Will be Change in Law Respecting Distribution of Beer in this Province

VICTORIA, Sept. 18.—Views of provincial cabinet ministers and private members have not yet been officially canvassed in connection with proposed beer legislation but amendments to the present law designed to improve conditions surrounding the distribution of beer in British Columbia are certain to be introduced during the next session of the House, Premier Oliver intimated today.

"Judging from statements of church organizations and a lot of others there is already too much beer in the province," said the premier with a smile, "and asked whether the government was considering action to lessen restrictions on the purchase of beer. "The conditions which church organizations complain of in Vancouver are the product of municipal machinery and not of the provincial government. My only conclusion respecting those who continue to criticize the government on the beer question is that their judgment has been warped by party prejudice," said Oliver.

NEW VERSION NATIONAL SONG

Canadian Club Will Try to Secure Standardized Version of Anthem.

WOULD RETAIN IDEALS

VICTORIA, Sept. 18.—A new version of Canada's national anthem is to be found and standardized if the Canadian Clubs can carry out the plan formed at the convention of Canadian Clubs here yesterday. It was arranged to seek the co-operation of provincial bodies to decide on a version acceptable to all. A committee was appointed to consider the matter.

St. John, New Brunswick was chosen as next year's convention city.

In an address Bishop DePencier sounded a warning against undermining Canadian and British ideals through the growing Oriental menace in British Columbia and spoke of the danger which existed of commercial domination of Canada by the United States.

PREPARING FOR TERRACE BRIDGE

Contractors Hanson and Shockley Ask City for Permission to Rent Equipment

Olof Hanson and E. H. Shockley, having received the contract from the provincial government, for the building of sub-structure of the bridge across the Skeena River at Terrace including trestle approaches and concrete piers, asked permission of the city council last night to rent the city's concrete mixer, rock cars and rails. It was decided to leave the request in the hands of the board of works with power to act. Ald. Munro, chairman of the committee, felt that the concrete mixer might not be needed but that the city would probably require the cars and rails on street work and it would not be safe to let them go.

WORKMEN CLASHED FRIEBURG POLICE

BERLIN, Sept. 18.—Workmen demonstrating at Frieburg clashed with the police who fired on the workmen killing and wounding several.

SIKI-GODFREY MATCH

PHILADELPHIA, Sept. 18.—Batting Siki, the French Negro, is matched with George Godfrey, an American Negro, to box here on October 8.

THANKSGIVING DAY TO BE NOVEMBER 12

OTTAWA, Sept. 18.—Thanksgiving Day is set this year for November 12. Armistice Day coming on Sunday it was necessary to choose some other date and the day following has been officially designated for the holiday.

LABOR PARTY VISITED CITY

Delegates from Trades Congress are Shown City by S. D. Macdonald

Delegates from the Trades Congress of Canada, recently held in Vancouver, arriving on the steamer Prince Rupert yesterday afternoon returning to Montreal, included P. M. Draper, secretary-treasurer; and J. T. Foster, vice-president to the Congress. The party also included Gustav France, proprietor of the Labor World; J. A. Belland, representing the International Sheet Metal Worker's Union; A. Martell, vice-president of the Carpenter's Union; Zoticque Lesperance, Canadian representative of the Boot and Shoe Maker's Union; Omar Fleury, Mrs. J. T. Foster and Miss Mahoney, secretary to Mr. Draper.

The party was taken on an automobile sightseeing trip of the city by S. D. Macdonald, president of the Trades and Labor Council. The plant of the Canadian Fish & Gold Storage Co. was inspected which proved particularly interesting to the visitors. Mr. Draper expressed himself as delighted with what he had seen during his brief stay and expressed the wish that they had been able to stay in the city for a longer period. He also stated that the Congress held in Vancouver had been the most successful that had been held for a number of years.

Not Notified
The local council had previously sent out invitations to the different labor organizations in the east asking them to return home by way of Prince Rupert if possible. Mr. Macdonald had been expecting to receive some notification from the Vancouver labor authorities of the arrival of the party but was unaware of their presence in the city until he chanced to meet Mr. Draper on the street last evening. Owing to the shortness of notice it was impossible to carry out any form of particular entertainment as had been anticipated.

Mr. Draper and party left for the east on the train last night.

FIRE DESTROYS S. WELLINGTON

Number of Buildings go up in Flames at Mining Town Vancouver Island

NANAIMO, Sept. 18.—The mining town of South Wellington was threatened with destruction by fire yesterday when flames originating in Patterson's warehouse destroyed Patterson's and Taylor's stores, the residences of Mrs. Blaskett and Mr. Mead, the post office, theatre and candy store. No estimate of the amount of damage is given.

THE MAN YOU KNOW

R. E. Benson, the local photographer, has been caught by the cartoonist in happy manner

Hundreds of Homes Destroyed by Fire at Berkeley and Two Students of University Dead

BERKELEY, Cal., Sept. 18.—Two unidentified students of the University of California are dead, hundreds of homes are ruined and millions of dollars worth of property consumed in a fire which started as a grass fire and ran out of control in a heavy wind into the residential district and threatened the whole business district. It sent thousands of residents fugitive from their homes before the desperate efforts of fire fighters and a fortunate change of wind brought the fire under control last night.

CARPENTIER WILL BOX WITH GIBBONS

NEW YORK, Sept. 18.—Georges Carpentier, French light heavy-weight, has asked Tex Rickard to arrange a bout between him and Gibbons.

LOS ANGELES, Sept. 18.—Gibbons expresses his readiness to meet Carpentier at any time.

C. J. SOUTH DIED AT VANCOUVER YESTERDAY

VANCOUVER, Sept. 18.—C. J. South, former deputy police magistrate and active worker in the interests of the Children's Aid Society died yesterday aged 73 years.

SCHOONER REVIEW GIVEN UP AS LOST

HALIFAX, Sept. 18.—The schooner Review which sailed out of Halifax June 10 with lumber is reported given up as lost. Capt. Beattie of Pietou and crew of six were aboard.

Mr. and Mrs. T. W. Silversides left by last night's train for Edmonton.

C.P.R. President and Party Visit in the City Remain Several Hours

Availing themselves of the opportunity to take a week off in the course of their annual inspection of the system and visit Alaska with which the company through its steamers does a heavy tourist and freight business, E. W. Beatty, K.C., president of the Canadian Pacific Railway Co., and party of directors spent several hours this morning in the city en route north. The crack coast steamer Princess Louise, Capt. Arthur Slater, which is making a special trip with the officials and their staff and guests, arrived at 7.45 and pulled out at 11 o'clock.

The personnel of the party was as follows:

- E. W. Beatty, K.C., president, Montreal.
- Sir Herbert Holt, president of the Royal Bank of Canada, and director, Montreal.
- Sir Augustus Nanton, Winnipeg financier and director.
- J. K. L. Ross, millionaire sportsman and director, Montreal.
- W. N. Tilley, K.C., consulting counsel and director, Toronto.
- F. W. Molson, president of the Molson's Bank and director, Montreal.
- J. W. Hobbs, Toronto, personal friend of Mr. Beatty's, Mrs. Hobbs and daughter.
- D. C. Coleman, vice-president of Western lines, Winnipeg.
- Capt. J. W. Troup, manager of the B.C. Coast Steamship Service, Vancouver.
- E. F. McKee, secretary to Mr. Beatty.
- A. C. Manson, secretary to Mr. Coleman.
- J. H. Smith, C.P.R. press bureau, Montreal.
- G. M. Cummings, valet.

