## BRITISH DIRIGIBLE DRIFTS TO NETHERLANDS

## MOTHER CONFESSES TO POISONING THREE OF FIVE CHILDREN IN FAMILY

### Big Airship Breaks Away from Moorings at Pulham; Driven by Fierce Gale with 20 Men Aboard

LOWESTOFF, England, April 16.—The dirigible R33, which broke away from the mooring mast at Pulham in a heavy gale this morning, appeared over Lowestoft before noon driven by a fierce southwester. The mooring ropes were being down and the lashing was in a disorderly state while a large rip was plainly visible. As the airship passed seaward it was apparently in difficulties. It was proceeding erratically now and then standing almost on end for a brief time and then drifting itself for another swoop before the gale. After passing over Lowestoft, the airship turned towards the northeast as she disappeared in the distance. Before she was lost sight of she had regained an even keel and was apparently under control.

LONDON, April 16.—It is unofficially announced that there is no chance of the R33 with 20 men aboard returning to Pulham tonight. The dirigible is reported from Amsterdam to be drifting towards the Netherlands in need of assistance.

DETROIT, April 16.—Sand and silt underlying part of the Edison Company's new dam is being blamed by officials for the break which resulted in the flooding of the Huron Valley. The damage from the flood is estimated at \$100,000. No lives were lost.

### OPEN OFFICE AT PRINCE RUPERT

Capt. Barney Johnson's Firm to do Business Here—Representative Arrives

To open an office in Prince Rupert for the shipping firm of B. L. Johnson, Walton Co., of which Capt. Barney Johnson is the head, P. M. Ray arrived in the city from Vancouver on the Prince George yesterday afternoon.

The Hecate Straits Towing Co., which operates the well known tugs Lorne and Cape Scott, is a subsidiary of the B. L. Johnson-Walton Co. These tugs are frequent visitors to this port and now that the sawmill has reopened they will be here more often. In addition to this business, it is stated that Capt. Johnson has plans for other activities to be centred here.

### PEACE RIVER IS UP TODAY

Thornton and Beatty are Meeting With Minister of Railways

OTTAWA, April 16.—Hon. George P. Graham, minister of railways, is meeting Sir Henry Thornton, C.N.R. president, and E. W. Beatty, C.P.R. head, this afternoon to discuss the development of the Peace River district.

Mr. Graham stated today that a conference to which Western premiers would be invited might take place later if the suggestions made today warranted its being held.

### Independent Member for B.C. says New Prosperity Coming to Province but No Pessimism

OTTAWA, April 16.—With a long list of speakers still to come the House of Commons yesterday continued a long drawn out debate on the budget. L. W. Humphrey, independent member for West Kootenay, indicated his intention to vote with the government on the budget. He said he thought transportation and national expenditures of more importance as an issue than the tariff.

Mr. Humphrey spoke of the prevailing pessimism which had been reflected in the majority of the speeches on the debate. There was no such pessimism in his province or his riding, he said. He maintained that there was a new optimism and new prosperity coming to British Columbia.

J. H. Harris, Conservative of East York, thought the budget "cluttered up with obscurities" which did more to shatter confidence than would telling the public the truth. He strongly objected to the export tax on electrical power.

### Mystery Continues Connection with Disappearance Wong Foo Sing, Houseboy at Baker Home

(Special to Daily News)  
VANGOUVER, April 16.—For nearly four weeks Wong Gow, brother of Wong Foo Sing, houseboy in the R. P. Baker home where Janet Smith was found shot, has sat each day patiently in the Chinese Consul's office here anxiously waiting word of his missing brother. He still thinks Wong Sing is held captive in Vancouver.

Wong Gow discovered only a few days before the disappearance of Wong Sing that the latter had left his watch at a repair shop promising to call for it the day after the disappearance. The watch is still at the watchmaker's.

Wong Gow says he is sure his brother will communicate with him as soon as possible if he is still alive.

### Favorite Offspring of Indiana Woman Victims of Maniacal Abberation

CROWN POINT, Indiana, April 16.—Calm and unmoved, Mrs. Anna Cunningham, aged 49, last night confessed that she had given poison to three of five members of her family whose mysterious deaths within six years led to an investigation. The mother said she had killed the children she loved best in order to take them with her to rejoin her father in Heaven. She stated she had always taken poison herself after administering it to the victims. She denied poisoning her husband and said she had spared the surviving daughter because she liked her the least. She admitted poisoning her last son living, David, who is in a dangerous condition in a Chicago hospital.

