CONSERVATIVE GOVERNMENT IS DEFEATED

\$15,000 APPROPRIATION PROPOSED FOR MOSQUITO FLEET ACCOMODATION

Meighen Administration is Defeated on Resolution as to Constitutional Rights

Fourteen Progressives voted with Liberals in early morning division--dissolution announced today

OTTAWA, July 2.—Following the defeat on Wednesday night by a division of 108 to 104 of a want of confidence motion on the Conservative tariff policy introduced for former Premier King, the Meighen government, after being only three days in office was defeated early this morning in the House of Commons by 96 to 95 on a motion in which the constitution of Canada was the issue. The vote was attended with wild scenes unprecedented in the history of the House of Commons.

JAPANESE VESSEL RUNS ASHORE IN ALEUTIAN GROUP

BREMERTON, July 2.—The Japanese steamer Reijo struck a hidden rock near Amaknek Island in the Aleutian group, according to a message received by radio by the naval department yesterday.

Dr. S. F. Tolmie of Victoria and Robert Rogers of Winnipeg are understood to be cabinet possibilities.

Meighen's Statement
In his official statement announcing the dissolution of Parliament, Premier Meighen said: "It is now my duty to complete the organization of the present cabinet after which the date of the election will be officially announced. Allowing for forty-five days that must elapse, the election cannot be held before August 17."

Ex-Premier King, in a statement this evening, said in part: "This morning dissolution was obtained by a defeated ministry which, by resolution, the House decided never had the right to exist. On Monday, dissolution was denied a ministry which had yet to meet a single defeat in Parliament in a period of over five and a half years. In these circumstances, the issue above all others now before the people is whether or not the government of Canada is to be carried on in accordance with the expressed will of the people's representatives in Canada under the system of responsible self-government."

GOVERNMENT IS SUSTAINED

LONDON, July 2.—A Labor motion, equivalent to a vote of censure on the Baldwin government for its handling of the coal strike situation, was defeated in the House of Commons today by a vote of 256 to 95.

Wallace Gaines Goes on Trial in Seattle for Murder of His Daughter; Political Interest

SEATTLE, July 2.—Wallace C. Gaines, accused of murdering his daughter, Sylvia, two weeks ago on the shore of Green Lake, will face trial here this afternoon. Robert McFarlane, Gaines' attorney, said that a plea of not guilty would be entered when the accused was formally arraigned. Prosecutor Colvin said that he would not oppose early trial, but in no event would it be possible to obtain a jury before August.

Political agitation over the case is said to have been greatly intensified following the announcement of Otis Brinker, former judge of King County Superior Court, that he would seek the Republican nomination for prosecutor in the September primary. "It has been forcibly brought to my attention, especially because of recent deplorable events, that there is need for a man as prosecuting attorney who will act fearlessly and promptly at every emergency," Brinker said. Chas. Tennant, chief of detectives of the Seattle police force, and Archie Huchison, protégé of Matt Starwick, King County sheriff, are also candidates.

Provision for New Cow Bay Floats is Made in Estimate Before House

OTTAWA, July 2.—Supplementary estimates tabled in the House of Commons include \$15,000 to start the work of providing new accommodation for the fishing fleet at Cow Bay in Prince Rupert as agreed upon by the federal and provincial governments and the City of Prince Rupert. The passage of this vote will enable the department of public works to proceed with the work for which plans have already been made by the district engineer.

Lieut. Reece Makes Forced Landing in Dixon Entrance with Engine of Plane Afire

Ship is Wrecked on Rough Shore of Lucy Island After Aviator Has Thrilling Adventure Battling Against Elements for Safety.

His plane a wreck on Lucy Island in Dixon's Entrance where he was compelled to make a forced landing last Friday morning with his engine in flames, Lieut. J. A. Reece, who was on his way to the Consolidated Whaling Corporation's station on Queen Charlotte Islands to prospect for whales, reached the city on Thursday by gasboat after having been marooned for the past six days. Exhausted from his experiences, Lieut. Reece on being interviewed naturally deplored the accident but admitted that he was lucky to get away with his life. Had the mishap to his plane occurred ten minutes later than it did he would probably never have been rescued and quite possibly would never have been heard of again.

His plane heavily laden, Lieut. Reece with some difficulty hopped off from Digby Island last Friday morning at about 9.15, bound for Naden Harbor. About fifteen minutes out the connecting rod of the engine broke and punched a hole in the crank case, the engine bursting into flames. A forced landing was immediately made south of Triple Island on a sea foot waves with a strong northwest wind. Lieut. Reece dipped his great coat and smothered the flames on the engine and thus extinguished the fire. For five hours, clinging to the unions of the plane to which he had lashed himself with waves dashing completely over him, Lieut. Reece paddled and managed to keep the plane off the rocks. Smoke flares brought the assistance of Ernest Maynard, Lucy Island lighthouse keeper, as the plane drifted by that island. The plane, after considerable difficulty, was towed to shore where, two days later, with the wind veering into the southeast, it was wrecked in the gale. Efforts had been made during the two days to move the plane to a more suitable mooring place but with only the small boat of the lighthouse keeper available it was impossible to do so in the face of the storm. Lieut. Reece stayed aboard the plane all this time, having finally to swim ashore when it was dashed on the rocks.

Old Age and Active Minds.

