Roman Catholic Schools in Winnipeg to Close; Pupils Will Go to Public Schools

WINNIPEG, Dec. 14: (Canadian Press)—All Roman Catholic schools in Winnipeg will be closed at the end of the year, it was announced yesterday by Monsignor A. A. Sinnott, Archbishop of Winnipeg, and the Winnipeg public schools will be called upon to provide an education for 2400 more children in Grades One to Eight.

Archbishop Sinnott set forth that, after more than forty years of effort, the burden had become greater than the church could bear.

Ten schools in all will be closed. It was announced that the pupils would be accommodated in the public schools.

CHAMBER OF DEPUTIES REJECTS HERRIOT PLAN FOR CONDITIONAL PAYMENT BY LARGE MAJORITY — INTERNATIONAL CONFERENCE ON WHOLE QUESTION IS DEMANDED.

Chancellor of Exchequer is Eloquent in Commons Speech

GREAT BRITAIN WILL HAVE TO COLLECT FROM HER DEBTORS IF UNITED STATES INSISTS ON HER PAYMENTS — ITALY HAS ALREADY PAID, IT IS ANNOUNCED.

WASHINGTON, D.C., Dec. 14: (Canadian Press)—Disappointed and confused by French insistence on a debt conference, the United States government today, nevertheless, held firmly to its attitude towards Europe on the question of war debts—pay or default. Underneath official Washington, however, ran a current of suppressed excitement.

Indignation was expressed among various members of Congress. Senator Kenneth McKellar said it was clear "that Germany is not the only European nation that treats its obligations as 'scraps of paper.' I think it is the most ungrateful act in the career of any nation in the world."

Chairman McReynolds of the House foreign affairs committee said: "France has less excuse not to pay than any other nation. The settlement made with her was only 75% of what she received after the war. There is no question about France's ability to pay."

HERRIOT CABINET FALLS

PARIS, Dec. 14: (Canadian Press)—Premier Edouard Herriot and his cabinet resigned today after the Chamber of Deputies postponed payment of \$20,000,000 interest due the United States until an international debt conference can be held. An overwhelming vote of 380 to 57 approved the action.

Premier Herriot's plan for payment with reservations was defeated shortly before by a vote of 402 to 287. Because of this vote, the government submitted its resignation. Today, however, indications became manifest that a move would be made to make Herriot premier again.

GREAT BRITAIN TO PAY

LONDON, Dec. 14: (Canadian Press)—Great Britain pays her war debt installment to the United States in gold tomorrow but it will be a payment on account in a new regime which she expects to result from coming discussions with the United States. The payment is not to be taken as implying a revival of the debts system which prevailed before the Hoover moratorium.

Rt. Hon. Neville Chamberlain, Chancellor of the Exchequer, in the House of Commons today, was specific as he stated that the old regime of war debts and reparations "can never be revived."

"And Britain stands," continued the Chancellor of the Exchequer, "by a policy of a clean slate and the famous Balfour note. She does not want to collect from her debtors any more than she has to pay her creditors."

"But," there were cheers as Mr. Chamberlain added "they cannot expect us to be content with less."

Complete remission of the debts owed the United Kingdom is dependent on complete remission by the United States, the Chancellor declared.

BELGIAN CABINET RESIGNS

BRUSSELS, Dec. 14: (Canadian Press)—The Belgian government decided yesterday not to pay the \$2,000,000 due the United States in war debts tomorrow. (Continued on page five.)

REITERATES HER STAND

Britain Will Pay War Debt Tomorrow on Basis of Note Sent to United States on Sunday

LONDON, Dec. 14: (Canadian Press)—A new note dispatched to the United States yesterday said that Great Britain will make its war debt payment of \$95,500,000 tomorrow under the conditions specified in its note of last Sunday—that is that it shall be considered a capital payment.

The note again urged the importance of an early examination of the whole debts problem.

Royalists and Students Demonstrate in Paris Against Payment of War Debts

PARIS, Dec. 14:—More than one hundred persons were placed under arrest following a street demonstration here of Royalists and students against the proposal that France should meet her war debt payments to the United States this week.

