## TO INAUGURATE HINDENBURG TOMORROW

### JEALOUS AND DESIRING REVENGE, SEATTLE MAN KILLS WOMAN AND HIMSELF

#### German Nationalists Welcome Their Hero; Disturbance Feared

BERLIN, May 11. — Field Marshal Von Hindenburg, who will be inaugurated tomorrow as president, arrived at Berlin today from his home in Hanover. The Nationalists are planning great manifestations of welcome along the route that their hero will follow this afternoon. Fearing that there might be counter demonstrations, the police have taken elaborate precautions against disturbances including the prohibition of three monster open air demonstrations which the Communists had announced.

#### GOLD RUSH TO CASSIAR OPENS

Three Boatloads of Prospectors  
With Freight Leave Wrangell for Telegraph Creek

WRANGELL, May 11. — The breaking up of the ice on the Klone river and the consequent opening of water travel was the signal for an exodus of a large number of gold seekers who gathered here on their way to the newly discovered fields of northwestern B.C.

Three boatloads of prospectors, the first to leave, started for Telegraph Creek on Saturday with more than 150 tons of freight, including tractors, trucks, horses, etc. They will travel from Telegraph Creek by route to Dense Lake which is within a few miles of the new gold territory of the Cassiar. Nearly all who left on Saturday were experienced soundblows.

#### ARE WEDDED AT STEWART

#### OBJECTIVE IS NOW IN SIGHT

Money for Children's Ward Will All be Raised in a Few Days, it is Hoped

The appeal for subscriptions in connection with the project of putting in a children's ward at the Prince Rupert General Hospital is still meeting with hearty response. Subscriptions received over the week-end put the total well over the \$500 mark and the lag day on Saturday, when its proceeds are added, will mean that only a few hundred more dollars will be needed. A day or so should see the objective achieved.

#### MEMBERS TO PROTEST AGAINST CLOSING OF PORTS TO AMERICANS

OTTAWA, May 11. — British Columbia coast members, headed by A. W. Neill, of Comox, are raising strong opposition here to the proposed closing of B.C. ports to American halibut fishermen. Mr. Neill will interview Mr. Arthur Cardin, minister of marine and fisheries, on the subject immediately. The closing of B.C. ports, Mr. Neill declares, could prevent American fishermen from buying their herring bait in Canadian cities and thus destroy an important industry.

#### Town of Mayo Is Practically Wiped Out by Fire; No Lives Lost Though People Collapse

EDMONTON, May 11.—Information received by radio says that the town of Mayo on Stewart River in the Yukon Territory, was practically burned out by a fire which commenced Saturday night and continued unabated on Sunday. Tractors of the Treadwell Mining Co. were brought into use to tear down cabins and buildings and keep them away from the flames.

Reports say there was no loss of life but that several persons were overcome by smoke fumes. Among the buildings destroyed were those of Arthur Letourneau, one of the largest in town, and Binet Bros. Hotel, Chateau Mayo.

#### NEW ZEALAND PREMIER DIES

Mr. Massey Dies at Age of 69 After Lingering Illness

WELLINGTON, N.Z., May 11.—Premier Massey of New Zealand died on Sunday after a long illness which a few days ago it was realized would be his last.

The late premier was the last of the war time premiers and he became head of the Dominion in 1912. He was a fervent Imperialist and, in the years immediately after the war, took an active part in Imperial councils.

He was born near Londonderry 69 years ago and passed through Canada last in 1923 en route to London. He emigrated to New Zealand at the age of 14 and followed the occupation of a farmer.

#### One Life Lost and Two Injured When Vancouver Power Boat Destroyed by Gasoline Blow-up

VANCOUVER, May 11.—Harry Rayner was killed, and James Armstrong, deckhand, and Joe Lee, Chinese Cook, are in hospital suffering from serious burns, as a result of two explosions followed by a fire aboard the motor launch Trucilla on Saturday afternoon while the craft was taking on gasoline at the Shell Oil Co.'s plant at Barnet. The launch was completely destroyed.

