# EMPIRE DAY WELL CELEBRATED IN LONDON

## PLANT FOR SEPARATING GOLD FROM SAND IS BEING SHIPPED TO MASSETT

### Empire Day Celebrated in London by Immense Crowds of People at Wembley Stadium and Other Places

LONDON, May 26.—About 125,000 people assembled in the stadium of the Empire Exhibition to join the King and Queen in an Empire Day thanksgiving service on Sunday afternoon. Among the solid banks of Londoners were little patches of people from all parts of the Empire. A huge splash of white betokened thousands of surprised choristers while the thin line of blue was composed of men in hospital clothes, many in invalid chairs showing that the war hospitals were not yet empty.

A tremendously demonstrative welcome was given their Majesties. The most impressive moment in the service was when there was silence for a space for thanksgiving for the empire builders of the past, and prayers that the empire builders of the present and future may work together to further God's peace on earth.

### Mining Company to Operate Extensively at Masset and to Spend Large Sum of Money

Accompanied by G. W. B. Fletcher and Herman Block, president and vice-president respectively of the P. B. C. Mines Ltd., G. E. Cabrera, manager of the company, arrived in the city from Massett on the Prince John at the end of the week. Mr. Fletcher and Mr. Block are on their way East after having paid a visit of inspection to the scene of the company's proposed black sand reduction plant on Massett Inlet and Mr. Cabrera is here to purchase equipment which he will take with him when he returns to the Islands tonight.

Mr. Fletcher and Mr. Block were well satisfied with the prospects of operation at Massett and the decision has been made to proceed with a program of machinery installation and building that will involve probably about \$100,000.

A large tract of land has been purchased for the plant in which a combination of smelting and chemical processes will be employed in the recovering of the gold. Twenty-two townsite lots at Massett have also been purchased on which will be erected the permanent camp and residences for officials and employees. Three buildings have already been erected and about 12 men are now engaged. When operations get under way in full the payroll will total about 25.

Mr. Fletcher and Mr. Block expect to return in July and spend all summer in the district. They will inspect the company's holdings in the Tacla Lake district, 180 miles north of Hazelton.

Gasoline schooner Donaldson, which left here May 3 reached Nome Saturday carrying the first fresh vegetables which residents of Seward peninsula have enjoyed since fall.

G. J. Fletcher, secretary of the B.C. Medical Association, arrived in the city on Saturday, making one of his periodic visits to the members of the profession in this city.

### Liberals Will be Returned is Popular Opinion in South says Editor on Arrival Home

"A careful analysis of the political situation seems to indicate that the present government will be returned to power, probably with a slightly increased majority." That is a statement made by H. F. Pullen who returned Saturday from a short visit to Victoria and Vancouver. He says public opinion seems to be that John Oliver is the only man in sight as a political leader whom the people can trust. If he should have to resign, either Bowser or McRae would take his place and neither has the confidence of the people. Mr. Bowser, having no record and Mr. McRae, having no public record, has to be judged by his private and business record and that is not such as to inspire trust.

It is possible, Mr. Pullen says, that had it been a straight fight between Liberals and Conservatives, the latter might have won because there are always a great many former supporters of a government that become dissatisfied office seekers and go over to the opposition. That has been particularly true of the present Liberal government because no particular effort has been made to cater to that class of politician. There have been no pickings. Most of the dissatisfied camp followers have joined the McRae ranks in the expectation of doing better in the event of the Provincial party being returned to power.

### All for Oliver

Judging from reports that are coming in and from the people one meets in Victoria and Vancouver there will be a good many changes in the representation at a number of centres. Vancouver is likely to return either four or five Liberals this time and Victoria will elect three or four. Almost everyone will vote for John Oliver. At Esquimalt there is a split in the Conservative ranks, and R. H. Pooley is being opposed by Reeve Lockley as well as by a Liberal. The result can easily be surmised. Pauline has hardly any opposition in Saanich and Colonel Peck is not making much headway in his campaign against M. B. Jackson in the Islands.

Similar conditions exist in the interior. The wave of opposition fostered and led by Colonel McRae has worn itself out and, since the failure of the Provincial leader to make good his charges against the government, there is a strong revolution toward the old farmer leader who has fought a good fight for the province in the past and who is still fighting.

The north is expected to go solidly with the government and the increased representation will give the north increased prestige.

### Good Type of Candidates

In Victoria, where he spent most of his time, Mr. Pullen says he came across a number of former Conservatives who declared their intention of voting for two Liberals if not for the whole ticket. They have been influenced to this by the splendid type of candidates that have been chosen. And what is true of Victoria is true of many other places including Skeena. More than ever before the people will vote for the men rather than the party and the Liberals seem to have chosen well in almost every case, so far as nominations have been made to date.