The prominent party was met here by Mayor Newton; E. C. Gibbons, president of the Prince Rupert Board of Trade; L. W. Patmore, president of the Canadian Club; S. J. McLeod, vice-president of the Board of Trade; Wallace C. Orchard, general C.P.R. agent, and H. St. G. Lee, manager of the Bank of Montreal. This committee took the visitors by cars on a trip of inspection to the plant of the Canadian Fish & Gold Storage Co., and the Canadian National dry dock and also a drive about the city.

Mr. Beatty, whose first visit it was to Prince Rupert, evinced a keen interest in what was to be seen here. He expressed regret that the dry dock could not be operated more extensively than it was. He also regretted that time prevented his accepting the invitation of the Canadian Club to attend a luncheon here.

On the return of the party to the steamer after spending about two hours on its tour about the city, a number of other prominent citizens were on hand to extend a welcome. Among these was Col. S. P. McMordie, who went to Toronto University with Mr. Beatty and played soccer on the same team. Having many friends and acquaintances in common, Col. McMordie and Mr. Beatty enjoyed a real old time chat. Others who met the visitors were Fred Stork, M.P.; Reginald Beaumont, C.G.M.M. local superintendent; G. A. Woodland, manager of the Imperial Oil Co.; George Frizzell, Jarvis McLeod and T. W. Herne, Mrs. W. C. Orchard entertained Mrs. Hobbs and her daughter during their brief stay in the city.

Mr. Beatty and his party arrived in Vancouver from the East on Saturday night last and sailed on Sunday at noon for the north. On the way up the coast, the Princess Louise made stops of one hour at Powell River and

OLIVER COMING SPEAKING TOUR

Will Follow W. J. Bowser and Answer Attacks Made on His Government

HOLD MEETING HERE

Says He Will Show People That he has a Definite Policy to Follow

VICTORIA, Sept. 18.—Premier John Oliver starts early next week on a two week's tour of northern British Columbia to follow up W. J. Bowser's present speaking tour and answer his attacks on the provincial government. The premier has been planning to visit the northern and central portions of the province some time before the autumn session and the present time he thinks will be opportune. He will visit Anyox, Prince Rupert, Terrace, Smithers, Vanderhoof and Prince George, following closely the itinerary of Mr. Bowser.

Mr. Bowser before leaving said he went north to find a policy. Premier Oliver says he will endeavor to show the northern settlers that the present government already has a policy and he will explain that policy to them.

SKIRMISHER STARTS LOADING OF LUMBER

C.G.M.M. Freighter Arrived From South at 10 O'clock Last Night—Will Sail for Yokohama

C.G.M.M. steamer Canadian Skirmisher, Capt. Hilton, arrived in port from the south at 10 o'clock last night to complete a cargo of lumber for the Orient. It is expected 350,000 feet of hemlock baby squares will be loaded here as well as 1,000 cases or so of canned salmon for Japanese relief. The steamer will sail direct from here Thursday night or possibly late for Yokohama. The vessel went to the Imperial Oil dock last night to take on fuel and dropped down to the lumber assembly wharf this morning at 6, starting loading at 8 o'clock.

**BORDEN STREET
SCHOOL REPAIR**

Council Refuses to Allow City Engineer to Draw up Plans and Specifications in City Time

The city council decided last night not to grant the request of the school board that the city engineer be instructed to draw up plans and specifications for repairs to the Borden Street School for the reason that the engineer already has all he can attend to in connection with public works. Permission was given the engineer, however, to undertake the work outside of his regular city time for private remuneration provided he sees fit so to do.

The matter again came up with the presentation of a letter from the school board setting out its resolution passed at a meeting last Friday evening. The board estimated the cost of the work at \$3,000 and recommended that the work be done by contract other than the concrete work which should be done by day labor.

Ald. Stephens felt that the city engineer already had all the work he could attend to. The school board had obtained outside reports on the condition of the school and he felt that plans and specifications could also be drawn up outside. In any case, the school board would get the benefit of the city engineer as building inspector.

Ald. Perry felt that money would be saved if the engineer would be permitted to draw up the plans and specifications. Ald. Macdonald took a similar view to Ald. Stephens that the school board should look after some of the decking is not in the and be responsible for its own work.

Mayor Newton favored meeting the school board's request. By doing so time would be saved, the work would be done in a practical way and the city would have the

power to govern expenses. Ald. Mackenzie moved that the school board be given authority to do the work at a cost not exceeding \$3,000 and that it obtain its own supervisor. This was not seconded.

Ald. Munro felt that the school board should obtain a competent man and do the work itself. He seconded Ald. Stephens' motion that the request be not granted on the grounds that the city engineer already had all the work he could possibly attend to.

Ald. Collart moved an amendment that, in view of the city engineer being already familiar with the work, (he be allowed to draw up plans and specifications outside of his regular time and take remuneration therefore. This was seconded by Ald. Perry.

Ald. Stephens stressed the point that the council's first thought should be of its own public works. He was not altogether in accord with a city official being permitted to take on public work in such a manner as suggested in the amendment.

The amendment was carried. Ald. Stephens and Ald. Munro voting against it.

**GARBAGE WHARF
SAFE AND SOUND**

City Decides to Retain Structure But Road Will be Closed to Vehicular Traffic

The structure having been examined and found safe and sound, the city council last night decided not to take down the old garbage wharf and approach in Westview. A letter from N. B. Walton, C. N. R. superintendent, asking what the city proposed doing with the structure will be answered to this effect. In view of the fact that the decking is not in the best of condition and the wharf is not in use, it was decided, however, to close the road to vehicle traffic. It will still be left open to pedestrians.

**MORE PEOPLE
ARE NEEDED**

Hon. T. D. Pattullo Defends Policy of Government and Urges Action to Get Settlers

VANCOUVER, Sept. 18. — "To me the whole issue in British Columbia is to get more people." This declaration was made by Hon. T. D. Pattullo, Provincial Minister of Lands, addressing the Laurier Club at luncheon last week.

"The government is charged with extravagance, but we have maintained and strengthened the government services in the outlying parts of our province to encourage and assist newcomers. We have only 300,000 head of cattle in British Columbia and we import 150,000 head for our consumption. Yet the people say we have no room for more settlers. Little Switzerland has 3,000,000 head of stock, but we have two valleys up north that could alone support more stock than that.

In reference to various land settlement, reclamation, industrial and irrigation loans, Hon. Mr. Pattullo said these policies were forced by the reconstruction period. While refusing to admit that these loans would entail loss, the minister said that the alternative policy would have been the dead loss of unemployment doles such as prevailed in England.

"People forget that hordes of unemployed returned soldiers swarmed the parliament buildings steps in a mood where a word would have caused them to have razed them," he declared.