Rayner, who led a hose squad into the blazing hold following the first explosion of a gasoline drum, was blown up through the hatch and into the waters of the inlet when the second drum exploded. The body was swept away by the rushing tide.

#### Double Tragedy Occurs in Regent Hotel Room; Witnesses Being Held

VANCOUVER, May 11.—Believed to have been crazed by jealousy and a desire for revenge, Andrew Neilson of Seattle shot to death Mrs. Olive Wick, also of Seattle, in a room of the hotel Regent here last night. He then turned the revolver on himself and sent a bullet through his heart. Both the woman and Neilson were dead when the police arrived on the scene.

The police are holding in custody J. F. Loughren of Seattle in whose company Mrs. Wick was when she was found by Neilson. They had come from Seattle on Saturday along with another woman who occupied an adjoining room and who is also held by the police. She is Mrs. Mabel Myers of Seattle.

Mrs. Loughren is also here. According to the police, she accompanied Neilson to the hotel and confronted her husband who, when Neilson began to shoot, rushed into the corridor pushing his wife with him to safety.

#### WAR CROSS IS UNVEILED

Impressive Event Took Place Last Night in Anglican Church—Regimental Parade

An impressive event important in the activities of local ex-servicemen took place last night when the Vimy Ridge memorial cross presented to the First Battalion, North B.C. Regiment, by the Imperial War Graves Commission was unveiled and dedicated in St. Andrew's Anglican church. The church was crowded.

To participate in the ceremony, officers, non-commissioned officers and men of the First North B.C. Regiment under the officer commanding, Col. J. W. Nicholls, and led by the regimental band of twenty pieces under Bandmaster Wilson, paraded from the armory to the church. The regiment presented a very smart appearance as it marched along the streets and the performance of the band was indeed creditable. The parade was joined by about thirty members of the Great War Veterans' Association in civilian attire.

In the course of the service at the church the memorial cross was unveiled of its Union Jack frappe by Regimental Sergeant-Major William Brown. The "Last Post" was sounded by Sergeant William Rance. Archdeacon G. A. Rix offered dedicatory prayer and delivered an impressive sermon imbued with the solemnity and significance of the occasion. There was appropriate music by the choir, including a special anthem, and Bandmaster Wilson rendered a cornet solo.

After the service, the members of the regiment paraded back to the armory where they were dismissed.

The cross unveiled is one of two presented to the local regiment. At the request of many members of the old 102nd Battalion who are now stationed in Vancouver, the second cross is being forwarded to that city.

#### SASKATCHEWAN ELECTION WILL BE ON JUNE 2

SASKATOON, May 11.—Premier Dunning has announced that a provincial general election will take place on June 2 in Saskatchewan.

#### NEW OWNERS SWANSON BAY

Either Canadian Robert Dollar or Pacific Mills to Get Plant—Present Lessees Moving

It is understood that either the Canadian Robert Dollar Co. or the Pacific Mills will be the successful bidders for the pulp and lumber mill at Swanson Bay which was recently offered at judicial sale by the receivers of the Whalen Pulp & Paper Co. Whichever concern acquires the plant will operate it, it is expected.

The Southern Alberta Lumber Co., which has been operating the Swanson Bay mill under lease for the past several months, will remove its operations to Queen Charlotte City in about ten days' time. The Queen Charlotte City mill was bought recently on behalf of the Southern Alberta Co. by Ewart & Sereth. The last steamer to load lumber at Swanson Bay for the Southern Alberta Co. is due there on Tuesday. The cargo will go to the Atlantic seaboard.

#### ESQUIMALT HAS ANOTHER FIRE

Cadet Instruction Hall is Burned and Damage Amounts to \$50,000

VICTORIA, May 11. — Fifty thousand dollars' damage was caused by a fire on Saturday in the cadet instruction hall in Esquimalt. Most of the loss was due to destruction of equipment. The fire, which is believed to have been of an incendiary origin, is being investigated.

#### POLICE MIX WITH MOB OF NATIVES

One Killed and 100 Are Arrested in Johannesburg, South Africa

JOHANNESBURG, May 11. — One native was killed today and 100 were arrested as the outcome of an attack upon six native detectives who were engaged in making a liquor raid. Seven hundred natives participated in the attack and the situation of the detectives became so serious that European policemen who were with them used revolvers against the mob.