JAPAN REFUSES TO ACCEPT CONCILIATION PROPOSAL OF BRITAIN

TOKYO, Dec. 14: (Canadian Press)—Disregarding the friendly advice of Great Britain, Japan instructed its delegation at Geneva yesterday to reject a proposal that an international conciliation commission be created to attempt settlement of the Sino-Japanese controversy over Manchuria.

Amy Johnson Making Progress On Flight But Will Not Now Make Record For Long Flight

LONDON, Dec. 14:—Amy Johnson Mollison, British aviatrix, was winging her way northward from the Cape to England yesterday after having encountered engine trouble which delayed her for several hours in the Kameruns. A message from Loagoa, Nigeria, last evening said that she had passed Lokoja village in the mountains northeast of Lagos late in the afternoon. This was the first news that had been received of the aviatrix in more than thirty-six hours. She took off from Duala at 3 o'clock yesterday morning.

Since leaving Benguala on Sunday no word had been received of her progress.

At Lokoja Miss Johnson was almost exactly half way in her flight of 6200 miles and whatever trouble she encountered was sufficient to dash her hopes of reaching London by nightfall Wednesday and beating her own record for the flight in the reverse direction which was four days, six hours and 55 minutes.

Miss Johnson was last night engaged in the long and perilous flight over the Sahara Desert.

On Second Last Lap GAO, French West Africa, Dec. 14:—Amy Johnson, British aviatrix, is now on the second last lap of her flight from Capetown to England, having left here at 3 o'clock this morning for Oran, Algeria, 1500 miles over the desert wastes of the Sahara.

Sad Cases of Extreme Need in Or Near Prince Rupert Brought To Light By Salvation Army

The response to the Salvation Army appeal for Christmas cheer is rather slow. While most people in need are getting government or city relief, it must not be assumed that this is sufficient to bring them any ordinary Christmas enjoyments. Here is an example:

There is a woman with five children living in a shack a little way from the city. Her husband has left her and she gets from the government \$9 a month with \$2.50 each for the children, a total of \$21.50 a month. It is clear that this amount buys only the barest necessities. The children are from four to twelve years of age. Although the weather is very cold they run around in little old running shoes. Evenings are long and lonely and the mother would like a gramophone and records but of course this is out of the question unless someone has one to spare and could donate it. This woman had to sell her wedding ring to get money with which to buy clothes for the children.

Another case is that of a woman with four children. The man is in jail and the woman gets the usual relief. In this family there is a little deformed cripple girl eight years of age. The chief pleasure this child gets is from playing the gramophone but the records they had are all worn out, broken or useless. Possibly some one with records to

GOOD NEWS EXPECTED

Hopeful Word Brought By Olier Besner in Connection With Pulp Mill Project

Olier Besner, who returned to the city this morning after an absence of a few months, reports, in regard to the project for the establishment of a pulp mill here, that F. L. Buckley, Vancouver, promoter of the project, recently received a communication from backers in the east who are associated with the project stating that they "are still very much alive and that good news might be expected shortly."

Mr. Besner late in the summer made a trip to Northern British Columbia and the Yukon in connection with mining property there in which he is interested. He went from there to Vancouver whence he returned here.

Editor of Russian Newspaper Izvestia Apologizes and Soviet Government Dissociates Itself

LONDON, Dec. 14:—The Soviet government, through its ambassador here, has dissociated itself from the statement in the Moscow newspaper Izvestia to which Great Britain recently objected. Parliament was informed yesterday.

The editor of the newspaper has expressed regret for having been misled into publishing it and the British government now regards the incident as closed.

RAILWAYS TO CO-OPERATE

MONTREAL, Dec. 14: (Canadian Press)—Executive committees of the respective boards of directors of the Canadian Pacific and Canadian National Railways met here on Monday and an official announcement stated that a "policy of further co-operation between the two railway companies was agreed upon and it was decided to appoint a joint committee to formulate plans for carrying it out."

LOOKING LIKE CHRISTMAS

The stores this week are beginning to look like Christmas. Most of the business houses have bought new Christmas stocks and are displaying them in a manner that reminds one of the good old days when there was plenty of money to spend. Already people are buying their Christmas things, things for themselves and for their friends, and the tendency seems to be to buy rather than to save. As a matter of fact people are getting tired of saving and are getting more into a spending humor. The result will be increased business during this holiday season.

