## GREAT RECEPTION TO PRINCE OF WALES

### ANTI-TERRORIST MOVEMENT IN BULGARIA IN WHICH MANY LOSE LIVES

#### Native Durbar at Kano at Reception to Prince a Gorgeous Spectacle

KANO, April 18.—The Prince of Wales, who has witnessed many gorgeous pageants in strange corners of the earth, today witnessed one of the most stirring and colorful spectacles of his career in the Durbar Kor, the reception of the native princes in his honor.

To the increasing throb of tomtoms and the weird strains of native orchestras more than 20,000 African troops in brilliant uniforms and fantastic trappings manoeuvred before the Prince on the reviewing stand for several hours.

The scene of the review was recently swamp land but had been converted into a beautiful artificial lake with hundreds of electric lights and a dance floor.

#### THREATEN TO DO VIOLENCE

Message Received by Premier  
Oliver That Doukhobors  
After Him

VICTORIA, April 18.—Police investigating a message received by Premier Oliver yesterday which stated "The Doukhobors plan to do violence to your life and your person before the month of April ends. Take this as a serious tip."  
The Oliver residence is being guarded at night to prevent it being burned in the manner of the Doukhobor schools of the interior.

#### COURSES' HOLIDAYS NOT A BONUS BUT FOR RECUPERATION

The question of holidays for nurses was discussed by the hospital board last night at the suggestion of the lady superintendent. It was stated that the board already had a ruling on this matter. It had been decided last year that holidays were not to be granted. They were granted to permanent employees on the idea of recuperating so that they might do better work and were not to be considered as a bonus which could be received when they left the employ of the hospital. They could not be paid in place of holidays, it was pointed out. The board had already decided that a ruling should be looked up and made effective.

#### DUKE OF DEVONSHIRE IS MUCH IMPROVED

LONDON, April 18.—The Duke of Devonshire, who suffered a stroke at his Irish estate near Waterford on April 12, is reported much improved and the prospects for his health to remain as good as ever.

#### LECTION APPEAL JUDGMENT RESERVED

VANCOUVER, April 18.—Judgment has been reserved by the Court of Appeal in the appeal of J. A. Gatherwood from the decision of Mr. Justice W. A. McDonald, declaring void his election as member of the Legislature for Dedwney.

#### BASEBALL MAGNATE DIES

NEW YORK, Apr. 18.—Charles Ebbetts, aged 66, president of the Brooklyn National League club, died this morning.

#### HOSPITAL WARD FOR CHILDREN

Need Set Forth by Directors and  
Lady Superintendent at  
Meeting

APPEAL TO PUBLIC  
Committee Will be Appointed to  
Consider Matter and Take  
Action

The need of a children's ward and the possibility of raising \$1,200 necessary to do the preliminary work prior to the ward being equipped by Bill 60 Chapter L.O.D.E. was discussed by the Hospital Board last night.

S. K. Campbell, chairman, said he thought they should go to the public for the money. The nature of the institution demanded public support. Bill 60 Chapter L.O.D.E. had done great work in raising \$500 to be spent on the equipment and the Red Cross had also aided but now he thought the public should be given an opportunity to subscribe. To put in the ward it was necessary to move the case room upstairs and the estimated cost of everything was \$1,200.

J. L. Christie said he thought the sum could be collected by May 1.

Miss McNeil, lady superintendent, said at present there was no place to put children. They could hardly go into the men's ward and the only alternative was the woman's ward. There they disturbed the female patients as women were always disturbed if they heard a child cry. They could not use a private room as there was already a big demand for those.

Mr. Campbell said the present condition did not make for the best work and he thought if people realized that they would be willing to subscribe the money.

On motion of Alderman Brown seconded by J. L. Christie the chairman was authorized to appoint a committee to go into the matter and take action.

#### ALBERTA IS ASKING TENDERS ON BONDS

EDMONTON, April 18.—A new Alberta debenture issue of \$3,740,000 is to be made on April 25, and the provincial treasurer is now calling for tenders. About 200 financial houses in Canada and the United States are being notified.

The new debenture will be for the purpose of refunding an issue of \$1,000,000 maturing May 1, and the balance of \$2,600,000 will be taken from the provincial sinking funds, the debt of the province being reduced by that amount.

#### CAR OF SEED POTATOES REACHES PRINCE GEORGE

FREDERICKTON, N.B., April 18.—A car load of potatoes shipped from New Brunswick has reached Prince George, B.C. ten days after shipment.

#### WALES PLAYS IRELAND TO SCORELESS DRAW

WREXHAM, April 18.—Wales and Ireland played a scoreless game of soccer today in the international match, the result being a draw.

At Kingsville, Ontario, is a bird sanctuary conducted by Jack Miner, Canadian naturalist, author and lecturer, who provides food and shelter for birds, whether during migratory season or for temporary abode

#### Shipping Combine is Defended in House of Commons by British Manager of Chamber of Shipping

OTTAWA, April 18.—A defense of the conference system in effect among North Atlantic Steamship lines was made before the committee of the House of Commons on ocean rates by Henry Gleinson, general manager of the chamber of shipping of the United Kingdom. He told the committee that those who controlled the merchant fleets in Canada, Australia and the United States had "found it essential in the interests of their shippers to confer as to rates."

The allegation made by Preston, which the North Atlantic conference was but a part, was untrue, Gleinson said. Such a world combine was an impossibility.

#### Merry Widow from Pittsburg Jazzed up London Society by Entertaining in a New Manner

(By Sylvia Mayfair)  
LONDON, Eng., April 18.—(Canadian Press).—What does the social game in London cost? Mrs. Harry Brown, the rich widow of Pittsburg, Pa., ought to be able to give a pretty good idea of it by the time this season is over. Last summer Mrs. Brown took Norfolk House, the young Duke of Norfolk's town mansion, and besides jazzing up London to an unprecedented extent she did what nobody had ever done before her, namely, had the Prince of Wales to breakfast after an all night treasure hunt, and had the famous American dance bands from the Hotel Savoy to play for him as he ate his bacon and eggs.

Now Mrs. Brown has taken Spencer House, a bigger mansion than the other—the Corneliuss Vanderbilts had it last year—and she has hinted to her friends that she is not going to rest on her laurels. True, there is no Wales to be entertained this summer but there are his brothers. London is beginning to lick its lips, not altogether metaphorically either, because Mrs. Brown's banquets and receptions were famous for their rare foods and wonderful champagnes.

If Mrs. Brown were ever induced (which, of course she never will be) to tell the world what her social triumphs have cost her she would have to write a good deal off for her "visiting lists." It is fairly well known in London that Mrs. Post Wheeler, the wife of the former American

Counsellor in London, helped to make Mrs. Brown's receptions look like pages of Debrett; and now another name, one of the most prominent London society women (though slightly impetuous) is mentioned as her social sponsor. That is a very expensive item.

#### DEATH LIST IN BOMB OUTRAGE

LONDON, April 18.—The death list from the big bomb outrage in Sveti Kral Cathedral at Sofia has reached 160, including five members of the Bulgarian Parliament. Many of the wounded are expected to die.

#### Reprisals in Bulgaria Follow Bombing and Attempt on King Boris

SOFIA, April 18.—The Bulgarian government is taking extraordinary measures to prevent further development of the terrorist campaign which was marked by an attempt against King Boris and the bombing of the cathedral of Sveti Kral.

Large numbers of communists and agrarians have been arrested and it is reported a number of communists were killed during the night following the outrage in the cathedral as a result of the deep feeling of the populace over that affair. Street traffic in Sofia is prohibited and soldiers patrol the city. All stores are being closed.

#### SPRING BREAKUP IS RESPONSIBLE FOR THE LIGHT GRAIN LOADINGS

Deliveries Over C.N.R. to Van-  
couver Since Last August  
Number 3662 Cars

WINNIPEG, April 18.—The spring break-up and consequent bad roads throughout the country districts reduced the delivery of grain by farmers to country elevators on Canadian National lines in the Western provinces during the period April 10 to April 16, according to the weekly grain loading report issued by the Canadian National today, as consequence car loadings of the week fell below the one thousand mark for the first time in several weeks. A total of 82,713 cars containing 111,699,000 bushels have been loaded over Canadian National lines since August first, the loadings during last week being 885 cars containing 1,221,000 bushels. Saskatchewan with 671,000 bushels loaded during the week loadings Alberta 227,000 bushels.

#### MANY VESSELS LOST WITHOUT ANY TRACE

Cyclops was Large Ship About  
Which Many Theories are  
Extant

WASHINGTON, April 17.—More than 1,000 American naval men have gone down to watery graves in a score of vessels that have disappeared from the face of the earth, without a trace. From the brig Reprisal, lost in September, 1777, to the tug Conestoga, that disappeared in the Pacific in 1921, there is a chapter of naval history on which the navy department is able to throw but little light.

