FIVE PEOPLE DROWNED NEAR OCEAN FALLS

PREMIER MINE IS TO PAY ANOTHER \$400,000 DIVIDEND THIS QUARTER

KING ASKING CABINET MEN

Will Reorganize Government Soon as Election is Over He Tells Prairie People

NEEPAWA, Man., Sept. 29.—In the opening speech in the west of W. L. Mackenzie King here last night, the Premier announced that the election would be followed by reorganization of the cabinet. He declared that he wanted the prairie provinces to send men to Parliament from whom they could choose cabinet ministers. He indicated that the portfolio of immigration should go to a western man. Premier King declared that if the Government received the necessary support from the west to carry out its policies generally, the Hudson Bay railway would be completed.

CAR PLUNGED INTO RIVER

Four Were Killed, 25 Miles East of Montreal This Morning

MONTREAL, Sept. 29.—Four persons, two men and two women whose names are unknown were drowned this morning when the automobile in which they were driving plunged through a bridge into the Richelieu River 25 miles east of Montreal. MONTREAL, Sept. 29.—J. A. Lanneau, 21 years of age, a commercial traveller, and his brother Romeo were killed this morning when the automobile in which they were riding plunged into the Richelieu River.

NO ESTIMATE OF HOW MANY

Hon. Arthur Meighen Confident of Ultimate Results But Not Specific

WINNIPEG, Sept. 29.—Hon. Arthur Meighen arrived here this morning and goes to Portage La Prairie where he will address a mass meeting tonight. Asked how many seats he expected to win in the West, Mr. Meighen said: "I have made no estimate of the seats the Conservatives will carry in the West. All I can say is that I'm confident of the ultimate result."

BIG DAMAGES STEALING CASE

U.S. Government Sued for Illegal Seizure in 1891 in Behring Sea

SAN FRANCISCO, Sept. 29.—Captain T. P. H. Whitelaw of San Francisco recovered \$77,710 from the United States Government in the first of a series of damage cases in which the Government is being sued for damages on account of the seizure of sealing vessels operating in Behring Sea in 1891.

TOWN OF ATLIN IS BUSY PLACE

School Inspector Found Noticeable Air of Prosperity and Optimism There

Owing to renewed mining activity in the district, there is a very noticeable air of optimism and prosperity around the little town of Atlin says H. C. Fraser, inspector of schools, who returned from there by the steamer Prince Charles Sunday night accompanied by Mrs. Fraser. The Engineer mine is, of course, the biggest activity in the district employing some 160 men but the Ruffner property is also working steadily and showing up well. In addition to this Andrew Sostad, manager of the Engineer mine, has a couple of hydraulic outfits working three miles from Atlin and they are turning over a large amount of pay dirt. Some 25 men are employed in these operations. Mr. Fraser's trip was a most enjoyable one, he says, the weather having been perfect—just like it has been in Prince Rupert during the past two weeks.

Mr. Fraser will visit the Francois and Ootsa Lake districts this week and, on his return from the interior, expects to go to Ocean Falls.

NAVIGATION CLASSES TO START FORTHWITH

Two Local Navigators Pass Examinations Held by Capt. L. H. Lindsay, Examiner of Masters and Mates

After having spent the past week in the city making arrangements for navigation classes for fishermen which will be held here during the forthcoming halibut close season, Capt. Lionel H. Lindsay, examiner of masters and mates, will return to Vancouver on the Gardena this afternoon. Capt. Lindsay announced this morning that everything is in readiness for the classes to start at once. Capt. B. C. Marsh will be instructor and the classes will probably be held in the Exchange Block. While here Capt. Lindsay also held examinations for two local navigators, Jeff Lambly and Albert Erstervag qualifying as tug boat masters.

RECORD IN HANDLING GRAIN BY COMPANY

REGINA, Sept. 29.—What is believed to be a world's grain record for handling was established Saturday by the Saskatchewan Co-operative Elevator Company when 1,600,000 bushels passed through the company's country elevators.

STOWAWAY IS SENT TO JAIL VANCOUVER

VANCOUVER, Sept. 29.—Carl Isman was yesterday sentenced to ten days imprisonment charged with stealing a ride from up coast on the Prince Rupert.

ANOTHER PIONEER DIES AT VICTORIA

VICTORIA, Sept. 29.—Mrs. Louisa Mallandaine, one of the oldest pioneers of British Columbia, is dead here in her 95th year.

The unveiling of the fishermen's memorial at Gloucester, Mass., in honor of the Gloucester fishermen lost at sea.

LADY HIKERS ARE MAKING GOOD SPEED HAZELTON YESTERDAY

HAZELTON, Sept. 29.—Having been ten days on the road the two lady hikers from Prince Rupert Miss Anna Rovvik and Mrs. Sam Johnson passed through here yesterday at 3 p.m. going strong in the direction of Prince George. This place is 176 miles from Prince Rupert so the average tramp has been seventeen and a half miles a day since leaving.

TWO CAUGHT AT SEATTLE

Men Implicated in Nanaimo Bank Robbery Tried Game Again Today

SEATTLE, Sept. 29.—Two of three men who held up the Queen City bank here today and obtained \$5,000 were captured and identified. They were B. T. H. Johnston and James Burns, who with four others escaped from jail here on September 15. Burns and Johnston were being held awaiting extradition in connection with the \$12,000 Nanaimo bank robbery.

OPENING GUN TO BE FIRED HERE TONIGHT

The opening gun in the local political campaign will be fired by Fred Stork at the meeting in the Empress Theatre tonight. He will outline the reason why he thinks the people here should return him to the Legislature.

BANK BANDITS GOT \$10,000

CAMBRIDGE, Mass., Sept. 29.—Edward C. Ross, bank manager, was shot and killed and a companion wounded this morning when three masked men held them up and escaped with \$10,000 payroll.