Of the 1,650 persons who were distinguished enough to get into the English Dictionary of National Biography, compiled by Sir Sidney Lee, the average life was seventy. Four lived to be over one hundred, and nearly four hundred lived to be over eighty. The good may die young, but the wise live to a ripe old age. Why is this? It may be argued that the chances of distinguishing oneself are greater the longer one lives. Publicity is cumulative, and more can be accomplished in fifty years of active life than in twenty. It is best to believe, however, that an active brain has a tonic effect on the nervous system, and on the circulation of the blood. When the mind closes the body withers. Observe the old chaps. Their lease on life is perfectly shocking. A gay spirit, the fruit of an active mind, appears to be the source of their longevity.

Immigration is Doubled.

Against the cry of lost and vanishing population, part of the parrot-like platform patter of those politicians whose desperate scramble for party advantage blinds them to fact, may be set the immigration figures for the first three months of the present year. Here they are:

	1925	1926
British	4,358	6,626
United States	2,729	3,790
Other countries	3,705	12,133
Total	10,972	21,949

Returned Canadians..... 6,458 13,692

These statistics of new arrivals during the first quarter of 1926 show an increase over the corresponding three months of 1925 in respect of the British and American influx of 38 per cent in each case; an increase of 277 per cent in respect of those from other countries; and an advance of 112 per cent in the number of Canadians returning from the United States after a period of not less than six months there.

It is to be noted that during last year, the first year of the three-thousand family settlement scheme arranged by Hon. Mr. Robb with the British Government, 492 families arrived. Up to the middle of last month the number of families that had arrived since January of this year amounted to 708, bringing the total to that date up to 1,200. A further 490 families have been accepted for settlement this year, which will bring the total up of 1,692, aggregating 8,981 persons. For the most part, incidentally, the heads of these families are experienced in agriculture and in practically every instance they have enough capital to get a fair start, with, of course, some accommodation from the Land Settlement Board.

From States To Canada.

Immigrants are also taking advantage of the low fares that went into effect last January, and there is reason to believe that when the figures for the first half of this year have been compiled they will show a substantial increase in the movement of homeseekers over that of 1925. Land sales in the West already indicate expanding activities on the part of farmers now established. Particularly is this noticeable among those farmers who have come to Canada from the United States, while figures of homestead entries in the first six months of this year are much greater than the averages of the last few years.

There is also to be added on to this encouraging outlook the fact that the farmers of Western Canada have started upon the new season under the most favorable conditions. Their optimism, moreover, is reflected in the exceedingly active demand for farm equipment. This is not only good news for the Dominion as a whole; it promises additional business for British Columbia.—Victoria Times.

WOMEN ENJOY FINE ADDRESS

Prof. W. C. Keirstead of New Brunswick Spoke Before Canadian Club on Wednesday Afternoon

Members and guests of the Women's Canadian Club had the pleasure on Wednesday afternoon of listening to Professor W. C. Keirstead, of the University of New Brunswick, who gave a very inspiring address taking for his subject "The Advantages and Dangers of Provincialism or Sectionalism in Canada."

Professor Keirstead, who is a fluent and able speaker, has been lecturing to Canadian Clubs throughout Canada for the last five weeks under the auspices of the Association of Canadian Clubs. The Women's Canadian Club in Prince Rupert is indebted to the Association for arranging Professor Keirstead's itinerary to include this city. There was a very good attendance with the President, Mrs. McMorde, in the chair, with a few well chosen remarks, she introduced the speaker.

At the close of the lecture Mrs. W. S. Fisher moved a vote of thanks to Professor Keirstead, which was seconded by Mrs. T. Andrew. During the afternoon Mrs. Kenny rendered very charmingly a pianoforte solo entitled "Rustle of Spring" and also accompanied for the singing of "O Canada" and "The National Anthem."

"THE FOOL," CROWDED WITH ENTERTAINMENT, IS VIVIDLY THRILLING

Great Cast Receives Wonderful Direction in Picturization of Channing Pollock's Big Stage Hit.

The much heralded screen version of Channing Pollock's greatest stage play, "The Fool," comes to the Westholm Theatre tonight and tomorrow.

Produced by the Fox Company and with a year spent in its making, this film adaptation of "The Fool" is rated as one of the finest pictures of the season by critics and public alike who have seen it.

"The Fool" is the story of the adventures and romance of a young minister who believed that he could live like Christ in the twentieth century. It has been ranked as one of the greatest plays ever written for stage or screen, not only because of the significant moral message it contains, but also for the sheer thrill and entertainment of its melodramatic action and climaxes.

All of the leading members of the cast were especially selected, and Edmund Lowe, handsome young Fox screen star, scores the greatest success of his meteoric career in the role of the hero minister, Daniel Gilchrist. Another big part, one which Lowell Sherman made fame in on the stage, is that of Jerry, played by Ray Bloomer in the Fox screen version. Brenda Bond, a new and pretty face in motion pictures, but well known on the stage, has the role of Clare. Others among the leading members of the supporting cast are: Anne Dale, Riley Hatch, Mary Thurman, George Lessey and A. J. Herbert.

LIEUT. REECE MAKES FORCED LANDING IN DIXON ENTRANCE WITH ENGINE OF PLANE AFIRE.

(Continued from Page One).