PRICE ELLISON

Day by day we are reminded that the men who were much in the public eye a few years ago are leaving for other realms and a new generation is growing up with new conceptions, new ideals and a forward gaze. Yesterday we learned that Price Ellison, former finance minister of B.C., had passed away. He represented an old school of politicians suitable to the time in which he lived. He was a large farmer and land owner and was highly esteemed by his neighbors in the Okanagan, which perhaps is the best thing that can be said of any man.

Headaches and Dizzy Spells Nerves In Bad Condition

Mr. Neil Crawford, Hamilton, Ont., writes:—"My nerves were in such bad condition I found it almost impossible to get a good night's sleep. I was also bothered with headaches and dizzy spells. I tried many different remedies, but they did not seem to give me much relief, but after I had taken Milburn's Heart and Nerve Pills I could hardly believe the change they had made in my condition."

EXAMINING OF PUPILS

Offer is Made to School Board By Dr. R. G. Large

Dr. R. Geddes Large, who had been approached by a committee of the board with a view to having him take on the work, made an offer to the school board last night to carry out a complete medical examination of all school pupils for 50c per pupil, the doctor to supply such nursing assistance as was necessary in carrying out the examinations.

In view of the financial conditions and the fact that the city was unable to pay the salaries of the teachers anyway, Trustee Fulton felt disposed to let the medical examination of pupils go this year. Generally speaking, he believed the present plan of medical examinations to be more or less futile anyway. Simply because physical defects were pointed out was no guarantee that they would be corrected. It might be better on this occasion to use the money that would be so expended in providing food for those in distress.

Trustee J. J. Gillis thought that the medical examination of pupils was more than ever necessary this year owing to illness being general and so many not having proper food.

Trustee D. C. Schubert was also doubtful as to the efficacy of the present system of medical examination of school pupils.

Chairman W. J. Greer pointed out that the board did not have the money and would not be able to pay the doctor anyway.

After some further discussion, it was decided to refer the matter to next year's board.

XMAS BENEFIT SHOWS

Editor Daily News:

As the Xmas season approaches our thoughts turn more and more in sympathy to our unfortunate fellow citizens who, owing to the present deplorable economic conditions, are unable to provide themselves with the comforts and pleasures to which they were accustomed.

The Capitol theatre, operated by the Famous-Players Canadian Corporation, wishes to do everything in its power to better existing conditions and, with this object in view, proposes giving a CHILD'S FOOD MATINEE on December 21 at 2:30 p.m. All the children of the city are invited to attend and bring as admission some article of food—bread, potatoes, a can of soup, corn, peas, butter, fruit or any article of food which the parents are kind enough to give them. If adults wish to attend, the usual admission will be charged. An excellent program will be provided and the Salvation Army has kindly consented to receive and distribute the proceeds of the Matinee.

In addition, the theatre will give a free show to the unemployed and their families on Sunday at 2:30 p.m. As there are a great number of unemployed in the city and the seating accommodation of the theatre is limited, I regret that I am unable to extend this invitation to all our citizens.

I would ask your kind co-operation by giving publicity to this FOOD MATINEE and FREE SHOW, and thank you in advance.

S. P. McMORDIE,
Manager, Capitol Theatre

Man in the Moon

The Scotsman's dilemma—whether to go to the theatre tonight and get two shows for one price or tomorrow night and get two admissions for one show.

Civic affairs seem to be under discussion again and Jake thinks they might well be held over until after Christmas.

Let us not talk of civic ills During the holiday season. But rather buy ourselves some pills To take with proper reason.

For it's the time for Christmas cake With plum pudding and turkey. So let us all unite for once When the outlook is so murky.

DEVILFISH CAPTURED AT SALVAGE FLOATS

A live devilfish or octopus was captured at the Pacific Salvage Co's dock yesterday afternoon and created a good deal of attention among passersby on the waterfront. The formidable sea dweller with the powerful tentacles was captured with a pike pole when it came to the surface, evidently the attempt to take a sea-slug from the wharf.