**CITY FATHERS
AFTER RELIEF**

Decided Last Night to Make Personal Canvass for Money to Relieve Japanese

Not satisfied with the manner in which contributions are being made to the Japanese earthquake relief fund through voluntary subscriptions, members of the city council last night decided to get actively into the field today to solicit subscriptions so that as much money as possible may be raised to buy salmon for shipment to Japan by the C.G.M.M. steamer Canadian Skirmisher sailing from here this week.

Ald. Stephens, signifying his willingness to undertake canvassing duties, said it was very important that money should be obtained at once. One dollar now would be worth fifty a month hence.

Ald. Perry volunteered to canvass the railway yards and Ald. Collart and Ald. Mackenzie were also prepared to lend their assistance. Ald. Munro said he was willing to do his share. He felt they should obtain some other workers. It was unfortunate that a strong collection committee had not been formed before. Money donated now would work double since loading and transportation of the salmon was costing nothing.

The council, after adjournment, worked out the details of the campaign.

Mrs. G. F. Richmond returned home yesterday after an absence of several months visiting in California and other points in the south. Her son, James Richmond, will be returning later.

Have you inquired about your Government Annuity?

On very easy terms you may secure a Canadian Government Annuity, payable at any age you choose. If you wish, it can be placed jointly on your own life and on that of another (your wife, for instance), to last as long as either lives. No medical examination is required.

The terms upon which an Annuity may be had are astonishingly favorable. The wonder of it is that hundreds of thousands of people have not taken advantage of this means of providing an income for their later years.

This advertisement is published to encourage everyone to send for full particulars of Canadian Government Annuities.

These particulars are contained in the booklet here illustrated. Send and get a copy of it free. Use this coupon and address as shown. No postage is necessary, as it is Dominion Government business.

Mail this Coupon—NO POSTAGE NEEDED.

