GRAIN BUSINESS IS MAKING VANCOUVER

PASTOR OF VANCOUVER UNITED CHURCH REFUSES TO WORK WITH KLAN

Grain Business Making Much Activity for Port of Vancouver This Year

Ships from almost every prominent country lie in harbor awaiting cargoes and building boom results

VANCOUVER, Dec. 14.—The grain trade is making Vancouver a great shipping port. Formerly many vessels came here for lumber and general merchandise and shipped in quantities of goods from Great Britain, the Orient and other countries. Now the business in all these lines is increasing, largely because of the increase in the grain shipping business.

Today there is a building boom in Vancouver, caused by the grain business and its concomitant, the shipping business.

Ships flying the flags of nine major nations lie at anchor in Vancouver harbor. Foremost among the shipping in the port are flying the red "duster" of Great Britain, but American, Swedish, Norwegian, Japanese, French, Danish and German vessels also figure with several small craft who register under South or Central American flags.

Figures for ship arrivals and departures issued at the Vancouver Merchants' Exchange indicates today that every seafaring nation of any consequence has been represented in this port during the past six months with one exception. That exception is Spain. Where Cordova first showed the banner of Spain in these waters the yellow and red flag of Costille has not been seen in Vancouver harbor since January of last year. In the past two years but three Spanish boats have put into port, all to load grain.

American Second

For the past month the United States leads after the British. There were 14 Japanese vessels registered in to the port, with 20 registered as from the United States. Of the Jap craft four were owned by United States owners, but under Japanese registry. Forty-three British vessels, three Danish, six Norwegian, two French, two Dutch and one Italian made up the total of 88 arrivals for the month.

Arrivals during the first few days of December and the last two weeks of November show a healthy increase over the figures of last year from the figures now being totalled. This increase shows in every case but a couple of the nations trading into this port with the British, United States, Japanese and Scandinavian ships showing the largest increase of arrivals.

The grain trade is attracting the major portion of the new arrivals, shipping through the Panama Canal with the British Isles, Scandinavian countries, Germany and France as the customers. Canadian merchant marine ships show increased cargoes out of port and better carrying trade for the runs back from Australasian and South Sea points and also from Atlantic to the Pacific trade.

JAP INLET IS DEVELOPING

Captain Sullivan to Erect Fine New Residence on Porcher Island

Captain Sullivan arrived in town today from Porcher Island on his gasboat the Amy S. He has just completed the season's work in the service of the marine and fisheries department and is arranging to erect a fine residence at Jap Inlet, where he lives. He says good progress is being made at the Inlet and an active building program is planned. The Farmers' Institute, of which he is president, is an active organization and keeps in touch with the local situation.

Captain Sullivan is very optimistic about the future of Jap Inlet. He has a radio installed there and by its means keeps himself in touch with current events.

HOUSE TO SIT MORNINGS NOW

Adjournment of Legislature Expected to Take Place Before Christmas

VICTORIA, Dec. 14.—The Legislature begins morning sessions tomorrow in an endeavor to clear away the work and prorogue in time to permit the members to return home for the Christmas holidays.

The public accounts committee, which has been meeting mornings, held its final sitting this morning and it is expected the opposition resolution calling for a general beer investigation by a committee of the House will not be adopted.

HOCKEY GAME WITHOUT SCORE

Ten Minutes Overtime at Victoria Against Calgary Without Result

VICTORIA, Dec. 14.—So close was the hockey game Saturday night between Victoria and the visiting Calgary team that ten minutes overtime had to be played and even then neither side scored. This was the closest game yet this year in the Western Hockey League series.

JUDGE MACAULAY OF DAWSON IS IMPROVING

VANCOUVER, Dec. 14. — Mr. Justice Macaulay of Dawson, who underwent an operation here, is reported to be showing good improvement.

G. Woodruff, U.S. Customs officer at Ketchikan, was a passenger aboard the Princess Mary this afternoon returning north after a business trip to Seattle.

WILLIAM KEITH DIED SATURDAY

Well Known Resident Will be Buried With Military Honors Tomorrow

The death occurred at the hospital Saturday evening of William Keith, a well known citizen and former resident of the Yukon, after a long and lingering illness. He was well known here where he and Mrs. Keith had a wide circle of friends.

Born in Ireland 63 years ago, Mr. Keith had been in Canada 37 years and lived for some time at Nanaimo. Lured by the gold excitement of the days of '98 he was one of the first men to go to the Yukon and he staked on Bonanza Creek that year. Later he staked a bench claim on El Dorado and worked it for a time returning to Bonanza where he remained until he came here in 1912. He then visited Belfast for a year and returning here worked for a time in the employ of the Prince Rupert Coal Company.

