C.P.R. IS CLINCHING HOLD ON PEACE RIVER

JAPANESE ARE PLANNING TO BUILD BIG MOTORSHIPS FOR PACIFIC ROUTE

Motorship Silver Wave may have been Wrecked During Alaskan Storms

GORDOVA, Nov. 21.—Following a terrific storm, the motorship Silver Wave is missing. The vessel left Seattle on October 29 bound for Alaskan ports and has not been heard of since and fear is expressed for her safety.

During the big storm in which the Silver Wave was caught, shingles were torn from the houses while the streets of Unalaska were filled with debris washed from the ocean. The whole coast was swept by the terrific gale and several motor boats were swamped at Dutch Harbor.

GAS EXPLOSION FISHING BOAT

Narrow Escape of George Sorenson Early this Morning When Lighted Match Ignited Fumes

George Sorenson of the fishing boat Jenny had a narrow escape from serious injury when a gas explosion took place this morning about 7:45 aboard his boat at the Gow Bay. Sorenson was apparently lighting a match to start the stove on the boat when fumes from gasoline in the bilge ignited. The explosion blew the windows out of the cabin and the fire that followed burned clothes and damaged provisions. Apart from that, the damage to the boat consisted of slight scorching and Sorenson was unharmed. The fire department was called to the scene and soon extinguished the flames.

MUCH GRAIN TO BE MARKETED

Embargo at Vancouver Checks Western Movement Which is Yet Quite Large

WINNIPEG, Nov. 21.—There is still in store at points on the Canadian National Railway in the prairie provinces 24,660,000 bushels of grain and much more is yet to be marketed.

The placing of an embargo on grain shipments to Vancouver owing to the great amount of damp and tough wheat recently being threshed, has reduced the western movement, but since August first 6,654 cars have been delivered there over Canadian National lines as against 1,687 in the same period of 1924.

FIRE AT TOULEN IS NOW UNDER CONTROL

TOULEN, Nov. 21.—After a fireman had been killed by a wall which collapsed and several others had been injured, the fire which broke out in the arsenal and spread to the surrounding district was brought under control.

ST. PAUL'S BIG BELL TOLLED

Death of Royalty Announced to London in Usual Way: Funeral Not Yet Arranged

LONDON, Nov. 21.—The great bell of St. Paul's tolled for an hour last night. The bell is used only on the death of royalty, the last occasion being the death of King Edward.

Parliament had already adjourned when the death of the Queen Mother occurred. Many official and private functions were cancelled as a token of respect.

Funeral arrangements will not be decided until the King has been consulted. There is no modern precedent for the funeral of a mother of the reigning British monarch. For a parallel it is necessary to go back to the death of Catherine of France, mother of Henry IV., in 1538. It is expected however, that the ceremonial observed at the funeral of Queen Victoria will be allowed.

FATHER OF LOCAL MAN PASSED AWAY

G. H. Carlaw of this City, Son of Late James Carlaw of Chilliwack

The death occurred in Chilliwack on Monday of James Carlaw, father of G. H. Carlaw of this city. The funeral took place in Vancouver on Wednesday. Deceased, who was 76 years of age, is survived by a widow, one daughter and four sons.

WHEAT PRICES ARE ADVANCING

VANCOUVER, Nov. 21.—Wheat is moving up steadily and is affecting flour and feed. The price of wheat on exchange here yesterday was about \$1.14 and a fraction over it. The tendency is still upward.

ANOTHER DELAY TRYING WONG CASES

Another Remand for Week Given in Case Against M. B. K. Jackson and Others

VANCOUVER, Nov. 21.—When the case against M. B. Jackson, Reeve Patton, and H. F. McCraney, of the Point Grey Police Commission, Mrs. Stratton and David Patterson, formerly connected with the council of Scottish societies, all charged with conspiring to abduct Wong Foon Sing, was called in the police court this morning, Magistrate Shaw granted a further remand of one week but intimated that no further delay would be permitted.

PREMIER NOT SURE HOUSE WILL OPEN ON DECEMBER TENTH

OTTAWA, Nov. 21.—"We count on the House opening December 10," stated Premier King after the cabinet meeting yesterday. The Premier said, however, a definite statement of the date of the opening of the next Parliament would hardly be available until about November 30.

Japanese Motorships are to be Built for North Pacific Route of Latest Diesel Type

YOKOHAMA, Nov. 21.—Three new motorships of the latest diesel type, each of about 17,000 tons and planned to make a speed of 19 knots an hour are planned to be built by the Nippon Yusen Kaisha, Japan's largest steamship company. These fast vessels, it is claimed, are necessary if the Japanese are to hold their own in competition with the Canadian Pacific liners.

It is claimed that these diesel ships can operate much more cheaply than the steamers and would be in a position to make money where the others would lose.

The Japanese government is offering the company a subsidy of considerably over a million dollars to induce them to build the vessels and the expectation is that the first will be laid down in the spring.

