BRITISH FLYERS DEFINITELY DECIDE TO COME BY WAY OF PRINCE RUPERT

Rival Flights Round the World will be Race Against Time to Secure Honor of Finishing First

OTTAWA, April 11.—The passage across Canada of the British airmen in their round-the-world flight will be a race against time, the similar flight begun by the United States airmen having started a competition between the two countries for the honor of being the first to complete a world flight.

The itinerary of the British aviators provides for landing of the British fliers at Prince Rupert and arrangements for their departure from Sydney, Nova Scotia, by way of Newfoundland has been completed by the Royal Air Force, which will supply the airmen with large scale maps of the country they will traverse from Prince Rupert eastward and will facilitate their Canadian tour.

LABOR GAINS IN AUSTRALIA

Now Controls Situation in West Australia and Will Form Coalition Government

PERTH, April 11.—The fate of the government of Sir James Mitchell is sealed after a period of uncertainty following the general election in Western Australia. The defeat of the ministry is now an established fact. The Labor party gained 26 seats and the other parties combined had only 24. Labor is now the strongest in the House of Representatives and may join forces with the anti-government section of the Country Party in forming a new administration.

URGES ACCEPT EXPERT REPORT

Sir Robert Horne Strongly Urges Nations of Europe to Bring About Peace

LONDON, April 11.—Sir Robert Stevenson Horne, former chancellor or the exchequer, in a speech warmly commented on the report of the reparations experts. He said it was urgent that the nations go ahead along the lines proposed and try to bring peace to Europe. He was unable to imagine Germany refusing the proffered settlement, he said, and France ought to be convinced of the desirability of taking this remedy. He believed Great Britain would be willing to accept.

VISITS OTTAWA ON DEPARTMENT BUSINESS

VICTORIA, April 11.—Premier Oliver left yesterday for Vancouver on route to Ottawa. The premier's trip is being made at this time largely at the request of the federal government to discuss various departmental matters outstanding between the province and the Dominion.

NOTICE.

Take Notice that all persons are required to put their premises in good sanitary condition on or before the 22nd day of April, 1924. Any person failing to do so will be prosecuted according to law.

By order of the council.
 E. F. JONES,
 City Solicitor.

The longest stop on the trans-Canada flight will be at Ottawa where two days will be spent installing a new engine. The British airship left about March 25 and is at present on the Island of Corfu awaiting a new engine.

MEASLES EPIDEMIC AFFECTING SCHOOLS

Was General Last Month, Superintendent Hurn States in Attendance Report

Attendance for the city schools during the month of March was reported as follows by H. S. Hurn, superintendent, to the board last night:

	Boys	Girls	Ttl.
Booth	185	178	363
Borden	130	128	258
Seal Cove	29	29	58
Totals	344	326	670

Principal Brady reported that attendance continued satisfactory at the High School. There had been only three or four absences on account of measles.

Mr. Hurn reported that the measles epidemic had continued and was very general. Percentage attendance, averaging 77.66 for the month, had dropped as low as 56 per cent in some grades.

MUD CONDITIONS UP LINE DELAYS TRAINS

Tonight's Passenger Train From the East Will be at Least Two Hours Late

Heavy rains are causing mud slides in Bulkley Canyon east of Hazelton and train service as a consequence is somewhat interfered with. The passenger train due at 4:30 this afternoon is late and last reports were that she would be at least two hours behind time in arriving.

AMENDMENT LIKELY TO INCOME TAX ACT

OTTAWA, April 11.—When the budget resolutions are considered in detail in committee gossip has it that Hon. J. A. Robb, acting minister of finance, will likely move for an amendment to the Income Tax Act, which will increase from \$300 to \$500 the exemption granted for every child.

ADVERSE WEATHER DELAYS AIRPLANES FLIGHT WESTWARD

SITKA, April 11.—Definite announcement that the four United States airplanes, which arrived here yesterday on the world flight will not leave before tomorrow was made by flight Commander Major Martin who said the weather reports received made it uncertain when they would continue the journey.