Called by the war he enlisted in a forestry corps and while overseas contracted pneumonia, was sent home and discharged as unfit for further service. When the liquor office was opened by the government he was given a position there, but an attack of flue two years ago ended his active work. Since that time he has put up a valiant fight against the dread disease that eventually took his life. A year ago he and Mrs. Keith celebrated their 40th wedding anniversary. They had six children but all died from diphtheria years ago.

Two months ago Mr. Keith went to the hospital and was there for a month. About two weeks ago he returned there again and remained until his death. He will be given a military funeral under the auspices of the G.W.V.A. and the Masons of the city on Tuesday afternoon. He was a member of Kilwanin Lodge A.F. and A.M.

STANDARD OIL MEN ARE GOING NORTH

Two Directors From 'Frisco and Officials From Seattle Were Passengers on Princess Mary

Making the round trip to Skagway aboard the Princess Mary which was in port this afternoon were J. R. Douglas and C. H. Robertson, of San Francisco, directors of the Standard Oil Co. of America; E. J. Timmins, of Seattle, superintendent engineer, and J. R. Jones, also of Seattle, marine superintendent. They are on a trip of inspection to the company's holdings in Alaska.

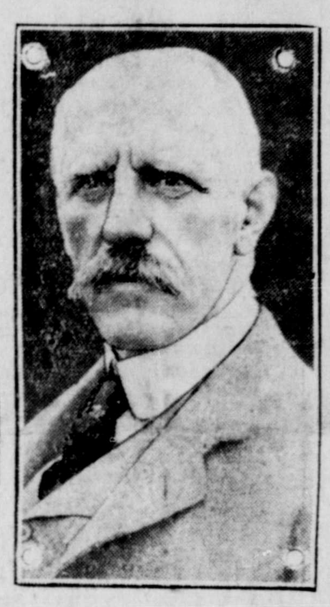
ELECTION TODAY AT EDMONTON FOR MAYOR

Blatchford Running Again and Several Other Candidates in Field

EDMONTON, Dec. 14. — The election of mayor and aldermen is taking place here todoy and the vote promises to be a large one. Mayor Blatchford seems to be the big gun of the mayoralty. Other candidates are J. W. Adair, closely allied to some of the big interests; Rice Sheppard, a farmer living in the city and Alderman Collison.

WOMAN MAKES VENTURESOME CANOE JOURNEY

SASKATOON, Dec. 14. — Miss Kathleen Rice, B.A., a woman prospector, who had been missing for the past two weeks in the Rice Lake mining district, safely returned to The Pas, after making her way over six lakes and 22 portages with a twelve foot canoe.



Dr. Fridtjof Nansen, noted explorer, who was elected rector of St. Andrew's university by 216 votes as against 160 for John Galsworthy, the writer.

KHYEX RIVER BRIDGE IS IN

Repair Equipment is Now Working in on Big Slide at Kwinitsa —First Train Set for Friday

The date for the passing of the first train through the present trouble area on the railway line between Kwinitsa and Usk has been advanced to Friday of this week by W. H. Tobey, C.N.R. superintendent. It had been originally hoped that the trains might start moving on Wednesday. However, the work of making repairs is proceeding as rapidly as possible and service will be restored at the earliest practicable moment, either by running the trains right through or by making transfers.

Repairs to the Khyex bridge, in progress all last week, were completed yesterday morning at 9 o'clock and the equipment has reached the big slide at Kwinitsa where it is now working. From the East, the first bridge near Usk has now been put in passable shape and work is proceeding on the second. These bridges again in shape, the equipment will be allowed to move westward to work on the slides and washouts from that direction.

KILLED IN AN AUTO ACCIDENT

Anthony Cyr Thrown from Car and Skull was Fractured

INQUEST TO BE HELD.

Vehicle Turned Upside Down on Muskeg on Eleventh Avenue

Anthony Cyr, commonly known as "Buck," aged 23, was killed about 3.30 Sunday morning, in an automobile accident on Eleventh Avenue East in the 1100 block. John McKay, who was in the car which was being driven by Cyr, received only a scratch on the back of the hand at the same time, but temporarily lost consciousness. The car, license number B.C. 22-215, turned completely over after leaving the roadway and the top was smashed. Pending the holding of an inquest, exact details as to the nature of the accident are not forthcoming.

According to the report of City Police Sergeant A. H. Bailey, who attended, he received a hurried call at 4 a.m. to Eleventh Avenue East where the accident had occurred. On arrival at the scene just near 1609 Eleventh Avenue East, he found the car upside down on the muskeg over the left hand side of the roadway. The officer was met by R. McKay, dairyman, who informed him that he had sent the driver of the wrecked car to the hospital. Sergeant Bailey then examined the scene of the accident and found that the car belonged to R. Arthur's taxi service. The track of the wheels showed that the car had zig-zagged from the right to the left of the road and then had skidded on the left hand guard rail, turning completely over into the muskeg, bottom uppermost. The car was going east but, after the accident, was facing west.

