GOVERNMENT MEETS WITH MINOR REVERSE PLANS ACCEPTED FOR NEW LUTHERAN CHURCH TO BE ERECTED IN CITY

Government at Victoria is Defeated on Minor Issue but Vote is Reversed in Evening

VICTORIA, Dec. 18.—The government was defeated on a minor division in the House yesterday but the vote was an unimportant one and has no vital significance in connection with the carrying on of the administration.

The occasion for the defeat was an adjourned debate during the afternoon on a bill introduced by G. F. Davie of Qualicum-Newcastle to amend the Summary Convictions Act for the purpose of awarding a jury trial in the case of appeals against a summary conviction.

The amendment was approved by 24 to 23.

The government, through the Attorney General, strenuously opposed the bill at the night session when the bill was in committee. Mr. Manson renewed his opposition to it on the ground that it restored the section of the act that had been deleted by a previous government and declaring it the cause of serious delay in the administration of justice if it became law. He moved that the machinery clause of the bill be deleted.

H. G. Perry, chairman of the committee, ruled the amendment out of order and when the clause was put to a vote he declared the vote equal although there were 13 members present.

A recount was called for on the point of order and the division resulted in a vote of 23 to 22 for the government with the speaker voting for the government.

A check up revealed that in the earlier division the clerk of the House mistakenly counted an extra head among the opposition, thereby causing most of the confusion.

ALBERTA HATCHERIES FOR TROUT N ALBERTA

EDMONTON, Dec. 17.—During this year one million, one hundred and sixty one thousand sporting fish fry were despatched from the federal fish hatcheries at Banff, and distributed to the various lakes and rivers in Alberta.

R. T. Todd, inspector of fisheries here, states that this particular work is increasing each year, and compares the present season's output with 1914, when the hatcheries made their first distribution. The amount sent out then was 985,000 fry.

The young fish vary in size from minute specimens just hatched to fingerlings having a length of from half an inch upwards, the species liberated being rainbow, cut-throat, Loch Leven and Salmon trout.

The small hatchery at Jasper, liberated about 28,000 Rainbow trout.

POOLEY RESOLUTION ASKING FOR CHANGE IN LIQUOR ADMINISTRATION

VICTORIA, Dec. 18.—H. D. Twigg, Conservative, gave notice of a resolution in the Legislature calling upon the government to enact legislation making the Liquor Control Board directly responsible to the provincial house instead of to the cabinet. He explained that action was taken because he alleged there was a growing dissatisfaction in regard to the administration of the Government Liquor Act.

VANCOUVER WINNER HOCKEY SASKATOON

SASKATOON, Dec. 18.—Last evening Vancouver hockey team took the measure of the locals in the Western Hockey League winning by a score of four goals to two.

NEW STATION AT JASPER NATIONAL PARK

IN architectural keeping with its surroundings, a handsome new station has been built by the Canadian National Railways at Jasper, Alta., the headquarters of Jasper National Park, to replace the structure which was destroyed by fire about one year ago. The new building, which is of natural boulders and stucco construction, provides ample room for the heavy tourist traffic which has developed to Canada's largest national park. In addition to comfortable waiting rooms, the building includes restaurant, baggage and express quarters as well as accommodation for a Canada customs officer, who is stationed there for the convenience of American and overseas visitors during the summer months.

LOCAL NURSE PASSES R.N. EXAMINATIONS

Miss Janet Lee Made Excellent Standing in Tests Recently Held in City

It was announced this morning by Miss Jean Harrison R.N., lady superintendent of the Prince Rupert General Hospital, that Miss Janet Lee had been successful in passing nurses' examinations which she recently wrote. The only member of the training school to take the tests, Miss Lee had an excellent standing, her general average being over 70 per cent. Passing of this examination entitles Miss Lee, on completing her training, to the use of the initials R.N. after her name and the professional privileges carried thereby.

FIRST TRAIN IN TWO WEEKS CAME IN THIS MORNING

The first passenger train to get through since the C.N.R. line between here and Pacific was inundated with slides and washouts two weeks ago arrived at 8:15 this morning. It brought a large number of passengers including school teachers coming out for the Christmas holidays, interior people coming here to do shopping and a number of men who had been engaged in clearing the line.

NEW ELEVATOR AT EDMONTON COMPLETED

EDMONTON, Dec. 18.—The Edmonton Terminal Grain Company which for some time has had a plant under construction in the city on Tuesday opened its elevator for the handling of grain and took in its first consignments. The new plant which has a storage capacity of some 110,000 bushels of grain will be used as a transit cleaning and conditioning elevator and in this way will be capable of handling in the neighborhood of 3,000,000 bushels of grain as a working house, states manager G. P. Wilson.

C. A. Kirkendall, manager of the Booth Fisheries Co., accompanied by Mrs. Kirkendall and family, will sail tonight on the Prince Rupert for Seattle where they expect to remain until about February.

