WEEK AT THEATRES

Tuesday. Charles Chaplin, assisted by Edna Purviance and Mack Swain in a 4 reel scream "The Pilgrim." Katherine Macdonald, the American beauty, in "The Beautiful Liar."

Wednesday and Thursday. Harry Carey and Lillian Rich in "Man to Man." Comedy "Sing 'em Sweet."

Friday and Saturday and Saturday Matinee. Thomas Meighan, the good luck star, assisted by Beatrice Jay in "The Bachelor Daddy."

Comedy "Oh Sister." Fox News—Gazette.

on the screen.

Unusual for a "Western" picture, "Man to Man" also includes a sequence of scenes laid in the South Seas. It was a novelty for Carey to play the role of a South Sea beachcomber, but his remarkable work in the tramp roles in "Overland Bed" and "Sun-down Slim," two of his former impersonations, helped him wonderfully in portraying a Tahiti terelict.

TOO MANY DADDIES HAS BABY ACTOR IN MEIGHAN PICTURE

Alfred Green, who directed Thomas Meighan in the Paramount picture, "The Bachelor Daddy," had his troubles, due to the presence of five children in the cast. Mr. Meighan, being supposedly the proxy daddy of five children in this new story, which will be screened at the Westholme Theatre at the week end.

One of the children had to be a mere baby and for the scenes it was necessary for the child to recognize Mr. Meighan as his daddy. Mr. Green tried little Bobby Jackson, brother of Charlotte Jackson, the principal child actress in the cast, but Bobby was teething and wouldn't recognize anybody but his mother.

So Bruce Guerin, a bright youngster, was found and told that Mr. Meighan was his daddy. This suited him fine, but Bruce was no respecter of persons. No sooner had he left the scene than he began to pick up daddies all over the studio. He met Waldemar Young, scenarist and shout ed:

"There's my daddy." Next he chose Walter Hiers, the heavyweight comedian. T. Roy Barnes was then picked out by the youngster. After looking over several others, he pointed at Oscar, the colored boathawk at the studio and in all seriousness said:

"No, that's my daddy."

"We'd better get the boy back near Meighan before he gets too many daddies around here," said Green, and forthwith an order was issued for little Bruce to be kept near the star.

EAGLE PARTY WAS DELIGHTED

scenery by daylight. They were keenly delighted with it all and said there was nothing in the world to compare with it, and it alone would have been worth the whole trip. Six stops were made in the Skeena River valley. The first was at Bulkley Lake where several members of the party enjoyed an early morning swim. At Bulkley Gate, they saw the wonderful canyon formation and at Kitwanga Conductor W. D. Moxley piloted them through the Indian village. The Seven Sisters and O.K. mountains and the Kit-selas Canyon also proved very interesting.

Buffalo Steak

the excursionists were treated to

The party was loud in its

praises of the service given by

the Canadian National Railways

writer.

"Why, I go to picture shows on Sunday, don't object to harmless amusement, don't make myself a pest and don't try to preach blue laws," was Miss MacDonald's crushing reply.

AMERICAN BEAUTY ON KEEPING BEAUTIFUL

During the making of "The Beautiful Liar" at the Ambassador studios, Miss Macdonald, while busy on the set, was approached by one of the self-appointed walking delegates for the blue law movement. He had forced his way into the studios and insisted on talking to the star, saying that he was a magazine writer and wanted to interview her.

"How do you account for having been able to maintain for your entire film career the sobriquet of 'The American Beauty?'" asked the blue-law writer.

"Why, I go to picture shows on Sunday, don't object to harmless amusement, don't make myself a pest and don't try to preach blue laws," was Miss Macdonald's crushing reply.

SOUTH SEA DERELICT BECOMES RESPECTABLE

Harry Carey Plays Big Role in Man to Man at Westholme Tomorrow

"Man to Man," the big picture starring Harry Carey at the Westholme tomorrow, recounts the struggles of a young man who fights his way from the degradation of a South Sea derelict back to respectability in his home country—the cattle lands of the West. It is a story which might have been written for Carey. It provided him with the he-man of a role which he has made famous

Mrs. de Wolfe says, "For years I was a dreadful sufferer from Constipation and Headaches and I was miserable in every way. Nothing in the way of medicine seemed to help me. Then I tried "Fruit-a-tives" and the effect was splendid; and after taking only one box, I was completely relieved and now feel like a new person."

"Since I started using Sunlight Soap I find I can get my clothes beautifully washed with my washing machine in fifteen or twenty minutes. Isn't that wonderful? And my clothes are such a beautiful color too."

How do I use Sunlight? I pare half a cake or so of Sunlight in very thin slices, into the hot water in the washing machine, stir it up into a lovely rich suds, then pop in the clothes, and let Sunlight and the machine do the work! Then the rinsing—and the clothes line. Really Betty—washing clothes with Sunlight is good fun—it's all over in less than an hour."

Sunlight's unusual value comes from the skilful blend of pure, rich coconut and palm oils. These are the best soap making ingredients that the world produces.

PRINCE RUPERT WINS BASEBALL

Local Team Defeated Anyox in Both Games Yesterday—8 to 2 and 15 to 14.

Prince Rupert won both baseball games from Anyox yesterday, the first in the afternoon by a score of 8 to 2 and the second in the evening by 15 to 14.

The afternoon game, played amid showers, proved easy for the locals and was well played except for the sixth inning when several hits by the locals accompanied by Anyox errors allowed Prince Rupert to tally five runs, while Farquhar made one in the first and the score remained 1 to 1 until the fourth when the locals made another. One more came Prince Rupert's way in the fifth, and the visitors opened the scoring in the sixth making their only two of the game. This was followed by Prince Rupert's five.