Attended Wedding

The only witness of the accident, according to the police report, was John McKay who stated that he was in the car at the time. He drove the car to the residence of M. G. Edgar, 728 Lotbiniere Street, to pick up Cyr who had been attending a wedding there. They left the Edgar residence at 3.15. Cyr took the wheel and was driving McKay home. Questioned as to Cyr's condition, McKay said that he seemed to be happy.

After examining the scene of the accident, Sergeant Bailey proceeded to the hospital where he was informed that Cyr was dead. Dr. L. W. Kergin stated that deceased's skull had been fractured. The body was turned over to the B.C. Undertakers and ordered not to be interfered with pending an investigation. The car was also ordered to be not removed.

The late Anthony Cyr was 23 years of age and was born at Black Lake, Quebec. A sister, Mrs. C. Latimer, Boissevain, Man. has been communicated with. The funeral will take place under the auspices of the Moose Lodge of which deceased was a member. He had resided in the city some 2½ or 3 years and has followed the business of a car driver.

An inquest opened at 1.30 this afternoon before Coroner Norman A. Watt. The jury consists of G. H. Munro, E. J. Large, Joe Bent, J. D. McLeod, Joe Brown, and George Bushby. After the remains had been viewed, the taking of evidence commenced, among the witnesses being R. McKay, John McKay, Dr. L. W. Kergin, Sergeant A. H. Bailey and Mark Edgar.

United Church Clergyman in Pulpit Tells of Refusal to Fight Drugs with the Ku Klux Klan

VANCOUVER, Dec. 14.—Answering a letter addressed to him by Dr. Keith K. Allen, "Imperial Kliaiff," inviting him to come to the headquarters of the Ku Klux Klan here, Rev. J. Richmond Craig, pastor of the First United Church, last night declared from the pulpit that he would not go to the "Imperial Palace" to discuss the anti-narcotic campaign projected by that organization.

British justice, Mr. Craig declared, did not need the help of the Klan and he further stated that the organization did not include the liquor evil in its objectives.

CANADIAN PRESS IS SUED BY CAMPBELL OWNER OF BULLETIN

Refusal to Grant Edmonton Paper Franchise Results in Court Action

EDMONTON, Dec. 14.—When the Edmonton Bulletin went out of business temporarily, the Canadian Press franchise was dropped and the Journal published a morning edition. Charles E. Campbell of Vancouver, purchased the Bulletin and applied for a franchise which was refused except upon such terms as the Bulletin felt it could not comply with.

The Bulletin commenced to publish and has since started an action against J. H. Woods, John Imrie and the Canadian Press charging them with conspiracy in restraint of trade and asking damages to the extent of $110,000.

HIGHEST WIND OF YEAR IS RECORDED

Gusts Between Midnight and Six O'clock This Morning Reached Velocity of 50 miles Per Hour

Prince Rupert had its most severe gale of the year between midnight and 6 o'clock this morning when the wind in gusts reached a velocity of 50 miles per hour. There seems to have been no damage of consequence done. S. C. Jackson, Dominion meteorologist, reports that one of the lines to the aerial masts at the Digby Island wireless station was broken but this did not interfere with radio service.

LOCAL BOYS ARE MISSING

W. Moorehouse, 16, and W. Richards, 14, Left For Metlakatla But Have not Reached There

It was reported to the provincial police at 12.30 noon today that two local boys, W. Moorehouse, 16, son of Mr. and Mrs. J. W. Moorehouse, Eighth Avenue East, and W. Richards, 14, son of Mrs. Richards, Sixth Avenue East, left Cow Bay yesterday morning at 11 o'clock in an unnamed 20-foot gasboat apparently for Metlakatla which place they had not reached up to this afternoon. The provincial police and others have instituted a search to ascertain what happened to them. There is a report that they were seen at Tucks Inlet but this is not confirmed.

United States And European Politics.

President Coolidge in his annual message to Congress takes credit for remaining out of European international politics and says the success of the Locarno security agreements represent the success of the policy of having European countries settle their own political problems without involving the United States.

Yet Mr. Coolidge knows that unless European international politics move smoothly, the debt to the United States cannot be paid. He also knows that eventually all the big countries of the world must unite for control of world policies if there is to be an end of war and a commencement of an era of real progress.

No Big Plan Is Yet In Sight.