The only emotion shown by Mrs. Cunningham was when she broke down this morning after signing the confession. She is apparently in a cataleptic condition today.

DAILY EDITION Thursday, April 16, 1925.

**Two Reports Of Great Interest.**

We published summaries of two very interesting reports in yesterday's issue. One was that of the Canadian National Railways and the other that of the engineer retained by the council to examine the prospects of increasing the power supply from Shavallans system. Both these reports should be read by everyone. The railways belong to the people and they should be informed as to how they are being managed. The development of power here is the biggest question with which Prince Rupert as a city has to deal. The success of the scheme means success to Prince Rupert. The failure means holding back growth of the city. We all would like to see Prince Rupert prosper. If we are to prosper we must have power, but also we must have it developed in such a way that it will be of the greatest possible benefit to the city as a whole.

**Two Methods Of Supplying Power.**

Now that the power question is being discussed it might be well to draw attention once more to the two methods by which power can be secured. One is to go ahead and build a new plant, and rebuild the old one as recommended by Engineer Yuill, spending a large sum but with no possibility of catering to the eventual needs of the city. The other plan is one over which we have less control. It is to induce some big company to develop Falls River or Khtada or Brown's River and supply the city either in bulk or retail with power for all purposes required.

Most people are aware that there is a plan at present under consideration for an industrial development not far from the city, which might make desirable the development of one of the big waterpowers. It may not materialize but it is being seriously considered and investigated and if anything comes of it, the city might be spared the cost of further power investments.

Power and plenty of it is undoubtedly needed here, but we want to be sure we are taking the most effective action to care for the future needs of the city and district. Should a big industrial plant be erected at Port Edward it would mean an immense lot to Prince Rupert and the same power system used there might well be extended to serve the city also. The fact that Prince Rupert was prepared to use the power would be a big inducement in securing its development. Once we put in a big power plant of our own, the inducement is gone.

**That Bogey Of Corporation Ownership.**

The only argument against purchasing power from a big company as against putting in a plant and developing power ourselves is the old one of "corporation ownership." We all imagine that a big company is making big profits whereas our own experience shows that even with a peak load, such as we have had of late, the profits do not amount to much considering the fact that the plant now has, according to the report of the engineer, to be practically rebuilt. What will happen when we increase our overhead by a million dollars, more or less? The interest on that money has to be paid and the debentures met. It is comparatively easy to borrow money, but it has to be repaid. The life of a big plant is not long and when outgrown it often has to be scrapped even before it is worn out. When it is scrapped it is practically worthless on the market.

We are not opposing any scheme just now without the fullest information and consideration, but just point out these things as matters to be thought about in connection with any steps that may be taken.

We all like to see new work go ahead because it means increased expenditures and temporary better times, but we must look well ahead and build on a solid foundation.

**Proposed Steamship Line To This Coast.**

The proposed line of steamships to this coast trading with Europe would offset the disadvantage to which this port would be put by subsidizing a line in the East without including the Pacific ports. With the adoption of the Donald McLeod proposal we are in hearty sympathy and the whole scheme would then appear to be one for the advantage of Canada.

Any partial scheme which does not include the Pacific coast ports could hardly expect support from Prince Rupert.

**FINE CONCERT AT WESTHOLME**

Revue by Pupils of Mrs. Crewe and Other Numbers Proved Pleasing

"The Revue," presented last night by Mrs. H. O. Crewe under the auspices of the Prince Rupert Gyro Club, was a bright and colorful entertainment which was fully appreciated by an audience which well nigh filled the Westholme Theatre. There were several items on the program which were of outstanding merit. The youthful members of Mrs. Crewe's dancing classes were the featured performers and the numbers rendered by them ranging from those in age little more than babes to girls in the "teen" ages again testified to the careful training that they are receiving at the hands of their instructor. The program also included a few special items that were arranged for by the Gyro Club.

The "Skipping Rope Dance," by little Miss Edna Ireland, accompanied by Piper James Sturgeon, was undoubtedly the highlight of the evening if the applause elicited from the audience by the performance was any indication. This little lady rendered the rather difficult dance in precise manner and, although there were some who undoubtedly expected she would make a slip, she went through the tiring exercise in precise manner and responded to the insistent plaudits with an encore no less successfully given.