F. M. Crosby was a passenger for Vancouver on last night's boat. He plans a prospecting trip of several months down the coast in the near future.

Prince Rupert As An Air Base.

Prince Rupert is bound to be a point of importance in the development of air transportation in Canada.

Prince Rupert is also made the summer headquarters for the federal fisheries' department's airplane patrol.

If present plans for transpacific airplane service are carried through, Prince Rupert must be a point of call for refueling and refitting.

In view of these developments, Prince Rupert will have to be equipped as an air port.

Great Future For Aviation.

The world is moving into the air. With the development of the great hinterland, especially the mining fields, north and east of Prince Rupert, still largely a matter of the future, aviation may play a much more important role in that development than the most of people realize.

Aviation in the future will probably be the means of transportation to new fields not served with boats or railways.

Aviation not only has its civil possibilities but it is predicted that it will be the biggest factor in future national protection.

Unlimited Field For Imagination.

Aviation today offers itself to flights of the imagination. However, it is not all imagination.

It has been said that necessity is the mother of invention. Then if that is so, imagination is the father and, perhaps, the dominating force.

"COMING THROUGH" TONIGHT'S PICTURE

Tom Meighan and Star in Fine Paramount Production

Mines and mining camps make the background of Thomas Meighan's latest picture, "Coming Through," adapted from Jack Belthea's novel, "Red Rock."

The picture, which opens tonight at the Westholme Theatre, brings the star to the screen in the role of Tom Blackford, employed in the offices of a big steel corporation.

Blackford gets the chance he has been longing for, but loses the love and respect of his bride while the father, to "even things up" assigns him to the company's toughest camp just outside of Birmingham, Ala.

The home office at Pittsburgh places his production schedule at an unjustly high figure and despite the fact that he knows everyone to be against him, Tom buckles up and determines to "come through."

Through sheer power of will he overcomes every obstacle, fights an unruly mob of miners and their villainous leader, in particular, and wins the love of his estranged bride.

Lila Lee, herself most popular, plays opposite Tom as Alice Rand. Wallace Beery is the treacherous miner, Joe Lawler, who makes several attempts on Blackford's life.

GREAT AIR BATTLE IS CLIMAX TO FILM

Mining Company Demands Unconditional Release When Actors Risk Lives

An agreement releasing the Hecla Mining Company of Wallace, Idaho, from all liability had to be signed by every member of the company before they could use the aerial tramway in the Idaho mines.