MURDERERS WILL HANG

Baker and Sowash Appeal for New Trial Fails Supreme Court Announces

OTTAWA, Dec. 18.—The appeals against the death sentences on the two murderers Baker and Sowash who had been convicted of the murder of Captain Gillis on the liquor schooner Beryl G. on September 15, 1924, were refused by the Supreme Court.

The case was heard last week when judgment was reserved on the application that new trials be granted. This morning it was announced that both appeals had been dismissed and that the sentence to hang on January 14 would be carried out.

BESNER MINE AT ALICE ARM

Tunnel Was Driven Into Heavy Galena Ore With Ruby Silver and Argentite

ALICE ARM, Dec. 18.—Jens Larsen who had a contract with Olier Besner, of Prince Rupert, B.C., the owner, to drive a 75 foot tunnel on the Climax Group of claims, has finished his season's work and came into camp this week. This tunnel was driven along the footwall of a lead for a distance of fifty feet. At this distance a cross cut into the lead was driven for a distance of twenty feet. The lead was not cut through, the fact of the tunnel still being in ore. The cross cut shows heavy galena ore, with some ruby silver and argentite.

The Climax Group lies on Moose Hill 22 miles up the Kitimat Valley, and joins the Moose Group of claims on the east. It is proposed to further develop the property in the spring.

C.P.R. steamer Princess Mary, Capt. C. C. Sainley, arrived from Alaska ports at 11 o'clock this morning and sailed at 1 o'clock for Vancouver.

F. E. Robertson, local manager of the Royal Bank, sails tonight on the Prince Rupert for Vancouver.

CAMPAIGN IS WAGED AGAINST ALL PESTS

EDMONTON, Dec. 18.—The anti-pest campaign waged under the direction of the Alberta department of agriculture has proved disastrous to approximately 300,000 crows, gophers and magpies, according to figures just released.

Nearly 1,300 contestants have taken part in the competition and about \$3,000 have been distributed to successful hunters. The campaign has taken a toll of 195,525 gophers, 70,000 magpies and crows' eggs, while 38,275 destructive birds have been killed.

School children, farmers and members of the Game Protective Association, participated in the contest.

FRAUD IS CHARGED IN ALBERTA CASE

EDMONTON, Dec. 18.—That fraudulent conspiracy had existed between Matthew Estale, J. W. Jeffery, and George P. Smith, by which there was wrongfully withdrawn from the provincial treasury in July, 1924, and then paid to, received, and retained by Mr. Smith, the sum of \$5,280, is the gist of the report by Mr. Justice Walsh following his inquiry into the printing graft charges recently heard before him.

GOLD MINING NEAR
CRANBROOK LIKELY
TO FLOURISH AGAIN

VANCOUVER, Dec. 18.—Although to flourish again he says no stampede to the area is justified, G. A. Ness, a prospector here in connection with the development of claims on Palmer Bar near Cranbrook, says the once famous placer gold mining district will again flourish.

THE DUTY TO VOTE.

(Edmonton Bulletin) Citizenship involves responsibility as well as privilege. It imposes duties, as well as granting liberties. One of these duties is to go to the polling booth on election day and help select the governing body of the municipality, province, or country. To not do that is to shirk one of the most important obligations of a citizen.

Plans Are Accepted for New St. Paul's Lutheran Church Sixth and Dunsmuir Street

Subject to final approval of church headquarters in the East, plans of A. A. Cox, Vancouver architect, for St. Paul's Lutheran Church building on Sixth Avenue near Dunsmuir Street have been accepted locally. Working plans will now be drawn up after which tenders for construction will be called and it is expected that work on the edifice, which will be a decided acquisition to the city, will start early next year.

The plans call for a two storey building fully ecclesiastical in design and of early English Gothic style. It will measure

COL. MITCHELL IS SUSPENDED

Official of Air Service Punished
For Making Attacks on U.S.
Policies

WASHINGTON, D.C., Dec. 18.—Colonel William Mitchell, former assistant chief of the air service, was found guilty last evening by court martial of having broken discipline by making attacks upon the United States air policies following the Shanandoah and San Francisco-Honolulu attempted flight disasters.

The sentence of five years' suspension must be approved by President Coolidge and meantime the Colonel remains technically under arrest.

COMMITTED TO SPRING ASSIZES

Both Pasquale and Pilkington Sent to Higher Court on Murder Charges

VANCOUVER, Dec. 18.—Benito Pasquale, charged with the murder of nurse Anne Roedde and William Pilkington, charged with fatally stabbing William Tibbs on Gore Avenue on September 29 were both committed to stand trial for their lives at the spring assizes.

FINED \$500 MAKING MASH

Still and Other Illicit Material Seized by Police in Manitoba

WINNIPEG, Dec. 18.—Philip and Pat Ross, whose 350 gallon still with 3,000 gallons of bran mash was seized yesterday by the inland revenue department near Vivian, Manitoba, appeared in court and was fined \$500 following a plea of guilty.

