DISPLAY OF PUBLICATIONS

WITH the problems of international relations pressing closer upon Canadians, the Canadian Institute of International Affairs has sent to the Prince Rupert Public Library, a display of books and pamphlets of interest in the present crisis. The display will be set up tomorrow.

Never before have Canadians found it so necessary to keep themselves informed on international issues presently disturbing the building of the peace, and the library display presents an excellent opportunity to the citizens of Prince Rupert to become acquainted with the literature and services of the Institute which is an independent, non-political, non-profit-making organization interested in facts and worthwhile viewpoints.

Included in this current display of C.I.A. publications are pamphlets in the "Behind the Headlines" series dealing in a simple and concise manner with questions of current interest such as "Atomic Energy and World Governments" and "Russian Foreign Policy." Also included are "Contemporary Affairs" pamphlets, providing a more detailed discussion of the subjects treated: "Canada at Geneva" and "How We Govern Ourselves" are two of the titles; books published by the C.I.A. and the new quarterly, International Journal, as well as new books issued by such affiliated organizations as the Royal Institute of International Affairs, London, England; the Institute of Pacific Relations, New York, of which the C.I.A. is the Canadian council, and other Institutes of International Affairs in Australia, New Zealand, South Africa and India.

LETTERBOX

BUS FRANCHISE

Editor, Daily News: "Council plans about-face on Bus Deal." I wonder if this is because one of the members has the managing of the bus line? If so don't you think it is about time this city got away from favoritism. Please do not let us have these over-crowded buses like we have had in the past. It has been shameful the way they have crowded these buses, to the very last step and then six or more people had to get out to let any one else out—and many times a bunch were left. Then you still want to give us this same old bus service.

Our council members all have cars of their own and do not know what it is like to be pushed and stepped on.

We had fine real good careful drivers in the past and they got fed up with this bus line so have planned a bus line of their own under the name of The Northern Bus Lines. These boys have a great deal of credit due them, also consideration. Their plan is to give the public a fifteen-minute service to all parts of the city. So why not give these boys a chance to modernize our bus service, also to give the citizens a better bus service? I may add, some of these boys are veterans. Do we want to go back to this old push and shove? Think this over, citizens. There is not a thing we can do if the Arrow Bus Line gets their franchise. We will just have to suffer in silence.

Thanking you Mr. Editor for your space.

A READER AND ALSO A BUS RIDER.

PRESBYTERIAN C.G.I.T. PLAYS

Entertainment in Church Last Evening Enjoyed

The Presbyterian Church was comfortably filled last evening by an audience that enjoyed three one-act plays presented by the Canadian Girls in Training. The production was greatly to the credit of everybody concerned. Director was Mrs. W. E. Chapple and there were preliminary remarks by Rev. A. M. McCall. In the intermissions, there were solos by Miss Joanne Langridge, with Mrs. Smith accompanist. These numbers were sweetly sung and heartily enjoyed.

The three plays were entitled "Is My Face Red?" "Everybody Likes Pretty Things" and "She Takes the Cake." Appearing in the casts were Joan Calderwood, Margaret McArthur, Dorreen Paul, Donna MacArthur, Gail McRae, Barbara Teng, Roberta Paul, Judith Nelson, Muriel Shier and Lorna Howe.

The plays reflected no small degree of careful study, presentation and rehearsal. The lines—and there were many—were clearly spoken. The humorous situations and the general action and balance of each play throughout were admirably sustained. The general stage settings were most attractive.

A grateful goodbye hug from hubby, sweet kisses from the children, off to school after a hearty breakfast. She smiles at the empty plates, happy in the knowledge that she has pleased and cared for her loved ones; smiles at the memory of the joy which greeted the steaming pancakes and the Crown Brand Corn Syrup on this morning's breakfast table.

You, too, can serve Crown Brand with complete confidence because Crown Brand Corn Syrup has been recommended and used for years, in the bottle feeding of infants and is a favourite with all ages because of its delicious and tempting flavour.

AMATEUR NIGHT GREAT SUCCESS

Kinsmen Did Well—T.B. Seal Campaign Going Over

At the regular dinner-business meeting of the Prince Rupert Kinsmen Club, held last night at the Civic Centre with 17 members present, Armine Boas reported on the Amateur Night show, announcing that \$245 had been taken at the door. Although expenses were up this year as compared to last, when all returns from ticket sales are accounted for the club will have a fair net gain.

Another success story, well on the way to a happy ending, is the Christmas Seal Campaign. According to Pierre Le Ross, chairman of the T. B. Seal committee, 630 answers have been received following the sending out of 2700 letters. Receipts for seals at present total \$910 which is well ahead of the same period

of last year when \$640 had been collected.

On the proposal of the executive, the club voted to contribute \$15 to the Mayor's Fund to be used for the purchase of Skeena River salmon which will be shipped to England for distribution among needy families and will be Prince Rupert's wedding present to Princess Elizabeth.

William Bremner, representative to the Civic Centre Association, reported that plans called for designs to be secured for a proposed swimming pool and bowling alley and that top-line entertainers would continue to appear at the Civic Centre from time to time.

A motion that the club become a member of the local Film Council was approved by the meeting. Charles Collins, who attended the last meeting of the Film Council, outlined some of the bylaws adopted by the Council and pointed out how it will operate in relation to any organization that is a member and which has a trained operator.

Russell Cameron, a new member of the club, was officially introduced by Herbert Young and welcomed by President R. G. Moore.

It was decided to present the silver cup won by Yvonne Neilson in the Shell-Out campaign and the engraved signet rings for the May Queens at the Children's Christmas party to be held at the Civic Centre in December.

FINAL RITES FOR F. HEMMONS

Friends of the late Fletcher Hemmons, well known city resident who passed away this week, filled Grenville Court Chapel Wednesday afternoon for the final rites which were conducted in the chapel by Rev. W. F. Rushbrook and at the graveside by Rev. E. Hodson.

A large number of veterans of the First World War, in which deceased had served overseas, were present, and at the graveside, the "Last Post" was sounded by Canadian Legion bugler W. J. Rance.

Hymns sung by the congregation during the service were "Lead Kindly Light" and "Onward Christian Soldiers." Mrs. B. E. Elyofson was organist.

The pallbearers, friends and associates of Mr. Hemmons during the 27 years in which he lived in Prince Rupert, were W. M. Watts, P. H. Linzey, Arthur Bayne, Jack Batt, Vic Menzies and Jack Judge.

Gertie, the sea-going cat and her four kittens have become listed as belonging to the ship's company of the British frigate Consuelo, which arrived recently in Montreal. At first, Gertie had hidden the children in four different places aboard the steamer. When discovered, all was forgiven. Now, the whole family devote their entire time to the mousing job and all responsibilities are faithfully discharged. Besides, they are seeing the world.