IMMIGRATION IS DISCUSSED

Official From England Says Many Countries Oppose Their People Leaving

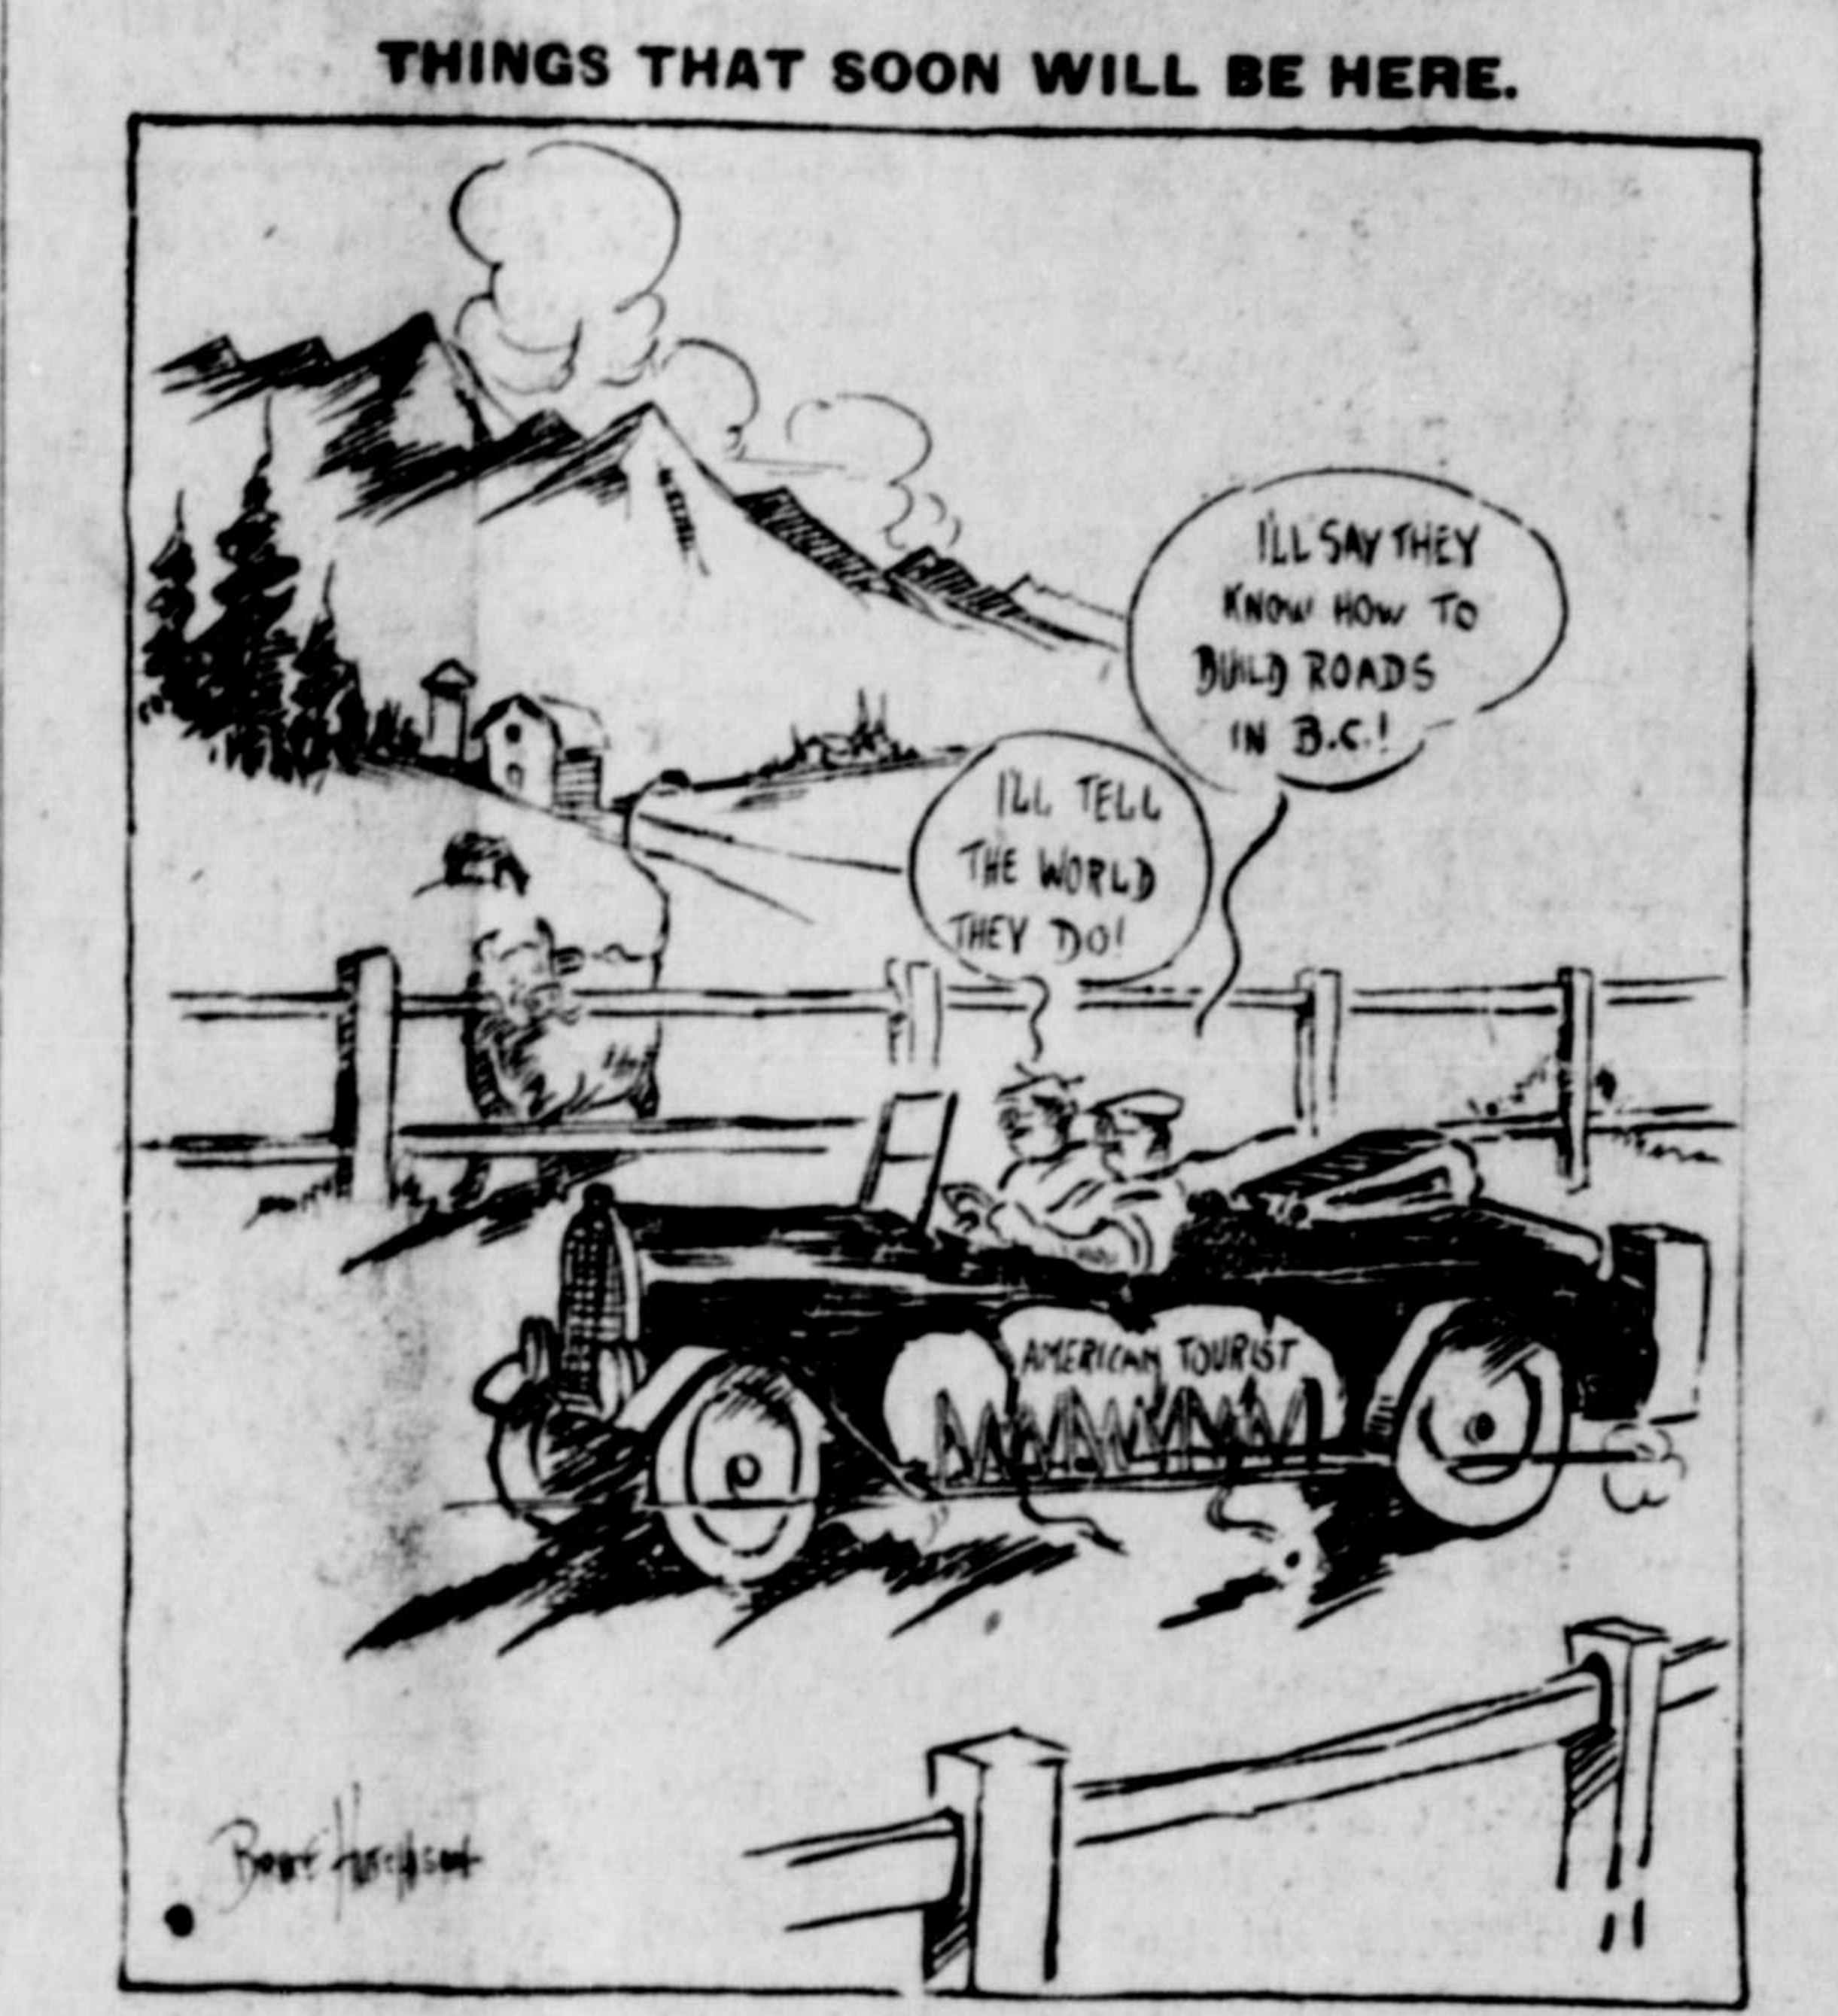

MONTREAL, Que., April 11.—Dr. W. J. Black, European manager of the colonization and development department of the Canadian National Railways arrived in Montreal yesterday from London, England. The purpose of Dr. Black's visit is to confer with officers of the system concerning several important points on immigration and on the completion of his business here he will return at once to Great Britain.

So far as a general influx of skilled labor from the British Isles is concerned, Dr. Black sounded a warning. "If Canada enjoys a building boom in the near future," he said, "there will be no use in contractors looking to Great Britain for a supply of bricklayers and plasterers. There are not sufficient men in these trades to supply the demand in the British Isles now, even though the requirements cannot be characterized as out of the ordinary."

Speaking of immigration conditions generally, Dr. Black pointed out that France, Sweden, Denmark and to some extent Norway are not prepared to countenance emigration to any considerable degree, although from all the countries mentioned, with the exception of France, which is seeking immigration, large numbers of people suitable for land settlement could be secured if they did not lack sufficient capital to purchase the equipment required for farming operations. He considered it questionable whether a heavy influx of people of this class could be expected until economic conditions throughout Europe improve.

Switzerland and Holland are both favorably inclined towards emigration, and Dr. Black believes there will be little difficulty in securing workers for farms and other industries as fast as Canada can absorb them.

At the men's banquet at the First Presbyterian Church, Victoria, yesterday, Hon. T. D. Pattullo and George R. Naden were down for responses to toasts.

THINGS THAT SOON WILL BE HERE.
 The survey is under way and construction will soon commence on road to Skeena River from Prince Rupert.

Glasgow Member Scraps with Colonel Amery in House of Commons and Both Apologize

LONDON, April 11.—An affray took place in the House of Commons last night when Colonel Amery and G. Buchanan, Labor member for Glasgow, came to blows as the outcome of warm feeling over the Evictions Bill. The matter was referred to by Speaker Whitley, who said he was determined to protect the good name of parliament. If such a disturbance occurred again he would probably inflict the penalty of suspension for one day.