FEW OUT OF WORK IN WHOLE OF ALBERTA

Less Than a Thousand in all Reported by Employment Agencies

EDMONTON, Dec. 18.—Between eight and nine hundred men are now out of work in the province as shown by registration at the government employment offices, says Walter S. Smitten, Labor commissioner. The situation is almost parallel with last year in this respect, and is in no way alarming, considering the lack of snow which has made commencement of operations in the northern lumber and tie camps impossible.

Importance Of Having To Wait For Decision.

One advantage of referring a matter to the League of Nations or a world court is that the decision is delayed and the aggrieved nations have time to cool off before getting the decision.

In the case of the dispute between Britain and Turkey over Mosul, the Turks were about ready to fight, but the delay caused by reference to the council of the League of Nations has given them an opportunity to think it over and the result will probably be that a clash at arms will be avoided. Delay in such matters is usually an advantage.

Britain Is Given Mandate In Mesopotamia.

Under the decision of the council of the League, Britain is given a mandate to administer the Mosul district on behalf of the League. This means that it will be administered under a system of law and order such as could not otherwise be obtained. Later, when the country settles down and the people become more stable, the country will be given an opportunity to administer its own affairs. That is the ultimate aim in all British dependencies. That is where British administration differs from the administration of colonies by other countries.

Wonderful Train Of Fish Out Yesterday.

The fish train that pulled out yesterday is probably the largest fish train that ever was hauled. The train had 43 cars behind two engines. This train will go direct through to Winnipeg before being broken up. Had it been delayed a few hours longer, more cars would have been added.

Such a train as that leaving yesterday morning will draw a lot of attention to Prince Rupert.

Edmonton Will Give Rupert Square Deal.

It is pleasing to know that the Edmonton Board of Trade has nothing to do with the move of Mayor Blatchford of Edmonton in opposing the terminal rates on grain from the prairie to Prince Rupert. Blatchford is interested in an elevator at Vancouver and it is apparently a personal matter with him to oppose Prince Rupert. The Edmonton Board of Trade through its secretary explains that the attitude of that board is not the same as that of the mayor. They are for a square deal for all Pacific ports and they draw attention to the fact that they supported the erection of the elevator here.

The business relations between Edmonton and Prince Rupert ought to be very close and there should be considerable cooperation between the two cities.

Ottawa Situation Seems Settling Down.

The situation at Ottawa seems to be settling down. The conviction is growing that the Mackenzie King government will be sustained, judging by the despairs received here and at Vancouver. Of course Premier King and Hon. George P. Graham will have to secure seats if they are to carry on and no one can be quite sure how elections will go.

XMAS CLOSING AT SEAL COVE

Fine Entertainment, Christmas Tree and Presentations to Popular Teachers

There were big doings at the Seal Cove school yesterday when a school Christmas entertainment was followed by a Christmas Tree, presentations to the teachers, afternoon tea and a general social gathering of the residents of the neighborhood. Miss Ruth Stewart, principal, had charge of the arrangements, ably assisted by the other teacher, Miss Larson.

Miss Donaldson, of the Booth School teaching staff made an efficient chairman, conducting the proceedings in a most charming manner. Mrs. Ponder was an accompanist. Trustee Rochester made the presentations to the parents and teachers on behalf of the pupils and parents and Mr. Skog unloaded the Christmas tree.

The program was a pretentious one and the work of the pupils reflected great credit on their teachers and showed that they had much natural ability. It follows:

Program

Greeting—"Welcome," Lillian Vaccher.

Violin solo—Selected. Primo Vaccher.

Recitation—"If," by Kipling. Frederick Peachey.

Playettes—"The Road to Bethlehem."

Characters—3 Shepherds, Jack Storie, John Skog, John Slatters, 3 Kings and page, Harold Ponder, Harold Anderson, Clifford Phillips; page, Andrew Macdonald, 7 Children, Norman Sanderson, Alice Gomez, Iwao Kimura, Jean Sunberg, Chiyoko Kimura, David Geary, Robert Kelsey; 1 Angel, Inger Murvold.

"No Room in the Inn."

Landlord, Brian Parsons; Innocent, Will Murdoch; Pedlar, Charles Anderson; Laborer, Robert Peachey; Quarryman, Galahad Sathers; Carpenter, Thorstein Bjornson; Soldier, Henry Skinner; Woman, Lillian Vaccher; Man, Primo Vaccher; 3 Children, Kazu Nishio, Eleanor Sievert, George Vierick.

Recitation—"The Puzzled Dutchman," George Vierick.

Recitation—"Greetings," Darwin Gomez.

Dutch dance—Lillian Vaccher, Aleza Dodd, Thelma Quinn, Mary Geary.

Recitation—"Hiawatha's Hunting," George Ferguson.

Action Chorus—"Mother Goose songs—Jack Storie, Georgina Lamb, Howard Beale, Harold Ponder, Clifford Phillips, Jean Sunberg, Lois Ponder, Andrew Vierick, David Geary, Robert Kelsee, Alice Gomez, Lina Field, Jeanne Strand, Norman Sanderson.