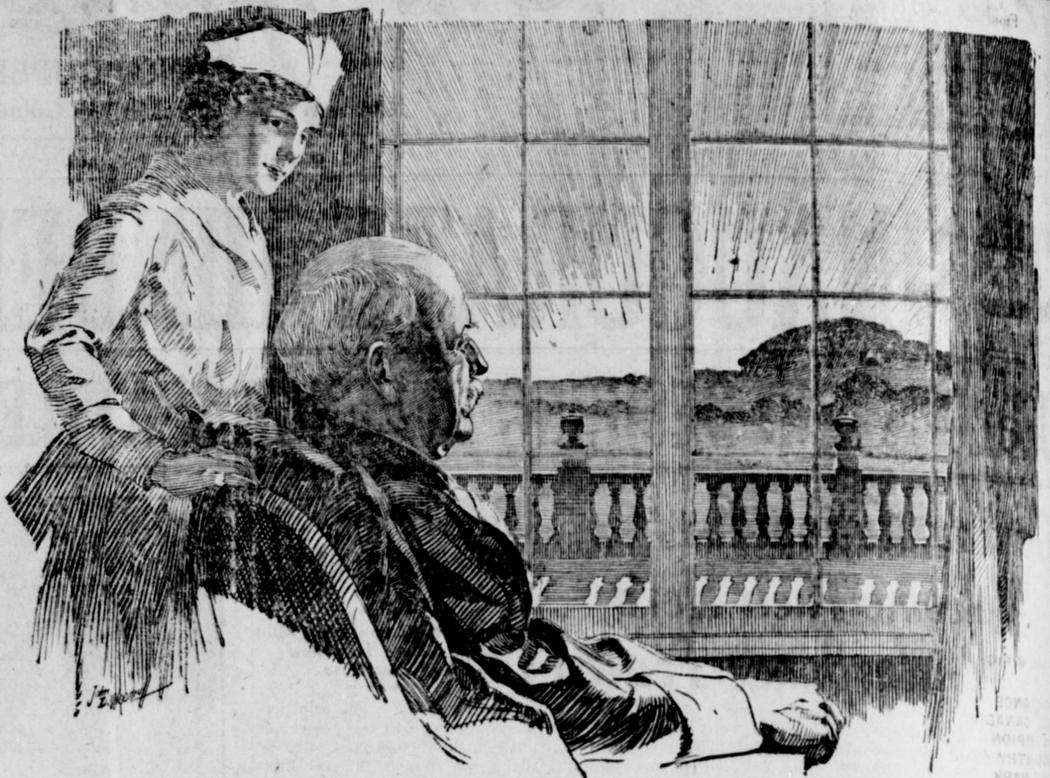

The "punch" of the story is built around a hand-to-hand battle between Eugene O'Brien and Mitchell Lewis in an ore bucket traveling on a cable over a 300-foot gorge.

It was risky business for everyone concerned. The film people, accustomed to dangerous work in bringing thrills to the screen, thought nothing of it, but officials of the mining company whose property was being used, viewed the situation differently.

# SATURDAY'S TAG GREAT SUCCESS

### Children's Ward Fund Swelled by \$500 as Result of Ladies' Auxiliary

The children's ward campaign was given a great boost as a result of the tag day held on Saturday by the Ladies' Auxiliary of the Prince Rupert General Hospital. The splendid efforts of the ladies and their assistants were rewarded with a fine response and the sum of \$503.70 was realized. This is clear of expenses which amounted to \$41.10.

A little girl named Ruth Lane, who had saved a \$1.00 in nickels and dimes, came into the but and emptied her purse as her donation to the fund.

In the boxes were found checks as follows: Dr. C. A. Egert, \$25; A. C. Clothier, \$20; Sid Thomson \$5; Frank Dibb \$10.00.

A baby doll, which was donated by Mrs. Hilditch, will be raffled by the Auxiliary for the fund.

The pins and tape for the tagging were donated by Jabour Bros.

Afternoon tea was served to the taggers. This was in charge of Mrs. Fred Pyle.

Further assistants at tagging were Miss Annie Feoch, Miss Jean Smith, Miss Irene Mitchell, Miss Hilda Murray, Miss Hisae Hirano, Miss Bessie Derry, Miss Kanaka Yamanaoka, Miss Nelda Hilditch, Miss Lois McRae, Miss Carleen Candow, Miss Daniella Christiansen, Miss Edna Unger, Miss Verna Brochu, Miss Edith Thompson, Miss Alberta Richmond, Miss Louise Zarelli, Miss Emy Zarelli, Miss Joan West, Miss Brenda Allen, Miss Joyce Collison, Miss Stella Nickerson, Mrs. A. D. Plant, Miss Eileen Green, Miss Lorraine Grant, and Miss R. Anderson.

# TORONTO MINISTERS HEARD LAST EVENING

### Rev. Dr. S. W. Fallis and Rev. S. W. Dean Preached at Methodist Church — Mothers' Day

Mothers' Day was fittingly observed in the Methodist Church yesterday.

In the morning the Canadian Girls in Training took charge of the special Mothers' Service. Miss Isabel Haddock conducted the service, and special addresses were given by Miss E. M. Earl and Mrs. A. D. Plant. The musical part of the program was rendered by the girls under the supervision of A. J. Lancaster, choir leader.

In the afternoon session of the Sunday School, Robert McKibbin acted as superintendent, in the absence of Earl Barrie. Bruce Stevens sang a solo and Miss Hartin told a Mothers' Day story.