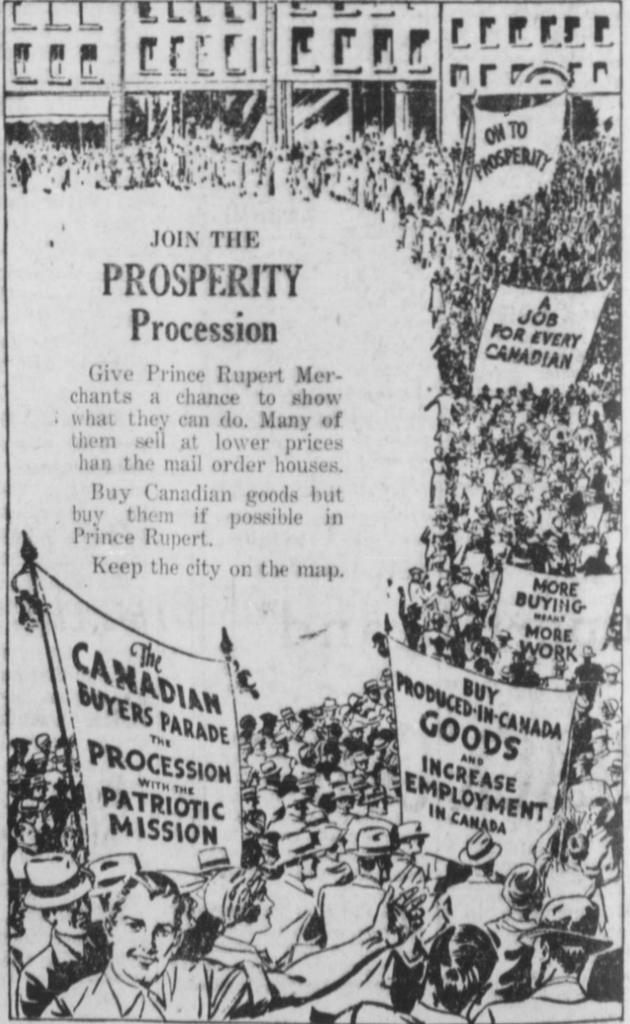

Miss Alice Spencer will sail tomorrow night on the Venetian for a vacation trip to Vancouver and elsewhere in the south.

One of the classes at Booth Memorial School now located in a small room with rather poor ventilation will be moved to a larger and more commodious room which has now become available, having formerly been used by the domestic science department. The change was authorized at last night's meeting of the school board. In making the change, it will be only necessary to move a blackboard.

The regular monthly meeting of the board of school trustees was held last evening in the city council chamber, the session lasting the better part of two hours. Those present were W. J. Greer, chairman, J. J. Gillis, D. C. Schubert and W. O. Fulton, trustees; John O. Williamson, secretary; Misses E. A. Mercer, E. E. Lucas, J. D. Moffatt and Margaret Palmer, principals, and W. S. Day of Vancouver and S. D. Johnston of this city who discussed insurance matters with the board.

In a report to the board of school trustees which was read at last night's meeting, Miss Jessie McLenaghan, director of home economics for the Department of Education, spoke favorably of the domestic science work being carried on here by Miss E. White, the local instructor. Miss McLenaghan remarked that it seemed poor economy to get such little value as was now being obtained from such splendid equipment that had been installed at such heavy capital expenditure here.

Miss S. A. Mills, principal of Borden Street School, in her report to the school board at its meeting last night, referred to plaster in one of the classrooms having become loose. An inspection will be made by Chairman W. J. Greer with a view to rectifying the trouble.

R. M. Clarke, janitor of Borden Street School, in a report to the school board at its meeting last night, reported that Bulkley Valley coal was proving very satisfactory in the heating of that school. Trustee W. O. Fulton urged the importance of using the local fuel if at all possible. The report was filed for future reference.

C. N. R. steamer Prince John, Capt. Dan McKinnon, arrived in port at 7:30 this morning from Vancouver via the Queen Charlotte Islands with passengers, mail and freight and will remain here until 10 o'clock Friday night when she will sail on her return south over the same route. Since she was last here three weeks ago, the Prince John underwent annual overhaul in Vancouver.

In a telegram read at last night's meeting of the school board, Harry Gilliland, principal of King Edward High School, who has been convalescent at his home in Victoria following a long illness stated his recovery had been interrupted somewhat because of an attack of influenza and that his doctor had advised him against returning to his duties here until after the New Year. Mr. Gilliland has been ill practically the entire fall term.

