CANDIDATES FOR SOUTHERN SEATS NAMED

WORLD COURT IDEA IS APPROVED AT MEMORIAL UNVEILING IN VANCOUVER

Senator Willis Levels Attack Against Senator Borah on League Policy

VANCOUVER, Sept. 17.—In an address yesterday at the unveiling of the memorial to the late President Harding, Senator Willis, member of the foreign relations committee of the United States, attacked Senator Borah, chairman of the committee, for his opposition to the entrance of the United States into the world court.

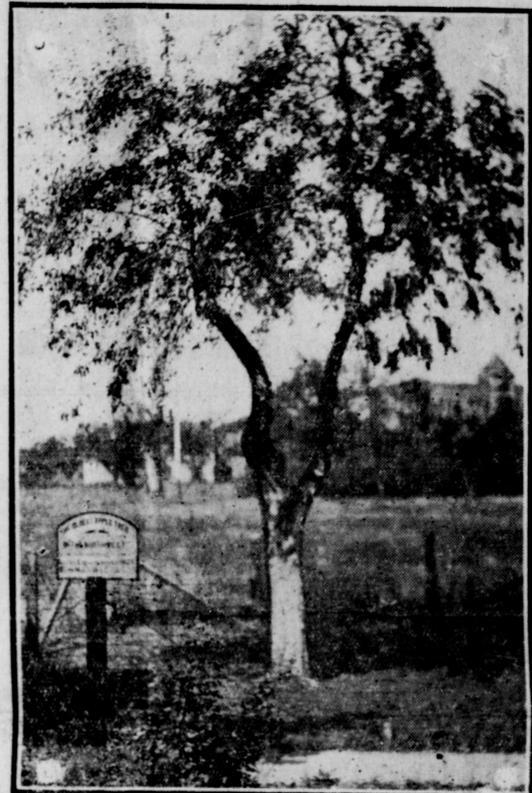

"If the distinguished chairman, for whom I have great personal respect and affection, thinks he is able to ride rough shod over the sentiments of the English speaking people, particularly in Canada and the United States, he will find that he is going to have a pretty lively contest on his hands," Senator Willis declared.

THORNTON WILL NOT REPLY TO ANY CRITICISM

Officers of Railway Too Busy to Deal With Election Statements

MONTREAL, Sept. 17.—Asked to comment upon statements concerning the Canadian National Railways made in political speeches during the week end, Sir Henry Thornton, on his return here said: "With the various officers of the company, I have been responsible for the working of the Canadian National Railways since the autumn of 1922. The people of Canada have had ample opportunity since that time to determine the character of the service rendered by the system, the zeal and diligence of its employees, the fidelity of its officers and the general administration of the enterprise from both a financial and operating point of view.

"The efforts of the management are sufficiently absorbed in attending to their duties and it is my opinion that it would be detrimental to the welfare of the enterprise and likewise unreasonable to expect the executive of the National Railways to deal with accusations and statements made in the heat of an election campaign. In general I have decided that it will be our policy to allow the people of Canada to judge the value of such statements from their knowledge of our record."

The oldest apple tree in the northwest, planted in 1826 at Fort Vancouver, Wash., by Dr. John McLoughlin of the Hudson's Bay Company. The British flag is now flying over the fort, in celebration of the centennial.

Progressives out for Reform of Senate and Give Railways Chance

WINNIPEG, Sept. 17.—Robert Forke, leader of the Progressive Party, in an election manifesto issued yesterday, denied he absorption of the Progressives by the Liberals of the prairie provinces and claimed that the aims and aspirations of the party were as strong as ever.

The leader was emphatic that, so far as his party was concerned, the National Railways would be given a fair and full chance.

Dealing with the Senate, Mr. Forke declared that body must be reformed and made an elective body in order to bring it into line with modern democratic principles.

REOPENING OF UNITED CHURCH

Plans Laid For Formal Event Following Renovation of Building

Good progress is being made in all departments of the United Church here, according to reports submitted last night at the regular autumn session of the official board, when reports were presented. It was shown that congregations had been larger this past summer than for some years and the treasurer reported a substantial increase in both envelope and general offerings.

The building committee stated that outside decoration of the church would be completed in about two days and the inside would be finished next week. The platform alterations and paneling and cleaning are making progress.