### REDDICK WINS

CALGARY, May 26.—Jack Reddick 162 pounds, knocked out Billie Burns of Everett, Washington 156½ pounds on Saturday in the 5th round of a scheduled fifteen round bout with a terrible right below the heart followed by a pile driving right to the chin.

Bishop Bunoz arrived home Saturday after a visit to Powell River.

### MAYOR NEWTON IS NOMINATED

Chosen as Candidate of Conservatives of District Against Hon. T. D. Pattullo

Mayor S. M. Newton was the unanimous choice as the Conservative candidate in the forthcoming provincial election at the Conservative nominating convention held on Friday evening in Edna Hall. The only other name coming before the convention was that of W. E. Fisher. In a brief address Mr. Fisher stated that while he appreciated the honor in being asked to stand, owing to business and private reasons it was impossible for him to accept the invitation. Delegates present were W. E. Fisher, A. W. Edge, W. W. Wright, W. Reid, D. C. Stuart, W. R. Love, H. A. Breen, E. A. Mann, Geo. Hill, W. Sibbald, R. H. Shockley, J. A. Kirkpatrick, J. Laurenson, Alex. McKenzie, A. Beattie, Geo. Leek, J. Sigmund, W. Gathorn, Phil McDonald, Geo. Munro, J. C. McDonald, H. Capstick, Wright Davies, W. J. McCutcheon, H. Love, Major McGregor, J. Mansfield, H. Philipott, E. Hayter, Fred Scadden and W. H. Walder.

In a short speech Mayor Newton thanked the convention for the honor bestowed upon him and expressed his willingness to accept the nomination.

### MIRAGE LURED MAJOR MARTIN

Followed What Appeared to be Water and Then Struck Mountain

BELLINGHAM, May 26.—Major F. L. Martin, leader of the United States round-the-world flyers, and his mechanic, Staff Sergeant A. L. Harvey, returned here yesterday on the steamer Catherine D. from Port Moller, Alaska. They have been ordered to Washington and were greeted here by a reception.

Telling of the mishap to his air cruiser, Major Martin blamed a mirage for the misfortune after leaving Chignik. Not long after leaving there he saw what appeared to be water. Thinking it was the Pacific, he travelled towards it, but it disappeared. Then he realized it was a mirage that he had been following. It took him off his course in a northwesterly direction. The weather was foggy with only five hundred feet between the snow covered earth and the clouds. He changed his course and started to head south but suddenly hit the north side of the mountain. The plane slid 100 feet and was torn to pieces.

Bishop Bunoz arrived home Saturday after a visit to Powell River.

### Canadian Scottish Finding Approved.

The finding of the second court of enquiry into the wreck of the steamer Canadian Scottish will receive approval as general as was the condemnation that met the finding of the first court. It seemed anomalous than an ocean-going master should be punished when accident befel his vessel that was being navigated in coastwise waters in charge of a pilot. The only apparent reason for that decision was that Capt. Harris was too ready to accept the blame and practically admitted fault when it was unnecessary to do so.

The explanation for the pilot not being punished is that pilotage is no longer a governmental necessity on this coast. Pilots are placed on vessels only at the discretion of the ship owners and the underwriters. As there is no compulsion about it, there are also no governmental requirements for pilotage qualification. The owners or underwriters may engage any mariner they see fit and he is responsible only to them. The wreck commission cannot deal with pilots as it can with coastwise masters.

### Too Many Dogs In This City.

The city council spent the best part of an hour last week discussing the dog catcher's powers. If it had spent a few minutes issuing instructions to the dog catcher it might have been more appropriate.

Leaving the dog catcher out of the question, it may be said that there are too many dogs running at random on the city streets. They are neither decorative or useful and, in many cases, are dangerous. If people wish to keep dogs, they should not only be compelled to pay the licenses for them but should also be required to take care of them. If the Pound By-law does not already make this necessary it should be amended so that it will.

As a rule any animal roaming at large constitutes a nuisance. If a dog is of any value or use to its owners it should be kept where it belongs. If it is prized no more than a lot of these animals around town seem to be it should be done away with. The pound keeper should be given authority, if he does not already possess it, to do this.

Blocks full of snarling and cringing curs—seeking what they may devour and fighting on the street corners—constitute a poor advertisement for the city.

### May Be Last General Assembly.

When the General Assembly meets on June 4 in Owen Sound the Presbyterian Church in Canada completes 50 years of its history.

It was on June 15, 1875, that the first General Assembly of the Presbyterian Church in Canada opened in Victoria Hall, Montreal. On this day, according to the "Acts and Proceedings of the First General Assembly," the General Assembly of the Canada Presbyterian Church, the Synod of the Presbyterian Church of Canada, in connection with the Church of Scotland, the Synod of the Presbyterian Church of the Lower Provinces and the Synod of the Presbyterian Church of the Maritime Provinces in connection with the Church of Scotland, met according to appointment for the purpose of consummating the union of their respective churches.

