TERRIFIC TORNADO SWEEPS MIDDLE STATES

BARGE BINGAMON WAS AGAIN ADrift TODAY IN QUEEN CHARLOTTE SOUND

Thousand Killed, Many More Injured and Homeless, Huge Damage Done in Sudden Blow

The Minute Storm Flattens Heavy Schools and Business Blocks Burying Unknown Numbers

ILLINOIS STATE HARD HIT
Illinois and Indiana also Suffer with Fatal Echoes Coming from Tennessee and Kentucky

CHICAGO, Mar. 19.—Late this afternoon the estimate of dead as a result of yesterday's tornado which swept five eastern states was placed between a minimum of 708 and a maximum of 942. Between 2,500 and 3,000 are injured and from eight to ten thousand people are homeless. Millions of dollars of damage was done. Details from the various areas are coming through slowly.

The tornado struck the country in the middle of the afternoon when the schools were packed with children and stores and shops filled with employees and customers. It is believed that many further victims are to be found in the ruins in which excavation is going on feverishly.

Where the most damage was done, the storm lasted but five minutes. It flattened down heavily constructed schools and business buildings with worse results than in the lighter dwellings. Babies in the homes were killed or smothered. At many places there is millions of dollars of damage.

Wide Area of Storm
The hardest hit places were small cities in southern Illinois and West Frankfort, Murphysboro and Carbondale, near the destruction being in the coal fields. Next to Illinois, Indiana and Missouri were the worst sufferers with fatal echoes of the twister even coming from Tennessee and Kentucky.

Red Cross workers, state guardsmen, army aviation forces and railroad resources are being piled by special trains into the devastated areas.

Earlier Despatches
CHICAGO, Mar. 19.—Great destruction was caused in southern Illinois and parts of Indiana late yesterday afternoon by a tornado. Murphysboro, Ill., was badly damaged and it is estimated the casualties will run from one hundred killed and injured up to thousands.

CAIRO, Ill., Mar. 19.—A message received here from Murphysboro by the Mobile and Ohio Railroad says it is estimated that the number of dead there is from 500 to 1200. The loss to the railroad is placed at \$1,500,000.

* **SLEW SEVENTEEN** *
* **WOLVES IN DRIVE** *
* **ALBERTA PROVINCE** *

EDMONTON, Mar. 19.—Farmers of the Vilna district of Alberta, who were recently terrorized by bands of wolves, expect no further trouble from the animals as a result of a drive at the week end when seventeen of them were slain.

INVESTIGATE THE HALIBUT
Joint Meeting Endorses Movement to Study Life History of Fish

SEATTLE, Mar. 19.—As a basis for future regulation of the industry the international fisheries commission in session here decided to make a thorough scientific investigation of the halibut fishing banks in North Pacific waters. For that purpose the commission engaged W. F. Thompson, who for years has been engaged in the study of this food fish for the B.C. Fisheries commission. His investigations will be to determine to what extent, if any, intensive fishing has diminished the supply. He will seek to determine how by international regulation this sea food resource may be conserved.

Research work will be first undertaken by the commission which created the treaty between United States and Canada last fall.

The session yesterday ended a three day conference which adjourned to meet at Ottawa on May 6 to consider proposed regulations governing halibut fishing.

REPORT ON ROAD FROM STEWART TO TELEGRAPH CREEK

VANCOUVER, Mar. 19.—P. Philip, deputy minister of public works, advised the Vancouver Board of Trade that the engineer for the Altn district had been instructed to report to the department the cost and practicability of a road from Stewart to Telegraph Creek.

GRANBY MAY OPERATE ALLENBY THIS YEAR

Charles Boeking, the new manager of Granby Consolidated Mining and Smelting concern, is to take over the active control of operations on May 1. He intimated a few days ago in Vancouver that the Allenby property would probably be operated this coming summer.

NO HOPE FOR CURZON

LONDON, Mar. 19.—The condition of Lord Curzon is believed to be hopeless.

Orange shampoos have just been introduced by a London hairdresser, following the announcement of a university professor that dandruff is due to the lack of certain acids at the roots of the hair. Hence an orange a day to keep baldness away.

Five Thousand Hockey Fans Cheer Victoria as they Beat Calgary

Frederickson and Walker are Heroes of the Event, Scoring Each a Goal at Arena

VICTORIA, Mar. 19.—With every man of both teams over-anxious, all playing good hockey but not the best, with judge of play, Carl Battell, handing out seven penalties in four minutes due to over-anxiousness of the men with strained nerves, the Victoria Cougars went a step nearer the world series supremacy last night when they beat the Calgary Tigers two to nothing. The game was played at the arena here, where the very atmosphere vibrated with excitement. Every inch of the accommodation for 5,000 was overtaken.

