GERMANS UNABLE TO ADMINISTER RHUR

LABOR AND LIBERAL MEMBERS ROUNDLY ABUSE BALDWIN FOR ELECTION

*Legislative Library,
Parliament Buildings,
Mar. 31/24*
**British Opposition Members are
Angry at Having to Fight Another
Election at Dictates of Baldwin**

OTTAWA, Nov. 14.—Dissatisfaction with the decision of the government to hold an immediate election is manifest on every side. The views expressed by the press publicly indicate the idea that the election is extremely unpopular. The government's supporters reluctantly acquiesce while their political opponents are disgusted and resentful. Some of the comments are vicious and Premier Baldwin is charged variously with unexampled levity, shabby manoeuvring, trickiness, and with having lapsed from the traditional honor and decency of public life.

There is no doubt but the Liberals, Labor members and Socialists are very angry.

NO DECREASE IN JAPANESE

Canners Complain of Being Injured by Reduction Last Year and Protest

HAS WORKED WELL

Lapointe Expects Close Season on Halibut to Go into Force Next Year

OTTAWA, Nov. 14.—The policy of gradual exclusion of Japanese fishermen from the fisheries of British Columbia is working very well. Hon. Ernest Lapointe stated on his return from a tour of the Pacific coast. He said the canneries represented to him that it was doing injury to them as the white fishermen were not working as hard as the Japanese. He had been waited on by the canneries of B.C., who stated that the remedy for the situation was the readmission of Japanese fishermen to full privileges.

Last year there was a reduction of 40 per cent in the number of licenses issued to Japanese. Mr. Lapointe said, but so far no further reduction had been decided upon. He intimated that the canners had made strong representations against any further reduction this year.

Speaking of the halibut industry, Mr. Lapointe said there would be no close season during the present year but he was confident the United States congress would pass legislation to bring into effect the agreement with Canada.

LABOR COUNCIL BACKS STRIKE

Urge Assessment Toward Funds; Pritchard Anticipates Defeat With Threat

VANCOUVER, Nov. 14.—The Trades and Labor Council at a special meeting last night voted to support the longshoremen's strike in British Columbia as far as possible and invited all organized labor men to contribute half a day's pay per week to the strike fund.

At a special mass meeting here Sunday to discuss the situation W. A. Pritchard, representing the Longshoremen, said the strikers may possibly be defeated but "there will be hell before we give in."

BARRISTER DIES

VANCOUVER, Nov. 14.—Stuart Livingstone, a prominent local barrister died here aged 58. He was born in Hamilton, Ontario, that she knew it was a man.

BRIDGE OVER SKEENA RIVER

Good Progress Made with Substructure at Little Canyon, Terrace

ROAD WELL ADVANCED

Yesterday was the first anniversary of the opening of the public library here and it was marked by the receipt of a handsome donation of \$25 from the Adair Cars Chapligr.

The librarian reports that 31,105 books have been issued during the year and that there are at present 1350 active members of the library.

PRISON AND LASHES FOR BOYS WHO STOLE GAS FROM STATIONS

VANCOUVER, Nov. 14.—A total of 24 years imprisonment and forty lashes was the sentence pronounced by Magistrate Shaw in the police court on Stanley Jones and Harry McDermott, young lads who pleaded guilty to robbing gas stations here. The sentences will run concurrently.

The boys motored from Los Angeles in a stolen car.

LABOR COUNCIL IS TO STAGE BANQUET

Vancouver Longshoremen's Strike Situation Discussed Last Night But No Action Taken

It was decided by the Trades & Labor Council last night to hold a banquet early in December. The following committee was delegated to take charge: James Black, chairman; J. J. McNeall, S. D. Macdonald and T. Ross Mackay.

The Vancouver longshoremen's strike situation was discussed and information was submitted that six men had been killed and 87 injured as a result of accidents due to inexperienced labor. No action was taken.

SOMEBODY TRIED TO ENTER PRIESTS' HOUSE

Yesterday morning Bishop E. M. Bunoz notified the city police that someone had attempted to gain entry to the Catholic priests' house by means of a rear window at 1:15 in the morning. The housekeeper was in the room at the time and frightened the culprit away but was unable to establish identity beyond the fact that she knew it was a man.

