BATTLE WITH PIRATES ON STEAMER

VICTORIA WOMAN SHOT HUSBAND PRESENCE OF POLICE

Desperate Battle with Pirates on Board Steamer Sunning in Which British Pluck and Ingenuity Won

HONG KONG, November 17.—A desperate battle took place on board the British steamer Sunning, Monday, the vessel arriving here bearing all the marks of the bloody conflicts between pirates and the officers and crew of the vessel. They reported 12 pirates killed, one drowned and nine captured.

According to the story told by the officers of the Sunning, the pirates rushed the rails last Monday as the watch was being changed and quickly overpowered the nearby officers and at the point of revolvers took control of the ship by putting two of their number on the bridge.

Two officers who were locked in their cabins managed to secure a revolver and at midnight, breaking open the doors, rushed the bridge, shot and killed the two pirates and secured control of the ship.

The remaining pirates, seeing that their plans were defeated, seized Chief Engineer Cormack and using him as a shield, rushed the bridge in a body. Here the two defenders turned loose a deadly fire, eleven pirates being killed and Cormack was wounded in the chest and leg.

Realizing that their efforts to retake the bridge were futile, the pirates fired the first class accommodations, hoping to make the bridge too hot for the officers, but the wind carried the flames aft, and away from control, cremating the dead bodies of the pirates who had been killed. The remaining pirates then escaped in two lifeboats.

Meanwhile the flames attracted the attention of the gunboat Bluebell, which came alongside, placed a guard aboard the Sunning and then pursued the pirates, one boat containing ten being overtaken. One pirate jumped overboard and was drowned while nine were captured.

It is expected that legislation will be introduced into the British Parliament regularizing the situation with regard to criminal appeals to the Privy Council. The matter is still undecided but it is understood the British Government is willing to meet the Canadian point of view as presented by Hon. Ernest Lapointe, who has been in conference with the British Government on the question.

SOVIET BUYS ROLLING STOCK

TAKES FOUR THOUSAND CARS, MOST OF WHICH ARE AT PORT COQUITLAM ROTTING

THERE BEFORE WAR

DEAL SAID TO BE COMPLETED WITH NEW YORK FIRM FOR PURCHASE OF THE LOT

VANCOUVER, Nov. 17.—Rolling stock valued at \$3,000,000 when shipped from Great Britain prior to the outbreak of war for delivery via Canada and China to the Imperial Russian Government, which since have lain unpaid for at Montreal, Pittsburg, Tacoma, and Port Coquitlam, is reported sold to the Soviet Government by a New York firm, according to a story published today in the Sun.

The stock consists of 4,000 box cars, mostly on any railways but the wide gauge roads of Russia. The dismembered parts of 3,500 have lain exposed to the elements at Port Coquitlam for many years.

The amount of money involved in the deal is not mentioned by the Sun, which says "There is a definite rumor, lacking authoritative verification, however, that the deal between the New York firm, which purchased the components parts of the 4,000 box cars a year ago, and the Soviet government, has been completed."

KILLED HER HUSBAND IN THEIR HOME

MRS. MARGARET McRAE SHOT HIM THROUGH HEAD IN PRESENCE OF CONSTABLE

VICTORIA, Nov. 17.—Mrs. Margaret McRae shot and killed her husband in their home here this morning in the presence of Police Constable Strong.

Recently the couple had trouble and a separation was granted. This morning McRae, accompanied by Constable Strong, proceeded to the house in order that McRae might collect his belongings and as he entered the house, Mrs. McRae, who had been waiting for him, fired a shot which struck him in the head.

When McRae and the constable entered the house, Mrs. McRae, who had been waiting for him, fired a shot which struck him in the head. The police announced that a charge of murder would be laid against Mrs. McRae, and an inquest will be held Thursday.

The police announced that a charge of murder would be laid against Mrs. McRae, and an inquest will be held Thursday.

PRINCE JOHN IS BEING TIED UP HERE FOR WINTER

C.N.R. steamer Prince John, which arrived this week with a cargo of coal, is to be tied up for the winter at the local dry dock and while here will have her annual overhaul work undertaken. Capt. Mabbs and other officers of the vessel will sail Friday morning for Vancouver.

The Prince Charles, due from the south tomorrow morning, will remain in the Prince Rupert-Queen Charlotte Islands-Vancouver run indefinitely.

MAJOR GOODSSELL, of Australia, world's champion single sculls oarsman, who will race Pat Hannon, champion of New Zealand, next February at Los Angeles. Major is not a title, but Goodsell's Christian name.

