## U. S. POLICE ARREST VANCOUVER LAWYER

### UNFAVORABLE REPORTS RECEIVED FROM AMUNDSEN IN POLAR REGIONS

#### Vancouver Lawyer was Arrested in Connection with Seizure of Quadra

SAN FRANCISCO, Nov. 12.—F. R. Anderson, attorney of Vancouver, B.C., was arrested here today charged with violation of the Volstead Act in connection with the recent seizure of the British steamer Quadra by the United States coast guard cutter Shawnee off San Francisco.

It is alleged that the Quadra had aboard a liquor cargo valued at \$500,000. The disposition of the vessel lies with the Grand Jury here.

Investigation is being made of the point raised by the defense that the Quadra was seized off the Farallon Islands and that these islands never belonged to the United States and cannot be termed as being in territorial waters.

Mr. Anderson said he had nothing to do with the operations of the Quadra.

#### INDIANS ROB CANNERYMAN

Loot Commissary and Carry Off Rifles and Ammunition in Alaska

JUNEAU, Nov. 12.—Five Indians held up A. E. Grease, acting postmaster on Admiralty Island at Hawk Inlet, 35 miles from here. They looted the commissary of the salmon cannery there that Grease was guarding alone for the winter and escaped in a boat.

The band took twelve rifles, all the ammunition and a large quantity of groceries and \$180 in money. They bound Grease and when he had freed himself the robbers had gone 14 hours.

#### OVERWHELMING MAJORITY IN SILENT ELECTION

Prince Rupert Women Register Interesting Vote to Save Money and Lessen Work

It is a sign of the times that women should demand more authority in their homes. Not that they want all their own way but that when comfort and economy are at stake they are usually better judges than their husbands.

They are at home all day and know more about the things that go to make for the comfort of the home than the husbands who come home at night expecting everything to be just so. This is why so many Prince Rupert ladies insist on having Nanaimo-Wellington coal. They have made a study of coal and have discovered that Nanaimo-Wellington is far superior to its competitors. Very little lasts a long time. If drafts are shut off at night the fire will be there in the morning. No rock, very little ash and no slack are other points in favor of Nanaimo-Wellington.

This famous coal is sold only by Albert & McCaffery. They have their own team and trucks and assure prompt service. Order direct from them and be sure you get the only coal—Nanaimo-Wellington. Their phone numbers are 116 and 564.

William Cruikshank of the C.N.R. city ticket office returned on the Prince Rupert this afternoon from Vancouver where he attended the funeral of his sister, the late Mrs. Keddy.

#### CLASH WITH COMMUNISTS

Lieutenant and Woman Killed at Kavala, Italy, and Number Wounded

ATHENS, Nov. 12.—A lieutenant was killed and another officer and fifteen soldiers were wounded in a clash at Kavala between troops and communist workmen, who were trying to prevent tobacco being sent out from a non-union factory. The communists used revolvers and dynamite. The troops fired into the crowd killing one woman and injuring six civilians.

#### FISH ARRIVALS

Six Boats Sold Catches Totalling 164,000 Pounds at Exchange This Morning

Halibut fares offering at the local exchange this morning totalling 164,000 pounds, four American boats disposing of 129,000 pounds and two Canadians selling 35,000 pounds. Arrivals and sales were as follows:

American	
Seymour, 58,000 lbs., and Sherman, 18,000 lbs., at 14.3c and 8c, to the Canadian Fish & Cold Storage Co.	
Sunset, 10,000 lbs., at 14.5c and 6c, to the Atlin Fisheries.	
Arrow, 13,000 lbs., at 14.5c and 6c, to the Booth Fisheries Canadian Co.	
Canadian	
Livingstone, 24,000 lbs., and Johanna, 14,000 pounds, at 14c and 6c, to the Atlin Fisheries.	

#### FRANK ADAMS DIES VICTORIA OLD TIMER

VICTORIA, Nov. 12.—Frank Adams, 70 years of age, master of the high school here for 20 years during the earlier days, died yesterday as a result of injuries received when he fell down the steps of a local hotel. He was a native of Virtosvale, Nova Scotia.

#### Amundsen Expedition to the North Pole Doomed to Failure According to Message Received

CHRISTIANIA, Nov. 12.—The Norwegian explorer, Otto Sverdrup, states that the latest message received from Raoul Amundsen's exploration ship, the Maud, was unfavorable and he expresses fear that the plan to drift past the north pole in the Arctic ice flows will have to be given up. It is believed that the message means that the Maud exhausted her oil supply and must depend on her sails to reach safety.

#### BRITISH MAKE APPOINTMENTS

One Woman in List of Ministers in Conservative Administration

LONDON, Nov. 12.—The Duchess of Athol, parliamentary secretary to the Board of Education is the only woman in the score of ministerial appointments made yesterday by Premier Baldwin. Others were:

Postmaster General, Sir William Mitchell Thompson.  
Minister of Transport, Lieut. Col. Wilfred Ashley.  
Minister of Pensions, Major G. C. Tryon.

Under Secretary for War, Earl of Onslow.  
Civil Lord of the Admiralty, Earl Stanhope.

Solicitor General, Sir Thomas Inskip.

Undersecretary for Foreign Affairs, Ronald McNeill.

First Secretary to the Treasury, Walter Guinness.

Under Secretary for India, Earl Winton.

Parliamentary Secretary to the Minister of Transport, J. L. G. Moore-Brabazon.

Parliamentary Secretary of Overseas Trade, H. M. Samuel, of Farnham.

#### ARRANGING FOR A LEASE OF SITE FOR BIOLOGICAL STATION

VICTORIA, Nov. 12.—Dr. A. P. Knight, chairman of the Biological board of the Department of Fisheries, arrived here today to ask of the department of Public Works the right to lease for the Dominion Government a desirable site for the new biological station to be erected at Prince Rupert for the study of the Pacific Fisheries. As soon as the site has been approved, construction of the station commences.

