REPORT VINDICATES OLIVER GOVERNMENT

SWIMMING FACILITIES WERE DISCUSSED BY THE CITY COUNCIL LAST NIGHT

Commission Completely Vindicates Oliver Government of Charges Laid by Leaders of Provincial Party

VICTORIA, May 6.—The Oliver government was completely vindicated at the recent P.G.E. Railway investigation on every charge of dishonesty, extravagance or incompetency in the handling of railway affairs. This was the verdict of Mr. Justice Galbraith, Royal Commissioner, who investigated the Provincial party's allegations against the government. The findings were made public today.

"I find nothing in any dereliction of duty or disregard of public interests or extravagances or incompetency in carrying out this work by the Government," the Royal Commission report declared. "In conducting a work of this magnitude," he said, referring to the construction of the P.G.E., "it would be astonishing if some errors or mistakes were not made and perhaps I might say more thorough methods in some instances might have been employed but on the whole, considering the handicap that those carrying on the railway construction during those years labored under, it is not surprising that work cost the country large sums of money."

Each charge of the Provincial Party against the Government was dismissed by the commissioner as unproven. In every case he finds the Provincial Party's allegations without evidence to support them.

The commissioner begins his report by dismissing the Provincial Party's charge that Hon. W. Sloan received money from the contractors and that as a result these contractors were accorded favorable treatment in the Legislature.

NEWSPAPERS TO PAY ALL COSTS

Will Carry on Same Service Without Government Grant of \$50,000

TORONTO, May 6.—With two dissentients the newspaper publishers of Ontario and Quebec who are members of the Canadian Press, decided to adopt the recommendation of the board of directors for the absorption of the \$50,000 Dominion Government grant which was discontinued last session.

The newspapers of Canada have thus decided as a whole to carry on at their own expense the transcontinental leased wires, linking the peoples of the Canadian east and west.

WISTARIA SCHOOL HOUSE DESTROYED BY FIRE RECENTLY

FRANCOIS LAKE, May 6.—Fire originating between the ceiling and roof at the noon hour one day last week completely destroyed the school buildings at Wistaria. Miss Graham and her pupils were eating lunch outside and the first intimation of the conflagration came when smoke was seen issuing from the windows. Given assistance by her pupils, Miss Graham pluckily saved all the school books and property with the exception of a few desks, blackboard, teacher's desk, and book case.

Other premises are being arranged for and school will resume in a few days.

C.P.R. steamer Princess Ena bound from Naden Harbor to Ketchikan, was stormbound last night at the entrance of Naden Harbor.

BISSELL REPORTS CAN DO NO MORE SEARCH OF PACIFIC

WASHINGTON, May 6.—Lieut. Bissell, advance officer for the United States army round the world flight expedition, advised the war department today in a despatch from Dutch Harbor that nothing more could be done on the Pacific side of the peninsula to locate Major Martin, commanding officer of the squadron, who has been missing since April 28. He said everything possible had been started on the north side of the peninsula.

PRICES HIGHER ON FISH EXCHANGE TODAY

American Halibut Fetched Seventeen and half Cents and Canadian Fifteen and Half

Prices were higher on the fish exchange this morning. Canadian halibut fetched around fifteen and a half cents while American sold at about two cents more. Salmon was a little lower than hitherto, the prices being close to sixteen cents. The sales were as follows:

American

Arctic 22,000 to Booth Fisheries at 16.80 and 7.50.

Volunteer 10,000 to Royal Fish Co. at 17.40 and 8.

Venus 12,000 to Royal Fish Co. at 17.60 and 8.

Canadian

Kaien 20,000 to Allin Fisheries at 15.30 and 6.

Thelma 3,000 to Booth Fisheries at 15.30 and 6.

P. Dorreen, 10,000 to Booth Fisheries at 15.40 and 6.

Tilly S. 4,000; Gayeon 2,000;

Azores 5,000; W. & F. 4,000;

Mab 3,000 to Gold Storage at 15.50 and 6.

Tallow 2,100 lbs. salmon at 15.90 and 500 halibut at 15 and 6 to Gold Storage.

