. Athanase David, Provincial Secretary in the Quebec Cabinet, officiated at the unveiling of a monument erected by the Canadian Pacific Railway Company in memory of Abraham Martin, who was the first known Canadian of Scottish descent and the first King's pilot on the St. Lawrence River. The Plains of Abraham received their name from him, he receiving a grant of the land from Champlain in 1617. The unveiling of the monument, a handsome granite shaft seven feet high surmounted by a globe supported by thistles, was an important event and was attended by a large number of prominent citizens and political representatives.

The sturdy pioneer is further acclaimed by Andrew Patterson, who says:—

ABRAHAM MARTIN. Auld Scotland many a hero boasts From John o' Groats to Wigtown's coasts. Both Lowland lads and Highland hoets That wear the tartan; But now another seeks your toasts, Old Abram Martin.

But what pretence has he to fame, That we should celebrate his name, And thus in stone and bronze proclaim His style and story? A threefold plea can Martin claim To all this glory.

The first of Scotia's sons was he To cross Atlantic's stormy sea— True pioneers of liberty, Giv'ing their best That this Dominion fair might be Blessing and best.

See in his wake the glorious band, MacKenzies, Frasers, foremost stand MacDonaldis, too, in high command. And James McGill, Mountstephen and Strathcona grand— 'Twould pages fill.

The first was he to till this plain, Now sacred to that fierce campaign: When heroes fell, but not in vain In glorious strife, O Canada, thine was the gain, Renewed thy life!

He was the first to mark the tides, The rocks, the shoals St. Lawrence hides— The mariner in him confides And bans his fears: "The ship," he cries, "in safety ride When Martin steers."

Though fate 'mong strangers cast his lot He ne'er forgot he was a Scot, Thrifty and shrewd he was, I wot, Canty and gaudy, Proud of the nickname that he got, "Abram l'Ecossais."

Let us whate'er our race or creed, This ancient Scot's example heed, And give the best that's in our breed That ours may be A Canada in word and deed High-souled and free. —A. Patterson.