Arrangements have been made for the formal re-opening on Sunday, October 4, while the ladies' aid will have a banquet on Monday evening, October 5. The Sunday speakers are to be Rev. Evan Baker of Kingston, Ontario, and Rev. W. J. Parsons of Terrace.

The pastor said he considered the church would be a credit to the congregation and to Prince Rupert. The outside color scheme is light stone body color with light brown trimmings, while the interior is done in ivory and gray with dark ceiling beams.

CANADIAN TRADE IS INCREASING

OTTAWA, Sept. 17.—Showing that Canadian business is improving, official returns state that during August of this year the increase of trade in August was nearly six million dollars over the same month of last year.

AUGUST WAS HEAVY MONTH AT HOSPITAL

Number of Days Was Highest on Record—Finance Chairman Preaches Economy

As far as it has been possible to ascertain from past records, the month of August set a record for number of hospital days in the Prince Rupert General Hospital, J. L. Christie, chairman of the finance committee, reported to the board last night that there had been 1595 hospital days during the month and the cost had been \$2,62 per day, the lowest cost per day so far this year.

Reporting generally on hospital finances, Mr. Christie announced that expenditure for the month had been \$5,563.15, of which \$1,852.86 was capital expenditure, and receipts had totalled \$5,353.53. Not taking into account the grant of \$2,500 just made by the provincial government, Mr. Christie stated that the hospital for the first eight months of the year had gone behind \$7,500. Strict economy would have to be exercised for the next four months of the year if the hospital was to break even.

CAPTAIN OF BOAT WAS LOST FOR FOUR DAYS

Capt. Burroughs of Butedale Deisel Craft Missed His Way in Woods of Price Island

Capt. Burroughs, owner and master of the Butedale deisel boat Chasm, had the experience of being lost in the woods of Price Island near Milbank Sound from Sunday until Wednesday night. The provincial police was asked for assistance last night in making the search for the missing man but this morning word was received that he had been found. It is assumed that Capt. Burroughs went ashore from his boat to hunt and lost his way in the woods.

NUMBER OF VESSELS IDLE IN AUSTRALIA RESULT OF STRIKE

MELBOURNE, Sept. 17.—Thirty-three overseas vessels are idle at Australian ports through a seaman's strike. It is reported from England that the liners might cease running to Australia as long as the strike continued.

CROP ESTIMATE.

EDMONTON, Sept. 17.—E. W. Beatty, president of the Canadian Pacific Railway, estimates that this year's crop will be from 380 to 390 million bushels.

VILLAGES FLOODED.

PEKIN, Sept. 17.—Nine hundred villages are surrounded by water as a consequence of the breaking of dykes on the Yellow River fifty miles from Chen Chowfu.

Number of Nominations for Southern Constituencies in General Election Campaign

H. H. Stevens Chosen for Vancouver Centre, Leon Ladner for South Vancouver, and Leighton for Cariboo; Three Labor Men

VANCOUVER, Sept. 17.—Nominations took place in a number of constituencies yesterday by several parties.

In Vancouver Centre H. H. Stevens was the nominee of the Conservatives.

South Vancouver last night chose Leon Ladner, who is considered his decision to retire.

In the Fraser Valley, H. J. Barber has been selected to carry the Conservative banner.

Only one Liberal nomination was made yesterday. That was Raymond L. Leighton for the Cariboo constituency. The choice was made following a long discussion. One faction wanted to omit the Liberal candidate in favor of T. G. McBride, while another faction, headed by H. G. Perry, member of the Legislature for Prince George, insisted on nominating a straight Liberal.

LEILA R. PURCHASED BY P.R. BOATHOUSE

Former Forestry Boat Will be Used to Take Tourists Fishing and Hunting

The forestry patrol boat Leila R., formerly skippered by Capt. Dan Archie, has recently been purchased by the Prince Rupert Boathouse interests and will be re-modelled immediately by the boathouse staff of mechanics. The Leila R. is a 58 foot boat and is powered with 35 horse power Union engine. When the remodeling and overhauling has been completed this boat will be commissioned in the tourist, hunting and fishing business, which is rapidly increasing out of Prince Rupert.

COMMITTED FOR TRIAL.

FERNIE, Sept. 17.—Jesse Mansfield, charged with murdering George Whiting, road foreman on August 19, was committed for trial last night.