#### HOSPITAL WAS NEARLY BURNED

Good Fortune and Efforts of Fire Fighters Saved Institution at Port Simpson From Destruction

PORT SIMPSON, Nov. 12.—It was only by good fortune and the efforts of a large number of willing workers that the Port Simpson general hospital was saved from destruction by fire last night. As it was there was a good deal of alarm and, while fire did little damage, water did considerable.

A 9 o'clock blaze, caused by a defective flue, was caught in its incipient stages. Immediately the alarm went up and, after about an hour's fighting, the flames were under control.

#### LABOR PLAYS BOTH PARTIES

Neelands Opposes Revision of Timber Royalties and Demands Other Changes

VICTORIA, Nov. 12.—Conservatives and Liberals look alike to members of the Labor Party, according to R. H. Neelands, Labor member for South Vancouver, who spoke in the House yesterday afternoon.

Mr. Neelands stated that he and his colleagues had yet to be convinced of the need of revision of the present timber royalty system. He said he would stand with the Conservatives in demanding changes in the administration of the workmen's compensation Act.

#### GREETINGS SENT TO THE CANADIAN ARMY

OTTAWA, Nov. 12.—The administration and people of Montreal cordial greetings to the Canadian army yesterday.

#### Tells Southerners About Prince Rupert, Terrace, Smithers and the Francois and Ootsa Lake Country

C. E. Whitney-Griffiths who recently passed through Prince Rupert on his way to interior points has been telling the people of the south about what he saw here and elsewhere, especially from the point of view of the farmer. He is secretary of the advisory board of the farmers' institutes and his observations will prove interesting reading to people of this district.

The secretary reports a most successful tour and has brought back much information of interest to agriculturists and business men in these parts. The Farmers' Institute movement is making rapid strides throughout the interior, and it is asserted that many agricultural improvements have resulted thereby. The trip extended to the Okanagan and Cariboo districts, and took over three weeks to accomplish.

Prince Rupert  
At Prince Rupert the dairy situation caused much astonishment, and the prospects for increased consumption of dairy products were looked into. It was found that there are only three creameries in this city, with a population reputed to be 6,000 souls. Milk is being daily imported from Woodcock and Quick, the latter being over 200 miles away from Prince Rupert on the G.T.P. and is sold at eleven pints for \$1.00. Ice cream and sweet cream are also being imported from the Fraser Valley. Canned milk is still very popular in Prince Rupert and must remain so until the price of fresh milk is dropped. More vegetables are now being supplied from interior points but a large quantity is still being brought in by boat. The P. Burns Company are expected (continued on page five)

#### SENIOR BILLIARDS

The Great War Veterans will make their first appearance in the first division billiard league tonight, playing with the Grotto. Teams will meet as follows:  
Grotto, Vets.  
George Waugh, Col. McMorde, Don Brown, Sgt. Jepson, Ernie Pierce, Alex. Volume, Bert Morgan, Fred Pyle, W. J. Nelson, G. P. Tinker

#### NINE KILLED FROM POISON

Drank Apple Cider Which Seems to Have Been Diluted With Arsenic

BEDFORD, Ind., Nov. 12.—Nine people are dead from poisoning due apparently to drinking apple cider Monday at the Elks' National. Investigation points to the belief that the barrel which contained the cider had been previously used for an arsenic tree spraying compound. Seventeen other residents of the home are still ill.

#### MEMORIAL AT TRAIL

TRAIL, Nov. 12.—A beautiful memorial building for returned men and community use was dedicated Tuesday, Armistice Day.

#### SCIENTIST DIES

HAZELMERE, Nov. 12.—Sir Archibald Geikie, former president of the Royal Society, died yesterday.

#### Survey to be Made of Woodworth Lake Dam Connection with Power for Prince Rupert Industries

Ald. Macdonald reporting that the condition of the Woodworth Lake dam was such that an immediate inspection seemed necessary, the city council last night decided that an inspection should be made forthwith by the city engineer and the superintendent of utilities.

The superintendent, Ald. Macdonald stated, had reported that cement could be removed out of the dam by the handful. The time had come, he felt, where the situation should be put before the council through an official report from the engineer.

Referring to a visit that had been made this summer to the dam by the utilities committee, Ald. Casey asked if the matter had not been placed before it. Ald. Macdonald replied that some reference had been made to the matter then but it had not seemed so serious. Now it appeared that the dam was not safe.

Ald. Collart inquired if there was not an arrangement with the dry dock to provide power and light in case of emergency. There was an arrangement with the dry dock to take care of the city in case of a shutdown, Ald. Macdonald replied.

"Apart from this, power might be needed for the elevator or even for the mill. Is supply not being arranged for from the dry dock?" asked Ald. Collart.

Ald. Macdonald pointed out that the expenditure of \$22,000 had only recently been authorized by the council to take care of extensions that would be required in supplying the elevator. Ald. Macdonald also referred to a communication that had just been received from the designers of the elevator stating that 1500 kilowatts and not 800 kilowatts, would be required and that it was expected to have the elevator in operation by Oct. 1, 1925. The situation was such that it should have the attention of the council at once.

"It seems to me that we will need all the power we can get from the dry dock," said Ald. Collart.

Mayor Newton then called the discussion back to the motion for the inspection of the dam which was unanimously passed.

#### ARMISTICE DAY DULY OBSERVED

Enthusiastic Banquet Held by Great War Veterans Last Night in St. Regis Cafe

The spirit of the occasion was fittingly and enthusiastically celebrated at the Armistice Day banquet put on by the Great War Veterans' Association in the St. Regis Cafe last night. Music and story telling, addresses by Mayor Newton and President Pyle, community singing and a spirit of good fellowship made the affair one of much enjoyment to the 100 or so men, mostly veterans, who sat down to the festive board. V. G. Pyle, president of the Great War Veterans' Association, was in the chair.