Lieut. Reece and Mr. Maynard then proceeded to dismantle the machine and stowed the wings, fuselage and engine on shore. The pontoons were badly damaged. The powerboat Wigwag, Capt. Claude Ketchum, was sent to the rescue by Jarvis McLeod, collector of customs, and brought Lieut. Reece to the city yesterday morning.

It was fortunate, said Lieut. Reece, that the accident to the engine occurred when he was flying at an altitude of only 100 feet. On hearing the explosion, he immediately switched off the engine and glided down to the water, making a perfect landing in spite of the rough sea. He had his fire extinguished almost before he landed, but it was smothering the engine with the water-soaked great coat that put out the flames before the fire reached the oil tanks. Mrs. R. W. Cameron and daughter, Polema, have returned to the city to resume their residence here.

Ald. and Mrs. W. M. Brown and family returned to the city after a vacation trip to Vancouver and Victoria.

Mrs. Alonzo Haines and family have left for Toronto where they will spend a couple of months on a holiday visit.

Sergeant Jehson of the Royal Canadian Mounted Police was a passenger aboard the Princess Alice this afternoon for Skagway, Alaska, accompanying a shipment of liquor.

The fish packer Narbelbong, Capt. Bert Wearmouth, was taken up on the pontoons at the dry dock this morning for cleaning and painting. A new rudder shoe will also be fixed and the propeller and rudder straightened.

Stanley Moran, captain of the local baseball team, accompanied by Geo. Tite, Jr., and W. Mitchell were passengers sailing for Ketchikan on the Princess Alice this afternoon. The balance of the local team will go north by gasboat for the Fourth of July series at Ketchikan.

Making her first trip of the season, C.P.R. steamer Princess Alice, Capt. Thomas Clift, arrived in port at 12:15 p.m. enroute to Skagway, Alaska, having aboard 215 round-trip passengers. The boat sailed for the north at 2 p.m. Passengers embarking here for Ketchikan included Stan Moran, Geo. Tite, Jr., W. Mitchell and Sergeant Jehson for Skagway.

Ralph Gillies, young son of Mr. and Mrs. A. D. Gillies, 225 Sixth Avenue East, was run over on Wednesday evening by an automobile driven by George Derrington. The lad was immediately taken to the hospital where an x-ray examination showed that no bones had been broken although he had received bruises and scratches and was suffering from shock.

BISLEY SHOOT OPENS MONDAY

Canada is Again Well Represented at Great Marksmanship Event

LONDON, July 2.—(Canadian Press)—The great Bisley meeting, to which the whole British Empire looks forward with increasing interest from year to year and in which Canada is always well represented by clever rifle shots, will open next Monday, and continue to Saturday, July 17. Major C. R. Crowe, of Guelph, Ont., veteran marksman who has distinguished himself at Bisley on many occasions, is the commandant of the Canadian team this year, and on the team is Lieut. Desmond Burke, of Ottawa, who in 1924 was the winner of the blue ribbon event of the annual Bisley shoot, the King's Prize. He was only 19 years of age then and was the youngest King's Prize winner in Bisley history.

The King's Prize is emblematic of the best rifle shot in the British Empire. It is always competed for towards the end of the two week's shoot, the final stage taking place on the last day of the meeting. Lieut. Burke, who was a private in the Governor-General's Foot Guards at the time he won the coveted King's Gold Medal, won prize money at Bisley that year amounting to nearly \$2,500. This sum was added to by presentations made to him on his return to Ottawa by his proud fellow citizens, the grand total amounting to \$5,000. With this money he began his university course at Queen's, Kingston, where on May 3 last he was awarded the Sanford Fleming Scholarship (first year) in Science. This will be Lieut. Burke's third year in succession as a member of the Canadian team at Bisley.

Canada's Representatives

Following is the personnel of the team that represents Canada at Bisley this year:

Major C. R. Crowe, Guelph, Ont., commandant; Major R. O. Wheatley, M.C., Ottawa, team adjutant; Sergt. G. M. Elmstie, Toronto; Lieut. A. T. Steele, Guelph; Corporal H. W. Burton, Esquimaux, B.C.; Major F. L. Johnson, Ottawa; Gunnery E. Regan, Victoria, B.C.; Sergt. J. Borland, Toronto; Captain G. M. Galbraith, London, Ont.; C. G. M. S. A. Parnell, Montreal; Pte. A. Houlden, Hamilton, Ont.; Major F. Richardson, Victoria, B.C.; Sergt. K. McGregor, Ottawa; Lieut. James Boa, Montreal; Sergt.-Major E. J. Read, Esquimaux, B.C.; Sergt. D. Fyvie, Victoria, B.C.; Sergt.-Major H. Russell, Montreal; Major R. N. Blair, Victoria, B.C.; Lieut.-Col. T. Pugh, Ottawa and Lieut. Desmond Burke, Ottawa.

The Canadian team of 1925 distinguished itself by winning the Kolapore Challenge Cup, the team representing Great Britain being second in the competition and the team from India third. In recognition of this signal victory the members of the winning team were individually presented with gold elephants, emblematic of the Kolapore Cup, the presentation being made by Major-Gen. J. H. McBrien, chief of the general staff, Ottawa, at the annual meeting of the Dominion of Canada Rifle Association in Ottawa on April 8, 1926.