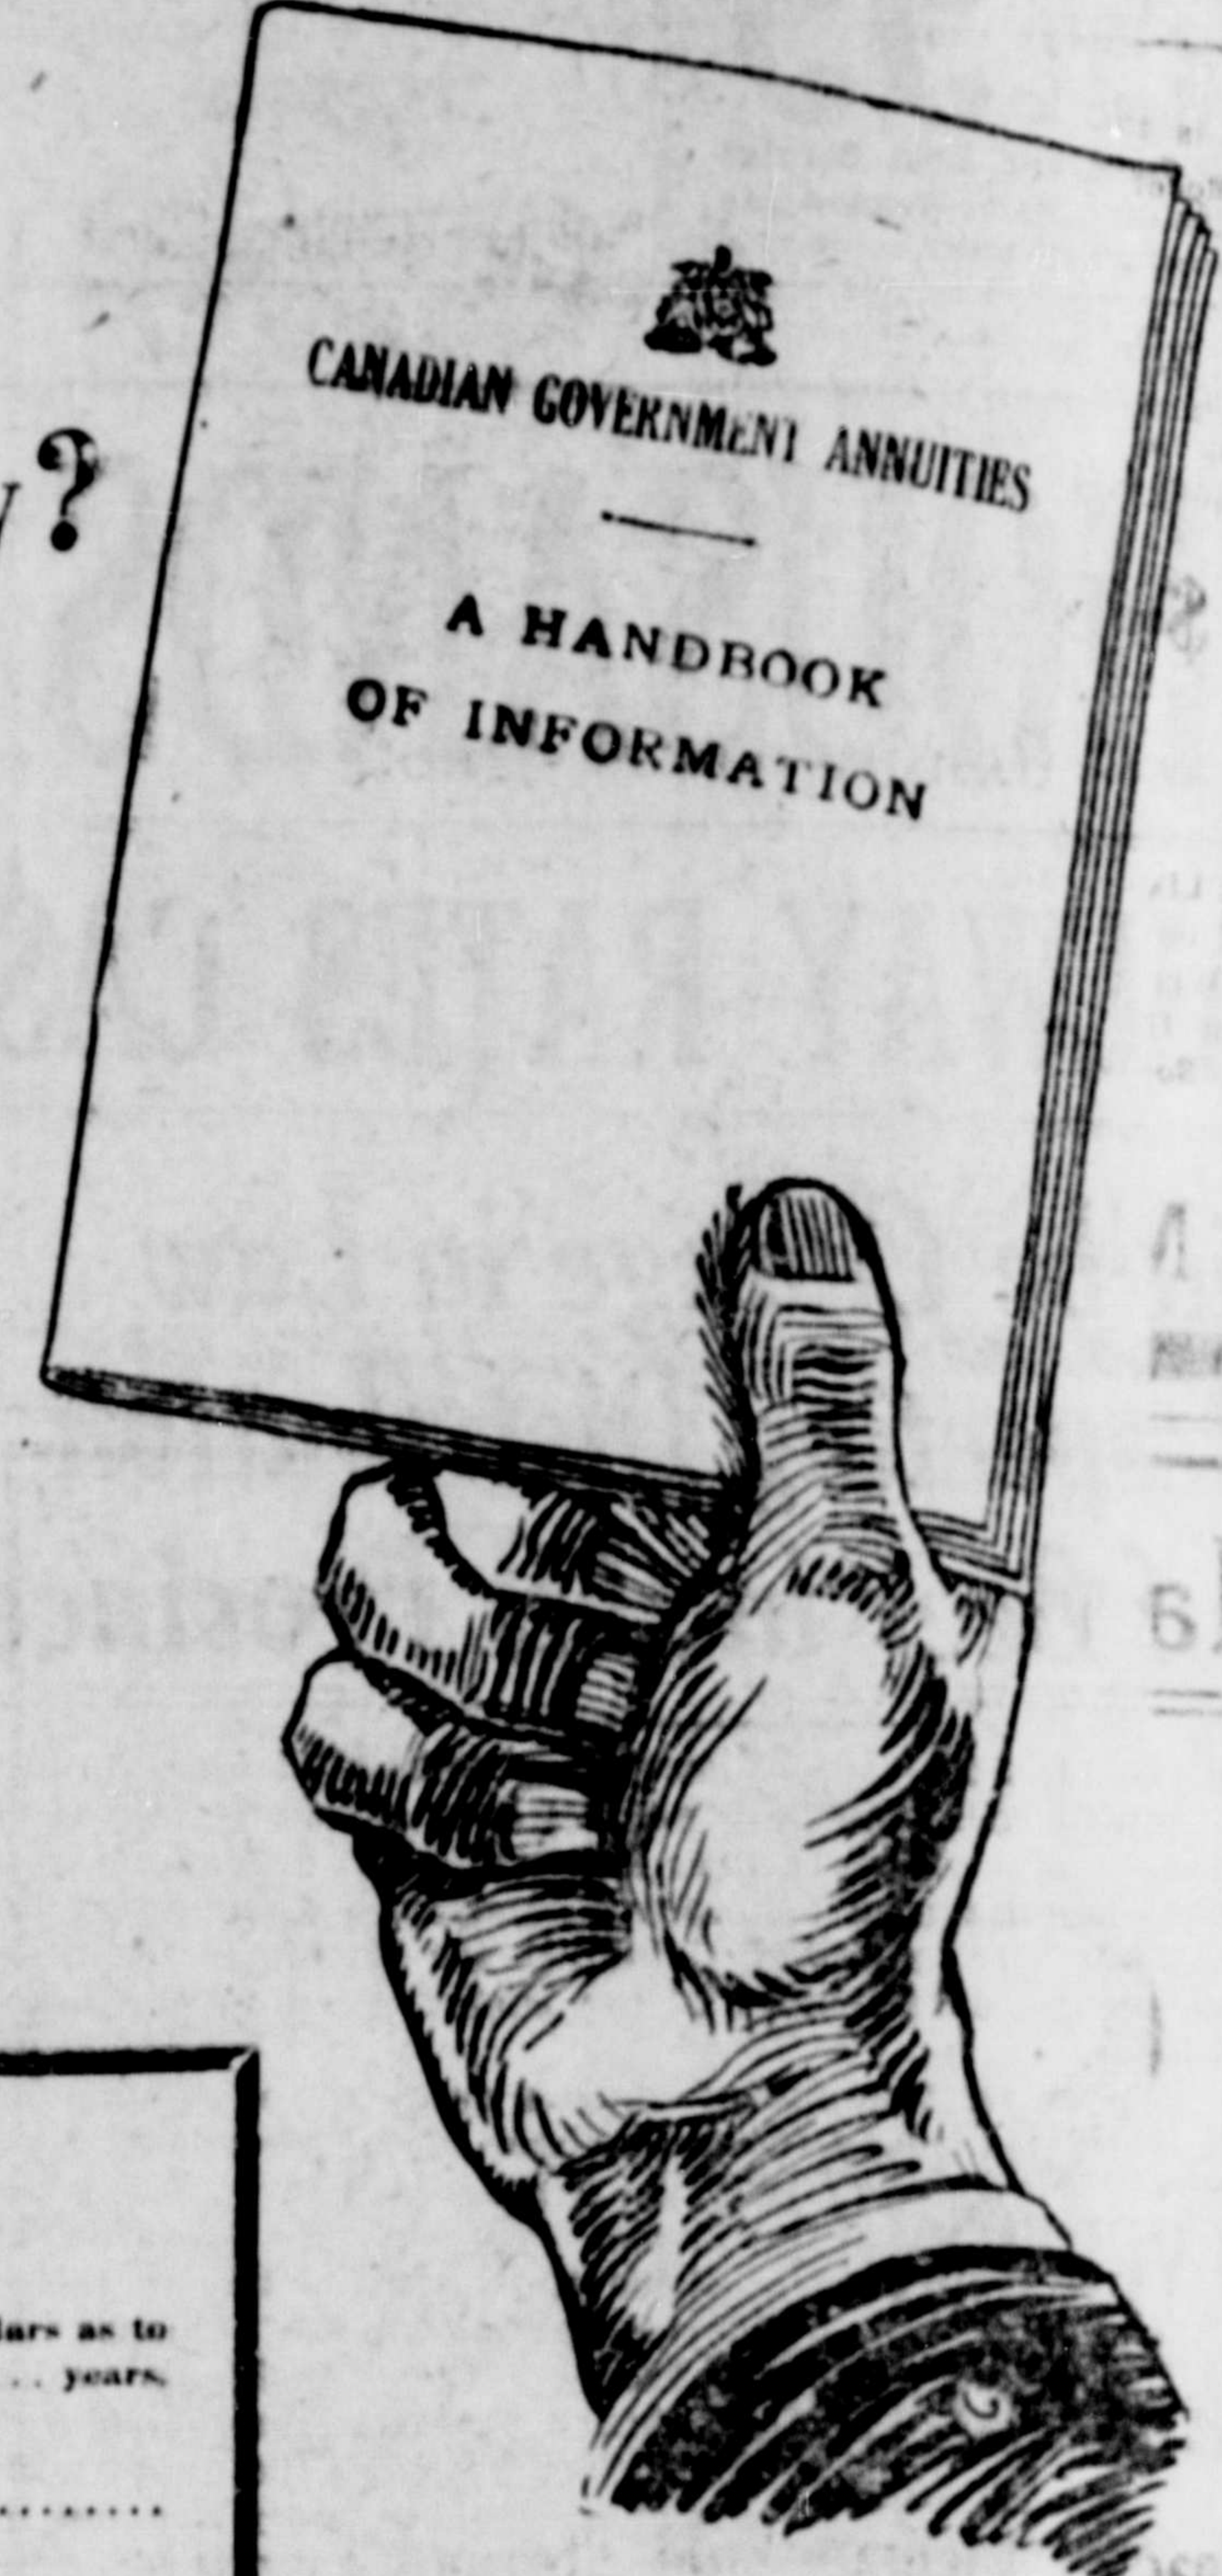

TO DEPARTMENT OF LABOUR,
ANNUITIES BRANCH,
OTTAWA, ONT.

Please send me the "Handbook of Information" and full particulars as to cost of a Canadian Government Annuity. My age last birthday was years.

**EARL RAYMOND HORNING
TAKES VICTORIA BRIDE**

Quiet Wedding Took Place at Forestdale With Reception on Friday

A quiet wedding took place on Thursday, Sept. 13, at Forestdale with the Rev. Wm. C. Mahoney of Telkwa officiating, when Audrey Alice, second daughter of Mr. and Mrs. Thomas Carter of 847 McClure Street, Victoria, B.C., became the bride of Earl Raymond, son of Mr. and Mrs. Fred Horning of Forestdale. The ceremony was performed in the presence of a few intimate friends.

On Friday evening a reception was held at Forestdale at which the many friends of the young couple wished them happiness. Mr. and Mrs. Horning will live at Forestdale.

TENDERS FOR LOTS

Two Bids Received by Council For Double Corner at Beach Place and Eleventh Street

Two bids were received by the city council last night for a tax sale double corner at Beach Place and Eleventh Street, lots 43 and 44, block 5, section 1. They are as follows:
D. V. McDougall, \$210 each cash.
E. Shrubbsall, \$510 for the two, one half cash and the balance in one and two years.

Ex-Ald. Hamilton Douglas had previously offered \$110 each for the lots. The bids were referred to the finance committee for report.

**The Man in the Moon
SAYS:**

THE wiles of a pretty woman are the bait and man is the poor fish.

THE world may owe you a living but if you put the account in the hands of a collecting agency you will find yourself out of luck.

THE female of the species is more deadly than the male. At any rate that is true of mosquitoes.

THE burning question is not

politics or railways or steamships but the price of coal, now that the season of short days and long nights is approaching.

THIS has been a good season for crops and they say the crop of wild oats exceeds all others.

ONE of these pessimists comes along and tells us that all the coal will have been used up in about six thousand years. Then what shall we do? Well, well, don't worry.

AS the mayor of Haysport says, get up in the morning, even if you have to do it before breakfast.

WE have all been looking for the first frost but it seems to be as elusive as a dollar after Christmas.