Before the proceedings opened, "The Last Post" was sounded by Bugler W. Rance and those present stood at attention and in silence in tribute to the comrades whom they left in Flanders Fields. "Reveille" was sounded as the gathering took its seats.

A splendid repast had been set and, after it was done full justice to, the program started. There were stories by Dr. H. E. Tremayne and Jack Judge, songs by W. Murray, J. N. Kelly, Comrade Bradley, James Harris and Comrades Bales, cornet solos by Comrade Schofield, trombone solos by Comrade Teasdale, violin solo by Wm. Murray, jr. speeches appropriate to the occasion were delivered by Mayor Newton and President Pyle. W. Vaughan Davies was accompanist of the evening and Sid Thompson presided at the piano for community singing.

The very successful affair broke up about 11.45. The Poppy Day fund benefited \$24.10 as a result of the sale of poppies.

The committee in charge consisted of G. H. Clarke, G. L. Youngman and S. L. Warrior. H. L. Landrey, secretary of the Association, assisted at the door.

#### EQUIPMENT ON SMITH ISLAND TO BE TAKEN AWAY CITY DECIDES

The rock crushing equipment used by the city at Smith Island some years ago is to be returned to Prince Rupert, the council decided last night when, on recommendation of the Board of Works an offer from John Eyoifson to move the plant in for \$200 was accepted.

Mayor Newton explained that the longer the equipment was allowed to remain at Smith Island the less there would be of service to the city. The Board of Works had deemed it advisable to bring the machinery in and hold it until there was an opportunity to dispose of it.

Mr. and Mrs. George McAfee of Georgetown, who have been on a trip south, returned from Vancouver on the Prince Rupert this afternoon.

#### SURPLUSES FOR UTILITIES SHOWN

The electric light department showed a surplus of \$2,878.15 during the month of October and the telephone department a surplus of \$962.33 according to a report submitted to the city council last night by the superintendent of utilities.

Electric Light	
Estimated revenue	\$8,700.00
Expenditure	5,821.85
Surplus	2,878.15
Telephone	
Estimated revenue	\$3,850.00
Expenditure	2,887.67
Surplus	962.33
Capital expense	1,109.58

#### TOM UPHILL WANTS BEER

Labor Member for Fernie Says all Right for Vancouver to Drink Coca Cola

VICTORIA, Nov. 12.—Beer by the glass in accordance with the expressed wish of the people of his riding, was demanded on the floor of the House by Tom Uphill, Labor member for Fernie, in a speech yesterday in the debate on the address in reply to the speech from the throne.

"If they want to drink coca cola in Vancouver, let them go to it, but in places where they voted beer they want action and I will not be satisfied until Fernie gets justice," said Uphill.

#### ACCIDENTAL DROWNING VERDICT AT INQUEST

Death of Miss Dorothy Gosnell was Investigated by Coroner's Jury Yesterday Afternoon

A verdict of accidental drowning was returned by the jury which sat before Coroner Norman A. Watt yesterday afternoon to investigate the circumstances attending the death of Miss Dorothy Gosnell in the boating accident near the G.T.P. wharf on November 3.

SMITHERS

G. A. Woodland of Prince Rupert is a business visitor in town.

Miss Middleton of Houston is spending the week-end in Smithers.

Miss Margaret Lindsay, school mistress from Perow is visiting with friends in town.

At the request of the officers of the Telkwa Nursing Home, the local group of the Canadian Girls in Training journeyed to that town on Friday morning to repeat the concert recently staged here. Their performance was again very much enjoyed, the girls sharing the receipts with the Nursing Home.

Olof Hanson, Prince Rupert and R. E. Allen, Hannall, were business visitors in town on Thursday.

Mr. and Mrs. Geo. Murray of Telkwa were visiting in Smithers for awhile on Friday.

The regular monthly meeting of the Ladies Auxiliary of the B. V. District Hospital was held at the home of Mrs. W. F. Boyer on Friday afternoon.

Mrs. R. C. Saunders and child left on Thursday's train for Prince George where they intend to reside for awhile. Mr. Saunders who was a car-inspector at the local yards was transferred to that town a short time ago.

WRIGLEYS

Chew it after every meal

It stimulates appetite and aids digestion. It makes your food do you more good. Note how it relieves that stuffy feeling after hearty eating.

The Man in the Moon

SAYS:-

PRINCE Rupert has broken another record. She has provided skating and given sleigh riding all before the middle of November. Last year there were roses at Christmas.

IF the country is prosperous it is in spite of the political parties. If there are dull times, they are due to the political parties. If the world comes to an end, we shall stand up in Hell and blame the political parties.

THANKSGIVING is over and the volume of thankfulness that ascended to the Almighty could be checked off in a peek measure. Anyway it was a nice holiday and that was what the day was intended for.

THERE does not seem to be anything intervening now between this and Christmas, except the annual shopping and the rush during the last few days.

TROTSKY of Russia is worried over the peaceful way in which Britain and the United States are carrying on. What he would like to see would be the people at each others' throats and a Red Army standing guard with a Cheka force big enough to cut them up if they were not obedient to the commissars.

THE ground was covered yesterday by a blanket of snow.

THE revival of interest in hunting is resulting in a neat profit to the men who sell ammunition.

IT is estimated that for every deer brought home by hunters, twice his weight in lead is fired into the muskeg. No wonder the muskeg won't grow anything. It probably has lead poisoning.

IT'S great to hear an experienced hunter tell about the time he picked off one with each shot and two now and again just by way of variety, and then to hear him firing away lead in the woods and see the bag he brings home.