Frederickson, elongated and handsome, the pivot of the locals scored one goal in the second period and in the third gave Walker a pass that brought the other, Frederickson, Walker and Loughlin starred for Victoria and Wilson, Oliver and Gardiner for the Tigers. Both goal keepers were in fine fettle.

The first period was so keenly fought and sharpshooters suffered so severely from nerves that no counter came, but ten minutes after the second opened the Cougars began to pepper Winkler's Citadel. Finally Frederickson flashed a stinging shot into the net, the puck skimming Gardner's leg and sizzling past the goal tender.

Fans Roared
Five thousand fans roared for the locals to hold what they had. They did not lay back but kept on the offensive, spurred on by the smell of victory. Winkler was marvellous under the ferocity of the Cougars' savage attacks, at one time stopping a swift shot with his face when on his knees. In the third period, while the

Tigers were trying desperately to equalize, Frederickson led a spectacular raid on the Tigers' den, passed to Walker and the latter slammed the rubber into the net.

With this two goal lead, and three to one on the two games played the fans en masse kept up an incessant barrage for Victoria for the last ten minutes of the game. It ended with six penalties apiece.

This victory gives Victoria the championship of Western Canada Hockey League and entitles them to meet the Montreal Canadiens, champions of the East, which they do here on Saturday, in the first game for the world's championship. The second game is to be played Monday in Vancouver.

This is the first hockey championship Victoria has won in twelve years.

Millionaires Spent Night in Rugs on Golf Links Following Burning Two Palm Beach Hotels

PALM BEACH, Mar. 19.—More than \$4,000,000 worth of property lay in ruins today as a result of a fire which swept through two hotels here, The Breakers and Palm Beach, last night. Troops are guarding thousands of dollars worth of rescued property while 23 people, mostly negroes, are in jail on charges of looting after the fire.

Rumors of casualties have so far been unverified. Millionaires spent the night upon the golf links covered with rugs and draperies torn from the floors and walls of the burning hotels.

Concerted Action in Favor Western Outlet Peace River District

Premier Oliver Calls Meeting and is Backed Up by Prince Rupert Board of Trade

There is a definite movement afoot to take concerted action in favor of a western outlet for the Peace River country through British Columbia as opposed to a route by way of Brule or Obed. On receipt of information last night that such a movement was under way at Victoria the Board of Trade last night wired Premier Oliver supporting it on behalf of Prince Rupert. The telegram telling of the movement follows:

VICTORIA, Mar. 19.—A delegation of six members of the legislature today urged upon Premier Oliver and the Cabinet the importance of taking immediate action to oppose construction of the Peace River railway east of the Rockies, claiming that the route would divert traffic away from British Columbia. A special meeting is being called by the Premier to decide on a course of action.

Prince Rupert's Wire
The telegram sent from here backing the movement follows: "Hon. John Oliver, "Victoria, B.C.

"We desire to express our entire support and endorsement of concerted action being taken in favor of a western outlet from Peace River country. It is of national interest that this railway will also serve the vast interior of our province and we urge that strongest possible representations be made."

BIRTH
A son was born to Mr. and Mrs. Bert Hanson, 942 Hays Cove Avenue, yesterday morning.

General Manager of Railway Meets Committees of Board of Trade and Discusses Plans

Two committees of the Board of Trade and the joint committee on the Peace River route met A. E. Warren, general manager of the C.N.R. western region, last evening and talked over with him the train service, the desirability of improving the lumber assembly dock and the Peace River route.

In connection with the train service, Mr. Warren said they had this year arranged for a direct through service, better than the city had had for many years. This would commence in May. In the meantime the railway company would take care of the fish, no matter whether the quantity were large or small, and President Nickerson, on behalf of the Board expressed the opinion that this met the requirements.

Lumber Dock
W. E. Williams then introduced the question of improvement of the lumber assembly dock. He said what was needed was a place where the lumber could be picked up by the ship's slings to save the double handling charges. The lumber they shipped from here was low grade and had to be handled on a close margin. They were trying to get into the export market again after a long dull time and they had to know exactly what price to quote. It was understood the Prince Rupert mill would handle their lumber on barges or rafts and it would be loaded from the opposite side of the ships.

Further discussion followed and Mr. Warren stated that he would take the matter up with the officials and inquire into it. (continued on page four)

CHANGES FOR PENITENTIARY

New Plan Proposed by Lady Member and Supported by all Parties

OTTAWA, Mar. 19.—Sufficient productive work to keep the inmates employed and that a share of the proceeds go to provide for dependants and in case of there being no dependants that the share be held in trust until the prisoner's release was the substance of a proposal made in the House of Commons by Miss Agnes McPhail in connection with changes in the administration of penitentiaries.

The proposal received the endorsement of the Minister of Justice; Sir Henry Drayton, acting leader of the Conservatives, and Robert Forke, the Progressive chief and others. A vote was not reached.

