Norwegian Plane Crash Kills Thirty-Five

Mercy Flight Brings Injured Fisherman Here This Morning

A mercy flight made in adverse weather conditions landed a badly injured fisherman, Jack Pollard, 17, Steveston, here for hospitalization at noon today after he had been picked up by a Queen Charlotte Airlines plane in Grenville Channel suffering from immersion when knocked overboard from a seine boat.

Compulsion To Be Used

But Will Be Last Resort Against Jews Being Brought to Hamburg

HAMBURG, (CP)—A British official said today that British authorities were prepared to use three degrees of compulsion on 440 Jews from the steamer Exodus 1947 if they refuse to leave three British transports which are bringing them to Germany. The official said these would be:

1. Manhandling.
2. Ship's hose pipes.
3. tear gas.

It was added that compulsion would be used as "an absolute last resort."

No Trust For Japs

CANBERRA, (CP)—Lt. Gen. Horace C. Robertson, commander-in-chief of British Commonwealth occupation troops in Japan, yesterday warned delegates to the Commonwealth conference on the Japanese peace treaty that despite their obedient co-operation with Allied forces, the sincerity of Japanese conversion to peaceful ways should not be over-valued. Delegates of eight British Commonwealth countries to the conference favor total disarmament and demilitarization of Japan, a conference report said today.

RECONNAISSANCE OF SOUTHERN END OF MONCKTON - WHITEHORSE HIGHWAY

Monckton, veteran British Columbia land surveyor, has arrived in Terrace after an overland reconnaissance for the government, of the southern end of a projected route northward from Hazelton to Whitehorse. The reconnaissance is in compliance with a plan made by Premier Bennett some time ago to the Chamber of Commerce and other organizations in the development of the Alaska Highway through British Columbia. The reconnaissance is to be discontinued from the old Yukon Trail but rather lies through the heavily forested area.

FIRE-FIGHTERS INJURED IN LOSING BATTLE WITH BLAZE—Twenty-six volunteer firefighters were injured when the truck which was transporting them to the scene of a big brush fire in Tujung canyon fell over a cliff. The injured are pictured receiving first-aid at the scene of the accident. The three-day-old fire in the canyon is still burning, out of control, and two firefighters have so far lost their lives. Seventy-five others have been injured, battling the blaze. More than 3,500 acres of valuable watershed have been burned out.

GREECE SEEKS NEW PREMIER

Mantle Seems Likely to Fall Now Upon War Hero, General Papagos

ATHENS, (CP)—Generalissimo Alexander Papagos, Greece's hero of the Greek-Italian campaign in 1941, was mentioned increasingly today as the most likely candidate to head a neutral coalition government, thus ending the cabinet crisis now in its sixth day. Meetings have been held almost continuously since the fall of the previous government as Constantine Tsaldaris tried in vain to form a new cabinet. Following his failure, a neutral premier was agreed upon.

SECT WAR INCREASES

Two More Fires Last Night as Doukhobor Conflict Continues

NELSON, (CP)—Two people narrowly escaped being burned to death today in one of two overnight fires which added new fuel to the Doukhobor sect war which is creating an almost unprecedented reign of terror in British Columbia's rich West Kootenay district. Flames forced Mr. and Mrs. William Rigby to flee their home at Castlegar. Less than six hours earlier the barn of Pete Ogilvie at Glade was destroyed, causing \$1,200 loss.

The Castlegar fire was discovered by Mrs. Rigby who was aroused from her sleep by crackle of flames racing up her bedroom wall. The loss was estimated at \$6,000, bringing the total of damage to date to \$30,000. Trail police were alerted and a special meeting of the police commission was held there after it had been reported that fanatic Doukhobors were infiltrating into the city.

TRYING TO SETTLE

TORONTO—Swift-Canadian Co. officials were scheduled to meet today with representatives of the United Packing House Workers of America (CIO) in an effort to write a new agreement which would settle the current strike in its second day. However, the meeting was deferred until later.