Mr. Buchanan said he regretted the incident and unreservedly withdrew the expressions, "A little swine" and "gutter-snipe" which he had applied to Colonel Amery in consequence of the colonel's reference in the speech to poor people.

Colonel Amery said he gladly accepted Buchanan's expression of regret and hoped that the member would bear him no ill will.

SLIGHT REDUCTION SCHOOL ESTIMATES

Two Items Totalling \$6,761.23 Have Been Lopped Off Budget for Year

An arrangement reached between a committee of the school board and the finance committee of the city council whereby the school estimates for 1924 are reduced by \$6,761.23 was confirmed by the school board last night. The total figure is made up of two items lopped off—\$2,500 for legal expenses and \$4,261.23 representing the school board's surplus of estimates over expenditure last year. In the course of the discussion, it was pointed out by Trustee Parker that the school rate this year was 10.80, only a slight increase over 10.68 last year in spite of a greatly reduced assessment.

WOMEN WANT RIGHT TO BECOME MINISTERS PRESBYTERIAN CHURCH

HAMILTON, April 11.—Presbyterian women of Ontario represented by 900 delegates attending provincial women's missionary society of the Presbyterian church passed a resolution memorializing the general Assembly to allow women to become ordained for the ministry.

New Capital Interested in Whalen Pulp Concern

Will Have to be Reorganization and Much of Capital Written off if Plans go Through.

(Special to Prince Rupert Daily News)
 VANCOUVER, April 11.—New capital has been interested in the Whalen Pulp & Paper Company and a new scheme of finance has been devised for the rejuvenation of the concern, it was announced by E. M. Mills, receiver, on his return from the East.

The bondholders and debenture holders of the company are to meet in the East at an early date and after the details of the plan have been worked out it is expected that local creditors will be asked to meet representatives of the bond and debenture holders.

"A new issue of capital will be necessary," said Mr. Mills, "and it will be necessary to write off much of the valuation and depreciation that has been carried for some time, before this new capital will take hold of the plants."

According to Mr. Mills, the world markets are slack at the present time as the United States is the only buyer of pulp.

SYSTEMS OF ENTRANCE PASSING DISCUSSED

Board Delays Decision as to Whether Government Test or Promotion Plans to be Adopted

Superintendent H. S. Hurn asking what the board's policy was to be this year, the school board discussed last night the question of whether a certain percentage of Entrance pupils are to be allowed to pass on principal's recommendation or whether all will be required to take the government test.