NO HOPE FOR ENTOMBED MEN

Fire in Wrecked Mine at Fairmont Hamors Work of Rescue

FAIRMONT, West Virginia, Mar. 19.—Fire in the wrecked works of Mine 41 of the Bethlehem Mine Corporation today continued to hamper the rescue work of the crews and all hope for the men below is virtually abandoned. The number entombed was 34.

TOKIO FIRE TOLL

TOKIO, Mar. 19.—Ten thousand are homeless, 300 are injured, 20 are missing, and 2,000 homes are destroyed as a result of the conflagration which swept northeastern Tokio on Wednesday night.

Log Carrying Vessel Broke Away from Tug This Morning and was Later Picked Up Safely

Wireless reports received at Digby Island station this morning stated that the big log carrying barge Bingamon, some vessel that had a narrow escape in Hecate Straits last year on her maiden trip, had broken adrift from the tug Hopkins Bros. and at 11 a.m. was 14 miles west of Pine Island in Queen Charlotte Sound drifting towards Fitzhugh Sound. With strong southwest wind blowing, the Hopkins Bros. was endeavoring to pick her up. The Bingamon, aboard which is a crew of four men, had left Smith's Inlet with a million feet of cedar logs aboard. The vessel is now equipped with wireless so is at least able to keep in touch with shore.

It was last January 9 when the Bingamon broke adrift from the tug Massett near Tripple Island and miraculously escaped from being wrecked when a lucky throw of the anchor held her off Baron Island near the Dundas group.

Late word received at the wireless station this afternoon was to the effect that the Bingamon had got a line aboard the tug and was proceeding to Safety Cove.

COMMAND BISLEY TEAM
OTTAWA, Mar. 19.—Col. D. H. Street of Ottawa has been appointed to command the Canadian 1925 Bisley Rifle team.

NO FISH SALE TODAY
There being no train out today was on fish sale. The two in port with their catches adrift are the Resolute 55, and Atlas 38,000.

Railway Manager Optimistic For Rupert.

General Manager Warren, who was here yesterday, was optimistic over the future prospects of Prince Rupert. He explained that there were many things which could not be published as to do so would injure those prospects. He was confident, however, that there would be important developments here before very long. He strongly urged the necessity of going after what we wanted in a business-like way and leaving no stone unturned in efforts to secure business for the city.

Mr. Warren left the impression that the railway company realized the importance of making this section of railway pay and to do this it was necessary to develop industries and increase the population. It was particularly in connection with this development of industries that he was interested. He said that he had gone out of his way a great deal to advance the interests of this place and he was very hopeful that results would be obtained.

The whole tone of Mr. Warren's visit indicated that there was no need to feel anything but optimistic over the future of this port.

Sympathize With Burns Lake People.

Prince Rupert citizens will regret the loss entailed by the people of Burns Lake through the fire yesterday. A large part of the town was wiped out and irreparable losses were sustained. However, the people of the live interior town are not to be cast down by a little thing like a fire. They will rebuild their town and carry on even more effectively in the future than in the past. Anyone who knows the people there will agree that nothing can hold Burns Lake back. The success of a town depends on the people and they have the people of the right kind there.

Tokio Has Had Run Of Misfortune.

Tokio has had a run of misfortune. The earthquake and fire two years ago hit them hard and this has been followed by a series of minor misfortunes. Now comes word of a terrible fire which has wiped out a large part of the city. Even the enthusiasm of the little brown men must be affected by such continued setbacks. Our sympathy goes out to them in their misfortunes.

Marquis Curzon As National Figure.

Lord Curzon is a national figure. Many people do not agree with his political views or methods, but in spite of that he stands out as one of the big men of the Empire and one we can ill afford to lose. For many years he has been one of the leaders of a school of politics not looked upon with general favor among the working people of that country or this. However, he has always had the courage of his convictions and has held the confidence of a large part of the British people both in Britain and in the Dominions.

McRae Action Not Political Ruse.

Many people seemed to think at election time that the action against General McRae for libel was a political ruse and would not be allowed to proceed. Apparently this was a mistaken idea. The case is proceeding and a statement of claim has been filed. Hon. William Sloan is to be congratulated on trying to make good his threats. The outcome will be watched with interest.

"Eczema on My Face Completely Relieved"

Miss Winifred Ernest, Box 46, Blockhouse, N. S., writes:

"Ever since I was a little child, I suffered with eczema on my face. At times my face was completely covered with large sores, and I tried nearly every kind of medicine that I heard of with no results. This lasted for over twenty years, until one day I asked the advice of my druggist, who bade me give Dr. Chase's Ointment a trial. After using the Ointment for a few days, the sores began to heal, and soon I was completely relieved of the disease."