Apoplectic Stroke Causes Sudden Death of Minister First Presbyterian Church

Rev. Dr. Charles J. Cameron, Brilliant Student and Gifted Orator, Collapsed Yesterday Afternoon in Down Town Store

Coming as a shock to the entire community, the death occurred with tragic suddenness yesterday afternoon of Rev. Charles J. Cameron, Ph.D., pastor of the First Presbyterian Church. Deceased had entered the jewellery store of Max Heilbronner to obtain a couple of boxes in which to enclose gifts he was sending to his little granddaughters in Vancouver and was conversing in his usual jolly manner with the proprietor and attendants of the store when he suddenly gasped and appeared to crumple. Mr. Heilbronner rushed to assistance and had grasped him as he fell to the floor. Dr. J. A. West was immediately called but, when he arrived on the scene within five minutes, life was extinct, death being declared due to apoplexy. The time of death was 3:42 p.m. Deceased had been apparently in his usual health and persons who had seen him only yesterday remarked that he looked most fit.

The late Dr. Cameron was born in New Glasgow, Nova Scotia, some sixty years ago. He received his early education in the Boston Grammar School and later attended Harvard and Queen's. At the latter institution, where he was a classmate of Rev. Dr. H. R. Grant, formerly of this city, he received the King Edward medal for classics while a sophomore, an achievement that had never previously, and has not since, been accomplished.

Besides being a keen and brilliant scholar, the late Dr. Cameron during his youth and early manhood participated actively in athletics having been captain of the Harvard track team and president of an athletic organization at Queen's. His ardor for clean sports never diminished and he was ever to be found among the most enthusiastic of the fans.

After his graduation from University, the late Dr. Cameron held important positions in the Presbyterian ministry at such cities as Kingston, Boston, Philadelphia and Fort Leavenworth, Kansas. Some ten years ago, being of keen mind and energetic physique, his health broke down and he retired from the active ministry, coming to Vancouver to reside with his sons.

ESTEMED BY ALL While the late Dr. Cameron had been in Prince Rupert hardly a year, his genial manner and happy disposition endeared him to many friends who, though they may have been brief acquaintances, feel in his passing, as if a real old friend had gone. He was a brilliant and dramatic speaker and a deep student of Shakespeare, having been responsible for the recent organization of the Shakespeare Club.

Witness in Narcotic Smuggling Case Tells of Plans Laid to Hijack Rivals in Criminal Act

VANCOUVER, November 17.—Hi-jacking of a rival drug-running syndicate was ordered by one of the company principals, Verne Partlow, secret service agent, testified in the police court Tuesday when the trial of three Italians and three Orientals charged with narcotic drug smuggling was resumed. Partlow told on the stand of elaborate plans announced by Lee Coy Gim, one of the accused, to retrieve valuable drug parcels dropped overboard from liners plying to the Orient. The hi-jacking incident came about, Partlow said, when some one aboard the liner refused to sell his bundle but decided to drop it overboard for a rival concern. Partlow said they were instructed to follow the liner and watch when the drugs were dropped and try to pick them up. If anyone else got there first they were to tell them they were customs officers and take the bundle away from them. The plan failed because the drugs were not seen to fall from the liner's deck.

Seize Draft for \$75,207 Being Sent Vancouver Consolidated Exporters

SEATTLE, November 17.—Springing a coup in their war against Canadian liquor houses alleged to have defrauded the United States of income taxes in excess of a million dollars, agents of the internal revenue intelligence department yesterday halted the process of the mails. Through assistant district attorney McKinley they secured an order from Federal Judge Metterer directing Postmaster Perkins to turn into court a letter containing a bank draft for \$75,207.

The draft, according to the petition upon which the order of the court was predicated, was being sent from Los Angeles to the Consolidated Exporters Corporation Limited at Vancouver, B.C. in order, it is alleged, to defraud the United States of income taxes owed by the corporation.

AMERICAN BOATS BRING HALIBUT

SEVERAL U.S. BOTTOMS MARKETS LAST FISH CATCHES HERE THIS MORNING

Halibut arrivals marketed through the Fish Exchange this morning totaled 145,500 pounds of which American boats sold 137,000 pounds at prices ranging from 14.2c and 8c to 16.1c and 10c, while two Canadian boats sold 8,500 pounds for 17.8c and 9c and 16.9c and 9c. The list included several big American schooners which, after unloading here will proceed to Seattle and other home ports for the winter, the close season now being on.

The arrivals were as follows:

AMERICAN

Arrow, 32,000 pounds, and Tahoma, 15,000 pounds, to Booth Fisheries.

Atlantic, 27,000 pounds, and Fairway, 16,000 pounds, to Atlin Fisheries.

Corona, 12,000 pounds, and Tatoosh, 35,000 pounds, to Canadian Fish & Cold Storage Co.

CANADIAN

Gibson, 6,000 pounds, to Canadian Fish & Cold Storage Co.

White Lily, 2,500 pounds, to Atlin Fisheries.