B.C. VICE-PRESIDENT ASSOCIATED CANADIAN CLUBS IS VICTORIAN

PORT ARTHUR, Sept. 17.—Ottawa was chosen as the meeting place next year of the Associated Canadian Clubs and Mrs. J. O. Hyndman of the Victoria Women's Canadian Club was selected vice-president for British Columbia.

WILL PAY DEBT FRANCE TO BRITAIN IN 62 INSTALMENTS

BIRMINGHAM, Sept. 17.—Chancellor of the Exchequer Churchill announced last night that France would pay off her debt to Britain in instalments twelve and a half million pounds yearly covering a period of 62 years.

INSTRUMENTS ARRIVE FOR BOYS' BAND AND TO BE GIVEN TONIGHT

Good Progress Being Made by Class Under Bandmaster Wilson

Colonel Nicholls, who has sponsored the boys' band, which is being organized here, reports that fourteen new instruments have arrived and that at the meeting tonight 27 instruments will be distributed. Of these twelve have been purchased by popular subscription, two were purchased by individuals who are presenting them and one is donated. The others are loaned by the First B.C. Regiment.

The boys are doing well under Bandmaster Wilson and are taking a keen interest in it. Now a number will be put on probation and if they make good with the instruments will be continued as members. Those failing to make good will be replaced.

SUBSTANTIAL GRANT MADE

Local Member of Legislature Successful in Getting \$2,500 For Hospital

The hospital board received a pleasant surprise last night when a letter was read from Hon. E. D. Pattullo, minister of lands and local member of the legislature, stating that he had been successful in arranging with Hon. William Sloan, provincial secretary, for a grant of \$2,500 to be made to the local institution.

President Campbell expressed gratification with the generous grant. Negotiations had been going on for some time in order to obtain what it was felt was due the local hospital from the government. He suggested that a letter of thanks be forwarded to Mr. Pattullo. The suggestion was effected through a resolution moved by J. H. Thompson, and seconded by Leo Waugh.

NOT ALLOWED INTO STATES

Shapurji Saklatvala, Communist Member of British Parliament Excluded

WASHINGTON, Sept. 17.—Shapurji Saklatvala, a communist member of the British parliament, has been refused admission to the United States, where he purposed going to attend the inter-parliamentary union meeting here next month.

Action to prevent him coming was taken under the immigration law as a result of his inflammatory revolutionary speeches.

Prize Winning Mothers Have Bobbed Hair.

At the Toronto exhibition recently there was a baby show and it was noticeable that all the prize winning babies were mothered by bobbed hair young women. Not one had long tresses.

It is not going to be argued here that the bobbed hair had anything to do with the prize winning mothers directly but the wearing of bobbed hair was an indication that the girls were up to date and would likely be up to date in caring for their offspring. They were indicative of a type.

It is also possible that if too much time is given to dressing the hair too little time may be given to the baby. Whatever may be the connection the fact remains that it was the flapper type of young woman that won out against the old-fashioned girls.

High Flying Women In Old Country.

In the Old Country women are often high flyers. They are as capable of going up in an airplane and piloting the machine as men, just as they can drive a car as well if not better than men. Sixteen years ago a Frenchwoman, Baroness de Laroche secured a pilot's certificate and others soon followed. It is now announced that six of the first hundred members of the London Aero Club are women.

Need Of More Boat Floats Here.

Ketchikan has been putting in more floats on the waterfront and already there is considerable accommodation at that port. Here few changes have taken place since the provincial government put in the float at Cow Bay. The matter has been talked of a good deal but nothing has been done. The citizens here have been turning all their attention to securing the elevator.

Now that we have the elevator it will be time to get busy on the floats. If there was a suitable place here to keep the boats more fishermen would winter here instead of going south. The Cow Bay floats are much overcrowded and are dangerous to small boats. Also there is grave danger of fire breaking out and wiping out the whole fleet. Action is needed soon with a view to remedying the situation.

Radio Becoming More Popular Than Ever.

Radio is becoming more popular here than ever before. It is not looked on as a fad but as a means of amusement and instruction. Already new instruments are being installed and with some people are getting excellent results. The two difficulties are the operation of the powerful station at Digby Island and the squealing of the small sets. The former cannot be avoided but the latter may. Some action will have to be taken soon to give better control of radio operations for the large number of radio fans will demand consideration.