**Russian Dance**

Another particularly excellent number was the "Russian Dance," by Miss Winnie Thompson. The costume was elaborate and the dance difficult but this young lady's experience together with her natural grace made it possible for her to render it in a most pleasing manner that left nothing to be desired.

The "Nodding Tulip" dance by Miss Hilda Wilson Murray and the "Rose Dance" by Miss Annie Gilchrist were also items worthy of special mention.

Other individual numbers were the "Balloon Dance," by Miss Mariann Quinn; the "Rabbit Dance," Enid and Claire Williams; "Hunting Dance," Frances Tremayne and Marian Quinn; "The Duck and Chicken," Mary Helen Orme and Joan Crewe; "Dutch Dance," Annie Gilchrist and Marian Quinn; "Highland Fling and Reels," Nora Little and Piper Sturgeon. All were well executed and much appreciated.

The group numbers were of a unique nature with the dainty costumes proving a feature in each case. Quite indeed were those items in which the tots took part, the effect being perhaps enhanced by the natural though, in some cases, timid manner of the tiny performers. This, however, did not detract from the general precision with which their numbers were carried out and they won the approval of the audience.

These group numbers, which were of like excellence, were as follows:

Irish Jig—Enyd Morris, Audrey Tremayne, Nancy Brown, Audrey Parkin, Frances Tremayne, Margaret Jackson, Enid Williams, Maxine Heilbronner, Enid Little and Nora Little.

The French Doll Show—Audrey Parkin (customer), Nancy Brown (salesman), Mary Helen Orme, Mary Bell Styles, Jerry Mann, Mary Ursula Roerig, Joan Wait, Geraldine Cade, Betty Brown and Joan Crewe.

Pussy Cat—The Babies, Minuet—Annie Gilchrist, Hilda W. Murray, Frances Tremayne, Marion Quinn, Maxine Heilbronner, Enid Williams, Audrey Tremayne and Enyd Morris, Fifinella—Nora Little, Edna Ireland, Jessie Cherry and Claire Williams.

**Special Numbers**

S. K. Campbell, in his usual splendid voice, sang "Ave Maria" but his encore "Smilin' Thru" was perhaps more popular with the audience. He was accompanied by Charles Balagno, piano, and Will Balagno, violin obligato. It was a Gyro number, all those taking part being members of the club.

Miss Nada Johnstone, who recently arrived from Vancouver, won approval with "Absent" and "The Blue Bell Way" as an encore. What her mezzo-soprano voice may lack in strength is adequately made up for in qual-

ity and beauty. Miss Blanche Curtin was a capable accompanist.

Mr. and Mrs. H. O. Crewe rendered an exhibition dance entitled the French Tango.

The Prince Rupert Amateur Orchestra, under the baton of Professor H. Aubrey Pryce, rendered the selection "In a Monastery Garden." It was a creditable performance which would be improved with modification of the voice effects with which it is scored. The orchestra was more appreciated in the lighter march number which was given as an encore.

**Ballet Number**

Effectively concluding the program was a ballet "The Coming of Winter" in which Annie Gilchrist as a queen; Hilda W. Murray, as "Jack Frost," and Audrey Tremayne as a handmaiden, were the principals with Jessie Cherry, Claire Williams, Nora Little, Nancy Brown, Enyd Morris, Maxine Heilbronner, Audrey Parkin and Margaret Jackson as snowflakes.

Mrs. J. A. Hinton was accompanist for the dance numbers by Mrs. Crewe's pupils. The Westholme Orchestra assisted.

Lionel Holtby was chairman of the Gyro Club's committee having arrangements for the concert in hand. Other members of the club assisted him in carrying out the program and with hall arrangements. The club's share of the proceeds will go to the playground fund.

### DELAY ACTION AT ACROPOLIS

Outlay Would be Too Great For Present Interest in Fair

The regular monthly meeting of the Fair Board was held last night in the city council chamber. There was a full attendance of directors with President Ben Self in the chair. Business was largely of a routine nature with a heavy volume of correspondence indicating that already a lively interest is being taken in the activities of the association for this year.