HOSPITAL GETS CONSIDERATION

Matters of Routine Nature Discussed by Board at Meeting Last Night

The regular monthly meeting of the board of managers of the Prince Rupert General Hospital was held last night in the city police court. Those present were President S. K. Campbell, Vice-President J. H. Thompson, Secretary Harry W. Birch and Directors J. L. Christie, H. H. Little, C. H. Elkins, Norman Watt, Leo Waugh, Dr. H. E. Tremayne, Mrs. R. C. Parsons, Ald. Brown and Ald. McKechnie. It was the first meeting for Mr. Watt and Mr. Waugh, the provincial government representatives, and they were duly welcomed by President S. K. Campbell.

The meeting received a letter from the Stewart General Hospital acknowledging information forwarded regarding the operation of the hospital. This was ordered filed.

A letter from the provincial secretary recommending that certain changes be made in the bylaws of the local hospital was read. The executive committee was delegated to go into the matter of revising the bylaws which were drafted in 1914.

The matron's report acknowledged the receipt of a bed, mattress and bed stand from the Restmore Manufacturing Co. Three applications had been received for admission to the training school, all of them being considered favorably.

Water Pressure
The house committee reported that water pressure at the hospital had been found inadequate. The matter had been taken up with the fire chief and was now receiving the attention of the city.

On recommendation of the house committee, it was decided to install swinging doors in the emergency ward which was put out of commission through the recent building of new fire escapes. Tenders will be called for the putting in of the doors.

A donation of five pairs of crutches by the Royal Hotel was acknowledged with a vote of thanks.

A recommendation from the house committee that the old and worn out water tank be replaced with two smaller tank boilers was adopted and tenders will be called for the work which, it is estimated, will cost about \$300.

There were communications from the National Protective Agency with regard to the collection of certain outstanding accounts.

Financial Matters
Regarding the year's finances, J. L. Christie, chairman of the finance committee, reported that there had been a meeting with the city finance committee at which the co-operation of the city was assured although it was asked that the hospital practice economy wherever possible.

President Campbell reported that the matter of having some ten incurable patients taken off the hands of the hospital had been taken up with the city. Steps were being taken with a view to having them admitted to the proper institutions.

PREMIERS' AID SAVE FORESTS

One Night to be Given to Speech in Each Province on This Important Subject

MONTREAL, Mar. 19.—Right Hon. W. L. Mackenzie-King, premier of Canada, and the provincial premiers have agreed to aid in the dissemination of information and advice regarding Canada's "Save the Forest Week," which has been set for April 19th to April 25th inclusive. The Canadian Forestry Association, the Dominion Forestry Branch, the Department of Forest Protection of the Canadian National Railways and the Radio Department of Canadian National Railways are co-operating in this work and in this connection the radio department has made arrangements to reserve one night at each broadcasting station for the special purposes of permitting a premier to speak to the people through

the medium of the microphone.

The Prime Minister of Canada will speak at CNRO Canadian National Railways broadcasting centre at Ottawa on the night of Monday, April 20. On the same night Premier Veniot of New Brunswick will be at Moncton and will speak from CNRA, the Canadian National Railways broadcasting centre for the Maritime provinces. Premier Ferguson of Ontario has agreed to speak from Toronto on the night of Friday, April 24. It is anticipated that the other premiers will consent to aid in this good work and the following dates and broadcasting stations have been reserved for the purpose: April 23, CNRM Montreal, Premier Taschereau; April 23, Winnipeg, Premier Bracken; April 24, Regina, Premier Dunning; April 23, Edmonton, Premier Greenfield.

All the premiers will send out brief addresses on the subject of forest preservation and this general broadcasting on the one subject should bring the forests of Canada very clearly to the minds of a very large portion of the population of the Dominion.

The Man in the Moon SAYS:

IN Los Angeles they sell their climate, and now and then they sell a nip of bootleg.

PARALYSIS of the right arm is a good thing to get when asked to endorse a note for a friend.

WHAT I want to see is the expenditures of the country kept down to a point where it hurts. Of course, this constituency is in an exceptional position and there is need of money being spent here.

BRITAIN must not confer titles in this country, but you ought to hear some of the titles these Canadians give each other.

IN answer to any people who have been grumbling about the weather, I should like to state that Prince Rupert can do even better than this on occasion.

PEOPLE talk about the boomerang as if it were something to be avoided. If money were only a boomerang it would come right back after it was spent.

HUSBANDS are fond of making excuses. Also some of them are excuses.

MANY a man has been saved from destruction by being refused by a pretty girl.

WATER NOTICE.

USE AND STORAGE
TAKE NOTICE that the Canadian Lumber Yard, Limited, whose address is 312 Standard Bank Bldg., Vancouver, B.C., will apply for a license to take and use water from the stream at a point about 200 feet west of and to store 200,000 acre feet of water out of the stream known as An River, which flows southerly and drains into Massett Inlet, through Indian Reserve No. 6. The storage-dam will be located at or near the outlet of An Lake. The capacity of the reservoir to be created is about 750,000 acre-feet, and it will flood about 3,800 acres of land. The water will be diverted from the stream at a point about the location of the storage-dam, namely, the outlet of An Lake, and will be used for power and industrial purposes upon the land described as Lot 442 or on Lot 444. This notice was posted on the ground on the 27th day of February, 1925. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Prince Rupert. Objections to the application may be filed with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is March 2, 1925.