Overtime 3,600 salmon to Atlin Fisheries at 15.90 and 3.

LOONS FIGHT GULLS

Battle Lasted Over an Hour at Port Arthur on Lake Superior

PORT ARTHUR, Ont., May 6.—A battle lasting more than an hour was staged on the local waterfront. It was fought in the air between a flock of one hundred or more diving loons and seagulls, and the object was food. The hungry loons dived frequently to bring up wriggling live fish, and immediately the gulls would swoop down capturing the food from the bills of the loons. The gulls won, the loons retiring to seek a more peaceful feeding ground.

There was a reception in the Board of Trade rooms and a grand ball in the community hall later in the evening.

Mr. and Mrs. Outram left for their new home in Prince George, the bride travelling in Bolivia coal with hat to match.

This fair bootlegger of Minneapolis, recently captured by the police, shows the clever contraption, which she herself designed for carrying the forbidden beverage, and the "screen" used

Summary Execution of Chinese Pirates at Hong Kong Follows Capture by a Customs Cruiser

HONG KONG, May 6.—An example of the summary manner in which the Chinese treat criminals was shown here yesterday. Thirty-eight men convicted of piracy of the steam launch Kwongtak were lined up and shot by Chinese authorities. Hong Kong (British) police were present at the execution.

When the pirates attempted to seize the Kwongtak in Hong Kong waters, the Chinese customs cruiser pursued and sank the offending vessel and captured the pirates.

DOUBLE LIABILITY FOR HOME BANK IS RAPIDLY BEING PAID

TORONTO, May 6.—It is reported that the double liability of the Home Bank shareholders is being paid into the liquidator's office at the rate of \$50,000 a day.

CIVIC RECEPTION TO CANADIAN SOCCER TEAM GIVEN IN AUSTRALIA

SYDNEY, Australia, May 6.—The Lord Mayor tendered a civic reception to the Canadian soccer team. Replying to a toast to the visitors, Manager Adams said he was confident the team would not disappoint the public.

TUG LORNE HAD VERY ROUGH WEATHER AND LAID UP AT ISLANDS

TORONTO, May 6.—After encountering very severe weather on the Queen Charlotte Islands which caused her to be stormbound for several days, the Hecate Straits Towing Co.'s tug Lorne, Capt. Lewis, arrived in port at 7 o'clock this morning. Charles D. Anderson of the Kelly Logging Co. arrived from Cumshewa Inlet on the vessel. The Lorne is taking on a new wireless operator here—Allan D. Baillie who arrived last week from Port Hammond.

Two Swimming Proposals were Before City Council and were Discussed: Delegation Present

A delegation from the Prince Rupert Swimming Club consisting of E. G. Gibbons and J. W. Scott appeared before the city council last night asking for financial assistance in connection with the making of permanent improvements at Salt Lake. There was also a letter on the subject from A. A. McEwen, secretary of the club.

The letter explained that the provincial government had offered to give \$750 providing a similar amount was raised locally. Any improvements should be started at once. In view of the fact that the lake would eventually become city property, the club deemed it proper that the city should assist in the project.

Mr. Scott asked that the council give half of \$750, the club to raise the balance itself. Mr. Gibbons pointed out that the work to be undertaken would be of a permanent nature.

Ald. Collart asked that the matter be referred to the finance committee for report and it was so ordered.

Pool in City

Later in the evening, Ald. Perry reported to the council that the city engineer had given an estimate of \$1200 on a swimming pool for children to be put in near the reservoir on Acropolis Hill. The pool thus figured on would be 20 by 50 feet and 3 feet 6 inches in height. It would be of concrete reinforced with steel with intake and outlet valves. There would also be two small dressing rooms. Ald. Perry expressed the opinion that money for this should be the first to be provided.

Ald. Collart referred to the financial side of the question and felt the matter should go before the finance committee. He and the mayor were of the opinion that a smaller pool than the one proposed might be made.

Ald. Macdonald stated that the size proposed was none too large. A point should be strained to provide it.

Ald. Perry expressed his belief that the money might be provided out of the Board of Works estimates. This was in answer to a question by Mayor Newton.

