Washington Won Today's Ball Game by Score of Four to Three in Third of the World Series

PITTSBURG, Sept. 10.—Things broke against the Pittsburgh Pirates today and the Washington Senators, baseball champions of the world, won the third game of the world series by a score of four to three.

Goose Goslin, home run king of the last World Series, knocked out a circuit clout, the only one of the game, for Washington in the sixth with no men on.

The game was watched by a capacity crowd including President Coolidge, and many distinguished government officials and members of the Senate.

Washington made four runs, ten hits and one error. Pittsburgh made three runs, eight hits and two errors.

The Senators now have two games to their credit and the Pirates, one. The fourth game will take place here tomorrow.

The batteries were: Ferguson and Ruel for Washington and Kremer and Smith for Pittsburgh.

First Inning Pittsburgh.—Moore walked. Carey hit by pitched ball. Cuyler flied out to Goslin. Barnhardt hit into double play. No runs, no hits, no errors.

Washington.—Rice thrown out at first. Stan Harris flied out. Goslin went to first on passed ball third strike. Judge grounded out. No run, no hits, no errors.

Second Inning Pittsburgh.—Traynor hit three bagger scoring on Wright's sacrifice fly to Goslin. Peck got Grantham's pop fly. Smith flied out to Peck. One run, one hit, no errors.

Washington.—Joe Harris fanned. Myer thrown out. Carrie dropped Peck's easy fly, runner going to second. Ruel walked. Ferguson fanned. No runs, no hits, one error.

Third Inning Pittsburgh.—Kremer fanned on four balls. Moore fouled out to Ruel. Carried bunted, being thrown out at first. No runs, no hits, no errors.

Washington.—Rice singled over second. Stan Harris sacrificed. Goslin flied out to Cuyler. Rice going to third. Judge hit two bagger, scoring Rice. Joe Harris thrown out at first on grounder and Judge thrown out at plate trying to score. One run, two hits, one error.

Score one all.

Fourth Inning Pittsburgh.—Cuyler got a two base hit into left centre. Barnhardt singled into left. Cuyler scoring. Barnhardt going to second on a throw in. Traynor walked. Peck threw Wright out. Grantham popped to Judge. Smith walked. Kremer fanned. One run, two hits, no errors.

Washington.—Myer walked. Peck forced Myer and was put out on a steal. Ruel flied out. No runs, no hits, no errors.

Score: Pittsburgh, 2, Washington 1.

Fifth Inning Pittsburgh.—Moore fanned. Gary singled over second, going to second on Rice's delayed throw. Myer threw out Cuyler. Carey going to third. Barnhardt fouled out. No runs, no hits, no errors.

Washington.—Ferguson fanned for the second time. Rice beat out a slow roller and Stan Harris hit into a double play. No runs, no hits, no errors.

Sixth Inning Pittsburgh.—Rice took Traynor's long hit which looked like a homer. Peck threw wide to first on Wright's grounder. Grantham fanned. Smith singled into right. Wright making third. Wright scored on Kremer's hit which hopped by Harris.

Smith stopped at second. Moore walked filling the bases but Carey struck out. One run, two hits, one error.

Washington.—Goslin cracked (continued on page six)

### Benefit From Visit Of Grain Commissioners.

The visit of the grain commissioners to this port spells the beginning of a new era. They will at once arrange for the appointment of an elevator superintendent here whose business it will be to operate the big "house." The commissioners were particularly pleased with the elevator, the harbor and the prospects, and they were not backward in saying they expected to do a lot of business here.

Business is more or less of a gamble and no one can be sure when it will begin. In Prince Rupert we hope it will begin at once but if it does, it will probably be because the people are out after it.

### Not Let Politics Interfere With Business.

It will not do to let the political contest interfere with the business of the city. At a meeting of the council of the Board of Trade with the grain commissioners it was agreed that the city could not do better than appoint a man to look up grain business for the elevator. Just now Vancouver has a man on the road educating the people of the prairies to the advantages of Vancouver. He has a moving picture outfit with him and is showing the terminal facilities of the southern port. Prince Rupert will undoubtedly have to do something if she is to meet with success. It will take a high priced man to do the work but doubtless such a one could be secured. This is the time to lay plans for the appointment of such a person and it is to be hoped no time will be wasted. The elevator should be ready for operation in a month and as soon as it is ready the work should be under way. Trial shipments will have to be made first. Information must be secured as to securing ships to carry the grain and as to firms willing to ship that way.