WAITING FOR SKEENA MONEY

Sharks in Vancouver Watching For Orientals Who Labored Here to Gamble Away Cash

VANCOUVER, Sept. 17.—Money earned by Orientals on the Skeena River and at other northern points will fill the coffers of local gamblers, unless more active steps are taken to prevent it. With the Shanghai strike and other internal disorders in China effectually stopping the export of funds to that country, gambling house syndicates in Vancouver's Chinatown are reaping the richest harvest in years.

Upstairs flats, formerly rented to families at from \$15 to \$30 per month, are bringing from \$300 to \$1,000 per month as gambling houses, with the result that Chinese families are being forced out among the white residents of the city.

Police raids apparently have little or no effect. The gambling house proprietors, callous of the law, are at the police station with bail money before the Black Maria arrives there, and the gamblers are at liberty before they reach the cells.

So regular is the routine that many of the gambling houses keep the bail money in their safe at all hours of the day and night, ready to be used at a moment's notice. The system was in vogue Sunday night when Inspector John Jackson and a raiding squad swooped down on 122 and 125 Pender East, arresting 35 Chinese frequenters and two keepers. The men were bailed out immediately and forfeited their bail in police court Monday morning.

With the canny season closing the population of Chinatown is growing. Authorities estimate that there will be from 12,000 to 15,000 when the up-coast activities close down, and it is estimated that there are 3,000 professional gamblers waiting in Vancouver to entertain them.

Although in the spring there were 30 gambling houses operating for the rich syndicate controlling them, police raids cut these down to less than half when the summer activities depleted Chinatown's population. Now they are opening up again, and Police Commissioner Robert McPherson, who made a personal inspection visit a few nights ago saw a dozen of the biggest gambling houses again in full blast.

PARENT-TEACHERS ARE ADDRESSED BY PRINCIPAL J. C. BRADY

First Meeting of Year Well Attended and Refreshments Served at Close

An address by J. C. Brady, principal of the High School, on "How the Parent might co-operate with the child", was the feature of the meeting of the Prince Rupert Parent-Teachers' Association in the Booth School Auditorium last evening at the first meeting of the year. Mrs. T. M. Spencer, president of the association, was in the chair and there was a good attendance, about 45 members being present.

In his address Mr. Brady presented new avenues for the further activities of the association in promoting the welfare and advancement of the association.

Following the address members adjourned to the domestic science rooms where tea and cake were served.

HOSPITAL DEALS WITH ROUTINE

Board Meeting Last Night Hears Reports and Discusses Minor Matters

The regular monthly meeting of the hospital board was held last evening in the hospital. Those present were President S. K. Campbell, Directors J. H. Thompson, H. H. Little, C. H. Elkins, J. L. Christie and Leo Waugh, Managing Secretary H. W. Birch and Miss Jean Harrison, R.N., lady superintendent. Under the head of correspondence, a suggestion for certain revisions in the salaries of the graduate staff was made. After some discussion, the matter was referred to the House Committee to be dealt with.

A check from the provincial secretary for \$1888.75, covering share of liquor profits for six months, was received. Mr. Birch reported that the amount was slightly larger than for the corresponding period last year.

Linen to be Secured
The immediate need for a considerable supply of new linen and blankets was reported to the board by the House Committee and the lady superintendent and the finance committee was authorized to expend up to \$500 to augment the supply. With winter coming on, Miss Harrison stated that at least 35 pairs of blankets would be required.

President Campbell reported that the finance committee was to have undertaken a revision of the laboratory rates but, before this could be done, there would have to be a further conference with the doctors.

The house committee was given power to act in the matter of having new front doors installed at the hospital. It was reported that the present doors had outlived their usefulness.

Donations
Miss Harrison acknowledged the donation of flowers by D. Glennie, flowers and vegetables from the Exhibition and fish from the canneries.

H. H. Little, for the executive committee, reported that it had been found necessary to enforce strictly the regulations regarding the operation of the x-ray machine and the laboratory, the former to be in charge of the secretary and the latter of the technician. Certain unsatisfactory conditions had been brought about through the operation of these facilities by outsiders.