Eighty-five per cent of the world production of nickel comes from Sudbury, Ontario.

School Doors to Open for 1,000 Youngsters, 41 Teachers Friday

Doorways of Prince Rupert's five public schools will yawn open next Tuesday for more than 1,000 children who will be denied the doubtful pleasure of continued holidays which Vancouver youngsters are receiving because of the polio outbreak in the southern part of the province.

CIVIC GROUP ENDS ONE-DAY CONVENTION

Commissioner E. Haugland of Terrace New President—Next Year's Convention to be Held in Terrace

The one-day convention of the Central B.C. Municipal Association concluded Wednesday afternoon with the election of 1947-48 officers and decision to hold the next meeting at Terrace. Main business was the consideration of resolutions to be presented at the Union of B.C. Municipalities in September.

Not only did Terrace receive the venue for the next convention but a Terrace man was elected president, Emil Haugland, chairman of the Terrace board of commissioners, was unanimously named president, with Walter Wilson, delegate from Burns Lake as vice-president. City Clerk H. D. Thain of Prince Rupert was re-elected secretary-treasurer.

Nigel Sherwood, village clerk of Terrace, and delegate to the convention, was named alternate president should Mr. Haugland, who was not at the convention, decline the position.

Directors of the union will be named by each of the member municipalities not already having representation among the officers. Each of those communities is entitled to name one director.

At the conclusion of the session, Mayor Jack Nicholson of Prince Rupert, retiring president, offered a vote of thanks for Prince Rupert's hospitality during the meeting, and expressed confidence that the work of the organization would make an increasing factor in the unity and progressiveness of central B.C.

Following the convention, the seven delegates were entertained at a reception at the home of Mayor Nora E. Arnold, retiring vice-president, and later, at an official dinner in the Commodore Cafe.

Air Liner, Flying Thru Fog, Hits in Mountains

OSLO, (CP)—A Norwegian Airlines flying boat crashed in Lofoten Mountains, deep within the Arctic Circle, early today, killing all thirty-five persons on board, the company announces. The British-made Sandringham flying boat carried twenty-seven passengers and a crew of eight. It was enroute from Tromsø to Stavanger when the crash occurred.

DRIVES 6,000 MILES HERE TO WIN BET

When Hugh S. Sutton bet his friends that he could drive from his home at Manor, Pennsylvania, to Prince Rupert, he calculated that, if he convinced the home town boys that would be enough. He was wrong. He found that he had to convince certain interior British Columbia gas station operators and others, to boot.

Mr. Sutton, who operates a business manufacturing cocktail mixing machines, took his bride, who operates a candy store, and departed in the family car for a honeymoon on July 15. Forty-three days, 6,031 miles, 12 states and one province later, they arrived in Prince Rupert.

Destination of the Suttons is Juneau, Alaska, where Mr. Sutton served as a purchasing agent for the American government during part of the war. They left their car here and sailed on the Prince Rupert last night for Ketchikan.

Mr. Sutton makes his winter home in Florida. However, he and a number of his friends are a bit tired of the annual trek between Pennsylvania and the orange grove state, and Mr. Sutton thinks he has found in central British Columbia a place that would appeal to easterners. "You people have just about everything that tourist like, except accommodations," he said. Even at that, if more people knew about the country you would have more visitors."

Mr. Sutton indicated that he will be a one-man publicity bureau for this district when he gets back to Pennsylvania in a couple of months.

While no one in B.C. actually told them that there was no road to Prince Rupert, they did manage to get the idea across that it was little better than a trail, full of pot-holes and almost impassible, Mr. Sutton said.

"Actually, the road between Prince Rupert and Prince George is better than between Vancouver and Prince George," he declared.

Austerity Program Is Not Great Enough

First Trouble From Miners Who Are Quitting Pits in Protest at Increased Hours

LONDON, (CP)—The government's increased austerity program, aimed at enabling Britain to bridge the gap between exports and imports and live within her means after the punishing economic burden of seven wartime years, ran into early trouble today when seven thousand miners left the pits in protest at increased hours of work, saying that 50,000 more would follow.

