Premier Makes Record During Month of March and Branching Out in District says Dale Pitt

Producing an average of 400 tons per day, the famous Premier mine in the Portland Canal district during the month of March exceeded all previous output records by mining 19,000 tons of ore according to Dale L. Pitt, manager of the mine, who is a business visitor in the city. Of the total production for the month, 12,000 tons was sent out over the tramline for smelter treatment and 7,000 tons went through the concentrator which recently had its capacity doubled. During the month, the tramline was in operation 96 per cent of the time both day and night. With the new concentrating unit now in full operation, the March output will probably be exceeded in April states Mr. Pitt.

ICE STILL HOLDING AT DAWSON BUT IT WILL MOVE IN FEW DAYS; PART OF RIVER IS ALREADY CLEAR

Vote On Bylaw Thursday Next.

It is pretty sure that there will be little opposition to the tax exemption bylaw which is to be voted on next Thursday. Scarcely any people express themselves as opposed to it. It would seem as if it might be good policy to try to make it almost unanimous in order to show the Wheat Pool managers that we want them here to do business through our port.

We have waited long enough already for business and it has not come. If anyone votes against the present bylaw it will seem almost as if they did not want the business. The government has done all in its power to induce the Pool to establish the business and Prince Rupert will do its bit, considering the city is the one that benefits most.

The elevator is not used at present and it does not pay any taxes. As long as the government retains control it will not pay taxes, so we have nothing to gain by stopping the lease going through. From a civic point of view we shall be in the same position we were before the deal was made.

North Vancouver did not take long to vote privileges to the same concern when it suggested building an elevator there. Prince Rupert will do the same, we feel sure.

Large Business Of Co-Operative Company.

The Canadian Co-operative Wheat Producers Limited do a big grain business. On March 11 they mailed 190,000 checks to members of the pool aggregating \$37,000,000. This was only one of three payments made to the farmers on their wheat crop. This indicates what a big concern it is and how important it is that it should be operating through this port. While nothing is certain in this respect, it is understood that the pool may yet ship some grain through the elevator this year if the bylaw is passed. At any rate it will be fully equipped for business next year, at the opening of the season.

All The Truth Not In Bible.

Back east they are having a controversy over prohibition and they are quoting the Bible for and against it. One man refuses to endorse prohibition because there is nothing in the Bible in favor of it and he finds arguments the other way, he thinks.

The difficulty with many people is that they expect to find all the truth there is in the Bible. If God wrote the Bible or inspired its writing, it does not mean to say that the Bible is his whole expression. There are other things, supposedly, which exemplify truth besides the doctrines, precepts, poetry, proverbs, history and mythology of that wonderful book. To go to the Bible for guidance on every possible subject is not reasonable. A lot of things have happened since those pages were written and God is still expressing himself through the writings and speeches of great men, through nature and in the inclinations and tendencies of the best people. After all, the Bible is but a collection of writings gathered by men who felt that they were the best expression of the age. It must also be remembered that the Bible has been carefully edited more than once and that books which were once part of the collection have been thrown aside as not authentic or not necessary or desirable.

LADY OF THE NIGHT SEEN AT WESTHOLME

Play Shows Contrast of Lives of Two Girls One at the Highest and the Other at Lowest Level

No matter in what station of life one lives, emotions remain pretty much the same, according to the thesis of "Lady of the Night," which is to be seen here this evening.

Monta Bell, director of Metro-Goldwyn-Mayer, has brought to the screen a powerful story of society at its highest and lowest levels.

He has filmed the lives of two girls—one at the top, the other at the bottom of the social ladder—who fall in love with the same man.

That it is love of the deepest kind is shown when the spirit of sacrifice moves both of these girls when in the climax they have to choose between what they regard as their happiness and their duty.

Both elect to sacrifice their happiness.

Brilliant social balls, receptions and country club dances set with the lavish hand of wealth are contrasted against the squalid home life of the slums and its only outlet of pleasure—the Bowery dance hall.

And Norma Shearer playing the dual role of Molly, daughter of a convict, and Florence, daughter of the Judge who sent her father to prison, is said to give one of the finest performances of her career. She is supported by an exceptional cast, including Malcolm McGregor, as a young inventor; George K. Arthur, Fred Esmelton, Dale Fuller and Betty Morrissey.