BASKETBALL LAST NIGHT

Fast Play Witnessed in Scheduled Fixtures, Senior Game Being Particularly Fine

Senior League—C. N. R. A., 21; Grotto, 26.
Ladies' League—Amazons, 7; Comets, 10.
Intermediate League—Tuxis, 26; Merchants, 20.
Junior League—Rovers, 18; Japanese, 5.

A good crowd of fans watched some of the fastest basketball so far this season at the Auditorium last night. The senior boys, especially, put up a great exhibition.

This affair between C. N. R. A. and Grotto moved along at a fast pace from the start. Grotto held a one-point lead at the intermission the tally standing 11-10.

After the breather, it was a ding-dong game all through. It looked like a C. N. win near the finish. Grotto, however, came back strong near the end with timely baskets to win 26-21.

Lambie was the big gun for the C. N. R. A., popping them in from everywhere, while Menzies, Morrison and Ratchford for the Grotto played great games, although all players checked hard. The game was a bit rough but was kept well in hand by Referee Skinner who called a pretty even number of fouls on each team.

C. N. R. A.—Johnson (3), Stiles (6), Smith (4), Kelsey, Stalker, Lambie (8)—21.

Grotto—Ratchford (6), Menzies (2), Currie (1), Morrison (9), Gurchich (2), Pierce (4), Hunt (3)—26.

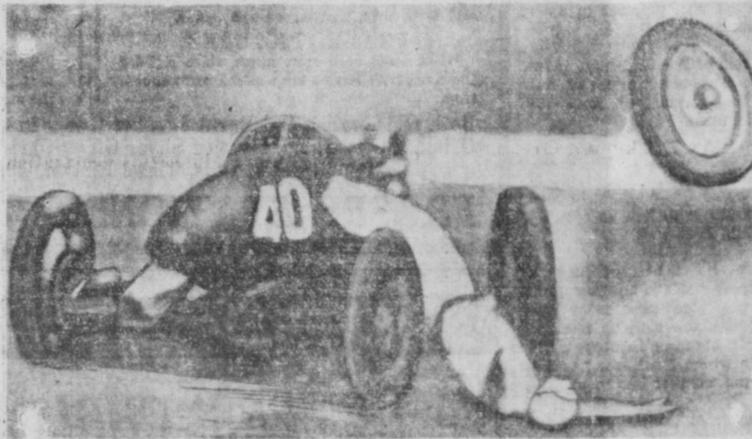

Ladies' Game
Comets, determined to get into the winning column, worked hard to take the lead at half-time 6-4. After the rest Cath Irvine, who played a good game all through, made two baskets from well out to cinch it 10-7.

Amazons—Boddie, E. Morris (7), McLeod, Davis, M. Morris—7.
Comets—Morgan, Smith (2), Stein, Irvine (6), Tite (2)—10.

Intermediate Game
In one of the best played games of the year Tuxis won over the Merchants. Tuxis played a short passing, close checking game. Although watched closely, their forwards broke through near the finish to score the much needed baskets. The Merchants' defence worked smoothly while Santurbane played exceptionally well on the forward line for Tuxis.

BIG DEAL IN IVORY

Only Three Members of New York Giants Team to Be Retained It Is Predicted

NEW YORK, Dec. 14.—Nearly every player on the roster of the New York Giants will be affected by one of the largest deals in Major League history which is expected to be announced daily by the management of the club which is not satisfied with the showing the team has been making in recent years. Most of the other clubs in the League are also expected to be involved in the various transactions.
Melvin Ott, Travis Jackson and Player-Manager Bill Terry will be the only members of the team who will be retained, it is expected.

SPORT CHAT

After a period of time during which all social activities at the smelter town were suspended owing to the epidemic of influenza, the doors of the Anyox gymnasium are once again open and the annual tennis dance which is about to be held becomes a centre of interest. The trophies won by the players of the Anyox Tennis Club during the past season will be duly presented.

CADET CORPS TURNED DOWN

School Board Decides That Military Training is Not Necessary in Local High School

The board of school trustees decided last night against the resumption of cadet classes at King Edward High School. Two or three years ago these classes were discontinued at the local High School and a communication from the District Officer Commanding, Military District No. 11, inquired as to the attitude of the board on the possibility of reorganizing the classes.