The new vessels are designed to operate on the trans-pacific route, though what ports are to be used is not known.

LOCOMOTIVE PLUNGED INTO MOYIE LAKE IN WEST OF CRANBROOK

One Man Killed When Freight Train Struck Obstruction Near Jerome

CRANBROOK, Nov. 21.—Robert Ely, foreman, was drowned this afternoon when the locomotive hauling a Canadian Pacific freight train struck an obstruction at Jerome, 17 miles west of here, and plunged into Moyie Lake.

C.P.R. Clinching its Hold on the Peace River Country by Securing Settlers for its Lands

Big Railway Company Likely to Push the Present Line West to Meet Canadian National: Routes Discussed

(Special to Daily News)
 EDMONTON, Nov. 21.—An evidence of the fact that the C.P.R. has no intention of giving up its prior right to the development of the Peace River country is seen in the fact that the company is opening a branch of the colonization department here for the purpose of securing settlers for the Peace River and of locating them on the fertile lands of that district.

The new branch will be under the direct supervision of Major J. Miller, land agent here of the C.P.R., and will work in close connection with the head office under Colonel Dennis and with the overseas branches in London and most of the other centres of Great Britain and of some of the other European countries.

TRIBUTE OF B.C. PEOPLE

Resolution of Condolence Passed by Legislature Yesterday Which Then Adjourned

VICTORIA, Nov. 21.—Recording the official tribute on behalf of the people of British Columbia to Queen Alexandra yesterday, the provincial legislature adjourned the usual session and passed a resolution of condolence to the Royal Family. This was moved by Premier Oliver and seconded by R. H. Pooley, leader of the opposition.

The address to the King will be embodied, signed by speaker Buckham on behalf of the Legislature, and forwarded to London. Immediately on receipt of the news of the passing of the Queen Mother, Lieut. Governor Nichol forwarded a message of condolence to His Majesty the King.

WENT ON ROCKS AT KETCHIKAN

American Schooner Atlas Sustains Damage in Harbor of Northern Port

According to word brought here today by Capt. H. S. Johnson, master of the halibut boat Ivanhoe, the large American schooner Atlas, Capt. John Monson, had a mishap at Ketchikan yesterday which resulted in considerable damage being done to the vessel's hull and rudder.

The Atlas had been moored at the Northern Machine Shop dock at Ketchikan but broke away and drifted stern on to a reef of sharp rocks at high tide. When the Ivanhoe left Ketchikan, the Atlas had been perched on the reef for some six or seven hours and was listing so badly with water running into the hold that it was necessary for a pile driver to go alongside and hold her up to prevent her from capsizing.

SIX VESSELS SOLD CATCHES

More Halibut Expected Monday and Auction Will be Held Then

It is very probable that the last auction sale for halibut this season will be held on Monday. More boats are expected to arrive before that time. Six sold today, the prices being about the same as those prevailing all week. Sales were as follows:
 Ivanhoe, 29,000, at 12.80c and 6c to Booth Fisheries.
 Majestic, 35,900, at 15.20c and 6c to Gold Storage.
 Venus, 15,000, at 13.40c and 6c to Royal Fish Co.
 North, 21,000, at 12.80c and 6c to Gold Storage.

Going To Bed And Getting Up.

What a difference there is between going to bed at night and getting up in the morning. There is an even greater difference between going to bed in the morning and getting up in the morning.

At night an hour is nothing. In the morning five minutes seems like a week. To get up five minutes ahead of time seems to many like committing a crime, whereas going to bed an hour after time is quite the proper thing.

If it is right and proper to be on the job at nine o'clock, most people seem to think five or ten minutes after nine will do just as well.

At night many people think they will get a good start in the morning and set the alarm clock a few minutes ahead. When they awaken they find that they are not as enthusiastic about that good start as they were on the previous night, so they stay in that long and in all probability go to sleep again and oversleep their time.

In the evening people often devote considerable time to dressing themselves properly, giving their hair needed attention and generally making themselves presentable. In the morning everything is different. There is not time for all that. There is just time to grab a comb, rend the matted locks asunder with it, and then make for the breakfast room.

By a little indulgence in the morning it is easy to break the good habits of years and oversleep the set time for rising. Be ware the first indulgence. Get up on the dot.

C.P.R. Will Hold To Peace River.

The C.P.R. has got a hold on the Peace River country and is not likely to relinquish it. Recent evidence of this is seen in the decision of that company to form a branch of the C.P.R. colonization department at Edmonton for the purpose of securing settlers for the Peace River country and locating them on the lands contiguous to the railway which it at present operates.

The recent interest of the C.P.R. in Prince Rupert is accounted for largely by the fact that they are in the Canadian Northwest to stay. The probability is that they will get a better hold on the Edmonton, Dunvegan and B.C. than a lease and will extend that line toward the Pacific coast through the best part of British Columbia. In doing this they will have to be aided by the Dominion Government and this aid they will doubtless receive.