The League of Nations was the first big plan outlined and attempted with a view to bringing about better conditions in the world. The Locarno securily pact is simply a detail in connection with the working out of international political affairs under the new order. So far there are several nations not yet parties to the League. The United States stays out because she fears being involved in the frequent quarrels of the smaller nations across the Atlantic. Russia stays out because, apparently, she is still hopeful of bringing about a world revolution against the old order of capitalism before tying up with the other nations. She sees the League of Nations or any other league or federation of the nations of the world as a stumbling block in the way of the rule of the proletariat under her system.

No big plan is yet in sight for unifying the nations of working out a general scheme of world betterment. In the meantime each nation is evolving in its own way toward a more enlightened system of government. In some countries changes are coming rapidly and in others slowly.

Many Accidents But Few Fatalities

There have been many accidents in this city from cars overturning but very few fatalities. Drivers of cars have been lucky. They have escaped because fortune has been kind to them. The accident at the week end is one much to be deplored. It shakes the confidence of the public in the ability of drivers. In a city like this, the most extreme care is required in handling cars. The roads here are not very wide and when a car goes off it is pretty sure to upset. The present fatality is one that will be a lesson to others who are driving but the difficulty is that these object lessons are not long remembered. We very soon become careless again until once more reminded.

Put More Trust In Powder Than God.

Viscount Cecil says the nations of the world put more trust in powder than they do in God. In other words they are not yet prepared to trust each other. We are all suspicious and often with good cause. We are suspicious of each other in private life, in business, in political life and it naturally follows that we should be suspicious in international life. As the individual is, so will the nations be. We cannot expect our international relationships to be clean and honorable and in the best interests of the world until the lives of the individuals conform to the same standard.

BASKET SOCIAL OF NORWEGIANS

Singing Society Directed by John Davey Made its Debut

The recently organized Norwegian Singing Society made its debut to the public on Saturday night at a recital and basket social which was successful both socially and financially. There was a large attendance and the entertainment, under the capable direction of John E. Davey, was of a splendid character considering the short time that the choir has been practising. It should undoubtedly prove a decided acquisition to Prince Rupert musical circles. The choir consists of some 25 members and the president is I. Feness who presided at the recital. Miss M. A. Way was accompanist.

The program was as follows:

Address in English — B. M. Simpson.

Songs by Singing Society (encored).

Vocal solo—Mrs. L. O. Larsen (encored).

Address in Norwegian— John Dybhavn.

Songs by Singing Society (encored).

After the recital, refreshments were served and baskets were auctioned by L. O. Larsen. Then there was a dance, music being furnished by Lindseth's Orchestra. The committee consisted of Mrs. Jack Ivarsen assisted by Mrs. R. Pedersen, J. Johnson and John Wick.

THE MAN IN THE MOON says:

A BACHELOR is described as a man that does not have to do as he is told.

THE sure test of your ability is to be able to spend an evening at home alone without feeling bored.

THE greatest compliment you can pay a girl is to present her with a loud speaker for Christmas. A lot of girls do not need one.

FUR coats are all the rage just now. They make the husbands rage when they have to pay for them.

JUST a little bit of fur—
I can almost hear the pussy purr,
But its costing me a mint
To pay for that brownish tint
Of the only pelt that's suitable for her.

IT used to be the cat's whiskers everybody was talking about, and now it is her fluffy fur.

SOME like to wear a beaver
And some revel in mink
But I like best the pussy's fur
It suits me best I think.

ONE girl told me she had a mink stole around her neck and then there was that little bit o' fluff who when asked what she liked best over her shoulders said she liked a bare.

OH my; oh golly! oh gee!
Just think what a time there'll be
When Christmas comes
And all us bums
Will go out on the spree!

BEBE DANIELS HERE IN THE CROWDED HOUR

Story of Theatricals, Love and War Shown Here Tonight and Tomorrow

Bebe Daniels in "The Crowded Hour" has the role of Peggy Laurence, a telephone operator who aspires to a career as an actress. T. Roy Barnes, her pal, also has a yen to act, and they try out their talents on New York's Bowery crowd.

Kenneth Harlam, a rich young fellow from upper Park Ave., falls for the pretty Peggy. He has a wife, but their married life is not congenial. Even Frank Morgan, as a friend of the family, cannot get things straightened out.

Harlan gets Bebe a job in the "Follies," with Barnes as a foil. Then the war comes, and Bebe and Barnes go to France as "Y" entertainers. Bebe's real purpose, however, is to be near Harlan, who has enlisted. She entertains the soldiers in the front line trenches, goes through a gas attack and makes a wild ride on a motorcycle in an effort to save Harlan, who has gone to destroy an ammunition dump before the enemy reach it.

While in a field telephone dugout, Bebe realizes that there is something more in life than the love for one man and instead of warning Harlan of the attack she plugs in on an open line and saves an entire division of French troops. Bebe is blinded by an explosion that follows and is taken to an excavation hospital where Harlan's wife nurses her back to health. The two come to an understanding of their love for the same man.