Fairy dance—Linda Field, Georgina Lamb, Jeannie Strand, June Gomez, Ethel Ferguson, Andrei Vierick, Jean Dalzell, Alice Gomez.

Playette—"Christmas Gifts," Characters—Christmas Spirit, Thelma Skinner; Snow Flake Fairies, Edith Ferguson, Kazu Nishio, Eleanor Sievert, Ethel Moorehouse; 4 Brownies, George Vierick, Galahad Sathers, Will Murdoch, Robert Kelsey; Xmas Colors, Edna Strand, Aleza Dodd, Linda Field, Viva Grieve; Bethlehem Star, Athelene Peachey; Xmas Candles, Margaret Ferguson, Esme Bussanich, Mary Martin, Laura Bjornson, Bertha Bjornson, Esme Ponder; 3 Wise Men, Guido Bussanich, Primo Vaccher, Frederick Peachey; 3 Shepherds, Kilbrin Lamb, Henry Skinner, Charles Anderson.

Presentations

In making the presentation of a travelling clock to Miss Stewart and a purse bag to Miss Larson, Trustee Rochester complimented on their work in a neat speech. The address that went with the clock to Miss Stewart read "In token of our love and esteem we take much pleasure in presenting you with this gift and with it our sincere wishes for a merry Xmas and happy new year. We shall ever remember with pleasure, our childhood teacher."

Both teachers replied briefly, thanking the donors for their beautiful presents and the kindly spirit which prompted them and wishing them all a merry Christmas and a happy new year.

Mrs. G. W. Smith of Stewart is a passenger aboard the Prince Rupert today bound for Vancouver.

LOOKING BACK AT ELECTIONS

Have Been Sixteen Contests so Far in the History of Prince Rupert

FIRST WAS IN 1910.

Mayor Newton has Been Elected Six Times and Beaten Five During that time

The 1926 civic election, if it develops into a fight, will be Prince Rupert's sixteenth mayoralty contest. The city has chosen mayors each year since 1910 and in only one year was there an acclamation, that being in 1915, when Mayor Newton was returned without a contest to the chief magistracy. There was one four-cornered fight in 1918 and there have been several contests with three in the field.

Mayor Newton, with six terms, holds the record for number of years mayor and has also been a mayoralty candidate the most times. He has run eleven times, having been beaten five times. Police Magistrate Thomas McGlymont was mayor three years in succession—1918, 1919 and 1920. H. B. Rochester and M. P. McCaffery have each served as mayor two years. W. H. Montgomery has been a candidate for mayor on four occasions but was never successful in being elected.

Alfred Stork, M.P., was Prince Rupert's first mayor in 1910. **Mayor of Majorities** The largest majority in a Prince Rupert mayoralty contest was given Mayor Newton when in 1912 he defeated the late John H. Hilditch by 392. Mayor Newton came close to establishing another record when he defeated Theo Collart by 386 last year. The closest mayoralty contest was in 1918 when Police Magistrate McGlymont was given a majority of 40 in a four-cornered contest. The highest number of votes given a mayor in this city was last year when Mayor Newton received 694. The lowest vote ever received by a mayoralty candidate was in 1911 when Hamilton Douglas obtained 13 and made his famous declaration that there were "more liars in Prince Rupert than he ever believed there were."

Following are details of mayoralty contests in Prince Rupert since incorporation in 1910:

1910—Alfred Stork, elected 556; William Manson, 440.

1911—William Manson, elected 429; F. H. Mobley, 324; H. Douglas, 13.

1912—S. M. Newton, elected 597; J. H. Hilditch, 205.

1913—D. Pattullo, elected 505; S. M. Newton, 384.

1914—S. M. Newton, elected 532; T. D. Pattullo, 445.

1915—S. M. Newton, acclamation.

1916—M. P. McCaffery, elected 346; S. M. Newton, 218.

1917—M. P. McCaffery, elected 437; W. J. McCutcheon, 213.

1918—T. D. McGlymont, elected 212; O. H. Nelson, 172; W. H. Montgomery, 122; S. M. Newton, 100.

1919—T. McGlymont, elected 249; W. H. Montgomery, 155; S. M. Newton, 94.

1920—T. McGlymont, elected 330; S. M. Newton, 288; W. H. Montgomery, 111.

1921—H. B. Rochester, elected 493; G. W. Nickerson, 454.

1922—H. B. Rochester, elected 520; S. P. McDermid, 318.

1923—S. M. Newton, elected 391; W. H. Montgomery, 310; John Dykhavn, 279.

1924—S. M. Newton, elected 468; M. M. Stephens, 370.

1925—S. M. Newton, elected 694; Theo Collart, 308.

THE MAN IN THE MOON

says:

YES, Christmas is next week.

THE Christmas spirit is just beginning to spread and very soon it will bring a dollar or two for the S.A. Christmas dinner fund.