The grain committee of the Board of Trade has the matter in hand and doubtless they will soon have recommendations to make. When they do, action should quickly follow.

There is no politics in this. It is plain business and we should unite to see that the port does not suffer because of party differences.

### Minister Of Mines Work Is Approved.

The action of the minister of mines in issuing warnings against company floatations which are designed to deceive investors, is approved, especially by journals devoted to the mining industry. Several companies have been headed off in efforts to deceive the public with the result that those contemplating similar action think twice before proceeding. The Vancouver branch of the B.C. Division of the Canadian Institute of Mining and Metallurgy passed the following resolution:

"Resolved that the Vancouver branch of the B.C. Division of the Canadian Institute of Mining and Metallurgy express their unqualified approval of the action taken by the Honourable Minister of Mines to protect the interests of the public against deliberate misrepresentations on the part of promoters of joint-stock mining companies, and in extending their congratulations to the minister, on the means adopted to that end, they express the opinion that a salutary effect has already been attained, and that the continuation of this policy will not only benefit mining industries, but uphold the good name of the province, both at home and abroad."

## INCREASE IN B.C. MINING

Records For Eight Months of Present Year Show Production Greater

\$41,000,000 ALREADY

At Present Rate Final Output for Year Will be Around Sixty Million Dollars

VICTORIA, Oct. 10.—All yearly records for mineral production, both from the standpoint of quantity and value, will be eclipsed in 1925, according to the summary of mining operations for the first eight months of the present year just issued by the Honourable William Sloan, minister of mines. It is estimated that the monetary value of the mineral production of the province for the eight months, January 1 to August 31 is approximately \$41,000,000. This indicates that the total final production for the year 1925 will approximate, at least, \$60,000,000, an increase of \$11,000,000 or 23.10 per cent over the total for 1924, hitherto the record for the province.

The following table shows the approximate mineral production of the province for the period under review:

Gold, oz.	8	148,000
Silver, oz.	5,280,000	
Copper, lb.	44,570,000	
Lead, lb.	142,000,000	
Zinc, lb.	75,850,000	
Coal, tons (2240 lb.)	1,584,695	
Coke, tons	48,980	
Miscellaneous products	2,000,000	
Figuring the value on the average price of the metal, the total value for the eight months is estimated at \$41,000,000, or but \$7,704,604 less than for the whole twelve months of 1924.		

The summary of mining operations is based upon reports from the six resident mining engineers, and the Chief Inspector of Mines, brief reports from whom form an important feature of the summary.

### Growth of Industry

The progress of the mineral industry of the province is shown by the following record of output, which indicates the steady growth, which has taken place in the industry in British Columbia:

1894	8	1,240,531
1899	12	393,131
1904	18	977,359
1909	24	443,025
1914	26	388,825
1919	33	296,313
1924	48	704,604
1925 (first 8 months)	41	000,000

Mr. Sloan points out that the estimate of \$60,000,000 for the whole year of 1925 is based upon the expected steady shipping by mines now producing for the remainder of the year at about the same rate as in the first eight months. Owing to the commencement of operations by the Altonby Copper Company in August, a larger monthly output of copper will be made during the last four months of this year, while many small properties are expected to make shipments towards the end of the year that had not been shipping earlier.

Coal production is generally higher in the last four months of the year than in the summer months. It is, therefore, the minister points out, more than likely that the total mineral production for the year will be, at least, as large as the indicated output based on the eight months period.

### Price and Production

"The increased production during the current year" says Mr. Sloan, "measured in the common denomination of dollars is caused partly by increased metal and coal production and partly by increased metal prices. The largest increases reported are in lead and zinc, which are in large part due to the immense production now being made by the Sullivan Mine of the Consolidated Mining and Smelting Company of Canada, Limited—the greatest lead-zinc mine in the world. It is interesting to note that the metal, silver, lead and zinc, contained in the crude ore of this mine, are smelted, refined and prepared in finished condition for the market at the company's metallurgical works at Trail. Copper, also, shows an increased ratio of production, owing to larger outputs by the Granby and Britannia Companies. Gold and silver productions are at about the normal rate with the latter showing a slight increase."