Lord Chylesmore, President of the National Rifle Association, under whose auspices the annual Bisley meetings are held, was fatally injured in an automobile accident as he was returning to London from Bisley Camp at the conclusion of the annual shoot last year. Earl Jellicoe succeeded him as head of the Association.

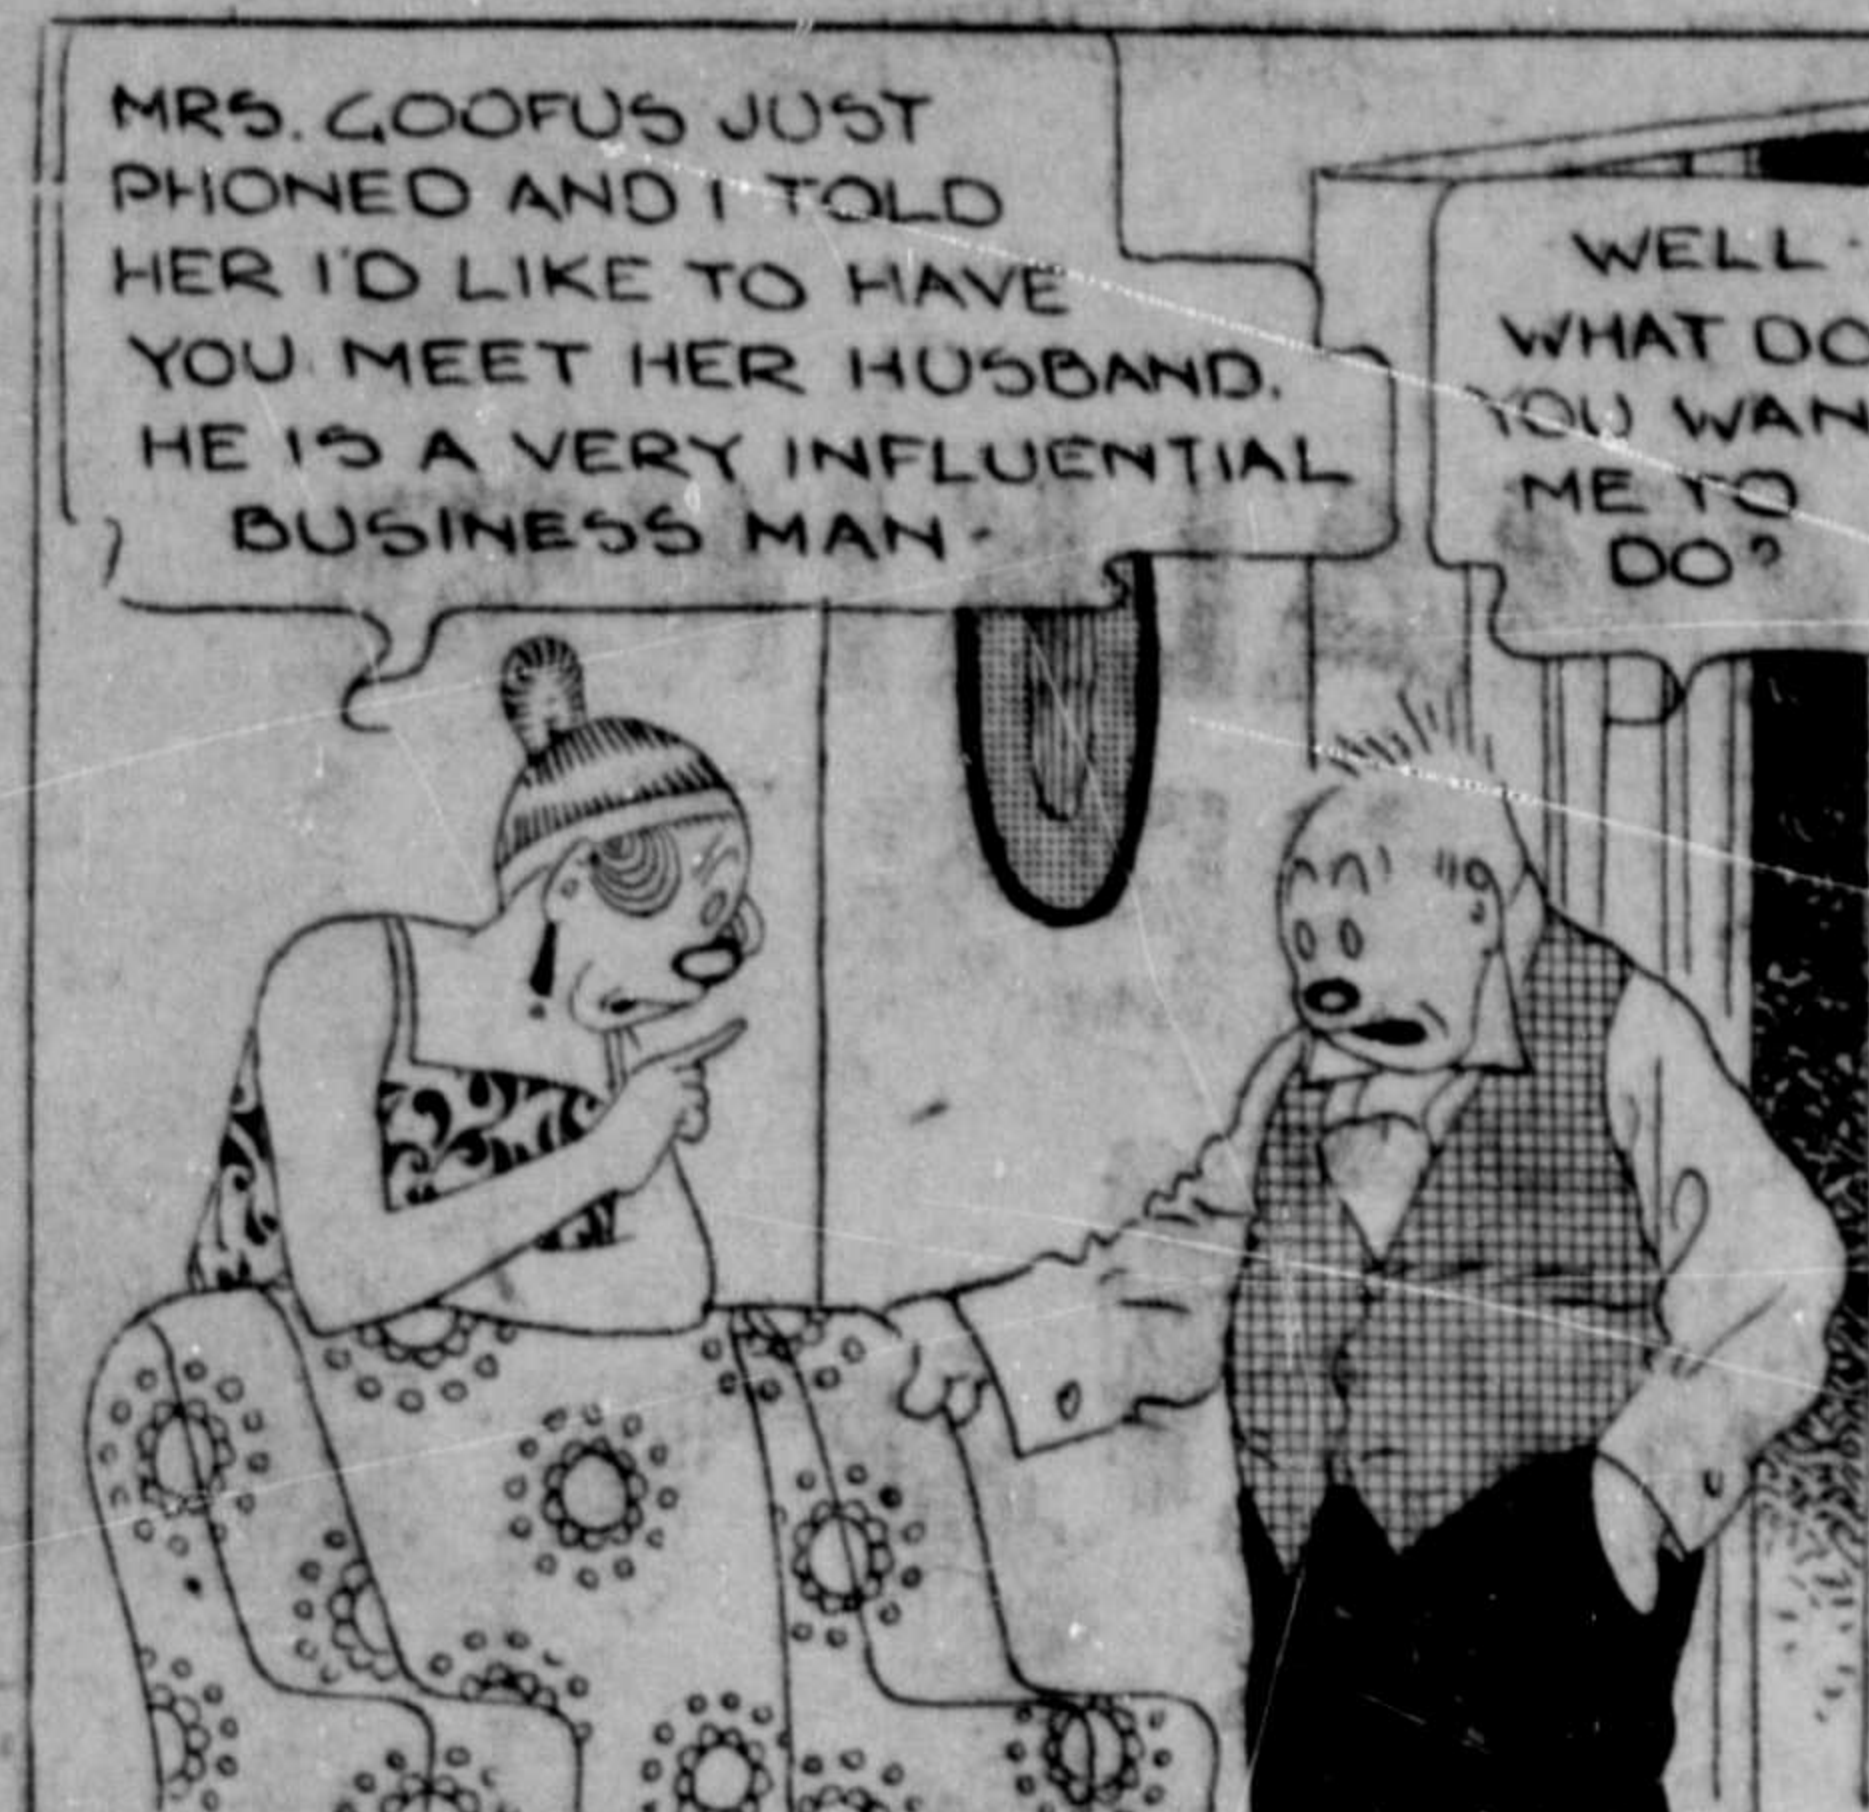

Changes in Competitions

Several changes in the Bisley competitions have been made since last July, particularly important being the change in the second stage of the competition for the King's Prize.