Miss Shearer's double part calls for something more than is usual in dual roles. For one thing she has to look entirely different, for there is little of facial resemblance in the two girls. The picture is made from an original story by Adela Rogers-St. John, adapted for the screen by Alice D. G. Miller.

MID-WEEK PICTURE IS THE PACE THAT THRILLS

Gripping Story in Which the Hero Fights Pugilists and Races Autos

Lovers of clean, wholesome fun combined with stirring action and a pretty love story will find an evening or an afternoon of real entertainment in "The Pace that Thrills"—First National's latest feature picture which is here for the mid-week.

Ben Lyon and Mary Astor, as the featured players, head an admirable cast which contains Tully Marshall, Fritz Brunette, Thomas Holding, Warner Richmond, Charles Beyer, Evelyn Walsh Hall, Wheeler Oakman and others. The picture was directed by Webster Campbell under the supervision of Earl Hudson, the man who made the "Lost World."

Contrary to many motion pictures, "The Pace that Thrills" contains a gripping story which is never lost sight of from start to finish. It is the story of a movie hero who has acquired much undesirable publicity because he refuses to take chances, demanding a double for the most trivial danger. Even the girl in the case finally loses faith in her hero. But in the end all is cleared up happily.

Ben in the role of the movie hero is admirably cast. He incidentally proves to his fans that he is a comedian as well as a portrayal of serious roles. He has never been seen better than in this picture. He fights burly pugilists, stuffed and live bulls, and fairly takes your breath away

by some automobile racing that is sensational.

KISS FOR CINDERELLA STARS BETTY BRONSON

Barrie Story Translated into Picture is Full of Heart Tugs and Humor

The imaginative whimsy of James M. Barrie, the directorial artistry of Herbert Brenon and the piquant personality of Betty Bronson—the three factors that were chiefly responsible for the spectacular success of "Peter Pan"—combine to make "A Kiss for Cinderella" one of the screen's notable achievements. Unlike "Peter Pan" however, "A Kiss for Cinderella" is not entirely pure fancy. It is, as a matter of fact, a vivid, appealing, modern-day romance, laid again the very realistic background of the London slums, with a lovable little heroine in the person of a lonely, half-starved waif, and a sympathetic policeman as the hero.

The story of this little Cinderella slayer, who dreams of the day when she will be invited to a marvellous ball where a handsome Prince will pick her out as his Princess, is one that only Barrie could have written—all together delightful, filled with tears and laughs and heart-tugs, and enlivened by all those whimsical touches that are part and parcel of every Barrie tale.

And only Herbert Brenon, dreamer, realist and craftsman that he is, could have translated it to the silver sheet in terms of poignant, human drama and inimitable comedy without destroying its essential fantasy.

Betty Bronson, who showed in "Peter Pan" that she possesses that wistful, elusive quality so necessary for the successful portrayal of a Barrie heroine, gives as finished and compelling a performance as any yet seen on the screen. She lives the role

of Cinderella, thereby lifting the character out of the make-believe into the real.

Tom Moore plays the part of the fairy Prince who turns out to be a policeman; Esther Ralston makes a lovely fairy godmother, and Henry Vibart, Dorothy Cumming, Flora Finch and a score or more of equally well known players round out a distinguished supporting cast.

Leads in sales because it leads in value

Canadian buyers are careful and conservative. Hence, such overwhelming success can mean only one thing: superior comfort and value. Investigate now the bedspring that is breaking sales records throughout the Dominion—the *Slumber King*.

It is the finest steel fabric spring built in Canada. Its four rows of coil ties allow the 26 ribbon steel strips to shape to your body. You never get cramped down in the centre. Extra wide border

strips and cables prevent sagging edges. Nothing can catch and tear the bedclothes. It is easiest to keep clean.

Only huge production could make its price \$12, surprisingly little, especially when your sleep and health are at stake. See it at any furniture store today. While there, complete your comfort with the *Ostermoor*, for more than 30 years Canada's finest white cotton felt mattress, regardless of price. An unrivalled value at \$25. Look for the *Ostermoor* label.

REMINGTON-NOISELESS TYPEWRITER - MODEL 6

A Revelation in Silence.

Executives welcome it. Typists "adore" it. At first the operation of a Remington-Noiseless Typewriter seems strange. One misses the clatter of keys. But in a day or so, the increased efficiency is apparent. Executives find the quietness stimulating - nothing to distract thought - they don't need to halt their typists while telephoning. Operators "adore" it. After a week they say they "wouldn't go back to other machines for worlds."