Outstanding among the unaccounted for craft in modern days is the naval collier Cyclops, concerning which there is a maze of fanciful theory, but no official fact.

Naval vessels have searched the seas for tidings of these missing craft, but their fate remains a mystery. Naval officers consider the case of the Cyclops unusually puzzling, for she was equipped with radio and apparently encountered no storms, her captain last reporting all well and fair weather. She was 542 feet long, 65 feet beam, and of 19,000 tons. Theories exist that the Cyclops was improperly loaded and split in two; that her machinery was disabled and her radio put out of commission and that she was scuttled, and that an enemy submarine destroyed her, but official information regarding her is wholly lacking.

#### FOOT AND MOUTH DISEASE REGULATION HAS BEEN SUSPENDED

VANCOUVER, April 18.—Word was received today from Ottawa that the foot and mouth disease regulation prohibiting the importation into Canada of goods packed in straw had been suspended on condition that the importers pay the cost of fumigating the goods at a fumigation station.

**SUMMER TRAIN SERVICE SET**

Better Running Time Provided and Jasper to Get Two Trains Daily

**RUPERT'S TIMETABLE**

WINNIPEG, April 18. — Important changes in passenger train schedules affecting all points, Winnipeg and west to the Pacific coast, in connection with the operation under summer time tables are announced by Canadian National Railway officials here. The new train service will give two dailies to Jasper National Park and this, in view of the anticipated heavy tourist traffic, is considered an important development. The summer schedule will also reduce the running time of trains one and two, the Continental Limited one hour between Winnipeg and the Pacific coast, and one and a half hours between Vancouver and Winnipeg. Eastbound to Montreal there will also be a saving of thirty minutes in running time from Winnipeg.

Under the new schedule, effective May 3 out of Winnipeg, train No. 1 will arrive from Montreal at 8.15 p.m. as at present but the time of departure is moved back to 10 p.m. instead of 9 p.m. as at present. The time of arrival in Vancouver is the same as now, 7.25 a.m., of the third day.

No. 2 eastbound will leave Vancouver at 9.50 p.m. as at present but will arrive at Winnipeg at 9.05 a.m. instead of 10.30 a.m. and leave for Montreal at 10 a.m. instead of 11 a.m.

Train No. 3, "The National" from Toronto, arrives at Winnipeg at 9.45 a.m. as at present. The operation of this train, however, is to be extended to provide daily service between Winnipeg and Edmonton and daily except Sunday from Edmonton to Prince Rupert. The new train will leave Winnipeg at 2.30 p.m., commencing May 3, arrive Saskatoon 7.20 a.m., Edmonton 8.25 p.m.

The daily except Sunday service, Edmonton to Prince Rupert, will be effective May 5, the train leaving Edmonton 9 p.m., arriving Jasper 7.05 a.m., and Prince Rupert 3.30 p.m., daily except Tuesday. This train will connect with the all Canadian National Pacific coast steamships out of Prince Rupert northbound to Alaska and southbound to Vancouver.

**Outbound at 11.30**  
Train No. 4 will leave Prince Rupert eastbound at 11.30 a.m. daily except Sunday, effective May 4. Passengers will arrive at Jasper at 8 p.m. daily except Monday, Edmonton 8.20 a.m. daily except Tuesday. This train will leave Edmonton effective May 3 at 8.50 a.m. daily, arriving Saskatoon 9.15 p.m. and Winnipeg at 3.50 p.m., giving direct connection with the National leaving for Toronto at 4.30 p.m., and also with trains for St. Paul and other southern points.

The changes in time of trains 3 and 4 in and out of Prince Rupert will give the advantages of a daylight run through the famous Bulkley and Skeena River areas where are found some of the most striking scenic stretches of the line from Red Pass Junction to Prince Rupert. The time of arrival at Jasper also gives passengers the opportunity of seeing Mount Robson and other famous peaks of the Canadian Rockies during daylight hours and transcontinental trains will stop at Mount Robson observation platform for five minutes as in previous years.

**Observation Cars**  
An increase in the number of mountain observation cars operated between Jasper National Park and the Pacific coast, on the run through the Canadian Rockies, provides for observation cars of this type to be attached to trains 3 and 4 operating to and from Prince Rupert as well as on the Continental Limited operating to and from Vancouver.

**In the Letter Box**

**NORSE-AMERICAN CENTENNIAL**  
Editor, Daily News:  
Preparations for the great celebration to commemorate

the centennial of the Norse immigration to the American continent are progressing and the affair will be a very elaborate one.

It will be held at the Minnesota State Fair Grounds, St. Paul and Minneapolis, Minn., June 6, 7, 8 and 9 this summer.

President Coolidge will deliver an address in the afternoon of June 8. Representative of the Norwegian government and Storting and the Academic Choir of Oslo will be present. It is reported that Crown Prince Olav will also attend.

Every man and woman of Norse descent who can by any possibility spare the time in June should attend this great event. It is the first great gathering of its kind in American history. It will be a great and grand review of 100 years of the history of the North American continent as exemplified in American and Canadian citizenship of Norse ancestry. It will be educational, inspirational and entertaining in the highest degree. Those now living will never again have the opportunity of attending or enjoying anything just like it. Friends and relatives, parted for years, will find each other in this great reunion, revive old memories, live again in the past, witness the pageant of 100 years of progress, and come home better Norsemen and better Canadian and American citizens.

The historical pageant will be given on June 9, and will be a wonderful and inspiring feature. This pageant will depict in both stationary and moving tableaux the history of the first century of Norse-American and Norse-Canadian development, visualizing in most colorful fashion one of the most interesting chapters in the history of this continent.

It is expected that the Governor General will be the official representative of Canada on the occasion.

JOHN DYBHAVN,  
Norwegian Consul.

**REPAIR FOUNDATIONS HOSPITAL BUILDING**

Painting Exterior Has to Wait to Enable Money to be Spent on Sills

At the meeting of the hospital board it was decided to defer the work of painting for this year because a considerable sum, probably seven or eight hundred dollars, would have to be spent in renewing the foundations and sills on one side of the building. A report on the foundations was made by Alderman McKeelnie who found faulty sills in the X-ray room and the part of the building opposite the nurses' home.

After some discussion it was decided that the chairman should appoint a committee who should select a competent foreman to undertake the work, the hospital to furnish the material and pay the wages. It would be impossible to let the work by contract as it was impossible to tell how much had to be done.

**The Man in the Moon SAYS:**

IT never does to get completely wrapped up in anything. Girls don't in their clothes.

MARRIAGE is a big cross word puzzle which many attempt to solve but no newspaper has ever published the correct solution except in the birth column.

THE difficulty with most brides is they are poorly groomed.

Jack Sprat he was too fat  
His wife was too thin,  
And so alas between the two  
They made a helluva din.