ARCHIE WATT IN ACCIDENT

WOMAN KILLED BY CAR DRIVEN BY MASTER MECHANIC OF RAILWAY AT PRINCE GEORGE

PRINCE GEORGE, Nov. 17.—A verdict of unavoidable accident was brought in yesterday at an inquest on the death of Mrs. Susan A. Tilton of this city who was struck Monday by an auto driven by Archie Watt, C.N.R. master mechanic here.

The accident happened at the bottom of a rather steep grade during a very heavy fog. Mrs. Tilton who was crossing the street, saw the car when about half way across the street and she stopped. As the car swung to go around her, she attempted to cross and an "right in front of it."

Mrs. Tilton leaves a husband and three children.

CRUSHED BENEATH A LOAD OF GRAVEL

NEW WESTMINSTER, Nov. 17.—Crushed beneath a loaded truck which toppled over on him while working in a gravel pit near here today, Harry Kellock, 52 years of age, died a few hours later at the hospital.

CHOOSING A NAME FOR A HEADLINE.

Some names hardly ever get into the headlines of the newspapers because they do not lend themselves to that purpose. They are usually too long. Take as an instance the words "Board of Trade" or "League of Nations." They are too long for the common 30 point single column headline which is the one most used in this newspaper and consequently they cannot well be used. The words "Players' Club," however, just fits and when that organization has some doings, the name usually comes in the headline. This shows that a great many things have to be considered in choosing a name. It also indicates what small things sometimes influence results.

OUTLOOK OF PORTLAND MUCH LIKE OURS.

Many years ago when Portland was no more important than is Prince Rupert today, Harvey W. Scott, one of the pioneers of the city is reported to have said:

"It is probable that nothing else has contributed so much to the help of mankind in the mass, either in national or moral aspects, as rapid increase of human intercourse throughout the world. Action and reaction of peoples upon peoples, of races upon races, are continually evolving activities and producing changes in the thought and character of all. This intercourse develops the moral forces as rapidly as the intellectual and material. Populations are stirred profoundly by all the power of social agitation, by travel, by rapid movements of commerce, by daily transmission of news. The United States have a frontage on the Pacific as well as on the Atlantic Ocean. We must expand in the direction of the Pacific, where the future development of our country lies. Over there is China. Over there is India. Over there are the regions which the energy of the world is now beginning to develop. This is one of the great movements of history, without anyone in particular bringing it about. It is irresistible; it is one of the onward movements of mankind."

This just about fits Prince Rupert as conditions are very similar.

MANY ARE WATCHING KAMLOOPS CONVENTION.

Without daring to express my opinion of the outcome of the Kamloops Conservative convention, it may be mentioned that the effort of the party to secure a leader who will really lead, is worthy of emulation. What the party has suffered from in the past has been largely lack of wise leadership. There has been no outstanding man who was able to secure the confidence of the people and secure election to the Legislature, and it is interesting to note that neither of the men mentioned as likely leaders have now a seat in the august body at Victoria. Usually it is considered that the first thing is to get elected, but apparently the Conservatives think otherwise and consider the first thing to do is to be chosen leader. Election will follow.

It is to be hoped that a man worthy of the position will be the choice of the party for on the type of man chosen depends to a large extent the future Government of the Province. Some time the Conservatives will be returned to power and when the time comes the leader will be the premier.

BANCROFT SEES MINING PROGRESS.

Professor Austin Bancroft is a practical field worker as well as theoretical mining man. He knows British Columbia for he has spent many years here. When he makes a statement, it may be taken for granted that he knows something about the subject. When he announces that mining is on the up-grade in British Columbia, he means it. He says the province is going ahead fast, and he knows it.

ORGAN PROVES WELL WORTHY OF CATHEDRAL

INSTALLATION IS COMPLETE AND INSTRUMENT WILL BE USED ON SUNDAY

The city of Prince Rupert as well as the Anglican Church has made a real acquisition in the installation in St. Andrew's Cathedral of the new pipe organ which has just been placed in position.

The organ is the work of the outstanding builders in Canada, the Casevant Brothers of St. Hyacinthe, Quebec. A good deal of the work of this firm goes to the United States and the excellence of their instruments is known throughout the Empire and the continent.

The organ installed here is up to their best standard and although small when compared with instruments in larger centres, yet it has eight octaves of pipes and 530 separate pipes. It weighs four tons and the electric motor and blower add another half a ton. Even an amateur would at once pronounce it the result of the efforts of most skillful workmen and its design that of an artist.

BEAUTIFUL TONE

The quality of tone of the organ is exceedingly beautiful, whether it be in the deepest or highest notes and musical people who have already heard it express the greatest enthusiasm over the fact of having such an instrument in such a new and outlying community.