Mayor Newton was present and, before the meeting opened, he explained the view that was being taken by the board of works regarding the improvements asked for at Acropolis Hill grounds. It was considered that the proposal for permanent work suggested by the delegation which appeared recently before the council would involve such an outlay that it would be wise to give some time and thought to the scheme. For the present season, it would be practically impossible to have the crusher and roller placed on the grounds. The mayor stated that the board was in favor of permanent work being done and that plans with this end in view might be matured. In the meantime, the matter was in the hands of the Board of Works. The city was desirous of co-operating and the Fair Board might rest assured that the grounds would at least be put in suitable shape for this year's Fair sports program.

The matter of holding some kind of a celebration on May 24 in order to aid the association's finances was discussed and left in the hands of the sport and attractions committee to bring in a recommendation.

Among the letters read at the meeting was one from J. R. Stanger of Francois Lake showing that an interest is being taken by that district in the Prince Rupert exhibition.

Tenders are to be called shortly for the printing of the 1925 prize list.

### WAR VETERANS HOLD SMOKER

Ninth Anniversary Celebrated—Bishop DePencier One of Speakers

Marking the ninth anniversary of the founding of the organization, a very successful smoking concert was held in the Great War Veterans' Association's club rooms last night. President J. M. Campbell was in the chair and there was a large attendance. A first class program was discussed and eats and smokes were furnished in abundance. Among the guests were Bishop DePencier of Vancouver, Archdeacon G. A. Rix, Mayor Newton, Ald. Brown, Ald. McKeelnie and Ald. McMordie.

Bishop DePencier, in the course of an address, related some interesting anecdotes of his own overseas experiences and citizenship, etc. He urged members of the G.W.V.A. to "carry on the fight" for good Mayor Newton made congratulatory remarks as to the work of the Association and said that the city would be willing to extend its support wherever possible.

Addresses telling of the early organization and work of the G.W.V.A. in Prince Rupert were given by J. F. Hutchinson, D. S. Cameron and W. E. Denning.

#### Presentation Made

A pleasant feature of the proceedings was the presentation to Fred Pyle, who headed the local G.W.V.A. last year, of a gold watch chain. President Campbell, in making the presentation, referred to the appreciation felt by the Association for Mr. Pyle's good work. The recipient replied stating that he would always be prepared to assist the Association whether or not he was a member of the executive.

Besides selections by the North B.C. Regiment Band and Piper James Sturgeon, the program included solos from J. N. Kelly, F. Fortune, E. Saourin, James Harris, Tommy Black, J. Ross, Frank Wells, Harry Astori and Jack Judge. Accompanists were W. Vaughan Davies and C. L. Youngman.

### STEAMERS TO RETAIN TRAIN CONNECTIONS

Announcement Made Today in Connection with Bi-Weekly Service Starting Next Week

Under the bi-weekly service between here and Vancouver which commences next week the steamers Prince George and Prince Rupert will sail from here for the south at 9 o'clock Friday and Monday mornings until May 4 when they will start sailing for the south at 10 o'clock Thursday and Sunday nights it was announced by R. F. McNaughton, C.N.R. district passenger agent, today. This will be in order to make connections with the trains from the East which will continue coming in at 7 o'clock on the mornings of Friday, Monday and Wednesday till the daily train service starts on May 4 when the trains will arrive here at 3.30 in the afternoons.

Boats will arrive here from the south at 10.30 Wednesday and Saturday mornings. The Wednesday boat will sail at 10 p.m. for Anyox and the Saturday boat at the same hour that day for Stewart. The vessels will return here at 8 p.m. Thursday and Sunday nights and lie here all night before proceeding south the next morning.

The double weekly service will remain in operation until June 21 when the tri-weekly service is to start.

### EASTER CANTATA AT OCEAN FALLS CHURCH

Large Audience Sunday Evening to Hear Excellent Singing of Choir

OCEAN FALLS, April 16.—The services at St. Paul's Anglican Church here, Rev. E. A. Hodson rector, were well attended this year on Easter Day. In the evening the church was packed to the doors to hear a fine rendering of Maunders' Cantata "Patience, Pardon and Peace" by the choir. Miss Mavis King was in excellent voice in the soprano solos, while the bass and baritone solos, sung by Messrs. Godding

Insist upon this Trade Mark KRAFT CHEESE. Look for it on the tinfoil. It is your guarantee of quality and flavor. AVOID IMITATIONS. Send me free recipe book.

and Morel respectively, left nothing to be desired. E. Antil, choir-master, was complimented on the splendid chorus work under the leadership of Miss Ayner Nutt. A large measure of praise was also given Alan Crawford, organist, whose sympathetic accompaniments had much to do with the all round excellence of the singing.