THE reason there are not more deer killed by hunters is because they hate having to pack them out.

IN the matter of weights, a ninety pound deer weighs about one hundred and fifty at the end of a mile and five hundred pounds at the end of the second mile.

THE scowling stranger stopped in front of the Hyde Park bench on which were seated two other hopeless individuals. "Shove over there and gimme a place," growled the newcomer. And Jim Beckett and Bambaridie Wells moved up a short distance to make room for Ramsay MacDonald.

VANDERHOOF

W. M. Ogilvie and A. I. Garooch of Ottawa and C. F. May of Toronto came out recently from a trip into the Omineca mining fields and reported themselves well pleased with what they found. The object of the trip was to get a valuation of the old Kildare holdings and to find out if the Slate Creek properties were worth working.

Mrs. H. L. McKenney has arrived from Giscome to spend a few days here visiting with friends.

A. C. McCorkell, father of R. C. McCorkell, arrived last week from Vancouver and has gone to Tacla Landing where he will spend the winter months with Mrs. McCorkell and son, Ernest.

NEW HAZELTON Olof Hanson has instructed his pole inspectors from New Hazelton west to begin loading poles and piling for the market. It is expected that the camps, which are now closed down, will be reopened shortly.

James Adams of Smithers, who spent several weeks at the Hazelton Hospital, left last week for California where he will remain for the winter.

Mrs. William Gow has returned to South Hazelton after having spent several months visiting

Large advertisement for Bent's Big Winter Coat Sale. Features a woman in a fur coat, text about wholesale prices, and the address 'BENT'S' --- Third Avenue.

in Ontario. Ceremonies in connection with the graduation of Miss Ruth Elizabeth Bolivar from the Hazelton hospital training school for nurses took place on Monday evening of this week.

Advertisement for Wool Dress 'DEMERS' Hosiery in Silk and Wool, Pure Wool, priced at \$8.50--\$25.

Ten Years Ago in Prince Rupert

November 12, 1914 The Grand Trunk Pacific Railway commercial telegraph service was inaugurated this morning with an exchange of complimentary messages between Mayor Newton of Prince Rupert and Mayor Deacon of Winnipeg.

While fishing with deep sea lines in about fifty fathoms of water off Dundas Island, S. Swanson captured a "King" crab which he brought to Prince Rupert for exhibition yesterday.

The wedding took place recently at Port Simpson of William Beynon and Miss Sarah Musgrave. Some 250 Indians and 30 white persons attended the ceremony including A. M. Tyson, Inspector of Indian agencies, and C. C. Perry, local Indian agent. Rev. G. H. Raley officiated.

STEWART

Work on the North and South projects on Glacier Creek has closed down for the winter. A compressor and machine drills are to be installed and work next year will be on a much larger scale. A company is being formed.

G. L. Thompson, who has been in charge of the Indian mine, has resigned his position and is succeeded by W. S. Orr. Mr. Thompson is going to Fairbanks, Alaska.

