Sleeplessness

Sleeplessness, like insanity, is greatly on the increase. Modern life, with its hurry and worry and noise, brings an enormous strain on the brain and nerves.

The temptation to depend on sleeping powders or tablets must be fought off if you would avoid catastrophe. Means of reconstructing the starved nerve cells must be sought. Since the digestive system fails to supply nourishment to the blood and nerves it is necessary to

employ such treatment as DR. CHASE'S NERVE FOOD to instil new strength and energy into the tired nerves. This is Nature's way of affording lasting relief.

You will notice that while the price of Dr. Chase's Nerve Food has been increased to 60c. the box now contains 60 pills instead of 50 as formerly.

Likewise Dr. Chase's Kidney-Liver Pills are 35c. a box of 35 pills, instead of 25c. for 25 pills. Edmanson, Bates & Co., Ltd., Toronto.