Ald. McDermid felt that the pool might be more economically built than outlined.

The matter was finally referred back to the Board of Works for further report.

BALDWIN OBJECTS TO LOWERING OF DUTIES

Gives Notice of an Amendment to the Budget Bill of Labor Government

LONDON, May 6.—Former Premier Baldwin gave notice of motion in the House of Commons yesterday that it is inexpedient in the midst of the present distress to remove the McKenna duties as proposed by Chancellor Snowden in the Labor Government's budget.

CABINET MET BUT DID NOT SET ELECTION DATE

VICTORIA, May 6.—Members of the Oliver Government were in conference yesterday for an hour and a half. After the meeting Premier Oliver announced that nothing had been done in regard to the date of anticipated general election.

J. Sheasgreen is returning to Vancouver on the Cardena this afternoon.

MAKE CHANGE TRAIN TIMES

Westbound Passenger Will Arrive at 4 O'clock This Summer and Eastbound to Go Out at 5 O'clock

The times of arrival and departure of Canadian National passenger trains westbound and eastbound will be advanced on May 18—week from next Sunday according to a new time card that is being prepared.

The eastbound passenger train will leave here at 5 o'clock instead of 6.45 as at present, and the train from the east will arrive at 4 o'clock instead of 4.30. This will be the schedule for the summer. The days will remain as at present, there being no incoming train on Tuesday and none outbound on Sunday.

The advancing of the time of the train going out will mean that tourists arriving on the boats will not have as long to spend here but it will allow them to take better advantage of the Skeena River scenery. The setting ahead of the train arrivals by half an hour will give visitors that much longer here before embarking on the steamers.

BOBBED HAIR BANDIT JAILED

She and Husband Sentenced to From Ten to Twenty Years

NEW YORK, May 6.—Mrs. Celia Cooney, the bobbed hair bandit, and her husband and partner in crime, Edward Cooney, were today sentenced to serve from ten to twenty years each in prison.

CANADIAN VOLUNTEER DUE HERE TOMORROW

C.G.M.M. Vessel Will Discharge Steel For Terrace Bridge at Lumber Wharf

C.G.M.M. steamer Canadian Volunteer, Capt. John McKernan, is expected here early tomorrow morning with 475 tons of steel for the Terrace bridge. The cargo will be discharged at the lumber assembly wharf and the vessel will likely be in port for a couple of days before clearing for Ocean Falls to load pulp and paper for California.

The Man in the Moon

SAYS:

SOME people are wondering if some of those chemicals that sweeten the breath might prevent the breath of scandal injuring people.

IT is all right to control a machine but it is extremely difficult to control an older man in Nelson. The Trades and machine especially if it espouses Labor Journal states that British views that are opposed to yours.

MAKING a real estate millionaire into a popular labor leader candidate seems impossible. I would be about as difficult as for can't believe it." So stated Hon. a fat man to keep his trousers A. M. Manson at the opera house, up with a belt.

SUPPOSE the time should come when a male employee would speak published in the Nelson have to submit to unpleasant Daily News, a Conservative paper familiarities from the lady boss. Much laughter and comment was caused during Mr. Manson's address, when he referred to General MacRae, leader of the Provincial Party, as the unscarred hero of the war.

A lady in the audience spoke up, asking: "And where were you?"

"I was doing my best under the circumstances," replied the attorney general, as quick as a whip. General MacRae was soldiering in London, and if the lady thinks he is of high character, I would refer her to Searchlight No. 4 which states that the Provincial party will not do any mudslinging. However, Premier Oliver was termed as the "classiest idiot" and Justice Gallagher "an ass."

Does the lady wish to support that kind of a party?" asked Mr. Manson. (Applause). In the Provincial party, the attorney general realized three classes, the corporation lawyers, such as Sir Chas. H. Tupper and Sir John

Nelson, and disgruntled Conservatives. As Conservatives, he stated, they could have kept the name of a good party out of the mud. The third element was entitled to sympathy. The lady, he suggested, was probably in that class. The Searchlights contained scandalous literature, which insulted the men and women of the province.