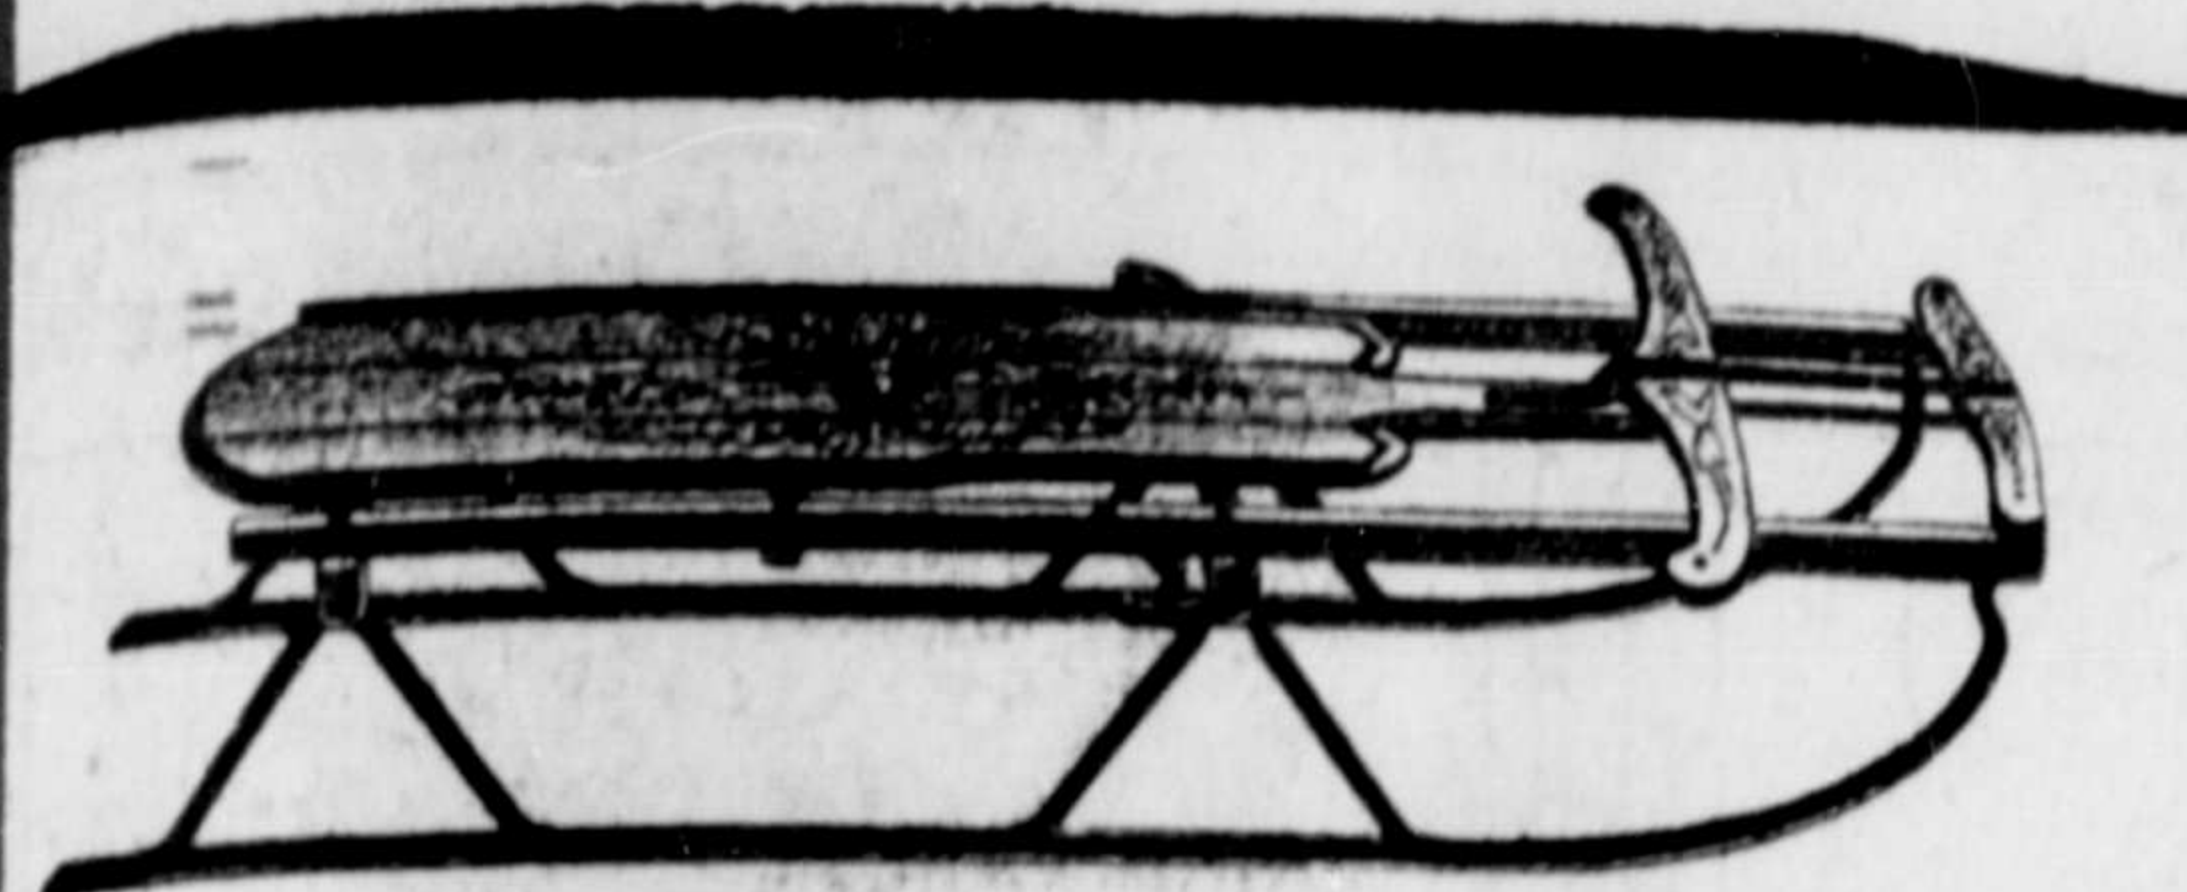

Victoria Mines Ltd. is the name of a new company formed to take over and operate the Star and Dandy group of claims adjoining the Dunwell to the north. R. W. Martin is president and manager of the company. De-

### FOR A FEW DOLLARS MANY ARE MADE HAPPY

The most uncomfortable creature in the world is the one who on Christmas morning receives a card of greeting from some one who he—or she—forgot to remember. This Christmas more than ever before, private greeting cards are going to be in vogue. In order to get exactly the personal cards you want, be sure and make your selection now. Scatter sunshine with Rose Moran and Latta's printed-in-Prince Rupert Christmas Cards. Fourth Street, Phone 234. 11

### LIFEBOUY SOAP

More than Soap—a Health Builder. The clean, antiseptic odor wafts into the pores of the skin, purifying the skin and preventing the infection which goes deep down into the pores. Lifebuoy Soap contains a wonderful germ-killer which cleanses the hands frequently with the lifebuoy. Take no chances—cleanse your hands and face with Lifebuoy Soap. Consider—dust is a source of infection and danger. Countless times those dust-laden hands touch the face and the nose. Everywhere, every day, the germ-carriers.

### HOSPITAL DANCE AT ANYOX WAS SUCCESSFUL

Everything Connected With It Improvement on Former Events of Kind (Special to Daily News) ANYOX, Nov. 12.—The dance given last week by the ladies' auxiliary of Anyox General Hospital in Recreation Hall, was the most successful affair of its kind ever held in Anyox from point of decorations, favors and attendance. Hallowe'en colors were in evidence everywhere, and there were all the designs that go with this particular season, such as black cats, pumpkins, moons and witches driving through the air on their broomsticks. This dance has become an annual fixture, the proceeds being devoted to the purchase of little necessities which do not go with the usual hospital fixings. The ladies have already supplied a phonograph, book holders and rests, magazines and Xmas trees, besides a number of other things which are generally classed as luxuries, but which are nevertheless welcome to the patients as well as appreciated by the matron, Miss Swanson, and the members of the hospital staff.