Naturally the Pacific outlet is what interests us. There is but one and that is Prince Rupert. Any arrangement for a northern Pacific outlet to the C.P.R. must include Prince Rupert.

Value Of Getting C.P.R. Here.

Under the present system of government it is quite evident that there must be locational rivalries and that the competition between the Canadian National and the C.P.R. must get itself mixed up with political strife. As long as this part is dependent on the Canadian National alone for its service and support it must be opposed more or less by the C.P.R.

Let the C.P.R. be interested here ever so little and the condition is changed. We no longer become a political football, bunted back and forth by the contending parties. We attain stability. Under those conditions we could look for the support of the C.P.R. as well as of the Canadian National and our prosperity would be speeded up very considerably.

MURDER CASE AT HAZELTON

Circumstances Surrounding Alleged Killing of Matthew McLean Given by Omineca Herald

The skeleton that was found washed up on an island in the Skeena River near Salvus some weeks ago has been identified as the body of Matthew McLean, an Indian, who disappeared a year ago, says the Omineca Herald. A coroner's jury at Hazelton last Friday night decided also that death had been due to violence, or something like that. Since then three suspects have been arrested.

It will be remembered that a year ago, September 12, 1924, to be exact, some Indians and half-breeds had a celebration on the Hazelton reserve and that it wound up as most such celebrations do, with a fight. The fight caused a session of the police court. Several were convicted for participation in the party and some for supplying the fire-water.

But that was not all. Evidence was found on the bank of the Bulkley River of a desperate fight having taken place. Blood had been spilled, clothing had been torn and left lying about. Matthew McLean, a cripple Indian, was missing. The police were baffled. The missing man was well known all over the district, but not a trace could be found. Foul play was suspected, but to produce the body was the sticker.

Gun-a Noot Cleared

An attempt was made by some parties to hang the responsibility on Simon Gun-a-noot who had been in town that day. A pretty good yarn had been framed up and Simon never knew how near he was to being arrested. But investigation of the yarn cleared the big Indian of any knowledge of a crime or any participation in the celebration. It was a clear plant against Gun-a-noot.

But what became of McLean? That was a closed door for thirteen months when the Skeena River came to the assistance of the police and gave up the skeleton of the missing man.

The skeleton was comparatively easy to identify. McLean had a crooked foot, a crooked hip and a crooked shoulder. The skeleton corresponded with these deformities.

Making Good Case

With the remains on hand and a coroner's jury verdict of death by violence, the police put machinery in motion to round up suspects and material witnesses. A good deal of success has been achieved thus far and a real case will soon be placed before the magistrate for preliminary hearing, is the expectation of the local police.

The supposition is that following the fight on the bank of the Bulkley River a year ago and more that the victor or victors, after killing McLean, carried the body out onto the bridge that crosses the Bulkley just before that river joins with the Skeena, and threw it overboard into the current. Had the island in the lower Skeena, about 70 or 80 miles, not proved such an obstruction, the remains would probably have gone out to sea and thus sealed forever the mystery.

WHERE IS THE JOKER?

Editor, Daily News.

About this time of year there is always many people unemployed in Canada, which is wholly unnecessary, as I am never out of a job when I want to work, and I have been all over the country from Sydney to Victoria and from Vancouver to Dawson.

As I am leaving for Vancouver shortly in order to join the Ku Klux Klan, I would like to advise the unemployed of Prince Rupert to join some secret organizations, they will find it a great benefit through life and the trifling expense of fees, dues, etc., will be returned a hundred fold financially and socially. All employment agents, employers, and men in influential positions, belong to secret orders. Why not join up and get the benefits that are going?

The first lodge I joined was a

FISHERMAN'S PROTEST.

Editor, Daily News.

Allow me to inform the public, that one of the straw bosses on city work, is discriminating against fishermen being engaged to work, and has been overheard to say that he had discharged four of them, as he did not think they were entitled to jobs. We would like to know if straw bosses have authority to do so and why fishermen are not wanted on the city work. Some of us are very much in need of employment to keep our families until fishing starts again.

R. E. Benson plucked a delightful new bud from a Japanese Tea rose bush outside his house this morning. Another tribute to the salubrious climate enjoyed in Prince Rupert in November.

Mrs. E. M. Hargreaves, who has been visiting with her husband at Ketchikan, arrived in the city on the Princess Mary last night and sailed this morning on the Princess Beatrice for Vancouver en route to St. John, N.B., whence she will sail on the steamer Montcalm on December 5 on her return to her home in England.

Women—Politics—and Soap
Made in Canada by Canadians, might be the appeal to Canadian Women to use Baby's Own Soap—but women know that Baby's Own Soap has been used in hundreds of thousands of homes in Canada by five generations of Canadians and its unvarying excellence and low price earn for it continued increasing sales.
Baby's Own Soap
could not be sold at much less than double its price of 10c, were it not made in Canada. 81-25

SUCCESSFUL BAZAAR SMITHERS THIS WEEK

Number of Ladies Aided in Selling Articles and Serving Tea

SMITHERS, Nov. 21.—The Ladies' Auxiliary of St. James Anglican Church held a most successful bazaar and sale of work in the Town Hall Wednesday afternoon. The several very tastefully decorated booths and tea room were well patronized by the public and the ladies as a reward of their endeavors had the pleasure of adding around \$150 to their fund for assisting in carrying on church work.