NEW LOG CARRYING BARGE TO ARRIVE AT END OF WEEK

The Hecate Straits Towing Co.'s steel log carrying barge Drumrock, on board of which will be Capt. B. L. Johnson, head of the company, is due here about the end of the week laden with logs for the Prince Rupert Spruce Mill from the Kelly camps at Logan Inlet, Moresby Island.

The tug Lorne, Capt. Lewis, which brought the Drumrock from Vancouver to Logan Inlet, was in port Tuesday afternoon having brought a Davis raft across the straits. The raft, which is destined for Powell River, was left at Captain's Cove and the Lorne returned to Logan Inlet to pick up the barge and bring it here.

PRESENTATION MADE SHEFF THOMPSON BY YACHT CLUB MEMBERS

Caretaker Who is Leaving for Six Months Holiday in England is Remembered

At a well attended meeting of the Prince Rupert Yacht and Rowing Club, held last night in Geo. Rorie's office, Hays Building, Sheff Thompson, who has acted as caretaker of the club premises for the past seventeen months and who is shortly leaving on a six months visit to his old home in Sheffield, England, was presented with a solid leather travelling valise bearing the monogram of the club, by Geo. Rorie, president, on behalf of the club members.

In making the presentation the president extolled the virtues of Mr. Thompson, who had proved to be a valued member of the club and expressed the regret the members felt upon his departure. Mr. Rorie, in a humorous vein, said it gave him great pleasure to hand the bag over and he hoped it would serve to bring the recipient back safe and sound to the members of the club, who would be delighted to welcome him back.

Mr. Thompson replied suitably, and promised to return on the first "high tide" after April 1, 1926.

Present at the meeting were George Rorie, president; Alex. McRae, secretary; Alex. MacDonald, vice-president; F. W. Chandler, Sid Webb, Chris Elkins, C. G. Minns, M. M. Stephens, Jack Bulger, Geo. Hill, R. E. Benson, Dr. W. T. Kergin, Dr. J. P. Cade, Jack Lindsay, Dick Parkin, T. McMeekin, Syd Thompson and Fred Seadden.

FORMER TEACHER HERE ENTERTAINS FRIENDS SHAUGHNESSY HEIGHTS

Miss Irene Stewart Hostess to Number of Guests at Home of Her Uncle

Miss Irene Stewart, who formerly taught at Seal Cove school in this city and lived in bachelor girl quarters with Miss R. R. Scott on Eighth Street, and who is now teaching in Point Grey schools, was hostess at a dance last week. Of it the Sunday Province says:

Miss Irene Stewart was hostess at a delightful dance on Friday evening at the home of her uncle, F. R. Stewart, Angus Avenue. The spacious rooms were beautifully decorated with red and white dahlias, asters and gladioli.

The invited guests were Mr. and Mrs. Eric Coles, Mr. and Mrs. Frank Duff Stuart, Mr. and Mrs. Robert Duff Stuart, Mr. and Mrs. James Longley, Mr. and Mrs. Sydney Anderson, Mr. and Mrs. Douglas Rowe, Mr. and Mrs. Benjy Crann, Mr. and Mrs. Stewart Connelly, Miss Gertrude Bickell, Miss Margaret Bickell, Miss Minnie Beveridge, Miss Margaret Tisdall, Miss Mary Duff Stuart, Miss Katie Duff Stuart, Miss Isobel Duff Stuart, Miss Kathleen Clark, Miss Dorothy Brencley, Miss Freda Wilson, Miss Janice Davidson, Miss Aline Lawrence of Victoria, Miss Eugenie Fournier, Miss Izelle Aconley, Miss Grace Wilson, Miss Nellie Wilkinson, Miss Agnes Wilkinson, Miss Muriel Munroe, Miss Janet McTavish, Leslie Fournier, Harry Lord, George Clark, Charlie Brencley, Charlie Stewart, Albert Bicknell, Winston Buckworth, Monte Caple, Kenneth Caple, Wallace Baker, Jack Carnesew, James Lawrence, Frank Taylor, Orson Banfield, Percy Buchan, Ernie Riddle, Nelson Clarke, Sydney Beveridge, Harry Dixon, Percy White, Wilson Knowlton, Frank Burnell.

YACHT CLUB FLOATS WILL BE REPAIRED

At a meeting of the directors of the Prince Rupert Yacht and Rowing Club, held last night in the offices of Geo. Rorie, president, Hays Building. The names of Jack Barnsley, W. Balagno and J. A. Donaldson, were added to the club's membership roll.