The members of the auxiliary who devoted considerable time to this function and made it such an outstanding success were Mrs. F. M. Kelley, president; Mrs. Cook, vice-president; Mrs. Cooper, secretary; and Mesdames J. B. Haffner, J. A. Swanson, W. J. Coulter, W. F. Eve, H. M. Selfe, J. Conway, W. Simpson, R. Pedvin, B. Scott and Miss R. Champron. Mrs. Kelley had charge of decorations; Mrs. Eve of music, and Mrs. Cooper of supper. The floor committee for the evening consisted of J. B. Gibson, A. L. Ployart, R. H. Manzer and T. P. Ryan.

Mr. and Mrs. William Leverett, who are leaving for Burns Lake where they have resided for some time, will arrive in the city on this afternoon's train and proceed south to Vancouver where they expect to take up their residence.

### ALICE ARM

Archie McPhail has returned to town from the upper Kitsault country where he has been prospecting and working on his mining properties for five months. Speaking of the Rex property, on which a strike of platinum ore was made last fall, Mr. McPhail says that the ore ledge has been traced for a distance of nearly four claim lengths.

C. Warner of the Royal Bank staff has returned after spending holidays at Chilliwack, Darrow Casey, who was relieving him, has returned to Prince Rupert.

E. J. Conway, field engineer for the Granby Co., examined the Standard property on McGrath mountain owned by Miles Donald and William McLean last week and then proceeded up the Kitsault valley.

Now that the snow is coming down on the hills, the town is filling up with prospectors who are forced to abandon their work for the winter. Among those coming in last week were William McLean and John Strombeck.

Jack Graham left last week for New Zealand where he will spend several months visiting with his sisters.

### LADIES' WHIST

St. Andrew's Ladies and Daughters of England Winners in Last Night's Games

FLANNEL AND HOUSE DRESSES FOR LADIES AND CHILDREN

## MRS. GRAHLMAN

Second Ave.

## BURNS LAKE

Strawberries of splendid size and quality were picked at Gosy Nook Farm, Palling, by Mr. and Mrs. H. L. Morrill on October 28. Superb Everbearing was the variety.

Mr. and Mrs. Long and family of Chilliwack have brought in two carloads of settlers' effects and have taken a ranch near Palling.

Mr. and Mrs. A. Kain and family arrived here last week from the United States with two carloads of settlers effects and have taken a ranch at Palling.

A school is being established at Tintagel east of here. The trustees are R. G. Stearns, chairman, J. L. Mowat, secretary, and Neil Van de Veen. There are twelve children at Tintagel.

William Leverett has resigned from the staff of the Ormeau Hotel and is leaving with Mrs. Leverett for Vancouver where they will reside.

### ANYOX ENTERTAINMENTS

ANYOX, Nov. 12.—The various Anyox organizations are making great preparations for the coming winter season, and already several events have taken place. The Moose held a card party and dance during the week and the following night the Mine Club staged the same kind of an entertainment. Both were patronized to the limit of table space. At the Moose party the winners at whist were: Ladies, Mrs. J. Zitko; consolation, Mrs. J. Cloke; gentlemen, C. Palmer; consolation, J. Munro. The Moose committee having the affair in hand consisted of O. J. Hutchings, chairman, and Mesdames Varnes, Dodds, Cross; Messrs. Dodds, Varnes, Simpson and Stevenson. At the Mine card party, Mrs. J. McKay and F. E. Patton were the high scorers at bridge; and Mr. and Mrs. T. Gilmour at whist. Consolation prizes went to Mrs. W. J. Coulter and Miss Cavanagh, and to C. A. Allan and H. Talbot.

### TRAVEL AND BIOGRAPHY NEW AT THE LIBRARY

Among the latest books on travel and history at the public library are the following:

- Travel**
- "On the Headwaters of Peace River," by P. L. Haworth.
  - "Japan," by Lafcadio Hearn.

The stage is now all set for the winter's basketball activities which will commence with the opening games in the Elks' Home on Friday night of this week. There has been a good deal of reorganization in connection with the starting of basketball this winter and, with the exception perhaps of the champion teams of last year which remain pretty well intact, many of the league teams this year will be of a good deal different complexion than formerly. The teams in the Senior and Intermediate leagues are said to be pretty evenly balanced and some interesting encounters are expected as the season advances. There seems to have been a good deal of concentration with the object of making it as difficult as possible for the winners of last year's trophies to retain them. This is particularly to be noted in the Ladies' League where the champion Maple Leafs are to be pitted against a single rival aggregation containing all the best talent in the city that is not contained in the ranks of the Canuck girls. The situation indeed looks promising for many interesting competitions even if the numbers of the rival teams may not be so great. The schedule for the season will be out in a day or so.

**CHANGE OF WEATHER BROUGHT GOOD SPORT**

The advent during the past few days of snow and cold, clear weather has made conditions much better for both bird and deer hunting. The past week-end with Thanksgiving Day thrown in together with the improvement of prospects attracted the largest number of parties out so far at a single time this season. While several of the expeditions went rather far afield and a number of them have not returned home as yet, some of them have come in and generally speaking the bags seem to be averaging higher than at any time so far. The heavy snowfall of Monday morning brought the ducks and geese into the bays and lagoons at the mercy of waiting nimrods and the same snow also caused the deer to descend from the mountain tops which they have been frequenting during the mild fall weather. Even the less experienced of the hunters were bagging the deer over the past week-end and it is said that several got the thrill which if it does not prove to be once in a lifetime was at least the first time.  
 With a good month yet to go, local hunters are now anticipating the best of the season to be now immediately in store.

**ALICE ARM IS GETTING READY HOCKEY SEASON**

ALICE ARM, Nov. 12.—With the advent of cold weather, the skating rink was in operation for the first time this season at the end of the week. In anticipation of the approaching skating season, considerable repair work has been done.  
 The hockey season promises to be a successful one. Alice Arm will again have a team and Stewart has promised to send an aggregation here during the winter. It is possible that a ladies' team may also come from the Portland Canal centre. Anyox, it is expected, will also have a team and plans are already being made for a carnival here in which the teams of all three towns will participate.