MOST people are not just as bad as you think they are.

THE difficulty with the American people is that they are taught to pursue happiness and then of course the coy maiden turns and runs.

THIS is a free country. Any man may do as he wishes so long as he obeys the law and his

H. W. Edwardson of New Hazelton arrived from the interior on this morning's train and will sail tonight on the Prince Rupert for Ocean Falls. 297

J. J. Carroll, local superintendent for the C.G.M.M., sails tonight on the Prince Rupert for Vancouver where he will spend the Christmas holidays with his family. 297

Pipes, Pouches, Cigarette cases, Cigars and box candy at cost. Gil's Cigar Store. 297

Mr. and Mrs. Fred Clark and family will sail this evening on the Prince Rupert for Vancouver. 297

Mrs. Ethel Coombs will sail tonight on the Prince Rupert for Vancouver where it is expected she will remain. 297

"Coal." Don't leave your coal orders till Christmas Eve. "Reco" \$11.00 per ton. Phone 112. P.R.T. Transfer and Taxi. 294

Roy Priest, who is interested in mining at Stewart, is a passenger aboard the Prince Rupert today bound for his home in Vancouver where he will spend the Christmas holidays. 294

W. S. Harris, well known Hazelton mining operator, arrived in the city from the interior on this morning's train and will sail tonight on the Prince Rupert for Vancouver where he will spend the Christmas and New Year season on holiday bent. 294

Mr. and Mrs. Wallace G. Orchard sailed this afternoon on the Princess Mary for Vancouver where they will spend the Christmas holiday season. They were accompanied south by their daughter, Mrs. Edward Mayon of Vancouver, who has been visiting here with them for the past few weeks. 294

W. Holt, who was fined \$200 and costs at Smithers with the option of two months' imprisonment for trapping without a license, was brought to the city this morning by Provincial Constable Eggleshaw of Terrace and has been lodged in the local lock-up. So far he has been unable to raise the money to pay his fine. 294

Among the arrivals from the interior on this morning's train were C. A. Procurer of Sunnyside; Constable J. P. Eggleshaw of Terrace; Mr. and Mrs. J. W. Kilpatrick of Smithers; Mrs. M. Aldous, W. Vanderlip and F. Vanderlip of Terrace; H. Jacobson of Edmonton; H. W. Edwards of New Hazelton, George Kepp of Smithers and E. W. Unwin of Prince George. 294

The operetta Snow-White and the Seven Dwarfs was repeated at the Booth School last night. A large attendance once again expressed their appreciation of the artistic staging, tuneful music, and the clever acting of the children. The really beautiful dresses of the chorus and principals, the work of Miss Rothwell, assisted by other teachers and the parents, harmonized perfectly with the spirit of the play. Miss Rothwell and her assistants must be gratified at the complete success of their efforts which called forth the highest commendation on the part of the audience. 294

Every Waterman's is a Treasure

ASK the man who has carried one for twenty-five years.

Ask the man who wants one of the big new Waterman's—and expects some one to give him one for Christmas.

Ask the woman who writes pages and pages and likes a pen that holds plenty of ink.

Waterman's pens range from the plain at \$2.75 upward, to the mounted from \$4.00 upward. Pencils to match.

Selection and Service at Best Dealers the World Over

Not the slightest chance in selecting a Waterman's! Take care to go to any Waterman's dealer and he will fit it with the point suitable to your handwriting.

BRINGING UP FATHER

By George McManus

SMOKER HELD BY BATTALION

Prizes Presented by Colonel

Nicholls to Winners in

Rifle Shooting

GOOD PROGRAM.

A very successful smoking concert was held in the Armoury last evening. This annual affair, at which the prizes won on the McNeill Creek rifle range during the past season are presented, was presided over by Captain Percy Tinker, D.C.M., who performed his duties in his usual happy style.

The Drill-Hall gaily decorated for the occasion was well filled by members of the Regiment and their friends. During an interval in the course of a long and varied program of vocal and instrumental music the Commanding officer, Colonel Nicholls, addressed the gathering and expressed the appreciation of the enthusiastic work of Lieut. William Brass, secretary of the N.B.C. Rifle Association. This was followed by the distribution of prizes which were handed to the winners by Colonel S. P. McDermie, D.S.O. with appropriate remarks to the following prize-winners:

Regimental Cup and Gold Medal for 1925 for the highest average of the season, R.Q.M.S. Malcolm Lamb with an average of 87.4 points.

The "Royal Arms" Cup which was competed for September 20, for best score ten shots at 600 yards, R.Q.M.S. Lamb.

Annual regimental shoot, October 18:

Gold medal—R.Q.M.S. Lamb.

Silver medal—Pte. R. Wilson.

Bronze medal—Signaller G. V. Wilkinson.

Turkey—Lieut. W. Brass.