The instrument will be used in a public way for the first time next Sunday when A. J. Lancaster will preside at the keyboard. A very hearty welcome will be given to all visitors who may wish to hear this latest and excellent addition to the musical equipment of the city.

Commendation is due the congregation for the faith and courage they have displayed in undertaking the really heavy task in providing what is sure to prove a very real pleasure to all the music loving people of Prince Rupert.

The manufacturers took no chances in the matter of installation for they sent the most expert organ builder and tuner in British Columbia, E. Chapman, who has in his care nearly all the pipe organs of Vancouver and Victoria.

OLD BRIDGE AT SEAL COVE WILL BE DEMOLISHED

Being in an unsafe condition, the old bridge across Seal Cove connecting with the end of Eighth Avenue is to be demolished by the city. A recommendation to this effect from the city engineer was received at last night's council meeting and adopted.

The city engineer reported that he had examined the structure and had found it to be in a dangerous condition even for pedestrian traffic. The underpinning had been washed away and the decking was sagging, the bridge also being canted over eighteen inches to the East. The engineer recommended that the structure be torn down and the lumber salvaged.

Ald. Perry moved that the report be adopted. The bridge was not used to any extent and it would cost \$500 or \$600 to repair it.

Ald. Brown suggested that a footwalk be put in to which Ald. Perry replied that the bridge would have to be taken down anyway but the footwalk might be put in later if required.

In answer to a question by Ald. Joe Greer, Mayor Newton said there was an alternative route for pedestrian traffic.

Ald. Casey referred to the poor condition of Seventh Avenue near the Cold Storage boarding house. Ald. Perry stated that this would be attended to.

ALD. CASEY TO BE ACTING MAYOR FOR WEEK OR TEN DAYS

Mayor Newton will be leaving the city on Friday morning to attend the Conservative convention at Kamloops next week. He will be away a week or ten days. It was decided at last night's council meeting on motion of Ald. Brown, seconded by Ald. Perry, that Ald. Casey be acting mayor during his absence.

LOCAL TORIES FAVOR BOWSER

THOUGH DELEGATES ARE NOT INSTRUCTED, RESOLUTION OF CONFIDENCE IN FORMER LEADER IS PASSED UNANIMOUSLY

While the Prince Rupert Conservative Association at its meeting last night declined to instruct the delegates who will attend the convention at Kamloops next week when a provincial leader will be chosen, a resolution of confidence in Hon. W. J. Bowser was passed unanimously by the meeting on motion of E. A. Mann seconded by W. E. Fisher. This, of course, amounts to the same thing as a pledge of support to Mr. Bowser for the delegates may hardly be expected, if it comes to a question, to fly in the face of a resolution passed at a meeting which they themselves attended.

Ten delegates, being the allotment for Prince Rupert riding, were chosen as follows to attend the convention: W. W. Wright, R. V. G. LePine, C. H. Orme, W. E. Fisher, D. C. Stuart, J. A. Kirkpatrick, George H. Munro, George H. Clarke, E. A. Mann and William Sibbald. These men will attend the convention or send their proxies with such of the delegation as may go. Besides these delegates J. C. Brady, M.P. for Skeena, and Mayor S. M. Newton, defeated candidate at the last provincial election, will attend the convention.

The meeting last night was well attended. George H. Munro, president of the Association, occupied the chair and W. W. Wright acted as secretary. The meeting heard an interesting address by J. C. Brady, M.P., on Conservative principles and general matters pertaining to the welfare of the party.

HACKER TELLS ABOUT TERRACE

A good report of conditions at Terrace was brought home by Rev. George G. Hacker who returned yesterday from a week end visit. The grain activity at Terrace has also helped the people of Terrace. Lumber enough has been shipped to this port for ship lining that the mill men do not expect to close down during December and January as they were forced to do formerly because of a dull market at this time of year. Keeping open means much to laboring men for "you need wages at Christmas time" one man remarked. Speaking of Terrace benefitting by Rupert's prosperity one man said "For every thousand increase or decrease in Rupert's population, Terrace district loses or gains two hundred people."

On Sunday evening Mr. Hacker was greeted by a full house at Knox United Church. The people were greatly interested in an account of the speaker's recent trip to Montreal and Chicago. One feature which was stressed was the absence of drunkenness in Ontario and American cities. In a month's stay in Ontario Mr. Hacker saw only one drunken man while in Detroit and in Chicago he saw none. So few prisoners are in the county jails that proposals are being made to close up four jails in five counties and have one do the work of five.

While in Terrace Mr. Hacker was the house guest of Mrs. O. T. Sundal.

THE MAN IN THE MOON

The president of the Dutch Reformed Church synod recently asserted that long hair for women was a symbol of the divinely pre-ordained subjection of woman to man. He is a fundamentalist and believes this part of the fundamentals of his faith.