Northern B.C. mining properties generally are described in a special mining supplement to last week's Vancouver Sunday Sun. There are numerous titles mentioned including Super, Inlet Premier, Stewart and Anyox.

J. L. Blain, contractor, has taken over B. H. Shockey's stock of double dressed lumber, sash and doors. Also the agency for J. Fyfe Smith Ltd's hardware. For band-sawing and planing, jobbing and repairing phone Blue 268.

Major and Mrs. Reginald L. Gale, who were recently married in Saanich, arrived in the city on the Prince George yesterday afternoon and proceeded by train to Smithers where they will make their home. They spent their honeymoon in California.

Capt. J. B. Gillall of Sandspit had a letter before the hospital board last night expressing appreciation of service and courtesy extended him by Miss McCaul and her staff while he was a patient in the hospital recently. The letter was ordered filed.

The hospital board is planning to proceed with the putting in of a children's ward at the hospital. The plan is to have the children's ward established in the part of the building now used for a case room. The latter department would be moved to the third floor. The cost of the change would be about \$1,500, against which Bill 60 Chapter, I.O.D.E. has \$500 already raised. The finance committee of the hospital has been requested to report on the project which is considered a necessary improvement.

ANNOUNCEMENTS

Knights of Pythias whist drive and dance, March 23.

Musical evening in Baptist Church, March 26, to 8 p.m.

Catholic Spring Sale, afternoon of April 20, Metropolitan Hall followed by social evening.

Weekly Cinderella Dance, Saturday night, Elks' Home, 50c.

With this new soap just

Dissolve

The thick soap-suds solution—a wonderful even soapiness—goes all through your clothes loosening even ground-in dirt.

Use enough

Always use enough Rinso to get lasting suds that stand up after the clothes are in. The secret of Rinso's wonderful cleansing power lies in these firm, rich suds.

Soak

Rinso suds soak dirt out gently and thoroughly—no more harmful rubbing. Your clothes come snowy white. Rinso is made by the makers of Lux, the largest soap makers in the world.

Lever Brothers Limited, Toronto R-440

R. Gammon is sailing tomorrow morning on the steamer Prince George for Vancouver.

Alex Roy, formerly well known in local boxing circles, has returned to the city from Victoria.

G. E. Gulick, local manager of the Swift-Canadian Co., is making the round trip to Anyox and Stewart on the steamer Prince George today.

Mrs. E. Bonney arrived in the city from White Rock on the Prince George yesterday afternoon and will spend six weeks visiting here with her son and daughter-in-law, Mr. and Mrs. P. S. Bonney, 621 Fifth Avenue West.

John McMahon, master mechanic for P. Burns Co., Ltd., arrived on the Prince George yesterday afternoon from Vancouver. He is here to make inspection of the site near Gow Bay on which the company plans to build the abattoir. Tonight he is to meet the Civic Board of Works.

The Fair Board's sub-committee on grains, seeds, roots and field crops in connection with the revision of the 1925 Exhibition prize list met yesterday afternoon and decided on some notable changes in these sections. The committee consists of A. J. Prudhomme, J. W. McKinley, Thomas Trotter, R. M. Winslow and M. M. MacLachlan.

Accompanying A. E. Warren, C.N.R. general manager of western lines, who arrived from the south yesterday in the course of a tour of inspection on this division, are Mrs. Warren and J. R. Cameron of Vancouver, assistant general manager. The party left by last night's way freight for Kamloops via Jasper where Mr. Warren will meet Charles Murphy, general manager of C.P.R. Western lines, with whom he will inspect work on the Kamloops-Kelowna branch of the Canadian National.

George Woodland who has been in the hospital a few days is reported better today.

Ratepayers' Association meeting Friday evening at 8 in Council Chamber. Speaker, Mr. Pearson, city engineer. All ratepayers welcome.

J. W. MacDonald who was taken with a stroke a couple of days ago is reported much better today although he is not yet allowed to receive visitors.

Tom O'Brien, poundkeeper, has been admitted to the Prince Rupert General Hospital and is reported to be in a serious condition suffering from diabetes.

Motorship Bellingham, Capt. Len Williams, arrived at 1 o'clock this afternoon from Ketchikan with a cargo of canned salmon for transshipment East.

A. Wood, manager of the Taltapin mine north of Burns Lake, arrived from Vancouver on the Prince George yesterday afternoon and proceeded to the interior by train.

Union freighter Chilliwack, Capt. J. D. McPhee, arrived from the south at 7 o'clock this morning and, after discharging a small quantity of local freight including lumber for the Northern Construction Co., sailed at 11 o'clock for Anyox and Stewart.