With the austerity program now before the country's 46,000,000 population and more expected, newspapers, other than supporters of the government said it was "too little and too late." Cuts made meantime in food, gasoline and travel are intended to slash imports by \$912,000,000 annually—more than one-third of the \$2,400,000,000 foreign expenditure.

Full Assize Opens Here September 29

The fall assize at Prince Rupert will open September 29. The criminal docket includes one murder charge. The case arises out of a fight in a room in a local hotel.

World Needs Moral Force

Exchange of Letters Between President and Pope Released

ROME, (CP)—The Vatican and the office of Myron C. Taylor, personal representative of President Truman to Pope Pius, released today an exchange of letters between the President and the Pontiff.

President Truman said in a letter dated August 6 that, "unless moral forces of the world now join their strength, discouragement must inevitably deepen and strength and effectiveness would thereby be lost by those forces to other forces which seek to destroy them."

In his reply on August 26 the Pope said: "We hasten to express our satisfaction and thanks for this latest testimony to the desire and determination of a great and free people to dedicate themselves to the noble task of that peace for which all people of the earth are longing."

STRIKE AGAINST SWIFT COMPANY

United Packing House Workers Union Calls Three Thousand Members Out

TORONTO, (CP)—Some three thousand Swift-Canadian Co. packing house workers in six Canadian cities went on strike early yesterday. The United Packing House Workers of America (CIO) called the walk-out over demands for wage increases to bring the general basic wage rate to 92c per hour. In most plants such an increase would approximate 15 cents.

Plants affected are Moncton, Toronto, St. Boniface, Moose Jaw, Edmonton and New Westminster.

Union officials said the strike was precipitated by what they termed a walk-out yesterday at the company's New Westminster plant and alleged 12 union officers and shop stewards had been suspended at the plant in Toronto.

The company has charged a slowdown by workers within its plants. The strike does not as yet affect Burns Co. and Canada Packers plants which are stated to be continuing negotiations with the union.

U. S. Senatorial Committee

PRINCE RUPERT will be favored with a brief visit tomorrow from four United States senators, members of the public lands committee heading for Alaska to conduct hearings which will have a bearing on Alaska's application for statehood.

Appropriately enough, the Alaska committee of the Prince Rupert Chamber of Commerce is making arrangements to show the senior American solons around this port and let them see at first hand the advantages and facilities Prince Rupert has to offer as the logical entry port of Alaska, with its transcontinental railway, terminal equipment and all around strategic utility.

Later on in Alaska as they continue their tour the senators will hear more about Prince Rupert and how the Alaskans feel themselves about the possibilities of this port in strategic relation to the territory.

It is well in the meantime that the committee shall see for itself what there is here. Then they themselves can be the judge of what use we can be.

HIGHWAY IGNORANCE

IT IS BAD ENOUGH to have officials and others in the southern part of the province falsely inform motor tourists who would come this way that it is impossible or nearly so, to get through to Prince Rupert but, when garages and service stations as close as Prince George raise doubts about the possibility of getting through to the coast, it seems that something really ought to be done about it.

Motor tourist after motor tourist, and some of them are getting through in spite of all the discouragements, tell us of being advised even in our own central interior that it is difficult or impossible to come on to Prince Rupert.

We are somewhat hardened to such libels on our highway in the southern part of the province and are trying to break them down. It is difficult, however, to understand why their should be such crass ignorance or deliberate misrepresentation in our very own district. There is no excuse for it.

WORKER PRODUCTIVITY

EXPERTS ON INDUSTRIAL production know that adequate and reasonable productivity depends very largely upon such factors as efficient machinery, improved production systems and worker effort. Ownership and management control the first two. The third is largely controlled by the workers themselves and can nullify the best in both machinery and system.