Chairman W. J. Greer was not in favor of the cadet classes being resumed. The High School pupils had plenty to do without this and, if they had any spare time, he felt it would be better employed in athletics and physical training rather than in military training.

Trustee J. J. Gillis was also opposed to the resumption of cadet classes.

If military training were necessary, it could be better provided in the militia than in the schools, Trustee D. C. Schubert thought.

On motion of Trustee Gillis, it was decided to acknowledge and file the communication.

INSURANCE DISCUSSED

Blanket Coverage For Schools of City is Proposed By Underwriters' Official

The matter of insurance of schools came in for considerable discussion at last night's meeting of the board of school trustees, W. S. Day of Vancouver, representing the underwriters' interests, being in attendance at the meeting to place before the board a scheme for blanket insurance coverage for the city schools. Mr. Day was accompanied to the meeting by S. D. Johnston, local insurance dealer.

Giving details of the plan of blanket insurance, Mr. Day declared that, by this plan, the board would get more efficient coverage and a better rate per unit. First of all, it would be necessary that there should be a thorough valuation of the buildings. If the board were interested, the insurance people would be glad to furnish detailed estimates if the board would have the valuation made and sanction the investigation, the companies would be pleased to submit a proposal for blanket insurance of the schools.

Chairman W. J. Greer told Mr. Day that the board would go further into the matter.

In discussion which followed, Mr. Greer expressed the belief that it might be well to have a true valuation made of the school buildings.

Trustee J. J. Gillis thought that all insurance of public buildings should be handled by the state. This was coming, he believed.

Trustee W. O. Fulton felt that the making of a true valuation might be a rather costly matter. His suggestion that the matter be laid over until next year was adopted by the board.

Secretary J. O. Williamson reported that insurance coverage as follows is now being carried on the various schools and contents: King Edward High School, \$28,000; Booth Memorial School, \$50,000; Jordan Street School, \$22,000; Seal Cove, \$3,500; Westview, \$3,000.

Also in regard to insurance, there was a communication from the Greater Vancouver and New Westminster branch of the British Columbia School Trustees' Association which is of the opinion that the cost of school insurance should be considerably reduced in view of the present difference existing between premiums paid and losses. The branch was in favor of presenting the case to the insurance companies with the request that the risks be carried as a group. This, it was felt, would result in better rates. Co-operation of all school boards in the province on the matter is being sought. The branch had also considered the forming of a mutual company to carry the insurance and the matter of state insurance but felt that it was most practicable at this time to take the matter up with the companies.

HOOVER IMPEACHMENT FAILS OF ADOPTION

WASHINGTON, D.C., Dec. 14. (Canadian Press)—The House of Representatives yesterday by a vote of 361 to 8 rejected a move by Representative McFadden, Republican, Pennsylvania, for impeachment of President Herbert Hoover on the ground that he betrayed the country in connection with the war debts moratorium. McFadden's resolution, introduced without warning, charged the president with a long list of illegal acts, including disrespect of Congress and foisting undesirable legislation on the country. Leaders of both parties urged their followers to vote against the resolution. Republicans are moving to ostracize McFadden from all future activities of the party.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

IS DEAD IN ITALY

Angelo Pagnotta Passed Away Suddenly Day After Reaching Old Country For Visit

Word has been received in the city by friends of the sudden death at his home at Domanico, Cosenza, Southern Italy, of Angelo Pagnotta, well known member of the local Italian colony and a resident of Prince Rupert for more than twenty years.

The late Mr. Pagnotta left here about the middle of October for a visit to Italy. The day after reaching his home in the Old Country, he complained of a severe headache. The same evening he died at his home.

Deceased, who had intended to return to Prince Rupert next spring, bringing his wife and two children with whom to take up residence here, was 39 years of age. He came to this coast as a youth upwards of twenty years ago. Returning to Italy every year or so, he was later married in the Old Country. His son and daughter are both quite young. Frank Pagnotta of Vancouver, formerly of this city, is a brother of deceased.

The late Mr. Pagnotta was a member of the Royal Hotel staff here. He was interested in mining at Vital Creek in the Omineca district with D. Zarelli of this city and others.