Regimental spoons: R.Q.M.S. Lamb, 3; Captain Evitt, 2; Lieut. Brass, 2; Pte. Wilson, 2; Signaller Wilkinson, 2; and one each to R.S.M. Brown, Pte. C. Lemon, Lieut. Floyd, Pte. McKeown and Sergt. Squires.

The Corporation Cup was won by the N.B.C. Regimental team in competition with the team representing the R.C.M.P.

Program

The program arranged by the committee, Captain Evitt, Lieut. Rix, Bandmaster Wilson and Sgt. Youngman was most enjoyable and of a high standard, contributed by the following: vocal: Tommy Black, Sergt. Andrew Murray, William Murray, Frank Morris, Bandmaster Wilson, Captain Tinker ("Alouette"); Bob James, C.S.M. Wright Davies, and Sergt. Lavery (Monologue "Kit Inspection"), these were accompanied at the piano by W. Vaughan-Davies in his usual able manner. Instrumentalists were the Bussanich brothers, mandolin duet, Bob Watson on the ukelele, and the Pipe band (Pipers Sturgeon, Macdonald, Macindewar and Bruce, drummers Peyton and Youngman, all performed at their best and earned well-merited applause.

Ample refreshments were distributed by a committee comprising C.S.M. Wright Davies, Sergt. Lavery and Sergt. Ernie Unwin, the proceedings closing at midnight with the National Anthem.

"FARMER" ARRIVES

C.G.M.M. freighter Canadian Farmer, which will spend the better part of a month at the local dry dock being converted from a coal to oil burner, arrived in port at 11:30 last night from Ocean Falls and tied up at the dry dock where the work on her will be started at once.

SANTA CLAUS PAID FIRST VISIT HERE

Orange Ladies Christmas Tree Took Place at Metropole Hall Last Night

Santa Claus paid his first visit of the season to Prince Rupert last night when he appeared at the Christmas Tree of the Loyal Orange Benevolent Association in the Metropole Hall. Some fifty kiddies were in attendance and their hearts were gladdened with the gifts and sweets that were lavishly distributed by their genial old friend. The evening's proceedings were rounded off with the playing of games.

After the youngsters had departed, the regular lodge meeting was held and a whist drive took place. The prize winners were Miss Nellie Smith and Miss Alice Watson, firsts, and Mrs. McRobbie and Mrs. Lemon, seconds. Refreshments were served.

The committee in charge consisted of Mrs. Leek, convener, addressed the gathering and expressed the appreciation of the enthusiastic work of Lieut. William Brass, secretary of the N.B.C. Rifle Association. This was followed by the distribution of prizes which were handed to the winners by Colonel S. P. McDermie, D.S.O. with appropriate remarks to the following prize-winners:

Regimental Cup and Gold Medal for 1925 for the highest average of the season, R.Q.M.S. Malcolm Lamb with an average of 87.4 points.

the instructor is open to any navigators desirous of attending.

On being shown the paragraph in question, Capt. Lindsay denied having made the statement.

Negotiations, I am led to believe, are at present under way to extend the classes into afternoon classes with the understanding that all men actually catching fish for a living are to be entitled to attend the free courses, but so far as I am aware at the time of writing, the extra classes have not been definitely decided on.

B. G. MARSH.

ANNUAL BREAK-UP AT HIGH SCHOOL

Festivities Yesterday Afternoon
Marked Advent of Christmas
and New Year Holidays

Christmas break-up proceedings took place at the King Edward High School yesterday afternoon and evening, the proceedings being in progress from 2 to 7 o'clock. The entire student body participated as well as members of the staff.

During the afternoon, each class put on some form of entertainment, the program including plays, pantomimes and music. A feature of the proceedings was the initiation of the preliminary students by the Seniors under the supervision of Principal Brady.

At 5 o'clock the gathering which included a number of last year's students, sat down to the break-up supper which was in charge of the girls of the school. Perry Basler, president of the Students' Council, occupied the chair and there were toasts and speeches and community singing by Alex Mitchell. The speakers' list included Principal Brady, Miss Alice Pillsbury, Miss Lillian Cross, Jim Parker, Jack MacKay and Miss Jean Mackay.

Miss Kathleen Ward of Massett arrived from Tahesukit Lake and will spend the holidays here. Miss Mary Macknight arrived from Round Lake and will proceed on Sunday night to her home in Anwoy.

NAVIGATION CLASSES.

Editor Daily News.

In yesterday's issue of your paper under the caption of "Local navigation candidates passed," Captain Lindsay is reported as squad has been organized at the having stated that the navigation University of B.C. and has play-school of which I happen to be ed several games in Vancouver

American football has made its debut in British Columbia and whether it will remain or not will depend largely upon the decision of the faculty and student body of the University of B.C. The big argument used by the proponents of the American gridiron game is that this form of football presents the only opportunity in the province for inter-collegiate games. An American football club has been organized at the University of B.C. and has play-school of which I happen to be ed several games in Vancouver

It is estimated that \$50,000,000 was wagered during the 1925 season at race-tracks in Canada. The big bulk of the betting was in the East with Ontario topping the list. Race track betting doubled in British Columbia but the amount wagered was cut in two during the year. The 1925 figures for the province were \$3,479,739 as compared with \$6,397,370 in 1924. The total amount wagered during the year on races in the three prairie provinces was \$5,884,818, the big bulk of this being in Manitoba where \$4,993,534 was contributed to the pot.

and also in Washington. The only objection to it seems to lie in the contention that, if the inter-collegiate contests are given too much emphasis, the Canadian game will be subordinated. English rugby is the popular football game in southern British Columbia schools, the game as played in Eastern Canadian colleges having not so far been introduced.