The Vancouver Sunday Sun last week had a lengthy interview with F. W. Hart of this city who was described as "the first store owner and financial lion of the townsite" of Vancouver. Mr. Hart recalled the early days of Vancouver where he first landed in 1885.

MAKE REPORT ON ISOLATION HOSPITAL SOON

Board Diffident About Assuming Further Financial Obligations Will Investigate

The hospital board decided last night to refer to a special committee for full investigation and report the matter of taking over the isolation hospital as requested by the city which now operates it.

Dr. Tremayne warned the board against being saddled with an additional institution which might develop into large proportions. He suggested that the board express its willingness to take the institution over provided the city assume responsibility for all deficits.

J. H. Thompson suggested that the board might conduct the isolation for the city on a cost plus basis.

President Campbell felt that the board would be willing to administer the isolation hospital but he would be opposed to assuming financial obligations in connection with it.

Ald. McKechnie said that the council felt the board might run the isolation more economically.

There was further discussion in which the unwillingness of the board to assume financial obligations in connection with the isolation hospital was stressed. The outcome was the passing of a motion to have a special committee make a full investigation and report.

LIBRARY PRESENTED TO LOCAL HOSPITAL

Some 300 Volumes Turned Over by American Merchant Marine Association Through Efforts of Consul Wakefield

Through the efforts of E. A. Wakefield, United States consul, the Prince Rupert General Hospital has been presented by the American Merchant Marine Library Association with a set of some 300 books which has formed a library in the consulate here. A vote of thanks was passed at the board meeting last night to Mr. Wakefield and the Association for the generous gift.

APPOINTMENT OF LAB. TECHNICIAN

Hospital Board Decides to Engage Mrs. Althof of Victoria at Salary of \$50 and Board

On recommendation of the House Committee, the hospital board decided at its meeting last night to engage Mrs. Bertha Althof of Victoria on probation for three months at a salary of \$50

ARE YOU TORTURED WITH ECZEMA?

Eczema, or salt rheum, as it is commonly called, is one of the most agonizing of all skin diseases.

The intense burning, itching and smarting, especially at night or when the parts are exposed to heat are almost unbearable and relief is greatly welcomed.

The most reliable and effective remedy for this trouble is

BURDOCK BLOOD BITTERS

Mrs. J. R. Johnson, R.R. No. 1, Oshawa, Ont., writes:—"For years I was troubled with eczema, and had that terrible itching and burning sensation, and could find no relief for it. Finally, I was advised to use B.B.B., and after my second bottle I began to see a great difference, and I can, now, advise anyone troubled as I was to use this wonderful remedy."

a month and board as laboratory technician.

Speaking in favor of the appointment, Dr. Tremayne stated that some one was needed to look after the laboratory at the hospital. Certain revenue could be derived and a scale of regular fees might be drafted. It would be a great asset to the hospital and Mrs. Althof had good credentials.

On motion of J. H. Thompson, seconded by Ald. Brown, the engagement of Mrs. Althof was confirmed.

HOSPITAL NEEDS PAINTING AGAIN

House Committee Instructed to Make an Examination and Bring in Estimate of Cost

The hospital needs painting or staining this year it was reported to the board by the house committee last night. The difficulty, of course, will be the financing of the work and the board is loath to make any expenditures that are not absolutely necessary. In view of this, it was decided to ask the house committee for a full report including an estimate of cost of all outside work on the building which it is found necessary to be done this year.

President Campbell felt that it might be economical in the long run to do the painting now. Ald. McKechnie suggested that the matter be left over until next month. It was decided to have the house committee make an examination of the building in the meantime.

PROPOSE TO OBSERVE NATIONAL HOSPITAL DAY HERE THIS YEAR

Plans are now under way to have National Hospital Day observed in the city this year on Thursday, May 14. It was reported to the hospital board by H. H. Little, chairman of the executive committee, last night.

The object of the day being to educate the people as to the work of the hospital and enlist their goodwill towards the institution, the local hospital will be thrown open to the public on the afternoon of the day appointed between the hours of two and six. Pastors will be asked to make references to the matter in their sermons on the Sunday preceding, addresses will be delivered to service clubs, newspapers will be asked for publicity, storekeepers will be urged to decorate their premises suitably, slides will be provided for the theatres and Miss McCaul or members of her staff will address the High School students.

The program of the executive committee was adopted and it was requested to proceed with the work of putting it into effect.

RATE HAS BEEN SET FOR PAYMENT OF ST. WORK FIFTH AVENUE

The cost of mattress grading Fifth Avenue East between McBride Street and Hays Cove Circle was \$12,000 it was reported to the hospital board by the city last night. Notice was given that the rate of local improvement taxation to cover the grading itself would be 36c per front foot per year and the sidewalk, 24c, the former being in eleven annual payments and the latter in six. The hospital is assessed for three hundred front feet on Fifth Avenue. The notice was ordered filed.