The general high average of metal prices, the minister points out, has been one of the factors acting as a strong incentive to mining, not only in British Columbia, but the world over. The following table shows average metal prices in the New York market for 1924 and for the eight months ended August 31st, 1925:

	1924	1925
Silver, oz.	66.781	68.499
Copper, lb.	13.024	13.950
Lead, lb.	8.097	8.770
Zinc, lb.	6.344	7.280

## NEW ARCHBISHOP VISITOR TO CITY

At. Rev. A. U. De Pencier Will Officiate at Special Services to be Held Here Tomorrow

Archbishop A. U. De Pencier of Vancouver, Bishop of Westminster and metropolitan of the Anglican Church for British Columbia, arrived in the city by train from the interior last evening and will officiate at services tomorrow in St. Andrew's Anglican Church. He will preside at the ordination of Rev. Walter Allen, which will take place at that time.

Archbishop De Pencier, who at a meeting of bishops in Kamloops last week was elevated to the post made vacant through the death of the late Archbishop F. H. Du Vernet of Prince Rupert, has been making a tour of this diocese over which he now has jurisdiction. Mrs. De Pencier is accompanying him on his visit here. They are registered at the Prince Rupert Hotel.

## WHIST DRIVE GIVEN BY CALLIES IN ST. ANDREW'S ROOMS

There were eighteen tables at a successful whist drive held last evening in the St. Andrew's rooms by the Callies Football Club.

Prize winners were: Ladies' first, Mrs. D. McCulloch; ladies' second, Mrs. John Watson; men's first, Ben Dalgarano; men's second, George Anderson. After cards, refreshments were served. A table scarf and centre, donated by Mrs. C. Taylor, was won by Joe Brown. A drawing for the lucky admission ticket was won by ticket No. 123 which was not claimed last night. The prize is a \$5 gold piece. James Simpson was master of ceremonies and Tom Beattie presided at the door. The men's committee consisted of J. Watson, George Abbott, Tom Beattie and S. D. Macdonald, and the ladies' committee, Mrs. J. R. Murray, Mrs. Tom Beattie, Mrs. William Robb and Mrs. George Scott.

## BEAUTY SHOP PRODUCER GIVEN PURSE OF MONEY

C. H. Lewis Who Put on Two Productions Here Recognized in Victoria

VICTORIA, Oct. 10.—C. H. Lewis, director of the gigantic musical comedy which the Victoria Gyro Club presented last week at the Royal Victoria Theatre, and Mrs. Lewis, were guests of honor at the social and dance which was given in the Chamber of Commerce by the Gyros in compliment to all who took part in the "Beauty Shop" performances and aided in making the production such an outstanding success.

The high esteem in which Mr. and Mrs. Lewis are held by all who worked with them in the "Beauty Shop" production was shown in a practical manner when members of the cast of the recent show presented them with a handsome clock, while the Gyro Club expressed its appreciation of their generous services by presenting Mr. Lewis with a purse of money.

## THE MAN IN THE MOON

THE candidates are said to be straining every nerve, but I wish they'd leave my nerves alone. Thank heaven most of them are away to the country again.

WHEN a stork gets busy, there's usually something to show for his work.

THERE'S nothing new about fall styles. Eye had them.

CONSERVATIVES are sweeping the country. That is their job—sweeping.

JAKE says he wonders if George Bushby stands for all the figures Harry Stevens quoted.

ARCHDEACON Rix reminds H.H.S., the orator, that when Mrs. Yelton, formerly Miss Mortimer, went south that made 6,001 Canadians gone south. Doubtless the Archdeacon is anxious that all these politicians shall reform and be exact in their count.

On October 29 two of the three men who have been trying to show the people the way to escape from political chaos, will be able to congratulate themselves that they have escaped from a lot of trouble.

JAKE says it will be a conference of the Georges, but of course that's just his view. I'm beginning to fear Jake is a Liberal in spite of his efforts.

WITH all this election talk it seems impossible to arouse any interest in the world series.

## Ten Years Ago in Prince Rupert

Art Noble, Prince Rupert's first soldier, will lecture tomorrow evening in St. Andrew's Hall under the auspices of the Helping Hands Society on the work of the Red Cross Society at the front.