The Canadian halibut schooner Tramp, Capt. Sam Haugan, was taken on dry dock yesterday afternoon for keel repairs following a recent grounding.

A DIVIDEND BY PREMIER

Sum of \$400,000 to be Distributed Among Shareholders on Saturday

VANCOUVER, Sept. 29.—On October 3 the Premier Mine will distribute the third quarterly dividend to shareholders of \$400,000. Since March, 1921, the mine has paid regular dividends aggregating \$8,340,625.

BANDITS OVERLOOKED NICE LITTLE AMOUNT

NIAGARA FALLS, N.Y., Sept. 29.—Four bandits held up the power city messenger this morning and escaped with a box containing an undetermined amount of cash but overlooked \$16,000 in another box.

TWO BODIES TAKEN FROM SUBMARINE THIS MORNING BY DIVERS

NEW LONDON, Sept. 29.—The bodies of two seamen were taken from a sunken submarine this morning by divers. Owing to continued rough water efforts to raise the craft have been halted.

Drowning Case at Ocean Falls in which Five Persons Lose Lives when Boat Capsizes

Five persons, residents of Ocean Falls, were drowned last Saturday when a rowboat capsized on Link Lake near Ocean Falls. The victims were Mrs. McKellar; her son, Charles, and daughter, Jean; David Johnston and Andrew Clark. In a wire from Constable A. Deyden, who is investigating, the headquarters of the provincial police here were advised this morning that one body had been recovered yesterday. Clark was a truck driver for the Pacific Mills and Johnston was a time keeper. The latter was a returned soldier and well known as a soccer player. His home was in Vancouver.

And others will address meeting
Seats Reserved for Ladies. Everybody Welcome.

SUGGEST EMBARGO FOREIGN ROUTES CARRYING GRAIN

VANCOUVER, Sept. 29.—One of the remedies proposed for the lack of grain from 65 to 75 per cent of Canadian grain to New York and other American ports is to place a surcharge on grain shipped out by American routes. It was claimed at the recent gathering of representatives of Alberta, Saskatchewan and British Columbia here that the rates to Pacific ports was lower than to any other and yet practically no grain is coming this way. An investigation is to be made into the cause of this condition.

FIRST BISHOP CARIBOO TODAY

KAMLOOPS, Sep. 29.—Rev. Dr. W. R. Williams of England was consecrated first bishop of Cariboo here this morning while prayers for his well being were offered in Anglican churches throughout the world.

BETTER PRICES HALIBUT TODAY

American First Class Goes Over Fifteen Cents and Canadian Seconds up

At the exchange this morning American first grade fish sold for higher than fifteen cents but Canadian got the better of it on second grade, all selling for seven cents whereas Americans got six. Details of the sale follow:
American
Kanaga, 28,000, to Booth Fisheries at 15.30c and 6c.
Brisk, 25,000 to Atlin Fisheries at 15.30c and 6c.
Betty, 8,000, to Booth Fisheries at 15.50c and 6c.
Polaris, 40,000, to Royal Fish Co. at 15c and 6c.
Canadian
Chief Zibassa, 15,000, to Cold Storage at 12.50c and 7c.
Rose Spit, 8,000, to Atlin Fisheries at 12.90c and 7c.
R.W., 7,500, to Cold Storage at 12.80c and 7c.
White Lily, 6,000, to Cold Storage at 13c and 7c.
Ternet, 8,500, to Royal Fish Co. at 12.90c and 7c.
Alken, 8,000, to Cold Storage at 12.50c and 7c.
Verna, 3,500, to Royal Fish Co. at 12.50c and 6c.
N. & S., 3,500, to Cold Storage at 12.80c and 6c.

LAST PLANE IS OFF FOR SOUTH

Flying Officer Hull, Lieut. Mawdsley and Mechanic Tennant Left Yesterday For Jericho Beach

The last of the machines to be engaged in fishery patrol work here this season, Flying Boat 4N, piloted by Flying Officer Allan H. Hull, left the Digby Island base yesterday for Royal Canadian Air Force headquarters at Jericho Beach, Vancouver. Besides Flying Officer Hull, Flight Lieutenant V. F. Mawdsley and Mechanic E. C. Tennant went south on the plane. Mechanic W. Winny, the only member of the personnel now left here, will proceed to Vancouver on the Gardena this afternoon. Flying Officer Hull returned on Sunday from the Queen Charlotte Islands after having been there three weeks engaged in patrol duties.

NO LIMIT TO OUR FUTURE

So Say British Journalists Who Have Been Visiting Western Canada

MONTREAL, Sept. 29.—After travelling 10,000 miles, a party of ten British newspapermen reached here this morning from the Pacific coast. All were enthusiastic over the possibilities of the country and expressed the belief that with the right kind of immigration and a flow of British capital there was no limit to the future of the country.

MEIGHEN NAILS COLORS FAST

Declared For Protective Tariff Candidly and Openly in Address

FORT WILLIAM, Sept. 29.—Speaking here last night Hon. Arthur Meighen reiterated his belief in a tariff "candidly and openly protective." The speech was devoted mainly to railway affairs. "I have never proposed amalgamation of the Canadian Pacific and Canadian National Railways," he declared.

SPENT NIGHT IN THE WOODS

Girl Hiker at Vancouver Got Lost on Grouse Mountain but Eventually Found

VANCOUVER, Sept. 29.—When she became separated from her companions on Grouse Mountain yesterday Enid Hammond lost her way and was forced to spend the greater part of the night in the thick woods. She arrived home yesterday morning just as search parties were leaving to look for her.

CHINESE TELEGRAPHS TIED UP BY STRIKE

SHANGHAI, Sept. 29.—The entire Chinese telegraph system, comprising 417 stations, was tied up today following a strike of telegraphers.