In short, Remington-Noiseless Typewriters do work perfectly, and do it in silence.

Wouldn't you like to exchange your present equipment for Remington-Noiseless Typewriters? We will take your old machines as part payment. For particulars, sign and mail this advertisement to us.

John Hudden was fined \$25 with the option of thirty days imprisonment in the city police court this morning for intoxication.

Two of the geodetic survey department's scows, which have been on the dry dock here for cleaning, painting and minor repairs, were taken off the pontoons today.

J. E. Milne, assistant district engineer for the provincial department of public works, will sail Saturday night by the Prince John for the Queen Charlotte Islands to inspect considerable work that is in progress there for the department.

Don Matheson, son of City Treasurer and Mrs. D. J. Matheson, who returned last week from Vancouver, where he is attending the University of B.C., sailed last night on the Cardena for Premier Mine where he will be employed during the summer vacation.

Native Sons of Canada will meet tonight in the Metropole Hall for an educational evening to listen to addresses by P. S. Bonney, district forester and Walter McRaye, Canadian lecturer. All members are requested to be present. A profitable evening is assured.

S. G. Webb received the distressing news this morning that his father, who is over seventy years of age, had been seized with paralysis and was in a London nursing home where his condition was serious. Mr. Webb is awaiting further information before deciding whether or not he will proceed to the Old Country.

Walter McRaye, the lecturer is perforce spending a couple of days in the city. He was on board the Prince Charles this morning southbound from Stewart but, misunderstanding the hour of departure from here, was uptown when she pulled out. He will continue his voyage south on the Cardena tomorrow afternoon.

Motorship Bellingham, Capt. Anderson, arrived at 11.30 this morning from Ketchikan with another shipment of fresh halibut for consignment over the Canadian National Railway to the Eastern market. The vessel is discharging at the government wharf fish houses where she delivered a similar cargo on Saturday afternoon, having returned north in the meantime.

NOTICE.

B. P. O. E. No. 46. Every member is urgently requested to be present at the special meeting in the Elks' Home tonight. Important business to be settled and a record attendance is requested.

Complaint and Apology

Some two weeks ago we had a complaint—a young cook said Pacific Milk would not make good cakes, in fact the cake would not even hold together. We wrote explaining that she must allow for the extra richness of Pacific by cutting down on shortening. Yesterday morning a very happy apology came along and she says she never even hoped to get a cake like she has baked in the "new" way.

UNITED CHURCH HEARS REPORTS

Annual Congregational Meeting Last Night and Sacramental Service in Morning SIX NEW MEMBERS JOIN Financial Condition of Organization Not Affected by Special Renovation Collection

Yesterday's services at the United Church were of special interest. In the morning a large number gathered for the sacramental service at which six new members joined the church.

The evening service was congregational night when the reports of the societies for the past year were given by the past presidents and treasurers.

Ladies' Aid

In the absence of Mrs. W. A. Matheson, Mrs. W. B. Cornish reported for the Ladies' Aid and gave a splendid account of the work of that organization. They had raised \$924 and had a balance of \$40 on hand.

Mrs. Haeker reported for the Women's Missionary Society with its junior organizations of mission circle, mission band and kindergarten. A splendid interest has been shown by the members of the missionary societies. Much valuable information has been gathered about the work in other parts of Canada and the world outside.

Sunday School

Earl Barrie gave a splendid account of the Sunday school work. There are twenty teachers and officers with 180 scholars enrolled and an average attendance of 133. The finances are in good shape and nearly \$90 a year is the missionary contribution of the scholars.

Frank Vickers, the church treasurer, came up with a smile. He had feared that the spending of \$1,700 on church improvements would hurt the current church revenue. He was glad to say that the revenue was equal to that of former years and this month would see all debts paid except those of the reconditioning fund.

Membership Survey

Rev. Geo. G. Haeker gave a membership survey showing the history of the church since the early tent days. The war had scattered the members to the ends of the earth and in revising the list about five years ago the lowest level in the church's history had been reached. Since then there had been a steady growth so that today the largest membership in the church's history is reported.