Bebe heroically gives up Harlan who returns to the scene an exchanged prisoner, and turns to the tireless devotion of her stage partner.

WIFE OF CENTAUR IS STORY OF MODERN LIFE

The mid-week offering at the Westholme is the dramatized version of a story by Cyril Hume the popular novelist. It is the story of Jeffrey Dwyer, Yale man and a poet, sensitive and ardent beneath layers of sophistication; of Inex Martin, a vivid young beauty making her laughing way through a crowd of adorers of whom Jeffrey was the most ardent; and of little Joan Conversey who gave her heart, unasked, to Jeffrey, and watched with hot eyes and a bitter spirit, as he humbled his proud head before the careless mockery of other women. It is the story of the young generation written by one of them; written with maturity and power, and with a note of high idealism behind the surface sparkle and levity. The production was made for Metro-Goldwyn by King Vidor, and Eleanor Boardman, Aileen Pringle and John Gilbert are cast in the leading roles.

JANICE MEREDITH IS WEEK-END PICTURE

Marion Davies is Heroine of Story of American Revolutionary Days

Spectacular scenes of famous episodes of the American Revolution are accurately reproduced in "Janice Meredith," Marion Davies' pretentious production, here at the week-end.

Washington crossing the Delaware, a living reproduction of the famous painting by Trumbull, is also a gripping chapter of the photoplay. A channel 400 feet wide had to be cut through the Saranac River in the Adirondacks to permit the crossing of specially constructed flat boats and rafts, transporting the soldiers and loaded with cannon, oxen and supply wagons.

Paul Revere's immortal ride—when his horse's hoofs resounded through the night, when startled heads appeared at windows in answer to his call, and when he took desperate jumps over fences and hedges, is full of thrills and artistic effects.

The battle of Trenton—Washington's timely attack, and the victory is vivid and gripping, a magnificent bit out of history.

When Benjamin Franklin, in his sober garb, pleaded for aid to the Colonies at the Court of Louis XVI, at Versailles, and the thousands of French nobility in their gorgeous brocades and satins and elaborate headdresses surrounded him—all reflected in enormous mirrored walls with sparkling chandeliers—is another historical scene.

The hardship and suffering of Washington and his troops is vividly depicted, when the General shared the cold and misery endured by his soldiers at Valley Forge; while on the opposite side of the Delaware Gen. Howe was tendered a farewell ball by his officers at the Wharton Villa. Beautiful women, richly gowned and bright coated British officers danced on polished floors, lighthearted and comfortable; while the American soldiers attempted to keep warm near their camp fires—a striking contrast, wonderfully photographed.

The Boston Tea Party, a magnificent night scene.

LABOR BANQUET GREAT SUCCESS

Many Interesting Addresses were Given at Big Event Saturday Night

PRESENTATION MADE

Principles of Organized Labor Discussed by T. J. Shenton, Mine Inspector

The third annual banquet of the Prince Rupert Trades and Labor Council was held in the St. Regis Cafe on Saturday evening. The attendance was large and much enthusiasm was displayed. There was an excellent program of music and addresses.

The gathering was presided over by President S. D. Macdonald, who, in a brief opening address, said the banquet was primarily for the purpose of bringing the workers together. He outlined the accomplishments of the local council during the year.

Mayor Newton read a humorous poem, concluding with a fitting reference to the principles of organized labor.

The chief address of the evening was by T. J. Shenton, inspector of mines, and a former president of the Nanaimo Trades & Labor Council. He spoke in an interesting manner on the fundamental principles of organized labor. His address was greatly appreciated.

Archdeacon G. A. Rix and Principal J. C. Brady were also speakers, the former describing his travels through the district during the past year and punctuating his remarks with many humorous reference and the latter along educational lines.

Aldermen Spoke

Labor members of the city council—Ald. Brown, Ald. McKechnie and Ald. Larsen—spoke on municipal administration during the year, the first two briefly but Ald. Larsen at greater length. Ald. Casey was not present.

Brief addresses were also given by J. J. Gillis, Carpenters' Union; J. H. Meagher, Halibut Fishermen's Union; Harold J. Smith, Engineers' Union; T. Black, Electrical Workers' Union; C. J. Tucker, Car Workers' Union; A. Hudema, Sheet Metal Workers' Union; Frank Derry, secretary of Trades & Labor Council, and F. Cummings, of Vancouver, a director of the Vancouver Exhibition Board.

During the banquet, there were selections by Prof. Pryce's Orchestra consisting of Prof. H. Aubrey Pryce, Mrs. Gawthorne and Kenny Rood. The program was interspersed with many fine instrumental and vocal numbers. There were songs by E. Sabourin, Jack McLean, Mr. Fortune, T Wilson, Jas. Black, H. Astoria, a harmonic solo by T. Miller and a selection by the Westholme orchestra.