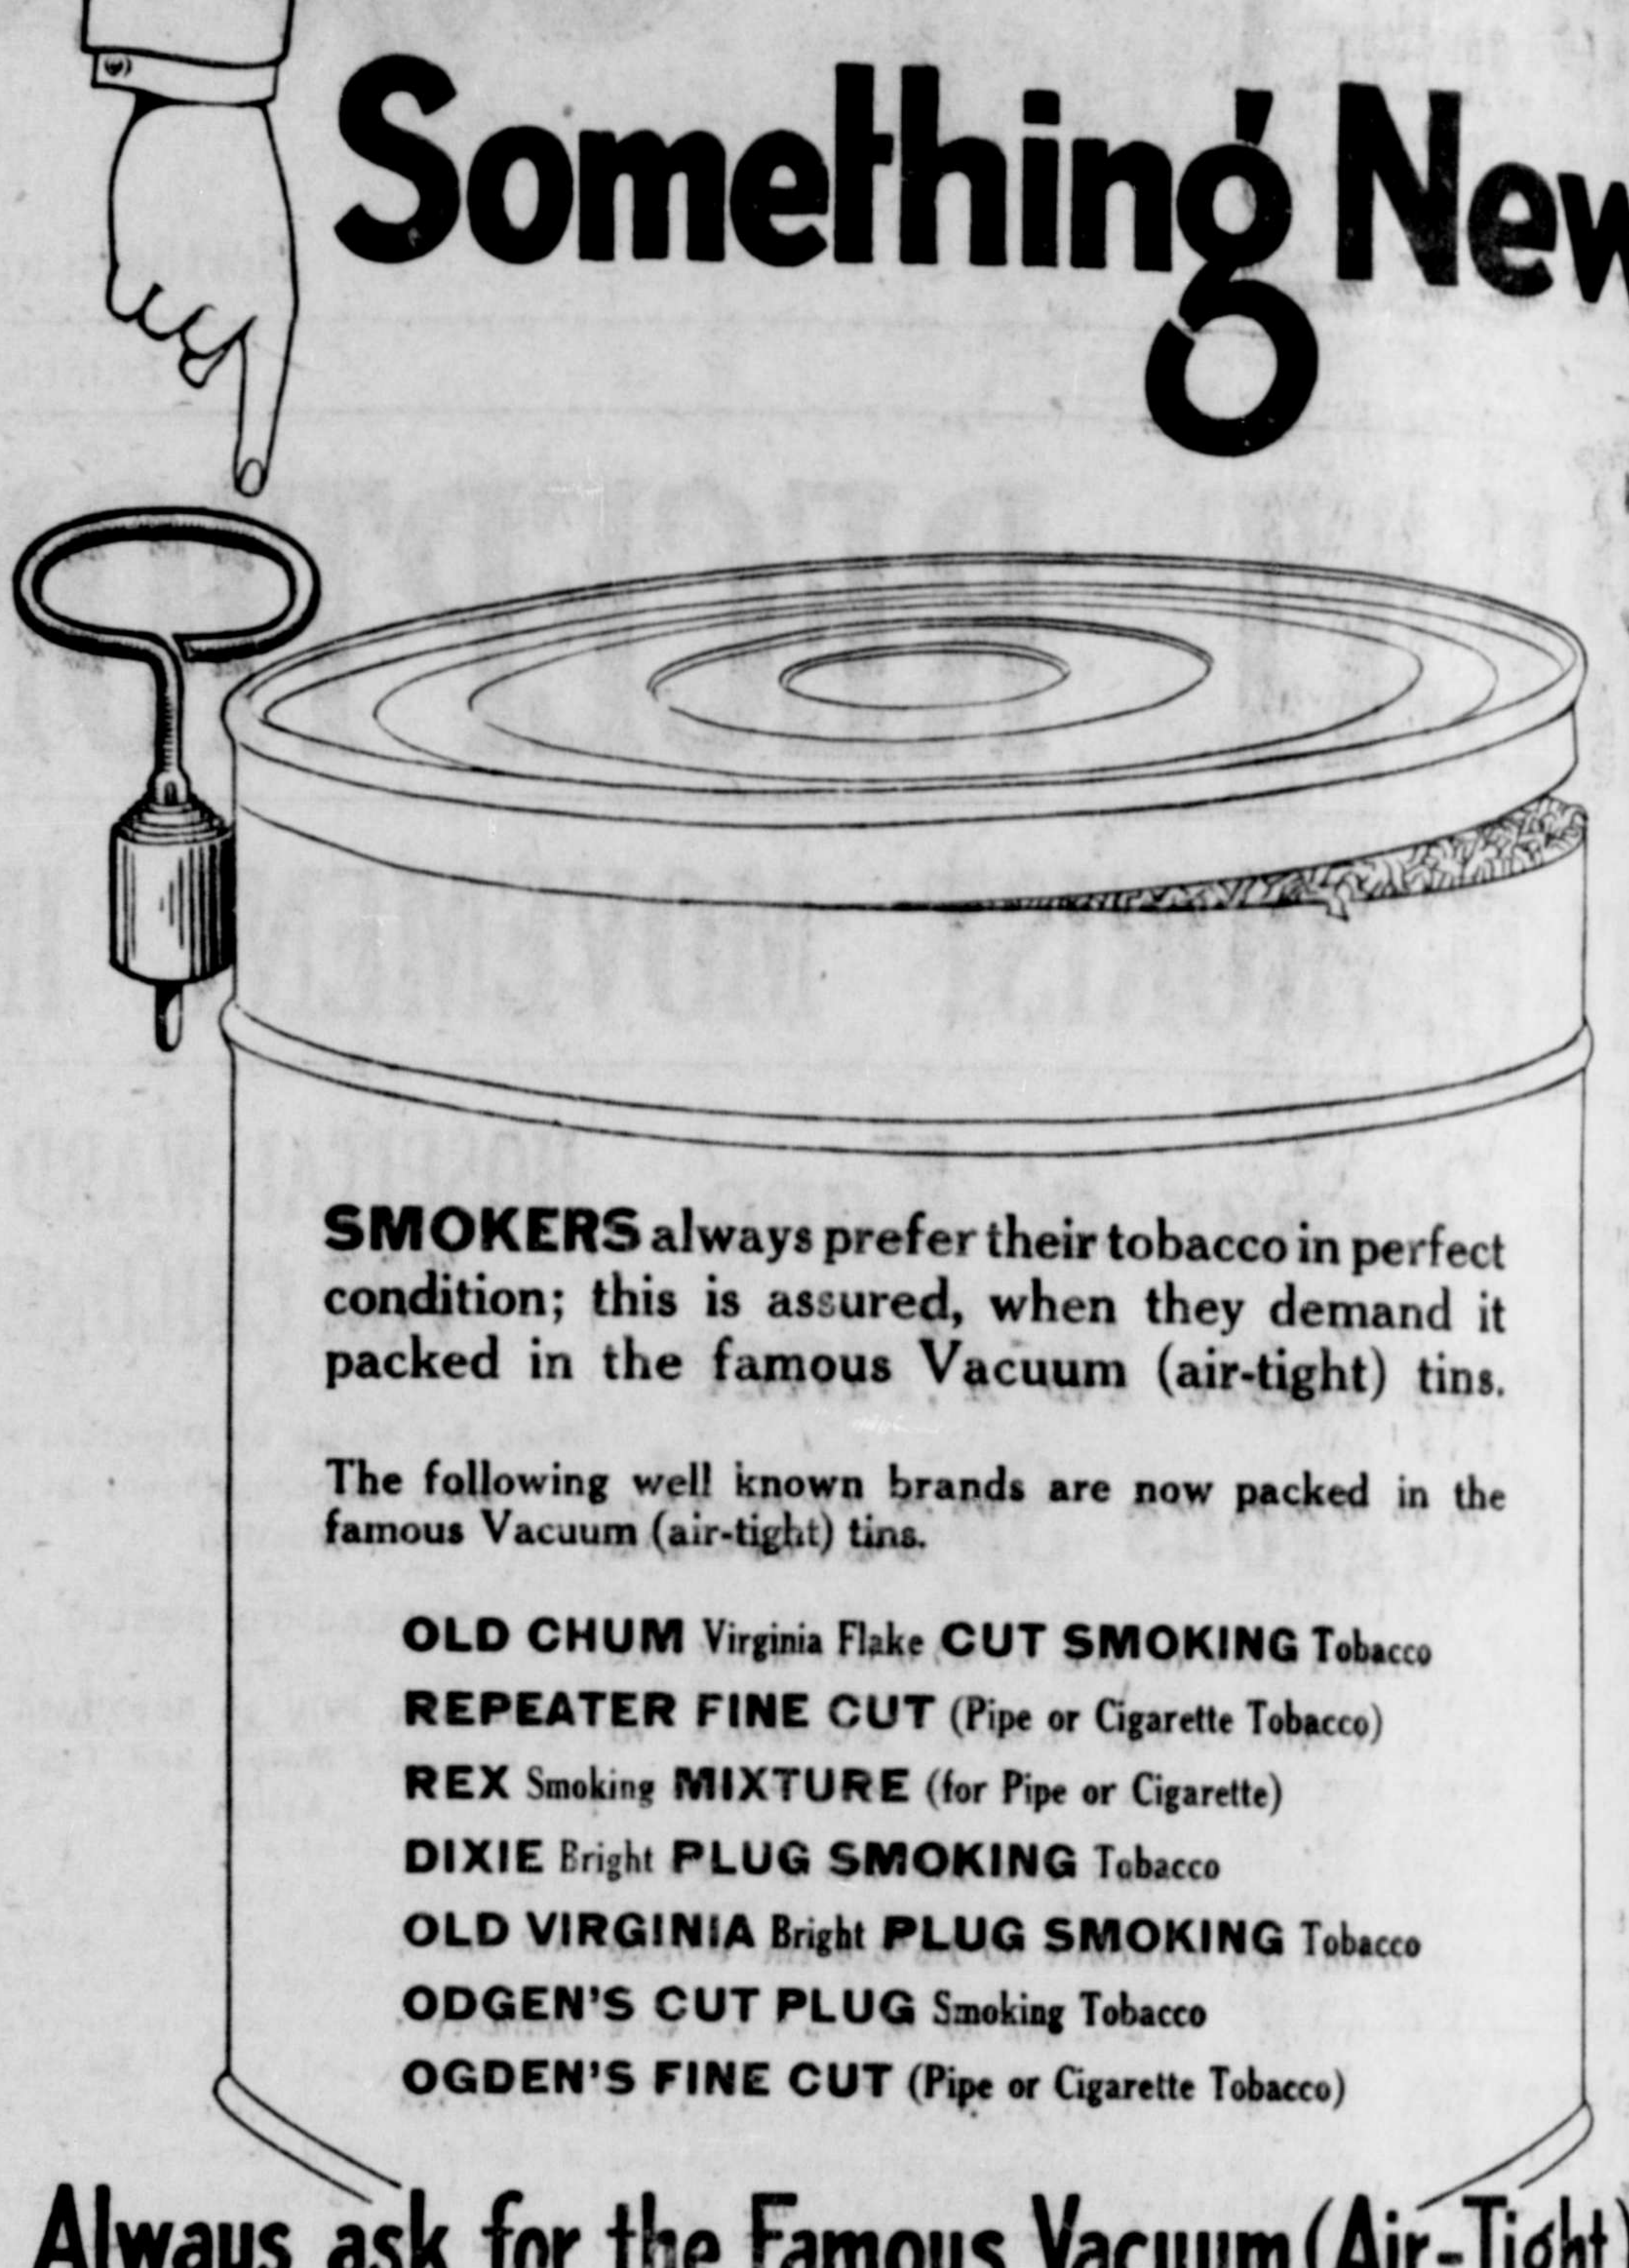

JAKE says he hears there's another beauty parlor starting up in Prince Rupert and he wonders why they need it. But then Jake always was a bit of a joker.