The question of repairing the floats on the southeast side of the Yacht Club's floats came up for discussion. Alex. McRae, secretary, explained that the floats were in bad shape and for the protection of member's boats during the winter new logs should be installed and the whole put in a sound condition. After discussion the directors were empowered to proceed with the necessary repair work.

SPORT CHAT

Nanaimo City football team, once the proud holders of the Connaught Cup, is no more, and last week St. Saviours met Nanaimo Veterans instead of the city as originally planned. In the Veteran line-up was Dickenson and Bell, full backs who journeyed east with the City team when the much coveted silverware was captured and Wilson, the Indian who played such a strong game against Ulster in the cup final this year. The only three remaining players of the City team who have refused to transfer are Rutledge, Kenny and MacDougall, and they claim for them football is a dream of the past.

Vic King, Australian bantam-weight champion, who has been clamoring for another shot at Vic Foley's crown since he lost to the Vancouver boy on a foul last month, will be accommodated. The pair will mix it again

Stikine and Liard River Districts Including Gold Pan Creek Reported Upon

(By G. A. Clothier, Resident Engineer)

The Stikine and Liard River mining divisions comprise all the northern portion of the province except the Atlin division. The Stikine division is the drainage area of the Stikine River, which flows into the Pacific ocean at Wrangell, Alaska; the first 30 miles from the mouth up of the river is in Alaskan territory. The Liard division is likewise the drainage area of the Liard River and therefore on the Arctic slope, as the Liard River flows into the MacKenzie River at Fort Simpson.

These Divisions are the greatest unexplored area in the Province and will so remain until hydroplanes are utilized for exploratory work. The innumerable lakes and waterways should make very favorable routes and landings for hydroplane-work.

So far the easiest means of getting into the country is by way of the Stikine river and east from Atlin. The main route is from Wrangell up the Stikine river by river-boat to Telegraph Creek, at the head of navigation. The river-boats normally start about May 15. From Telegraph Creek to Dease lake is 72 miles over a road finished last year by the Mines Department, so that motor trucks can make the trip through to the lake in a day. The old pack trail time was six days in, loaded, and four days out, light.

From the head of Dease lake there is a waterway to the Arctic ocean via Dease lake, Dease river, Liard river, and Mackenzie river. The whole country is a moose pasture. Prospecting and development are slowly increasing with the improvements in transportation and there is a field for thousands of prospectors.

The taking out of gold on Gold Pan creek, a small tributary of Eagle river, though not a new discovery, may be an incentive for prospectors to explore the rest of the country.

Stikine River

On the Clearwater river, a tributary of the Stikine river emptying into it about 70 miles above the boundary line, considerable interest has been shown in placer mining; some prospecting has been done and gold taken out in sluicing. Also some lode prospecting was done and some promising looking quartz was brought out. As this area lies right along the eastern contact of the Coast Range granites

PRESENTATION MADE MR. AND MRS. JENNER

Group of Friends Surprised Them Last Night at Their Flat in the Besner Apartments

Last evening a few of the friends of Mr. and Mrs. Ed. Jenner, who were recently married at Olds, Alberta, surprised them at their flat in the Besner Apartments and presented them with a fine cut glass centre vase and a bouquet of flowers. An enjoyable evening was spent and refreshments were served by Mrs. Jenner, the feature being the wedding cake, two sections of which were still intact. A number of the single members of the party carried away small portions on which they last night dreamed. The presentation was made by Miss Ruth Stewart and she also presented the young couple with a scroll on which the names of the donors were inscribed.

REBEKAH WHIST DRIVE AND DANCE

Enjoyable Affair Was Put on Last Evening by Ladies' Lodge in Boston Hall

An enjoyable whist drive and dance was given in the Boston Hall last evening by the Rebekah Lodge.

There were 22 tables of cards. First prizes were carried off by Mrs. A. G. Paton and Mrs. H. J. Smith, second awards going to Mrs. L. C. Nickerson and A. Bartlett.

After cards, refreshments were served and dancing was enjoyed to the strains of music furnished by Arthur's Orchestra. A. B. Phillips was master of ceremonies, P. Solem presided at the door and the committee in charge consisted of Mrs. J. L. McIntosh, Mrs. J. S. Irvine and J. W. McKinley.