POPULAR COUPLE WERE SURPRISED

Home of Mr. and Mrs. H. H. Hemmings Invaded Last Night and Gifts of Gold Were Left

A party of friends last night invaded the home of Mr. and Mrs. H. H. Hemmings, Federal Block, and there followed a real surprise party to mark the occasion of Mrs. Hemmings' birthday. That it was a great surprise was indicated by the fact that Mr. Hemmings was phoned for while attending a merchants' dinner and Mrs. Hemmings was out visiting.

Whist and games were enjoyed and Mayor Newton, with an ap-

One of the new beauties, No. 549, is on the floor; the 9 x 6-foot size costs only \$9.75.

The above Gold Seal is pasted on every genuine, guaranteed Congoleum Gold Seal Art-Rug.

Have you seen the newest designs in Congoleum Art-Rugs?

Two new patterns of indescribable loveliness have just been introduced in Congoleum Gold-Seal Art-Rugs.

The design shown above is No. 549. It is an Oriental motif in canary and rich brown, enlivened with touches of green and ivory, against a background of warm buff. This sunny color scheme is carried out in the graceful border of charmingly intertwined figures.

The colorful and artistic beauty of these two new Congoleum Art-Rug designs cannot, of course, be reproduced in this newspaper. Only when you see the actual rugs will you realize how remarkably beautiful they are.

See These Beautiful Rugs

Any merchant who sells Congoleum will be glad to show you the two new designs, No. 549 and 548, as well as many other delightful Congoleum patterns. Be sure to see them before you buy any new floor-covering.

In Congoleum Gold-Seal Rugs you find a rare combination of beauty, durability, and other practical advantages. Every rug is absolutely guaranteed. And the price is so moderate that everyone can afford these modern easy-to-clean floor-coverings.

Popular Rug Sizes—Popular Prices

9 x 3 ft.	\$5.25	9 x 7 1/2 ft.	\$12.00	9 x 12 ft.	\$19.00
9 x 4 1/2 ft.	7.50	9 x 9 ft.	14.00	9 x 13 1/2 ft.	21.35
9 x 6 ft.	9.75	9 x 10 1/2 ft.	16.50	9 x 15 ft.	23.70

Gold-Seal Congoleum Hall Runner, \$1.00 sq. yd.

Congoleum By-the-Yard

The same sanitary, flat-lying, durable material as Congoleum Gold-Seal Rugs, for use where it is desired to cover the entire floor. It is made two yards wide in a wide range of beautiful unbordered patterns and may be bought in any desired length.

MAKE QUALIFICATIONS FOR TEACHERS HIGHER

That is proposal in Iowa Where Comparison Made With Other Professions

DES MOINES, Iowa, Mar. 19.—Better prepared teachers is the fundamental problem in present day education, Dean W. F. Barr of the college of education of Drake University, declared here recently in urging that the National Education Association take steps to place the profession on a higher plane.

"During the last 25 years there has been much talk about better preparation of teachers," Dean Barr said, "but all the agitation has ended in talk, just as many of our great moral issues bring forth nothing better than talk."

"The fact is that school people as a whole, are afraid to take hold of the problem of securing legislation defining minimum educational qualifications of teachers.

"To be a lawyer or a doctor, or to be a minister in the older churches, one must have preparation far beyond anything required for the certification of school teachers. Qualifications now involved in our legal requirements for getting a certificate to teach should be written up by some person with a sense of humor, for they would be screamingly humorous if they were not so tragic.

WALKED THE FLOOR FOR HOURS FOR NERVES WERE SO BAD

Wherever there are people who are troubled with deranged nerves they will find in Milburn's Heart and Nerve Pills a remedy that will restore the equilibrium of these deranged centres and bring back the shattered nervous system to a perfect condition.

Mrs. W. W. Anthon, Woodruff, Ont., writes:—"After having a severe attack of bronchitis I was left in a very weak, run-down condition; my nerves were all broken up; could not sleep at night, and would have to get out of bed and walk the floor for hours."

"After using a box of MILBURN'S HEART AND NERVE PILLS I began to feel much better, and after taking a few more boxes I could enjoy my rest as well as I ever did. I always recommend them to all my friends."

For sale at all druggists and dealers; put up only by The T. Milburn Co., Limited, Toronto, Ont.

SEES GOOD TIMES IN UNITED STATES SOON

Englishmen Visiting America Tell Countrymen of Prospects

LONDON, Mar. 19.—There is a good time coming for the United States, according to Edward Hilton Young, member of parliament for Norwich and a former financial secretary to the treasury, who has just returned from a trip to America.

Americans, Mr. Young says, are perfectly justified in indulging the expectation that they are in for a period of prosperity. They are turning to the old world for the employment of their capital. Many new businesses are being established and the income from them, to a large extent, is likely to be employed in the old world.