Mr. Hurn himself favored the government system. Trustee Williams championed the promotion plan on the basis of year's work but Trustees Orme and Rochester were inclined to the government test plan. Chairman Parker saw advantages and disadvantages in both systems. The question was laid on the table for a month.

BOYS OF FRANCE IN RUGBY GAME OUTPLAY SCHOLARS FROM WALES

PARIS, April 11.—In an international rugby match here yesterday, a team of French schoolboys overwhelmed a similar team from the schools of Wales by a score of 23 to 0.

TERRACE CONSTABLE BEING TRANSFERRED

Provincial Police Constable C. A. Manoe of Terrace is being transferred to Britannia Beach and he will leave for there with his family next Tuesday. He will be succeeded by Constable Eggleston who is due next week from Savona.

The Kiwanis of Vancouver are again asking if there are any homes in this district that would be willing to adopt underprivileged children or to give them foster homes. Rev. G. D. Smithson of the local Baptist Church is acting locally for the Kiwanis.

When you buy advertising you get CIRCULATION, and see that you get it.

HON. JOHN HART IS RESIGNING

Will Retire from Public Life at Next Election to go Back to Business

VICTORIA, April 11.—Hon. John Hart, minister of finance in the Oliver Government and member of the Legislature for this city, will retire from politics at the next election. The decision was announced officially today.

Mr. Hart's retirement is caused by the demands of his own business. No successor will be named until after the election, it is understood. He will remain in office until that time.

LOCKOUT TO BE IN SHIPYARDS

Will be Effective Tonight When Over 100,000 Men Will be Out

LONDON, April 11.—The shipbuilding employers' federation announced today that since the striking shipyard workers at Southampton had not resumed work in accordance with instructions of their executive councils, their union's lockout notices throughout the country would become effective at the close of work tonight. One hundred thousand men will be affected by the lockout.

WRECKED VESSEL SOUTH CAROLINA MAID OF FRANCE

WILMINGTON, N.C., April 11.—A wrecked vessel, believed to be the Maid of France, eight days overdue here from Barbadoes, is reported off the coast. Two bodies are reported floating on the ocean near the wreck.

TIDES ARE NOT HIGH ENOUGH TO LET BOAT FLOAT OFF THE ROCKS

Capt. T. M. Wilkie returned last night from the scene of the wreck of the steamer Admiral Rodman. So far the tides have not been high enough to take the vessel off and it is anticipated that it will not be possible to float her for at least another week.

DAILY EDITION

Friday, April 11, 1924.

Budget Gives Encouragement.

The budget speech of Hon. J. A. Robb, acting minister of finance, in the absence of Hon. W. S. Fielding, proves most encouraging to Canadians. The reduction of taxes and reduction of debt is an indication of improved conditions all round and a desire to pay our way as a nation.

The high sales tax has been considerably reduced and this means a slight reduction in the cost of living and especially in the cost of articles and machinery entering into the industrial life of the country. While the report of the budget provisions coming through yesterday were somewhat sketchy, they indicate the trend of the government's proposals.

The changes proposed in the budget have not passed parliament and do not become law until they have been approved, yet the changes become effective at once. The sales tax, for instance, is changed today and all new business is done on the basis of that change.

Uniform Returns For All Income Taxes.

There are at present two income taxes, a Dominion and Provincial. They are collected by different people and the forms required are quite different, necessitating a large amount of work for business concerns where a lot of detail is required.

The Provincial form requires that those filling them out state what their Dominion income return for this year is, yet the Dominion form does not have to be filled up until a month later than the Provincial. This is all very foolish. The amount of time required in filling out Government forms for different departments is a serious item in carrying on any industry and is often made difficult owing to lack of intelligence in planning the forms to see that they are as similar as possible to other forms asked for.

If it is not possible to have one set of officials collect all income taxes, there should at least be uniformity in the returns so that office work may be minimized and also there should be no requests for impossible returns. This is a more serious matter than some people think and officials as well as those who pay income tax would be benefited by an improvement along these lines.

Make Ready To Interest Tourists.

This is the time of year when local people will be making ready to interest the tourists in the city. It is desirable to have this city known as an attractive place for a stop-off. At present there does not seem much to do except boating. Improvement of the swimming conditions at Salt Lake would be one thing that might appeal to visitors. When the weather is warm weeds accumulate at the lake and the water becomes dark through not being changed often enough. The best remedy would be to rake out the weeds and to see that every high tide is allowed to enter the lake through the dam. The difficulty in the past has been that it is nobody's business and therefore it is never attended to. It would also be an attraction to have the dressing rooms kept clean. At present they are much too small but this may not be remedied this year. Improvements for the safety of those who do not swim well would also be appreciated.

Place For Children To Learn To Swim.

At the Salt Lake there should be a better place for young people to learn to swim. The place at present used, drops off suddenly and it will possibly take some tragedy to awaken people to a realization of the conditions. Once a person is out of his depth it is difficult to get ashore and something will happen one of these days unless care is taken. It is to be expected that more people will visit the Salt Lake this year than ever before and this is the time to plan the improvements.

JANITOR PROTESTS AGAINST DISMISSAL

Steam Engineers' Union Also Objects and Matter Will be Explained

John McLean wrote to the school board last night expressing surprise at his dismissal as janitor of Borden Street School. He could not see that such action was fair as he was specially qualified and had quit another job without notice to take the one from which he was being dismissed. He declared he could save 25 per cent of his wages in economical coal consumption. The Steam Engineers' Union also submitted a letter protesting the dismissal.

It was decided to write Mr. McLean that the action was taken merely because of seniority and the union is to be notified that an engineer's permit is being secured for Mr. Clarke, successor to Mr. McLean. Mr. Clarke is being transferred to Borden Street School from Booth School on April 15, the move being necessary through the decision to dispense with the services of a male assistant janitor at Booth School.

THREE CHIEF MOLES RECEIVE RECOGNITION

Rotary Club Has Interesting Little Speech From George Rorie With Presentations

Three interesting presentations were made to members of the Rotary Club yesterday afternoon by George Rorie on behalf of the organization. In his introductory address he said he was about to speak on the subject of classification. Members of the club were divided into the Lillies, the Mules and the Moles.

The Lillies were those who toiled not neither did they spin at the meetings but were arrayed in all the glory of their own importance.

The mules were the kickers to which class he himself belonged. A kick was a stitch and a good one often saved a lot of trouble. They were always in evidence and were extremely useful.

The moles were the underground workers who did things without fear or favor.

At the close of the year in Scotland it was customary to have a greeting meeting. This was the close of the Rotary year and this was their greeting meeting. In the Scottish councils it was probably so named because the members wept at the thought that they would not be returned by the people and given an opportunity of meeting there again.