Deliberate slowdowns, and it is commonly heard these days that it takes three men to do the work that in more stringent employment times could be carried out by two, can cancel out many gains in efficiency and may ultimately exasperate ownership and management to a point where they will simply give up the ghost and call off the show.

Worker productivity or lack of it is an important factor in the current industrial picture. It may have an important bearing on the general economic future. It implies a responsibility which the workers cannot ignore. They would be short-sighted indeed if they did.

INDIA, A NOBLE ALLY

IT IS JUST OVER A HUNDRED years ago* Sir Henry Lawrence, one of the great Englishmen who have served India, wrote "we cannot expect to hold India forever. Let us conduct ourselves that when the connection ceases, it may do so not with convulsions but with mutual esteem and affection and England may then have a noble ally, enlightened and brought into the scale of nations under her guidance and fostering care."

IS NOT MERE PASSING BOOM

Mayor Jack Nicholson Sees Continued Activity in Lumber Industry

Mayor Jack Nicholson of Prince George, who was a visitor in Prince Rupert yesterday for the annual convention of the Central British Columbia Municipal Association, does not believe that the current unprecedented activity in the lumber manufacturing industry in his district is a passing boom that will fade out with the ending of the "seller's market." He believes that a recession in markets abroad will be made up for with a strong domestic and local demand which will keep the industry continuously active. Prince George also still has definite aspirations for a pulp mill and other timber industries.

There are no less than 224 sawmills operating within 20 miles of Prince George and there are 12 planing mills in the immediate vicinity of the city.

Mr. Nicholson anticipates early activity in the extension of the Pacific Great Eastern Railway to the Peace River country.

This has been an exceptionally wet summer in the interior country. Mayor Nicholson reports, "We have had as much rain there as in Prince Rupert," he said, "and it has been very damaging to the hay crop."

It was Mr. Nicholson's first visit to Prince Rupert but he intends to come this way again soon and bring his wife with him. He arrived on Tuesday night's train and returned to Prince George last night.

REV. DURNFORD WRITES TO LOCAL MAN AND SON

Fred Olson, well known Prince Rupert old-timer, and his son Paul have received letters from Rev. Roy Durnford, former rector of St. Peter's Church, Seal Cove and wartime padre of the Seaforth Highlanders of Vancouver, who is now in England doing church mission work.

Mr. Olson and Rev. Mr. Durnford were associates in the Toc H. movement of which the latter acted as padre before and during the early part of the war. His letters reveal a strong attachment for his Toc H. associations and friends here.

In his letter to young Paul he gives advice on the attributes of courage, honesty, determination and "the desire to be the best and do the best for the sake of others as well as for your own sake."

Rev. Mr. Durnford's work keeps him busy travelling throughout England but he confesses that he sometimes wishes he could be in Prince Rupert "if even for only an hour to meet all my old friends of Toc H."

City's Best Gardeners

Results of Prince Rupert Horticultural Society's Contest Announced

Stuart G. Furk, 322 Sixth Avenue East; J. J. Payne, Borden Street, and C. P. Balagno, 325 Fifth Avenue West, have been adjudged the best gardeners in Prince Rupert in general classification while Mrs. R. W. Cameron, Overlook Street, and G. Smith, 409 Sixth Avenue East have excelled in the wartime housing classification, according to results of the recent garden contest in connection with the Prince Rupert Horticultural Association's flower show which have just been announced.

Over 30 gardens were judged by Arthur Bayne, assisted by Fire Chief H. T. Lock, Theo Collart and C. P. Balagno, and the results are as follows:

General

Twenty-five feet and under — S. G. Furk, 322 Sixth Avenue East, 95 points; W. Thain, 629 Ninth Avenue West, 80 points. Fifty Feet and Under — J. J. Payne, Borden Street, 90 points; J. Pedersen, Seventh Avenue, 85 points. Fifty Feet and Over — C. P. Balagno, 325 Fifth Avenue West, 90 points; W. J. Pinniger, 1925 Graham Avenue, 85 points.