WORK FOR WORKLESS

Unemployed Are Under Military Rule at Halifax

(Canadian Press.)
HALIFAX, Dec. 14.—Nearly 300 single men, unemployed last summer, are hard at work restoring the Citadel fortress to its former proportions.

Abandoned by troops last year for the first time since the city was founded in 1749, the fortress is to be preserved as a historic site. The work is being done at the direction of the federal government, as part of an unemployment relief program.

The workmen live in the quarters formerly occupied by troops. They are under military discipline and are beginning to like it. They will have work, food and shelter at the Citadel until March 31, when they will be discharged. In addition they will receive 20 cents a day.

All matters of policy are referred to Brigadier F. C. Constantine, of fiercer commanding military district No. 6, and supervision is under the assistant adjutant and quartermaster general. Others on the administrative staff include the district engineer officer, district ordnance officer, district supply and transport officer, district medical officer and district accountant.

Camp Routine
Each man is assigned to work for which he is fitted and is expected to labor eight hours each working day. Here is the schedule: rise 6:30 a.m., breakfast 6:45, work 8:00 to 12:00, dinner 12:00, work 1:00 to 5:00, supper 5:15, gate closes 10:30 lights out 11:00 p.m.

Gambling is not permitted in the camp. No wines, beer or spirits are to be taken into or consumed on the camp area. No women are permitted to enter the camp quarters. Women approaching the camp gate to see any man are required to proceed to the office and state their business.

Medical service is free. A medical orderly is on duty at fixed hours daily. Seriously ill or injured men are admitted to hospital.

The work is proceeding satisfactorily and there seems to be harmony in the camp. One day a large group of men staged a two-hour strike in protest against the quality of the stew dished out for dinner but they returned to work willingly after hearing a 25-minute speech from Brigadier Constantine. The brigadier told them the matter would be adjusted. He made it clear also that dissatisfied persons were not compelled to remain in camp.

SICKNESS GENERAL

Attendance at City Schools During November Cut Down By Flu, Principals Report

Attendance percentages in all city schools during the month of November were cut down to lower levels than usual owing to the prevalence of influenza and severe colds, it was revealed by all the principals in their reports to the school board at its meeting last night. There was also considerable illness of this kind among teachers. From Westview School two cases of chicken-pox were reported.

In all 1129 pupils were enrolled in the city schools in November, 974 being boys and 555 girls. Following was the enrolment by schools:

	Boys	Girls	Ttl.
High School	114	132	246
Booth School	256	236	492
Borden Street	158	154	312
Seal Cove	32	22	54
Westview	14	11	25

Totals 574 555 1129
Attendance percentages: High School, 90.99; Booth, 88.84; Borden, 90.14; Seal Cove, 94.9; Westview, 87.16.

School savings: Booth, \$15.72; Borden, \$10; Seal Cove, \$1.95; Westview, \$1.95.

Mid-year examinations had been held at the High School, the report of Miss E. E. Lucas, acting principal, stated, indicating that satisfactory progress was being made by the pupils generally.

Plan For Closing East End School Being Held Over

The school board last night decided to leave over until next year consideration of the proposal to close a room at Seal Cove school and move the pupils to Booth Memorial School. The feeling seems to be gaining strength among members of the board that the better plan would be to close Seal Cove School entirely and move all the pupils there to Booth School.

'FLU

The 'flu epidemic is slightly abating, and you can do much to reduce the risk of infection.

1. Avoid crowds as much as possible.
2. Be careful of your diet. Partake freely of fruit, vegetables and milk, which are alkaline in their re-action.
3. Avoid draughts, but see that fresh air is freely admitted to home or office.

Last and most important. Get a bottle of BUCKLEY'S MIXTURE and take a sip several times a day. BUCKLEY'S is a highly alkaline, germ-destroying mixture, that rids the system of cold-giving acids, invaluable as a preventive. If you should take 'flu, go to bed at once, and call your doctor. As likely as not he'll tell you to carry on with BUCKLEY'S. Many doctors do. But be sure it's BUCKLEY'S—the original, genuine, creamy WHITE MIXTURE.

The 'flu is too dangerous to experiment with unproven preparations and worthless imitations. BUCKLEY'S became famous during the 'flu epidemic of 1918 and has been famous ever since.