New Choir Leader

Mr. Haeker paid a glowing tribute to the faithfulness of A. J. Lancaster, the organist and choir leader, who had resigned, having found the duties too heavy when added to his other work. Mr. Lancaster has been organist for many years and has rarely missed a service. J. S. Wilson has been appointed choir leader and Miss M. A. Way organist, with Cliff Cameron as assistant, so no fear need be entertained as to the future of the music of the church.

FOREST WEEK IN INTERIOR

People Were Enthusiastic and Direct Benefit Expected to Ensure

The people were interested and showed enthusiasm for the cause and there will be a direct effect in the form of reduced forest destruction in the district this season believes P. S. Bonney, district forester, who returned to the city this morning after spending "Save the Forest Week" in the interior. Public meetings were held at Terrace, Hazelton, Smithers, Telkwa and Burns Lake and a

total of 300 people attended. Mr. Bonney, who was assisted on the trip by Olof Hanson, head of the Hanson Timber & Lumber Co., addressed all the meetings and there were local chairmen and speakers who dealt with the various aspects and advantages of forest conservation. At Smithers there were 105 people at the meeting.

Chairmen and speakers at the various points, beside Mr. Bonney, were:

Terrace—R. E. Allen (chairman); Olof Hanson, speaker.

Hazelton—R. S. Sargent (chairman); R. E. Allen and Olof Hanson, speakers.

Smithers—L. B. Warner (chairman); Olof Hanson, L. S. McGill and D. D. Munro, speakers.

Telkwa—J. McNeil (chairman); J. P. Wheeler and F. B. Chettleburgh, speakers.

Burns Lake—A. M. Ruddy (chairman); Sidney Godwin, speaker.

DISTINGUISHED GUESTS GET VIEW OF "SPARROWS"

Mary Pickford's New Picture Was Seen at New York

At a banquet given in honor of Mary Pickford and Douglas Fairbanks at his home by Conde Nast, New York publisher, prior to their departure for Europe, the chief entertainment was a preview of Miss Pickford's new picture, "Sparrows," which is not to get general release until September.

Only a few persons have been permitted to see "Sparrows" prior to release. For the reason that it is considered the most appealing and gripping picture ever made by the star, the showing was greeted as a distinct privilege by the guests, who included one hundred prominent people from many different circles of endeavor. Among them were Efram Zimbalist, Jay Gould, Charles Dana Gibson, James W. Gerard, Owen Johnson, Mare Connally, Sir Robert Horn, Ralph Pulitzer, Otto H. Kahn, Theodore Dreiser, Count Orlowski, George Jean Nathan, C. V. Whitney, Mrs. William Astor Chanler, Mrs. W. K. Vanderbilt, Lucrezia Bori, Mrs. H. H. Rogers, Maxine Elliott, and Don Marquis.

TWO THOUSAND GUINEAS RACE

Newmarket Event to Take Place on April 28 with Coronach Favorite

NEWMARKET, Eng., April 24 (By Canadian Press).—The British sporting public this month is feeling the lack of an outstanding candidate for the first of the season's great classics for three-year-olds, the Two Thousand Guineas, to be run at Newmarket on April 28, for the 117th time. The condition is not strange. It has, indeed, been practically the general rule since the curtailment of turf activities during the war.

The champion two-year-old, and favorite for this year's Derby, is Lord Woolavington's Coronach, by Hurry On-Wet Kiss. He at least will be among the strongest competitors for Guineas honors. He was never defeated last season until he met Sir Abe Bailey's Lex in the Middle Park Stakes at Newmarket last October, when Lex defeated him by a neck in the six-furlong race.

Easy Victory

Coronach came through the winter in good shape, as was evidenced by his easy victory in the Column Produce Stakes at Newmarket on April 14. His greatest opposition in the opinion of turf followers, will come from Sir Abe Bailey's Lex, who is by Lemberg-Excellita; from Sir George Bullough's Harpagon, by Pomern-Harpoon, and Lord Derby's Colofado, by Phalaris-Canyon.

Harpagon, winner of the important Craven Stakes here on April 15, is considered a promising "outsider" in the classics. He ran only one race as a two-year-old, and he won it by a length. It was the maiden two-year-old stakes at Newmarket in October. Lord Woolavington has a second strong candidate for the Two Thousand Guineas in Friar Wile, winner of the Greenham Plate at Newbury this month.