It is estimated that \$50,000,000 was wagered during the 1925 season at race-tracks in Canada. The big bulk of the betting was in the East with Ontario topping the list. Race track betting doubled in British Columbia but the amount wagered was cut in two during the year. The 1925 figures for the province were \$3,479,739 as compared with \$6,397,370 in 1924. NEW SPIRIT IN INDUSTRY SOON

Spiritual Awakening Coming
Rev. E. G. Turner Tells Rotary Club at Luncheon

That there must be a new spirit in industry as in all other walks of life was the message brought to members of the Rotary Club yesterday afternoon at their luncheon by Rev. E. G. Turner, in an address on "The Church in an Industrial Age." The speaker said he believed the world was on the verge of a great spiritual reconnaissance. An awakening was coming in civilization. Out of the post-war desolation the time was opportune for such a movement.

It was H. G. Wells who stated that the twilight of civilization had just set in. The minds of serious men were all working along similar lines. A new and better spirit was required which would lead to social and industrial reconstruction as the best means of promoting human happiness.

Great Change Coming

The rumblings of the approaching awakening must have been heard, Mr. Turner said, by any who were not distracted by gross materialism. In science the best minds were giving expressions to the thought, and "where science ends there faith begins," said the great Steinmetz. The man in the street felt the change coming. Only the other day a commercial traveller voiced the thought in conversation. Men were on the alert expecting some great movement making for a change.

Mr. Turner referred to the teachings of history and to the study of the Bible. Men were delving for the purpose of clarifying their mental condition and were looking for an interpretation of life. Economic and industrial problems, they were insisting, must be solved on the basis of the golden rule.

Speaking of the Church, the speaker said it must have a definite mission to the age in which it found itself. It had to interpret the mind of the master to

LAND ACT.

Notice of Intention to Apply to Lease Land.

In the Prince Rupert Land Recording District and situated on an unnamed island in the Eastern entrance to Dundas Bay, opposite near Dundas Island, Blue Print R.M. 14.

TAKE NOTICE that George Gordon Bushy, of Prince Rupert, B.C., manufacturer, intends to apply for a lease of the following described lands:

Commencing at a point situated on a partly submerged reef of rocks radiating from same in practically a circle, having a radius of about 1,000 feet, and containing 200 acres or more, or less.

GEORGE GORDON BUSHY.

Dated December 4th, 1925.

There's only one quality of MAGIC BAKING POWDER and that's the highest

SOCKEYE FOOD IS IMPORTANT

Run Depends to Large Extent on Supply of Plankton in Lakes

Dr. R. E. Foerster who is carrying out investigations of problems connected with the fresh water life history of the sockeye salmon and with the propagation of this fish for the Biological Board of Canada, has written an important paper dealing with a special study of the food supply and the enemies of the young sockeye salmon.

Dr. Foerster is stationed at Cultus Lake, B.C., and his studies cover that lake, Harrison Lake and several others in the same region.

Plankton

The food of the young sockeye from the time that the yolk sac is absorbed until they leave the lake for the sea, consists of small animals about the size of pin heads, constituting what is known as animal plankton. The young sockeye feed largely in deep water during the day and may come upward at night. Dr. Foerster has studied the amount of the food supply as well as the materials composing it, and shows that there was an abundant supply of food materials in all the lakes studied during the period of the investigation. Some lakes were much richer in food materials than others. Trout Lake, for example, contained much larger quantities than any of the others. The explanation of this is that the animal plankton is dependent upon the plant plankton as its food supply and the latter requires light for growth, so that shallow lakes produce a greater amount of both plant and animal plankton per unit volume of water than do large deep lakes. Temperature also influences plankton production in that warm waters are relatively more productive than cold waters.

The significance of this food supply in the lakes of the province may be appreciated when it is realized that the sockeye production is dependent upon the production of minute plants and animals in the lakes. Failure of the crop of plankton would mean failure of the sockeye runs and of the sockeye fishing industry.

ENEMIES OF SALMON

The enemies of the sockeye in the region studied are chiefly squawfish, trout and charr and it is advised that efforts be made to reduce the numbers of squawfish.

An illustration of the uneconomic waste of the present day was illustrated by the individual delivery systems of the businessmen. The work could be done more economically and efficiently by uniting on a service.