Sir Charles Sykes, woolen manufacturer of Yorkshire, is another recent arrival from America, who discovered many signs of improvement in most branches of industry during his visit. "The Americans," he declares, "are abundantly justified in their belief that the year 1925 is going to show a great improvement in the trade of the world."

FISHERMEN KNEEL BEFORE LEAVING FOR THE BANKS

LE HAVRE, Mar. 19.—Every year, before the Havre fishermen sail off in their boats to the distant Newfoundland banks, they gather together at Havre to celebrate the feast of their patron saint, St. Peter. This year the presence of the Archbishop of Rouen lent unusual interest to the ceremony. The whole town turned out, and the church of St. Etienne was covered with flags and bunting and glittered with lights. The sailors filed reverently up the aisles, accompanied by their women folk, and the whole congregation, in picturesque Normandy attire, sang hymns and prayed for those who

SIX GENERATIONS OF FAMILY ARE ALIVE

Mrs. Odell, 93 Years of Age, Has Great, Great, Great Granddaughter

SASKATOON, Mar. 19.—Unique possibly on the American continent, Saskatchewan boasts of a family of six generations. Mrs. Odell, 93, of Hanley, Sask., has a great, great, great granddaughter. Mrs. Odell was married at 16 and the issue from each generation has begun with a daughter, each one of whom has married between the ages of 16 and 18 years. The eldest daughter of Mrs. Odell is 76 years old.

There are 38 grand-children, 45 great grand-children, seven great, great grand-children and a six month old great, great, great grand-child. Mrs. Odell still reads and sews without the aid of glasses. She claims that her faculties are unimpaired as those of a young girl. Five generations of the family live in Saskatchewan, the other in the United States.

CONDITIONAL

"I don't doubt that my daughter loves you, but can you afford to pay all the little luxuries she is accustomed to?"

"Why yes—that is, if she'll do without the necessities."

NOTICE.

An examination for Forest Rangers will be held at Burns Lake on March 31st, 1925. Applications will be received up to noon of March 24th by the District Forester, Court House, Prince Rupert, from whom application forms and full particulars may be obtained. Fee, \$1.00. Candidates must be British subjects, not more than forty years of age, resident in British Columbia for at least one year, of good character and physical condition, with woods experience and familiar with the practical side of logging, timber cruising, surveying and forest protection, with knowledge of the Forest Act and able to organize work and handle men.

This examination is to establish an eligible list for the next year from which appointments will be made as rangers are required. One ranger is required immediately.

"For Sale"

A page of real life. A photo-play which depicts the modern anclon block. Just as in ages of the past, slaves of today are sold to the highest bidder. Then a frankly called slavery—today it is the struggle for power and social position. Father and mother are the auctioneers, the eligible, rich men of society the bidders. Under the plea of marrying well, girls are literally offered for sale. Everyone should see this startling indictment of modern slavery cloaked in the garments of respectability. Superb dresses and settings. Excellent scenes of Paul All star cast. Claire Windsor, Adolphe Menjou, Bob Ellis, Tully Marshall, John Patrick, Mary Carr, Vera Reynolds, Christine Mayo and others.

AUBREY STAR COMEDY—"POLLY VOO."

Even Artists Must Have Men at Ball

Done Without Them For Years But No Other Attraction Now

BERLIN, Mar. 19.—This year's ball of Berlin's women artists marked an important departure from a tradition of 30 years. While formerly it was a festive occasion for women only, the mere male was this year not only invited, but fairly wooed.

When the women artists of the German capital started out in 1895 to arrange an annual costume party, they hit upon the novel idea of limiting it to members of the fair sex. This meant that all women with little, graceful figure dressed as men and as such became the dancing partners for the others. The ball enjoyed great popularity among the suffragettes, who pointed out that women were not condemned to wait modestly until some male dancer asked them to have a turn on the floor, but anybody in female attire could unblushingly ask anyone in male garb to dance.

But when the ball was revived for the first time after the war, a year ago, it was found that the modern woman no longer cares to come to a ball of spinsters. Therefore it was decided to invite men this year.

IN PROBATE

IN THE SUPREME COURT OF BRITISH COLUMBIA
In the Matter of the Administration Act, and in the Matter of the Estate of Y. Wakimoto, deceased, Intestate.

TAKE NOTICE that by order of His Honor F. McB. Young, made the 12th day of February, 1925, I was appointed Administrator of the estate of the late Y. Wakimoto, deceased, and all parties having claims against the said estate are hereby required to furnish same, properly verified to me, on or before the 21st day of March, 1925, and all parties indebted to the said estate are required to pay the amount of their indebtedness to me forthwith.

NORMAN A. WATT,
Official Administrator,
Prince Rupert, B.C.
Dated this 21st day of February, 1925.