The same reverend gentleman, who carries the degree of Doctor of Divinity, has conscientious objections to shaving. Possibly he also has the same objection to washing.

The same man was chairman of the synod when it expelled a pastor who cast doubt upon the truth of the story of Adam and Eve and the serpent in the Garden of Eden.

But then we all are more or less

Superb Quality!

NEVER before has anyone heard radio reception from a five tube set to equal this. Made purposely to bring in music with quality. DX-221, and Peanut Tubes plus Victor-Northern Electric workmanship do it. One dial control, plus two dial adjustment—a new thing in radio.

BUCKLEY'S MIXTURE
Acts like a flash — a single sip proves it

Ten Years Ago in Prince Rupert

A company of local men, who are to engage in the boat building industry, having failed to obtain a suitable lease from the railway company for a site at Cow Bay on which to establish their business, are now thinking of getting a location on Digby Island.

Word is received that the 102nd Battalion, in which many local men are serving, captured three hundred German prisoners in the engagement at Regina trench where Lieut. Adair Cars of Prince Rupert lost his life when he was endeavoring to make more comfortable.

Cabins have been built at the Highland Boy mine near Hazelton and everything is in readiness for the commencement of an active program of development work.

When you have no time for a meal

You need a cup of BOVRIL

"IT IS SO GOOD FOR YOU"

"When Winter Comes,"

In winter, Lifebuoy, the all-year-round soap for hands and face, bath and shampoo, is especially good because:

It does not remove those natural oils which are necessary to skin health.

Its mild, creamy, antiseptic lather goes deep into the pores, cleansing and purifying.

It rids the hands and face of cold germs which, getting into the nose and mouth, would cause colds—real protection against winter's worst ills.

Lifebuoy, the ultra-refined, world's most widely used soap, is an inexpensive protective necessity.

Lifebuoy's cleanly health odour quickly vanishes—the protection remains.

Would Sit Up Most of Night

In bed nerves would twitch and jerk so he could not sleep

This letter gives you some idea of how distressing nervous ailments become. It also points to the best method of restoring exhausted nerves. Mr. E. P. Schoolcraft, Clarenceville, Que. writes:—"I suffered for three years with my nerves. I tried most everything, but without relief. I could not sleep at night, my nerves were so unstrung. I would twitch first one leg and then the other. Some nights I would sit up most of the night, unable to sleep. I became so bad that I could not sit still. I bought a box of Dr. Chase's Nerve Food, and felt slightly better by the time I had taken it. When I had used a full treatment I was an entirely different man—I felt better, slept better and worked better."

PREMIER POINCARÉ INSPECTED SCHOOLS ALSACE-LORRAINE

METZ, France, Nov. 17.—Raymond Poincaré, Premier of France and Minister of Finance, recently took a few days of the problems of the economic and financial situation and has been acting as a school inspector in the cities of Alsace and Lorraine.

Daring about in his limousine, the Premier played no favorites. He dropped in during classes at Hebrew schools, Catholic and Protestant institutions and the undenominational establishments of the French State. He sat patiently through lectures on Egyptian history in the "Lycees" or high schools and patted many a little blonde Lorraine head in the kindergartens of Metz and vicinity.

M. Poincaré says this contact with the rising generation has renewed his own youth. Schools and colleges have always had a fascination for him. He comes of a teaching family. His uncle Lucien and his brother Henri were both famous scientists. It was only his early taking to politics that kept him from becoming a law professor.

GREAT BALL PLAYER WAS TYRUS R. COBB

(Toronto Globe) Georgia's favorite son, Tyrus Raymond Cobb, has resigned as manager of the Detroit baseball team, and steps out of the game with the reputation of being the greatest player in the history of the diamond sport. The qualities that made the fiery and spectacular Georgian the "Babe Ruth" of more than two decades contributed to his success as a business man, but while he leaves the game with a fortune to show for his efforts with bat and ball, and his influence upon the United States national pastime has been such that it is a better game for his having played it, he lacked the qualities of leadership. Cobb was a marvellous player, but a very mediocre manager. Not even his twenty-two years in the game as an American national figure and all the experience gained in that period could teach him to handle men. Leaders are born, and cannot be made.

At a wine tasting contest in Wiesbaden, Germany, it was found that though hock is generally not believed to be preserved beyond 60 years, a large number of choice wines had retained their qualities over a hundred years.

MORE GOOD BASKETBALL

A good crowd of 150 spectators saw another brace of interesting basketball games in the Exhibition Hall last night.

In the Senior League game, the Elks added another victory to their so far unbeaten record at the expense of Grand Terminals. It was a good fast game and ended in a 29 to 10 score. Brick Skinner and Lee Dell handled the whistles and the details of play were as follows:

Elks—E. Smith; Stan Moran, 2; Dave Balfour, 17; George Mitchell, 8; G. Bryant, 2. Total 29.