G.N.R. steamer Prince George Capt. W. S. Morehouse, from Vancouver and wayports, is due to arrive on time this afternoon at 3 o'clock.

Miss Irene Pergantis of Atlanta, Georgia, won the honor of being named the prettiest girl in her state, which at that, claims to have a "few beauties."

Swiss Immigrants Arrive at Terrace and are Looking for Land While Working in Camps

Eighteen young Swiss immigrants reached Terrace last week from the prairies where they have been working for the past three months in the harvest fields. Their intention is ultimately to take up land, conditions at Terrace being more like their native surroundings than on the prairies. Four of them have left for Vancouver but the remaining fourteen have found work for the winter, some being employed on government road work and some by George Little. They seem to be quite satisfied with their surroundings although, being quite young and inexperienced, they are apt to become discouraged. The people have, however, been assisting them in every way possible to locate.

COUNCIL ASKS GOOD PRICES FOR ROAD HERE

Finance Committee Instructed to Draft Resolution for Submission to Victoria

The city council last night instructed the finance committee to draft a resolution for submission to Victoria asking that steps be taken at once by the provincial government towards building the road out of this city. The matter was brought forward by Ald. Collart in the course of a discussion which followed the receipt of a letter from the city council of Kamloops requesting the city to forward to the government its approval of the Fraser River route for the trans-provincial highway in the south. The request was acceded to, the council having already endorsed this route. The resolution asking for the local road will also be submitted to other municipalities in the province for their approval.

In submitting the proposal that the city council should take up the matter of the local road with Victoria, Ald. Collart expressed the opinion that, since the negotiations with the Grand Trunk Pacific Development Co. had been completed, there were no obstacles remaining to prevent the work being proceeded with immediately. Accordingly it was decided to have the finance committee draft the resolution, Ald. Macdonald and Ald. Perry moving to that effect.

German Government is Unable to Administer the Occupied Provinces

BERLIN, Nov. 14.—After an all-day session the Federal Government admits it is unable to continue to administer the Ruhr and Rhineland and issues a statement saying it must leave these sections to their own devices and to the tender mercies of the army of occupation.

The situation throughout Germany is quiet. The return of the ex-crown prince to the bosom of his family in Silesia has apparently little affected the populace.

Dutch authorities indignantly deny that they have connived at the return of the ex-kaiser to Germany. He is still at Doorn Castle.

POLICE SECURE U.S. PRISONER

LUMBER SHIPMENT BEING ASSEMBLED WILL BE LARGE ONE

For the next G.G.M.M. steamer to come here to load for the Orient, there is already 384,715 feet of spruce and hemlock squares and boards lying on the dock. The vessel is not now expected much before December 15 and by that time there will be 800,000 or 900,000 feet ready for shipment.

GOOD BEGINNING IS MADE TOWARD GETTING FUNDS FOR CHILDREN

A good beginning has been made toward raising funds for furnishing the projected children's ward at the hospital. At a meeting in St. Andrew's Hall last night, Miss Macdonald, the regent, in the chair, there was a meeting of Hill 60 Chapter I.O.D.E. at which it was reported that the net proceeds of the recent bazaar amounted to \$175. In all something like six or seven hundred dollars is needed for this purpose as it is proposed to furnish the ward well.

Plans are being made for a tea toward the same fund to be held early in December and preliminary arrangements are in hand for the big annual New Year dance.

According to the police, Delino is said to admit his identity. He is held here pending the arrival of officers from Scranton.

CONFERENCE ON IMMIGRATION

Representatives of Governments and Transportation Companies Meeting Today

Ottawa, Nov. 14.—A conference on immigration attended by officials of the federal and provincial governments and ocean and railroad transportation companies opened this morning. The object of the conference is to inform the provincial government of the steps taken or proposed by the federal government to secure the formation of the Oona River and transportation officials of Farmers' Institute. It is to be the steps taken or proposed by the federal government to secure the formation of the Oona River and transportation companies opened this morning.

Railway freight rates for the lumber from Terrace are \$3.63 per thousand for hemlock and \$3.08 for spruce and from Royal Mills, \$4.30 and \$3.75. The interior mills are hoping that the railway will give further reductions in rates for export business. The volume is increasing and over \$100 on a car of lumber for a short haul of 100 miles is expected within the next thirty days.

