Here are final complete first NHL Rejects Cleveland Bid to Enter Major Circuit For at Least a Year

TORONTO (P)-Cleveland Barons, top-ranking American Hockey League team for many years and one of the wealthiest clubs in any circuit, has been refused a berth in the NHL for at least a year.

Their bid for entry was rejected yesterday when the two parties failed to agree on what constitutes working capital. NHL governors agreed they wanted the Barons in the big league, but only on a workable basis and left the door open for the club to apply again in the 1953-54 season.

Wedding Bells

What Is an M.P. Worth? CEVERE criticism has been levelled at the recent I action of our Members of Parliament in rushing through and adopting without much murmur a pen-

sion plan for themselves. Among the more outspoken in this regard is The Financial Post, which says, in part:

"Do MP's enter Parliament for what they can get out of it' Some doubtless do. We prefer to give our regard to those who go into the House for what they can contribute. There are some things money can't buy. Surely membership in the House should not be put on a commercial basis. Certainly this pension scheme should not and need not be rushed."

The pension scheme proposes that all members of parliament contribute six per cent of their indemnity each session until payments reach a maximum of \$4,000. The taxpayer then makes his contribution and upon retirement, the MP receives an annual pension of \$3,000.

"Can any private citizen find such a pleasing eretirement plan?" asks the Post, and explains that under the scheme an MP could draw his pension if he retires from oficfe after 17 sessions-meaning that if a man is elected at 30, he can leave Parliament at 47 on full pension.

"The plan takes substantial contributions from the taxpayers, and will be paid to MP's regardless of their need. Doubtless a few members suffer financially when they enter Parliament but many of them also enhance their position by establishing their names in the public eye."

The Post also emphasizes the danger of professionalism entering the parliamentary institution.

The big danger as we see it is, bluntly, more money for less service in the long run. There are only a few people out of many in one constituency who will make a sacrifice of their lives in order to serve their district in its best interests. When we go to the polls we choose the one person who we believe will best serve our interests because he has them at heart.

When there is the danger, however, of a candidate seeking election not only because he wishes to serve those whom he is to represent in Parliament, but also aims at a secure future, we doubt whether we will have the calibre of men in the running such as the selfless, hardworking MP's of the past.

many are necessary.

Board is going to erect a plaque in Victoria in memory of Emily Carr. There is a move afoot to have a stone bridge built in Beacon Hill Park in her memory, and the plaque may be attached to it. The Monuments Board is doing excellent work in British Columbia, thanks to the B. C. representative on the Board, U.B.C. history professor Dr. Walter Sage. These plaques form an invaluable medium for teaching history and interesting our visitors in our romantic past which yet hasn't been glamorized nearly enough. There is, however, an increasing interest in B.C. history.

afford to be without

These days you can't afford to waste a morsel of food. That's why Hand-e-wrap is so wonderful! It's so easy to tear off just the right amount from the handy dispenser box with the metal cutting edge . . . to wrap meat, fish, vegetables and other perishables to keep them fresh, moist and full of nourishment. There's a wonderful saving, too, when you keep left-overs wrapped in Hand-e-wrap, because its double-waxed surface seals in goodness and prevents food taint. Hand-e-wrap has a hundred uses around the home. You can't afford to be without it!

promoted to Commander in the Royal Navy.

LONDON (Reuters)—The Duke of Edinburgh today was

At 31, the Duke is the youngest of 44 lieutenant commanders to be promoted.

The Duke, who made the Navy his career, was a lieutenant when he married the Queen, then Princess Elizabeth, in November, 1947.

His last active appointment was a Commander of the 1,430-ton frigate Magpie in the Mediterranean. He completed his service with the Mediterranean fleet last July.

At present, he is confined to his room at Buckingham Palace with jaundice.

USEFUL RECIPES

Salmon Loaf: One large can of salmon; 11/2 cups cracker crumbs; one egg; one small onion (minc-

Bake in small baking dish for 20 minutes or until brown. Macaroni and Cheese: One cup macaroni broken in pieces; three

tablespoons fat; one tablespoon finely chopped onion; three tablespoons flour; salt and pepper; one teaspoon steak sauce; two cups tomato juice; one cup grated cheese.

Cook macaroni in boiling, salted water until tender. Drain through sieve and pour cold water over to separate the pieces. Melt fat. Add chopped onion and cook three minutes. Add flour and seasonings, blending well. Add tomato juice and cook, stirring constantly until sauce thickens. Stir in cheese.

Place layer of cooked macaroni in greased baking dish. Cover with sauce. Repeat until dish is grated cheese or equal parts of grated cheese and bread crumbs.

by X-RAY shoe fitting

In fact, it's dangerous to have your child's shoes fitted in any other way.