At the evening service Rev. S. W. Fallis, D.D., of Toronto, Book Steward of the Methodist Church, preached. Rev. S. W. Dean, general secretary of the board of finance, assisted. T. J. Shelton conducted the service. Rev. Fallis and Mr. Dean sailed last evening for Victoria to attend the Methodist Conference, having arrived by train in the afternoon from the East.

# JAPANESE CLERGYMAN IS VISITOR IN CITY

### Rev. Paul Hirose of Nagoya is Accompanying Rev. F. Cassillis-Kennedy on Trip Here

Rev. F. Cassillis-Kennedy, superintendent of Anglican Japanese missions in British Columbia, arrived from Vancouver on Saturday and is the guest of Mrs. F. H. Du Vernet, Fourth Avenue East. He was accompanied here by Rev. Paul Hirose who will be remaining in Prince Rupert for a few weeks.

Mr. Hirose is priest in charge of St. Andrew's Church, Nagoya, Japan. He completed one year of post-graduate work at the Anglican Theological College in Vancouver and is going to Toronto in September for further study after which he will return to Japan to continue his work under Bishop Hamilton. Mr. Hirose's early home was in the province of Shinshu, Japan, where Mr. Cassillis-Kennedy lived for twenty years.

### Obtains Trackage Between Grand Forks and Princeton for Concentrate Haul

GRAND FORKS, May 11—Consummation of negotiations whereby the Canadian Pacific Railway will take over that portion of the Great Northern line between Grand Forks and Princeton has been reached, according to B. Langtry, assistant superintendent of the Great Northern for this division.

The deal was reported as pending some weeks ago when H. McLeod, of Winnipeg, assistant chief engineer of the Canadian Pacific, made an inspection of the line. A considerable portion of the line runs across the international boundary line, linking Curlew, Republic, Molson and Oroville, Washington, but the rail distance between Grand Forks and Princeton is fifty-seven miles shorter than the Canadian Pacific and Kettle Valley route and the grades are said to be much easier. The line

# SALT LAKE IS IN BAD SHAPE

### Something Must be Done Immediately if Swimming is to Enjoyed this Year

The dilapidated condition of the facilities at the Salt Lake was noted yesterday by early season swimmers who, attracted by the sunny weather, crossed the barbor for a dip.

Jack Boddie, president of the Prince Rupert Swimming Club, reports that, if the place is to be ready for this summer vacation, something must be done immediately. Unless the annual meeting of the club is held very soon and there is a good attendance, it will not be possible to use the popular bathing place to advantage this year. There is no float, the sidewalks are broken down, the ladies' dressing room is in very bad shape and there is other work that will have to be done. If the club is successfully reorganized, it may be possible to induce the government to do something.

# TENNIS TOURNAMENT STAGED YESTERDAY

### C. F. Joslin and Peter Black Jr. Emerged Winners From Thirteen Teams

The Acropolis Hill tennis courts were the scene of an impromptu American tournament yesterday afternoon in which thirteen teams in two groups fought for mastery. C. F. Joslin and Peter Black Jr. were successful in the first group and Fred Henning and S. K. Campbell were victors in the second group. In the playoff, Joslin and Black won the sets thus making them the winners in the series.

Mr. and Mrs. F. E. Halls of Winnipeg, accompanied by Mr. Halls, Jr., are registered at the Hotel Prince Rupert. Mr. Halls is associated with the Winnipeg contracting firm of Carter-Halls, which has in mind tendering on the superstructure of the local elevator. He is here gathering data for his firm.

# Sport Chat

Football fans are looking forward to a spirited contest tomorrow night when the Sons of England and Callies meet for the first time this season in the Stuart Shield football series. Both teams showed up well last week in games with the Great War Veterans and the supporters of either side are confident. The line-ups will be as follows:

Sons of England—D. Frizzell; Lambie and R. How; Tinker, Bales, Hodgkinson; Cameron, Hanson, Johnson, Dickens and Farquhar.

Callies — W. Hamilton; H. Hamilton and J. Harris; J. Sims, S. Currie and R. Woods; Alex. Mitchell, R. McDougall, D. Scott, W. Mitchell and J. Andrews. Spares: J. Hamilton and R. Sinclair. G. S. Russell will referee.