Tennis, I'm told  
Is a game of love;  
It's played with a racquet  
With the sun above.

The meaning of love  
Is nothing at all,  
So tennis is nothing  
But hitting a ball.

THE sheik who thinks a woman's "no" means "yes" should get married. Nuff sed.

DAILY EDITION  Saturday, April 18, 1925.

**Children's Ward For The Hospital.**

Every normal person is fond of children. No one likes to see children suffer and everyone in Prince Rupert would like to see the sick children get the best possible treatment and every chance to recover. Children here generally are healthy but there are always exceptions in every place. Also children meet with accidents.

Just now there is a movement on foot to fit up a children's ward for the hospital. Hill 60 chapter of the Daughters of the Empire have raised \$500 with which to furnish it, but there are a lot of internal changes to be made at the hospital before this can be done and the sum of \$1,200 is needed to make those changes. The board of directors of the hospital is taking steps to place the needs of this ward before the people and doubtless will have a good response.

Miss McCaul, the lady superintendent of the hospital, says the ward is badly needed. There is at present no part of the hospital where children may be put and given proper care. She knows and everyone who has had anything to do with children who are ill at the hospital is also aware of the fact.

An organized effort should easily raise the required amount of money as Prince Rupert has always shown her desire to help the children.

**Keeping Down Taxes Of Cities.**

While there is a lot of talk everywhere about keeping down taxes no real efforts are made to put the idea into effect. Improvements must be made in all growing places and bills must be paid. That is the difficulty.

A forecast from New Westminster recently published in the south says the tax rate there this year will probably be fifty mills, just ten mills more than in Prince Rupert. There are alternatives to advancing the mill rate as suggested. One is to form a syndicate to take over the city's tax sale lands and thus bring them liable to taxation or to place a tax on improvements.

Reports from other places as well as local experience indicates that while spasmodic efforts are made to keep down costs, the general trend is toward increasing the debts and the costs of running the affairs of the cities.

**Religious Madness Not Uncommon.**

Yesterday a man rang up this paper and declared that he was Jesus Christ and predicting that there would be earthquakes here and asking that we warn people to remain indoors on that account.

There are always such people in the world. They go crazy over religion and the distortion is often brought about through diseased bodies. Given a healthy body and the mind is likely to be balanced. The danger is in not properly caring for the body, either by allowing attacks from disease or through overwork or worry becoming run down. The body is the first care of everyone. Then comes the mind.

**Opposition To Sealing Treaty.**

The opposition to the Sealing Treaty is apparently growing. Victoria is taking the lead in the matter because that was formerly the sealing centre for the coast and all sealing vessels made their headquarters there.

This is the time to take action to see that the treaty is not continued. While it is yet a considerable time before the treaty can be abrogated, a year's notice has to be given and public sentiment has to be focussed on this question.

Open sealing is what we want!

**"Child's Eyelids Inflamed, Stuck Together and Bled"**

Mr. E. P. Kimball, Entwistle, Alta., writes:  
"Our little girl from birth was troubled with inflamed eyelids and in spite of several remedies, grew worse until at the age of sixteen months her eyes could not be opened after sleep without bleeding, a waxy discharge sticking the lids together and adhering with great tenacity. The child's grandmothers were consulted by mail, and both responded with a little sample box of Dr. Chase's Ointment. These were used as directed, and lasted until we could obtain a further supply from Edmonton. Improvement was very marked from the first application. The waxy discharge was easier removed and did not reappear. Inflammation subsided and has not returned."

**Dr. Chase's Ointment**  
60 cts. a box, all dealers or Edmanson, Bates & Co., Ltd., Toronto

**Ten Years Ago in Prince Rupert**

The Granby Co. announces that there is no work for unemployed at Anyox and that there are already some 150 men there awaiting jobs.

Col. Carnegie, representative of the British war office, Dr. A. G. W. Wilson of the federal department of mines, and Dr. Alfred Stansfield, professor of metallurgy at McGill University are visiting the coast to investigate the possibilities of shell manufacture and establishment of a copper and zinc refinery.

R. E. Benson, the photographer, returned today from Toronto where he had been called on account of the illness of his mother whose condition is still precarious.

**CANADA PRODUCES THE BEST WHEAT**

Whether the price of wheat is high or low, Canada never fails to produce the best quality in its great annual cereal. Canadian hard Spring wheat is known the world over for the quality of the flour it yields. When testing flours for quality, the most satisfactory test is to bake the flour into bread. The baking test tells the whole story. Electric Bread is made from Canadian-milled flour. Its quality and flavor is the direct result of the good wheat which is its origin. Electric Window Bakeries (92

## VINDICATES USE OF DIVINING ROD FOR THE FINDING OF WATER

Well Dug 90 Feet Deep But Yet Hazel Switch Persists in Saying Water is There

PROEDLITZ, Czechoslovakia, April 18.—The people of Proedlitz no longer doubt the efficacy of the divining rod as a means of locating water under the surface of the earth. They have had a demonstration, they aver, which is conclusive.

Badly in need of a water supply three years ago the town employed Heinrich Otte, a local expert, with the divining rod, to locate a well. He did so, but a shaft 90 feet deep gave nothing but dry soil, and the project was abandoned. The town managed to get along until this winter, when existing supplies became so scant that Heinrich again was called in. He walked about with his divining rod, and as he passed over the old well, the story goes, the hazel switch was actually pulled out of his hands.

Town workmen went to the bottom of the old shaft, dug down six feet more, and found an abundant supply.

## CHILDREN SHOULD GROW UP WITH MUSIC STATES HEAD OF ROYAL COLLEGE

EDMONTON, April 18.—Children are taught to perform rather than have music inherent in them drawn forth, according to Sir Hugh Allen, director of the Royal College of Music, London, England, who has been visiting here. They should grow up with music, insisted Sir Hugh, and just as children learned to talk before learning to read and write, just so should they learn, in a simple way, the symbols expressing the language of music, after having some knowledge of that language.

Sir Hugh deplored the fact that the present-day tendency seemed to be producing "finger musicians"—performers with brilliant technique and power of execution, but whose performances lacked soul and sometimes brain. To produce real music, the visitor opined out, co-ordination of hand, brain and soul is required; without such co-ordination music cannot be obtained.

## HALIBUT ARRIVALS

The Havana sold 15,000 pounds at 9.6c and 1c to the Pacific Fisheries this morning. The Mah sold 3,000 pounds to the Canadian Fish & Cold Storage Co. at 10.1c and 3c. The Havana is an American boat and the Mah, Canadian. The prices were the highest that have been paid this week.

## BIRTH.

A son was born at the Prince Rupert General Hospital on April 18 to Mr. and Mrs. H. S. Creelman of Terrace.

L. H. Johnson, C.P.R. agent at Skagway, was a passenger going north on the Princess Mary yesterday afternoon returning to his post after spending a holiday in Vancouver and Victoria.