PLANS STARTED FOR HOSPITAL CONVENTION

Secretary of Local Board Instructed to Ascertain What Will be Required For Meeting in City

The local hospital board decided last night to take preliminary steps in connection with the holding in Prince Rupert next year of the convention of the B.C. Hospitals Association. The secretary was instructed to get in touch with the secretary of the association so that it could be ascertained what would be required in the way of entertainment and accommodation, etc. President Campbell expressed gratification at the decision to hold the convention here, also at the appointment of H. W. Birch as second vice-president and Miss Harrison as convener of the committee on nursing.

"LET GEORGE DO IT" OFFICIALLY BURIED

Florida Town Has Ceremony Which Might Well be Copied, Says B.C. Newspaper

(Nelson News)

Down at Daytona, Fla., a group of town boosters had a big ceremony on the beach and resolved henceforth to devote their every effort to promote the welfare of their town and country. They decided never to neglect a civic responsibility, whether that of voting, making true tax returns, supporting the best man for the public job, or giving wholehearted encouragement to the officials who are elected.

In token of this they brought out an effigy of the familiar Anglo-Saxon alibi of "Let George Do It," and after mauling the figure all over the beach, buried it in a grave most wide and deep. "Let George Do It" is as well known in Nelson and all other Kootenay towns as on the Florida beaches.

If ceremonies could be organized to bury him deep, in every Kootenay town and hamlet, along with the proverbial hatchet, the Kootenay at large would materially benefit.

LOCAL LADY MARRIED KETCHIKAN OFFICIAL

The wedding took place on September 9 at the Presbyterian Manse, Rev. H. R. Grant officiating, of Miss Julia Doherty, niece of Mrs. Minnie Sullivan of Ninth

HALIBUT INDUSTRY OUT OF KETCHIKAN

Review of Business at Recent Rotary Luncheon in That City

Reviewing the Pacific coast halibut industry from its beginning up to the present time, Rotary Alfred Howe gave an interesting and informative talk at the noon meeting of the Ketchikan Rotary club at the Blue Fox says the Chronicle of that city.

Mr. Howe said that whereas the industry at first used small boats for which \$5,000 was considered a large price, larger and still larger boats are being built until recently as high as \$44,000 was paid for a dory schooner, Long liners have cost up to \$28,000 or more.

Mr. Howe estimated that at the present time about 210 vessels and 1,500 men are engaged in the Pacific halibut industry of which about 1,100 men operate out of Ketchikan. He said that fishermen who have heretofore made their homes in Seattle are moving to Ketchikan in increasing numbers and that many more would be likely to come here if the facilities for tying up boats for the winter season were improved.

ALL BACKED UP RATES CAMPAIGN

Oliver Particularly Pleased at
Result so Far Achieved in
Matter Regardless of
Politics

VICTORIA, Sept. 16.—To no
one has the recent decision of
the Railway Commission on
western rates for export grain
and flour been more gratifying
than to Premier Oliver. The
Premier made his first move for
lower rates seventeen years ago,
when, as a private member, he
introduced in the Legislature
a resolution calling the attention
of the Dominion Government to
the need for lower railway rates
on goods to and from British
Columbia.

For the last four years the
Premier has campaigned assid-
uously to secure rates on grain
moving westward on a par per
mile with that moving eastward.
He has spoken frequently before
the Railway Commission and
the Privy Council, and also ad-
dressed the Special Committee
of the House of Commons on
Crow's Nest rates. In addition
to this he has spoken at public
meetings in the West from Mon-
treal to Fort William and has ad-
dressed many prairie gatherings
with a view to rallying public
sentiment to the British Colum-
bia standpoint.