Railway freight rates for the lumber from Terrace are \$3.63 per thousand for hemlock and \$3.08 for spruce and from Royal Mills, \$4.30 and \$3.75. The interior mills are hoping that the railway will give further reductions in rates for export business. The volume is increasing and over \$100 on a car of lumber for a short haul of 100 miles is expected within the next thirty days.

(a) To improve conditions of rural life so that settlement may be permanent and prosperous;

(b) To promote the theory and practice of agriculture by lectures, essays, the circulation of information and other educational methods, and to stimulate interest by exhibitions, prizes, and other means;

(c) To arrange on behalf of its members for the purchase, by the Canadian Fish & Cold Storage Co. to Capt. R. Perry was dismissed in the Court of Appeal and generally to act on their behalf in the matters incidental to the sale of the vessel;

(d) To promote social inter-

change and mutual helpfulness, and to do with the subsequent diffusion of knowledge, and sale.

Olsen claimed five per cent commission.

COMMISSION ON SALE OF SCHOONER SKUGAID DISALLOWED BY COURT

A claim made by M. P. Olsen for \$600 commission in connection with the sale on April 5 last for the sale of the schooner Chief Skugaid to Capt. R. Perry was dismissed in the Court of Appeal and generally to act on their behalf in the matters incidental to the sale of the vessel;

(b) To promote social inter-

change and mutual helpfulness, and to do with the subsequent diffusion of knowledge, and sale.

Olsen claimed five per cent commission.

**Many Questions
In Legislature.**

Great activity in the matter of questioning is being shown in the Legislature this year and the staffs of the various departments are being kept very busy preparing data for the members who make the inquiries.

Always when the Legislature is in session it is difficult for the civil servants to carry on their work and the more questions are asked the more interference there is and the more overtime the employees have to work.

The main object of the questioning is to make political capital. An example of this was shown the other day when the Parsons member for Victoria, Rev. Canon Hinchliffe, asked whether F. van Sicklin was employed in the lands department and did he leave Canada for the U.S.A. during the period of the recent Great War. The answer to the question was that van Sicklin was attending boarding school in Portland. In August, 1914, although barely 15 years of age, he endeavored to enlist in the 50th Gordon Highlanders, but, being unable to conceal his age, was rejected, and returned to school in September. In December, 1915, while home on vacation, he attempted to join the 103rd Battalion, with similar results. In January, 1916, he was permitted to join the Canadian Army Service Corps, but after serving ninety-seven days was declared medically unfit for overseas service and was discharged on April 15th. In October, 1917, he made a further unsuccessful attempt to join the Royal Air Force.

**City Should Be
Always Dressed Up.**

The secretary of the Shawnee Board of Commerce writes asking for a discussion on making a city attractive and suggests that a city should not be dressed up only occasionally, but all the time for the first impression a visitor gets of a city is its appearance. He also suggests that citizens will get out of a city what they put into it and they cannot get something for nothing. "If they don't keep the city dolled up nobody will do it for them."

The secretary of the Shawnee Board of Commerce, E. R. Waitt, is evidently a live wire. He has written several letters to the editor of this paper in regard to civic matters and always has something to say that is worth thinking about. Incidentally he is advertising Shawnee, Oklahoma.

Trimming up a city and doing it continuously is a good suggestion. Prince Rupert can stand a little of it. If each resident does a small share in making his own place as neat as possible and in the spring and summer beautifies it with flowers and lawn, the effect will be wonderful. Tourists like to see neat gardens and nothing appeals to a visitor like a place where the buildings are painted, the gardens are pretty and the vacant lots are unencumbered. Prince Rupert has just made its debut as a tourist city. Next year there should be many more visitors than last and efforts will be made to show them around a wider area. Having this in view we should unite on a policy of improvement that will indicate progress.

**British Elections
And Canada.**

Canadians will all watch with unusual interest the progress of the election campaign now being carried on in Great Britain. This country is vitally interested yet she has no say in the outcome. Anything that may be written here is purely looking at the contest as outsiders and yet with the knowledge that much depends upon the outcome for us as well as for the people of Britain.

Some of those who are free traders will have mixed feelings in connection with the contest. While on the one hand they would like to see the free traders win, on the other they would like Britain to be able to extend a preference to Canada, of which cannot be done under the present fiscal policy of that country.