Mr. Rorie then, on behalf of the club, presented three members, Harry Pullen the scribe, Consul Wakefield, song leader, and Dave Bone the pianist, with three little tokens of recognition of their services. These three he spoke of as the three chief moles of the club. They were the ones who were always working.

Ten Years Ago in Prince Rupert

April 11, 1914.
The steamer Port Simpson, formerly operated by the Hudson Bay Co. on the Skeena River, is to be put in service on the Skeena this year, it is understood. The Port Simpson is at present on the ways at Port Simpson.

Willie Crossley fell into Hays Creek yesterday afternoon and was swept by the swiftly running tide through the culvert under the dry dock fill. He narrowly escaped drowning and artificial respiration had to be resorted to.

George B. Hull arrived from Vancouver on the Prince George this morning bringing with him his bride who was formerly Miss

Every Wife Should Know

that Zam-Buk contains in most compact form all the essentials of a perfect ever-ready home skin medicine.

This grand herbal preparation is beautifully soothing for cuts, burns, scalds, etc., or for chafed and chapped skins. It removes all danger of germ-infection, poisoning or inflammation, and heals the most troublesome wound or sore with remarkable ease.

ZAM-BUK is "A Surgery in a Two-inch Box," useful for both Accidents and Skin Disease.

L. D. Orme. She is a sister of C. H. Orme.

The Man in the Moon SAYS:-

SAVAGES are those who go naked for comfort, civilized people only imitate them for the sake of art.

BEVERAGE is liquid that you drink because you like it and medicine is liquid you drink because the doctor tells you to do so.

NICE people never swear unless someone steps on a toe.

AN intellectual is a person who talks about ideas but has none of his own.

THE really correct thing in up-to-date society is to criticize guests after they are gone.

MANY of the family trees are just walnut trees.

WHEN the flying man said Here's where we part It nearly broke The maiden's heart.

WHEN the bank clerk said "I'll call again," The maiden remarked "You give me a pain."

WHEN the office boy gazed At the maiden's face, He remarked to her "You sure got the pace."

A "REGULAR humdinger" is one of those creatures who behave in such a manner that there is no dictionary word suitable to express it. The word is also applied to an action or an institution and is a sign of superlative expressionistis superimposed on a nincompoop mind.

IF you think you'll lose, you're lost

For in the world we find Success begins with a person's will— It's all in the state of mind.

AN author is a queer person, because his tale comes out of his head.

THERE'S one thing about living in Prince Rupert, we don't have to wear stiff white collars or bob our hair.

IT'S not very nice to have people tell untrue things about you, but just think how you would feel if they told the stark naked truth.

OH, how I hate That little mind That listens in For things unkind.

OH, how I hate Those who would tell Most untrue things, I wish them hell.

BUT think how bitter Is my spleen For those whose words Are true, yet mean.

SCHOOL BOARD NOT TAKING ACTION ON POLYTECHNIC BILLS

Claims from the creditors of the defunct Northern Polytechnic Institute have been practically repudiated by the department of education and the school board. A letter from the former stating that it was not the policy to assume responsibility for accounts incurred by teachers and that Mr. Pinder-Moss had been notified to this effect was received by the board last night and filed.

Feeling that there was a moral if not a legal obligation to the creditors, Trustee Casey moved that fifty per cent be paid, provided this were taken as release from all claims. Other members of the board felt that the school board was in no manner liable and that such action as suggested by Trustee Casey would involve dangerous precedent. There was no seconder to Aid Casey's motion and the letter of the department was ordered filed by the chair.

TITLES OF POLICE OFFICERS CHANGED

Anomalous Condition to Have Two Sergeants on Four-Man Force, Commission Decides

In view of the fact that it was an anomalous condition to have two sergeants on a four-man police force, the police commission has decided, on suggestion of Commissioner Montgomery, to change the titling of the officers which in future will be as follows: Chief (W. H. Vickers), Sergeant (A. H. Bailey), Senior Constable (H. McGilnehy), and Constable (Alex. Macdonald). Consent of Sergeant McGilnehy to take on the title of senior constable was obtained. The change will have no effect on the salaries. It is merely adopted for appearance's sake.

Passengers sailing this morning on the steamer Prince George for the south included: George Endre, J. Finlayson, Miss A. Bailey, J. Herron, F. Campbell, A. B. Cameron, W. T. Springill, George R. Shields, W. M. Williams, L. A. Warren, W. A. Wallace, Mrs. A. R. Nichols, Bishop Burnoz, Mrs. C. Day, J. H. Sahlinger, W. H. Halliday, Mr. and Mrs. J. E. Carlyle, G. A. Bran, T. A. Clarke, J. L. McIntosh, J. T. Barnet and Mrs. Jack Macdonald for Vancouver; S. Hall for Swanson Bay, and Olof Hanson for Victoria.

HIS SLUGGISH LIVER MADE HIM FEEL DROWSY AND TIRED ALL THE TIME

When your liver becomes sluggish and inactive your whole health suffers, and the only way you can get back to feeling right is to make your liver right.

This you can do by the use of Milburn's Laxa-Liver Pills as they will stimulate the sluggish liver, clean away all waste and poisonous matter from the system, and prevent, as well as relieve, all complications arising from a liver that has become inactive.

Mr. E. Hazel, East Florenceville, N.B., writes: "I had been troubled with my liver and felt drowsy and tired all the time, and was unable to do my work with any comfort. I took your Milburn's Laxa-Liver Pills and today I am a different man, and would not be without them in the house."

Milburn's Laxa-Liver Pills are 25¢ a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

"PROVINCIAL ELECTIONS ACT" MACKENZIE ELECTORAL DISTRICT.

Sunlight—for your Washing Machine

A WASHING machine is made to wash your clothes without rubbing or boiling—and it succeeds just in proportion to the value of the soap you use.

Sunlight Soap dissolves quickly and completely in hot water and works up into an abundant suds. This is very necessary so that its rich cleansing ingredients may search through and through the meshes of the clothes and dissolve the dirt and soil spots. Then, when rinsing comes, all dirt and soapy matter runs entirely away, leaving your clothes sweet, fresh and snowy clean.

Pure half a cake of Sunlight into hot water in your machine and stir into generous suds. Put in the clothes and operate the machine—your clothes will be clean.

LEVER BROTHERS LIMITED TORONTO

The pure lather of Sunlight Soap cleanses the clothes naturally, not chemically. The \$5,000 Guarantee of Purity is stamped on every tablet of Sunlight Soap.

Mrs. Jack Macdonald arrived from Buckley Bay on the Prince John yesterday and sailed this morning on the Prince John for Vancouver to join Mr. Macdonald who is chief accountant for the Massett Timber Co.

A letter from N. D. Sweet offering to repair the fire walls of the Booth Memorial School was received at last night's council meeting and laid on the table until a report on the building is received from Architect Cox.