### FUNERAL TODAY

Little Son of Mr. and Mrs. Frank Zbura Laid to Rest in Fairview Cemetery

The funeral of Frank Zbura, four year old son of Mr. and Mrs. Steve Zbura, 512 Eighth Avenue East, took place this afternoon from the B.C. Undertakers' Chapel to Fairview Cemetery. Rev. G. G. Hacker officiated.

Among those who sent flowers were Mr. and Mrs. Nick Thomas, Mrs. J. H. Hilditch, Mr. and Mrs. Frank Zbura, Mr. and Mrs. P. Ganula, Mr. and Mrs. J. Krievsky and J. Wozney.

G. Knudsen is being charged with intoxication in the city police court this afternoon.

### TOURIST YEAR BIGGEST YET

So Anticipates J. E. Dalrymple for 1925 on Return from Western Tour

WINNIPEG, April 16.—The biggest tourist year that the Pacific Coast has ever known is promised for 1925 according to J. E. Dalrymple, vice-president of the Canadian National Railways who returned yesterday from a four week tour of the Pacific Coast of the company. Canadian National Railway bookings are already treble those of any previous year and there will be many special parties in both directions. The holding of a number of conventions on the Pacific Coast, chief among them are Shriners, Knights, Templars, and Elks organizations, ensures a large traffic to that part of Canada and in a number of cases special trains are being operated to carry convention delegates over the Canadian National Railways to Winnipeg and Eastern points.

The provision of new facilities at Jasper Park Lodge such as the golf course, nine holes of which will be ready for play, and the swimming pool, is attracting even more attention this year to Jasper National Park, which Mr. Dalrymple anticipates will have by far the greatest season in its history. The Jasper Park course, he declares was acknowledged by golf experts to be one of the best on the North American continent.

The new steamship service to Alaska being opened by the Canadian National on the coast, the first sailing of which will be on June 22, has attracted many bookings also.

### STEWARDESS OF PRINCE GEORGE WEDS IN SOUTH

Two Presentations Took Place When Steamer Was at Vancouver Last Monday Evening

Miss A. Westlake, for many years stewardess on the steamer Prince George, was married recently in Vancouver to George Taylor of the C.N. audit office.

Last Monday evening when the steamer Prince George was in port at Vancouver, two presentations took place to mark the occasion. The office staff of the steamship department, through P. W. Baldwin, local auditor, presented the couple with a silver tea service. On behalf of the officers and crew of the Prince George, together with other friends, Chief Engineer Alex. Munro presented Mr. and Mrs. Taylor with a purse of gold.

## CELEBRATION OF EASTER AT FISHERY BAY

Annual Event During Oolichan Fishing Season Lasted from Friday to Tuesday

FISHERY BAY, April 15. — Easter was celebrated here with great festivities. Natives from the upper Naas, coast villages and Alaska gathered and the religious services commenced on Friday, morning and evening. From Aiyansh and Greenville came the Church Armies and on Saturday a contingent from Kelchikan representing the Indian Salvation Army arrived and were warmly welcomed by the Indians on this side of the boundary. A big joint revival service was held by the combined Christian forces.

Sunday morning there was a celebration of holy communion in the church at nine o'clock at which eighty communicants participated. At the regular morning and evening services the church was packed to the doors. The choir of St. Andrew's church, Greenville, with Mr. McKay as organist and Mr. McNeill conductor, assisted at the services and in the evening sang the cantata "Kings Triumphant."

Monday was devoted to sports and games. A basketball team came from Kincolith to compete with teams from Aiyansh, Greenville and Port Simpson for a handsome trophy donated by the Citizens' Association of Greenville.

Monday evening farewell revival meetings were held and the visitors from Alaska and other villages left for home Tuesday morning.

During the reunion the visitors were handsomely entertained by the council and citizens of Greenville.

## BACHELORS PROVED WORTHY HOSTS AT SMITHERS MONDAY

Ball by Them Proved to be Great Success in Every Way

SMITHERS, April 16. — The Bachelors' Ball held at the Town Hall on Monday night, bore out the predictions of the organizing committee in every respect, as there was an extra large crowd of dancers congregated from all sections of the district, a splendid banquet supper served at the Bulkley Hotel, and the best of dance music rendered by the five-piece Gray orchestra.