In the second stage of the shoot for the King's Prize this year, instead of there being only two distances, 300 and 600 yards, 10 shots at each, as heretofore, there will be an additional 500 yard range. The shoot in the second stage therefore will be in this order: 10 shots each at 300, 500, and 600 yards.

In the shoot for the Daily Graphic Cup this year there will be but one range, 300 yards, 10 shots, instead of two ranges, 200 and 300 yards, seven shots at

each, as has been the case in past years.

In the Graphic Cup competition, instead of there being two ranges, 300 and 500 yards, seven shots at each, as heretofore, there will be only one range, 500 yards, ten shots.

In the first or qualifying stage of the St. George's Challenge Vase competition, instead of 15 shots at 300 yards, there will be 10 shots at 300 and 600 yards.

In addition to the regular Bisley program of previous years there will be a challenge cup presented by the Morning Post for competition by teams of four marksmen each, representing the British Dominions, Colonies and Protectorates. The Morning Post hopes in this way to encourage rifle shooting in all the overseas parts of the Empire.

FEEDING FISH ON FIREWORKS

Bootleg Gunpowder and Alcohol is Diet in New York Waters.

NEW YORK, July 2.—Bootleg gunpowder and alcohol have become staples in the diet of fish in New York waters as the result of restrictive laws.

Officers of the fire prevention bureau of New York and Brooklyn have added gunpowder to the diet of the fish. Prohibition agents provide the alcohol.

The gunpowder is contained in fireworks, sale and display of which is banned by ordinances. Several boatloads of "bootleg" fireworks, which were to be used in coming Fourth of July celebrations, have already been deposited in the larders of the fish.

Two young boys, charged with hoarding sacks from the La Casse Bakery, were committed for trial before Judge Young.

Two young boys, charged with hoarding sacks from the La Casse Bakery, were committed for trial before Judge Young.

"We've already got rid of several boat loads of fireworks in this fashion," said John F. Dixon, inspector of the New York Fire Prevention Bureau, as a fire boat laden with Catherine wheels, roman candles, giant crackers and sky-rockets steamed down the Hudson. "When they get down river a bit they'll leave that junk overboard. There won't be so many fires on the fourth then."

"Prior to the passing of ordinances prohibiting sale of fireworks we used to double our fire fighting forces on the fourth. Now the usual number of fire ladders is loaf that day," said Peter C. Spence, chief of the bureau.

"It is a profitable business, this 'bootlegging' of fireworks. This is the time when some merchants stock up. Last year we visited 2,150 stores. In 203 of them we seized contraband fireworks. All that we seized we fed to the fish."

Fatal Mixture

In human history the mixing of of gunpowder and alcohol has brought about wars, rebellions and mutinies, but Joseph A. McCabe, inspector of the Brooklyn bureau, evinced no fear of the effect of these rations on the fish as he helped direct the dumping of the combustibles into the Hudson.

"Last year we seized fireworks in 346 stores," he said. "All we seized was dumped into the rivers. If the fish eat it they will do less damage than human beings would. The casualties of the Fourth have been reduced to nearly nothing by prohibiting fireworks. Only four permits have been issued in New York and Brooklyn for the sale of fireworks, and these are for use outside New York and Brooklyn.

"Storekeepers have been warned, and we warned them again a few days ago. The little stores are the chief offenders, especially cigar stores. If we catch them selling or displaying for sale fire-

Dominion Day is Celebrated with Big Program of Sports; Splendid Weather Conditions

Dominion Day in Prince Rupert was celebrated in a grand and glorious manner yesterday. The sun shone with regal splendor and every man and his wife were out at an early hour to take full advantage of the day's festivities. While there were a few isolated fishing and picnic parties, the majority of the citizens stayed in the city to participate in and enjoy the excellent entertainment offered by the Native Sons of Canada, and no one was disappointed. The big program of entertainment at Acropolis Hill, which extended from 9:30 a.m. yesterday morning until the early hours of this morning, went off without a hitch and reflected credit upon the organizers.

At an early hour the Boys' Band, under bandmaster Wilson, were astir and their melodies heralded the beginning of a perfect day. Promptly at 9:30 a.m. the kiddies were marshalled in marching formation and, headed by the Boys' Band, proceeded to the exhibition grounds where candies were distributed to them with a lavish hand. Immediately after the distribution of candy the youngsters participated in sixteen sporting events, all of which were keenly contested before a good crowd of parents and friends of the young athletes.

The junior football match between the young Sons of Canada and the young sons of England and Scotland was the next item of interest. It resulted in a tie score 2-2. The nature of the game may be judged from the score and the crowd on hand was treated to many thrills. Gordon Viereck scored two goals for England and Scotland while Bronson Hunt was the hero for the team representing Canada. George Waugh acted as referee.