Canada gives a preference to British goods over every other country. She gets nothing in return. If protection becomes the British policy, that country will reciprocate and Canada will have a preference over all countries outside the Empire in the British market. That is something tangible which will undoubtedly appeal to many people here. It will tend to increase our business with the motherland and also will tend to unite the Empire.

**BROTHER BILLS AT
ANYOX STAGE BIG
CARNIVAL AFFAIR****Whole Building Was Given up to
Fete and Much Business
Done**

ANYOX, Nov. 14.—"Brother Bills" staged a big carnival in their home hall last week end and between the hours of 7 p.m. and 1 a.m., next morning were busy entertaining a crowd that thronged all three floors and took chances on everything offering. When the last tired and happy guest of the Elks' night departed, there was but little left worth taking away. There were all kinds of novelty stunts that go with carnivals and games to tempt the nimble dime from all and sundry.

Two features that proved most attractive were the country store and the blanket shop. These did a big business. In the former one might win anything from four tins of canned goods to a sack of potatoes or flour, while gaily-colored Indian blankets were the prizes handed to lucky ones at the latter. Wonderfully dressed kewpie dolls were also much in favor and were eagerly sought after. Other stands offered Japanese and King Tut novelties, costly jewelry, chocolates, while the cafe with its hot dog and coffee did a land office business.

Altogether it was a most successful affair, with everybody satisfied and nobody hurt. Harry Thorley had the big end of the work for this particular affair among his assistants being Al Lafortune, M. Morrow, W. B. Robertson, Percy Davis, A. Seaton, A. Berry, H. Chapman, E. Wall, Parmiter, Hogeben, Jones, Nickerson, Lawrence, Downs and Greenwell.

ANYOX LOCALS

Armistice Day was recognized in Anyox by a joint service in Recreation Hall on Sunday night at which all religious denominations were represented. A large crowd attended. Rev. J. A. Gibson, Rev. J. Herdman and Father Fleck all spoke during the service.

The ladies of the Union Church held a very successful sale of work and home cooking on Saturday last, selling out their entire stock early in the afternoon. The sale was held in the Elks' Dugout, which was kindly loaned for the occasion.

Everything is back to normal in Anyox again. The Mine and Smelter are operating. The furnaces were blown in sooner than expected if would be possible, owing to excellent cooperation on the part of the men engaged in the work of repairs. It was generally thought that the shut-down would take a week or ten days, but the debris was cleared away and the penstock repaired, so that the furnaces started just five days after the break occurred.

The output of Hidden Creek Mine October 30 and 31, was 1,516 wet tons; November 1 to 3 inclusive, 5,977 wet tons. Total tonnage for month of October, 77,575 wet tons.

At the Coke Plant from October 30 to November 5 inclusive, there were 1,355 short tons of coal charged and 1,040 short tons of coke produced; 3,675 imperial gallons of light oil were recovered and 27,743 imperial gallons of tar, while 12,705 lbs. of ammonium sulphate was manufactured.

At the smelter from October 29 to November 3 inclusive, 14,770 wet tons of ore were treated at Anyox. This was made up as follows: Anyox ore, 14,317 tons; outside ore, 453 tons. Average price of copper for the week, 12,2666c. Total tonnage for month of October treated at the smelter: Anyox ore, 77,789 tons; outside ore, 3,220 tons, total 81,009 tons. The Smelter shut down at 1 p.m. Saturday, November 3, when penstock broke.

Stating that the closing of Graham Avenue had made it inconvenient to deliver coal, etc. to her house, Mrs. A. Lewis wrote to the city council last night asking a pathway be built by the city from Second Avenue. The matter was referred to the Board of Works for report.

**LAKELSE LUMBER CO.'S
SAWMILL AT AMSBURY
CLOSED INDEFINITELY**

The mill of the Lakelse Lumber Co. at Amsbury is boarded up and will remain closed indefinitely, the reason given by its owners being that it cannot be operated profitably at the present time. George Dover, who has been manager of the plant, has joined George Little's staff at Terrace and J. B. Agar, accountant, has started a store at Terrace.

SMITHERS

Mrs. A. J. McIntyre has returned to town after a visit to her parents in Edmonton.