Out of the Two Thousand Guineas and the One Thousand on April 30, will come the leading contestants for the Derby. H. E. Morris' Manna, by Phalaris-Waffles, won both the great classics last year. In fact, since the Two Thousand Guineas was instituted in 1809, thirteen giants of the turf have won all three classics, the Two Thousand, Derby, and St. Leger. These were West Australian, Gladiator, Lord Lyon, Ormonde, Common, Isinglass, Galtee More, 1897, Flying Fox, 1899, Diamond Jubilee, 1900, Rock Sand, 1903, Pomern, 1915, Gay Crusader, 1917, and Gainsborough, 1918.

The Two Thousand Guineas is over the Rowley Mile, compared with the mile and a half Derby course. It is for colts and fillies, while the One Thousand Guineas is for three-year-old fillies only. The monetary reward for the winner of the Two Thousand will be approximately ten thousand pounds, and for the One Thousand Guineas about eight thousand pounds.

Aloysia Favorite

The race for the One Thousand Guineas, one of the two classics for three-year-old fillies only (the other is the Oaks at Epsom) is even more open than for the Two Thousand. In the betting, perhaps the most prominent candidate will be His Majesty's Aloysia, who is rated among the 25 best two-year-olds of last season. Going on last season's form, the best fillies entered in the One Thousand appear to be the Aza Khan's Moti Mahal, by The Tetrarch-Maglona, Aloysia, who is by Lemberg out of Ver-

SPORT CHAT

The Golf and Country Club of Brantford, Ontario, is initiating a tournament for whist and bridge on a large scale to be held on the club premises, May 27, 28 and 29. Invitations have been extended to several British players and it is hoped that a representation from the Motherland will be able to participate. Already large promises of support are forthcoming from the United States and Sidney Lenz the Knickerbocker Club player from New York, has promised to skipper an American team in two international matches—one for whist and another for duplicate auction bridge against teams representing Canada and Great Britain. These two events will be the chief attractions of what may become an annual event.

The Prince Rupert Football Association is interesting itself more than ever this year in the organization of the intermediates and juniors and the executive is to be congratulated on sponsoring the movement. It is to be hoped that the sporting public will lend its support and show its interest by attending the season's games. It should be remembered that, after all, the development of clean athletics among the younger element of the city is really more important than among older players. All who are connected with the movement in any way are doing a real public service and are to be encouraged. The organization meeting for the intermediate and junior leagues is called for April 30, and if all those who should be interested turn out there will be a large attendance.

ATHLETICS FOR WOMEN ENCOURAGED IN QUEBEC

MONTREAL, April 26. — The organization of the province of Quebec branch of the Women's Athletic Federation of Canada, took place at the Royal Victoria College recently. "This means that women will be in charge of women's athletics, and they are better able to judge what other women are capable of than men," asserted Miss E. M. Cartwright. "Women coaches will replace men and there will be less exploiting of women's teams by men, coaches and managers. In short it affords a protection for the woman athlete which she had previously been denied. It has already had the effect of giving physical instructresses the status of non-competing amateurs in all organized sports. This gives them the same standing as the men who occupy similar positions. Hitherto, the woman teacher of gymnastics was regarded as a professional," Miss Cartwright said.

NAVY HOSTS TO SERVICE MEN

Members of Regiment and Mounted Police and Ladies Guest at Dance

Officers and men of the 1st Royal Canadian Mounted Police were the guests of the Royal Canadian Naval Volunteer Reserve at a delightful service dance held in the L.O.D.E. Hall on Saturday night. The commanding officer, Lieut. R. P. Pender, in welcoming the guests, explained that the gathering was in commemoration of St. George's Day, 1918 (Zeebrugge) but that it had been impossible to secure either hall or orchestra for April 23 so the next day was chosen as being the most suitable.

The hall was splendidly decorated with naval flags and pictures, particular attention being attracted to two pictures of the Jutland Battle painted by Leading Seaman Howe (R.C.N.V.R.) who also proved a very capable M.C.

Refreshments were served about 11 p.m. Fully 100 people were present and the service uniform of the soldiers, scarlet coats of the R.C.M.P. and the navy blue made a wonderful showing which was much enhanced by the dresses of the ladies.

The dance was brought to a fitting close at "eight bells" by the singing of the National Anthem, after which Colonel Nichols, officer commanding 1st N.B.C. Regiment, called for three cheers for the navy which were heartily given. The dance was a great success and the R.C.N.V.R. certainly proved themselves splendid hosts.