The school board received official notification from the school board last night that no diversion of McBride Street would be allowed in order to consolidate the four playgrounds at the corner of Sixth Avenue.

W. T. Springitt and George R. Shields of London, England, representatives of timber interests in the Old Country, returned from Buckley Bay on the Prince John yesterday and sailed this morning on the Prince George for Vancouver.

The school board last night decided to call for tenders for two carloads of coal, a special meeting to be held next week to open them. W. H. Derry, janitor of Booth Memorial School, asked for Telkwa coal but it was pointed out that this is available only during the winter.

Leave of absence without pay was granted by the school board last night to J. R. Mitchell who desires to go to Vancouver next month to attend the convocation of the University of B.C. to receive his degree. This is conditional on a satisfactory substitute being obtained.

The school board decided last night to eliminate a bonus of \$180 a year paid to one of the lady teachers for supervising girls' athletics. It was deemed that all the teachers should share in this work without pay. Chairman Parker made the suggestion to this effect.

Last month the red light patrol system proposed by Ex-Mayor Harry Rochester was laid over because Commissioner Montgomery was absent. At the meeting of the commission yesterday afternoon it was further deferred a month because Commissioner Cameron was not present.

Mrs. Margaret Richards was appointed assistant to the janitor of the Booth Memorial school at a salary of \$40 monthly by the school board last night. Other applicants were Mrs. E. Olsen, Mrs. Glof Linstead, Mrs. J. M. Captain and Mrs. Agnes E. Woods. Election was made by ballot.

Twenty-two cases were dealt with in the city police court during the month of March and collections totalled \$236 including \$15.50 from the provincial government for keep of prisoners according to Chief Vickers' monthly report which was submitted to the police commissioner yesterday afternoon. Accounts and the monthly payroll of \$828.71 were passed for payment. It was suggested that other city departments should

Mrs. A. R. Nichols sailed this morning on the Prince George for Vancouver.

Bishop E. M. Buzoz was a passenger for Vancouver on the Prince George this morning.

Silas Calder, a well known figure in the local hospital for a number of years, left on last night's train for New York. He is to enter a sailor's home in the East.

C.P.R. steamer Princess Mary, Capt. Ormiston, arrived at 1 o'clock this afternoon from Skagway and way ports and will sail for the south at 4.30. The vessel is being detained awaiting the funeral service of the late T. W. Herne whose body is to go south accompanied by Mrs. Herne.

The matter of the expenditure of \$100 provided for in the year's estimates for library purposes was discussed by the school board last night in connection with an offer from E. S. Allison to sell the board a "Self-Educator" set, costing \$69.50, for \$50. It was decided to leave the question in the hands of the principals. Fifty dollars has already been spent. The board's estimate will be augmented by \$50 from the department of education. Principal Brady suggested that the Parent-Teachers' Association might find good work to do in connection with school libraries.

NURSES' HOME FORMALLY OPEN

Reception Held Afternoon and Evening by Hospital Ladies' Auxiliary

CONCLUDED BY DANCE

Decorations and Arrangements of Interior Much Admired by Many Visitors

The formal opening of the new Nurses' Home proved a revelation to the large number of visitors to the institution who were all much surprised at the splendid accommodation provided for the nursing staff of the hospital. All three floors are now complete and each room is ready for occupation. Last night a number of the bedrooms were used but some of the furniture has yet to be moved from the old building and renovated to conform with the general scheme of decoration. The sitting room was especially admired by the visitors. There is a fine open fireplace and the walls are done out in light grey and cream. The chesterfield set and standard lamp provided by the Graduate Nurses' Association added to the appearance of the room and will add much to the comfort of the nurses.

Mention was particularly made of the advantage of having the upper storey finished, this being done through the guarantee of the Rotary Club which will provide money to pay for it.

Passing of Key

The opening ceremony took place about half past two o'clock when members of the Rotary Club, hospital directors and others gathered outside the building and the key was formally handed by the contractor, J. McKeehan, to S. K. Campbell, chairman of the building committee. In a neat speech Mr. Campbell referred to the work that had been done and the difficulties that had been overcome. He passed the key to the past president, D. C. Stewart, who also expressed appreciation of the satisfactory conclusion of so important a work and the interest he and all the members of the board had taken in it.

The key was then presented to President D. C. McTae who received it on behalf of the board of directors. He spoke of the early efforts to secure the home and of the need of the institution. It would give the nurses an opportunity to get away from their work and would enable them to give better service than otherwise they could. He mentioned the excellent work of the past president and of the chairman of the building committee in organizing the forces and raising the money. The Premier Mine had given \$500; the canneries on the Skeena \$425; Vancouver friends \$300; the Red Cross \$2,000, and Prince Rupert citizens \$6,000. The balance had come from sundry sources. The directors were especially grateful to the Rotary

BOY'S BAD COLD TURNED TO BRONCHITIS

The frequency with which bronchitis develops into pneumonia is appreciated by very few mothers. The danger of pneumonia is, probably, well understood too, but how many mothers take into consideration that a neglected attack of bronchitis frequently leads to this dangerous disease.

We would advise all mothers to give their children Dr. Wood's Norway Pine Syrup the first moment they show any symptoms of a cold or cough, as by doing this they may save them from an attack of bronchitis or pneumonia.

Mrs. Lawrence Quick, Sandwich, Ont., writes: "My little boy, six years old, had a bad cold which turned to bronchitis. I tried everything I thought would be best for it, but did not see him getting any better. I was told to try Dr. Wood's Norway Pine Syrup, and after giving him two bottles he got wonderful relief. I cannot praise it enough."

Price 35c a bottle; large family size 60c; put up by the T. Milburn Co., Limited, Toronto, Ont.

Club for coming forward and offering to provide \$1,000 to finish the upper floor, which, from lack of money, it had been proposed to leave uncompleted. The complete building had cost \$20,000 independent of furnishings. The ladies' auxiliary had provided \$400 and the graduate nurses had given generously.

The key was then passed to Miss McCall and the door was opened and the reception commenced. Tea was served by the members of the Ladies' Auxiliary.

Reception

The reception was in the hands of the Ladies' Auxiliary both for the afternoon and evening and the refreshments were all provided by them both for the afternoon and evening events. Mrs. Carroll being in charge.

The president, Mrs. R. C. Parsons and the lady superintendent, Miss McCall, received the guests and two of the graduate nurses, Miss Crone and Miss Bailey, showed the guests around the rooms in the afternoon. Tea was poured by Mrs. D. C. McTae, Mrs. D. G. Stewart, Mrs. George Tite, Mrs. L. W. Kergin and Miss Gillingham, and the members of the auxiliary assisted by the hospital directors, served. A constant stream of visitors called during the afternoon and evening. The rooms were most tastefully decorated with flowers and the new curtains put up by the ladies were much admired, adding to the general artistic effect.