"Bobbie" Dunlop, son of Mr. and Mrs. T. Dunlop, suffered a scalp wound necessitating medical attention, when an axe playfully thrown by a boy chum glanced off the wood pile and struck "Bobbie" on the head. Several stitches were required to close the wound.

Contractor J. P. Downey has completed the new warehouse erected for F. Watson at the C.N.R. yards here. It is a 25 x 60 building.

Mr. Cronin, having closed down his Mahine holdings for the winter, passed through Smithers on Thursday, bound for Seattle where he will spend the winter.

L. D. Barr has purchased the dwellings and other property formerly held by H. L. Gregory, on Railway Ave.

Chas. A. Chapman was the holder of the winning ticket in connection with the raffle for the land, conducted by the Fall Fair Association. The winning number was 341.

T. Allen and F. Foster are busy men just now, and the hardest part of their job is to pick the aspirants for the coming boxing series, without sacrificing any of the talent offering. The O.B.U. Hall has been chosen as training quarters, and daily knockouts are in order.

There will be no dearth of excitement when the boys enter the "squared circle" on Nov. 23, because the advice and training being given is bearing fruit, and it is reported that Luis the Firp. and Jacques the Demp. are likely to have challenges handed to them in the near future.

Dr. C. H. Hankinson is moving his offices from the town hall to the Chester Building.

J. Beaton has leased the major portion of his barn to the Federal Mining and Smelting Company for use in connection with its work at the Duthie Mines on Hudson Bay Mountain. The front part of the building has been arranged as an office.

The basketball and badminton equipment recently ordered by the Smithers Athletic Association has arrived and enthusiasm of these pastimes will shortly be seen in action in the town hall, which building has been secured for two nights.

There have been no developments of note in the reported Cow Bay Mug-Up robbery. A man who was suspected by the proprietor cannot be found by the police. Smith himself left yesterday for the halibut banks, having obtained a job on a fishing boat.

A letter from the secretary-treasurer of the Union of Canadian Municipalities asking for remittance of the city's membership dues for the year amounting to \$10 was received by the council last night and referred to the finance committee with power to act.

Grand Opening of Basketball Season Friday, November 16, in Elks' Room at 7:30 p.m. Three games followed by dances. Refreshments. Admission 25c, children 10c. Admission to dance, ladies 25c, gentlemen 75c. Season ticket admit to games only. 269

The report of the fire chief for the month of September submitted to the city council last night showed that there had been two alarms in that period with a total damage of \$62.15. The expenses of the department including salaries had been \$1096.71. The equipment was in good condition.

A report from the finance committee recommending that heads of the various city departments be instructed to make inventories and valuations of their equipment and property as at December 31, 1923, and have them in the hands of the city treasurer by January 5, 1924, was adopted last night by the city council.

The business manager of the Municipal Review of Canada wrote to the city council last night asking that advertising space be taken in a special financial number that is to be issued and which will receive wide circulation. The rates are \$100 a double page with additional pages at \$50 each. The letter was referred to the finance committee for report.

Ald. Stephens inquired at last night's council meeting as to the cause of delay in putting down sidewalks in Section 5, provided for in connection with the recent grading work. He was told by the mayor that the residents had petitioned for cinder walks instead of plank sidewalks and 30 days would have to expire before work could be commenced on the altered plans. The reply was satisfactory to Ald. Stephens.

Roy J. Walker and Ralph Telford have been elected delegates to attend the convention of the Provincial Party to be held next month in Vancouver.

Mrs. E. A. Clark and Frank Lind of Chileo are to be married this week by Rev. George J. Gray.

Mrs. Warren Johnson has returned home after an extended visit in Washington state.

W. H. Manuel, auditor for the G.T.P., leaves on the train this evening for Prince George.

Those failing to get last issue of Government Bonds can have orders filled now. Call or phone T. McClymont.

Passengers booked for the south on the steamer Camosun last evening included M. Lawler, James A. Leask, J. C. Scherk, J. Barrett and T. J. Stephens for Vancouver and R. L. Brown for Ocean Falls.

J. A. Stephens, assistant district engineer for the provincial public works department in Atlin district, arrived in the city from Stewart on the Camosun yesterday afternoon and will proceed to Anyox tonight.

Arthur Olsen was fined \$25 by Magistrate Metcalf on this morning for being found in a disorderly house without lawful excuse. He was arrested yesterday afternoon by Sergeant Bailey and Constable Macdonald at 825 Comox Avenue.