## PRINCE GEORGE

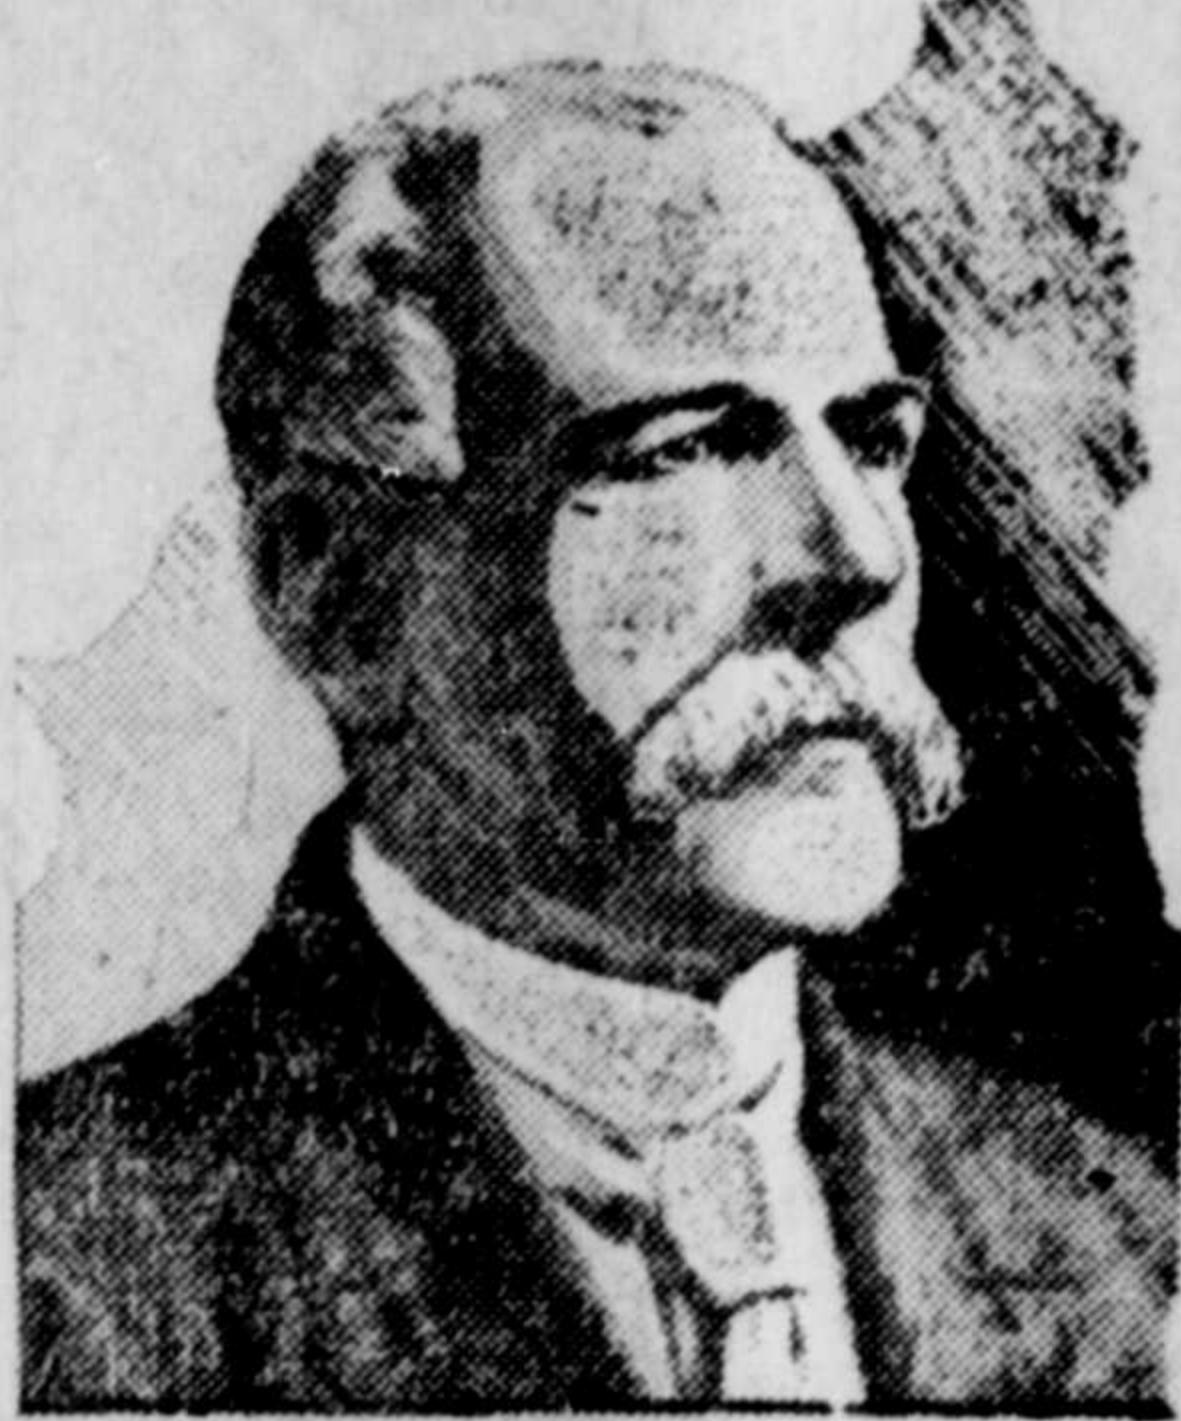

The question of establishing an auto camp at Prince George is now a live one and it is probable that something along this line will be done. The completion of the highway from Quoniam to Prince George it is expected will bring a large number of motor tourists here this summer.

The local Rebekah Lodge held its annual ball in the Riffs-Kifer Hall on Monday night. Edwards of 150 couples were in attendance at the affair which was a great success.

Mayor Alward left during the

## CRIMEAN VETERAN TELLS THE STORY

BROUGHT BACK TO HEALTH BY "FRUIT-A-TIVES"

MAJOR GEORGE WALKER

"I am a veteran of the Crimean War and Indian Mutiny, having served under Lord Roberts. Fierce hand-to-hand fighting and continual exposure left me a great sufferer from Rheumatism, so much so, that my legs swelled up, making it impossible for me to walk.

My bowels were so constipated that I was in terrible shape until I began to use "Fruit-a-tives". They relieved me both from Rheumatism and Constipation. Today I enjoy perfect health—no more Rheumatism or Constipation"—Geo. Walker, Chatham, Ont.

"Fruit-a-tives" contain in tablet form, the concentrated juices of luscious fruits—Nature's own remedy for Constipation and its painful consequences.

"Fruit-a-tives" overcome all intestinal troubles in a way no other medicine can. At your dealers. 25c and 50 cents a box.

week for a trip to the coast. There are all kinds of rumors in circulation as to what has called his south.

Prince George is considering following the example of Merritt and turning over the policing of the municipality to the provincial police.

Only two persons in Prince George availed themselves of the opportunity offered by local doctors for free vaccination.

In order to get a line upon the local situation in view of a probable federal election at an early date, J. E. Merryfield, provincial organizer for the Conservative party, spent a number of days in Prince George district during the week.

John A. Clark, former Prince George city clerk, is now prune ranching in California.

## SMITHERS

Friends and playmates of Master Jack Furness tendered him a surprise party on Wednesday evening, the occasion of his seventh birthday.

Mrs. W. J. O'Neill and children returned to their home here on Thursday from Vancouver where they have been sojourning during the winter months.

The regular monthly meeting of the Anglican Church Women's Auxiliary was held at the home of Mrs. H. G. Wind on Thursday afternoon. The ladies made arrangements for the holding of another tea, which is to be held at the home of Mrs. J. G. Stevens early in June.

Citizens here received a most pleasant surprise Wednesday afternoon, when the juice was turned on for the lighting system after a lapse of five days. It was generally expected that it would be ten days or two weeks before the repairs to the plant could be effected.

The ladies of St. James Anglican church held an Easter tea at the home of Mrs. S. H. Hosskins on Wednesday afternoon, which proved a most pleasant and successful affair. In addition to the serving of tea, the ladies had several articles of fancy work on sale.

A most enjoyable party was held at the home of Mr. and Mrs. J. Douney on Thursday evening when their daughter Margaret entertained a number of her friends at dancing and games, followed by dainty refreshments.

Mr. and Mrs. J. Mason Adams who were expected to arrive home Thursday have had their departure from the south delayed owing to the serious condition in

the health of Mr. Adams' brother James, who has had a relapse necessitating Mr. Adams' return to Los Angeles.

Mrs. Calvert and child from Burns Lake are the guests of Mrs. T. G. Martin for a few days before proceeding to the Queen Charlotte Islands, where Mr. Calvert has been transferred in connection with his duties as Fire Ranger with the B.C. Forestry Department.

Dr. and Mrs. H. L. Alexander of Prince Rupert arrived in town Thursday. Mr. Alexander is opening up his dental parlors in the Town Hall for a few weeks to attend to the needs of his patrons in this district.

Mrs. T. T. Dunlop entertained a number of the young folks at a Mah Jong party at their home Wednesday evening.

## Church Notices

### Baptist Church

Morning service at 11. Subject, "The Courtiers Vision of God." Children's chat; "The Message of the Flowers." Bible school at 12.15. Evening worship at 7.30. Subject: "The Hermit's Vision of Christ." Helpful addresses. Bright singing. Cheerful services. A place and a welcome for you.

### Methodist Church

The Church of Service. Rev. Geo. G. Hacker, pastor. Miss Isabel Haddock, deaconess. The morning service is cancelled in honor of the opening of the new Anglican Church. Sunday school at 2.30. Evening service at 7.30, will be conducted by Earl Barrie. Sermon topic: "Sirs, we would see Jesus."