Grand Terminals—H. Gordon, 5; C. Thompson, 3; K. Howard, 2; J. Underwood, H. Ryall. Total 10.

INTERMEDIATE LEAGUE

In the Intermediate League, the Bankers and Grotto battled to the end of the first half to a 15 all draw. In the second half, the Bankers weakened while the Grotto was piling up a heavy score and the game ended 50 to 23. Brick Skinner and Lee Dell refereed.

Bankers—A. E. Walters, 4; R. Mortimer, 13; R. Egerton, 1; F. H. Smith, 4; G. Hill, 1; E. Johnson. Total 23.

Grotto—V. Meagher, 6; D. Stalker, 6; W. Wrathall, 10; D. Gurvich, 27; J. Sims, 1; E. Bayliss. Total 50.

LADIES' LEAGUE

The Maple Leafs had another easy victory in the Ladies' League over the Adanacs, the score being 21 to 8. Geo. Mitchell refereed.

Adanacs—Miss Caroline Mitchell, 2; Miss Willa Dyer, Miss E. Dalby, 4; Miss V. Smith, 2; Miss D. Gosse, Miss M. Lancaster, Miss M. Palmer. Total 8.

Maple Leafs—Miss M. Graham; Miss M. Harvey, 6; Miss Lillian Lowe, 11; Miss K. Harvey, 4; Miss H. Grant, Miss H. Sim, Miss M. Thompson. Total 21.

JUNIOR LEAGUE

The Junior League again provided the closest engagement of the evening when the Colts outscored the Stars by the narrow margin of 20 to 19. George Mitchell was referee.

Colts—H. Macdonald, 12; R. Stalker, 4; R. Irvine, J. Scott, E. Ratchford, 4; G. Viereck. Total 20.

Stars—T. Kelsey, 7; E. Smith, 2; A. Cross, 4; D. Morrison, 2; W. Murray, 4. Total 19.

The league standings to date are as follows:

Senior League	W.	L.	Pts.
Elks	3	0	6
Native Sons	1	2	2
Terminals	1	3	2
Intermediate	W.	L.	Pts.
Grotto	4	0	8
Terminals	1	2	2
Bankers	0	3	0
Ladies' League	W.	L.	Pts.
Maple Leafs	4	0	8
Adanacs	0	4	0
Junior League	W.	L.	Pts.
Colts	4	0	8
Stars	1	2	2
Tuxis Boys	0	2	0

GYROS HAD GOOD WIN LAST NIGHT IN BILLIARD LEAGUE

The Gyro Club improved its position in the Billiard League when it defeated St. Andrew's by an aggregate score of 937 to 798 last night. The high break of the evening was 46 by Ben Self.

The results individually were as follows:

BRINGING UP FATHER

Pneumonia Left Her With A Bad Cough

Mrs. W. R. Bennett, 2307-14th St. West, Calgary, Alta., writes:—"Over a year ago, before my twins were born, I had an attack of pneumonia which left me with a very bad cough. Being under the doctor's care, he tried first one thing and then another, but I coughed day and night. A friend brought me a bottle of Dr. Wood's Norway Pine Syrup.

for to try, and after coughing for two months and taking four six ounce bottles of cough medicine, I got rid of my cough with one and a half bottles of Dr. Wood's Norway Pine Syrup. Price 25c. per bottle, large family size 60c.; put up only by The T. Milburn Co., Limited, Toronto, Ont.

League were as follows:

W.	L.	Pts.
Moose Ladies	3	0
Pythian Sisters	2	1
St. George's Ladies	1	2
Orange Ladies	0	3

SPORT CHAT

Jack Allen and Vic Foley have returned to Vancouver after their trip East, and Foley is now resting up for a few weeks before he takes on any more ring engagements. "We were greatly pleased with the treatment accorded us in Montreal," said Allen on arriving at Vancouver. "They did everything for us except give us the decision in the first fight with Roy, which we were entitled to. Foley's arm was bad in the second fight, and he was unable to punch with his right hand at any time. I made Kid Roy a very generous offer to fight Foley here, but I'm afraid he will hardly consider coming to the Coast when he is able to command tempting fights in the East."

Shaughnessy Golf Club's course at Vancouver was graced one afternoon last week by a distinguished foursome when Senator S. J. Crowe and Major-General A. D. McRae opposed Brigadier General J. A. Clark and Ex-Premier Arthur Meighen. The foursome played a four ball round and the former pair, conceding four strokes, carried off the honors two up and one to go. The premier expressed delight at the course and thoroughly enjoyed the round. It

TRUNK SEWER IS PROPOSED

\$35,000 PROJECT SUBMITTED BY CITY ENGINEER WOULD MEET LONG FELT NEED

The city engineer, H. A. McLean, has devised a scheme whereby, at an estimated cost of \$35,000, a trunk sewer line may be built to serve practically all those portions of the city which are not now provided with such service. His report was submitted to the council last night and, after brief discussion, was laid on the table for further consideration. The mayor expressed himself as being in favor of the project and it is possible that the necessary bylaw providing for the construction of the line may be put before the people at the January elections.