The tender child foot with its soft bones and pliant muscle can be compressed into almost any type of shoe. The child, feeling no pain, cannot tell if the shoe fits properly or not.

That's why we inchildren's shoes by X-Ray. That's and you, can be sure that your child's shoes will help to develop

MORE PEOPLE BUY CHEVROLET TRUCKS THAN ANY OTHER MAKE

Stack up what you get for what you pay ... and join the nation's largest group of truck buyers by choosing Chevrolet

Maybe you didn't know that by far the biggest number of truck users in Canada today are buying Chevrolet Trucks.

They are . . . and for good hard-headed reasons. Because what they're after in a truck can be set down about like this:

1) It's got to be low in cost. No use paying a lot of extra money for a truck that the truck will have to earn back. Chevrolet trucks give you more for your money.

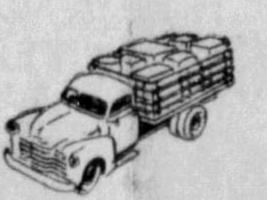

2) Upkeep and operating costs must be low. A truck is money-making equipment. It can't be a money-waster. Chevrolet trucks work for

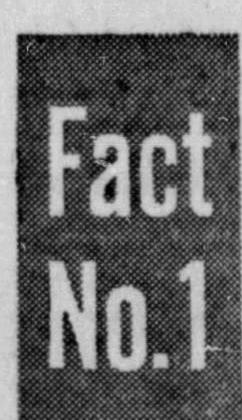

3) How well the truck does the job is allimportant. It's got to have the capacity, power and rugged construction to get work done-efficiently and economically. Chevrolet trucks are engineered and built for your loads.

4) The truck must be rugged, long lasting. That's an important part of over-all economy. Chevrolet trucks traditionally bring more at trade-in, for what they cost, than any other truck.

If these considerations make sense to you. take a good long look at facts 1, 2, 3 and 4 below. Then come in and let's see how a Chevrolet truck rock-bottom "wages" on fuel and maintenance. can save you money in your business.

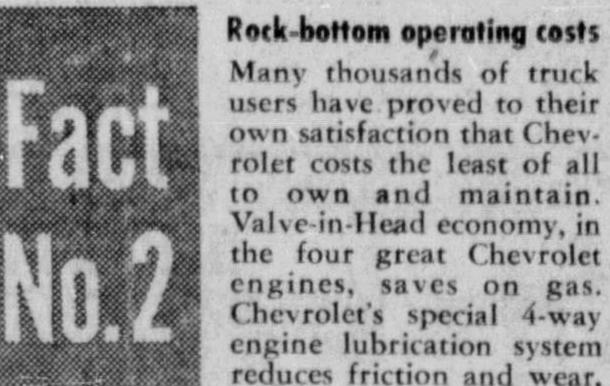

ON THE ROAD WITH THE GREATEST PAYLOAD

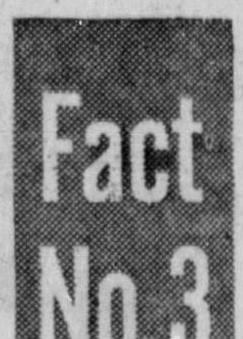

More truck for your money Stack up a Chevrolet truck against any other truck, capable of handling the same payloads, and you'll see that Chevrolet gives you far more for your money. Chevrolet, for all its low price, brings you ruggedness, stamina, and exclusive truck features you won't find in many

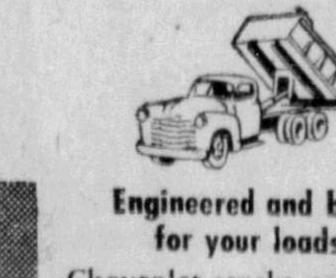

trucks costing a lot more.

Rock-bottom operating costs Many thousands of truck users have proved to their own satisfaction that Chevrolet costs the least of all to own and maintain. Valve-in-Head economy, in the four great Chevrolet engines, saves on gas.

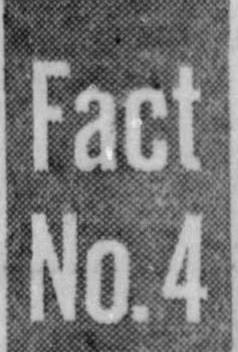

keeps oil costs low.