Not Political

Step by step progress has been
achieved. In 1922 the Railway
Commission cut in half the ex-
cess of the mountain rates over
those of the prairies to be fol-
lowed by a 20 per cent reduction
on grain for export. In October
1923, there was a further reduc-
tion of ten per cent on rates on
grain for export, and now comes
the order equalizing rates on
grain moving towards the Pacific
with those toward the Atlan-
tic. The Premier has received
many congratulatory letters and
telegrams from people not only

AMALGAMATION OF ALL RAILWAY ORGANIZATIONS TO BE PROPOSED MONDAY

Canadian Brotherhood of Rail-
way Employees to Hold Bi-
ennial Convention Next
Week

TORONTO, Sept. 17.—(Can-
adian Press)—Amalgamation of
all railroad labor organizations
into a composite industrial union
will be one of the important mat-
ters for discussion at the biennial
convention of the Canadian Bro-
therhood of Railroad Employees
which opens here Monday. This
step has been under considera-
tion by railway workers in Can-
ada and the United States during
the past two years and it is likely
that the Canadian Brotherhood
of Railway Employees will sanc-
tion the proposal officially at
this meeting.

The co-ordination of the Can-
adian National and Canadian
Pacific Railways, as suggested by
the Senate committee, will be dis-
cussed but according to President
A. R. Mosher, any pronouncement
undoubtedly will be from a dif-
ferent angle than that of the
Senate.

The formation of study groups
throughout the country under the
supervision of local divisions of
the Brotherhood to delve into
economic and social problems, is
also included in the convention
agenda. Unemployment, old age
pensions, insurance for the mem-
bership, more expeditious meth-
ods adjusting grievances, wage
schedules, working conditions,
etc., are other matters that will
be considered.

LAND SEEKERS ON PRAIRIES TODAY IN SEARCH OF FARMS

Party Represents 150 Persons
Who Propose to Move to
Canada

WINNIPEG, Sept. 17.—One of
the most important parties of
land seekers to visit the Canadian
West since the pre-war days of
extensive immigration from United
States to Canada, arrived in
Winnipeg this morning under the
direction of Captain L. B. Boyd of
the St. Paul office of the Cana-
dian National Railways Agricul-
ture and Colonization Depart-
ment. The party comprises some
thirty "dirt farmers" from Ne-
braska, Wisconsin, and North
Dakota, all of whom are seeking
farms in Western Canada and
who will continue their journey
westward tonight over Canadian
National lines. With but one un-
married man in the party, those
seeking farms represent in all
some 150 persons who will move
to Canada between now and next
spring, if they find satisfactory
locations on the prairies.

BATTLE WITH BEAVERS TO KEEP SLUICE OPEN

Little Engineers of Forest Cam-
p Back Night After Night and
Tried to Stop Gap

SARANAC LAKE, N.Y., Sept. 17.—
The owners of a tract of land
in the De Bar mountain section
have been put to no little extra
work as the result of a battle
with beavers to keep a sluice
open.
The sluice was built to keep
the water level of a pond down.
But the beavers who live in the
pond have other ideas. They
evidently fear the water of the
pond will become low as a result
of the sluice. Each night as
soon as darkness falls the beaver
hasten to the sluice and plug it
with sticks, mud, rocks and
grass. The next morning a man
tears out all the work done by
them.

But the little engineers of the
forest came back night after
night and it may be necessary to
station a watchman at the
sluice after dark to keep the ani-
male away.

HACKENSACK AGAIN IN PUBLIC EYE BECAUSE OF ANIMAL ODDITIES

HACKENSACK, N.J., Sept. 17.—
This city has attained somewhat
of a national name as the result
of a popular song extolling its
beauties but that is not enough.
It is now to the fore with four
oddities in bird and animal life.

A crane appeared on the banks
of the reservoir of the Hacken-
sack Water Company at Oradell
and an elk is being hunted for
destroying farm produce along
Spring Valley Road on the out-
skirts of Hackensack.

At Pompton near here Charles
Durling and Eddie Vandoren,
while picking huckleberries, say
an albino snake sat up near
where they stood and hummed a
song in a basso voice that caused
them to hurry home to spread
the news. At Newfoundland a hen
has abandoned her domestic life
in the coop and is raising a
brood of motherless pheasants
in the woods, to which the little
birds enticed her.

\$1,469.50

According to a statement sub-
mitted to the hospital board last
night by the National Protective
Agency, which was employed to
collect a number of outstanding
hospital accounts, the agency had
been successful in collecting \$1-
469.50, leaving net collections of
\$842.59 to the board after deduc-
ting \$626.91 for commission. The
agency stated that it had
actually paid out between \$600
and \$650 in making the collec-
tions.

Secretary Birch reported that
collections were still coming in
as a result of the agency's ac-
tivities.