CHRISTMAS is coming and as the editor will say next month, do your shopping early.

THE hunters have been enjoying themselves but the deer and grouse do not feel much satisfaction at having served their purpose in life.

SINCE I have known Barney Google I am getting to dislike all Irishmen.

EVER since I have been batching I have found that the watched pot never boils is one of those you put on an electric plate.

**HARVESTING IN WEST
NEARLY COMPLETED**

Frosts Have Occurred But Damage Therefrom if any is not Known

Harvesting in the West is well on the way to completion in favorable weather, says the Bank of Montreal report. Frost has occurred throughout the West but the damage, if any, is not yet known. Threshing returns indicate that Alberta has a crop above the average. Saskatchewan a good average and Manitoba below the average. In Quebec the earlier cereal crops are yielding fairly good results, later sowings have not yet ripened. Threshing in Ontario has yielded better results than anticipated. Nova Scotia's crop is a record one while the apple crop is about the same as last year with better quality. New Brunswick expected an average

yield of potatoes. In Prince Edward Island apples are good. British Columbia grain crop is good but below early expectation. Okanagan Valley fruit is now being moved out in large quantities.

BOAT ARRIVALS

The C.N.R. steamer Prince Rupert, Capt. D. Donald, arrived from Vancouver and way ports yesterday afternoon at 4:30. The vessel's passenger list, including a party of the Canadian Club conventionists now on the coast from Toronto making the round trip north, was as follows:

Miss Stevens; Mr. and Mrs. and Miss Vannostrand (round trip); Mrs. Ryan, Mrs. F. E. Gope, A. Strudwick; Mrs. Baynton and Mrs. Holliday (round trip); Dr. C. R. Hastings (round trip); Mr. McGinnis, J. FISH PRICES HIGH

American Offering Got Good Bids
71,000 Pounds Sold Today

Prices for American halibut went soaring on the Fish Exchange this morning, 17.2c being the highest bid of the day. Canadian fish brought considerably lower prices for both first and second classes. Eight American boats sold 58,000 pounds and three Canadians, 13,000 pounds—a total for the day of 71,000 pounds.

Arrivals and sales were:
American
Virginia, 23,000 pounds, at 16.5c and 11c, to the Royal Fish Co.
Pelican, 10,000 pounds and Lancing, 11,000 pounds, at 17.2c and 11c, to the Pacific Fisheries.

Brothers, 6,000 pounds; Vesta, 7,000 pounds and Lincoln, 6,500 pounds, at 17.1c and 11c, to the Booth Fisheries Canadian Co.

Goldfish, 3,000 pounds, at 16.5c, and Nelu, 1,500 pounds at 16c and 11c, to the Canadian Fish & Cold Storage Co.

Canadian
Afti, 8,500 pounds, at 14.5c and 10c, and Azores, 3,000 pounds, at 13.9c and 10c, to the Canadian Fish & Cold Storage Co.

Birdie B., 1,500 pounds, at 14c and 10c, to the Allin Fisheries.

Mr. and Mrs. J. G. Mowatt, who spent the past couple of days in the city in the course of their honeymoon trip, returned to Vancouver by the Prince Rupert last evening.

Mayor Newton, Ald. Collart and Ald. Smith were delegated at last night's council meeting to represent the city at the session this week of the Royal Grain Inquiry Commission.

Miss Lillian B. King, who has been visiting for the last few weeks here and at Terrace, sailed by the Prince Rupert last night for Vancouver enroute to Toronto where she is to be married.

Lena Silver was charged in the police court this morning with the theft of \$200 from Ed. Hansen who claims he lost the money in her place on First Avenue. The case was adjourned until September 26.

Drawing for the raffle of a crocheted tea cloth held last week by the Adair Carss Chapter, Imperial Order Daughters of the Empire, took place at the meeting of the chapter last evening. Mrs. J. G. Steen was the winner.

Referring particularly to Moresby Avenue, Ald. Collart last night complained of vehicles passing barricades and signs placed on closed streets. Ald. Munro, chairman of the board of works, said the matter would be looked into.

The city will place the Sloan house in Westview under the Soldiers' Housing Scheme in shape for rental at the earliest possible date at a cost of \$425. A report to this effect from the housing committee was accepted by the city council last night.

G. W. Nickerson wrote to the city council last night asking for permission to link up his new residence at Agnew Place with the private sewer serving the Catholic School on Fulton Street. The matter was referred to the Board of Works with power to act.

John Clapperton will be permitted to meet regular payments and arrears of his house in Section 7, built under the Soldiers' Housing Scheme at a rate of \$25 a month, a report recommending this from the housing committee being adopted by the council last night.

Nine Toronto delegates to the Canadian Club convention being held at Victoria this week visited the city yesterday making the round trip north on the steamer Prince Rupert. They were met at the steamer by L. W. Patmore, president of the local club, E. C. Gibbons, president of the Board of Trade, Fred Stork, M.P., S. J. McLeod and S. K. Campbell who took them for a drive about the city. The party included Mr. and Mrs. and Miss Van Nossstrand, Mrs. Baynton, Mrs. Holliday, Dr. E. R. Hastings, Mr. Deacon, L. L. Grabill, Mr. Grundy, Mr. Cuthbertson and A. R. Payne.

A real health breakfast

An orange, or dish of fresh fruit, two Shredded Wheat Biscuits with milk or cream, a cup of coffee or tea—you can work a half day on this breakfast and feel fine and fit. Shredded Wheat is 100 per cent. whole wheat ready-cooked and ready-to-eat—no kitchen worry or work. A light, wholesome diet that gives the mind a chance to think and keeps the body alert and active. Shredded Wheat contains all the bran in the whole wheat grain—just enough to stimulate bowel exercise in a natural way.

TRISCUIT

is the Shredded Wheat cracker—a real whole wheat toast—eaten with butter, soft cheese or marmalades.

Discover Better Shaves

—at our expense, men

We are extending to you an invitation millions of men have accepted.

These millions now know the way to faster, easier shaving. We ask you to accept the same invitation they did—to make the same discovery they made:

The shaving cream with five distinct ways to speed up shaving, and to do away with skin irritation.

We made 130 laboratory experiments, spent 18 months perfecting Palmolive Shaving Cream. Now try it at our expense and find these 5 advantages:

It multiplies itself 250 times in rich lather.

Lather lasts for 10 minutes, on your face.

Without rubbing, this lather softens the most perverse beard in one minute.

Strong-walled bubbles hold hairs erect—for easier, cleaner cutting.

Skin is soothed, as the result of the blended, lotion-like palm and olive oils.

The free 10-shave tube will either prove that this is the shaving cream you have wanted—or that we, and the millions of men who use it, are mistaken.

Just mail the coupon. Get it off today.

BRINGING UP FATHER

PRINCE GEORGE

The B.C. Trappers' Co-operative Association is being incorporated here with a capitalization of \$25,000 and an initial membership of 320.

School attendance here this term totals 257 as against 308 when the term closed in June.

Dr. H. Bernhardt of Zurich and F. Beck of Lucerne, Switzerland, spent a couple of days here last week in the course of a tour of Western Canada with a view of settling Swiss people in the Dominion.