Presentation Made

One of the most pleasant features of the evening's proceedings was the presentation by Vice-President James Black to President S. D. Macdonald of a beautiful set of five pipes in case as a recognition of the latter's many years of efficient service as president of the council. Mr. Macdonald, who was taken altogether by surprise, nevertheless made a suitable reply.

The Way Out

They had just sealed their engagement with a kiss.

"And, David dear, I am a graduate in home economics," she whispered.

"Well, never mind that," he returned generously. "I suppose we can board."

PARTY ON SATURDAY IMMENSELY ENJOYED

Mr. and Mrs. Andrew McDonald Entertained Friends in Elks' Hall

Mr. and Mrs. Andrew McDonald, Fifth Ave. East, delightfully entertained some fifty of their friends in the Elks' Home on Saturday night. The evening was gaily spent in dancing, in which moonlight waltzes and serpentine dances were much enjoyed, to snappy music furnished by Arthur's orchestra, consisting of Mrs. R. P. Ponder, piano; D. Eastman, saxaphone; and R. Arthur Jr., traps and violin.

Delicious refreshments were served at 11 o'clock under the supervision of Mrs. McDonald, assisted by Mrs. Harold Ponder, Mrs. James Parsons and Mrs. James Morrison, when novelty features were introduced, causing much merriment.

Each plate carried a raffle number for a box of stationery which was won by Mrs. R. P. Ponder with ticket No. 20.

The singing of "For They Are Jolly Good Fellows," followed by "God Save the King" brought a very happy evening to a close at midnight.

PEDESTRIANS MUST BEWARE

Have no Prior Rights on Highway Alberta Appeal Court Decides

EDMONTON, Dec 14.—"Some pedestrians seem to think that they have a superior right to vehicles on any part of the highway. They certainly have on the portion especially set aside for them, but they as certainly have not on the portion especially provided for vehicular traffic though for the purpose of properly crossing such portion they have an equal right with that of vehicles."

In these words Chief Justice Harvey of the appellate division determines the rights of a pedestrian on a highway. He has handed down written judgment in the appeal of Turpie vs. Oliver, allowing the appeal of Arthur Oliver, the driver of an automobile against an award to Jas. and Mrs. Turpie for injuries sustained by the latter on being knocked down by Oliver's auto mobile. Mr. Justice Hyndman concurred in the chief justice's judgment and Mr. Justice Beck agreed with the result. On the other hand Mr. Justices Stuart and Clarke would have dismissed the appeal.

She Was Troubled With Chronic Constipation

Once your bowels become constipated you are in for a lot of trouble, as constipation is one of the most prolific sources of disease that the human race is addicted to, therefore a free motion of the bowels every day should be the aim of everyone who aspires to perfect health.

Mrs. O. W. Lawrence, Cloverdale East, N.B., writes:—"I was troubled with chronic constipation, and became so bad I was almost afraid to eat anything.

One day I saw your advertisement of

Milburn's

LAXA-LIVER ·PILLS·

so I got three vials, and after taking them I have never been troubled since with constipation."

BASKETBALL GAMES PLAYED

Girls and Junior Boys Both had Hoop Contests Saturday Afternoon

Two very interesting basketball games were played in the Exhibition Hall on Saturday afternoon when two girls teams, the Cyclones and the Collegiates played a very close game and the junior boys' teams, the Go-getters and the Stars, also put up a pretty good exhibition. Alex. Mitchell refereed in each case.

Junior Boys

In the junior boys game the Stars led in the first half by 7 to 2 and seemed to be having it all their own way. After the interval the Go-getters bucked up a lot and crept up on their opponents but not enough to overtake their earlier losses with the result that the Stars won by 13 to 10. For the winners Harold Macdonald scored 9, Jimmie Bryant 2 and Bill Collison 2, while for the losers Eddie Smith put in 6 and Gorden Vierick and Joe Scott two each. The teams were:

Go-getters—Eddie Smith, Joe Scott, Gordon Vierick, Dan Mackenzie, Buster Hill and Boddie Stalker.

Stars: Bill Murray, Harold Macdonald, Jimmie Bryant, Bill Collison, and Alan Cross.

Girls' Game

The girls' game was so close that on two occasions during the game the sides were tied. Margaret Kergin scored twelve for the Cyclones and Helen Nucich 1. For the Collegiates Phyllis Harvey made 12, Vera Smith 2, and Virginia Reil 1. The teams were:

Cyclones—Rhoda Lamb, Margaret Kergin, Christine Nucich, Helen Nucich, Victoria Krikovsky and Margaret Gilchrist.

