Sim Rudabaugh, once an outlaw, now state treas- urer, foresees what will happen when a cattle market is opened and he schemes to buy all the land and cattle possible to be	e o'clock in the morning, Mr. John- son stated. Breakfast was served every morning at seven o'clock and in many cases numbers of the party had breakfasted before this hour in order to miss noth- ing of the territory through	WHEN TEACHER "Kept you in"
DAILY EDITION Thursday, July 9, 1925. Should Develop Suburban Country. The development of the suburban country contiguous to Prince Rupert is one of the important matters in connection	 ready for the boom. One of the ranches he particularly wants is Taisie's. The morning the big drive starts a trunk of land scrip, representing the entire Lockhart presenting the entire Lockhart in McMasters' Curse to beat the band. PLAYING with fire is just as risky today as it ever was. I GOT England on the radio, And China on my head; And now I keep away from wife 	which they were passing. Drives over 150 miles were made on several days, so that a thorough inspection of the coun- try could be made. The mem- bers of the party are leaving for their homes tonight.	Remember when you were a little girl and how you felt when teacher kept you in "after school" on a bright, spring afternoon? And isn't it the same when washing keeps you in the house now that spring is here?
with the building up of a city here. While everyone who know the country at all is aware that conditions on the coast are diffi- cult to deal with and that it takes time to bring the land unde cultivation, yet it can be done and is already being done in a way. There are small settlements at Smith Island, at Lewi Island and at several parts of Porcher Island and gradually these will be extended and increased in number until there is a thriv	s wagon. It had been stolen from - her room the night before. All r indications point to McMasters a as the thief and he leaves the s outfit in disgrace. e The caravan starts and Ruda- haugh sets out to prevent them I KNOW a fisherman,	MUSEUM COLLECTION	Our Family Washing Service will do your washing thoroughly and iron all your flat work, with complete sat- isfaction. tlement distinctly more advan- should be born in mind, by those tagious to the Peace River counry in particular and the province in general. We have still a good deal to do before the end is reached. The cabinet must go into the two offers and decide between them. Then we must draw up an agreement and the necessary legislation. And also we must get the consent of the Royal bank, which holds the common stock as security. The matter will then go to the legislature." -Before House Meets Asked as to whether or not the adjourned session of the legislature will meet on August 3, the date last named provisionally, Mr. Greenfield said it will depend upon how fast these remaining details can be disposed of. The government will move at