DAILY EDITION

Tuesday, Sept. 29, 1925.

All Should Attend

Political Meetings.
 At a time when people are trying to make up their minds which way to vote it is highly important that they should attend the political meetings of the city. There should be no discrimination. All groups will be holding their meetings and all the voters who possibly can should be present.

It is much better, for instance, to hear Mr. Stork speak tonight than to read a report of the speech next day. So with the others. It is impossible in reporting a meeting to tell everything that is said or done. The meeting lasts perhaps two hours and a speech or a series of speeches that long would fill the newspaper. All that can be done is to give a pretty good summary. The way to get the whole thing is to be present.

Let The Liberals Finish Their Work.

There seems to be a general opinion around the city that the Liberals should have an opportunity to finish their work. They have built an elevator here but if it is not used it may be because of a change of policy. The Liberal Government has done a great thing in putting the elevator here and now they should be given an opportunity to carry on and get it in operation.

This is not a time to be worrying about party affiliation. It is a time to vote for the party that will do us most good. The Liberal Government has shown its intention by putting up the big building and another term will tell the tale how far they will go. If they are given the strong western backing that is expected, they should be in a position to do even more for us.

What is needed here today is to have a stream of golden grain pouring into the elevator and out again into ocean-going vessels. No one can help us in this better than the Dominion Government and the Mackenzie King Government is the only one that so far has taken any interest in us.

Foot Of Snow Sounds Wintery.

While we were having sunshine our neighbors in Alberta and the interior of southern British Columbia were scraping the snow off the back stoop and digging a path to the barn. Harvesting operations were delayed in Alberta and Saskatchewan. Of course it is not expected that the bad weather there will continue, but we often complain here and we really have little cause to do so.

Archdeacon Rix returned recently from the East and he says there was rain and mud almost everywhere he went.

Good Places To Keep Away From.

Floods in China, snow in Alberta, cholera in the Philippines. None of these troubles afflict us. We carry on quietly, slowly and surely making headway and that without any of the drawbacks that they have in other parts of the world.

In many places life is cheap. Hundreds or even thousands of lives are snuffed out in a moment. Here there are no extreme dangers.

Time Is Healer Of Many Things.

Time is a great healer. Not only is it a healer of the scars of affliction but it also heals many other troubles. Take as an instance the troubles in China. The people get very enthusiastic and sailors leave ships and everything looks as if the troubles would be endless. The people are left alone and they come back. They go to work again and things are much as they were before. Time did it, nothing else.

Time is a great healer. It calms enthusiasm, dampens youthful ardor, changes our viewpoint, ameliorates our worries and heals one disease mental and physical.

YOUTH PROVED GOOD EXPLORER

Only Fourteen Years of Age but Competent to Take Part in Work.

CHICAGO, Sept. 29. — Kennel Rawson, a lad of fourteen, will return to school this fall a proved member of an Arctic exploration party. Commander MacMillan took the youngest boy in to the Northland and found him a hardy hand.

Whether it was serving in the galley, his principal duty, polishing brass or doing the heavy work with a shovel, Kennel made a success of it. He had to, because at Sidney, Nova Scotia, MacMillan would send him back if he had not shown his worth.

Now an American boy and girl can claim partnership in being the youthful travellers of the Arctic region, a daughter of Robert E. Peary having been born on his successful search for the north pole.

A companion of Rawson, also a youth, qualified as one of MacMillan's veteran seamen. He is Richard Salmon of Larchmont, N.Y., 17-year old son of the noted psychologist. Both boys attend eastern schools and in recent years each has cruised a yawl and schooner with marked ability. Their father last June planned an ocean trip for them but learning they could not obtain the desired schooner, Kennel's father, Frederick H. Rawson, Sr., chairman of the board of directors of a Chicago banking house, decided to approach MacMillan, whom he knew to be interested in boys.

When MacMillan learned of Salmon's ability and size he was promptly accepted but at mention of Kennel's age, the explorer threw up his hands and emphatically said "no."

"But," assured Mr. Rawson, "this boy can box the compass; take his bearings from the sun. He is a thorough seaman and has done some oceanographic work during school vacations, and will work."

NEW SCHEDULE WATER USERS

Change Made in Bylaw Passed by City Council at Meeting Last Night

A change was made in the schedule for water users in a new bylaw introduced and passed through its first and second reading by the city council last night. It provides for a minimum charge of a dollar a service as before but the method of grading the rate had been changed. Colonel McMordeie showed how necessary the change was because under the old rate those who used a large quantity of water in some cases paid actually less than those using a smaller amount. It did not work reasonably. Under the present scheme an extra charge was provided for every 100 feet. The change will lower the rate which will still bring in \$2,500 more revenue than the rate in force before the change was made last year.

FOUND DOUGLAS LODGE TO BE SPLENDID SPOT

C.N.R. District Passenger Agent Returns After Visit to Recently Opened Summer Resort

R. F. McNaughton, C.N.R. district passenger agent, returned on last night's train from a trip to the interior which took him as far as Stuart Lake where he visited the new summer resort, Douglas Lodge, which was opened this year and is now closing for the winter. Douglas Lodge now has accommodation for 35 people. There is one main lodge and four cottages of four rooms each, the entire place being modernly equipped. It is situated on the shore of Stuart Lake, three miles from Fort St. James and 46 miles from Vanderhoof. It is reached by car from Vanderhoof which is the railway station. The place offers manifold attractions for tourists there being fine fishing, boating and bathing amid grand scenery. There is also radio equipment. Douglas Lodge will open again on June 1 next year.