Mrs. R. W. Champion is president of the Auxiliary and among the ladies working with her were: Mrs. W. Dawson and Mrs. F. Ockleshaw at the home cooking table; Mrs. D. D. Rolston and Mrs. H. G. Windt at the fancy work stall; Mrs. S. H. Hoskins and Mrs. J. M. Adams at the grab bag; Mrs. C. Ried and Mrs. H. J. Kelly at the candy booth; Mrs. A. E. Campbell at the stork booth, while Mrs. R. Raabe and Mrs. F. Page had charge of the tea room with several of the Sunday school girls acting as waitresses, and Mrs. D. Simpson as cashier.

A nicely decorated fruit cake donated by the Newbery Bakery was the prize in a guessing contest and was won by Mrs. J. B. McIntyre and Miss Ruth Miller, who each had guessed the same weight which was nearest correct. The cake weighed 8 lbs. 6 oz. During the afternoon Mr. H. Scharwitz, the tailor, raffled a piece of dress goods; this was won by Mrs. G. Carruthers.

SHOWER WAS GIVEN FOR NEWLY MARRIED COUPLE AT TERRACE

TERRACE, Nov. 21.—The members of Mountain View Rebekah Lodge and Lakelse I.O.O.F. joined forces on Wednesday evening in honoring two of their members, Mr. and Mrs. S. Kirealdy, who were married recently. About forty members met in the G.W.V.A. Hall and "showered" them with a splendid array of kitchen necessities. The presentation was made by J. P. Eggleshaw and fittingly responded to by Mr. Kirealdy. The remainder of the evening was pleasantly spent in music, games and dancing. Refreshments were served by the members of the Rebekahs.

TERRACE NOTES

After having spent the past week on a business trip to the coast, Constable J. P. Eggleshaw passed through Terrace on Friday en route to Hazelton. He returned home on Saturday.

F. W. Allen and A. C. Knight, representatives of the Hudson's Bay Co., Vancouver, were in town at the week end.

Mr. and Mrs. S. Kirealdy have taken up their residence in the home recently vacated by Mr. and Mrs. Harry Creelman. Quite a large crowd of friends of the young couple gathered on Friday evening and serenaded them with the usual tin can band, with the result they were invited to come in and partake of a bountiful supply of refreshments provided by the host in readiness for the occasion.

In compliment to her sister, Mrs. Kincaid of Seattle who is soon leaving Terrace, after visiting here for the past three months, Mrs. Geo. Little entertained at afternoon tea on Mon-

day. Mrs. Greig presided at the coffee urn and Mrs. Dover assisted in serving refreshments. Several vocal selections were rendered by Mrs. Munro and Mrs. Kincaid and an enjoyable social hour spent.

In compliment to Mrs. L. Kincaid of Seattle, Mrs. C. R. Gilbert entertained at luncheon on Saturday. Her guests were Mrs. Kincaid, Mrs. Little, Mrs. J. K. Gordon, Mrs. O. T. Sundal and Mrs. Geo. Dover.

R. L. McIntosh, who has been spending a few days at his summer home here returned on Sunday to his home in Prince Rupert.

Mrs. Geo. Keith entertained at luncheon on Tuesday in honor of Mrs. L. Kincaid, sister of Mrs. Geo. Little. Besides the guest of honor other guests were Mrs. Geo. Little, Mrs. Sundal and Mrs. Dover.

Angus Bruce, brother of Donald Bruce, and one of the early pioneers of this district, arrived in town on Monday from the state of Washington.

Vernon Eby, of Smithers, spent Tuesday in town.

Billy Atwood Jr. arrived home from the Hazelton Hospital on Tuesday morning.

A. Goodenough of Smithers was a business visitor on Tuesday.

Jas. Turnbull, Hazelton, returned to Terrace on Tuesday. He is here in the interests of the Hanson Timber Co.

Mr. and Mrs. E. T. Kenney entertained at bridge on Tuesday evening when six tables were engaged. High scores for the evening were made by Mrs. Aldous and L. H. Kenney. Delicious refreshments were served during the evening.

Mr. and Mrs. E. T. Brooks returned on Wednesday after having made the triangular trip over the C.N.R., stopping off at the more important centres. Mr. Brooks, who has been assistant at the C.N.R. station here, is being transferred to Hutton to which place they expect to go in the near future. Both he and Mrs. Brooks will be much missed among the younger set here.

E. Cavenaile and A. C. Clarenbeau of Prince Rupert who have been spending some time at the former's ranch at Lost Lake, returned home on Tuesday.