**THROUGH SLEEPING CARS TO SHIP'S SIDE**

The Canadian National Railways have made arrangements to operate tourist and standard sleeping cars through from the Pacific Coast to the ship's side at Montreal and Halifax in connection with Old Country sailings, during November and December. Full particulars regarding rates, reservations, passports, etc., can be secured from City Ticket Office, Canadian National Railways, 528 Third Avenue, Prince Rupert, Phone 260.

**BASKETBALL TIME TABLE**

 25th September, 1924.

**GRADING PLAN IS PROTESTED**

A delegation consisting of A. Curtis, A. Beattie, N. Lem, Arthur Haddock, Gillies, W. J. Greer, S. M. Davies, and T. Tronnes, met before the city council last night in support of a petition submitted by the property owners against the construction of a foot semi-permanent road on Sixth Avenue and from Sixth Avenue between Fourth Street and Hays Court. The road would be permanently graded, width of 20 feet and the roadbed would be graded against the property owners' buildings. After discussion had been held, it was decided to refer the matter to a meeting of the city council, the finance committee, engineer and city solicitor to be present.

**Do Job Well**  
 J. A. Currier, of a lot that had been held in the Auditorium, last Sixth Avenue was a 94 feet and it had been agreed it should be permanently graded a width of 20 feet. It was probably necessary before bringing the street to permanent grade, anyway, and it was advisable to do the job well and for all. If it was later to widen the street, it was not necessary to change grade of the present work. The resolution submitted by the real representatives of the property owners of the meeting had been held. The owners realized that the cost of the permanent grading would be considerably greater than was anticipated. It was under the plan that was followed on the other side of the street.  
 A. D. Gillies stated that three years ago it had been proposed to permanently grade Avenue. Permission to do work had been received from property owners and the city government had sanctioned change in the registered plan. In the face of this, the work was now proposed to be a "bush road." The council to understand the want the permanent grade was arranged two years ago asserted Mr. Gillies.

Ald. Collart thought the situation was a good one and was the desire of all the both residents and non-residents he would certainly be in it. The question was whether or not the outsiders would stand the cost. There was danger that many would revert to the city for work. He was quite sure resident owners would share but it was necessary carefully in the matter.  
 Mayor Newton concurred in the remarks of Ald. Collart regarding the financial aspect of the discussion closed with invitation being extended to the board of works tonight.

UNITED STATES BROADCASTING STATIONS

Following is an additional list of some of the chief high power broadcasting stations in the United States:

Table with columns: Call, Location, Owner, W.L.M. listing various radio stations across the US.

TELLS SOUTHERNERS ABOUT PRINCE RUPERT, TERRACE, SMITHERS, AND THE FRANCOIS AND OOTSA LAKE COUNTRY.

(continued from page one)

pected to start building an abattoir at Prince Rupert and that will mean that more bulk beef will be consumed. It is probable that the raising of steers will be more generally taken up and export will take place. The city appears to be well established, and there have been many changes during the past two years.

Terrace

At Terrace, a recognized fruit growing district, development has been steady, and a good crop of fruit was marketed, strawberries in particular. Prince Rupert took most of the berries shipped from this point. The Farmers' Institute at Terrace handled the marketing for the majority of the growers and some 3,000 crates of strawberries and other fruit were shipped.

There is no question as to the big agricultural developments which will take place, particularly in fruits and vegetables. A potato association has been formed at Terrace and a district display will be sent down to Vancouver at the potato show to be held Nov. 27 to 29.

The Lake District

In less than two years the district known as District "B," extending from Prince Rupert to Smithers, and including the Francois Lake country, have nearly doubled their membership of the Farmers' Institute, and some twelve institutes are doing excellent work.

The size of the timber, which is small compared with that of the coast, and the cost of haulage, which is mostly done in the winter, being so much greater than on the coast, makes the cost of logging operations compare disadvantageously. Also taking into consideration the entirely different conditions which exist in the interior.

Considerable agricultural progress has been made in some districts, the increased acreage under crop being well over fifty per cent of the last two years, though the settlers are experiencing considerable worry as the contracts have been cut down, and this, with the timber situation doubtful, is causing many to contemplate going further afield unless the situation improves.

In some eight districts, including Terrace, Smithers, Telkwa, Francois Lake, Wisteria, Vanderhoof and Prince George, assurance was given that entries of potatoes will be sent to the Vancouver show.

At Smithers the visitors picked several handfuls of strawberries from the second crop, and many tomatoes were ripened outside this summer also. Lettuce and celery is also being grown extensively by one or two farmers. Mr. Schufer stated that he is securing greater yields from his farm in that district than he secured on Lulu Island, where he had farmed previously, but it should be noted that Mr. Schufer is irrigating.

Francois Lake

At Francois Lake a very big meeting took place, the institute hall being crowded. The dairy commissioner, Mr. Rive, went very fully into details in connection with the establishment of a creamery at this point, and Mr. Bailey gave an account of the early struggles in the Fraser Valley. Mr. Whitney Griffiths' remarks at his meeting dealt with incorporation. Before the meeting adjourned a resolution was unanimously passed instructing the Farmers' Institutes to call a conference at an early date on the south side of the lake, for the purpose of incorporating and securing the establishment of a creamery. It is expected that as an outcome of the excellent prospects of dairy farming here, a large number will take stock in the association, proposed to be called the Lakes Creamery Association. A building will be put up in the spring if all plans materialize. It is the intention of these enterprisers to apply for government assistance and the loan of equipment.