A meeting of the members of the Prince George Tennis Club was held last week for the purpose of electing officers for the ensuing year. Henry Wilson is again honorary president; J. O. Wilson, president; F. Fenlon, vice-president; Claud Foot, secretary-treasurer; and N. P. Woodward and Miss Renwick, members of the executive. There are indications there will be more people playing the game this summer in Prince George than ever before, and with the completion of the Quesnel highway, tournaments will doubtless be arranged there with Quesnel as well as with Vanderhoof.

No wonder the baseball magnates are getting a bit worried about the large number of home runs that are being batted out this season. With "Babe" Ruth still sick, after about two weeks of play, the home run total for both the Major Leagues was 92, as compared with 55 in 1924 and 54 in 1923. Of this year's total, the National League can claim 37 and the American League 55. Leo Hartnett, of the Chicago Cubs, is one of the leaders and knocked out six home runs in the first seven days of play. Other home run stars this season are: Myatt, of the Indians; Fournier, of the Robins; Firsh, of the Giants; O'Neill, of the Braves; Grimm, of the Cubs, and Harper, of the Phillies. Ruth's record is 59, established in 1921. The Washington Senators, last year's world champions, are

This, ladies and gentlemen, is a picture of the only Japanese typewriter in captivity. It is known as the "Hobun" typewriter. It inhabits the offices of Shanghai, Tokio and other Oriental cities; is quite harmless but somewhat difficult to control. It is more complicated than the Theory of Relativity, runs as smoothly as a tank crossing the Rockies and makes more noise than a duet by a boiler factory and a Salvation Army band.

Its function is that of typewriting the Japanese language. It was invented by an Irish mechanic named Kiota Sugimoto and was on the market in 1915. As a piece of machinery it is infinitely superior to the "typewriting Americana". The latter very seldom has more than 40 keys, the Hobun has three thousand; the Americana prints a total of 84 characters, and the Hobun nearly four thousand. Then again, anyone can operate the American variety but how many of our stenographers could run a Hobun, with its thousands of keys and hundreds of levers.

It has (as we suspected) a unique key-board arrangement. In fact, it has no key-board at all. The type is arranged face upward and serves the dual purpose of key-board and printing-type. To one side of the platen is a lever which, when depressed over the desired character, affectionately picks the character up, rubs it gently on an ink-roller and finally conveys it up to the platen on which the paper is rolled and thus, triumphantly prints the character.

NO MORE FOOLING

NOWHERE did Abraham Lincoln show his shrewdness of judgment to better effect than in that famous utterance which ended, "You can't fool all the people all the time."

In the past, there were a few misguided advertisers who thought they could sell their wares better by misrepresentation. But those advertisers have long since gone out of business or mended their ways. Hard experience taught that Lincoln was right. Untruthful advertising doesn't pay.

Other advertisers proved that the only way to advertise successfully, make regular customers and build up public good-will was to tell the absolute truth about their goods.

So, you can be sure that every consistently advertised product is good. The advertising test has proved it. The very fact that it is advertised is your best warranty of satisfaction and true quality.

The concern that tells you frankly what it is doing is a good concern with which to do business. That is why it pays to read the advertisements, to patronize advertisers, and to buy advertized merchandise.

It's mighty good business

Request That Embargo be put on American Halibut May Lead to Calling of Tariff Parley

The Vancouver Province carried the following under date of May 8 from its special correspondent at Ottawa relative to the halibut fisheries situation and the requests from Prince Rupert that an embargo be placed on the landing of American fish here:

A conference between representatives of the Canadian and United States governments seems to be the probable outcome of the difficulty that has developed on the Pacific Coast in regard to American fishermen using Canadian ports. The intimation by the marine department the other day that the government is considering the question of excluding American fishermen from using Canadian ports save for humanitarian purposes, such as shelter and repairs, has produced a considerable reaction, particularly among Pacific Coast business houses that are accustomed to supply these vessels.