AN old timer is a person who knew how to walk jauntily up Centre Street on Sunday morning in his shirt sleeves and feel as if he were dressed up. I am told that sometimes people got up Sunday mornings in those days.

I AM still thinking what a long time ago it must have been when people got up before noon on Sunday mornings.

WHEN we get our new elevator we shall have a better state of society in Prince Rupert for they say that elevator men are good mixers.

MEN were born to rule, but they don't.

Ten Years Ago in Prince Rupert

May 6, 1914.

A bad accident on the G.T.P. line east of Smithers occurred when a passenger car loaded with people broke from the train and rolled over the bank. The most serious injuries were sustained by Chief Engineer Van Arsdol whose arm and collar bone were broken.

A message has been sent out by President E. J. Chamberlin to all employees of the Grand Trunk Pacific Railway urging efficiency and courtesy.

In spite of the fact that the Earl Grey's Rifles here were disbanded, the federal government is spending eleven million dollars this year for military purposes.

STEWART

H. A. Heywood, manager for the Terminus Mines Ltd., recently organized to take over the Northern Terminus group, arrived last week from Victoria to take charge of a program of development work which is to be vigorously prosecuted on the American Creek high grade silver property.

Godfrey Smith of Victoria has commenced the construction of a two storey business block on Fifth Street near the Bank of Montreal in which he will open up a furniture, builders' and miners' supply store.

W. J. Crawford is to install a tennis court adjoining his home.

Noel Traversy has returned from a holiday trip of several months to Portland.

Miss Cora Tollefson is on a three weeks' business trip to Ketchikan.

A fire department is to be organized in Stewart. W. R. Tooth and William Tolfin have been elected a committee to collect funds to purchase necessary equipment.

Ore is being sacked on the Porter-Idaho property and 100 tons will be shipped this spring.

"Nerves in Bad State Could Not Sleep"

Mrs. H. N. Tardell, Harrowsmith, Ont., writes:

"My nerves were in a very bad state, and for nearly six months I did not know what it was to have a good night's rest. I could not eat, and never felt well. I heard about Dr. Chase's Nerve Food, and thought I would try it. After taking it for a few days I began to feel better, and soon was able to sleep well at night. My appetite also returned, and I felt stronger and better, and after taking three boxes of Dr. Chase's Nerve Food I was quite well. I have also given the Nerve Food to my little girl, with good results."

Dr. Chase's Nerve Food

60 cts. a box of 60 pills. Edmanson, Bates & Co., Ltd., Toronto

City Engineer.

Just What YOUR SKIN Needs In SPRING

FOR soothing and clearing the skin at this time of the year, Zam-Buk is proved invaluable. This rare herbal balm exerts its wonderful medicinal activity deep in the inner tissues, quickly freeing the sluggish overburdened skin of all blemish and impurity.

A daily dressing of Zam-Buk will make your skin beautifully smooth, clear and fresh. Keep on using it if you have the least tendency to pimples, blotches, blackheads, soreness or other complexion troubles, for the Zam-Buk way is the quickest, surest way to perfect skin health.

Avoid fatty pore-clogging ointments and face creams which have no real medicinal value. For anything wrong with the skin, Zam-Buk is always the right thing to use. Wash with Zam-Buk Medicinal Soap.

Local improvement bylaws providing for the paving of McBride Street, Seventh Avenue East, Allin Avenue and Fulton Street were reconsidered and finally adopted at last night's council meeting.

Fred H. Stephens, formerly of M. M. Stephens & Co., Ltd., has opened up for himself in the insurance line. He has obtained several non-board fire and life agencies and has his office on the second floor of the Federal Block.

The radio set to be presented to the winner of the essay competition here will be seen in the window of Thomas McGlynn's new office, on Third Avenue, opposite the Federal block. The set is complete and is the envy of most boys and girls in the city.

Accounts totalling \$118,971.10 were presented to the city council by the finance committee last night and were laid over for a week at the instance of Mayor Newton who wished to further investigate a payment of \$101,000 to the Royal Bank on debenture account.