Collegiates.—Verna Smith, Ada Menzicor, Phyllis Harvey, Virginia Reil, Winnie Thomson and Evelyn Roberge.

Physical Culture

An exhibition of basketball and physical culture is to be given at the Exhibition Hall Tuesday evening for the purpose of raising funds for the expenses of the hall for the basketball games.

SPORT CHAT

Events for the week are scheduled as follows:

Monday (tonight) — Cribbage League: Elks vs. St. Andrew's; G.W.V.A. vs. Cold Storage; L. O. L. vs. Dry dock; S. of C. vs. P.R. Hotel; C.N. Operating vs. Moose; C.N. Mech. vs. K. of C.

Thursday—Men's Whist: G. W. V.A. vs. St. Andrew's; S. of E. vs. L. O. L.; Elks vs. K. of C.; Moose vs. Oddfellows.

Friday—Ladies' Whist: L.O.B.A vs. Moose Ladies; D. of E. vs. Pythian Sisters.

Week-end—High School basketball games at Anyox between Prince Rupert and Anyox.

Stanley Newman, professional billiard champion of the South of England and younger brother of Tommy Newman, the British billiard champion, has arrived in Canada with the intention of residing. He will shortly start on a playing tour of the Dominion which will bring him to the Pacific Coast. Next year he will take part in the Billiard Association of Canada annual professional matches. Newman has a high break record of 752.

Walter Wilson was dismissed in the city police court this morning on a charge of supplying liquor to Indians.

WARM AUTUMN NAAS VALLEY

All Snow to Timber Line Melted: Duck Failed to Arrive: Cabins Broken Into

NAAS RIVER, Dec. 14.— During the last week the weather in the Naas Valley has been decidedly unseasonable. Following the usual late November snowfall, the weather changed and the thermometer jumped up to about 50 deg. and the rain commenced. During the 48 hours, beginning December 5, 4½ inches of rain fell. This rain in conjunction with a warm wind melted the snow on the mountains, nearly to the timber line and caused a near flood on the river. Such a warm wet spell, so late in the year, has not been experienced since the year of the flood on the river when the old village of Aiyansh was washed out.

The telegraph lineman's cabins have been broken into by Indians, who have used them for a night, when en route to Terrace.

There are no ducks in or around Aiyansh this year. This statement can be verified by Messrs. Studdy & Hoadley, who have searched the sloughs and the rivers and lakes within a radius of five miles on six different occasions, the sum total of the bag being: one duck of unknown species, three rabbits shot in the dark and full of lead, and one grouse. Verily I say these hunters must have patience equal to and even surpassing Job's

According to report the "Naas River," the only launch belonging to a white man on the river, will be run again next spring. Unless high water prevails all the time this boat will have to be tied up because the river has become too shallow in spots for a boat of such draft to navigate safely.

REPORT OF DELEGATES WHO VISITED RUPERT

Mention Made of This City in Connection With Canadian Tour of Messrs. Wright and Dring

The two delegates of the British Passenger Agents who recently toured Canada and came to Prince Rupert, Charles Wright and R. Dring, have made their report which has been printed and is now in circulation. Speaking of their visit here the delegates said:

"From Victoria we went to Prince Rupert by water—a delightful route for tourists. On the way we called at a village where a monster wood pulp and paper mill is established.

"Prince Rupert is a prosperous, growing town, containing the largest, it is believed, fish cold storage in the world, which we visited, as well as a large timber saw mill. The surrounding district contains much valuable land and forest. Farm land is being developed, the soil being very suitable for all kinds of produce and dairy farming. One ex-soldier established himself on land near the railway line and is now supplying the town with milk and all kinds of farming and dairy produce."

ONLY WOMEN UNITED CHURCH

No Men Took Part in Service Last Evening; Miss Haddock Gave Address

The service at the United Church last evening was taken entirely by the women of the congregation under the auspices of the Women's Missionary Society. The proceedings were of a very interesting character and there was a good attendance.

There was a special women's choir and soloists were Miss Bessie Derry, Miss Catherine Harvey and Mrs. P. C. Miller. A vocal duet was rendered by Mrs. McGregor and Mrs. A. J. Squire. The opening exercises were conducted by Mrs. G. G. Hacker, president of the Women's Missionary Society, and a fine address was given by Miss Isabel Haddock, deaconess, on "Women's Place in the Church."

Intimation was made that Rev. Evan Baker would take charge of the making up of Christmas Cheer packages for men in the hospital who are away from home. Contributions will be received next Sunday when there will be a special service by the Sunday school children including a dramatization of the Christmas story.