The baseball game between Ketchikan and Prince Rupert in the afternoon resulted in a score of 18-5 in favor of the visitors.

The Drill Team
One of the pleasing features of the day's entertainment was the performance of the Prince Rupert High School Girls' drill team, under the leadership of Alex Mitchell. The team performed in the afternoon.

KETCHIKAN WINS BASEBALL GAMES

Outclassed Locals in Dominion Day Cup Series—Scores, 18 to 5 and 9 to nil

Heavy hitting and superior fielding gave Ketchikan two easy victories over Prince Rupert in the Dominion Day baseball series. The afternoon game, a loose affair, resulted in a score of 18 to 5 and the evening game, which was much better in play, ended in a 9-0 shut-out against the locals. The Prince Rupert team in both games was clearly outclassed. Sluggers at the bat, the visitors played air tight ball in the field.

Stickney was the first pitcher for Prince Rupert in the afternoon but he was jerked in the third inning after the visitors had touched him for a number of hits, including a three bagger and a home run, and five runs. Oliver Haveland was then placed in the box but he was unable to stop the sluggers from the north. While the local pitchers were easily found by the visiting batsmen, they were given weak support by the field where there were many errors. The batting of the visitors would have won the game in spite of this for they poked out no less than three home runs and were continually hitting the rock pile on the near side for two-baggers. H. L. Wombles pitched the first game for the visitors but it was the support of his field that stopped the locals more than the pitcher's work. There were a number of double plays.

The teams were as follows: Ketchikan—Les Arnold, rf.; A. F. Ellensburg, cf.; R. Harris, ss.; L. R. Stewart, cf.; C. Mitchell, c.; William Wall, 2b.; F. H. Kuble, 1b.; J. F. Bennett, 3b.; H. L. Wombles, p.

Prince Rupert—S. Moran, ss.; Perry, rf.; W. Mitchell, cf.; D. Balfour, c.; O. Haveland, 3b.; W. Lambie, 1b.; V. Menzies, 1b.; J. Farquhar, 2b.; W. Stickney, p.

Score by innings:
1 2 3 4 5 6 7 8 9
Ketchikan 0 1 5 0 4 2 1 2 3—18
P. R. 0 0 2 0 0 0 3 0 0—5

Evening Game

With Schenkler in the box, the locals held the visitors to three runs in the evening game until the seventh and last inning with an orgy of slugging which included a homer, two baggers and two singles which netted them six runs and dashed any hopes the locals might have had of making a last inning rally. Some bad fielding by the locals added to their rout in this frame. On the whole, the evening game was much superior to that of the afternoon, the locals being much improved in field work although they seemed unable to hit and their visits to the bases were few and far between and they did not get very far. Air tight fielding again featured the game of the visitors. Art Hylder pitched for the Ketchikan team and kept the locals guessing.

The evening teams were as follows:
Les Arnold, 3b.; A. F. Ellensburg, cf.; R. Harris, ss.; L. R. Stewart, rf.; C. Mitchell, c.; William Wall, 2b.; F. H. Kuble, 1b.; R. Imberry, rf.; Art Hylder, p.

Prince Rupert—S. Moran, ss.; Perry, rf.; W. Mitchell, cf.; D. Balfour, c.; C. Schenkler, p.; O. Haveland, 3b.; W. Lambie, 1b.; V. Menzies, 1b.; J. Farquhar, 2b.

1 2 3 4 5 6 7
Ketchikan 0 1 1 0 1 0 6—9
Prince Rupert 0 0 0 0 0 0 0—0
P. Laporte and Red Robertson umpired both games.

MOOSE CAPTURE DOMINION CUP

Good Game of Football Resulted in 3-1 Score Against Cold Storage

The Moose wrested the Dominion Day cup from the Cold Storage aggregation in a hard game of football yesterday afternoon by a score of 3 goals to 1. A large crowd witnessed the match which was a good one. The Moose playing the down-grade scored from a penalty, taken by S. Surrie, a few minutes from the start. Dido Gurvich scored the second for the Moose towards the end of the first half and, at half time, the score stood 2-0 in favor of the Moose.

In the second half Norrington, for the Storage, scored a goal and Hodgkinson put through the third tally for the Moose ten minutes from the end of the game.

The Cold Storage had more of the play than the score would actually indicate and were very unlucky in their goal shooting, the ball hitting the cross bar of their opponent's stronghold three times in succession.

George Russell refereed the game and R. Howe and A. Dickens acted as linesmen.

The teams were as follows: Moose: Wilson, goal; Skinner and F. Hunter, full backs; Geo. Mitchell, S. Currie and P. Tinker, half backs; Hodgkinson, A. Mitchell, MacIndewar, Campbell and Gurvich, forwards.

Cold Storage—Murray, goal; Haig and Kelsey, full backs; Carlson, Harris and McDonald, half backs; Johnson, Lamb, Erskine, Doherty and Norrington, forwards.