The committee responsible for the success of the evening comprised Chief Petty Officer Kench, Leading Seaman Howe, and Seamen Saunders, Coombs and H. MacDonald.

ODDFELLOWS ATTEND DIVINE SERVICE AT SALVATION CITADEL

About forty members of the Oddfellows and Rebekahs attended service last night at the Salvation Army citadel. Captain Rea preached, his subject being the three links of the order, friendship, love and truth, his address proving very interesting and instructive, especially to members of the order.

Mrs. James Mastin, who accompanied throughout the service, sang a solo, which was much appreciated.

Dated at Prince Rupert, B.C., this 6th day of April, 1926.

NORMAN A. WATT,
Registrar of Voters for the Prince Rupert and Mackenzie Electoral Districts.

IN PROBATE.

In the Supreme Court of British Columbia. In the Matter of the Administration Act.

In the Matter of the Estate of Albert Rowles, Deceased, Intestate.

TAKE NOTICE that by order of His Honour, E. McR. Young, the 19th day of April, A.D. 1926, I was appointed Administrator of the estate of Albert Rowles, deceased, and all parties having claims against the said estate are hereby required to furnish same, properly verified, to me on or before the 20th day of May, A.D. 1926, and all parties indebted to the said estate are required to pay the amount of their indebtedness to me forthwith.

NORMAN A. WATT,
Official Administrator.
Prince Rupert, B.C.
Dated the 20th day of April, A.D. 1926.

Does That Cough Stick On Your Lungs?

Mr. Islay MacNab, Boggor, Ont., writes:—"I was troubled with a terrible cough that I could not get rid of, and my doctor told me that I had a slight touch of bronchitis. Nothing I took seemed to give me any relief until I got a bottle of

Dr. Wood's Norway Pine Syrup

I got such relief by using it that I would advise all those who are subject to bad colds or coughs to keep a bottle of this remedy in their homes all the time."

You don't experiment when you buy "Dr. Wood's" as it has been a household remedy for the past 37 years.

TO ELIMINATE BLIND BEGGARS

City of Hull Will Increase Penalties But Not Allow Them to Beg

LONDON, April 26.—The city council of Hull is inaugurating next month a striking scheme for the removal of blind beggars from the streets. Whatever pension or allowance these modern successors of Bartimeus already enjoy will be increased to 25 shillings weekly; those having no present allowance will be paid 25 shillings. The scheme will cost between 5,000 and 6,000 pounds and will be paid for out of local taxes. The Corporation already gives free tram rides to blind people and old age pensioners. The Hull magistrates announce that, following the inauguration of this scheme, any blind beggars who come before the Bench will be dealt with severely.

RING AWARDED TO THE WOMAN

Interesting Breach of Promise Case Followed by Dispute Over Magis Circle

MONTREAL, April 26. — The Gazette says editorially:

A question of universal importance and significance to all who embark on the currents of matrimonial stipulations has been decided by a considered judgment of Mr. Justice McCardie in the King's Bench Division of the High Court of Justice in London. The issue arose out of an action for breach of promise of marriage. A jury had awarded the young woman plaintiff damages, but there remained for the judge to decide the merits of a counter-action in which the young man sought to recover possession of the engagement ring.

In this instance, as it was the young man who refused to carry out the engagement, the ring was awarded to the woman, whose case, it is interesting to observe, was successfully pleaded by a woman barrister. The learned judgment brought several interesting points to light. Before the Reformation, no action for breach of promise could be maintained, for marriage was a matter of spiritual jurisdiction and the Church had the power to order specific performance of a promise to marry. It was not until the middle of the 17th century that marriage was recognized by the English law as a temporal benefit and a breach of promise of marriage as cognizable by the temporal courts.

COUPLE WELL KNOWN HERE ARE ENGAGED

Wedding of Miss Marjory Johnson, R.N., and David Jay Will Take Place Next Month

Capt. and Mrs. P. H. Johnson of Fulton Street, West Vancouver, have announced the engagement of their second daughter, Miss Marjory Helen Johnson, R.N., to David A. Jay of Monterey, Mexico, son of Mr. and Mrs. J. E. Jay, 1227 25th Avenue, Vancouver. The wedding will take place in the south early in May. The bride elect was formerly a member of the graduate nursing staff of the Prince Rupert General Hospital while Mr. Jay was for several years on the local staff of the Bank of Montreal.