REPORT MADE BY TREASURER

Recent Visit to Convention Union of B.C. Municipalities Brought Results

At the meeting of the city council last night, the city treasurer reported on the result of his visit to Vancouver and to the convention of the Union of B.C. Municipalities.

Mr. Matheson stated that he had straightened matters out with the Royal Financial Corporation. At first they wanted the bylaw re-submitted at once but eventually agreed to the bylaw being submitted in January. It transpired that the city of Revelstoke had made a similar mistake and had had to resubmit its bylaw.

The Convention

At the convention the proposal to give the right to assess both sides of a street for a sidewalk on one side was endorsed after objection by the Reeve of Burnaby had been withdrawn. Municipal Inspector Baird had expressed himself as seeing no objection to the change.

The question of penalties had not been taken up as it was the opinion of the resolutions committee that the convention should have greater opportunity to study the proposed change.

Another matter allowed to stand over was the proposal to change the date in the redemption clause from six to eight months.

An attempt was made by the Hospital Association to change the rate collectable by the day but this was rejected by the convention.

The city manager scheme was endorsed by the convention.

The proposal for a uniform system of book-keeping for all municipalities was endorsed.

The gathering was a large one and practically all the cities and municipalities were represented there.

Colonel McMordeie asked that a short summary of the report be spread on the minutes, after which it was adopted.

CORNER CLUB OF BAPTIST CHURCH ELECTS OFFICERS

P. H. Linzey Will Preside During Coming Year with R. Howard Vice-President

The annual business meeting of the Corner Club was held in the parlors of the Baptist Church last evening. The retiring president surveyed the work of the past term and urged the membership to show equal loyalty in the future as in the past. The following officers were elected for the ensuing year.
 President—P. H. Linzey.
 Vice-President—R. Howard.
 Sec.-Treasurer—Miss Elyofson.
 Pianist—Miss Ina Woods.
 Convenors of groups—Miss Thelma Bunn, Miss M. A. Vierck, Miss Ina Woods, R. Howard.
 Superintendent of groups—Miss A. Dawson.

THE MAN IN THE MOON

A PERSON may not mean to be a liar but he is greatly mistaken if he thinks he would be satisfied with ten million dollars.

THE only one who should cry over spilt milk is the one that has to clean up the mess.

A FLAPPER is a girl who gets into disrepute for doing what all her elders would like to do.

I HAVE heard young people swearing but the Bible story beats all. It says "Job cursed the day he was born."

I HAVE just been wondering what kind of craze we are going to have this winter to take the place of the cross word puzzle craze of last winter.

ONE of the whaling men from Naden Harbor remarks that the only time a whale gets into trouble is when he begins to blow.

THIS is a great opportunity for men to learn stump speaking. Get on a political platform and abuse the other side and

Winchester CIGARETTES

"Finest American & Turkish Tobaccos"

the crowd will cheer.
 I CAN never really believe men descended from apes because I never knew an ape as mean as some of the men I know.

PRESIDENT Beatty of the C.P.R. has been saying some nice things about the Pacific Coast but of course he means Vancouver and Victoria.

PARKING BYLAW IS INTRODUCED

Very Harmless Regulations Proposed For Protection of Street Traffic

The Parking Bylaw, as it eventually reached the city council last night, proved to have very few teeth in it. It provides that no parking shall be allowed on Sixth Street between Second and Third Avenue by either taxis or private cars except to allow passengers to alight or get aboard.

On Third Avenue, between Fifth and Seventh Streets cars may park but they must stand parallel with the curb and a distance of at least six feet must be left between each car.

If the bylaw is adopted it will be unlawful for a car to stand in front of a theatre or public hall or other place so designated by the chief of police. It will be unlawful to park within 25 feet of a fire hydrant.

The bylaw was read a first time and then allowed to stand over until next meeting.

COLLIER HOME IS SCENE OF BIRTHDAY PARTY ON WATERFRONT

Sunday evening a number of friends of Mr. and Mrs. J. W. Collier, Waterfront, invited their home to congratulate Mr. Collier on his birthday. Mr. Collier was the recipient of a number of presents and also of the good wishes of his friends. Refreshments were served during the evening and about midnight the guests left singing "We're going away, but would like to stay longer with you."

Mrs. Frizzell has moved to her new store on corner of Third and Sixth (formerly Max Dietlbroner's).

Our low rates have been an outstanding success and we shall continue on this basis. Brown Taxi. Phone 80.

Archie Watt, C.N.R. district master mechanic, reached the city from the interior on last night's train and is registered at the Prince Rupert Hotel.

Mrs. Frizzell has opened her new premises on corner of Third Avenue and Sixth Street, opposite Ormes and will be pleased to welcome old customers and new ones.

An application for a light at the intersection of Donald Street and Seventh Avenue was referred to the Utilities committee with power to act at the meeting of the City Council last night.

W. Walkden of Winnipeg, C.N.R. superintendent of bridges arrived in the city from the East on last night's train and returned to the interior this morning. He was accompanied here by M. A. Burbank of the engineering department at Prince George.

George G. Bushby, Conservative candidate in the federal election, will return on tomorrow afternoon's train after a ten day trip through the interior. Hon. H. H. Stevens of Vancouver will arrive in the city next week to assist Mr. Bushby in his campaign.

A. D. Matheson, manager of Wales Island cannery; J. G. Dorman, accountant and Jack Nealon, foreman, together with other members of the cannery staff, are passengers aboard the steamer Cardena today bound for Vancouver, the cannery now being closed for the season. Mrs. Matheson is also going south.

On the proposal of Alderman Casey it was decided by the city council last night to pay the expenses of the mayor to the recent meeting of the Fisheries Commission in Seattle. It was thought the bill would amount to about eighty or ninety dollars. The Mayor was authorized to submit a bill and the treasurer to pay it.

