Intensified Fruit Juices in the Form of "Fruit-a-tives" Promptly Relieves Many Diseases

You have always known that Fruit is healthful. Doctors say "eat more fruit." Experts on food and diet urge the eating of fruit. But-fresh fruit is expensive-and there is only a very small quantity of the medicinal or healing principle in fruit.

Now, a 50c. box of "Fruit-a-tives" contains all the medicinal principle of dozens of oranges and apples and pounds of figs and prunes.

By the wonderful discovery of a well known physician, it is possible to obtain the medicinal properties of the fresh juices of apples, oranges, figs and prunes concentrated and intensified in a small tablet, with tonics added.

This is "Fruit-a-tives"-the Fruit Treatment-the quick, pleasant, inexpensive way to make you well and keep you well.

Seems Almost a Miracle

Just read this letter from Mrs. Clara Sloat, Perth Junction, N.B.

"For many years I was a great sufferer from Indigestion, Constipation and Chronie Rheumatism. My stomach was weak and gave me constant distress, while the Rheumatism in my joints made me almost a cripple. Physicians and their medicines did me no good. Finally, I was induced to try "Fruit-a-tives" and at once this wonderful fruit medicine seemed to help me. Soon the Constipation and Indigestion were relieved and the Rheumatism began to go away and, in a few months, entirely disappeared."

Thanks To "Fruit-a-tives," Am Once More Well

Mr. Otis M. Bryant, of 49 Anderson Street, is most Mrs. Honore Valiquette, 1133 Notre Dame St. West, enthusiastic about this famous fruit medicine. He writes Montreal, is deeply grateful to this famous fruit medicine. "I was troubled with Constipation ever since I can remem. Miss Margaret Conolly, Brantford, Ontario, writes:- "For three or four years my health had not been very good, and especially in the Spring used to become quite run down. For some months before I started using Dr. Chase's Nerve Food, I had a tired feeling continually, with pains up the back of my neck and head, and at times felt I would have to give up work. I could not think clearly and often had neuralgia, followed by dizzy spells. I was nearly 'all in' when I began using Dr. Chase's Nerve Food, but after I had completed a treatment of six boxes, I felt better than I had ever felt before.'

You will notice that while the price of Dr. Chase's Nerve Food has been increased to 60c. the box now contains 60 pills instead of 50 as formerly.