The annual Catholic bazaar was held last Saturday in the Ritts-Kifer Hall. It was opened by Father Cocola and was attended by many people, proving a great success.

Norman S. Fraser, president of the Ashcroft Board of Trade, visited Prince George last week, his mission being to interest the people of the central interior in the Fraser River canyon as the route to be selected for the connecting link in the provincial highway system.

Ernest H. Livingstone, pioneer boat builder, trapper and fur trader, left last week for the south where he may decide to locate. Mrs. Livingstone accompanied him.

Starting the year off with a deficit of \$300, the Prince George Fair will wind up even this year. W. P. Ogilvie, president announces. At the annual meeting to be held soon, a movement will be launched for the establishment of permanent quarters and also for the addition of a race track equipment.

George Milburn, government agent, is building a residence at the corner of Laurier Crescent and Tofield Street. A. P. Anderson has the contract.

The city council has decided to demand that J. D. McArthur give a guarantee of his intention to erect a sawmill here before it consents to his crossing city streets with his railway spur.

Station Agent William Armstrong is away on holidays and W. A. Cober of Edmonton is here relieving him.

J. B. Lambert and family have returned to Prince George after an absence of over a year. Mr. Lambert will make this city his headquarters for the future.

Judge F. McB. Young of Prince Rupert is here visiting with his son, Alex. McB. Young.

Hon. W. H. Sutherland, minister of public works, Capt. Ian Mackenzie, M.L.A. of Vancouver and P. Phillips, chief engineer, passed through here last week en route to the Peace River country where they will spend three weeks. They were joined here by H. G. Perry, M.L.A. and A. Dixon.

Nerve-Worn Women Gain Strength and Vigor by Using Dr. CHASE'S NERVE FOOD

district engineer.

Mayor Johnson, Mrs. Johnson and Miss Virginia Johnson have returned home after spending several weeks motoring in the Pacific States.

TELKWA

The visitors who attended the Rupert Fair have all returned. They enjoyed the outing very much and appreciated the efforts of the citizens there to make their stay so pleasant.

Taking advantage of the good roads and fine weather, Mr. and Mrs. Couldwell and O. H. Wall drove to Hazelton on Sunday.

The Ladies' Aid of the Union Church held their first meeting of the season on Tuesday last at the home of Mrs. T. M. Owens. The report from the barbeque was discussed and tentative plans made to hold a harvest supper in the near future.

Grouse and rabbits are very plentiful this year and the hunters are well satisfied with early outings.

Mrs. C. R. Goodacre nee Miss B. W. McDonald has spent the past week visiting her parents in town.

A. B. Tritts arrived last week, and with O. A. Reigle proceeded to the latter's claims at Hunter Basin.

Mrs. Pat. Spouse entertained at the tea hour on Thursday in honor of her guest Mrs. A. J. Neve of Tatlow.

The next event will be the Smithers' Fair. Entries of various kinds are being made and all are looking for good sport in the horse races and ball games.

The Ladies' Guild of St. Stephen's Church held their opening on Tuesday last at the home of Mrs. J. S. Brayfield.

J. H. Tieburst left on Saturday for Calgary whence he will purchase horses for the Gungenheim interests at Dome Mountain.

D. D. Munro drove to Houston on Saturday to attend the Fair. He was accompanied by Mr. and Mrs. F. M. Doekrill.

NEW HAZELTON

Dr. G. A. Patrie, for several years assistant to Dr. H. C. Wrench in the local hospital, left on Saturday for Terrace where he will be located in future.

Hon. W. J. Bowser and R. H. Pooley were accorded a splendid reception at their political meeting here last week.

Mrs. G. D. Parent has left for Montreal with her boys who will take up studies there.

A. R. McDonnell of the fisheries department has gone on a three week's trip to the Blackwater country.

W. Wattle, for several years manager of the R. Cunningham & Son store here, has resigned that position but will remain in the district. He will be succeeded at the end of the month by A. A. Connon of Burns Lake.

Miss Stephens has arrived from Nanaimo to succeed Mrs. McCutcheon as assistant superintendent of the hospital here. Mrs. McCutcheon left yesterday bound for her old home in London via Prince Rupert and Vancouver.

TERRACE NOTES

P. A. Ankatel Jones, who is to be fruit judge at the Terrace Fair is in town.

Fred Hale who has been travelling for James Thomson, for some years and is well known in Terrace made his last trip to town in the interest of that firm last week.

Mr. and Mrs. E. T. Kenney and family returned from Rupert Friday night after attending the Fair.

Mrs. M. L. Fairbairn of Toronto, is visiting her daughter Mrs. F. T. Ross.

Mr. Mitchell of Seranto, B.C., is in town for a few days.

James Richmond made a trip to New Hazelton over the week end.

Mrs. O. T. Sundal and Miss Gladys Kenny returned from Rupert Friday night.

Mrs. Helliwell and Miss Helliwell attended the Prince Rupert Fair again this year.

Mrs. F. T. Ross entertained a number of her friends at tea on Thursday to meet her mother Mrs. Fairbairn.

Misses Marion and Ethel Christie left for Rupert on Thursday.

Major Taylor, district engineer, was in town on business last week.

The annual meeting of the Terrace, Kitsumkalum Parent-Teachers Association was held

MESSAGE FROM FAR GREENLAND

Jack Barnsley Receives Interesting Despatch on His Wireless Instrument.

The doings of the McMillan expedition on the schooner Bow-doin in winter quarters at Refuge Bay, ten miles north of Etah, Greenland, are told in a special despatch received here, as mentioned yesterday, by Jack Barnsley and relayed by him to New York. The message says:

"We are in Refuge Harbor, North Greenland, ten miles north of Etah, our winter quarters in 1913 to 1917. We have decided to remain here for the winter as all conditions for good harbor and accomplishment of our scientific work and sledge travel are most satisfactory. Cape Sabine, where seventeen men of the Greely expedition died of starvation in 1881, is across the narrowest part of Smith Sound, only 24 miles distant. This distance we can easily cover with our dogs in six hours when the time comes for us to set up the tablet entrusted to us by the National Geographic Society of Washington. At the present time Smith Sound and Kane Basin are choked with ice coming in an endless stream from the Polar Basin down through Kennedy and Robeson Channel. Strong northerly winds will probably clear this out within the next two weeks giving us an opportunity to hunt walrus for our winter meat supply.

"We have the meat of five walrus already packed away under rocks. The ship is practically unloaded all our food being packed up in boxes on shore. The magnetic observatory is nearly ready for installation of our instruments. Regular observations will begin with a few days.

Found a Cairn

Here on the west cape of Refuge Harbor we found a cairn built seventy years ago by the first American Arctic explorer Doctor Elisha Kent Kane. Here he celebrated his farthest north in Smith Sound by waving a flag made from his cap lining bound to the gun ramrod. This flag we found in 1914, sixty-one years later, under an iron pot a few miles north of our present location. We left Godthaab, South Greenland, on July 31, after being royally entertained by Danish inhabitants and native Eskimos. We encountered head winds at every stage of the journey northward but fortunately very little ice and in general clear weather due to northerly winds the most favorable for the trip northward since it sweeps ice out of Melville Bay.