### Salvation Army

Sunday morning service withdrawn to attend opening of Anglican Church. Sunday school at 2.30. Every Sunday we grow. Salvation meeting at 7.30. Subject: "Personal Influence." Not a dull moment. If you come once, you will come again. Saturday night, the popular song service. Monday night, Sunshine Hour. Tuesday and Friday at 7.30. Scouts and Guards. Thursday night, public meeting. Come and get acquainted.

### Presbyterian Church

In the morning, the congregation will join with the Anglicans at the opening of their new Church. Sunday school at 12.30. Evening service at 7.30. Subject: "Blind Eyes Opened." Preacher, Rev. H. R. Grant, D.D.

### Lutheran Church

St. Paul's English Lutheran Church, Metropole Hall, Third Avenue. Rev. P. E. Baisler, B.D., pastor. The morning service will be omitted because of the opening of the Anglican Church. Sunday school at 12 noon. Evening service at 7.30. Sermon topic, "Victory through Faith."

BRINGING UP FATHER

Moose annual Memorial Service, Sunday, April 19, at 3 p.m. in Metropole Hall. Everybody cordially invited. Catholic Spring Sale Monday afternoon in Metropole Hall. Social in evening. Two new cars at your service, day and night. Moderate charges. Phone Red 461. C. V. Symes. Moose annual Memorial Service, Sunday, April 19, at 3 p.m. in Metropole Hall. Everybody cordially invited. Harold McEwen, C.N.R. division freight agent, returned on yesterday afternoon's train from a trip to the interior. John Dore, district superintendent of government telegraphs returned on yesterday afternoon train from a trip to the interior. J. L. Blain, contractor, has taken over E. H. Sheokley's stock of double dressed lumber, sash and doors. Also the agency for J. Fyfe Smith Ltd. hardwoods. For handsawing and planing, jobbing and repairing, phone Blue 268. Clyde Heller, president of the Belmont-Surf Inlet Gold Mining Co., reached the city last night on the company boat after paying one of his periodical visits of inspection to the Surf Inlet workings. He will proceed to Philadelphia on tonight's train. Mr. and Mrs. D. V. Whitehead of Port Arthur reached the city on yesterday afternoon's train and are registered at the Prince Rupert Hotel. Mr. Whitehead is the representative of an Eastern contracting concern and his business here is in connection with the elevator construction. St. George's Day! Get your tickets and get the winning number for the special prize. It is worth having. Extra good prizes for the whist drive. Also a novelty dance in Boston Hall, April 23, at 8 p.m. sharp. Tickets may be obtained from Mesdames Leek, Howe, Hemmings, Smeton, Cox and Wilton. Staff Captain Carruthers who here recently held a united meeting with the girl guards and boy scouts. Certificates of registration were presented from Commissioner G. Rich, of Winnipeg and names were chosen for the local troops. The Scout chose "Rupert Troup" and the girl guards "The Northern Star."

HEART TROUBLE SHORTNESS OF BREATH

Mrs. Geo. E. Bowman, Morrisburg, Ont., writes: "I am writing you a few lines to let you know of my experience with Milburn's Heart and Nerve Pills. Two years ago I became very poorly with my heart and nerves and whenever I took the least little bit of exercise my heart would start to jump and flutter. I could not walk up stairs without having to sit down and rest before I was half-way up, on account of my breath becoming so short. I commenced taking MILBURN'S HEART AND NERVE PILLS and in no time I felt a great improvement, and can now heartily recommend them to all those who are troubled with any affection of the heart." H. & N. Pills are for sale at all drug and general stores; put up only by The T. Milburn Co., Limited, Toronto, Ont.

HEART AND NERVE PILLS

At the hospital board meeting last night the donation of \$100 from the Red Cross Society toward the equipment of the case room was acknowledged and the donors thanked. The check was sent by the secretary, Mrs. Mary S. Morrissey. The question of laundry work was discussed at some length by the Hospital Board at its meeting last night and finally the tenders of the two local laundries were accepted and the committee instructed to make a contract for the work to the end of January 1926. There was a meeting of the hospital board last night at which those present were S. K. Campbell, chairman, and Messrs. Christie, Waugh, Elkins, Thompson, McKechnie and Secretary Birch, Mrs. Parsons and Miss McCaul, lady superintendent, and Dr. Tremayne. Mr. and Mrs. Emil Urell and family of Astoria, arrived in the city yesterday afternoon on the Princess Mary to take up their residence here for the summer. Mr. Urell comes here annually to take charge of the export of mild cured salmon from local canneries for American interests. Having 100 tons of freight for Prince Rupert, C.P.R. steamer Princess Mary, Capt. G. C. Sautey, which arrived at 2:45 yesterday afternoon, did not get away for the north until 11 in the evening. The vessel had about 60 passengers aboard for Alaska ports. A bumper load of Yukoners will come north on the steamer next trip it is expected.

HEART AND NERVE PILLS

Amy Harrison was fined \$25 in the city police court this morning for intoxication. W. E. Collison, Indian Agent, returned on the Venture this morning from a trip to the Naas River on departmental business. Rev. George G. Haeker, pastor of the Methodist Church, is confined to the house for a few days with an attack of tonsillitis. William Ware, official of the Hudson Bay Co., arrived in the city from the interior on yesterday afternoon's train and is sailing for Vancouver today. Miss Alice P. Macdougall of New Westminster arrived in the city from the interior on yesterday afternoon's train and sailed this morning on the Venture for the south. C. P. Riel is leaving on the Princess Beatrice tonight for Gardner Canal on business in connection with the Prince Rupert Spruce Mills for which concern he is timber sealer. In celebration of the opening of the new Anglican Church tomorrow, the other congregations in town will join in the morning service. Bishop De Pencieer will be the preacher of the day. Services will be held at 8 and 11 a.m. and 2.30 and 7.30 p.m. Charles Barrett, well known Barrett Lake rancher, returned on the Princess Mary yesterday afternoon from a trip south and will proceed to the interior on tonight's train. He is accompanied by his niece, Miss Daisy Whyte of Vancouver, who will pay a visit to the famous Barrett ranch. C.P.R. steamer Princess Beatrice, Capt. T. Cliffe, which is due in port this afternoon from Vancouver and wayports, will make a long stay here having some 125 tons of cement to unload at Albert & McCaffrey's dock. The most of this cement will be used in the elevator foundation construction. Notice that the city was about to remake Fourth Avenue and charge the cost of part of the work against the property owners was received by the hospital board last night at its meeting and filed after some questions had been asked regarding it. This will affect the hospital frontage. At a meeting of the hospital board last night the receipt was acknowledged of a special grant from the Provincial government of \$1,000. This had been secured through the member for the district, Hon. T. D. Pattullo, and followed a conference with the chairman, S. K. Campbell, during the recent visit of the minister. W. G. Watson, who is interested in the Lakelse Lake summer resort, arrived from the south on the Venture yesterday and returned to Vancouver on the same vessel this morning. He was accompanied by P. J. Banter of Vancouver. Mr. Watson expects to be back here next month and will then proceed to Lakelse. Nomination of officers for the Women's Canadian Club for the forthcoming year took place at a meeting in the city council chamber last night. The election will take place at the annual meeting which will be held in May. Certain changes in the constitution were also finally adopted last night. Mrs. C. A. Eggert, president, was in the chair and there was a large attendance of members.

Doings of the Mosquito Fleet which is the chief source of Prince Rupert's prosperity

If Canadian fishermen are losing money under present halibut market conditions—and the most of them say that they have been losing this year—about the only solution will be for them to effect drastic changes in their methods, according to a waterfront authority. It is not to be expected that the situation in the future will be much different from what it has been so far this year for the cause bringing it about is a permanent one. The large number of big economically operated American schooners that have entered into the "halibut game" during the last twelve months have been increasing the production to such an extent that it has had a serious effect on the prices. It is said that more fish has been offered than could be absorbed. Strictly speaking, this is not the real trouble. The fact is that the quantity of fish offering has been so great that it has not been possible for the buyers to absorb it at prices such as prevailed in past years. This is but a working of the law of supply and demand. Nobody can be accused of discriminating against the fishermen and the remarks that one hears that the prices are being manipulated by the buyers is so much "piffle."

The solution of the difficulty lies with the fishermen themselves. They must adjust themselves to a new condition of affairs. If they cannot economically operate under conditions as they are today, they must endeavor to change those conditions. Cost of production on the part of the fishermen themselves must be reduced. Instead of drifting deeper in the hole, they must endeavor to find a means of getting out. This means is being adopted by the American fishermen. The U.S. fleet during the past year or so may be said to have been practically rebuilt. The gas engine is becoming obsolete and expensive. It is being replaced by the diesel type of motive power. Reports are to the effect that fuel costs are cut practically to a quarter and fuel costs are a big factor. Also, big boats are now the order of the day. By using them, overhead costs are reduced. The Americans are leading the way and it might be well for Canadians to follow suit. There are a lot of Canadian boats that

might as well be "junked" now instead of waiting till they break or drown their owners. This is the solution that seems most reasonable for the salvation of the Canadian halibut fishing industry which is groaning about a market condition for which there is hardly any hope of improvement.