MARRIED QUIETLY SATURDAY EVENING

Miss Mary Edgar Becomes Bride of Thomas Lidstone at United Church Parsonage

The marriage took place quietly in the United Church Parsonage at 7.30 Saturday evening, Rev. G. G. Hacker officiating, of Miss Mary Edgar, daughter of Mr. and Mrs. Mark Edgar, 728 Lothiniere Street, and Thomas Lidstone, son of Mr. and Mrs. Thomas Lidstone, Victoria, and brother of Dan Lidstone of this city. The witnesses of the ceremony were Mrs. Ella Killreath and A. H. Cyr. After the service, a reception was held at the home of the bride's parents.

The bride is well known in the city having resided here for many years with her parents. She has been a member of the Canadian Laundry staff. The groom has been here for the past year or so and is a member of the staff of Joe Brown's taxi service. Mr. and Mrs. Lidstone will take up their residence in the McMordie Apartments.

LUMBER TRADE OUTLOOK GOOD

Optimism Prevails in Connection With Business on Vancouver Island

VICTORIA, Dec. 14. — Many factors contribute to an optimistic forecast of the conditions of the lumber industry on the Island, in preparation for improved demand in the new year. The announcement that the International Harvester Co. has acquired a controlling interest in the Beaver Cove Pulp and Paper Company, and that new mills are contemplated, is the latest development in the policy of cutting on the Island instead of towing logs to Mainland mills on both sides of the line.

With the approach of the New Year it is expected two additional large plants will be in operation. Mill construction is exceptionally active at the present time, and also logging, as was shown in a statement to the Chamber of Commerce yesterday that the Cowichan Lake district pay roll alone represented about $600,000 a month. The figures published from Port Alberni recently to the extent of business of the Alberni Pacific Lumber Company shows that that mill is also increasing production.

Optimism Prevails

Everywhere there is a spirit of optimism, based on the assurance that the demand for lumber will show an upward turn next year. The expected early removal of the lumber arbitrary rate from the Island on shipments to eastern United States points is also expected to be a distinct advantage.

Considerable improvement is reported in connection with the general lumber situation on the Island, due to the stimulus in demand from offshore orders. Inquiries from Japan, Egypt, Australasian and South African markets are reported.

Large Tie Order Received

A large order for ties for 1926 delivery has recently come to the Province, and inquiries from a number of points are encouraging. Apart from the flutter in housing construction in Florida, due to the real estate boom, the United States market is quiet. Japanese timber men have stated that their orders placed on this side for the coming year will be of a steady character, with distinct improvement on the demand of 1925.

The middle Western retail yards do not fill up until after the New Year, so that the demand is not expected to be brisk until after Christmas from that quarter.

CONSERVATIVE OPINION OF P.G.E. PROPOSAL AS MADE BY C. WOODWARD

Paper Does Not Like Type of Morality Represented by Wildcatting Railway on Englishmen

(Nelson News)

"Let us bonus the Englishmen to take the P.G.E. off our hands at what we have sunk in it," says, in effect, Charles Woodward, Vancouver's elected Liberal turned Independent, marking the bonus figures at 20,000 acres a mile, thus showing what he thinks of the railway as a business enterprise.

A moment before he expressed "regret that the finance minister had not seen fit to provide in his budget for completion of the Pacific Great Eastern to North Vancouver and Prince George."

The morals shown in this peculiar stand are a little difficult to understand.

Over $4,000,000 would go into would gratify the vanity of these useless extensions, which Prince George and—call it the great heartedness—of Vancouver, but would not develop tonnage.

Because Vancouver modestly wants the line to tail down to it, Mr. Woodward is for the proposal, and also for the other extension, in spite of the insane financial aspect.

Yet he proposes wildcatting the system on the Englishmen—which would certainly seem worthy to be called "a dirty Irish trick."

Mr. Woodward has left the Liberal caucus, after a year of constant slamming of the premier he was elected to support, and regards himself as an Independent. But the premier's P.G.E. bait, if such it is, to Vancouver to return a cabinet minister—such things are now talked of—finds Mr. Woodward an eager supporter of the proposal.

The worthy member seems independent in various directions—one of them being ethics.

OLD COUNTRY GIRLS REPAY PASSAGE MONEY

TORONTO, Dec. 14. — The natural honesty of women has been well demonstrated in the success that has attended the plan of bringing Old Country girls to Saskatchewan under the Assisted Passage Scheme, remarks J. J. Kelso, superintendent of Neglected Children for Ontario. Officials of Saskatchewan brought over 591 young women and of this number 539 have repaid their loans in full and the balance have paid a large proportion of the money advanced. Altogether the Province of Saskatchewan paid out $49,723 and has received back $49,433. The records show that 268 of the young women are in country positions, 169 in city employment, 35 have gone to other Provinces while 107 are married and residing within the province. The figures given are for the years 1920 and 1923 inclusive.