Edward Biddle will be Prince Rupert's second soldier to return from the front. He is expected here next week.

The American halibut schooner Seymour has arrived in port reporting the loss of two of her crew, John Lovig and Alfred Lund, when they became entangled in the gear off Cape Clear.

## IN THE SUPREME COURT OF BRITISH COLUMBIA

Between Alfred W. Clarke, Plaintiff, and Templar Robertson Kerr, Defendant.

TAKE NOTICE that an action was commenced against you by the above-named Plaintiff on the 27th day of May, 1925, in respect of an Agreement for sale made between you and the Plaintiff with respect to the sale and purchase of Lot 1550 (15), Block Three (3), Section Eight (8), City of Prince Rupert, Map 923, which said Agreement is dated August 19th, 1921.

AND TAKE NOTICE that by an order of His Honor Judge Young, dated the 8th day of September, 1925, it was ordered that publication of this notice in a newspaper published at Prince Rupert, B.C., once a week for four weeks shall be deemed good and sufficient service of the writ of summons in this action upon you; and it was further ordered that the time for entering an appearance by you to the writ of summons in this action be within thirty days after the last publication of such notice.

If it is your intention to defend this action you will have to enter an appearance in the Registry Office of this Honourable Court at the Court House, Prince Rupert, B.C., to the writ of summons herein within thirty days of the last publication, otherwise the Plaintiff may proceed herein.

DATED this 24th day of September, 1925.

M. GONZALES, Solicitor for Plaintiff, Defendant.

## TREASON TO CANADA IN OPPOSING GRAIN RATES

Vancouver Paper Urges Importance of All-Canadian Route

(Vancouver Sun)  
Those interests that have attacked and are attacking the equalization of grain rates westward are guilty of treason to Canada, because they are trying to perpetuate a system of grain transportation that enriches American industries, American railways and American ports at the expense of the people of Canada.  
The Western Grain Route is an all-Canadian route. Every cent of revenue derived from handling westbound grain goes into Canadian pockets.  
The Eastern Grain Route involves a deflection of this revenue into American channels.  
Every bushel of Canadian grain that travels over American railways, passes through American elevators or is shipped out through American ports, is a reflection on the good business sense of Canada and a reflection upon the integrity and patriotism of those politicians who oppose the unrestricted use of the all-Canadian Western Route.  
Millions of American dollars are invested in Buffalo in equipment to handle Canadian grain. Is the influence of those American millions to dictate the policy of the Canadian people or will that policy be dictated by the economic needs of Canada?

## ENGAGEMENT ANNOUNCED

### NEW PRESIDENT OF PARENT-TEACHERS ELECTED TERRACE

Routine Business of That Organization Carried on at Meeting Thursday Evening

TERRACE, Oct. 10.—The regular monthly meeting of the Parent-Teachers' Association was held in the school house on Thursday evening. There was a good attendance and considerable business was attended to. The election of president and vice-presidents, held over from last meeting was proceeded with resulting as follows:

President—J. M. Hatt.  
1st vice-president—Capt. J. Bowen Colhurst.  
2nd vice-president—Mrs. Geo. Little.

Mrs. Hatt was elected convener of the program committee, Mrs. Sundal declining to accept it for another year.

The report of the piano fund committee was given by the convener, Mrs. Little, and showed funds on hand amounting to \$157.00.

Considerable discussion took place as to the advisability of purchasing the piano at once or waiting until more money was raised. So far prices and terms have been received from only one firm, so it was decided to leave the matter over until the November meeting, and in the meantime ask for quotations from other piano houses.

A monthly subscription list toward the piano fund is being opened.

Considerable discussion took place in regard to the lack of proper fire escapes and fire-fighting apparatus, gongs, etc., around the school building and steps are being taken to have this matter looked into.

At the close of the meeting a vote of thanks was tendered to Rev. W. J. Parsons, the retiring president, for the great interest he has taken in the association.

Refreshments were served during the evening by Mrs. C. H. Thomas, refreshment convener.