Many Natives Died

We followed what is termed by whalers the Inside Passage laying our course fairly close to shore in order to circumnavigate the pack, reaching Cape York, 76 degrees north latitude on August 6th. We met our old friends of the last fifteen years and learned the whereabouts of various members of the tribe. We were sorry to learn of the death of at least one-fifth of all Smith Sound natives due to influenza. Several of Peary's best dog drivers are dead and many of my expedition of nineteen thirteen to seventeen.

"The natives are apparently a bit discouraged and quite a number have moved southward to better hunting grounds in the vicinity of the big capes bordering Melville Bay. All seemed anxious to accompany our expedition. From the number I have selected

LIFE BURDENED BY DYSPEPSIA

Health and Happiness Came With "Fruit-a-tives"

Made From Fruit Juices and Tonics

"Fruit-a-tives", the wonderful medicine made from the juices of apples, oranges, figs and prunes, is one of the greatest means of doing good that this country of ours has ever known.

"Fruit-a-tives" is bringing health to hundreds and hundreds of people who suffer with chronic Constipation, Biliousness and Dyspepsia.

Mr. Frank Hall of Wyevale, Ont., says, "I purchased a box of 'Fruit-a-tives' and began the treatment. My condition improved immediately. The dyspepsia ceased to be a burden of my life as it had been, and I was freed of Constipation."

50c a box, 6 for \$2.50, trial size 25c. At dealers or sent by Fruit-a-tives Limited, Ottawa, Ont.

the famous Flookashoo and his brother Kakoteeah, two of the finest boys in the tribe. The name of the former you will remember figured largely in the Cook-Pearry controversy as he was the companion of Doctor Cook on his romantic North Pole trip. His story today is the same as told Peary fourteen years ago, namely that the party went west and south and not north.

"On our way up the coast we called at several places but with greatest interest at Etah where we lived four years. Our large and very comfortable house has been completely demolished. The site is marked only by scrap iron and rusty tin cans as wood is more precious than gold in this section. This was the natural result.

Met the Arctic

"At Etah we met the Canadian ship Arctic bound for Cape Sabine to put in a police station for the purpose of protecting the wild life of Ellesmere Land, especially musk oxen, against annual hunting excursions of Greenland Eskimos.

"Have just learned from Prince Rupert station of the Japanese earthquake disaster, and other world events." (Signed Mac-Millan.

Operator Donald H. Mix, of Bristol, Connecticut, advises that he is hearing amateur radio stations in all parts of Canada and United States but so far has only been able to communicate with Prince Rupert station (9BP) since they arrived at winter quarters on August seventeenth.

KNIGHTS OF PYTHIAS AT OLD TIME PARTY

Varied Entertainment at Affair in Lodge Hall Last Night

The old time party held by the Knights of Pythias and Pythian Sisters in the K.P. Hall last night was very successful. Community singing was the dominant feature of the evening in which the K.P. choir of thirty-four members was the leading factor. During the evening a short address was given by F. W. Hart on "Early Days of Pythianism in B.C." Games of every description were entered into with much zest and the publication of the "Daily Wail" caused a great deal of amusement. Delightful refreshments were served in buffet style at midnight.

Cyril Westaway, Chancellor Commander, acted capably as master of ceremonies. The joint social committees of the Knights of Pythias and the Pythian Sisters were responsible for the success of the evening.

JAPANESE FUND IS INCREASING

Thousand Dollar Order Placed by Mayor Newton for Immediate Shipment

The Japanese relief fund is being swelled this afternoon through the efforts of Mayor Newton, the aldermen and citizens assisting who have instituted a personal collection campaign. Teams have been told off for various parts of the business section and are now working. The idea is to get as much money as possible at once in order to get shipments off on the steamer Canadian Skirmisher sailing for Japan this week. This morning Mayor Newton announced that an order for \$1,000 worth of canned salmon had been placed with the Canadian Fish & Cold Storage Co. for immediate delivery to the ship.

Mayor Newton headed the following voluntary subscription list with a donation of \$125, a month's salary as mayor. Each of the aldermen, it is understood are following suit with \$25 each.

A worth-while Reputation

The head of one of this country's great manufacturing institutions says:

"The Man who builds and the man who buys are both beneficiaries of reputation. To the one it is a continuous spur and incentive--to the other, the strongest of all guarantees that what he buys is worthy."

Patronize the manufacturer or merchant who has a reputation for honesty and fair dealing. Such motives must actuate the consistent advertiser. The man who invests real money in building a reputation for himself and his merchandise cannot afford to risk any of it by taking unfair advantage of his customers. He must retain the good-will of the buying public. Without this, his business cannot succeed.

Every time he advertises he puts his reputation in your hands. His products or the wares he has for sale must make good. His service must be as advertised.

That is why it pays to read advertisements, to deal with advertisers and to buy advertised goods.

Yes, it is worth your while to Read The Advertisements

CITY MANAGER PLAN DEFENDED

Separation of Legislative and Executive Functions Forces Beneficial

WINNIPEG, Sept. 18.—(By Canadian Press.)—Mortiz, city manager, Grand Forks, Minn., addressed the Union of Canadian Municipalities at its annual convention on "The Council-Manager Plan of Municipal Government." He pointed out that there were 324 cities in the United States and 310 in Canada.

The council-manager form of government, he said, had been developed to effectively meet two requirements. First, a capable executive body to determine the policies to be adopted, and available as an advisory board. Second, a competent executive organization to efficiently administer the policies decided on. The Mayor is the chairman of the board and has no vote or separate administrative powers. The functions of the council are to hire and supervise the city manager who has his office at their pleasure; to vote appropriations, to pass ordinances and bylaws and to contribute to the city government of the amateur and representative element. The city manager is always the servant of the council, but he may recommend to the council for adoption such measures as he may deem necessary or expedient.

Among the outstanding achievements of the plan were the abolition of patronage, the creation of efficient methods, the development of professional executives, the shifting of discussions in municipal campaigns from personalities to issues, and separation of legislative from the executive functions of city government.

SHOT BY TWENTY-TWO RIFLE BY ACCIDENT

Man Was Practising Marksman-ship When He Wounded Person on Station Platform

EDMONTON, Sept. 18.—As the man above the right hip by a bullet from a .22 rifle, apparently fired by P. E. LeBrie, of the B. and N. depot, Edison, A. L. Sayer is a patient in the General Hospital. The accident happened when Sayer, in company with another man, was lying asleep on the station platform at Lobstick. LeBrie was practicing shooting at a little distance off, and was apparently unaware of the fact that the two men were asleep on the platform. Soon the cries of Sayer were heard and it was discovered that he had been shot by a bullet supposedly from LeBrie's rifle.

Fortunately the accident happened about twenty minutes before the east bound train was scheduled to arrive, and the injured man in company with his companion, and LeBrie came to the city. On arrival in the city Sayer was met by Dr. and Patterson's ambulance and conveyed to the General Hospital where he was attended by Dr. Boulanger. It was discovered that the bullet had lodged in the back somewhere near the spine.