The report of the engineer was as follows:

I beg to submit this report on trunk sewers for your consideration.

A number of reports together with plans have been made by different engineers but have been too extensive for a city this size to undertake. So I have evolved a solution by a system which utilizes a steel pipe sewer eighteen inches in diameter for the outlet contiguous to Hay's Creek which area is bounded by a red line on the accompanying map.

To make this report without going to the expense of a survey I have based by computations on the data compiled by previous engineers and which is on file in this office. Until this report is approved I see no necessity for further expenditure in this regard.

This size of pipe laid to grade will take care of this section indicated above for many years. When the city grows to the extent that this pipe is too small then a set of duplicate electrically driven pumps may be added to pump the sewage through this outlet or another pipe may be constructed as seen fit at the time. By this method a system can be built up from year to year without any very large capital outlay during any one year. For this reason, too, I recommend that storm water be taken care of separately.

Branch sewers can be constructed from this trunk line by the local improvement plan initiated by the council or by petition from time to time as occasion may warrant their construction.

Such an outlet could be built for approximately \$35,000, and then practically the whole settled portion of the city will have equal sewer facilities.

WOODWORTH REPORT MADE

COUNCIL DECIDES TO DELAY MAKING REPAIRS TO DAM UNTIL NEXT YEAR

A report from the city engineer suggesting repairs that might be made to the Woodworth Lake dam was presented to the city council last night and, owing to the fact that it was felt such repairs could not be undertaken at this time when there were heavy calls on the municipal power system which could not be met if there were any such interruptions as the emptying of the dam, it was decided to lay the report on the table for the consideration of next year's council.

The report of the engineer, which was accompanied by a recommendation from the Board of Works that the report be adopted and the work proceeded with, stated that the forms had never been removed from the dam and, before any scheme of repairs could be decided upon, it would be necessary to remove these forms at an estimated cost of \$400 or \$500. As for the pipeline, which he had also been asked to inspect, the engineer stated that some of the joints had never been caulked before but, now that such work had been done, the surge in the pipe and the throb in the light system had been eradicated. Work on the concrete piers, Mr. McLean's report stated, might be left over for a while. The removal of the forms, Mr. McLean stated, could be done by emptying the dam or using a diver. The dam would probably have to be emptied to make the repairs.

Ald. Brown stated that, with the elevator working and other heavy demands being made for power, it would be inadvisable to put the power plant even temporarily out of operation. It might take two or three weeks or possibly a month to do the work and it might mean that the city would be unable to meet the power demands. The dam had gone as it was for years and he did not see that a delay from now until the power demands were lessened would hurt much.

As for the removal of the throb in the light system, Ald. Brown pointed out that the engineer differed with the superintendent who said the dry dock machine had taken up the throb.

Mr. McLean replied that the throb had been eliminated before the dry dock

plant started operations. After further discussion, the report was referred to the 1927 council.

CITY COUNCIL IS INSULTED

NO SEATS OF HONOR
Resolution Was Passed Objecting to Seating Plans at Recent Dinner

As a rebuke to the Prince Rupert Board of Trade for having allegedly slighted the mayor of the city and member of parliament for the district at the banquet given last week in honor of Sir Henry Thornton, president

of the Canadian National Railways, the following resolution was unanimously carried at last night's meeting of the city council:

"Whereas, the citizens of Prince Rupert and the electors of Skeena district were maliciously insulted by the Prince Rupert Board of Trade at the complimentary dinner given in honor of Sir Henry Thornton and party on November 10 through the said Board of Trade inviting His Worship the Mayor and J. C. Brady, M.P. to attend the dinner, then refusing them seats of honor at the guests table which was properly due to the high office they each respectively hold.

"Therefore, be it resolved, by this body, the Prince Rupert City Council, in meeting assembled, that we deeply resent the insult imposed by the Prince Rupert Board of Trade against the citizens of Prince Rupert and Skeena district.

And, be it further resolved, that a

copy of this resolution be incorporated in the minutes of this meeting and also that a copy be sent to the secretary of the Prince Rupert Board of Trade."

CITIZENS AGGRIEVED

The resolution was proposed by Ald. George B. Casey who wished to make it clear that no political motive was involved therein. A great many fair-minded and well-meaning citizens had seen the incident and felt aggrieved that the mayor and member of parliament, having been specially invited, were placed at a side table and left to face the wall. It was generally deemed to be a very small action which was resented by the people and this resolution was submitted as a means of redress and to tell the Board of Trade that it had not only insulted the people of Prince Rupert but the people of the entire riding of Skeena.