It was through this Union which took place then that the Presbyterian Church in Canada, as it is known today, came into being. The first Moderator of the new Church was Rev. Dr. John Cook, minister of St. Andrew's Church, Quebec. The business of that first Assembly occupied three days, while now it takes the best part of 10 days to complete the work of the Church at the Assembly.

In view of the present Church Union situation, it is cited as possible, should the present Bill be passed before next year by the Federal Government, and the United Church of Canada come into being, that this will be the last General Assembly of the Presbyterian Church in Canada as it is at present constituted.

This advertisement is not published or displayed by the Liquor Control Board or by the Government of British Columbia.

## WEDDING WAS UNIQUE EVENT

Miss Marjorie May Cameron Be-  
came Bride of Alex. Hudema  
Saturday Evening

The marriage ceremony performed on Saturday night in the exhibition building when Miss Marjorie May Cameron, daughter of Mrs. H. Cameron, 330 Eighth Avenue East was united in holy matrimony to Alex. Hudema, 333 Eighth Avenue East, by Rev. G. G. Hacker, will go down in the annals of Prince Rupert's history as one of the most unique wedding functions ever witnessed in the city. The wedding ceremony was the great attraction of the day in connection with the Victoria Day celebrations, and was held under the direction of the Fair Board, R. E. Benson having charge of the arrangements. Long before the ceremony was to take place the hall was crowded with spectators. In a fitting speech, just prior to the ceremony, Joe Greer, president of the Northern B.C. Agricultural Association, impressed upon the large assembly the solemnity of the occasion and the need for silence and attention. The response of the congregation was remarkable. Not a sound was heard as the bride, who looked charming in a white dress of Canton crepe with a Princess Mary design bridal wreath and veil carrying a beautiful bouquet of roses, was escorted on the arm of her brother, Percy, down the carpeted aisle to the raised dais on which the bridegroom and Rev. G. G. Hacker awaited, while the Wedding March was played by Art Easson's orchestra.

Attending the bride as flower girls and carrying baskets of lovely roses were the Misses Lilian Franks, Elsie Franks and Rosie Wesch. Dressed in white voile the little flower girls looked very winsome. Immediately in front of the platform sat Mrs. H. Cameron, mother of the bride, and relatives and near friends of the contracting parties. The responses of the bride and bridegroom during the ceremony were audible throughout the building and neither showed the slightest trace of nervousness. At the conclusion of the ceremony the wedding party repaired to the home of the bridegroom on Eighth Avenue East where relatives and friends of the happy couple sat down to a sumptuous wedding breakfast. Mr. and Mrs. A. Hudema will in future reside at 333, Eighth Avenue East.

Delicious refreshments were served at the conclusion of the card playing after which dancing was thoroughly enjoyed to the melodious strains of the Sons of England orchestra composed of Mrs. Wilton, piano; Percy Cameron, violin; and A. Silversides, mandolin.

The committees responsible for the success of the evening were ladies' committee; Mrs. George Leek, convenor; assisted by Mrs. W. Shaw and Mrs. R. Howe, and men's committee comprising W. J. Hughes, Dave Wilton and Fred Taylor.

## CELEBRATION OF EMPIRE DAY

Addresses Delivered by Archdeacon Rix, S. E. Parker, and Mrs. A. T. Parkin

The Westholme Theatre was packed to the doors on Friday afternoon with hundreds of happy, smiling kiddies, the occasion being the annual Empire Day patriotic demonstration held under the auspices of the Imperial Order, Daughters of the Empire.

Mrs. A. T. Parkin, regent of municipal chapter, presided, and in opening the proceedings touched upon the nature of the patriotic work carried on by the Daughters of the Empire throughout Canada.

S. E. Parker, chairman of the school board, made an appropriate speech in which he congratulated the Daughters of the Empire on conducting the patriotic demonstration every year and also congratulated the children upon the number of holidays they obtained.

He said that no city in the Dominion had teachers who paid more attention to the welfare of their pupils than did Prince Rupert and the looks on their smiling faces bore testimony to the treatment they were receiving.

He expressed the necessity for all boys and girls to grow up satisfied with their own town, province and country and thought there was no necessity for them to go far afield later in life to seek a fortune. The speaker said in closing: "Make up your minds that you are going to live here and help to build up your city and your country and you will never regret it."

**Archdeacon Rix**

In a stirring speech Archdeacon Rix referred to the cosmopolitan make up of the large gathering of children. He referred to the great possibilities that were ahead of them in their future life and impressed the children with the fact that it was in their own hands to do either good or bad.