Dance for Nurses

After nine o'clock when the older people had left, the nurses entertained a number of young people at an informal dance, there being about forty present and a most enjoyable time was spent. The music was provided through the courtesy of Misses Curtin, Miss Georgina Hunter and Miss Dorothy Thompson. Refreshments were served shortly before midnight and there was an evident reluctance to leave when the home waltz was played shortly after.

The school board decided last night to purchase a fire extinguisher for the laboratory at King Edward High School. Deputy Fire Marshal A. A. MacDonald had recommended that such equipment be obtained.

MONTGOMERY INDULGES IN DISCUSSION SO AS TO TORMENT SOLICITOR

Police Commissioner Montgomery indulged himself at yesterday afternoon's commission meeting in a lengthy discussion on the dangers attending young girls who work till late at night in candy stores and restaurants. He wanted some regulation made in this respect. Mayor Newton and the City Solicitor failed to see what could be done, but Commissioner Montgomery continued, ending up by admitting that he had carried on for nothing else than to "torment the city solicitor" whom he knew wanted to get away. This was close to six o'clock and after office hours.

Sport Chat

The second round game in the individual city billiard championship between Col. McMorde and Fred Pyle will take place tonight. It was not played Wednesday night as was announced. This match, the third of the second round, promises to be unusually interesting and a bumper crowd of spectators is anticipated. There will be one more game besides this in the second round—that between R. H. Shockey and George McMoyle—and then the contest will be in the semi-final heat. Six players now are still in the running; Johnson and Hutchinson having already advanced to the third round.

Colonel McMorde vs. Fred Pyle, City Billiard Championship. Elks' Home tonight at 8 o'clock. Gents 25c. Ladies free.

The lacrosse and football associations have already had their annual meetings and preparations for the season are well under way. Conferences with the board of works have resulted in the decision to get the work of improving the grounds started at once. On Wednesday evening it was decided that a surfacing of clay would be put on. Now that lacrosse and football plans are started, the baseball association may be expected to be getting busy soon. The annual meeting will likely be called for next week.

That much talked of baseball game between the Inlanders and Gyros is now likely to be delayed for some time. The inclement weather about the time it was to have been staged at the first of this week made postponement

necessary. Since then, some objections have been voiced among both Inlander and Gyro members against being responsible for the instituting of Sunday baseball. As a full turn-out of players cannot be mustered on any week afternoon, it has been decided to delay the staging of the match until the evenings stretch out.

TAKING STEPS TO ERECT PLAYSHEDS

School Board to Obtain Plans and Specification for Structures at King Edward and Borden Schools

The school board decided last night to obtain plans and specifications for the play sheds to be erected this year at King Edward and Borden Street schools. Trustee Williams, who suggested that early action be taken in the matter, felt that the work of construction might be carried out during the summer holidays. The city council is to be asked for permission by the board to erect the Borden Street playshed on city property outside the school grounds to the west. Principal Brady suggested that the King Edward playshed be built on the site of present old outhouses which should be removed.

It has been tentatively decided that the playsheds shall be 40 feet by 70 feet in size, with pile foundations and sealed on three sides.

COX TO REPORT BOOTH SCHOOL

Vancouver Architect Offers to Give School Board Free Opinion

OUTSTANDING ACCOUNT FINALLY SETTLED

An offer from A. A. Cox, architect, to accept \$1,000 in full settlement of a claim of \$2,200 he has against the school board for expert services and also to furnish free of charge a report on the present condition of Booth Memorial School and suggested remedies for the defects was ratified by the school board last night on being recommended by a committee from the board which had arrived at such an arrangement with Mr. Cox.

Trustee Williams stated that Mr. Cox had been very fair in his negotiations and seemed very anxious to assist the board in finally ascertaining the trouble at Booth School. Trustee Parker felt a good bargain had been struck.

Payment is to be made to Mr. Cox before April 15 at his request.

SUGGESTS USING OIL IN HEATING PUBLIC SCHOOLS

Reporting that the city was investigating the project of changing the boiler system in the City Hall, Trustee Casey suggested to the school board last night that a committee be appointed to look into the advisability of changing over from coal to oil in the heating of the schools. There was some discussion on the matter which was finally allowed to stand over until the city had gone further into the proposition.

PARTY TO CELEBRATE HER 88TH BIRTHDAY

Eleven Candles on Cake Represented Number of Children Still Living

TERRACE, April 11.—A unique party was held Monday evening at the home of Mrs. Helen Little when a number of her relatives and friends gathered to celebrate her eighty-eighth birthday. Two birthday cakes decorated the refreshment table, one with "Mother" daintily inscribed on it and the other bore eleven candles, representing the number of her children still living. The evening closed with singing "Auld Lang Syne" in which "Grandma" Little joined. Among those present were Mesdames Grieg Brooks, Bleecker, Ross, E. T. Kenney, Geo. Little, Wm. Little, Von Hees, Dover and Misses Annie Cousin and Onalee Grieg.

SKIDEGATE INLET

Weather for March: 23 days bright sunshine. Rainfall 2.8. Snow 4.

Spring salmon fishing will commence a month earlier this year. M. Takahashi, a prominent Japanese businessman, has arranged to have a vessel for collecting fish stationed at Hippo Island by April 25. Buying will commence at nine cents, which is a higher price than ever paid before so early in the season. Mr. Takahashi will mild cure at Inverness for the New York market.

Watanabe & Co., the dog salmon curing experts, are expected here shortly.

Mr. Ward of TFEH has taken the position of telephone agent on the Dominion government telephone line at Port Clements.

Messrs. Renner, Schafer and Christensen have started operations at Maud Island, getting out piling for the Maritime Fisheries.

Jack Simpson of Cumshewa is visiting friends at Queen Charlotte City.

Miss Taylor of Sandspit was a passenger on the last south-bound steamer. She will attend normal school.

Mr. Wiggins has received a new Vivian engine for his power boat and is busy installing and

WETHEY'S

refitting for the coming activities at Hippo. A prosperous season is expected.

MASSETT

Workmen are engaged in removing the cannery building, of the Langara Fishing & Packing Company from Langara Island to Massett, where it will be placed as a warehouse for the extensive plant now in operation at Hi-ellen river.

A large number of men and women find employment, at Naden Harbor and Hi-ellen river clam canneries. Building is going on, near Tow Hill, about twenty-five miles from Massett. It is proposed to move the plant from Naden Harbor to co-operate with the industry at the location where the Langara Fishing & Packing Company operates, on the East coast of Graham Island.

Miss Thomas of Vancouver, has taken charge of the provincial day school at Massett. The former teacher, Mr. Lees, resigned and left for Scotland, where a position he formerly occupied awaits him.

Mrs. Evans, of Naden river, is dangerously ill with little hope of recovery. The lady is a pioneer of Graham Island, and a great deal of sympathy is felt by many friends residing on the island.