Hospital Trouble

The visitors found the district much perturbed over the closing of the Francois Lake Hospital, and a meeting was held at Wisteria when delegates from as far as Burns Lake assembled to try and come to some understanding and to prevent the loss of the equipment which had

been moved from the hospital a few days before any of the serious disagreement having arisen between the local hospital board and the mission could culminate in anything drastic.

It is reported that there are over 4,000 people south of Francois Lake and it is quite evident there is a big population there.

Visit Fox Farm

A visit was made to the big fox farm conducted by Mr. Barclay at Ootsa Lake. This has been largely developed during the past two years. A shipment was recently made of eleven pelts of silver fox and it is understood that \$2,200 was received for them. Several fox farms have been started and five or six mink farms are established. The foxes are being sold for breeding purposes at from \$35 to \$400 per pair, the mink fetching \$65 per pair. An invitation has been issued to the chairman of the Game Board to visit this section, south of Ootsa Lake, which is stated to be very rich in fur-bearing animals. One of the oldest residents there stated positively that there is a herd of reindeer in the section, which the Indians say that there are mountain caribou. A resident here, Mr. Morgan, an experienced hunter who knows game well and is familiar with northern animals states that if the Game Board will make a visit to this section he will be willing to give his services to conduct a party into this country.

The party returned through the Caribou district and addressed a fine meeting there. At all points they met with a warm welcome and true hospitality and noted keen interest in the Farmers' Institute movement as being closely allied with agricultural progress.

COUNTER PROPOSAL MADE RE. EXCAVATION

City Offers to do Work for Dybhavn & Hanson at Actual Cost, They to Take Responsibility

On recommendation of the Board of Works last night the city council declined to accept an offer made by Dybhavn & Hanson of \$2,250 for the excavation of lots 16, 17 and 18, block 21a, section 1, but offered to do the work providing Dybhavn & Hanson pay the actual cost including blasting, quarrying and crushing and take all responsibility with regard to sewers and buildings. Adoption of the report was moved by Ald. Casey and seconded by Ald. McMordie.

Timber Sale, X 6706.

There will be offered for sale at Public Auction, at noon on the 7th day of November, 1924, in the office of the Forest Ranger, Hazelton, the License X 6706, to cut 90,000 lineal feet of Cedar Poles and Piling, on an area situated on the east bank of Skeena River, approximately 15 miles north of Hazelton, Cassiar District.

## Thy Name is Woman

A compact, dynamic drama of the "eternal triangle." A tale of Latin love and vengeance. A photo-play straight-forward in action, noted for its unusually fine detail, progressive development, vital suspense, magnificent backgrounds, rich atmosphere and the outstanding performances of the leading players. The story of a young soldier torn between love and duty in which every incident carries a meaning. William V. Mong, Barbara La Marr, Ramon Navaro, Robert Edeson, Wallace MacDonald, Claire McDowell, Edith Roberts and others.

FOX NEWS-GAZETTE

Admission 35c and 10c.

### PLENTY OF GIRLS WANT TO BE WIVES

LONDON, Nov. 5.—John Coleman, of Tisbury, Wiltshire, built and furnished a little bungalow complete with a legacy he received. Then he advertised at a cost of two shillings for a wife to share it with him, and in less than two weeks he had 200 answers. He narrowed his choice to two, between whom he still wavers. The landlord of the village inn has a room decked out for the bride. John's daily rejections became of so much interest that the London dailies published them under the heading, "The Matrimonial Stakes."

### RUPERT HOUSEWIVES BECOME BUSINESSLIKE

The housewives of Prince Rupert are no longer content to believe that a certain brand of goods is the best in the world or that it will last longer. They are realizing that the only proper way to find out which brand is the best is to make a practical test in their own homes and compare values. This is just as it should be. And the merchant who has the superior article welcomes the acid test of comparison because he knows his chances of selling are improved. More Prince Rupert women than ever before are testing coal, trying to discover the most economical fuel for furnace, heater, fire place or range. Those who have tried agree that Nanaimo-Wellington is very much superior. They say less quantity need be used, that there is very little ash and no clinker or rock. These are some of the reasons for the many repeat orders. To secure this famous Nanaimo-Wellington coal, order should be phoned direct to Alber & McCaffery who are sole agent in Prince Rupert. Their phone numbers are 116 and 564. They have their own delivery trucks and wagons and give prompt service. Watch them and be convinced that most of the people in Prince Rupert buy Nanaimo-Wellington coal. There's a reason. Ask the woman who burns it.

### A NICE NEST EGG FOR CHRISTMAS

If you went to your banker for an accommodation you would expect to pay for it. This same accommodation obtained in the form of merchandise from any merchant must be paid for. We realize that many people who are buying on credit do so as a matter of convenience. Some do so because there has been no inducement to pay cash, while others through force of circumstances require credit. Some months ago we inaugurated a system which will interest you if you wish to pay cash. Because of our desire to try this system out on a small scale we did not advertise it. However, as it has proven so satisfactory, both to our customers and ourselves, we want you to know about it. Come in and see us.

### MOOSEHEART WHIST DRIVE AND DANCE

Successful Affair Took Place Last Night in Metropole Hall—Twenty Tables of Cards

The ladies of the Mooseheart Legion held a successful whist drive and dance last evening in the Metropole Hall.

There were 20 tables of cards and the winners were: Ladies' first, Mrs. Simon Swanson; ladies' consolation, Mrs. R. D. Fassie; men's first, E. M. Prince; men's consolation, A. Martinsen.

Refreshments were served and dancing followed, music being furnished by the Westholme Orchestra. Joe Staggard was master of ceremonies and Mrs. Thor Johnson was on the door.

The committee in charge consisted of Mrs. J. Field, Mrs. Charles Edwards, Mrs. Tom Dybbavn and Mrs. Ed. Unger.