### TERRACE MAN BRINGS BRIDE FROM PRAIRIES

Influx of Population When Whole Family Arrives With Car of Effects

TERRACE, Oct. 10.—Yvon Lafrance, who left here in the spring for the prairies returned to Terrace on Wednesday with his bride. Mrs. Lafrance was Miss Blanch Jackson of McCreary, Man. Accompanying them were Mr. Lafrance's mother and father, two brothers, Henri and Alberd, and two sisters, Bibianne and Marie, also Mrs. Lafrance's brother J. Jackson. They brought with them a mixed car of household effects, stock, grain, etc. For the present they have taken up their residence on the old Amos place, west of the school house.

### GENDRON IS PLEASED WITH VANARSDOL AS A MINING PROSPECT

TERRACE, Oct. 10.—Oscar Gendron, Kalum Lake mining man, returned on Wednesday from an investigation trip to Vanarsdol. He expressed himself as being very favorably impressed and thinks it is one of the best looking prospects he has seen in the country. While there he staked several claims for himself and friends. He returned to Kalum Lake on Wednesday afternoon.

### SALE OF FURS BY B.C. FUR COMPANY

Sale of Ladies' Furs Starts on Monday Morning at Third Avenue Store

The selection of four furs is a matter of prime importance to obtain that complete satisfaction and enjoyment of their use, to which you are entitled.

The style must be such that your furs can be worn with pride for more than a season. Quality of skins and workmanship must permit of perfect remodeling at a later date.

With this idea in view the B.C. Fur Company, Third Avenue has secured and made up on their premises, a beautiful selection of ladies' fur coats, chokers, etc., giving every woman the opportunity to obtain maximum style and comfort at minimum cost.

These articles are being offered to the public on Monday at 9.30 a.m., for a few days only, at astoundingly low prices. The furs and lining materials are of the very highest quality and tailored in exquisite styles, and every article has been priced in plain figures.

A small cash deposit will secure any article in the store and nothing will be taken from the window until the sale opens.

### SMITHERS

N. K. Carlisle and E. T. Calvert officials of the Forestry branch from the offices of Victoria and Prince Rupert respectively left Smithers Thursday morning for the Babine Lake on departmental business. They went in by the new road built by the Indians this summer.

Harry L. Robinson who has been an employee at the Dulthe Mine all summer, came down for a visit in town on Thursday, his first trip in a couple of months.

The members of the Ladies' Hospital Auxiliary at their recent meeting held at the home of Mrs. Moran completed arrangements for the holding of the annual Halloween dance. The date has been advanced a couple of days this year and the dance will be on election night. The ladies are planning to have the election results on hand for dance patrons.

The regular monthly meeting of the Union Church Ladies' Aid was held at the home of Mrs. J. R. McIntyre on Thursday afternoon.

After three weeks of most extraordinary weather during which time not a drop of rain fell and the sky was practically cloudless, Smithers and district had a change of weather on Thursday, when the sun did not shine at all and a drizzling rain fell during the most of the day.

### TERRACE NOTES

J. H. Thompson, Prince Rupert, returned to Rupert on Thursday after having spent a few days at his summer home in Terrace.

T. M. Kelso and Chas. Purdy returned on Thursday from Vanarsdol where they had been inspecting the mining prospects.

Jas. Nelson left on Tuesday for Prince Rupert.

Billy Vanderlip left on Wednesday for Vancouver where he has taken a position for the winter.

Mr. and Mrs. J. K. Frost were passengers on the east bound train on Friday. Mr. Frost in-

tends going to Eleza Lake on Forestry department business while Mrs. Frost will visit with friends in Smithers. They expect to be away about ten days.

An accident which might have resulted much more seriously happened to Stanley Olsen on Wednesday night when he had three fingers badly torn by the exploding of a shell which he undertook to investigate with the aid of a hammer. First aid was rendered by Mrs. E. T. Brooks pending the arrival of Dr. Large on Thursday morning.

J. Hoar, Kalum Lake, was in town on Wednesday.

The Ladies' Guild of United Church are arranging for a reception to be held in Knox United Church on Friday afternoon October 16, in honor of Mrs. W. J. Parsons, their president, who is soon to leave Terrace. A cordial invitation is being extended to all the ladies of the community to be present on this occasion.

The W.A. will meet next week at the home of Mrs. Harry King. Work is under way for a Xmas Bazaar to be held on November 28.

Mrs. A. C. Head and new baby daughter arrived home from Prince Rupert on Thursday.