HIGH SCHOOL WINS INTERMEDIATE GAME

Although the Y Maes had their full share of the play on Wednesday night in the Intermediate League football game, they fell down in shooting and missed many scoring opportunities with the result that the High School won the match by two to nothing. At half time no scoring had been recorded but, with the wind and grade in their favor in the second period, the High School was able to work in on the cherry shirt goal for a couple of counters. Mortimer scoring both goals. He and Mackay were the best for the High School, while Gawthorn, Strachan and Phillips worked hard for the Y Maes.

J. Campbell refereed, the linesmen were Eddie Smith and A. Dickens and the teams took the field as follows:
High School—Kinslor, Mackay and Mortimer; Stalker, Bond and Parker; Currie, Y. Katsuyama, W. Murray, E. Katsuyama and Matheson.

Y Maes—Hacker; Hunt and Reid; Bond, Strachan and Heilbroner; Phillips, Parkin, Strachan, Dickens and Gawthorn.

EUROPE STUDYING CANADIAN DEBATE

See Trend in Empire to Dominions' Independent Attitude.

LONDON, July 2.—The debate in the Canadian parliament regarding the ratification treaties and the unanimous vote of approval by which Premier King's resolution was passed has attracted the keenest attention throughout Europe and is being closely studied for its possible significance, as illustration of the trend of empire affairs.

“Hitherto, the republican newspaper of Paris, says: ‘Hitherto, great Anglo-Saxon communities have held themselves bound by negotiations carried on by the British foreign office. Henceforth, if the Canadian decision prevails this will not long be the case. Canada's decision has every prospect of establishing a precedent throughout the empire, for Australia is clearly separatist in matters of international politics, and South Africa shows a similar mentality in discussing the problem of a flag for the Union of South Africa. At the imperial conference in October, the dominion governments must make clear their policies with regard to Locarno and other questions.’”

WATER NOTICE
Use and Storage
TAKE NOTICE that J. M. Ruffner, whose address is Atlin, B. C., will apply for a license to take and use 75 c. f. s. and to store 42 c. f. s. of water out of 4th of July creek, which flows south westerly and drains into Atlin Lake, about 6 miles north of Atlin.

The storage dam will be located at or near the foot of a chain of small lakes. The capacity of the reservoir to be created is about 1250 million cubic feet, and it will flood about 2500 acres of land, including the lakes. The water will be diverted from the stream at a point about and below the proposed dam about 2 miles westerly of the line of the Mineral Claim, and will be used for power for mining purposes upon the mines, described as Atlin Silver-Lead Mines and Ruffner Group of Mineral Claims.

This notice was posted on the ground on the 14th day of June, 1926.
A copy of this notice and an application pursuant thereto and to the “Water Act, 1914,” will be filed in the office of the Water Recorder at Atlin. Objections to the application may be filed with the said Water Recorder or with the controller of Water Rights in Parliament Buildings, Victoria, B. C., within thirty days after first appearance of this notice in a local newspaper. The date of the first publication of this notice is July 2, 1926.

The W.A. to the Terrace Hospital held its first week meeting on Tuesday afternoon in the Badminton Hall and a good start was made on preliminary necessary lines for hospital purposes. The repair work on the hospital building is about completed and it will be ready for occupancy by the beginning of the week. Mrs. J. Warne has been engaged as housekeeper and will take up her residence in the building.

Mrs. C. A. Giggey, Lakelse Valley, met with an unfortunate accident last week end when she was knocked down and trampled by a cow. She received severe bruises to both head and limbs, and as a result will be confined to her home for a time.

Kenney Bros. & Co. have moved their business from the premises they have occupied since going into business here, to the new building erected by O. T. Sundal next the post office.

Mrs. Marianna Schmuck returned on Monday after spending the past ten days at the home of her uncle, John Spitzel of Carnaby.

A Severe Illness Caused Constipation

Mrs. Wm. Hill, Wapella, Sask., writes:—“Three years ago I had a very severe illness, and ever since I have suffered with constipation. A few months ago a friend advised me to use

which I did, although not expecting any results, but I am pleased to say that since using them I have had perfect use of my bowels without any trouble or pain, and have never had bleeding piles since. Now, I never fail to recommend ‘Laxa-Liver Pills’ to all my friends.”

Put up only by The T. Milburn Co., Limited, Toronto, Ont.

NEWLYWEDS HONORED AT SURPRISE PARTY

Mr. and Mrs. Marcus Andrews Guests of Honor at Affair in St. Andrews' Rooms.

A surprise party was held last night in the St. Andrew's Society rooms in honor of Mr. and Mrs. Marcus Andrews. Mrs. James Simpson and Mrs. R. Cameron were joint hostesses and about 40 guests were present. The evening was delightfully spent in music and dancing. The guests of honor, who were recently married, were the recipients of many beautiful and useful gifts. Delicacies refreshments were served during the evening.

Those contributing to the program were the Misses Molly and Nellie Lawrence, Miss Jean Scott, Miss Catherine Jones, Mrs. R. Cameron, Mrs. Waugh, Mrs. Black A. Clapperton and J. Bremner.

The Drama Supreme “THE FOOL”

Adapted for the screen from Channing Pollock's famous, much-discussed stage success of that name. Vivid, vital, amazing, gripping entertainment. The story of a man who tried to live in the present as Christ would have done, who faced death and danger that others might live happily. You, yourself, are in this picture. Find yourself. A sensational photoplay in which you will find persons with characteristics similar to your own. Come and read your own good points and your own bad ones. Distinguished cast.