Real Service

The displacement of law with love was mentioned. Attention was drawn to the fact that law had accomplished little that was worth while. Law was failure but love would secure the largest results. The mission of the church was to teach industry the principles of Christ in regard to social problems and to bring to business the great principles that would make industrialism a real service.

LAND ACT.

Notice of Intention to Apply to Lease Land.

In Prince Rupert Land Recording District of Prince Rupert, and situated on north shore of Shannon Bay, Queen Charlotte Islands, B.C.

TAKE NOTICE that James Fielding Strang and Robert C. Gosse, of Vancouver, B.C., occupation, carymen, intends to apply for a lease of the following described lands at Shannon Bay, Queen Charlotte Islands:

Commencing at a post planted on the shore of Shannon Bay about 500 feet in a southerly direction from south west corner of Lot 1548; thence west 128.5 feet to the high water mark of an island being an application for lease by Robert C. Gosse, thence northerly, westerly and southwesterly following the high water mark of said island to a point 969 feet south and 1153 feet west of south west corner of Lot 1548; thence west 330 feet more or less; thence north 530 feet, more or less; thence east 956 feet, more or less, to the point of commencement, and containing 8 acres, more or less.

ROBERT C. GOSSÉ and JAS. FIELDING STRANG, Appointees

TELKWA

The members of Round Lake Community Club held a very pleasant social on Friday last. Basketball has been organized and it is expected there will be five teams lined up—two girls' and three boys' teams. After an hour or so at basketball, dancing was continued until the early hours. Very good music was furnished by Bill Bossom at the piano and P. Sparkes saxophone.

Telkwa kiddies are busy preparing a program for their annual concert which is being held this year on Friday, December 18.

Most unusual weather has been experienced for several days. Several hours' rain fell and as a result the snow has all vanished and it is now much more like early spring than winter.

The Round Lake school concert took place in the Community Hall on Wednesday. Miss Macknight had charge of the proceedings.

Mr. and Mrs. O. A. Reigle expect to leave for southern California in a few days.

WOMEN SLAVES OF FASHION DECLARER COLLEGE LECTURER

Says French Heels, Pierced Ears, Flimsy Dresses and Wedding Rice are Irrational

WINNIPEG, Dec. 18.—Modern fashions are following the line of least resistance, while the fear of social ostracism compels many women to adopt the foolish customs or wear clothing often immodest and vulgar, declared Rev. G. A. Wells, warden of St. John's College, Winnipeg, in the course of a lecture.

"A new way of dressing your hair and not dressing yourself usually started by some actress with a daring reputation and no particular character, is often the origin of fashion," Mr. Wells said. It was about time he thought that someone was strong enough to stand out. There was too great a desire to be smart as the next party, and capitalizing this weakness, the designers were driving many a good man into bankruptcy, the speaker maintained. The mad craze for change in garments made women slaves. They did not use their own judgment, but depended upon designers who were often without any creative sense and too prone to emphasize extremes.

Detests Present Trend

"I like pretty things," the speaker said, "but I detest with all the manhood in me the present trend of fashions."

Mr. Wells dealt with instinct and habit, intelligence, reason and will. He spoke of suggestion and branded the school of fraud as vicious. Magazines and photo-plays were full of rubbish founded on this one idea, he asserted. The worst feature of suggestion, he said was that unscrupulous persons used it to victimize and make money out of human weakness.

Canada, he believed was not paying sufficient attention to custom, which he claimed was a valuable aid in national development.

LAND ACT.

Notice of Intention to Apply to Lease Lands

In Prince Rupert Land Recording District, and situate at Cove, Spicer Island, about 60.00 chains southeasterly from the southwest end of Spicer Island and about 24.00 chains east from Schooner Pass.

The Real Cause Of Constipation Is A Bad Liver

Mrs. Jean Boeheir, Nelson, B.C., writes: "For many years I have been troubled with my liver, and suffered terribly with constipation.

I HEARD ABOUT

Milburn's

and have been greatly improved since I started to take them.

I cannot recommend them too highly to any one who is troubled with their liver."

Milburn's Laxa-Liver Pills are not a new and untried remedy. They have been on the market for the past 32 years; put up only by The T. Milburn Co., Limited, Toronto, Ont.

sent trend of fashions." He confessed that some fashions stimulated individuality in the leaders and in some measure led to progress, but it also led to fads and crazes. "If there is anything that raises the Old Adam in me, it is to see a charming lady on one end of a string and a little dog at the other," Mr. Wells added.

In a lighter vein he asked an explanation for such "irrational customs" as French heels, pierced ears, flimsy dresses in winter, spurs at receptions, rice at weddings. Why was thirteen unlucky? Why was it fashion to be late at meetings? Why long speeches?

Mr. Wells dealt with instinct and habit, intelligence, reason and will. He spoke of suggestion and branded the school of fraud as vicious. Magazines and photo-plays were full of rubbish founded on this one idea, he asserted. The worst feature of suggestion, he said was that unscrupulous persons used it to victimize and make money out of human weakness.