Mrs. K. Olson returned from Prince Rupert on Thursday.

Mrs. A. Olson returned on Thursday from a visit to Prince Rupert.

### SPORT CHAT

The carnival to be held in the Exhibition Hall on Monday and Tuesday evenings of next week will represent the Gyro's Club's one big effort this year for the playground fund. Last year, to aid in covering the cost of the McClymont playground which has proven so popular with kiddies during the past two summers, the club collected money by subscription from the public. This year, to raise funds for the Westview and Seal Cove playgrounds, the club decided to adopt a different system and the carnival is the result. The citizens, by giving the carnival their generous support, will get something for their money besides aiding a cause than which there is none more deserving or necessary in Prince Rupert. The Gyros have been working very hard to make this affair a success and a novel and attractive line of entertainment is promised.

Hazen S. Cuyler, who won the world's series game on Thursday for the Pittsburgh Pirates by hitting a home run in the eighth inning, gave the Pirates much of the attacking power that entitled them to enter the big series this year after 16 years of waiting. In his third year of service with them he is leading the regulars in hitting with an average of .360. Last season, in his first full schedule, he registered .354. Cuyler started with Bay City in 1920 and the same year was obtained by Pittsburgh, but he remained on the bench and 1921 found him back in Bay City. In 1922 he was with the Charleston, S.C., and in 1923 with Nashville, where Pittsburgh obtained him again and played him in eleven games. A man weighing nearly 180 pounds, he has exceptional speed on the bases and his throwing arm is mighty. On the defense he is known as a "ball hawk." Cuyler was born in Harrisville, Mich., Aug. 30, 1899. During the winter he coaches industrial athletic teams in Flint, Mich.

Doings of the Mosquito Fleet which is the chief source of Prince Rupert's prosperity

As stated in these columns last week the predicted "hunching" of the schooners of the halibut fleets on the high spots became an accomplished fact with the result that on Monday one of the heaviest arrivals of halibut was recorded, when twenty boats marketed a total catch of 328,500 pounds on the Fish Exchange. Considering the volume of fish landed in one day the prices kept up well, Americans drawing down around 13c and 14c for first class and 6c and 6c for second class fish, while Canadian boats received around 11c and 12c and 5c for first and second class fish respectively. The remainder of the week has seen steady arrivals and prices have been well maintained.

Incoming skippers report good weather on the deep sea fishing grounds when they left for the homeward voyage.

**Arrivals**

From Monday noon until yesterday noon the following boats have marketed catches this week. American: Eagle, Atlas, Atlantic, Democrat, Ivanhoe, Akutan, Yellowstone, Baltic, Cora, Hilda, Venus, Bruno, Summer, Leviathan, Forward, Mildred II, Glacier, Ithonia, Swan, Kanata, Aero, Defense, Tatoosh, Panama, Galveston, Roald Amundsen, May, Rainier, Urania, Spray Brothers and Royal.

Canadian: Livingstone, M. M. Christopher, Ringleader, P. Dorreen, Toodie, D.N.T., Selma, Scrub, Atli, S.A., Cape Beale, Cape Spencer, Koyosu, Seamaid, Prosperity, Cape Spear and Mab.

**Game Scarce**

Although many hunting parties have been out to various surrounding points in the district, since the opening of the game hunting season, very few have reported getting good bags of either ducks or geese. True isolated parties have been successful in dropping a few honkers, mostly from the Georgetown flats, but few have brought in any number of birds. The grouse are reported to be particularly scarce this year. On the other hand deer are plentiful and even the black bear has come in for his share of exciting times in the hills adjacent to the city. Various reasons are given for the shortage of birds this year.

in the halibut fisheries for the season. The boat is now at the McLean dock where it will be dismantled of gear and overhauled for the winter tie-up.

The schooners Thelma H., and Kaien, and the power boat Eleanor Mae have been on the Ward ways this week for general hull overhauls.

The American schooner Sentinel, owned by Ketchikan interests, which was run down recently by the Republic at the entrance to the harbor, is now in the hands of the insurance underwriters and is being repaired at the dry dock. It is anticipated that repairs will be completed next week.

Tugboat M. T. 3, Captain R. Green, flagship of the Bushby fleet, left port for Stewart on Tuesday morning to tow down a boom of logs for the Georgetown mill.