A. G. Bowie, relieving agent of the Dominion Telegraph Co., arrived from Hazelton on Sunday and spent a few days here with friends, continuing on to Prince Rupert on Wednesday. He returned to Terrace again on Wednesday night.

George Little, H. H. Hopper and C. L. Giggey made a trip to the mining camp at Vanarsdol on Wednesday.

Mrs. Aldous entertained at

luncheon on Wednesday in honor of Mrs. Little's sister, Mrs. Kincaid. Her guests were Mrs. Kincaid, Mrs. Little, Mrs. Gilbert, Mrs. Sundal and Mrs. Hall.

The heavy rains of the last few days are playing havoc with the roads, but are being welcomed by many whose wells are either entirely dry or nearly so. The water is lower this fall than for a number of years.

Mrs. L. Kincaid of Seattle was guest of honor at a luncheon given by Mrs. J. M. Hall on Thursday.

J. K. Frost returned on Wednesday night from a business trip to Prince Rupert.

Mrs. Aldous had the misfortune to fall on her way to town on Thursday and injured her arm quite badly.

Mrs. Geo. Dover was a tea hostess on Wednesday afternoon, her guest of honor being Mrs. Kincaid of Seattle.

HAZELTON

Matthew Green of Glen Vowell, old, blind and deaf, is a patient in the Hazelton Hospital suffering from injuries sustained when a tree fell on him.

The fund for the furnishing of the Nurses' Home here has now reached \$2,023. The objective was \$1,800.

The road between Hazelton and Smithers is still open and several cars were down here from the Bulkley Valley last week.

Miss Maedonnell and Jack have left for Smithers where they will reside in future.

Mrs. James Turnbull has returned from Cumberland, Vancouver Island, where she went to attend the funeral of her father.

Mr. and Mrs. E. S. Sobey of Wetaskiwin have arrived at Hazelton with the intention of locating in the district.

After visiting at Kitwanga and Kitwanooc, Archdeacon G. A. Rix of Prince Rupert will preach in Hazelton on Sunday night.

Miss E. M. Hogan, secretary of the Hazelton Hospital, is visiting with friends in Prince Rupert.

SMITHERS

Another well attended card drive was held in the Rebekah Lodge rooms on Wednesday night, there being eight tables of bridge and four of whist in the play. The first prizes at bridge were won by Mrs. J. N. Carr and H. Gunderson, and second prizes by Mrs. E. Eby and W. Lewis. At whist the first were won by Mrs. F. Watson and G. Orchard with Mrs. B. Raabe second. Daily refreshments were served before the guests departed for their homes.

To See It Is to Want It

Call on a merchant; take this magnificent over-sized pen in your hand; note the delightful balance of the holder; write with it; note the even flow of ink, the smoothness with which the point moves over paper, and you will be filled with an irresistible desire to own this pen. Note features:

- A** The clip-cap holds it securely in the pocket
- B** The spun gold lip-guard prevents breaking and holds the cap securely
- C** The filling device works easily and unerringly
- D** The iridium-pointed gold point moves freely over rough or smooth paper.

If later the pen point is not exactly to your liking, you can exchange the pen you buy until you are perfectly satisfied in every particular.

Model shown may be had with black, mottled or cardinal holders to suit your color preference, and pen points to exactly suit your writing.

Sold by 5,000 reliable merchants and guaranteed, without time limit.

Waterman's

Doings of the Mosquito Fleet which is the chief source of Prince Rupert's prosperity

General Situation

The close season came into effect on Sunday last which caused all fishing schooners to head for home and hunched up the landings of fresh halibut to the detriment of prices. Few boats now remain to arrive from the deep sea grounds, the majority of which are American schooners. Many of the home boats are tied up at the dry dock and Seal Cove already, while Cow Bay is much congested with boats of the mosquito fleet proper. It is contemplated that all halibut schooners will have returned with catches over the week end.

The waterfront shipyards are doing a thriving business with schooners overhauling preparatory to going to winter anchorage and a long waiting list is already on hand at both the N. M. McLean and Cow Bay Creek yards. Business in the purely mechanical and electrical end has somewhat declined in the past week.

The closing down of the Prince Rupert Spruce Mills and subsequent fire catastrophe has been a blow to waterfront business generally. It has not only meant that a number of men employed at the mill have been thrown out of employment but also a large number of men employed in the logging end of the business find themselves unable to market their logs. However, it is fervently hoped the mill will be rebuilt upon the conclusion of fire insurance adjustments and it is the general opinion that it will.

There is much activity among the owners of general utility boats who are bent upon trapping expeditions during the winter, and this month will see a number of intrepid hunters leave port for unknown destinations. Local fur men predict a good season and there is already a big demand for furs from the east which are obtainable on this coast and in the interior.