Wartime Housing

Twenty-five Feet and Under — Mrs. R. W. Cameron, Overlook Street, 109 points; Mrs. T. Grimble, Seventh Avenue West, 96 points. Fifty Feet and Under — G. Smith, 409 Sixth Avenue, 100.

SAFETY MEN MEET GRANBY, Que., — Representatives of the Quebec Association for the Prevention of Industrial Accidents will meet here September 8 and 9, and in nearby Cowansville, September 11 for their annual regional industrial safety conventions.

ACCEPTED IN ROYAL ROADS

Midshipman John Kennedy of Local Sea Cadets to Make Navy His Career

Midshipman John K. Kennedy of Captain Cook Corps, Royal Canadian Sea Cadets, Prince Rupert, has been accepted as a naval cadet into Royal Roads Naval College, Victoria, and will enter that institution on September 10, it is announced.

For many years identified with the local Sea Cadet Corps, Kennedy was successful in his senior matriculation studies at Both Memorial High School here during the past year and otherwise qualified for the commencement of a naval career. He led the recent Sea Cadet annual camp party to Gambler Island near Vancouver.

Kennedy will spend two years at Royal Roads after which he will take a year's sea service in cruisers and destroyers and then proceed to the Royal Navy for a sub-lieutenant course. Then he will be ready to go "up the scale" as a naval officer.

FISH FROM WINDOW

PETERBOROUGH, Ont., — If anyone happens to be a pretty good angler in this community he or she could nonchalantly cast his or her line out of any window and probably the bait into a fine fishing lake. So far this year, 21 muskies, all over 10 pounds, were caught in Little Lake, five blocks south of the business section.

Nova Scotia Ratifies Pact

HALIFAX, N.S. — The Nova Scotia Legislature prorogued its 1947 session today after giving final reading to three bills ratifying a \$10,900,000 annual tax agreement with the Dominion government. Premier Angus Macdonald called for a regular annual Dominion-provincial conference.

PRAIRIE GIRL LOCAL BRIDE

Miss Margaret Stadneck and William Gomez Are United

A Manitoba girl and a Prince Rupert man were united in marriage at St. Peter's Anglican Church Saturday evening when Miss Margaret Stadneck, daughter of Mrs. Stadneck and the late John Stadneck of Arborg, Manitoba, became the bride of William Gomez, third son of Mr. and Mrs. A. Gomez of this city. Rev. Canon W. F. Rushbrook performed the ceremony.

Wearing a gabardine suit of silver blue with corsage of red roses, the bride was given in marriage by the father of the groom. Her attendant was Miss Ruby Gomez, wearing a brown suit with corsage of red roses and white carnations.

Groomsman was Darrow Gomez, brother of the groom.

At a reception which followed in Valhalla Hall, the 70 guests were received by the mother of the groom, wearing a street-length, two-piece dress of black and white. The guests enjoyed a buffet dinner, followed by dancing.

Toast to the bride was offered by Canon Rushbrook, with response by the groom, while Darrow Gomez toasted the bridesmaid.

Unusual Callers At Westview Home

Mrs. A. M. Budinich, 1840 Atlin Avenue, Westview, had unusual matutinal visitors this morning.

Glancing out of her front room window, Mrs. Budinich was surprised to see two full-grown deer grazing tranquilly on her front lawn.

It was about 10 minutes to 10 o'clock.

They remained for about 10 minutes and then ambled nonchalantly up Atlin Avenue toward the Westview School.

Harry Daggett jr., son of Mr. and Mrs. H. M. Daggett, arrived in the city on the Prince Rupert yesterday from Providence, Rhode Island, where he is studying for his Doctorate of Philosophy at Brown University, and will spend the next two or three weeks at his home here. His father has come in from his work at Port Simpson to spend a couple of weeks.