He was quite sure they were going to do something worth while in life and would thereby be doing something for the country in which they lived. He trusted the boys and girls were going to take great care of the wonderful body and mind which God had given to them.

In continuing the speaker likened the colors red, white and blue of the Union Jack to courage, truth and purity. When they thought of their nature they thought of these three characteristics. He impressed upon the children to honor their King, their country and their flag. The way to do it was to combine the characteristics of their flag. "Keep your mind and body clean, having within you courage, purity and truth," said the Archdeacon.

He wanted those who were born under the British flag to set such an example to the aliens coming among them that their influence would not affect British standards of life or ideals. When they sang "Three cheers" for the Queen.

## HIS SLUGGISH LIVER MADE HIM FEEL DROWSY AND TIRED ALL THE TIME

When your liver becomes sluggish and inactive your whole health suffers, and the only way you can get back to feeling right is to make your liver right.

This can be done by the use of Milburn's Lax-Liver Pills as they will stimulate the sluggish liver, clean away all waste and poisonous matter from the system, and prevent, as well as relieve, all complications arising from a liver that has become inactive.

Mr. E. Hazel, East Florenceville, N.B., writes:—I had been troubled with my liver and felt drowsy and tired all the time, and was unable to do my work with any comfort. I took your Milburn's Lax-Liver Pills and today I am a different man and would not be without them in the house."

Milburn's Lax-Liver Pills are 25¢ a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

for the Red, White and Blue" he wanted them to remember there was more to the song than the meaning of the actual colors and to think of the ideals portrayed in the meaning of the colors — courage, truth and purity.

### Other Entertainment:

During the demonstration Mrs. H. C. Fraser and Mrs. Jarvis McLeod sang delightfully. The children sang "Rule Britannia" and "Men of Harlech" under the direction of J. Mitchell. Mrs. Walker's class performed a flag drill in a precise manner, Miss Mercer playing the accompaniment. Prior to the showing of a two reel comedy by the management of the theatre, Mrs. Parkin tendered thanks on behalf of the Daughters of the Empire to the speakers of the day for their stirring speeches, and to Mr. and Mrs. Ben Self for the use of the theatre, also to the Westholme orchestra who played selections during the afternoon. At the conclusion of the picture show the singing of "God Save the King" brought the demonstration to a close.

## SONS OF ENGLAND ON CHURCH PARADE

The annual church parade took place last night. Marshalled by L. Pofferton, members of the order assembled at the Boston Hall and marched to St. Andrew's Anglican Church where they were joined by the Daughters of England. Archdeacon G. A. Rix delivered a splendid sermon dealing with British traditions and the necessity of living up to them.

In continuing the speaker likened the colors red, white and blue of the Union Jack to courage, truth and purity. When they thought of their nature they thought of these three characteristics. He impressed upon the children to honor their King, their country and their flag. The way to do it was to combine the characteristics of their flag.

## Holiday was Celebrated in Typical Manner by Prince Rupert People

Sports and Games in Afternoon with Varied Entertainment in Evening followed by Dance

Victoria Day was fittingly celebrated on Saturday by the people of Prince Rupert. The city was gaily decorated with flags and the several entertainment attractions provided during the day went off to schedule. While local showers were general in the morning the sun shone brightly at intervals and the weather in the afternoon and evening was pleasant. At an early hour people were astir on holiday bent and the crowds that gathered at the exhibition grounds were in good humor. Several parties of sportsmen took advantage of the long week end to go on fishing excursions while other owners of pleasure boats went picnicking. The majority of the citizens, however, spent the day enjoying the attractions provided at the Save the Surface carnival put on jointly by the Fair Board and Elks. The great attraction of the day was the wedding ceremony at night when Miss Marjorie May Cameron and Alex. Hudeme were married by Rev. G. G. Hacker before a large congregation.

Prior to the wedding ceremony the Skeena river entertainers put on a good program of songs and dancing. The sports program provided in the afternoon, under the auspices of the Prince Rupert Baseball and Lacrosse Associations was an attractive one and included races for children which were keenly contested. The dancing in the evening in the exhibition hall was most enjoyable and proved a fitting climax to the day's festivities. Art Easson's augmented orchestra furnished the music.

### The Carnival

Shortly after noon all roads leading to the exhibition grounds were thronged with holiday makers on their way to the carnival. In the afternoon the carnival staged in the exhibition building was thrown open and a large crowd of people took advantage of the fun provided. The hall was gaily decorated with Allied flags and presented a festive appearance. The booths included hoop-la, managed by Jack Judge and Dr. Tasse; country store, Jack Cobb and Sam Joy; hot dogs