Provincial Police Chief Spiller returned this afternoon from an inspection trip to Anyox, Alice Arm and Stewart. At Alice Arm Chief Spiller installed Constable Harry Martin who has been permanently appointed to that post succeeding Constable J. Gillies who has left the service.

Special excursion week-end fares to Terrace and return will go into effect on May 9 and will continue until September 30. R. F. Naughton, C.N.R. district passenger agent, announced this morning. These return tickets will be good going Friday or Saturday and returning the Monday following date of sale.

Ald. Collart drew the attention of the city council last night to the fact that the new fire department truck was painted black contrary to the general red color scheme. Ald. Macdonald, chairman of the utilities committee, stated that the matter would be taken up by the committee and remedied if possible.

Ald. Clapp's amendment to the trades license bylaw calling for the rescinding of an extra \$10 license fee required from those selling soft drinks in addition to other lines was introduced at last night's council meeting and, after some discussion, was laid over for a week. The mayor suggested that the whole license bylaw might be reconsidered at this time and it was decided that this would be done a week hence.

Ald. Clapp's amendment to the trades license bylaw calling for the rescinding of an extra \$10 license fee required from those selling soft drinks in addition to other lines was introduced at last night's council meeting and, after some discussion, was laid over for a week. The mayor suggested that the whole license bylaw might be reconsidered at this time and it was decided that this would be done a week hence.

Ex-Mayor Charles E. Tisdall of Vancouver, Grand Master of the Masonic Lodge for British Columbia, will arrive tomorrow from the south to pay official visits to various branches of the craft in the district. He will go through to Anyox and, on his return, will visit the two lodges here. Then he will proceed to Smithers and Prince Rupert. A few of the local Masons will accompany the Grand Master to Anyox tomorrow and a large party is planning to make the trip to Smithers.

A little Bran is good for you-

if it is thoroughly mixed with a well-cooked cereal. Not one person in a hundred should eat raw bran. It is almost pure cellulose and is not digestible. All the bran you need to promote natural and healthful bowel movement is in Shredded Wheat. It is combined with the tissue-building, bone-making elements of the whole wheat grain, making it a perfect food for children and grown-ups. The crispness of the shreds induces thorough chewing. Two biscuits make a meal.

CHANGE TIME CLOSING STORE

Universal Trading Co. Will Open 5.30 and Close at 5.30

In order to better keep pace with the increased business accruing from the new sales policy and the increased newspaper advertising campaign recently adopted, the Universal Trading Company, under the direct management of J. G. Gavigan, will hereafter close at 5.30 each evening opening at 8.30 in the morning instead of closing at 6 p.m. and opening at 9 a.m. The half hour change in opening and closing time has been found necessary in order that the clerks can better prepare the arrangement of advertised specials in their respective departments.

Realizing that money in merchandising is made on volume of turnover and not on volume of holdovers, the business policy of the Universal Trading Co. will, in future, be an aggressive one. Mr. Gavigan, who is now personally directing the dry goods end of the business, states that he is particularly pleased with the results of his new sales campaign and sees no reason why the turnover of the Universal Trading Co. should not be trebled during the present year.

EDMONTON PAPER IN FAVOR OF CONFERENCE AS OLIVER SUGGESTS

Would have all interested in Peace River Railway get together and evolve a plan.

Premier Oliver of British Columbia in passing through Edmonton on Tuesday gave an interview with respect to his recent visit to Ottawa says the Edmonton Journal. He had investigated, he said, the possibilities of an outlet being provided to the Pacific from Peace River and had come to the conclusion that there was no likelihood of the Brule line being built this year. Having satisfied himself on that point, he had suggested a conference between the federal, the B.C. and the Alberta governments and the two transcontinental railways with a view of determining the most feasible and economical policy to be followed in giving the transportation facilities westward of which the people of the Peace River stand so much in need.

This is what the Journal suggested over a month ago. Something must be done to solve the problem at the earliest possible moment and it should be possible to arrive at a solution by the method proposed. Mr. Oliver was reported to have stated in Ottawa that the C.P.R. had decided not to take up its option on the E.D. & B.C. a year from next July. He denies that he used any such language and adds that he was informed by President Beatty

CONSTANT HEADACHES AND DIZZINESS

It is hard to struggle along with a head that aches and pains all the time, and in nine cases out of ten the persistent headaches are due to some derangement of the stomach, liver or bowels.