Halibut In

Halibut landings were heavy on Monday and Tuesday when 267,200 pounds was marketed on the Fish Exchange. Monday's prices stood firm around 15c and 7c for American and 13c and 5c for Canadian first and second class catches but Tuesday's price, with only six Americans in, dropped to around 11c and 6c. In consequence of the low price the schooners Trinity, Kodiak and Thor proceeded to Seattle there to dispose of their final catches for the year and take up winter quarters.

From Monday until yesterday noon the total halibut marketed on the Fish Exchange was 540,700 pounds, a gain of 232,600 pounds over the corresponding period last week.

Arrivals

The following schooners have marketed catches this week from Monday until yesterday noon. Canadian—Scrub, Agnes B., Cape Spencer, Rose Spit, Inez H., Pair of Jacks, Koyosu, Cape Swain, Livingstone, Imperieuse, Johanna and Sea Maid.

American: Resolute, Panama, Atlantic, Fairway, Onah, Alton, Seymour, Arctic, Yukon, Western, Lituya, Superior, Tatoosh, Sunset, Omaney, Constitution, Rainier, Kanaga, Gladstone, Wave, Pioneer, Arrow, Helegland and Liberty.

Jimmy Lee, manager of the Atlin Fisheries, accompanied by Mrs. Lee, will leave on this evening's train en route to New York where they will embark on the Aquatania on December 2, on a prolonged visit to Mr. Lee's old home in Fraserburgh, Scotland. Upon arrival at Southampton they will proceed to London, where they will spend a short holiday prior to proceeding north. Mr. and Mrs. Lee will return around February 15, 1926.

John Dybhavn, president of the

Royal Fish Company, sailed yesterday morning on the Prince Rupert on a short business visit to southern cities.

The plant of the Rupert Marine Products Ltd. will continue to operate until the end of the month when it will close down for necessary annual overhaul and certain reconstruction work during the winter months. The plant has shipped a tank carload of oil this week.

Charlie Starr, the genial manager of the Pacific Fisheries, has decided to show our southern neighbors how to enjoy a good time, and to this end, accompanied by Mrs. Starr, he sailed on the steamer yesterday morning for Seattle. While Charlie's movements are doubtful upon arrival in the southern metropolis it is known that he will purchase either a high powered motor car or a fast climbing aeroplane in which to cover the country. While it generally takes a lot to put Charlie in the air, doubtless an umpteenth horsepower aeroplane might do the trick. Charlie and Mrs. Starr will return to the city around the middle of February in time for the opening of the halibut season.

Skeleton Crews

The local fish houses will employ skeleton crews throughout the close season, between November 15 and February 15, but will not carry out any ambitious program of repair work, the respective plants and machinery having undergone a thorough overhaul last winter. The managers of the plants are going away for an extended holiday during the season and will return in time for the re-opening of the plants on February 15 next.

Power boat Moresby No. 2 arrived in port this week from the west coast of the Queen Charlotte Islands to have repairs made to the gurdy. The work was carried out at the Akerberg-Thompson shops.

39 Ladies Arrive

Thirty-nine highly bred young ladies arrived by gasboat at the Big Bay Lumber Co's wharf on Wednesday morning from Banks Island and were the centre of an admiring throng of officials of the mosquito fleet. All bedecked in white dresses and with graceful movements the young lady visitors seemed to make a great hit with the male populace. The ladies were graduates of A. Eustachio's Banks Island college for Wyandotte pedigree hens and were shipped to the city for sale. Ralph LePine is purchasing 22 of the beauties for the Georgetown mill. The Northern lumber town is going into the chicken raising business in proper style and the Banks Island graduates will form the nucleus of the breeding livestock.

Bushby Fleet

The Bushby tugboat fleet is kept bumping and the M.T.3, Capt. R. Green; the P.R.T., Capt. Harris Kerr; and the Tide Rip, Capt. "Handsome" Jim Morrison, have been kept on the go. The P.R.T. left port on Monday morning for Metlakatla to pick up a boom of 239,000 feet of logs to tow to the Georgetown mill. These are some of the logs which were taken out at Silver Creek. On Monday morning the tugboat M.T.3, took Mr. and Mrs. George McAfee to Georgetown and after landing the passengers returned south to assist the P.R.T. with her tow. On Tuesday morning the M.T.3 left Georgetown for Somerville Island to bring in a boom of 210,000 feet of logs, taken out by A. Oriel, for the Georgetown mill. The tugboat Tide Rip has been ripping up the tide around the local fish reproduction plant and otherwise assisting to keep order in the harbor.

Motorboat Kayex, Capt. J. Prescott, returned to port on Wednesday afternoon from a journey down the coast with a party of prospectors. Everything went fine but the weather on the return trip was particularly rough.

The staff of the Canadian Fish & Cold Storage Co's plant had a hot time last Saturday night when the lumber yard and box factory of the Prince Rupert Spruce Mills unfortunately became a total loss by fire. The wind drove the flames and smoke towards the big fish plant and for a time things looked pretty dangerous. Some apprehension was felt for the safety of the big trawlers and schooners composing the fleet of the Cold Storage plant and every boat was manned with power plants running in readiness to pull out with the entire staff aboard if occasion warranted. However, fortunately the wind changed to a less dangerous point on the compass and no damage was done.