It is represented that the agitation for the prohibition of the privilege in no way reflects the unanimous sentiment of the Pacific Coast interests, and the wires for a couple of days have been kept hot with protests. Some of them have asked the department to disavow the official intimation, but naturally it has refused to do so.

Suggest Tonnage Tax

Peremptory action is unlikely. There has been a suggestion that a tonnage tax of two-cents a pound be imposed on all fish landed at Canadian Pacific ports by American fishermen, but such a policy has objectionable points. It might be construed as retaliation.

What is hoped will come out of the agitation is a conference between representatives of the two governments that will lead to a modification of the American tariff against Canadian fish. Canadians naturally consider it most unfair that, while the United States tariff excludes their catch from the American market, their own ports are being used freely by their competitors as the base of their successful and profitable operations.

Tariff Board Probe

The suggestion of the conference was made some time ago and at one stage the United States practically agreed to it, but afterwards, as a preliminary it was decided to have their tariff board make an investigation of the fishing business in Canada as affecting the American market, or as carried on

yesterday afternoon—informing him that his brother had been killed in action at the front.

## MAY ESTABLISH ZIONIST CENTRE

Charles F. Caldwell Announces it Will be Located in Kootenay Lake District

VANCOUVER, May 11.—A new Zionist centre into which anyone who agrees to abide by the Ten Commandments and leave drink and tobacco alone may enter will shortly be established at the mouth of the Lardeau River in British Columbia, according to Charles F. Caldwell, general overseer and successor to Alexander Dowie, of Zion City, Ill. The proposed name of the new community is "Shiloh City."

"Shiloh City will be governed on the same lines as Zion City," said Mr. Caldwell, who has taken up the question of acquiring the land tract with the provincial government. He is looking into the prospects of marketing lumber off the land for lumber and pulpwood as he expects that timber products will be one of the principal sources of revenue for the colony.

Mr. Caldwell estimates that there is land enough embraced in his proposition for a community of 50,000 persons. The land will be sold to the settlers on long terms. The land in Zion City was sold under an arrangement that extended over one thousand years.

"Zion City is a model town, though of course, there are two opposing forces," said Mr. Caldwell. "As to the government of Zion City, there is no better. Such a city I have in mind for British Columbia, with doors standing wide open for all to enter who will obey the law of God."

In Zion City Mr. Caldwell is known as Elijah II.

## A SPOIL-SPORT

An Edinburgh boy told the teacher that his sister had measles. The teacher sent him home and told him to stay there until his sister recovered.

After he had skipped joyfully away a "spoil-sport" held up his hand and said:

"Teacher, Jimmy's sister what's got the measles is living with his aunt at Bathgate."

## TENDERS FOR GRAIN ELEVATOR AT PRINCE RUPERT, B.C.

SEALED TENDERS for the construction of a reinforced concrete grain elevator superstructure, with timber dock-galleries and warehouse, will be received at Ottawa, Ontario, until noon of Monday, May 18th, 1925.

Tenders should be sent in an opaque envelope, marked "Tenders for Grain Elevator" and addressed to Mr. F. C. T. O'Hara, Deputy Minister, Department of Trade and Commerce, Ottawa.

A lump sum for the work is desired. An accepted bank cheque for Fifty thousand dollars (\$50,000.00) made payable to the Minister of Trade and Commerce, must accompany each tender, which sum will be forfeited if the party tendering declines to enter into a contract for the work on the terms stated in the tender. The cheque of unsuccessful tenderers will be returned. The cheque of the successful tenderer will be retained as security for the due fulfillment of the contract to be entered into, or cheque may be replaced with equivalent par value in bonds of the Dominion of Canada.

Plans, specifications, and all necessary information regarding the proposed work may be obtained from C. D. Company, Consulting Engineers, Whelan Building, Port Arthur, Ontario. Deposit of two hundred dollars (\$200.00) is required for plans and specifications, deposit to be returned on return of plans and specifications in good condition.

The lowest or any tender will not necessarily be accepted.

By order,  
F. C. T. O'HARA, Deputy Minister, Department of Trade and Commerce, Ottawa, April 29th, 1925.