BABY'S UPSET STOMACH QUICKLY CORRECTED

BABY'S little "Tummy" is often easily upset. It is easily righted again, too, if you know just how to do it. Let Mrs. M. S. Alway, of London, Ont., tell you: "Baby's Own Tablets are a great help at the first sign of upset stomach, during teething time or when a cold is coming on. They work quickly yet gently to carry away poisons and promote restful comfort."

And Mrs. W. R. Sharp says: "I nursed my baby shortly after being alarmed over a motor accident and her stomach became quite upset. I gave her Baby's Own Tablets and she soon stopped crying—and quieted down."

Equally effective for teething troubles, constipation, simple fever, Sweet-tasting, easily crushed to a powder, if desired—prompt in action. No "sleepy" stuff—no dulling effect. Buy a box today for sickness so often strikes in the night. 25 cents.

was due to a High School error that the Navy got even one run.

In the first three innings Olson struck out eight of nine players up and not a runner got on bases. He walked Schwab in the fourth but the runner was left stranded, none other getting on. In the fifth he struck out two but ran into the only spot of trouble in the sixth. Slatta was walked and Schwab and then Parlett got on base on fielder's choices. In a mix-up at first base Slatta got to third and then got caught in a "hot box" between third and home and came in when Forbes threw a bad ball past the catcher. Olson gave three walks and struck out 13 in the first non-hit game of the season. He was in great form, showing lots of speed, good control and occasionally a curve ball and a drop ball. His teammates gave him good support.

Parlett pitched a good game for the Navy which had to comb the bleachers to get a team. Ten errors were largely responsible for the Navy defeat. Jefferies was very unlucky in failing to get his throws away after stopping the ball. He was charged with five errors. Four errors were assessed against Dumas although he had two put-outs and an assist. Parlett allowed only four hits, yielded no walks and struck out six. Slatta brought off a good catch to put Forbes out in the seventh.

Box scores:

	AB	R	H	PO	A	E

Total	22	1	0	15	6	10

Umpires—At plate, B. Windle; bases, Joe Ratchford.

FASTBALL FEATURES

High School's defeat of Navy in last evening's game virtually eliminates the Navy from any chance of a play-off. They were unable to field a team and apparently, are not very keen on making the effort needed. Could they manage to round up a nine and win their three remaining games they could conceivably tie with High School if the latter lost their one remaining game. On the present showing this is very unlikely.

General Motors are league winners as, even if they lost their two remaining fixtures, they would only have lost four games in the season and their nearest rivals, C.N.R.A. and Gordon and Anderson, have already lost six. The C.N.R.A. has one match to play against Co-op, and this is scheduled for Friday evening. Gordon and Anderson has one game to play and that is against the Navy.

However, Co-op has lost only six games and has still four to play. They have games with General Motors and C.N.R.A. at present above them in the league and games against the bottom two, High School and Navy. Could the Co-op win their four games they could tie for second place.

The Fastball Commission is holding a meeting this week to plan the play-offs.

Men's Fastball League standing:

General Motors	11	2	347
C.N.R.A.	8	6	571
G. and A.	8	6	571
Co-op	5	6	454
High School	5	9	357
Navy	2	10	168

TWO LADIES GAMES YET

Fastball in That Division Nears Conclusion

There are two postponed games to play in the Ladies' Fastball League. High School and Gordon and Anderson are scheduled to meet this evening in the game. (Continued on Page Five)

PAUL OLSEN IS HONORED

Birthday Parties for Popular Daily News Delivery Boy

Paul Olsen, one of the Daily News' popular delivery boys, was honored with two parties on his birthday this Monday. One was at the home of his father, Fred Olson, 610 Fifth Avenue West, at noon. The other was at the home of Mrs. I. Lavigne, 622 Eighth Avenue West. Many of Paul's young friends were in attendance on each occasion and delicious refreshments, pleasing to young tastes, and numerous gifts marked the events. Hand-some birthday cakes were featured.