Lidstone pitched the full seven innings for the home team and acquitted himself most creditably giving the fielders little to do and practically winning the game himself. Harry Astoria behind the bat, gave good tight support and let little past him while other members of the team gave good service when called upon.

Early in the game, Lidstone almost got himself into a couple of boxes but was successful in pitching himself out. In the second, the Anyox batters filled the bases and it looked like scoring but Lidstone rose to the emergency and pitched three strike-outs. Two Anyox men got on bases again in the third but three strike-outs again saved the situation.

Lidstone made fifteen strikeouts to the five of Pete Draudsen, the Anyox hurler. Lidstone walked three and Draudsen, two while one man was hit by Lidstone.

Score by innings:

1 2 3 4 5 6 7 8 9
Anyox 0 0 0 0 0 2 0
Prince Rupert 1 0 0 1 1 5 x—8

Pitchers' Records

P. Laporte and W. J. Sloan were umpires.

Evening Game

The evening game was a slow affair in the early stages and the visitors at first had the edge of things, indifferent pitching and loose fielding featuring the local play although the visitors were performing little better than

the teams lined up as follows:

Sons of Canada—Scott, goal; H. Menzies and W. Murray, backs; G. Mitchell, V. Menzies and J. Mitchell, half backs; H. Astoria, W. Mitchell, J. Marks, E. Smith and A. Utterton, of Anyox, were

umpires.

The teams lined up as follows:

Groves—S. Gawthorn, goal; H. Hamilton and Geo. Waugh, backs; P. McGowan, A. Roy and J. M. Campbell, half backs; H. Astoria, Joyce, Erskine, J. Campbell and J. Andrews, forwards.

G. S. Russell was referee and A. Clapperton and Howe ran the line.

The game was a very quiet one for a cup final, a good deal of miskicking taking place which was accounted for by the fact

that the ground and ball were in a soggy condition from the heavy morning rain. E. Smith scored a good goal in the first half from a long shot. The play in the second half was very even but no outstanding stunts were pulled off. E. Smith scored the second point just before the final whistle blew.

OFFICERS AND MEN OF WARSHIPS WERE GUESTS OF G.W.V.A.

Fine Concert Was Staged on Saturday Night in Honor of Naval Visitors

The Great War Veterans excelled themselves on Saturday night when an excellent smoking concert was given by them in honor of the officers and crews of His Majesty's ships Curlew and Patrician. The musical and vocal portion of the program was of very high standard and constituted one of the finest concerts ever held in the city.

Major McGregor, V.C., occupied the chair, and among those present were Capt. Holbrook, M.V.O., commanding H.M.S. Curlew, and Cap. Oland, commanding H.M.C.S. Patrician. Representatives of the city were Mayor Newton, Fred Stark, M.P., Acting American Vice-consul Fred Weaver, and E. C. Gibbons, president of the Board of Trade.

During the evening popular musical selections were rendered by the band of the First Northern B.C. Regiment. Those contributing to the concert program from H.M.S. Curlew were Messrs. Hebbleswaite, George, Turner, Connelly, Giddie, Harris, Green, Ellsmore and Elliott and from H. M. C. S. Patrician, Messrs. Clarke, Cave, Arnold, Girlestone, and Garrington. The various items in the program performed by the members of the visiting warships were of a high standard and splendidly executed. Constable Bowler, of the R.C.M.P., and Comrade James, of the G.W.V.A., sang several good songs. S. K. Campbell, who sang several vocal selections, was repeatedly encored.

The accompanists comprised Mr. Lemmon, of H.M.S. Curlew, Mr. Arnold, of H.M.C.S. Patrician, and W. Vaughan Davies. A delightful evening was brought to a close at midnight with the singing of God Save the King.

MAPLE LEAF DANCE ENJOYABLE AFFAIR

Dominion Day Celebration Brought to a fitting Close in Auditorium Last Night

The Maple Leaf dance, held in the Auditorium last night, under the auspices of the Sons of Canada, was very successful and a good number of people enjoyed it. The hall was fittingly decorated with flags and bunting. Pryce's dance orchestra was very indulgent with a tip-top program of the latest dance music. Delightful refreshments were served at midnight under the supervision of Mrs. Carroll. The arrangements were in the capable hands of H. R. Love assisted by a corps of members of the Sons of Canada. The dance brought an altogether successful day to a very fitting close.

A. D. Hallett, of Alice Arm, returned by Saturday evening's train from a trip to the Northern Ontario mining fields and left for Alice Arm on the Cardena Sunday night. When Mr. Hallett went east early in the spring it was his intention to remain there but he found that this country offered more promise to the prospector so he returned.

Ten Years Ago in Prince Rupert

A frightful tale of suffering and privation is brought here from Lowe Inlet by A. W. Chaple, of this city. Reginald Seeley, a fisherman, was recently picked up on Wright Sound and brought to Lowe Inlet after having been adrift in a broken down gashow without food or water for five days. Seeley was cut adrift by his comrades who made away in another boat in which he had a half interest.

Capt. William Quinn, master of the trawler Canada, has won in a breach of contract action against the British Columbian Fisheries Co. He brought the Canada out from Grimsby and arrival on the coast was cut down in rank and pay to mate.

On account of the rain, the children's sports had to be postponed from Dominion Day until yesterday. The committee in charge comprised Chief Vickers, Acting Mayor Naden, D. McD. Hunter, W. J. Godson and O. H. Nelson.