At the meeting of the city council last night a report of the city health officer reporting against the buildings on the Tom O'Brien estate and urging the necessity of tearing them down was read. The matter was left with the Board of Works to confer with the health officer regarding the possibility of improving the condition of the place as an alternative, with power to act in any case.

At the meeting of the city council last night there was a little flurry over the clause in the water bylaw providing that a licensed plumber should make connections. After there had been considerable speech-making on the subject Alderman Brown asked that the clause be eliminated and that in place of it there should be a clause providing that the work be done to the satisfaction of the plumbing inspector.

Jeff Lambley was successful in passing his examination recently before Capt. L. H. Lindsay, government examiner, for coastwise tugboat papers.

C. P. Byles of the Pacific Mills logging staff arrived in the city on the Cardena this morning from Anyox and Alice Arm where he has been on company business.

Union steamer Cardena, Capt. A. E. Dickson, arrived at 11 o'clock this morning from Anyox, Alice Arm and Stewart and will sail for Vancouver and waypoints at 5 o'clock this evening.

Several loggers who have been working for the Abbotsford Logging Co. which is now closing down its operations at Alice Arm for the winter, reached the city on the Cardena this morning.

Professor Daniels of the University of Washington is a passenger going south on the Cardena this morning after making the round trip to Stewart and Anyox and other points on election business.

Womens' Auxiliary of St. Andrew's Anglican Church will hold a Tea and Sale of Home Cooking at the home of Mrs. H. A. Philpott, Federal Block, Wednesday, October 7 from 3 to 6 p.m. Everyone welcome.

A. L. Ployart, who has severed his connection with the Granby Co. after taking an active part in community affairs at Anyox for several years, reached here on the Cardena this morning and left by train for the East.

LOW IS NOMINATED WITH GEORGE BLACK CANDIDATE IN YUKON

DAWSON, Y.T., Sept. 29.—Robert Low, for many years a member of the Yukon territorial council, was chosen at the Liberal convention Saturday to contest the seat in the federal election against George Black, Conservative.

STEWART

The L. and L. mine is now shipping ore steadily to the smelter, thus qualifying as the leading property of the Bear River section today. During the past month 42 1/2 tons have been shipped and twenty tons more is now being delivered to the wharf at Stewart.

The office of the Forty Nine mine was destroyed by fire last week and Gus Anderson, superintendent of the mine, who was sleeping there, had a narrow escape.

Mrs. William Irwin has left for Everett, Washington, where she will spend the winter.

James R. Dickson, M.E., who has been at the Emperor mine this summer, has left for Mexico where he will enter the employ of the San Francisco mines, an English company.

Mrs. W. H. Tolin and her son, George, have left for Seattle where the latter will enter the University of Washington.

An important strike of silver-copper ore running \$112.50 to the ton has been made by E. H. Barthol on the head of the Salmon basin. He has named the claims, which adjoin the Betty, the Silver Cliff group.

A shipment of ninety tons of ore was made by the Porter-Idaho mine to the Selby smelter last week.

ALICE ARM

T. A. Kelley, well known Queen Charlotte Island logging operator, visited Alice Arm last week. He had nothing to say as to when he might start logging operations in this district on the Granby limits.

An early start on the concentrating mill at the Torie mine will be made next spring stated A. C. H. Gerhardt, managing director of the Homestake Mining

RAPID WORK LOADING GRAIN

Records Broken for Single Day: 297 Cars Reach Vancouver by C.N.R.

WINNIPEG, Sept. 29.—Breaking all records for a single day's loading of grain into cars on the western lines of the Canadian National Railways, farmers and elevator companies in western Canada on Saturday loaded 1,557 cars of grain containing 2,096,000 bushels. The nearest total to this came on September 18, 1925, when 1,486 cars were loaded.

Total loadings are now almost three times heavier than at this date last year. From August 1, the opening of the grain car, to midnight on Sunday last, 24,817 cars containing 33,096,000 bushels of grain had been loaded on C.N.R. points, against 8,747 cars with 11,595,000 at the same date in 1924.

That this year's grain movement is being handled with even greater dispatch than last year is shown by the fact that more than 5,000 additional cars have been loaded than in 1923 and more than 6,000 additional cars have been delivered at the lakehead.

Grain in storage at country points on the C.N.R. now total nearly 14,000,000 bushels against 11,000,000 at the same date two years ago.

Deliveries of grain to Vancouver by the C.N.R. up to September 25, totalled 297 cars.

FLOCKS OF WITNESSES BEFORE COMMITTEE ON SCOTTISH HOME RULE

Graphic Description of How Costs Were Run up and Fees Drawn Down by Lawyers

LONDON, Eng., Sept. 29.—(Canadian Press Despatch).—At a demonstration in favor of Home Rule for Scotland, Thomas Johnston, M.P., gave a graphic description of the experience of the citizens of Glasgow and of neighboring districts before a Parliamentary committee sitting at Westminster to consider a Bill which these Scottish authorities were promoting in Parliament.

"To London came flocks of witnesses," said Mr. Johnston, "Doctors, lawyers, town clerks, engineers, burgh surveyors, education officers—expert witnesses, one of whom got £250 for an hour and half in the witness box. These skilful men, engaged at so much per day, were housed in great hotels in London. On the committee of inquiry there was no Scotsman; there was only one man on it who had ever been in Scotland. There they sat for months in the Westminster Committee room along with a flock of over twenty advocates, some of them at £1000 down-cash on the nail; a retainer it was called—and £10 a day as a refresher. There they were, twenty of them, with wigs and gowns, spinning the thing out—"Oh, Lord, let it last a while." At the end of it all nobody was satisfied. Neither the promoters nor the opponents believe they had got justice."

Cunningham Graham—"Surely the lawyers were satisfied?"