The troller Taplow, owned by Messrs. Flewin and Brown of Port Simpson, is on the McLean ways for general hull overhaul. Capt. Claud Ketchum's tugboat Wigwam has also been taken up on these ways for annual overhaul. Among other boats waiting to go up on the ways are the Ringleader and Jiggs.

Launches Starlight, owned by J. Hinton; Bonanza, owned by Hubert Ward; the coastal cabin cruiser Philet, owned by Charlie

Ford, Ont. . . . \$405

The Improved Ford Runabout

THE Runabout is one of the most notable body types among the improved Ford cars. The body is all-steel, with lower sweeping lines that give the car a sportive zestful air that assures for it a tremendous popularity.

With the new windshield, ventilating in the lower half, the dropped steering column and greater roominess, the comfort of this car matches its outward appeal.

Both utility and comfort have been served in enlarging the rear deck compartment.

Evitt has been taken up on the ways adjacent to the Ward Electric emporium for the winter.

With stormy weather prevailing many members of the P.R. Yacht Club have been busy this past week getting their open boats under cover and the old Hazleton has consequently been a busy place. Launches taken up this week include S. Darton's V bottom boat, Capt. Cross' cup winner and skipper Pullen's Gwien.

The bunkhouse operated by Capt. Ketchum in his logging undertakings at Silver Creek recently has been moored in the vicinity of the Yacht Club premises for the winter.

A gang of men under the supervision of Provincial government officials has been busy this week erecting rail guards on the Cow Bay floats. This is a great improvement.

Work has also been commenced by the Provincial government upon the preparing of the foundations for the new Biological station on the waterfront. The government pile driver has been put into condition in readiness for pile driving operations.

Work of pile driving has about been completed by the Currie pile driver on the new Trotter wharf. Some 130 piles have been driven on this contract. The pile driver will leave for Stewart early in the coming week to engage in pile driving in connection with the building of the new (continued on page six)

Are the Pennies Blocking Your Way

Some women, even though they realize what a waste of time and what a tiring job washing is, still they struggle with washday because they think laundry service is beyond their names.

But if they'd only try our Thrift-T Service they'd know how economical laundry service can be.

Everything washed clean, your flat work ironed, wearing apparel just to iron—and the cost is only 5c per lb. and 1c per piece.

Get rid of washday and you'll have many new hours a week to use them as you wish. You'd like to have them of course, so don't let the pennies stand in the way.

JUNIOR SOCCER CUP PRESENTED

Enthusiastic Affair Last Night was Attended by About Fifty Boys

One of the most important and enthusiastic events of the season as far as the Junior Footballers are concerned took place last night in the El Regis Cafe when the Rochester Shield was presented to the team representing Booth Memorial School, winner of the championship this year. A banquet was held under the auspices of the Prince Rupert Football Association, President George Hill in the chair. About fifty boys attended from Booth, Borden and High Schools.

After full justice had been done to the delicacies of the festive board, Ex-Mayor Harry B. Rochester, donor of the shield, presented the trophy to Tom Kelsey, captain of the Booth School team, who made a neat reply.

There were speeches by Miss S. A. Mills, principal of Borden Street School, D. H. Hartness of the Booth School and J. C. Brady of the High School. James Black, vice-president of the Prince Rupert Football Association, and Mayor Newton also addressed the boys and there were short speeches as well by W. E. Willisroff, Jack Campbell and George Cochran who, on behalf of the Association, looked after the interests of the respective teams during the season.

W. Vaughan Davies presided at the piano for community singing. C. H. Orme, chairman of the school board, and Mrs. T. M. Spencer, president of the Parent-Teachers' Association, were to have been in attendance but were unavoidably prevented from appearing.

In the course of the evening,

WATER NOTICE

Diversion and Use.
TAKE NOTICE that Henry C. Giegerich, agent for the Engineer Gold Mines Ltd., Inc., whose address is Engineer, B.C., will apply for a license to take and use 50 c.u. ft. per second of water out of Vanni River which flows westerly and drains into Tagish Lake about two and one half miles south of the Engineer Mine. A FREEMASON'S SUFFERING

"FRUIT-A-TIVES" WORLD'S BEST REMEDY FOR CONSTIPATION

MR. J. H. McLEOD

"I was troubled very badly with Rheumatism and Constipation and tried a great many remedies without relief, until a friend of mine recommended 'Fruit-a-tives'. I took several boxes and was very soon completely relieved and am very grateful to 'Fruit-a-tives'. I think that 'Fruit-a-tives' is the best remedy in the world, and have recommended it to a great number of friends who have benefited by it."—J. H. McLeod, Nova Scotia Freemason's Home, Windsor, Nova Scotia.