CANADIAN NATIONAL CHARTERS LILLEHORN

Motorship Will Be Used in General Freighting From Vancouver to Prince Rupert and Islands

The motorship Lillehorn, which was brought to this coast from the Old Country about six months ago by B. L. Johnson-Walton Co. Ltd., has now been chartered direct to the Canadian National Coast Steamships and will be used in general freighting along the coast during the coming season. The vessel is now having her engines overhauled in Vancouver preparatory to entering the C.N.R. service. Her first voyage will be to the Queen Charlotte Islands with cannery supplies and it is expected she will also make Prince Rupert. The Lillehorn is diesel powered, is about 200 feet long and has a carrying capacity of 1,450 tons. Capt. Dan McKinnon of the Canadian National Coast Steamships is her master.

FRANTIC S.O.S. FOR DIAMOND RING BRINGS RESPONSE FROM AGENT

MONTREAL, April 26.—Per-spiration pouring down his face and his eyes bulging in his head with anxiety, a citizen of Valleyfield burst in on W. J. Cullen, station master of the Windsor station one day lately with a sad tale of woe. He had lost a diamond and platinum engagement ring, which his young lady had entrusted to him for the purpose of having her name engraved on it. He had been very nervous about it on the run up in the train, and there was not a single pocket in his clothes that it had not rested in during the journey, according to his friend. Finally, it found what he thought was a

full strength full flavor
—besides which it gives you that rare refreshing feeling that comes only from drinking the finest tea blends. Thousands of your friends and neighbors are using MALKIN'S BEST TEA regularly. There must be good reason for this. There is! People don't drink a certain brand of tea because they like some other brand better.

safe lodging place in his hip pocket. Alas, when he alighted it wasn't there. Hence the frantic S.O.S. Within half an hour the ring was found and the station master came within an inch of an embrace.

But the rain came down with a steady pour,
So I took my swim right here.

THE man was as great a hero
As you or any other
Because for years he lived

SOME of the Prince Rupert girls who are now residing temporarily at interior points are developing wild tendencies, it is reported. They now drive motor cars and occasionally overload the front seats and then frighten the daylight out of the boys they ride with.

And had the time to wed
I'd surely choose a Rupert girl
Who would sometimes lose her head.

Ten Years Ago in Prince Rupert

April 26, 1916. — The Carnival of the Allies, which closed last night with a dance for which the music was provided by the Mellakalla Band assisted by Charles Balagno, H. A. Harvey and J. L. Lee, realized \$3,055. The event was in progress at the Exhibition Hall for two days.

The city council, Board of Trade and local fisheries organizations have decided to take their grievances with respect to fishery administration direct to Ottawa. Abolition of boat rating, use of gas boats in salmon fishing, etc. are among the demands made.

FILING RETURNS FOR TAXATION ON INCOME

Those Earning Wages or Salaries Under Exemptive Total are not Required to Report

Under the amendments to the Income Tax Act, single persons earning less than \$1,500 per year in wages or salaries and married persons, unless husband and wife are both working, earning less than \$3,000 are not required to make returns. It is necessary, however, for married men earning in excess of \$3,000 to file returns whether or not they might be exempted by dependent children.

CHARGE AGAINST MAN ARRESTED IN CITY IS DISMISSED

After considerable delay because the informant was ill in a New Westminster Hospital and unable to appear in court, Eaton B. Parker, colored, who was arrested several weeks ago in this city, was dismissed in the Vancouver police court on a charge of obtaining money by false pretences. Alkhuo, an East Indian, the informant in the case, claimed that Parker had obtained \$85 from him by false pretences in connection with the purchase of a rooming house in Vancouver. Magistrate Shaw declared that the case was one which should have been handled in the civil courts.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emption must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 19, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, cowboys and travellers, up to ten head.

UMBRELLAS

Many have expressed delight at being able to purchase an Umbrella knowing that they are getting as good value as they would in any other place in Canada; also in having an assortment to choose from equal to any in the large centres.

Optical Department

Eyes examined, Vision tested, Glasses fitted by a registered optometrist. All lenses are ground by an experienced operator, exactly to prescription and carefully inspected. This expert optical service may be had at very reasonable prices.