MURRAY BECOMES SOLICITOR GENERAL

OTTAWA, Nov. 14.—Hon. E. K. Murray, solicitor general, was sworn in as a member of the federal cabinet before the Governor General this morning.

VANDERHOOF

Armistice and Thanksgiving Days were fittingly celebrated here by the Great War Veterans' Association and the Women's Auxiliary. On Sunday there were special services in the Presbyterian Church and on Monday the Women's Auxiliary held a cabaret concert in the afternoon and a grand masquerade ball in the evening.

Roy J. Walker and Ralph Telford have been elected delegates to attend the convention of the Provincial Party to be held next month in Vancouver.

Mrs. E. A. Clark and Frank Lind of Chileo are to be married this week by Rev. George J. Gray.

Mrs. Warren Johnson has returned home after an extended visit in Washington state.

WIRELESS REPORT

8 a.m.
DIGBY ISLAND.—Raining, fresh southeast wind; barometer 29.94; temperature, 46; heavy swell; 8 p.m. spoke Admiral Watson 550 miles from Seattle southbound; 9:30 p.m. out steamer Camosun southbound.

BULL HARBOR—Cloudy, calm; barometer, 30.20; temperature, 45; moderate swell; 8 p.m. spoke steamer Starr 136 miles from Seattle northbound; 8 p.m. spoke steamer Mogul 53 miles from Prince Rupert northbound.

Noon
DIGBY ISLAND.—Raining, strong southeast wind; barometer 29.89; temperature, 48; sea rough.

BULL HARBOR—Overcast, light southeast wind; barometer 30.24; temperature, 50; moderate swell; 1:30 p.m. spoke steamer Camosun in Milbank Sound southbound.

The Coastwise Steamship & Barge Co.'s steamer Mogul, Capt. McNaughton, is in port today unloading 300 tons of Vancouver Island coal at G.T.P. dock No. 4 for the Prince Rupert Coal Co. She arrived from the south at 6 o'clock this morning and after unloading will proceed to Anyox probably this evening.

This is the first call of the Mogul at this port. She is the largest freighter in coastwise service outside of the C.G.M.M. paper boats and her registered tonnage is 1828. Before being converted to Canadian registry about a year ago she was named the Caesar. The vessel is engaged in the Anyox-Stewart-Tacoma ore carrying service.

SPECIAL SLEEPING CARS FOR CHRISTMAS SAILINGS OF WHITE STAR STEAMERS

To connect with steamers of White Star Line sailing from Montreal, November 24, and from Halifax, December 9 and 14, special Tourist Sleeping Cars will be operated from Edmonton to ship's side. Passengers for these cars should arrange to leave Prince Rupert via Canadian National Railways, November 17, December 1 and 7.

For rates and reservations, call or write City Ticket Office, Canadian National Railways, 528 Third Avenue, Prince Rupert, B.C. Phone 260.

THE CROW OF CROUP A WARNING TO ALL MOTHERS

Croup starts with a dry cough, and rattling in the throat; after which the child, after tossing restlessly about, with start up with a flushed face, protruding eyeballs, and a distressing look of terror and anxiety. There is a struggle for breath, and the expectoration of the mucous matter is so difficult to get rid of that the effort appears to threaten strangulation.

On the first sign of the "croupy crow" mothers should administer Dr. Woods' Norway Pine Syrup, and thus give the child prompt and permanent relief, and perhaps the life saved by taking this caution.

Mrs. H. A. Langhorn, Hamilton, Ont., writes—"My little boy was very bad with the croup and I could not get anything to relieve him until I tried Dr. Woods' Norway Pine Syrup. I cannot praise it too highly for the relief it gave him."

Price 35c a bottle; the large family size 60c; put up only by The T. Milburn Co., Limited, Toronto, Ont.