The hall had been tastefully decorated and during the evening the committee made it their duty to see that strangers were made acquainted and the floor kept full of dancers.

## TERRACE MAN PATENTS NEW CAN OPENER THAT SEALS MILK SECURELY

TERRACE, April 16. — Residents of Terrace who knew Geo. Minchin when he lived here, will be interested to know he has patented a very convenient opener for cans of milk which will seal the cans again so securely as they can be carried in a pack. Campers will appreciate the value of this.

George says this is only a sample of his inventive genius. He has a number of other ideas he is working out and hopes to patent soon.

## SMITHERS

A son was born at the Bulkley Valley District Hospital on Tuesday, April 14, to Mr. and Mrs. B. M. Robinson.

Until a new parson is appointed to the Smithers parish, the Sunday services at the Anglican Church will be conducted in turn by the different ministers of the Diocese, the first of whom will be Rev. J. W. Grey of Chileo, who will be here next Sunday.

## MANY FINED AT TERRACE DANCE

Man Named Sparks Charged With Battery and Put in Dry Cell for Punishment

TERRACE, April 16. — The hard times dance which was staged on the anniversary of Vimy by the G.W.V.A. was very successful. The music was excellent and there was a good turn out. The costumes ranged from rags and tatters to thrifflily mended garments.

The first prize, a five-pound box of chocolates was awarded to Mrs. Agar, whose stockings were patterned with daintily duplicated holes. Mrs. Burrisson won second prize, a Chinese work basket.

First prize for men, a handsome fishing rod and case, went to Wm. Burnett, who had utilized flour sacks to great advantage in mending his garments. Mr. McLaren got second prize.

At intervals between the dances the prize winners were fined for receiving expensive gifts and the president for giving them. Dr. Ewart was fined for appearing in his professional garb. Sammy Kirkaldy had to pay twenty cents and costs for wearing signs without a license. Another person giving the name of Sparks, occupation electrician, was charged with battery and was fined and put into a dry cell. At a special session called with Dr. Ewart on the bench Judge Hall was fined 50c and costs for contempt of court in wearing a baby's cap instead of a wig.

## CANOE SMASHED NAAS RAPIDS

Indians Thrown into Rushing Water When on Way to Fishery Bay

Rev. Oliver Thorne, who is in the city from the Naas River where he is in charge of the Anglican Mission, tells of a narrow escape they had coming down the river from Aiyansh. He came down with the members of the Church Army to attend the annual Easter festivities at Fishery Bay at the mouth of the river, where the Indians from all the countryside gather for the oolichan fishing.

Owing to the river being low it was impossible to use launches so they took to the smaller canoes and ran the rapids. In passing through one of these in the rush of water one of the canoes struck a rock and the occupants were precipitated into the water. They were in a terrible plight but they managed to crawl on to a rock where they huddled until their companions were able to rescue them after four or five hours.

## FAREWELL AT SMITHERS TO REV. R. E. BIDDELL

Anglican Church Crowded for the Occasion and Purse of Gold is Presented

SMITHERS, April 16. — The Anglican Church was crowded to the doors Sunday evening, on the occasion of the Rev. R. E. W. Biddell's farewell service, when in addition to the members of his own congregation, the Rev. M. W. Lees and a large number of members of the Union Church were present to give the affair the nature of a community gathering.

Mr. Biddell's address was most appropriate to the occasion. During the service Mrs. S. P. Bennet sang "Open the Gates of the Temple," and as an accompaniment to the congregational singing, Mrs. Hoskins, the organist was assisted by Mr. Gray with the violin and Mr. Doodson with the cornet.

At the conclusion of the service held on Sunday morning, Mr. Biddell was presented with an address and a purse of gold from the members of the church as a parting tribute to his ministry of the past three years.

Mr. and Mrs. Biddell left on Sunday night's train enroute to Abbotsford, where they were located before coming to Smithers.

## CONCERT AT TERRACE BY WAR VETERANS

Interesting Program of Events Given on Anniversary of Battle of Vimy

TERRACE, April 16. — The anniversary of the battle of Vimy Ridge was celebrated here by a concert given by the Great War Veterans Association which proved one of the most popular events of the season. The program was a varied one. The band played several selections; patriotic songs were sung by Terrace boys, there was an interesting sketch by boys and girls; songs by T. Halliwell and J. P. Eggleshaw, duets by Mrs. DeKergomeau and J. Norrington and by Misses Croelman and Moore, a recitation by Mrs. Jones, a monologue by J. Norrington, violin solo by J. Warn, dances by Miss Sophie McLaren and F. McLaren and a character song by Misses McLaren Baily and B. Agar.