Elsie Matthews, the daughter of chief councillor William Matthews of Massett, passed away during the month after a short illness.

A mining company about to operate at the North end of Graham Island commenced the construction of buildings at Massett. A small smelter, with residences for the engineers and workmen will be commenced in a few days.

The Massett Indians propose holding a concert on Easter Monday for which great preparations are in progress. The program will comprise musical selections by trained members of the band. An invitation will be extended to the white residents of the island.

Robert Ridley and Andrew Brown, two of the "Carvers in wood," of the Massetts, are completing two huge Totem Poles. The city of New Westminster will erect one of the totem poles in a prominent position. Indian Agent Deasy is superintending the work at Massett. He is of the opinion that the cities of the province should have a number of these unique specimens made before the Haida carvers become too old and discontinue their manufacture. The two Totem Poles, in course of construction, are the only ones of great length the Indians have made in recent years. They are forty-five feet in length, while the figures of animals and birds cut on the face of the huge cedar trees, will show legends of prehistoric times. The Haidas are noted for the workmanship produced on their artistic jadeite and wooden duplicates of the work of their forefathers.

The salmon canneries and whaling stations are preparing for a busy season. Already the Skidegate Indians are trolling for king salmon with fair success. It is expected that the run of pinks which has been phenomenal every second year, in the waters of the inlets, will again take place this year. Formerly, the waters were "alive" with the fish, heading for the small rivers and streams along the shores. Trolling off Hippo Island and outside Massett harbor will commence in May. Hundreds of gasoline launches will be engaged.

W. Walker who has been in town for a few weeks looking at land around here returned to his pre-emption near Burns Lake Monday night.

Word has been received from Geo. Little that he expects to be in Terrace May 5.

Mrs. R. Jentis is recovering nicely from her recent illness.

Mrs. T. H. Walsh and children of Doreen is in town visiting her mother. Mrs. W. E. Sparks.

Mrs. Kirkaldy and Sam Kirkaldy went down to Rupert on Monday.

The recent mining excitement at Kalum Lake is attracting prospectors from outside. Messrs. Myrick & Larson from the Car-

Not Like a Clam

CLAMS live to themselves. You can't. You link lives with your neighbor across the street, across the province, across the continent. You are influenced by what he wants, buys, uses, enjoys.

When enough of your neighbors want, buy, use, enjoy the same thing, you begin to see advertisements about it-- advertisements to arouse you to similar use and enjoyment. They paint glowing, truthful pictures . . . try to get you interested in what will really interest YOU.

Convenient, courteous information is yours at a minute's glance. Style, variety, price, where obtained. That minute's glance may mean the difference between buying unworthy wares and the best.

You don't want to be like a clam--- even in your judgments. Read the advertisements to be guided by others' choice. When they choose something again and again, it must be good.

Each Advertisement is Written to You--- to Help You Choose--- to Save You Money.

SERVICE FOR
THOS. W. HERNE

Body Being Taken South on
 C.P.R. Steamer This
 Afternoon

A funeral service for the late Thomas Webster Herne took place in St. Andrew's Anglican Church this afternoon. Archdeacon G. A. Rix officiating. There was a large assembly of citizens to pay their last respects to a man who, though having resided here but a short time, had come to be esteemed deeply by the many whose friendship and acquaintance he had made. Archdeacon G. A. Rix spoke fitting words of sympathy for the widow and expressed the deep regret that pervaded the entire city and northern district on the calling beyond of deceased. A. M. Davies, P. S. Bonney, C. H. Homer, Walter Gale, J. Williamson and G. V. Exitt were the active pall bearers.

The remains are being taken south this afternoon by Mrs. Herne and interment will take place in Victoria.

FINE SMOKER STAGED BY ELKS LAST NIGHT

Four Lively Boxing Bouts Made up Feature of Evening's Program—Songs and Music

Even though a splendid program was offered, the attendance at the Elks' smoker last night was not as large as might have been expected.

The bouts, which were the main feature of the evening resulted as follows:

Benny Wendle decision over Fred Boulter, three rounds.
 Mike Gomadina decision over Ned Byrne.

George Boulter decision over George Howe, three rounds.
 Kid Fraser vs. Brick Skinner, six round exhibition.

The latter event proved very good and was much appreciated by the spectators.

Charles Watman was referee, Bert Morgan was timekeeper and L. M. Fuller, announcer. Jack Keefe (chairman) and R. B. Skinner comprised the committee in charge.

There was a musical program, solos being rendered by A. Sabourin, A. Styles and George Waddell. W. Vaughan Davies accompanied and Art Easson's saxophone orchestra also played numbers.

PROVINCIAL PARTY HAS DISAPPEARED FROM NORTHERN B.C.

That is Opinion of Hon. A. M. Manson Who Recently Paid it a Visit

VICTORIA, April 11.—"Whatever there was of the Provincial party in the northern part of British Columbia has disappeared as a result of the Pacific Great Eastern Railway investigation," Hon. A. M. Manson, attorney-general, declared when he returned to his desk at the parliament buildings after a tour which took him to Prince Rupert, through the Grand Trunk Pacific Railway country and east to Prince George.

"It is really amazing how General McRae's followers in the North have quit him in disgust following the proceedings of the Royal Commission," Mr. Manson declared. "Many settlers told me frankly that they had joined the Provincial party, but later had come to the conclusion that it was a complete farce. 'So far as I was able to find the government is solid in the constituencies of Prince Rupert, Skeena, Omineca and Prince George.'"

Conditions in the North are extremely good now, Mr. Manson stated. Activity in the tie and pole industries and big developments in mining are contributing largely to the present prosperity.

"There will be more people in Stewart this year than ever before," the attorney-general declared. "And there will be more money spent there than in the last ten years. Everybody in Stewart is optimistic, and work is progressing rapidly on all the big properties. Mining is also active along the line of the G. T. P. The Guggenheims alone have opened up five new mines, and other companies are developing properties. This all helps the settlers, as it provides a home market for the farmers."

BELGIAN MONUMENT ERECTED IN FRANCE

SAINTE-ADRESSE, France, April 11.—The Belgian people have begun the erection of a monument in this suburb of Havre in memory of the hospitality accorded the Belgian government when it removed here during four years their country was in the hands of the Germans. The monument will be unveiled in August.

FUNERAL HONORS ON BODY OF AIREDALE

LONG BEACH, Cal., April 11.—When "Royal," an Airedale dog belonging to Dr. and Mrs. J. E. Stubbart, died at their home here, the body was taken to Los Gatos, 450 miles north, for burial.

Dr. and Mrs. Stubbart explained that as the dog had been their companion for many years and had accompanied them on three European and Asiatic voyages, they wished to bury him on the ground where he had spent the greater part of his life. They accompanied the body on the journey.