**Fish Smoking**  
Jim Bacon expects to be located permanently by May 1 in the salting and smoking establishment on the government wharf formerly operated by Bill Shrubbsall. Jim will leave the ranks of the up-town retailers and his store will be involved in a merger of several retail concerns that is about to be closed. Jim sees a considerable future for the export fish business in his particular line and, when he gets established, he will probably extend considerably the plant he has taken over. His plan is to make the Bacon Fisheries into a concern that will cater to all the demands of the fish eating public. There is not a fish in the sea that anybody wants to eat that he does not know how to put up in the most efficient and up-to-date manner invented.

Next week, it is expected, will see considerable additions to the salmon trolling fleet in waters contiguous to Prince Rupert. The Balmoral Cannery is to start mild curing springs and other plants may do likewise. Canning will not start, however, till June. In the meantime, most of the canneries are already very active getting their premises ready for a busy year. Ambitious alterations and additions being made at many plants would give the idea that a "bumper" pack is anticipated. While it has been impossible to obtain an official declaration from the officials of the Canadian Fish & Cold Storage Co., it is generally believed that the Tucks Inlet cannery will not be operated this year. It is the "off-season" for the Queen Charlotte Islands and the canneries there will not run this year.

**Picture Box**  
Jeff Lambley, skipper of the P.R.B.H. launch 23, has discovered a new aid to navigation, the further acquaintance of which he intends to seek as soon as these strenuous skippers' paper examinations are over. The thing that he expects he will be able to revolutionize the present principles of navigation with is the camera. He intends to use this innocent instrument for the laying of courses and the photographing of rocks. He will establish a dark room in the wheelhouse of the "23" and there develop the valuable films which he could not be expected to entrust to the tender mercies of any of the up-town photographers. In twelve months' time he expects to have a "rogues' gallery" of rocks that will put to shame anything that Bertillon ever devised in the way of criminal identifications. In the meantime Jeff is willing to receive suggestions and instructions from all and sundry who know anything about a picture box.

Capt. Charlie Smith, well known locally as master of the freighter Chilliwack, successfully delivered the new Union steamer Lady Cecilia at Vancouver this week from the Old Country, where she was built. Capt. J. A. Findlay is now in the Old Country or near there to bring out the Catala which will replace the Venture on the cannery run.

The Lady Cecilia, which will run to Powell River from Vancouver, embodies some features new to Pacific coasting craft. She has fine lines but presents a strange appearance because of the great stability pontoons which have been built on each side of her hull above the water line. These pontoons are steel blisters forward but change to three-foot wide steel tanks which extend from just forward of

amidships aft to the turn of the stern plates.

**Mystery Ship**  
The report from the south that a "mystery" ship has joined the California rum running fleet revives a rumor that has been voiced since the disappearance of the big schooner Haysport No. 2, supposedly in the vicinity of Milbank Sound, last winter. The possibility has been expressed that the cargo of the Haysport might have been jettisoned and the course set southward for the more profitable carrying field. This idea is, however, discredited by most authorities though they are at a loss to understand how the Haysport could have disappeared without a trace in the "inside passage." In any case, there is great consternation among U.S. dry law officers to account for a big shipment that was mysteriously delivered last week to the California market. All the known rum runners were being kept close watch upon at the time.

W. G. Walford, the well known boat builder, is completing the last of twelve new rowboats which he has recently built for the Prince Rupert Boat House. These boats, which constitute the P.R.B.H. shipbuilding program for 1925, will be put in stock for sale or hire this year. They are of standard design twelve feet in length. The builder turns them out just like Henry F. does automobiles and you would be surprised how fast he does it.

The Inverness cannery tender Provincial, formerly the property of Capt. A. Swanson of this city, was in port on Thursday for her first load of supplies for the plant out of which she works. Resident in a new coat of paint and with her machinery in the best of working order after a winter's lay-up at the dry dock, the Provincial is again skippered by Frank Goodenough. She will pack supplies between here and Inverness until June when she will start to function as a tender with the opening of the sockeye season.

The new trolling boat Teklo O., built at Lewis Island for Sam Olson by Emil Rosang, was in port during the week outfitting at Hum's, Cow Bay. She sailed on Thursday on her maiden trip to the trolling grounds.

The Canadian halibut schooner Ringleader, Capt. M. Sollows, left for the banks on Thursday after having spent seventeen days in Cow Bay where she had new tanks installed, painting done and a general overhaul effected.

Local waterfront people are looking forward with a great deal of interest to the first trip here of the new C.N.R. steamer Prince Charles which will arrive here next Thursday relieving the Prince John. The Prince Charles has racy clipper lines and looks like a yacht. It is said that the nature of her bow may make it difficult for her to make landings at small out-of-the-way docks. Her dining saloon at present is located forward but it is proposed to have alterations made that will remove it to the conventional position aft. After the Prince Charles (or St. Margaret as she is now named) has made a trip or two, it is understood that she will be withdrawn to have extensive alterations effected to make her more suitable for service on this coast.

The basketball boys who made the trip to Anxox this week aboard George Frizzell's Laura F. had a rather rough trip of it. It took them twelve hours to make the voyage north and fifteen to come back. Both ways they had considerable of a dusting at the mouth of the Naas River. Skipper Bob brought them safely through, however, the boys themselves regularly taking their tricks at the wheel enroute.

The establishment of an office at Prince Rupert by the live Vancouver shipping concern of B. L. Johnson-Walton Co., which is headed by Capt. "Barney" Johnson, better known and more popular than whom there never was a navigator into Prince Rupert harbor, is a recognition of Prince Rupert's rising marine future. They say that "Barney" has something better under his hat for Prince Rupert than merely making a headquarters for his tugs here. He will be pressed for a statement when he comes

# BETTER THAN RICHES

Under the dome of the Board of Trade in Manchester, England, is this inscription: "A good name is rather to be chosen than riches." The thought is considerably more than mere sentiment. It is good business.

A good name is recognized as the biggest individual asset a business can have. It is the very keystone of modern industry. Business today is done on such a broad scale—every merchant and every manufacturer has such a long list of customers—that it would not do to have a reputation for "slipping something over"

Advertising has standardized almost every article you can buy. You don't have to bargain and dicker and haggle to know that you are getting as good as you give.

That's why it pays to read the advertisements and to buy advertised goods. A product's advertising is the best guarantee of its faithful performance and lasting usefulness or of definite value. The advertiser would not dare risk his good name by advertising an unworthy product.

If you value satisfaction—if you want to get your full money's worth every time—READ THE ADVERTISEMENTS and buy advertised merchandise.

Take advantage of the advertisements and get real value

here next.

Halibut landings have been heavy during the week and prices have been consistently low averaging something over the 7c mark for first class and 3c for second. A total of 877,900 pounds was handled; 755,000 from American boats and 122,900 from Canadians. The high price for American fish was paid by the Pacific Fisheries this morning to the schooner Havana 9.6c and 4c, for 45,000 pounds. The schooner Mab received the highest Canadian price also today, 10.1c and 3c, from the Gold Storage for 3,000 pounds. During the week there were also a few salmon arrivals, the prevailing price averaging over 12c for red springs.

Exclusive of today's arrivals, which are included in above totals, but are published elsewhere, the boats landing halibut here during the week have been as follows:

- American — Neptune, 45,000; Republic, 65,000; Ivanhoe, 23,000; Scandia, 60,000; Kodiak, 15,000; Majestic, 38,000; Eastern Point, 3,500; Rhona, 16,000; Eureka, 6,500; Eidsvold, 13,000; Pioneer III, 9,000; Fairway, 16,000; Atlantic, 32,000; Reliance, 18,000; Tree, 10,000; Hi Gill, 7,000; Grayling, 13,000; Western, 28,000; Sherman, 21,000; Brothers, 17,000; Vesta, 5,000; Belcher, 14,000; Gladstone, 20,000; Democrat, 18,000; Rainier, 42,000; Senator, 38,000; Yellowstone, 13,000; Sunwig, 10,500; Raoult Amundsen, 22,000; Portland, 40,000; Cora, 4,500.
- Canadian — Muirneag, 6,000; Fisher, 9,000; Point May, 6,500; Tildie S., 8,000; Ingrid H., 8,000; Yule, 3,000; Margaret I., 30,000; Hippo, 4,000; P. Dorreen, 6,500; Lysekil, 23,000; Verna, 5,500; Volunteer, 7,000; N. and S., 2,400; Swing, 4,000.