The resolution was seconded by Ald. Larsen. Ald. Perry wanted to hear more about

the incident as he had not attended the banquet. He could hardly believe that such an affront had been intentional. It surely must have been a mistake.

In answer to Ald. Brown's question, the mayor stated that he had been invited to attend the banquet in his official capacity.

The resolution was then unanimously carried.

WATER NOTICE

TAKE NOTICE that Gosse Packing Company, Limited, whose address is Vancouver, B.C., will apply for a licence to take and use 100,000 gallons per day of water out of Unnamed stream, which flows northwesterly and drains into Captain's Cove at head of Captain's Cove. The water will be diverted from the stream at a point about 700 feet from mouth and will be used for commercial and domestic purposes upon the land described as Lot 1253, Range 4, Coast District. This notice was posted on the ground on the 4th day of November, 1926.

A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Prince Rupert, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is November 10, 1926.

PUBLIC WORKS EMPLOYEES TO GET MORE PAY

ALLEGED UNAUTHORIZED ACTION OF DEPARTMENT IS RIGHTED BY CITY COUNCIL

There was considerable discussion at last night's council meeting on the matter of adjustments that had been made in connection with the wages of employees of the public works department. Apparently some men, after heavy street work had been completed, were set back from strawbosses to laborers and accordingly reduced in wages, other employees not having to do with street work being similarly reduced. Ald. Casey and other members of the council felt that the department had been out of order in reducing wages of the Board of Works, held that it was not a matter of reducing wages but was a reorganization of the department.

It was decided that the salary of J. Joy, driver of the nightsoil truck, be restored to \$158 per month; that Jack McRae, city foreman who had been reduced to strawboss, be paid \$6 per day instead of \$5, he formerly having received \$7 per day, and that the pay of George Ferguson, in charge of plank road repairs, and Mike Lubotina, of the waterworks department, be \$5 per day instead of \$4.50.

There was a great deal of discussion of an unimportant nature on these matters.

SOME EXCUSE!

"No, I don't want anything to do with you. You turned your back on me when I was down in the world."

"But, my dear fellow, I wouldn't have done it had I known you were ever going to get up again."—Vancouver Province.

Bulkley Valley Holds First Seed Show at Smithers Where Fine Display Made by Farmers

SMITHERS, November 17.—Some remarkable samples of products of the soil were on display at the Boy Scout Hall in Smithers last Friday on the occasion of Central British Columbia's first seed show. The show was held under the auspices of the Provincial Department of Agriculture in co-operation with the Dominion Seed Branch and the success of the undertaking was in a large measure due to the efforts of D. W. Thompson, field inspector, who has been stationed in the district this summer.

The prize list consisted of twelve classes with cash prizes for first, second and third, and there was keen competition in all the classes but one. In two classes, timothy seed and Nettle Gem potatoes there were ten entries each.

WORD OF DEATH ENDED AFFAIR

I.O.D.E. Affair at Home of Mrs. D. C. Stuart Expresses its Sympathy for Mrs. Cameron

The musical program was cancelled and the affair brought to a close as soon as possible yesterday afternoon when word reached the tea being held by Queen Mary Chapter, I.O.D.E., at the home of Mrs. D. C. Stuart of the sudden passing of Rev. Dr. Charles J. Cameron. It was at the tea that Mrs. Cameron received the sad message. The affair was a success financially, the sum of \$38 being realized.

APOPLECTIC STROKE CAUSES SUDDEN DEATH OF MINISTER FIRST PRESBYTERIAN CHURCH

(continued from page one)

ization of a Shakespeare Society in Prince Rupert.

Deceased was high in Masonic ranks. He was a member of Leavenworth Lodge No. 2, A.F. & A.M., of Leavenworth, Chapter No. 2, R.A.M., of the B.C. Consistory, Scottish Rite, Vancouver, and a noble of Abdallah Temple, A.A.O.N.M.S., Leavenworth, Kansas.

To the widow in her deep bereavement is being extended the entire sympathy of the community generally, regardless of religious beliefs. Beside Mrs. Cameron deceased leaves to mourn his loss two sons, George and Ian, Vancouver barristers; two daughters, Mrs. Onies McLeod and Mrs. Margaret Seymour, also of Vancouver, as well as a sister, Miss Margaret Cameron of Vancouver. A brother was the late George Cameron, a famous Canadian poet.

The body will be forwarded on Friday morning by the steamer Prince George to Vancouver where interment will take place and for which city the mourning widow, accompanied by Mrs. W. H. Wilson-Murray, left this morning. Arrangements for services to be held here will be made at a meeting of the Board of Directors of the Presbyterian Church tonight.