Engineered and built for your loads

Chevrolet trucks are engineered to your payload requirements. You don't waste money by buying "too much truck" - you don't risk work interruption or slow-downs by buying "too little truck. Frame, axles, springs, body, brakes, and power are part of a well-balanced team

Lower, slower depreciation Records show that Chevrolet trucks traditionally bring more money at resale or trade-in than any other make. Chevrolet's market value stays up because the value stays in Here is further evidence that Chevrolet is the best

Ah Sweet Luxury Of Summertime . . . relaxing in the garden with frosty glasses of refreshing iced coffee. And for iced coffee with lots of flavour, I always use INSTANT CHASE & SANBORN COFFEE. There's a real refresher! And it takes just a second to make iced coffee with Instant Chase & Sanborn. Here's what

Wonderful! - and so right and easy to serve when friends come visit. (For making in quantity add 2 rounded tablespoons to a quart of water.) Incidentally, Instant Chase & Sanborn (the "instant" made by real coffee people) saves you up to 40c a pound compared with ground coffee!

And one of the very best things about them, is the delightful

Place one rounded teaspoon of Instant Chase &

winter's enjoyment. With CERTO FRUIT PECTIN, this is really a quick and easy matter! You can do down those tempting, delicious fruits and make superb jams and jellies in only 1/3 the time of the former long-boil method. So much more of the true fruit flavour is retained - and results with Certo are always sure. You'll find you get up to 50% more jam or jelly from the same amount of fruit. So out with the jam and jelly jars. Make sure of your winter's enjoyment of summer fruits, right now! Just follow the easy recipes, found in the booklet, under the label of each bottle of Certo.

Make A Real Meal Of Breakfast Ever noticed when you give the folks a "slap-dash" sort of breakasleep? Here's my remedy! wholesome, delicious "CREAM OF WHEAT". Easy for you to prepare - for 5 Minute "Cream of Wheat" takes just five minutes of boiling to cook to flavourfull smoo-othness. M-mmm! It's so good — and so good for you. Supplies Iron, Calcium and Phosphorus for diets deficient in these elements. Serve it often! Remember, the words "Cream of Wheat" and the smiling chef on the package are registered trade marks of The Cream of Wheat Corporation.

Everyone Loves A Parade . . . and here's one you can take home with you! . . . It's HEINZ ALL-STAR PARADE going on right now in stores all across Canada. One look at the Heinz All-Star Parade and you'll come home treasure-laden with thrifty taste treats for the whole family, Heinz Condensed Soups - Heinz Oven-Baked Beans, Cooked Spaghetti and Macaroni - nourishing, economical and work-saving. Heins Tomato Ketchup. Chili Sauce and Pickles - and Heinz famous Vinegars. You'll want them all on your pantry shelf. And - for the young ones - Heinz Pre-Cooked Baby Cereals, Strained Baby Foods and Junior Foods. Something else

for the kiddies, too. An unusual free novelty in all stores that have Heinz All-Star Parade. Have You Made Up Your List of things to take on vacation? Check it

to see if you've put down Travellers Cheques! You'll do well to put Travellers Cheques at the very top of your list because they help to make your holiday fun so much more complete. It's such a big load off your mind to know that your money is safe from loss or theft! You see - wherever you go, Travellers Cheques are easy to cash - but only you can eash them. It's a special system - simple but effective. These cheques come in convenient amounts of \$10, \$20, \$50 and \$100 - and you can buy them at any branch of the BANK OF MONTREAL. Traveilers Cheques for trips abroad are always available, too. So let the Bof M help you to enjoy

a worry-free vacation. Call on your nearest branch before you pack

your bags, and put your holiday money into Bol M Travellers Cheques.

C-Q9762

Mr. Muzzy Muffs; Mr. Heinsite Criticizes

government has turned down Quick to criticize the play of others, Mr. Heinsite is often unable to come up with the correct play,

Today's contract was a tricky | South dealer But it promised careful con- one and Mr. Muzzy muffed it sideration to the removal of as usual. Mr. Dale opened with sales tax from goods purchased the king of spades which was (156) by municipalities, and the addi- taken with the ace on the board.

tion of some groups of munici-"There'll be no cross-ruffing pal employees to those eligible in this hand," said Mr. Muzzy, as for unemployment insurance. he quickly extracted all of the The government's decisions defenders' trumps in three leads. were contained in a report read Delighted that the trumps broke at the federation's annual con- 3-2, he started on diamonds. vention, which opened here to- When that suit failed to break evenly, however, the opposition won two diamonds and two hearts to defeat the contract one trick.

"A child could have made it." announced Mr. Heinsite, flatly. 'Take only two rounds trumps, then lead the ace, king and another diamond. If the diamonds break 3-3, you are all right for four-odd.

If they break 4-2, you still have the chance that the player with the doubleton diamond also had only two trumps. You can then trump a diamond on the board. That was the setup in this case."

"You're on the right track, but it doesn't lead anywhere," interrupted Mr. Dale. "You must think I'm this child you referred to. When I was in with the third round of diamonds would simply lead a trump. Then how could Muzzy ruff a diamgage loans available under the

Mr. Heinsite tried again. 'Don't lead trumps at all, then," he argued. "Just bang out three rounds of diamonds starting at trick two."