Undoubtedly the cause must be removed before permanent relief may be had.

Burdock Blood Bitters removes the cause of the headaches, as it acts on every organ of the body and strengthens, purifies and regulates the whole system.

Mrs. Peter Curran, 27 Morrison St., Sydney, N.S., writes: — "I have been troubled for the last five years with constant headaches and dizziness. After trying several remedies, which I found to be of no avail, Burdock Blood Bitters was recommended to me."

B.B. did me a world of good, and cannot praise this remedy enough."

Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

that his company has reached no decision. The head of the C.P.R. did not intimate what its course was likely to be but favored the calling of the conference.

Greenfield Agrees

Premier Greenfield is also favorable and it is to be assumed that the federal government and the C.N.R. president would be glad to have such a gathering called, as it would help them in reaching a decision as to the course which they should pursue. So no time should be lost in making arrangements for it. This newspaper has been convinced from the first that the best solution lay in having the C.P.R. take over the E.D. & B.C. and extend it to the Pacific. But if that corporation is not prepared to do this, it should not stand in the way of the C.N.R. giving the relief, which is so urgent, by assuming control of the provincial railway and building to a main line by one of the routes which it has in mind. The conferences between the railways and the governments concerned should clear up the situation and lead to definite action.

LABOR TROUBLES IN CANNERRIES OF ALASKA LIKELY ELIMINATED

SEATTLE, May 5.—Labor troubles will be largely absent in Alaska canneries this summer, it is predicted by Dr. E. D. Clark, acting secretary of the Association of Pacific Fisheries. Conditions which caused previous disturbances at the canneries will be eliminated this year by an agreement signed by sixty companies which stipulates that the members will live up to schedule of regulations governing the amount and kind of food to be served, and which also require better sanitation aboard ships and in the canneries. Gambling is also forbidden and extra precautions are to be taken to prevent the sale of narcotics among the employees.

Another stipulation is that the employees must have at least \$75 to their credit when they end the season's work.

COYOTE AND RABBIT

Travellers on the road to Tak-

wa on Sunday evening witnessed an unusual sight, when a rabbit was seen scratching the dust of the road with a coyote in full pursuit. The rabbit kept right on toward and passed the automobile, while the coyote came within a few feet before jumping to one side of the road, where it viewed with resentment the Ford which had cost him his supper.

LUMBER TENDERS

Tenders for lumber to be used for the sidewalk on Fifth Avenue East were opened by the city council last night and referred to the Board of Works. The bids were as follows:

G. W. Nickerson & Co.—cedar, \$29 and \$27 per thousand.

George Little—cedar, \$26.50; hemlock, \$26.50.

Big Bay Lumber Co.—cedar, \$26.

Albert & McCaffery—hemlock, \$28 cedar, \$26.50.

that his company has reached no decision. The head of the C.P.R. did not intimate what its course was likely to be but favored the calling of the conference.

Greenfield Agrees

Premier Greenfield is also favorable and it is to be assumed that the federal government and the C.N.R. president would be glad to have such a gathering called, as it would help them in reaching a decision as to the course which they should pursue. So no time should be lost in making arrangements for it. This newspaper has been convinced from the first that the best solution lay in having the C.P.R. take over the E.D. & B.C. and extend it to the Pacific. But if that corporation is not prepared to do this, it should not stand in the way of the C.N.R. giving the relief, which is so urgent, by assuming control of the provincial railway and building to a main line by one of the routes which it has in mind. The conferences between the railways and the governments concerned should clear up the situation and lead to definite action.

CALLIES BEATEN IN FIRST GAME

Sons of England Won Season's Football Opener by Score of Two to One Last Night

A large crowd watched the Sons of England defeat the Callies by a score of two to one in the opening game of the city football championship series for the Moberly Cup last night. The gate was bigger than was recorded at any Association game during 1923.