## SALES OF SALMON ACTIVE THIS YEAR

Says the Pacific Fisherman:—Considerable activity on the new pack has been reported in British Columbia during the last month. The 1925 Sockeye pack is now said to be sold out, mainly to the United Kingdom, which is now out with inquiries for Pink tails. Prices have shown an upward tendency, being now quoted at \$15 for Naas River Sockeyes and \$15.50 for Skeena; while sales of Pinks are reported at \$5.50. Some new business had also been done in Cohoes, but in a small way only, as packers and buyers are apart in their views. Quotations on this grade show considerable variation, but it is believed that business could be placed at about \$8.50 for talls and \$9.50 for halves. The small stock of spot Chums in the province is gradually moving off.

## HER FACE WAS COVERED WITH PIMPLES

SHE GOT RID OF THEM BY USING

## BURDOCK BLOOD BITTERS

Miss T. Hunter, R.R. No. 8, London, Ont., writes:—"I wish to recommend Burdock Blood Bitters to all women who are suffering from pimples or any other facial blemishes. About two years ago I was greatly troubled with pimples and sores breaking out on my face, and could get no relief until, finally, a friend recommended me to take B.B.B. This I did, and I am now glad to say that your remedy has given me the desirable results, and I now have a nice smooth, clear skin, as it has eliminated all the impurities from my blood."

Get B.B.B. when you ask for it; it has been on the market for the past 46 years; put up only by The T. Milburn Co., Limited, Toronto, Ont.

## TROPHIES FOR BASKETBALL

Season Brought to Close With Dance Last Evening in Elks' Home

The basketball season was brought to a fitting close last night at a dance in the Elks' Home staged by the Prince Rupert Basketball Association. Featuring the evening's proceedings were the official presentations of trophies won during the season by various teams and players.

The Gilhuly Cup, emblematic of Senior League championship, was presented by its donor, Fred Gilhuly, to the Sons of Canada, Vic Menzies, acting captain of the team, receiving the trophy. This is the second year that the Canucks have captured this cup. The Maple Leafs, Ladies' League champions, became permanent possessors of the Benson Cup which was presented by Mayor Newton to Miss Margaret Graham, captain of the team. The Maple Leafs have won this trophy for three years. Mayor Newton also presented the Grotto Cup, significant of Intermediate League championship, to Ralph Smith, captain of the Colts, and the McMorris Cup to Perry Baisler, captain of the Tiny Tims, Junior champions. The Colts seem to be permanent Intermediate champions, having won the title four years.

|  | 34 Latin abbreviation for year of our Lord |

adjudged the most useful to their teams in each league were presented as follows:

- Senior League, Vic Menzies Sons of Canada.
- Ladies' League, Miss Caroline Mitchell (Gil's).
- Intermediate League, W. Gray Grotto.
- Junior League, Spiro Gurvich Tiny Tims.

The Intermediate medal was presented by E. A. Mann and the other three by Ben Self.

There were about 150 persons at the dance. Music was furnished by the Serenaders' Orchestra consisting of Miss Irene Morrison, piano; Kenny Rood, saxophone, and Howard White and Alex Mitchell, traps and drums. Jack Campbell, president of the association, was master of ceremonies; Geo. Waugh, presided at the door, and Miss Mills and Ralph Smith were in charge of the serving of refreshments.

A. C. R. Yuill, Vancouver hydro electric expert, who reported this week on the possibilities of municipal power extensions at Woodworth Lake, returned south on the Prince George yesterday morning.

**IN THE SUPREME COURT OF BRITISH COLUMBIA.**

In the Matter of the "Companies' Act, 1921"; and  
in the Matter of an Application by the Rocher de Bonie Copper Company to be restored to the Register under Section 168 of the said Act.

TAKE NOTICE that an application will be made to the Presiding Judge in Chambers at the Court House, Prince Rupert, B.C., on Tuesday the 28th day of April, A.D. 1925, at one hour of 10.30 o'clock in the forenoon or so soon thereafter as the motion may be heard on behalf of the above mentioned Company for an order that the said Company be restored to the register of Joint Stock Companies.

AND TAKE NOTICE that in support of said application will be read the Petition of the Company issuer herein and the affidavit of Lewis W. Patmore sworn on the 30th day of March, A.D. 1925, and filed herein.

DATED at Prince Rupert, B.C., this 30th day of March, A.D. 1925.

W. O. FELTON,  
Solicitor for the Petitioner.

## BASKETBALL GIRLS GET NICE SURPRISE

Presented With Fountain Pens and Pencils by Miss Mills For Donors

The members of the Maple Leaf girls' basketball team were much surprised and pleased last night to receive presents handed them by Miss Mills, principal of Borden Street School, on behalf of a group of C.N.R. officials and members of the board of trade who went north with them at the time they played the match against Anox about three weeks ago. A small purse was made up at that time and the money handed to Miss Mill to expend on behalf of the girls.

With the money handsomely engraved fountain pens and silver eversharp pencils were purchased and the presentation was made at the dance last night, much to the delight of the recipients.

## Sport Chat

An international swimming meet in Honolulu during an entire week in June 1926 at which Oriental, Australian, Hawaiian and American swimmers will compete is being planned by Judge William T. Rawlins of the United States district court and Col. W. H. Beckman, president of the Illinois Athletic Club.

An effort is being made this year to have international horse endurance rides in the United States. Canadian entries are being invited. At Boise, Idaho, in September one of these endurance rides is to be staged, there will be another at Colorado Springs and a third in Vermont. All will be over three hundred mile courses.

Con Jones has closed his park in Vancouver to the British Columbia Football Association. Mr. Jones has been giving the park free to football and took exception to the provincial final being staged at another park. "I feel that the officials have broken faith with me and that I have been scurvily treated," stated Mr. Jones, in announcing that henceforth his park would be closed to the B.C.F.A.

J. A. Ward Bell, sales manager of the Prince Rupert Spruce Mills Ltd., is a golf enthusiast and a player of some skill. There were some 60 entries in a mixed foursome competition played over the course of the Vancouver Golf and Country Club on Good Friday. Mr. Bell and Mrs. Reid were the winners of the event.

## RIFLE ASSOCIATION SHOOT IS POSTPONED PRACTICE INSTEAD

There was to have been a Dominion Rifle Association shoot by members of the North B.C. Regiment at the Market Place range last night but the requisite 10 members did not turn up so there was a practice shoot instead with 22 rifles in preparation for the shoot which will take place on Monday for the Heilbronner cup and spoon and medal.

- The scores were:
- W. Brass . . . . . 96
  - G. McKeown . . . . . 94
  - R. Wilson . . . . . 92
  - W. Horrobin . . . . . 91
  - H. Floyd . . . . . 91
  - M. M. Lamb . . . . . 90
  - Col. Nicholls . . . . . 87

## BRIDGE AND WHIST TEA BY HOSPITAL LADIES' AUXILIARY

The Ladies' Auxiliary of the Prince Rupert General Hospital held a successful bridge and whist tea at the home of Mrs. M. M. Stephens, 412 Emmerson Place, yesterday afternoon. There were fourteen tables and the sum of \$33.50 was realized.

Prize winners were: Bridge, first, Mrs. G. W. Nickerson; consolation, Mrs. Fred Gilhuly; whist, first, Mrs. James L. Lee; second, Mrs. Gandow.

Mrs. Stephens and Mrs. Frank Dibb, president of the auxiliary, received. Mrs. T. E. Pringle had charge of refreshments and was assisted by Miss Mary Fawcett of Smithers and Misses Grace Andrews, Gladys Glover and Mamie Dolb of Terrace. Mrs. G. H. Arnott was cashier.

## CITY OF PRINCE RUPERT

Take notice that Eleventh Ave. from Conrad Street to Frederick Street will be closed for one month commencing Wednesday, April 22.

Residents are requested to get in their supply of coal, etc., before that date.

City Engineer.

R. G. Johnston, manager of the Inverness cannery, was a passenger going south to the Rivers Inlet district on the Venture this morning.

## IN PROBATE

**IN THE SUPREME COURT OF BRITISH COLUMBIA**

In the Matter of the Administration Act, and  
in the Matter of the Estate of Edwy Hicks Tavenor Hyde, deceased, Intestate.

TAKE NOTICE that by order of his Honor, Mr. Justice Young made the 16th day of April, A.D. 1925, I was appointed Administrator of the estate of Edwy Hicks Tavenor Hyde, deceased, and all parties having claims against the said estate are hereby required to furnish same, properly verified to me on or before the 16th day of May, A.D. 1925, and all parties indebted to the estate are required to pay the amount of their indebtedness to me forthwith.

NORMAN A. WATT,  
Official Administrator,  
Prince Rupert, B.C.,  
Dated the 16th day of April, 1925.