ERRACE MILLS TURNING OUT MUCH LUMBER

all Plants Kept Busy and
Pole Camps are Operating

The timber industry in the
Terrace district is going stronger
than ever before in spite of the
fact that forest fires in the
year or so have destroyed
a great deal of the valuable
timber. The George Little saw-
mill right in the town of Ter-
race and four other smaller
mills nearby are turning out
100 or more feet daily. With
the advent of snow, hauling
conditions will be improved and
Little mill, now running at
full time and turning out 20,000
per day because logs can
be hauled fast enough, will
raise its full time output of
100 feet. In addition to the
mills, two pole camps are
operating in the Terrace
district, producing for export.
Last month the Little mill
shipped 250,000 feet of hem-
lock and spruce squares and
logs to Prince Rupert for ex-
port to the Orient and these
ments, it is estimated, will ship
100,000 feet this winter. In addi-
tion to this, the mill shipped
100,000 feet East and stocked
France's retail yards at mill 2½ miles across the river
from Terrace. It has been run-
ning about three months and
turns out 5,000 feet daily.
Three miles north of Terrace
another gas portable mill is
operated by T. R. Davis. Its
output is 3,000 or 4,000 feet
daily and it has been running
five months steadily.
Across the river and 1½ miles away is a third gas mill
run by T. A. Kirkpatrick. It
cuts 3,000 feet per day and has
been running intermittently for
the past two years.

It is the intention of all these
smaller mills to operate throughout the winter and they
will contribute to the shipments
to Japan from the district.
Pole Camps.
Five miles out of Terrace on

the Kitsumkalum road, about a
dozen men are employed by P.
Carrigan in a pole camp which
has been running for the past
two months. The output is
handled by the Hanson Timber
Co.

Just started in the past few
days is another pole camp 4
miles north of Terrace operated
by W. E. Van Meter. It employs
12 or 15 men and is supplying
a Seattle firm.

The timber industry means
much to the winter prosperity of
Terrace for, all told, it keeps in
employment well over 100 men.
This does not include those who
may be engaged in the winter occupation of rail-
way tie cutting.

The Man in the Moon SAYS:-

BOXING is a wonderful art.
It is supposed to be training
in self defense but often it is
training in the matter of beating
up an opponent.

BOXING fans are the most
enthusiastic people in the world.
They are never beaten even
though their champions go down.

THEY live to argue about
fighting and fight about arguing
but they never strike any blows.

SO far as the fans are concerned
a good many boxers would not be beaten if their
ribs were bashed in, their noses
smashed, their wind knocked out
and their jaws dislocated.

YOU never heard of a fan with a dislocated jaw.

THERE is nothing like enthusiasm.
We have often needed it in Prince Rupert. We
have had what looked like knockout blows but we bobbed
up serenely before the count of ten.

ELECTION fans will be wishing
they were in Great Britain just now.
Talk about pep in carrying on a political campaign
that is where you get it.

ONE of the most exciting

ALWAYS READY FOR Baker's Breakfast Cocoa

Growing children want and frequently need more nourishment than adults, owing to the activity of their restless little bodies. Baker's Cocoa fills all the requirements of the dietitian and physician as a delicious, pure and healthful beverage.

Just as good for older people.

It is the cocoa of high quality

things in the world is watching
a game of volley ball. Boxing
is very tame compared with it.

IT will soon be time to discover
that your name is not on the
civic voters' list. Who cares? You had lots of warning.

IN the good old days men
were wild but women were not.
That's the difference.

THE cost of living is low in
Prince Rupert because there is
no need to keep a car.

IN these hard times one can
hardly afford to keep two motor-
boats.

WHILE a lot of people are
complaining about high costs, it
is surprising how little it costs

to grow a beard.

I KNOW a man who was born
with a silver spoon in his
mouth and there is another I
seriously suspect of having
been born with a toothpick in
his teeth.

IT is really surprising how
few people got drunk when
showing their thankfulness this
week.

NOW that the mornings are
dark and cool and possibly
cold we need a self starter very
badly.

SAM Slough says a bear is
better than a lot of human beings
because a bear crawls into his hole all winter and nothing
is heard of him for months at a stretch.

FRANK OLIVER IS NO LONGER PUBLISHER

Severs Connection With Edmonton Bulletin After Controlling It for 40 Years

EDMONTON, Nov. 14.—People
of this city regret that Frank
Oliver who was recently ap-
pointed to the Board of Railway
Commission has completely
severed his connection with the
Morning Bulletin of this city.
For over forty years Mr. Oliver
has been the guiding force of
the newspaper, but of late has
been gradually relinquishing the
active position which he took in
its management. Now he leaves
the paper altogether.

AMERICAN STEAMER MADE FIRST CALL