Mr. Johnston—"No, no, not yet. One member of the committee told him that the costs up till now were over £200,000, and it was not finished. The Bill was only through the House of Commons Committee. The lawyers declined to accept the decision of that Committee, and the bill was now to come before

the House of Lords Committee. Before four or five peers, who might never have been in Scotland, the whole farce was to be gone over again. What a waste! What an insult to a proud and intelligent people," explained Mr. Johnston.

VICTORIA MERCHANTS WOULD STOP SMUGGLING

Chamber of Commerce Promises to Co-operate in Securing Enforcement

VICTORIA, Sept. 29.—Retail merchants of Victoria will seek the co-operation of the local custom house in the war on smuggling from the United States. Attention has been drawn by the local executive to a warning issued by the Department of Customs, which points out that under amendments to the Customs Act assented to June 25 of this year, smuggling is punishable by imprisonment and heavy penalties without power of remission. Where the value of the smuggled goods are over \$200 or over it is an indictable offence. On conviction terms of imprisonment may be imposed up to ten years and not less than one year.

The law requires, the notice points out, every person bringing goods into Canada, whether dutiable or free, shall report them at the nearest customs house. Any person not making this report is guilty of smuggling. To correct a misapprehension it is emphasized that articles brought into Canada for personal use are subject to report at customs in the same manner as merchandise for sale and are regarded as smuggled when not so reported.

Chamber of Commerce directors today assured the retailers of their support.

VICTORIA CONSIDERS VANCOUVER PROPOSALS REGARDING TAXATION

VICTORIA, Sept. 29.—The Provincial taxation protest memorial of the associated property owners of Vancouver scoring succession duties, personal property tax, income and other taxes, as at present in force in British Columbia, was again before the directors of the Victoria Chamber of Commerce.

At the last meeting it was decided that copies of it should be placed in the hands of the directors before it was discussed in detail.

It was declared the levy for income tax is inequitable and is proving a stumbling block to the influx of capital so much desired for the development of the resources of the Province. Personal property tax, the memorial contends, is also acting as a menace and should be disallowed in view of the deterring effect it is having on the development of business owing to the manner in which it is levied, whether the industries operate at a loss or otherwise.

Succession duty is described as a capital tax. Its enforcement takes out of the open market, each year a percentage of the available funds of the country for the purpose of defraying expenses of the Government, the memorial states.

The work of launching the memorial, A. E. Craddock, acting secretary, said, has been initiated by the associated property owners of Vancouver and the personnel of the memorial indicates its sponsors. Some representatives of large corporations and private business concerns in Vancouver are among them.

MUNICIPALITIES ARE GETTING MORE THAN COLLECTED IN THEM

VICTORIA, Sept. 29.—At the convention of the union of British Columbia municipalities held in Victoria it was stated by Premier Oliver that provincial grants to municipalities out of provincial revenues is greater than the revenue received by the province from within municipal boundaries. The premier made this statement when referring to a request that the municipalities be given a portion of the gasoline tax. In explaining why this request could not be granted Mr. Oliver stated that the receipts from the gasoline tax are used to pay the charges on the money borrowed for highway purposes.

"Better Than Pills For Liver Ills"

ORMES LIMITED

LIBERAL MINISTER IS ENDORSED BY THE PROGRESSIVE PARTY

Vincent Massey Adoption is Criticized by Edmonton Conservative Paper

(Edmonton Journal)

Mr. Forke states that the endorsement of Vincent Massey, the president of the Massey-Harris Company, Mr. King's newest cabinet colleague, by the Progressives of Durham County, Ontario, "has no party significance whatever." The principle of local autonomy, he declares, is recognized by the movement of which he is the federal head and any unit may take such a step without committing the party as a whole in any way. But it must be admitted that its prestige is bound to be affected by the acceptance of Mr. Massey by the Durham Progressives as their candidate. In many different parts of the country Mr. Forke's nominal followers have joined hands with the Liberals and, if this process is carried much further between now and nomination day, the public must reach the conclusion that Progressivism has been largely dissipated as a national force and that it can be represented in the next parliament only by a shadow of the strength which it possessed in the last.

NEW THEORIES IN ASTRONOMY

Dr. J. S. Plaskett Tells Victoria Canadian Club of Visit to England

VICTORIA, Sept. 29.—New discoveries by scientists and astronomers may cause abandonment of accepted theories as to the mass and area of the stars, asserted Dr. J. S. Plaskett, director of the Saanich Astrophysical Observatory, when addressing a luncheon at the Empress Hotel, tendered him by the Canadian Club, the Women's Canadian Club and the Victoria branch of the Royal Astronomical Society. "The theories of Professor Eddington showing earlier ideas to be erroneous, have been supported by examinations of the companion of Sirius, and this work may be of enormous importance to the science of astronomy," he said.

Dr. Plaskett credited the honor of being the guest of the day to the work performed by the Saanich Astrophysical Observatory, "for the work is not that of the director, but of the whole staff." He described the ceremony of completing membership in the Royal Society of England.

The major objective of his visit to England was to attend the triennial sessions of the International Astronomical Union, and he declared that, in the opinion of British and American astronomers the barrier against admission of Austrian and German representatives should be abandoned. There is no doubt that, before the next meeting in Holland in 1928, these barriers will be all abolished, Mr. Plaskett forecasted.

Union's Labors
The work of the union was described as chiefly deciding questions based on work already performed. Such problems as the boundaries of the constellations, to avoid ambiguity in naming new and variable stars, come within the scope of the union.

The committee on standard wave-lengths and methods for their production determined the wave-length of light, with an accuracy within one five millionth of one fifty thousandths of an inch, an excessively small quantity to the average man, but of fundamental importance to astronomers.

Subjects allied to time were an important matter discussed and settled. "If nothing else had been done at Cambridge the

IT SAVES YOU MONEY!