## TIMBER SALE X 7006.

## FIRST MOTOR TRIP FROM BURNS LAKE TO SMITHERS MADE

SMITHERS, May 11.—The first car of the season to make the trip from Burns Lake to Smithers arrived here Saturday evening driven by P. Brunell with John Yool, manager of the Royal Bank in that town as a passenger. They report the road to be in very good condition for this time of year although they had a little trouble caused by the high water in the creeks that cross the road. The hot weather of the last few days has caused the water to rise to the flooding point in the creeks and rivers and in some instances the bridges or culverts have been washed out.

## NOTICE OF CANCELLATION OF RESERVE

NOTICE IS HEREBY GIVEN that the reserve covering certain lands near the junction of Oostail and Skeena Rivers designated Lot 24, Range 5, Coast District, is cancelled.

## CASE DISMISSED.

The charge against Mabel Duvoiy of selling liquor was dismissed in the city police court this morning. There was insufficient evidence to establish the case.

R. F. McNaughton, district passenger agent for the C.N.R., sailed on the Prince Rupert last evening for Vancouver.

## DRY WEATHER IN INTERIOR

Conditions for Farming Auspicious—Forest Fire Menace is on

The continued dry weather of the past few weeks has caused the danger season for forest fires to open earlier than usual and the Forestry Service officials have had to take steps to check a couple in this vicinity already.

Ranger Sid Cooper left town a couple of days ago with a crew of ten men to cope with a fire that is burning about 11 miles from here on the south fork of Canyon Creek.

There is also a fire in the same vicinity but a few miles nearer town that has spread from the burning of the tie slash and is now giving trouble.

The weather has been ideal for the farmers, however, and the spring work is well advanced in comparison with other years. Although there has only been one good rain this spring there is considerable more moisture in the ground than at this time last year which gives a bright outlook of the timothy crop.

## ASSEMBLING AIRPLANE AT DRYDOCK FOR ITS FLIGHT INTO CASSIAR

The Vickers Viking airplane, which will be flown north from here about the end of the week to Telegraph Creek by Archibald Little, Detroit mining engineer, and his associates, is being assembled in the ship shed at the dry dock. It will take about four days, it is expected, to put the machine together and it will then be launched from the launching platform.

## OVERHAUL ON WINNER FINISHED AND SECOND BOAT IS DUE TOMORROW

C.G.M.M. freighter Canadian Winner, which was in the dry dock for the past week undergoing overhaul, was taken off the pontoons at 8 o'clock this morning and is sailing today to Vancouver to load for London and Antwerp.

The steamer Canadian Prospector is due at the dry dock tomorrow for overhaul.

## MOTHERS' DAY IN LOCAL CHURCHES

Mothers' Day was appropriately honored in the local churches yesterday. Good audiences greeted the various ministers, and music appropriate to the day was rendered.

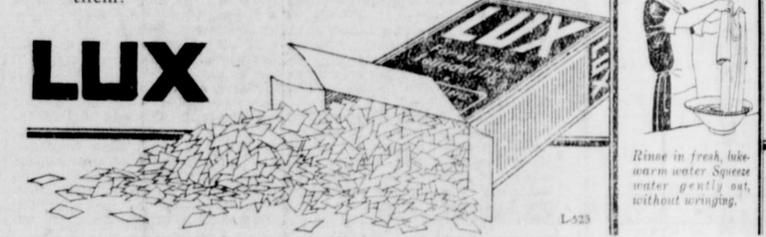

Dr. Grant in the Presbyterian Church gave a very appropriate address on the theme in the morning. Rev. E. G. Turner of the Baptist Church was assisted in his service by members of the Sunday School which combined with the church in the morning service.

## Lux for everything you wash yourself

Washing your most precious possessions with Lux is just as easy as washing your hands. The filmy Lux particles melt instantly into a rich foam of almost magic cleansing power, yet gentle to the frailest fabric.

For all dainty things that have to be washed often—as well as all valuable things that have to be washed seldom and with the greatest care—rely on Lux. Remember, it won't shrink woollens, nor will it harm a single silken thread. And Lux is just as mild on your hands as the finest toilet soap—in fact it benefits them.