Sayer is a man of about 40 years and has been employed as a grain dealer for the C. N. at Lobstick Junction. LeBrie surrendered himself to Provincial Police on arrival in the city.

SCHOOLBOARDS OPPOSE CHANGE

Victoria Passes Resolution Against Giving Councils Full Control of School Money

VICTORIA, Sept. 17.—A resolution asking the British Columbia Trustees' Association to combat the efforts of the Union of British Columbia Municipalities to have the control of the schools placed under the municipal councils was passed unanimously by the City School Board. The resolution was moved by Trustee P. R. Brown, who declared that as the trustees were chosen by the same electorate as were the Mayor and Council, the board was capable of handling school matters economically. The resolution read as follows:

"Whereas at the recent meeting of the Union of Municipalities, a resolution was passed requesting the Government to give to the city council of the various municipalities full control over the affairs of their respective school boards; and

"Whereas the interests of education demanded that the schools shall be maintained at least at their present state of efficiency; and

"Whereas the selecting of suitable teachers as well as the administration of the schools in general is a special business that requires great care and preparation on the part of some committee of citizens, selected for such work;

"Therefore, be it resolved, that the British Columbia Trustees' Association be asked to express its disapproval of the above resolution."

Objectionable Clause

When the resolution was originally placed before the board, it contained the following in the preamble in addition to the above: "Whereas the avowed intention of the Corporation of the City of Victoria in endeavoring to obtain control of the schools is

Change of Water Change of Diet Change of Climate Cause Diarrhoea

Mr. Fred Palmer, 217 Dalhousie St., Brantford, Ont., writes:—"When I first went out to the North West the water played havoc with my bowels, and being in a remote spot I could not get anything to give me relief for any length of time.

I wrote and told my wife about the time I was having and she sent me a bottle of Dr. Fowler's Extract of Wild Strawberry, and I cannot speak too highly of it for what it did for me.

Whenever the children have any bowel trouble from eating fruit or drinking strange water, which they have done for the past five years, living in the country, the only remedy we use is 'Dr. Fowler's,' and nobody should be without it as it cannot be beat for instant relief."

Dr. Fowler's Extract of Wild Strawberry has been on the market for the past 78 years, you don't experiment with new and untried remedies when you buy it, but be sure and get 'Dr. Fowler's' when you ask for it as a substitute may be dangerous to your health.

Price 50c a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.

to reduce expenditures, irrespective of consequences."

At the suggestion of Trustee Christian Sivertz, this portion as struck out. Trustee Beckwith said that while its insertion was justified on the basis of statements made by the members of the city council, it was not always well to take these seriously. Trustee Brown consented to the deletion, but also declared that the sentiments of the aldermen were as stated. Only that morning, he said, one of the council members had told him there were hundreds of teachers walking the streets of Victoria looking for work, and the salaries should be reduced.

Criticizes Union

The resolution in reference to the stand taken by the Union of Municipalities as seconded by Trustee Beckwith, who remarked that the union sometimes did not have much to do and so held free-for-all discussions that evoked such resolutions as that objected to by the board. He thought the time of the organization would be better spent in trying to unite the people of the various municipalities instead of dividing them. The great need in British Columbia was co-operation. He did not think that the councils of the larger centres desired to handle school business. Aldermen were complaining of too much work already.

Trustee Walter Walker supported the resolution, saying that he had served on the city council, and was now in his second year as trustee, and believed that the latter position required the most work although it was unpaid.

PROVINCIAL BANK WILL BE DISCUSSED

Farmers' Institutes Will Press for Its Establishment and for Other Matters

Victoria, Sept. 17.—Three years ago, during the pre-election campaign, Hon. John Hart came out in favor of the establishment of a provincial bank, which will accept the savings of British Columbians and use its funds in the development of industries based on the country's natural resources.

The farmers of British Columbia, intends to make a keen fight for the establishment of a rural credits system by the Provincial Government, and they will also work for the creation of a Federal bank as well, similar to the Commonwealth Bank of Australia.

Farmers' financial problems and the provincial bank question are slated for full discussion at a special conference of the Farmers' Institutes of British Columbia, to be held in Nelson on Tuesday, October 18.

Representatives of the Farmers' Institutes who have been in close touch with members of the government regarding the banking proposal say that the matter has been shelved long enough, and that the Institutes will make a request for definite action by the Legislature.

Charge Small Interest

They point out that if the provincial bank was operated at cost it would be able to pay deposi-

tors four per cent interest, and loan money out to the agricultural and other industries at five and one-half per cent, which would be about 2 per cent lower than the rate available from private banks at present.

The contention that government management of banks would tend towards inefficiency is answered by the farmers with the assertion that the government banks have been successful in some of the other countries where they have been undertaken.

The farmers will also ask the Legislature to afford greater assistance in the matter of co-operative marketing of agricultural products. Extension of authority for Fruit Markets Commissioner J. A. Grant on the prairies is being sought.

Reassessment of farm lands throughout the Province, representation of the agricultural interests on the Game Conservation Board, construction and maintenance of roads and educational affairs are likely to be brought before the Government during the next session of the House by the Advisory Board of the Farmers' Institutes, which meets in Victoria during the second week of the session.

Sport Chat

George Sisler, star first baseman for the St. Louis Americans, who has been unable to appear in the line-up this year on account of eye trouble, hopes to be able to play again next year and if the condition of his eyes is satisfactory he will be appointed manager of the team. Sisler's enforced retirement, which has been one of the big disappointments of the Big League season this year, is believed to be responsible for the unfavorable standing of the Browns as compared with last year when they fought the New York Yankees a hot battle for the pennant. Jimmy Austin, coach and utility player, has been named pilot of the team but with the understanding that should Sisler be in condition next year he would be appointed manager with Austin assistant manager.

John B. Day, aged 67, founder of the New York Giants, who sacrificed a fortune to save the National League, is revealed as the victim of one of baseball's greatest tragedies. Once he occupied the position now held by Charles A. Stoneham—owner of the Giants. Now he shuffles, a paralytic, to the Polo Grounds to sit at a gate to receive the \$5 he gets each time the Giants play in New York. With Day's money, James Mutrie, himself now a penniless septuagenarian, organized the Metropolitan team in 1881. The team played in the first world's series against Providence in the Old Polo Grounds in 1884. Mutrie and Day prospered, their team became the Giants and then the Brotherhood of Ball Players organized forming an outlaw circuit in 1890. Day's players left him and he mortgaged all his possessions to obtain another team. In the end he was wiped out. For a while he managed the Giants on salary, then became an inspector of players and umpires. After being stricken with paralysis he was pensioned.

Accounts up to September 15 totalling \$51,843.49 were passed for payment by the city council last night.

MAIL CONTRACT.

SEALED TENDERS, addressed to the Postmaster General, will be received at Ottawa until noon, on Friday, the 15th October, 1923, for the conveyance of His Majesty's Mails, on a proposed Contract for four years, thirteen times per week on the route between Prince Rupert and Street Letter Boxes, etc., from the Postmaster General's pleasure.