E. W. GILLETT CO. LTD. TORONTO, CAN.

sessions would have been well worth while," he said.

Revises Theories
Important work was presented by Professor Eddington on the density of the stars. They are all entirely gaseous, without any solid material, this including the sun. The vast size of the stars was illustrated by Betelgeuse as being of larger diameter than the orbit of the earth, 300,000,000 miles, with an enormous temperature.

Data was produced to show that tremendous energy is present in the centre of these great stars, the effect being to strip off the outer electrons, thus permitting of great interior density.

These theories, of drastic novelty, presented on the density of stars, showed that it is possible that previous ideas of the limitation of density may have to be abandoned. Observations since made have tended to confirm the new hypothesis, the companion of Sirius, being measured as only three times the size of the earth, and though entirely gaseous, of enormous density.

Immense Difference

"To illustrate, if this glass of water were filled with gas from Betelgeuse it would weigh one two-hundredth of a grain on the old scale of calculation, but if filled with gas from the companion of Sirius, would weigh fifteen tons and crash through this floor and bury itself in the ground."

Dr. Plaskett dealt entertainingly with the social events of the Cambridge sessions, followed by a recital of the celebrations marking the two hundred and fiftieth anniversary of Greenwich Observatory, when Dr. and Mrs. Plaskett were among the eight persons presented to their Majesties King George and Queen Mary. "Pictures of the King do not do him justice, making him appear tired, whereas he has a fresh color and appears very keen and alert," was Dr. Plaskett's comment.

"I think that the reception accorded me in England showed that Canadian affairs are looming up in the eyes of the English people," he said, declaring the Canadian offices in London to be adequate to the interests and prospects of Canada as a member of the Empire.

TIMBER SALE, X 7468.

Sealed tenders will be received by the Minister of Lands at Victoria not later than noon on the 22nd day of October, 1925, for the purchase of License X7468, to cut 962,000 feet of spruce and hemlock on an area situated on Massett Inlet approximately 7 miles from Port Clements, B.C., Prince Rupert District.

TIMBER SALE X 7106

There will be offered for sale at Public Auction, at noon on the 1st day of October, 1925, in the office of the Forest Supervisor, Smithers, B.C., the License X 7106, to cut 540,000 lineal feet of cedar poles and piling on an area adjoining Lot 2266, north-west of Hazelton, Cassiar District.

ENJOYABLE WHIST DRIVE AND DANCE

Knights of Pythias Were Mosts at Affair Held Last Evening in Boston Hall

A very successful whist drive and dance was held last evening in the Boston Hall by Skeena Lodge No. 45 Knights of Pythias. There were 16 tables of whist and the prize winners were: Ladies' first, Mrs. W. Gilchrist; ladies' second, Mrs. W. B. Cornish; men's first, R. M. Simpson; men's second, Jack Cobb.

After cards, refreshments were served and about 150 people participated in the dance that followed. Entertaining music was furnished by Kenny Rood's Sencanders assisted by the orchestra of S.S. Prince Charles.

Fred Wesch was master of ceremonies; F. W. Hart presided at the door and the committee in charge consisted of H. M. Blake, Jack Bulger and George Johnstone. A ladies' committee which assisted with refreshments comprised Mrs. Iverson, Mrs. D. McCulloch and Mrs. W. Gilchrist.

WILLIAMS PLEADED GUILTY OF FORGERY GIVEN THREE YEARS

SMITHERS, Sept. 29.—After electing for a speedy trial at the preliminary hearing, Joseph O. Williams, charged with forgery, appeared before Judge Young on Friday. He was charged with forging the name of D. E. Moore to two cheques and had them cashed by Smithers merchants.

Williams pleaded guilty when before the court and was sentenced to three years on each charge, sentences to run concurrently.

STRIKE OF ORE AT VANARSDOL CAUSES SOME EXCITEMENT

TERRACE, Sept. 29.—Considerable excitement has been caused here by the arrival of some good looking ore found near Vanarsdol and a number of local people have staked claims there. No returns have yet been received from the assay office.

Oscar Gendrum came in from Kalum Lake on Friday and went up to Vanarsdol to investigate.

HARVEST THANKSGIVING IN SMITHERS CHURCH

SMITHERS, Sept. 29.—The annual harvest thanksgiving services were held in the Anglican Church on Sunday. The church was beautifully decorated for the occasion by the members of the Ladies' Aid, products of the farm and orchard being used for this purpose, these and other gifts from the congregation being a contribution to the local hospital.

The pastor, Rev. J. B. Gibson, conducted the services and a large attendance listened to most appropriate addresses. Special singing augmented the evening service.

BROKE FROM CUSTODY FIFTEEN DAYS MORE

SMITHERS, Sept. 29.—While serving a sentence of thirty days at the Hazelton jail, Joe Seymour an Indian, decided that jail life was not agreeing with him and departed to his rancherie. He was promptly re-arrested and arraigned before His Honor Judge Young on Friday charged with breaking from custody. To impress upon Joe that this was an unlawful action he was given a further term of fifteen days.

TERRACE NOTES

Special Sunday School services were held in Knox Church on Sunday afternoon, it being Rally Day for the Union Sunday school. A specially prepared program of choruses, recitations and scripture memory work was well carried out and reflects much credit on both the teachers and scholars. Lillian Christie and Margaret Glass were awarded diplomas for memory work. Quite a number of parents and others interested were present at the service.

Under the auspices of the Terrace Tennis Club a whist drive and dance was held in the G.W. V.A. hall on Friday night. A

Are You Strictly Up-to-Date?

EVERY day new inventions appear to save you time, money and effort. All the time new comforts, new conveniences and new pleasures are being thought out for your individual benefit.