Present at the noon party were Sonja Blake, Donnie Blake, Gordon Osterberg, Leonard Osterberg, Mrs. Donald, Mrs. Hand, Ludvig Hemnes, Sid Halvorsen, Tom Halvorsen, Sonja Halvorson, Edwin Vale, Karl Vale, Berry Sandyke, Lily Sandyke, Bryant Sandyke, Dave Sandyke, Dick Edgar, Dorothy Edgar and Albert Edgar.

At the evening party were Mr. and Mrs. Martin, Mr. and Mrs. Odell, George Ross, Miss Beulah Lavigne, Miss Vina Lavigne, Mrs. Marie Lavigne, Paul Olsen and Fred Olsen.

FINED \$150 ON LIQUOR CHARGE

Frank Wilkie was fined \$150 or three months in jail when he was found guilty by Magistrate W. D. Vance in police court Wednesday on a charge of supplying liquor to an Indian. He paid the fine.

OUT OF SEASON

GUELPH, Ont.,—A couple of sleighs were involved in an accident here recently—during a mid-August rainstorm. A truck driven by George Horton rammed into the rear of James Pinkney's car during the storm. The truck skidded past a sign and struck a couple of sleighs parked in front of a blacksmith shop.

HEALTH HAZARD

The difference in certain sickness disease rates between city and urban areas is attributed to pollution of the air in the city by smoke and gases from coal in industrial and domestic use.

MONEYMAN

CHAPLIN, Sask.,—Stan McIvor, secretary of Herbert Sast, Larger School Unit, estimates he has signed more than 3,868 cheques since 1945 when he became secretary of this school district between Swift Current and Moose Jaw.

"Build B. C. Payrolls"

PACIFIC MILK

Convenient and Economical

Among a number of reasons why she uses Pacific Milk, Mrs. R. McEn. cites this important one: "It is very convenient, convenient because one need never be without Milk. It keeps sweeter much longer than ordinary milk and is more economical."

Care of Umbrella

A wet umbrella should be closed and stood with the handle down. This prevents rusting of the point where the ribs join, and also prevents stretching of the cloth.

To Test Eggs

Place an egg in a pan of water. If fresh it will lie on its side. If a few days old it will tilt upwards. If stale, it will stand on end. If very old, it will float.

A Convenient High Chair

If four rubber-tipped door stops are screwed into the legs of an ordinary chair, it makes an ideal high chair for kitchen work, or for a small child.

PRACTICAL PLANT

The cotton plant survives drought better than most plants because it stops growing in dry seasons, resuming growth when rains return.

BONEY'S BEET SUGAR

To nullify the English sugar blockade, Napoleon started beet-sugar on its way to meeting half the world's sugar needs.

BUYS AND WHYS BY Barbara Brent

A weekly advertising and information service for today's woman

MONTREAL, Aug. 28th—You like it... it likes you! Particularly when summertime recreation leaves you feeling thirsty and pleasantly tired... 7-Up tastes so good! Chilled from the cool green bottle... or fresh in a frosty glass... sip 7-Up slowly... let the lively, happy little bubbles run over and under your tongue! Feel happy? Of course you do! You feel like another set of tennis right now... another "nine holes of golf" 7-Up gives you a wonderful "fresh up" feeling. Buy yours at any store displaying the eye-catching 7-Up sign!

HERE'S A TIP FROM THE TROUSSEAU

of a lucky Autumn bride... her loveliest lingerie is made of nylon! And trousseau-lovely lingerie can be yours on a budget when you buy nylon... it's both fashion-perfect and budget-wise! It washes quickly, dries quickly, irons like a dream... and it never, never shrinks! You'll find nylon, fabrics smooth as mist-glowing satins, shimmering sheers, soft twills. Look for the label "Made of C-I-L Nylon Yarn" to assure you of lingerie that will fit fashionably, smoothly and well for its longer, lovelier life!