One thousand tons of Nanaimo-Wellington coal arrived on two scows in tow of the tug Cape Scott on Tuesday morning for the Albert-McCaffery interests.

Schooner R.W., Capt. Wicks, is on the Ward ways for mechanical repairs.

The schooner Lysekil, Capt. Pete Jensen, being on the dry dock for repairs as the result of breaking a crankshaft, while in the harbor last week, and which was on a packing contract for the Somerville cannery, the schooner Gibson has been secured with which to continue the contract while repairs are being completed on the Lysekil.

Skipper Ben Siverson is building a new trolling boat on the Cow Bay creek ways which, when completed, will be powered with a new 8 h.p. Vivian engine.

Jack Smith, the Haysport ferryman, is having some repair work done at the Akerberg-Thomson shops on his power boat. Among other things the old shoe is being renewed.

**Lost and Found**

Here's a new slant on the story of Harry Menzies and Lee Dell wandering around in the brush in the vicinity of Freeman's Pass over last week end for thirty hours while on a hunting trip with Capt. Bob Thompson, skipper of the good ship N. & S. Thirty hours does not seem long when lying in bed for a Sunday snooze but it seems as long as Christmas Day in a workhouse when poking around in the bush over windfalls and various other kind of foot obstructions. It seems that both Harry and Lee were determined to put one over on Bob by getting the biggest bag of game. With that intention fixed firmly in their lid holder they set out to accomplish the feat. However Capt. Bob decided that he was not going to make a Marathon race of it and that he would, therefore, stick around the base and see how many inquisitive birds and animals came to look him up. When night fell with a crash and no Harry or Lee returned Bob did not become unduly alarmed thinking they had decided to camp until morning before springing the surprise of a weighty bag of game upon him. With the day breaking and no hunters in sight skipper Bob began to think something was amiss. Having backed the right flank and secured some fine specimens of the chase, without going further than one could throw the Woolworth building, he thought he would endeavor to find the missing links of the party. After a fruitless search by Bob the two wanderers hiked into camp loaded down with nothing and were naturally astounded to see the trophies of the chase piled high around their host's foot.

**A Nautical Circus**

According to reports circulated on the waterfront on Thursday morning the citizens of our fair city are to be treated to something entirely original in the way of entertainment in the near future. This time it is to be a nautical circus, the members of which will be trained under the stern hand of none other than Bill (Gunner) Hanson, owner and skipper of the schooner Thelma H. After having whipped up a bunch of the boys around Cow Bay on Friday last, and allotted them to their various parts in the nautical circus, manager Bill informed them they would have to specialise in stunts, and to demonstrate his meaning the gunner pulled off a stunt, and incidentally a door from Louis Locker's boat which will take the first year's profit from the circus to renew. Bill was attempting to do a fancy jump from the wharf to Louis boat when his foot slipped and grabbing the door, which wasn't that kind of a door, it left its hinges and precipitated the clever circus manager into the salt chuck much to the delight of his theatrical cast. After swimming around the boat for a while the gunner got kind of chilly and decided to abandon any long distance swimming until warmer weather. Now Bill is up against it as his co-workers claim he is the only man living who can pull off such a stunt in such a gentlemanly manner, and have intimated they will quit the circus line-up altogether if he insists upon anyone else doing it.

**Editor, Daily News:**

I observe in the "News" of the 14th of September last an editorial in which it is stated that salmon eggs are being transferred from Lakelse Lake to the Fraser River watershed and that in this way the local supply is being depleted by just that much. This letter is for the purpose of correcting an impression which appears to prevail in Prince Rupert, and I wish to assure you that there was never any intention on the part of my Department to improve conditions on the Fraser watershed at the expense of the Skeena River. Every egg which is being taken from the Skeena River watershed is being replaced from the later collection at the Pemberton Hatchery on the Birkenhead River, which as you are aware enters into the Fraser River below Hells Gate. The only reason that the eggs at Lakelse are being used is that the collection is an early one and it is only by using the early eggs that we are able to take care of the plantings in the upper stretches of the Fraser watershed and avoid the unfavorable climatic conditions which prevail a little later on.

Douglas Stork's power launch Sunbeam II, has had clutch repairs executed this week preparatory to being commissioned in the fall hunting business.