Do you know about them? Are you up to the minute on this vital news?

The advertisements bring you information of all this progress. Read them and you will know about the very things that concern you most--things that have a very direct influence on your life and that of your family.

The advertisements tell you where to get these things, how to get them and how much to pay. For advertising is a daily directory to wise buying.

Don't rob yourself of the benefits that come from regular and systematic reading of the advertising columns. Advertising is altogether too important to be missed. Read it every day.

It's a profitable practise

FEW EMIGRANTS LEFT BRITAIN

Number Dropped From 130,188 Previous Year to 68,951 Last Season

LONDON, Eng., Sept. 25. — (Canadian Press Despatch). — According to official figures, there was a remarkable drop in the number of emigrants last year, the total being 145,906 against 230,911 in the previous twelve months. The largest decrease occurred among male adults of eighteen years and upwards, the number of these emigrants being 68,951 against 130,188 in the previous year. By far the largest groups are those of the young men who left the country to take up agriculture and the young women who went into domestic service. Nearly 19,000 men emigrated for farm work, and about the same number of women entered service abroad in households, hotels, etc. Commerce and finance absorbed 9,438 men and 3,079 women; 7,742 men were workers in the engineering or metal industries, 3,761 professional men, and 2,774 miners and quarrymen.

The women described as "wives or housewives" numbered 29,537. The relative percentages of emigrants in relation to occupations show a steady increase in the proportion of agricultural workers among men and domestic servants among women.

As against this exodus there has to be set 53,000 persons who came into the country during the same period. These included 4,693 commercial workers, 4,118 engineers, etc., 2,649 farm workers, 3,590 women domestics, and 13,286 housewives.

These figures showed a considerable increase upon the two previous years, but on the balance

1/2 lb Package

Now your grocer has the cheese you like so well in this handy size.

There was a net loss of population last year by emigration of 41,509 males and 37,512 females of 18 years and over. It is the younger men and women who are going out and the older ones who are coming home. Whereas more than half the emigrants were under thirty years of age two-thirds of those returning exceeded that age.

Of the immigrants 13,000 came from British North America, 10,000 from the United States, 6,800 from Australia, and over 5,000 from South Africa.

REV. G. O. FALLIS SAYS PROHIBITION SUCCESS

VICTORIA, Sept. 28. — Prohibition is a success in the United States in the opinion of Colonel Rev. G. O. Fallis, who has just returned from a six months' Chataqua tour of the country to the south. Colonel Fallis spoke last evening to the meeting held under the auspices of the Provincial W.C.T.U. in connection with their forty-second annual convention.

"The United States is as likely to give up prohibition as it is to take to being a monarchy," he claimed at one point. He had travelled through thirty-three states, 24,000 miles, and, although he had gone there expecting to see the Eighteenth Amendment violated on every hand, he had come away quite convinced that prohibition was in the United States to stay.

"I lived in 175 hotels while I was away, and in only three did I feel certain that liquor was being served," he stated.

ALBERTA SUPERVISOR FINDS FREIGHT RATES STILL MUCH TOO HIGH

EDMONTON, Sept. 26. — An analysis of the new freight tariff on grain, as contained in the recently issued "Canadian Pacific and Canadian National schedules, has been made by A. Chard, freight traffic supervisor for the provincial government. For purposes of comparison a number of points throughout the province have been selected and a rate for each worked out on the basis of the rate for equal mileage to Fort William. The result shows that the published tariff, which has been issued in response to an order of the railway commission, and which is to apply to grain shipments from prairie points to Vancouver, is still from one to five cents higher than the comparative Fort William rate. In only one or two cases do the two computations agree.

Mr. Chard says he is unable to figure out the method by which the railways have arrived at the new tariff and has not yet seen an explanation of it. The point is to be dealt with, he understands, at the meeting of the commission in Ottawa, S. B. Woods, counsel for the government, will attend the Ottawa hearing, and Mr. Chard may also go.

JAPAN TO BUILD MORE BIG LINERS TO PLY IN TRADE OF THE PACIFIC

VICTORIA, Sept. 28. — A plan, which is being strongly supported by the Department of Communications in Japan, and which calls for the construction of three or four superior ships, each displacing 17,000 tons and capable of developing nineteen knots is to be placed before a cabinet council during the early part of next month, it was learned in advices from Japan received here.

The project for the construction of such ships has long been pending, especially for the trans-pacific service. The Marine Research Institute of Japan, has drafted a plan which calls for the establishment of a new shipping firm with a government subsidy of \$1,000,000, embracing amalgamation of the Nippon Yusen Kaisha, Osaka Shosen Kaisha and Toyo Kisen Kaisha, the three leading shipping firms in the transpacific service. This plan calls for the construction of three superior ships to ply on the transpacific run. The plan has been submitted to the Department of Communications with the support of eleven organizations connected with shipping and shipbuilding. A new bill has been drafted based mainly upon this plan, and will be taken up by the cabinet council next month.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made in printed forms, copies of which can be obtained from the Land Commissioner. Pre-emption must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 19, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travelers, up to ten head.

WESTHOLME THEATRE

Tuesday Only, 7 and 9 p.m.

'The Top of the World'

An adaptation of Ethel M. Dell's greatest fiction success. A complex love problem of darkest Africa. A strange, tense, dramatic struggle involving two men and one woman out on the mysterious, sinister African veldt in which ruthless Nature plays a grim and unexpected part. The amazing adventures of three human beings when Fate takes a hand in their interlocked destinies. A story of love and sacrifice developed along brand new lines and told amidst thrilling fights, raging floods, rousing rescues and scenic grandeur. Notable cast:

James Kirkwood, Anna Q. Nilsson, Raymond Hatton, Sheldon Lewis, Joseph Kilgour, Mabel Van Buren and others.