The teams took the field as follows:

Sons of England—L. Potterton;

A. Lane and H. M. D. Lambe; P. Cameron, G. Kelsey and H. S. Hurn; George Hill, Jr., George Howe, G. P. Tinker, G. Harvey and A. J. H. Wootten.

Callies—A. Murray; H. Hamilton and D. Jack; J. Sims, G. Cochrane, D. Main; W. Hamilton, W. Mitchell, O. K. Lord, S. Elder and J. Andrews.

G. S. Russell refereed and the linesmen were A. Clapperton and J. Marks.

Playing downhill in the first

half, the Callies opened the scoring about 10 minutes after the start when Lord successfully negotiated a short direct shot.

In the second half, about seven

minutes after the opening, the Sons equalized when George Howe converted a corner. Ten minutes or so before the close, the Sons got their winning goal when H. Hamilton put the sphere through the Callies own goal.

There was little that was brilliant about the exhibition but it

should be taken into account that it was the first game of the season.

Effective work was rare,

combination was poor and the

finishing was loose. The Callies

were given best service by their

left wing consisting of Elder and Andrews, Lord at centre and Jack at back. Andrew's was injured

midway through the first half

but he pluckily stayed with the

team to the end.

Nothing definite in regard to

the 1924 baseball program for

Prince Rupert was decided upon

at the annual meeting of the Asso-

ciation held a couple of weeks

ago but tonight another meeting

of players and fans is to be called

and it is hoped that the atten-

dance will be large. Anyone

interested in the game will be

welcome and suggestions from

all are solicited. There is a move

on foot to change several details

of the system that has been in

vogue in past years and a better

distribution of players is planned.

It seems that there should be

material here for very interest-

ing league competition if it is

properly lined up.

An attempt is being made to

bring lacrosse back in Prince

George this year. It is proposed

at the start to get together two

teams and from the best of the

two aggregations to select one

which will represent the city.

The first practice was held last

Sunday. A number of good

matches with the Quesnel team is

anticipated. At the present time

the Quesnel players are the

holders of the interior lacrosse

honors but it is the aim to bring

them back to Prince George this

year.

J. C. Pidgeon has again been

appointed by the Prince

George Athletic Association to

take charge of baseball organiza-

tion there this year. He will be

assisted by J. D. McLeod and A.

B. Taft. There will be at least

two teams in the league contest

drawn from the various organiza-

tions. The Prince George Ath-

letic Association is planning to

give the children of the city a

picnic at Six-Mile Lake on May

BOBBED SALARIES FOLLOW BOBBING OF HAIR OF TEACHERS

Pennsylvania City Takes Drastic
Action to Stop Craze Which
They Think Subversive
of Propriety

NEWCASTLE, Pa., May 6.—(By Canadian Press)—Despite the nation wide agitation in favor of the abbreviation of woman's glory, the school board of Newcastle, pillars of things as they were, has registered strong disapproval of bobbed hair. Such is the feeling among the members of the Board, who consider the use of shears on back hair as subversive to propriety, that they have taken the extraordinary measure of bobbing the salaries of those female teachers who have had their hair cropped off short. The dictum has gone forth that only those teachers who still adhere to the psyche knot or pompadour or other means of carrying their hair with them, are to have their salaries increased by one hundred dollars this year. The Board has not yet decided as yet whether those with three feet of hair shall be given a bonus.

Simultaneously with this announcement of the Board comes the word from several Pennsylvania hospitals that nurses with bobbed hair are looked on with disfavor by patients. Patients are said to consider bobbed hair indicative of frivolity, joviality, good health and insouciance. The hospitals will not permit nurses in training to have their hair bobbed except in cases where said nurses are victims of typhoid or scarlet fever.

Sealed Tenders will be received by the District Forester, not later than noon on the 13th day of May, 1924, for the purchase of Licence X 6107, to cut 2,720,000 feet of Hemlock, Cedar, Spruce and Balsam, and 11,000 linear feet of Cedar Poles, 1 1/2 in. f.b.m., on part of Lot 1705, Achesbury, C.N.R., Range 5, Coast Land District.

Two (2) years will be allowed for removal of timber.