Charlie Miller is having a new bilge pump fitted on his boat, one of those umpteen h.p. suction affairs which, if not watched closely, are liable to suck the engine through the nozzle.

The coastal cabin cruiser Philli, owned by Capt. Charlie Evil, has been returned to its base of operations by the Vancouver Salvage and Dredging Co., which concern has been using the famous boat for the past three months at Hastings Arm as tender to the dredge.

Canadian schooner Eastern Point, Capt. Sheehan, has been taken out of active commission

### GOVERNMENT IS STRONGER TODAY

#### Dr. King Says Reports Indicate Mackenzie King Will Have Substantial Majority Over all

VICTORIA, Oct. 10.—The strength of the Mackenzie King government is rolling up in all parts of British Columbia as a result of Premier Mackenzie King's declarations in favor of equal treatment for all parts of Canada, Hon. J. H. King, Federal Minister of Public Works, declared.

"Unquestionably British Columbia will send to the next parliament a Liberal delegation substantially larger than that which sat in the last House," Dr. King affirmed. "The people of British Columbia have shown themselves in the last few weeks in keen sympathy with the policies of the government as outlined by the Prime Minister. Those policies are broad and national in character and, if made effective, will do much to overcome the sectional views which are being voiced by some people for political advantage in various parts of Canada."

"Not only is the strength of the government increasing greatly in British Columbia, but it is growing also in other parts of the country. Reports from all over the Dominion indicate that the government will have a substantial majority over all other groups in the next House of Commons. The re-election of the government now is certain."

### DISTRESSING KIDNEY TROUBLE

Terrible affliction quickly relieved by "Fruit-a-tives".

"Eight years ago I was laid up with inflammatory rheumatism, scarcely able to move hand or foot. There was kidney trouble, miserable indigestion and liver difficulties. As soon as I began to use 'Fruit-a-tives', I could see an improvement. I was relieved of my Constipation and Liver trouble, and have been 100% better of Rheumatism and Kidney Disease"—Mrs. Albert Young, 39 N. Aspland St., Worcester, Mass.

"Fruit-a-tives" combine the concentrated essence of luscious fruits with valuable tonics. They restore the kidneys and liver to normal action, increase the flow of gastric juices, and make the digestion complete and natural again. 25c and 50c at all dealers.

### BOYS' PREMIER TO VISIT CITY

#### Walter Owen Will Speak In Various Local Churches on Sunday, October 18

Walter Owen, Premier of the Older Boys' Parliament of British Columbia, has started on a tour of central and northern British Columbia and will visit Prince Rupert next Sunday when he will be a speaker in various city churches. He left Vancouver on Thursday of this week and, after spending a day at Jasper Park, arrived in Prince George today. There he will spend this Sunday. On Tuesday he will visit Vanderhoof and Fort Fraser, on Wednesday, Topley; on Thursday, Smithers, and on Friday, Hazelton. He will arrive in Prince Rupert on Saturday afternoon. Sunday morning he will speak at the United Church service. Sunday afternoon will address a meeting of 'teen age boys in the Presbyterian Church to which members of service clubs are invited and, on Sunday evening, he will speak at the service in the Anglican Church. He will leave for Vancouver on the steamer Prince George Sunday evening.

Prince Rupert people will be particularly interested in the visit here of Walter Owen. The son of Walter Owen, assistant superintendent of Provincial Police, and Mrs. Owen, he spent several years in the city and received his elementary education in the local public schools. He is a law student in Vancouver and the brother of Gordon Owen, a member of the Canadian Bank of Commerce staff here.

### Conway Tearle

and Alice Terry

in "The Great Divide"

A photo-drama of primitive and civilized woman, of puritanical conscience and lawless desire. The stirring story of a New England girl alone on an Arizona ranch and three drunken marauders. Women bargained for and bought; driven like the cattle to the marriage market. The cave man, the hunter, the killer, the lover; first she hated him then she adored him for she forgave the supreme brutality when she found the brute himself tormented with love. Soul-stirring drama, breath-taking thrills, a stupendous production. A photo-play of scenic beauty filmed in the Painted Desert of Arizona. Noted cast.

Conway Tearle, Alice Terry, Wallace Beery, Huntly Gordon, William Orlamond, ZaSu Pitts and many others.