IT'S NO SECRET that the woman who gets the most satisfaction out of her shopping—the truly wise shopper—buys, as often as possible by name. She knows that so many of the better products are identified for her by label. She knows that the VINYLITE Plastics label is her assurance of plastic products that have been tested for use—and approved by "The Better Fabrics Testing Bureau". Be wise... buy by the VINYLITE Plastics label. For more about these excellent plastics and their many uses, simply write to me, Barbara Brent, 1411 Crescent St., Montreal, P.Q., for your free copy of "The Story of VINYLITE Plastics".

NOW IS THE TIME

to plan for your winter holidays or your vacation next summer... to begin putting money aside regularly for a wonderful outing—a never-to-be-forgotten pleasure cruise, a glorious stay in the mountains. Decide how much you want for your holiday financing—and then put a portion of each pay cheque away in your "Sunshine Account" at the Bank of Montreal. You'll find any member of the B of M's staff glad to assist you in opening your account. Begin today to save for the time of your life.

LOOK AT JUNIOR!

Junior's got into the jam again! There's no doubt about it... it's hard to keep him from the jam cupboard when it's well-stocked with your delicious CERTO-made jams and jellies! But there's still a lot left for the family—even after one of Junior's famous raids... for CERTO, the famous fruit pectin, gives you fifty percent more jelly or jam. CERTO jams need only a one-to-two-minute full, rolling boil... CERTO jellies—a half-minute to a minute—very little precious juice is lost in steam! When you buy CERTO look for the book of Tested Recipes behind the label. Follow them exactly for very best results!

GOOD COOK'S DELIGHT! A "must" on your kitchen shelf... a shopping list "regular"... and, not to keep you in suspense any longer... it's BENSON'S Corn Starch. I'm sure you'll agree with me, once you've cooked with it, that there are few superlatives too superlative to describe this good corn starch. BENSON'S, you know, has been a buyword for, literally, generations of Canadian housewives. It makes delicious certainties of recipes like these for Sally's Sponge Cake—Lemon or Orange Filling—Novelty Meat Roll. They're all from BENSON'S latest Recipe Sheet E.D. An Announcement of Interest

Miss Margaret McLeod, optometrist of Vancouver, announces the opening of her permanent office at Manson's Jewelers.

Miss McLeod graduated from the Ontario College of Optometry in 1943 and after an association with prominent Toronto optometrical group she returned to her home province. Miss McLeod has since been associated with Dr. Harry Perrin, optometrist in Vancouver.

She is well trained in the practise of Optometry and has had considerable experience. She is of a family prominent in optometry in B.C. many years. Her father, Mr. Murdock McLeod, has an extensive practise throughout B.C. and her brother, Clyde, is a prominent optometrist in Penticton, B.C. Miss McLeod has installed the most modern equipment for the examination of eyes and a conscientious service will be given.

Schools...

(Continued from Page One)

Averal lady teachers and an apartment for a married male teacher with a small child," Mrs. Roper said. "Also one or two light-housekeeping rooms for women teachers."

Based on the difficulty she has experienced in obtaining accommodation for the new teachers, Mrs. Roper shares the opinion that Prince Rupert's population is increasing.

Only administrative change in the school staff is the replacement of W. W. C. O'Neill, resigned, as principal of Booth Memorial High School by Alan M. Hurst.

Here is the complete list of the teachers in the city schools and in the four district schools:

Booth Memorial High School
A. M. Hurst, principal.
R. D. Cleland, assistant principal.

Miss Eva Cavalier, commercial.
Miss E. Pamela Noel, commercial.
Mrs. A. Densmore, industrial art.

Peter Adlem, industrial art.
Miss Muriel Townsend, home economics.
Miss Majorie Anstey, home economics.

Peter Sbrocchi, French.
Miss Lee Gidney, senior English.

A. M. Grasdal, science.
Bert Ewald, science.
Jack Evans, physical education.

Miss Patricia McRae, physical education.

Thomas Fletcher
John Church
John Henry
John Kenny
Alfred Williams
Mrs. N. Moses
Miss Ena McHallen

Train Schedule