# BETTER THAN RICHES

Under the dome of the Board of Trade in Manchester, England, is this inscription: "A good name is rather to be chosen than riches." The thought is considerably more than mere sentiment. It is good business.

A good name is recognized as the biggest individual asset a business can have. It is the very keystone of modern industry. ## SPECULATION FOOD SUPPLIES

Financial Paper Discusses Possibility of Stopping Recurrence

The suspicion that the recent spectacular break in grain prices was the result of a bear pool engineered by Jesse Livermore, of New York, and Thomas Hewell, of Chicago, has taken such definite form that the U.S., through the Grain Futures Commission, has ordered an investigation to find out who was responsible. The contention is that not only was there no justification for the break which wiped out thousands of small speculators, but that losses of many millions for the farmers of America are entailed.

**Industrial Question**

"The worst side of this whole thing, is the fact that we are now being compelled to sell our foreign customers grain far below the prices they expected to pay weeks ago," one Canadian banker, in close touch with the grain market, told the New York correspondent of the Financial Post. "The matter should not be regarded from the point of view of either the farmer or the grain speculator. It should be looked upon from the point of view of North America as a whole. We have the wheat and the foreign buyers wanted it."

**BASKETBALL BOYS BACK FROM ANYOX**  
Intermediate Colts Lost Games But had Good Time in Spite of Rough Trip

The Colts' Intermediate basketball team returned to town at 4 o'clock yesterday afternoon on the gasboat Laura F. from Anyox where they were defeated by the Anyox Mine team 25 to 23 for the Northern B.C. intermediate championship. The Colts played a second game on Monday with a fresh Anyox all-star team also losing that by 34 to 22.

After the games on Monday evening, the local boys were the guests of honor at a party given by Mr. and Mrs. Chapman. They sailed for home at 1 o'clock Wednesday morning and reached here at 4 p.m. The trip north took from 8 Sunday morning to 8 that night. Rough weather was experienced both ways particularly at the mouth of the Naas River.

Those making the trip were Bob Frizzell, skipper of the Laura F., Douglas Frizzell, W. Wrathall, George Shenton, Don Graham, Eddie McLean, Y. Katsuyama, Arthur Phillips, Ralph Smith and Johnnie Sims.

**Air Out of Bubble**

However, this is not the first charge of the kind that has been made. Always there is a cry of "dirty work" when the air goes out of a speculative bubble, and it is significant that there is never any complaint when the price is going up, even though that would seem to be just as much a part of the manipulation as the decline. If something can be done to even out these speculative waves it will be a good thing for both producers and consumers, but we have a feeling that so long as people who know little or nothing about the grain business feel that they can out-guess the professional element as to future values just so long will they continue to lose their money as they did in this case. As to the actual market value of the wheat itself, who is to rule whether it is one dollar or two dollars? Only buyers and sellers can strike that basis.

## WALKED THE FLOOR FOR HOURS NERVES WERE SO BAD

Wherever there are people who are troubled with deranged nerves they will find in Milburn's Heart and Nerve Pills a remedy that will restore the equilibrium of these deranged centres and bring back the shattered nervous system to a perfect condition.

Mrs. W. W. Aulhouse, Woodrout, Ont., writes: "After having a severe attack of bronchitis I was left in a very weak, run-down condition; my nerves were all broken up; could not sleep at night, and would have to get out of bed and walk the floor for hours."

"After using a box of

## FRECKLES

Sun and Wind Bring Out Ugly Spots. How to Remove Easily

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable concern that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of Othine—double strength—from any drug or department store and in a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength Othine as this strength is sold under guarantee of money back if it fails to remove your freckles.

At all drug or department stores or by mail, Othine, P.O. Box 2616, Montreal, Canada.

# "So This Is Marriage"

The story of a much married man and his wife who was not so much married. A photo-play depicting marriage, ancient and modern—King David and Bathsheba of Biblical fame and Peter and Beth of New York fame. The life of a modern jazz-crazed wife and her husband whose manners dated back to the old-fashioned time-step. She believed in living within his means even if he had to borrow the money for her to do it, but she learned that it is unwise to change husbands when crossing the street.