Mr. Dale was enjoying himself. "That's no good, either," he said. "When I won the third diamond I would cash two spades, then lead a fourth diamond that would guarantee us an On civil defence, for which eventual trump trick." more financial aid had been The play to make the hand

New District

VANCOUVER- The appointment of J. Conrad to the post of district engineer, Canadian National Railways, British Columbia district, with headquarters here, was announced today by R. H. Robertson, of Vancouver, general superintendent of the district. Mr. Conrad replaces the veteran St. J. Munroe who retired on June 30.

Born at St. Moritz, Switzerand, Mr. Conrad joined the railway at Kamloops as a rodman in 1928. He was promoted to inspector in 1929 and until 1940 he erved throughout the B.C. district in that capacity and as an enstrumentman.

In 1941, Mr. Conrad was appointed resident engineer at Kamloops and in 1948 was raised assistant district engineer for he B.C. district.

He went to Winnipeg as district engineer in 1950 and a year later was promoted to construction engineer on the big Lynn Lake project in northern Mani-

Thursday, July 3, 1952

SAULT STE, MARIE, Ont. (Born without arms, Raymond Sageloloy, 22, learned to play the piano and guitar with his toes. In his teens he tried desperately to crack the radio field as a disk jockey.

He continued studying the technicalities of radio. After years of painstaking experiments he constructed with his toes entertainment machine which combines a record player and movies. He calls it reco vi- Jim Spangler who married them.

To an ordinary record he at- riage annulled. taches a miniature transmitting cylinder which contains 35-mm. film. The cylinder transmits micro-sound waves which are transformed into electronic rays and finally form an image on

He has taken out an international patent for his invention and hopes to market it after correcting minor imperfections

Raymond admits that the intricate wiring circuits cause endless trouble. Working with his toes, he constructed the console radio size cabinet for his machine.

As an added feature, he wired his reco vision for standard tele vision reception.

CN Steamship Engineers Ger New Posts

VANCOUVER-Three appointments, involving senior positions in the Canadian National Steamships organization on the Pacific Coast, have been announced by Superintendent G. MacMillan, Vancouver. Appointments follow retirement of W. E. Baillie, superintendent en-

Leslie V. Wilson, a native of Nanaimo, who has been chief engineer on the company's palatial ss. Prince George since she went into service in 1948, has been appointed engineer assistant, his duties corresponding to those of his predecessor, Mr. Mr. Wilson's service with the CN dates back to 1925 when he started as fourth engineer. He has had varied experience on most of the company's ships.

New chief engineer of the Prince George is Robert F. C. Baldrey, who has been "chief" on ss. Prince Rupert since 1950. He joined the company in 1927 as junior engineer on the Prince Rupert and later served in various capacities on other CN ves-

D. Crawford, who joined CNSS as second engineer on the Prince Rupert in 1948, has taken over as chief engineer on that ship. He has been second engineer on the Prince George for the past two years. Prior to joining the Canadian National, Mr. Crawford had extensive marine experience with other lines serving this coast.

Twins Burn To Death In Attic

EATON, Mass., (CP) - Fouryear-old twins—Priscilla and Edward Greenleaf - died in each other's arms last night as they huddled in an attic closet to escape the flames that swept the upper part of their home. A mattres caught fire while they were playing in the attic. Their mother, who has two older children, is expecting another

11-Year-Old Bride Back With Mother

DENISON, Tex. (AP)-An 11year-old bride was back home with mother today after a oneday honeymoon with an Air Force enlisted man.

Apple-cheeked May Kendrick, who will be 12 on July 19, and Airman Sergio Maldonade Tristan, 21, of San Antonio were married Wednesday at Sherman,

Her mother, Mrs. Cleo Kendrick of Durant, Okla., had police pick up the couple yesterday. "She looked more than 11 to me." said Justice of the Peace

sion. It provides recorded music The bride's mother, who has together with black and white eight other children, will meet or colored movies of singers or with Air Force officials tomorrow to take steps to have the mar-

en relaxed and at least 20. seats may be retained. \$60,000 FOR SEATING

Present plans are to crect 10,000 permanent and 30,000 semi-permanent seats at a cost of about \$60,000.

The track will have to be rebuilt and jumping pits moved to a different site. The gymnasium will probably be used for fencing, wrestling and perhaps boxing, although the latter is ex-

pected to go to a civic arena. No location has yet been set for the game's swimming pool There are reports it may be built at Riley Park near Little Moun-

Location also has to be found for a bicycle track.

Rowing in all probability will go to Burnaby, but Kelowna is making a strong bid for this event. The interior city possesses