Constipation is the great curse of old age. Yet day by day, more and more elderly people are enjoying vigorous health through "Fruit-a-tives". This natural medicine—made from intensified fruit juices—ensures the complete natural digestion of food for people of all ages. At your dealers, 25c and 50c.

President Hill announced that there would be at least one more trophy and perhaps two next year for Junior football competition.

The evening's festivities came to a close with the giving of three cheers and a tiger for Mr. Rochester and the singing of the National Anthem at 9 o'clock.

Miss S. A. Mills and G. S. Russell, secretary of the Football Association, were in charge of arrangements for the banquet.

TWO BADMINTON COURTS AT ELKS THIS SEASON

Club Being Formed There Which Those Not Members of Lodge May Join

The Elks have marked out two badminton courts in their hall. This makes it the same capacity as the hall now used by the Prince Rupert Badminton Club which has a membership of between sixty and seventy players.

The Elks have formed a separate organization so that those who wish to use the badminton courts without joining the lodge may do so by paying a fee. Elks also have to pay a fee, but a lower one than outsiders.

The Elks hall is higher than some of the other halls and well suited for the game. The only drawback is the fact that the back line of the courts is rather close to the wall. Another advantage of the hall is that visitors may watch the games from the gallery.

As there is no basketball being played there this season, the badminton courts are available afternoons and evenings except when the lodges of the Elks or the Ladies of the Royal Purple are in session or when dances are being held.

BRIDGE PARTY AND DANCE LAST NIGHT

Pleasant Evening Spent by Those Who Attended Affair Under Auspices of Queen Mary Chapter, I.O.D.E.

A most pleasant evening was spent by those who attended a bridge party and dance held last night in the new hall on Fifth Avenue by Queen Mary Chapter, Imperial Order Daughters of the Empire.

Winners at bridge were: ladies' first, Mrs. G. A. Woodard; ladies' second, Mrs. David Thomson; men's first, W. Brass; men's consolation, Chief W. H. Vickers.

Mrs. Jarvis McLeod was the winner of a beaded bag, the gift of Mrs. J. M. Carmichael of Santa Monica, which was drawn for.

After cards, refreshments were served and dancing followed, music being furnished by Mrs. R. P. Ponder. W. S. Fisher was master of ceremonies.

The committee in charge consisted of Mrs. J. G. Sleen, Mrs. L. Blance, Mrs. S. Darton, Mrs. D. McI. Hunter, and Mrs. David Thomson.

SOCIAL EVENING BY RUPERT LEGION WAS ENJOYABLE AFFAIR

An enjoyable social evening was held last night in the Metropolitan Hall by Rupert Legion No. 15. Supper was served and a fine program enjoyed.

Among those contributing to the program were the Moose-Legion Band consisting of Joe Slaggard, Percy Cameron, H. Astori, Louis Astori, Bert Hoskins, George Crate, B. J. Bacon and Cliff Cameron; Harry Astori, George Crate and Joe Slaggard with songs; Frank Cameron, violin solo; Joe Slaggard, mouth organ and banjo selections, Sam Antous, reading, and Gillis Royer, recitation.

B. J. Bacon presided and the refreshment committee consisted of A. Olmesarg, J. Squarethuck, and Harry Jackson.

The affair broke up about midnight.

Radio Effective

Capt. Lord is in the city from the Naas river district for winter supplies and tells a good story of how he used the radio to great advantage when in Prince Rupert last summer. It so happened that Cap came down for engine repairs meaning to be here for only a couple of days. However, the job was a bigger one than he originally thought and it would take a couple of weeks to complete. Then the idea struck him how to get in touch with his wife and let her know the reason for his delay and thus save her a lot of worry. Having a fine radio set installed at his home Mr. Lord thought of a radio broadcast and wired the Province, Vancouver, broadcasting station to broadcast the fact that he was delayed in Prince Rupert for two weeks. This message was duly delivered over the air for two nights and Mrs. Lord caught it while listening in on the second night and all was well. At the same time some old friends of the family living in Seattle caught the same message and the next week Mrs. Lord received a letter from them after several years of a lapse in correspondence.

WESTHOLME THEATRE

Tonight Only, Saturday at 7 and 9

Syd Chaplin "Charley's Aunt"

The world's funniest farce, "Charley's Aunt" is Brazil, where the nuts come from. She's the zippiest lady in the world; she's been running nearly forty years. The girls confided in her, the men made love to her, then the skirt slipped off and the news slipped out. Have your sides reinforced before you see it. You will laugh about it for years. Don't miss the greatest comedy chase ever filmed; Syd. Chaplin in skirts and Spetigue chase behind with his breath in short pants. It's the funniest ever. The stage can boast no funnier farce, the screen no funnier comedy than this sparkling production teeming with vivacious humor and spontaneous fun. Brilliant cast:

Syd. Chaplin, James E. Page, Alec B. Francis, Jimmie Harrison, Ethel Shannon, Eulalie Jensen, Mary Akin, Priscilla Bonner and others.
